IRS e-file Signature Authorization for Form 990-T
For the year ended September 30, 2022

The original IRS E-file Signature Authorization form should be signed (use full name) and dated by an authorized officer of the organization.

Return your signed IRS e-file Signature Authorization Form 8879-TE to:

FORVIS, LLP
1201 Walnut, Suite 1700
KANSAS CITY MO 64106-2246

There is no tax due with the filing of this return.

No estimated tax payments for 2022 will be required, nor will you be subject to underpayment penalties because you have no 2021 tax liability.

Under current IRS regulations, your return is subject to public inspection. Before filing, you should review all information in this return to determine that the disclosures are appropriate, accurate and complete. Please contact us if you believe any of the disclosures should be modified.

Do NOT separately file Form 990-T with the Internal Revenue Service. Doing so will delay the processing of your return. We must receive your signed form before we can electronically transmit your return, which is due on or before August 15, 2023. We would appreciate you returning this form as soon as possible as this will expedite the processing of your return. The Internal Revenue Service will notify us when your return is accepted. Your return is not considered filed until the Internal Revenue Service confirms their acceptance, which may occur after the due date of your return.

INDEPENDENT AUDITORS' REPORT

Management and the Board of Directors
LifeView Group, Inc. and Subsidiaries
Pensacola, Florida

Opinion

We have audited the consolidated financial statements of LifeView Group, Inc. and Subsidiaries (the Company), which comprise the consolidated balance sheet as of September 30, 2023, and the related consolidated statements of operations and changes in net assets, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of September 30, 2023, and the changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 26, 2024, on our consideration of the Company's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control over financial reporting and compliance.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

LifeView Group, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

(Dollars in Thousands)

September 30, 2023

1. Organization and Summary of Significant Accounting Policies

Organization

Lifeview Group, Inc. (LGI or the Company), a nonprofit organization, was incorporated in 2021 to purchase Lakeview Center, Inc. (the Center) and its affiliates, Global Connections to Employment, Inc. (GCE), CMHC Hernandez House, Inc., Lakeview Place, Inc., Lakeview Villa, Inc. (the 3 collectively -HUDs). The Center was acquired pursuant to the Member Substitution Agreement. LGI is the sole member of the Center, and the Center is the sole member of the HUDs. CMHC Hernandez House, Inc. is no longer active. The mission of the Company, including all of its subsidiaries, is to help people through life's journey by providing behavioral health services, vocational services, and child protective services.

Lakeview Center, Inc., a nonprofit organization, was incorporated in 1954, as Community Mental Health Center of Escambia County, Inc. Lakeview Place, Inc. and CMHC Hernandez House, Inc. are U.S. Department of Housing and Urban Development (HUD) multi-unit dwellings owned by the Center that provide housing facilities and services to people diagnosed with mental illness. The contract for CMHC Hernandez House, Inc. ended September 30, 2021. Subsequent to September 30, 2021, the operations of CMHC Hernandez House, Inc. have been included in the Center operations. Lakeview Villa, Inc. is a HUD apartment complex owned by the Company that provides low-cost housing facilities and services to persons with chronic mental illness. Global Connections to Employment, Inc. was separately incorporated in 2014, with the Center as the sole member. Effective July 2023, LGI became the sole member of GCE.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of LifeView Group, Inc. and its related entities: Lakeview Center, Inc.; Global Connections to Employment, Inc.; Lakeview Villa, Inc.; and Lakeview Place, Inc. All inter-entity transactions have been eliminated in consolidation.

Operating and Nonoperating Activities

The Company's primary mission is to provide a broad range of behavioral health services, vocational services, and child protective services to citizens of the region and nationally, across 14 states and the District of Columbia. Activities directly associated with the furtherance of this purpose are considered to be operating activities. Other activities that result in gains or losses unrelated to the Company's primary mission are considered nonoperating.

1. Organization and Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of these consolidated financial statements in conformity with accounting principles generally accepted in the United States (GAAP) requires management to make estimates and assumptions. These estimates and assumptions affect certain reported amounts of assets and liabilities at the date of the consolidated financial statements and revenues and expenses recognized during the reporting period. Accordingly, actual results may differ from those estimates.

Net Assets

The Company reports information regarding financial position and activities according to two classes of net assets: with and without donor restriction. Net assets are classified based on the existence or absence of donor-imposed restrictions, if any, that may or may not be met by actions of management or by the passage of time.

The net asset categories reflected in the accompanying consolidated financial statements are as follows:

- *Without donor restriction* - Net assets that are free of donor-imposed restrictions, including all revenues, expenses, gains, and losses that are not changes in net assets with donor restrictions.

  With donor restriction - Net assets whose use by the Company is limited by donor-imposed stipulations that may or may not expire by passage of time or that can or cannot be fulfilled or removed by action of the Company pursuant to those stipulations. As a general practice, the Company applies restricted resources when an expense relating to the purpose restriction imposed by the outside party is incurred before unrestricted resources are used.

Contributions

The Company records contributions as being with or without donor restriction depending on the existence and/or nature of any donor restrictions.

1. Organization and Summary of Significant Accounting Policies (continued)

Cash Equivalents

The Company considers all highly liquid investment instruments with maturities of three months or less when purchased to be cash equivalents. Cash deposits are federally insured in limited amounts.

Short-Term Investments

Short-term investments consist of a certificate of deposit held by LGI that automatically renews every 182 days. Due to the short-term nature, the carrying amount reported in the consolidated balance sheet approximates the fair value as of September 30, 2023.

Net Client Service Revenue and Accounts Receivable

The Company has agreements with third-party payors that provide payments to the Company at amounts different from its established rates. Payment arrangements include prospectively determined rates per service, reimbursed costs, discounted charges, and per diem payments. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Allowance for Uncollectible Accounts

Accounts receivable are written off after collection effort has been followed in accordance with the Company's policies. Accounts written off as uncollectible are deducted from the allowance for uncollectible accounts and subsequent recoveries are added. Periodically, management assesses the adequacy of the allowance for uncollectible accounts based upon historical write-off experience by payor category. The results of this review are then used to make any modifications to the provision for bad debts to establish an appropriate allowance for uncollectible receivables.

Contract and Other Receivables

Receivables for contracted services are typically deemed wholly collectible as they are due from governmental units, grantors, and third-party paying agencies.

1. Organization and Summary of Significant Accounting Policies (continued)

Inventories

Inventories (primarily pharmaceutical and computers) are stated at the lower of cost (average cost method) or net realizable value using the first-in, first-out method.

Property and Equipment

Property and equipment acquisitions are recorded at historical cost. Property and equipment donated to the Company are recorded at fair value at the date of receipt. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method. Estimated useful lives of depreciable assets are as follows:

Buildings	40 years
Furniture and equipment	3–7 years
Building and land improvements	10–20 years

Compensated Absences

Employees are entitled to accumulate a limited amount of earned but unused annual leave. Accordingly, the Company records an accrual for earned, unused, vested annual leave in accordance with the Company's policy. Upon separation from the Company, employees are entitled to this amount of unused vested leave.

Net Client Service Fees

The Company has agreements with third-party payors that provide payments to the Company at amounts different from its established rates. Payment arrangements include prospectively determined rates per completion of service, reimbursed costs, and discounted charges. Net client service fees are reported at the estimated net realizable amounts from clients, third-party payors, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors.

1. Organization and Summary of Significant Accounting Policies (continued)

Net Client Service Fees (continued)

The Company accepts clients in immediate need of care, regardless of their ability to pay, and serves certain clients whose care costs are not paid at established rates, including those sponsored under government programs such as Medicare and Medicaid, those sponsored under private contractual agreements, charity clients, and other uninsured clients who have limited ability to pay. The Company recognizes client service fee revenue associated with clients who have third-party payor coverage on the basis of contractual rates for the services rendered. For uninsured clients who do not qualify for charity care, revenue is recognized on the basis of discounted rates in accordance with the Company's policy.

A summary of the payment arrangements with major third-party payors follows:

Medicare – Client services rendered to Medicare program beneficiaries are reimbursed under a fee-for-service methodology.

Medicaid – Client mental health and substance abuse services rendered to Medicaid program beneficiaries are reimbursed under a capitated arrangement.

Other – The Company has also entered into payment agreements with certain insurance carriers, health maintenance organizations, and preferred provider organizations. The basis for payment to the Company under these agreements includes prospectively determined rates and discounts from established charges.

Charity Care

Quality care is provided to all persons requiring immediate treatment regardless of their ability to pay. An individual is classified as a charity client by reference to certain established policies of the Company. Essentially, these policies define charity services as those services for which no payment is anticipated. In assessing a client's ability to pay, the Company utilizes the most recently published federal poverty income guidelines, but also includes certain cases where incurred charges are significant when compared to income. These charges are subtracted in the net client service fees calculation.

1. Organization and Summary of Significant Accounting Policies (continued)

Charity Care (continued)

The Company estimates the direct and indirect costs of providing charity care by applying a cost to gross charges ratio to the gross uncompensated charges associated with providing charity care to clients. The cost of providing charity care was $4,693 for the year ended September 30, 2023.

Medicaid Managed Medical Assistance Contract Revenue

The Company is licensed as a prepaid limited health services organization pursuant to Chapter 636, *Florida Statutes*. Effective August 1, 2014, the Company, doing business as Access Behavioral Health, was awarded contracts with the Medicaid Managed Medical Assistance Plan (the MMA Plan). The Company receives a per-member per-month rate to provide mental health and substance abuse services to an annual average of 139,000 Medicaid beneficiaries in Florida's Regions 1 and 2. Amounts received are recognized as contract revenue during the period in which the Company is obligated to provide services to beneficiaries. Approximately $37,387 was recognized as revenue under the MMA Plan during the year ended September 30, 2023.

Medicaid Managed Medical Assistance Plan Costs

The Company is directly responsible for providing mental health and substance abuse services to beneficiaries residing in Escambia, Santa Rosa, and Walton counties, representing approximately 62% of the covered lives under the MMA Plan. The Company has entered into subcontracts with three comprehensive community mental health centers to provide mental health services to the MMA Plan beneficiaries residing in the other counties in these Regions. These subcontracts are typically on a full-risk capitated basis. The mental health services covered under the MMA Plan are generally the same as those covered under the Medicaid fee-for-service program. Covered services include inpatient psychiatric care, outpatient care, substance abuse, and physician services. The majority of services for which the Company is directly responsible is provided within its own service delivery system; however, some services are contracted for on a fee-for-service basis with local area hospitals and providers. A provision has been made for these services rendered but not reported as of September 30, 2023.

1. Organization and Summary of Significant Accounting Policies (continued)

Income Taxes

The Company and its related entities are exempt from federal income taxes under Section 501(a) as organizations described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, and are also exempt from state income taxes.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740, *Income Taxes*, prescribes the accounting for uncertainty in income tax positions recognized in financial statements. ASC Topic 740 provides guidance for recognition threshold and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. There were no material uncertain tax positions as of September 30, 2023.

Cost Allocation

The Company uses several methods to allocate organization and overhead costs among program and support areas. Workers' compensation is allocated based on industry standard rates and salary expense. Unemployment and health plan expenses are allocated based on personnel cost and plan participation, respectively.

Administrative costs are allocated based on the federal indirect rate cal. Property and auto insurances are allocated proportionately among those who benefit from the assets covered. General liability uses a staff-based allocation.

2. Cash and Short-Term Investments

The composition of cash and short-term investments is as follows:

	September 30, 2023
Cash and cash equivalents	$ 31,912
Certificate of deposit	277
	$ 32,189

3. Concentrations of Credit Risk

The Company receives client service fees revenue from three primary sources: Medicaid and Medicare, other third-party payors, and client payments. The following indicates the applicable percentages of accounts receivable from those sources:

	September 30, 2023
Medicaid and Medicare	41%
Other third-party payors	45
Client payments	14
	100%

4. Property and Equipment

Major classifications of property and equipment are summarized as follows:

	September 30, 2023
Buildings and improvements	$ 21,561
Furniture and equipment	11,348
Land	2,445
Construction-in-progress	890
	36,244
Less accumulated depreciation	(5,276)
	$ 30,968

Depreciation expense on the statement of operations and changes in net assets includes $98 of loss on sale and retirement of property and equipment. Total depreciation expense amounted to $2,433 for the year ended September 30, 2023.

5. Long-Term Debt

Long-term debt consists of the following:

	September 30, 2023
Note payable to HUD, interest at 9.0%, monthly payments of $5,000 including interest, secured by real property, maturing May 2032	$ 370
Note payable to HUD, interest at 8.375%, monthly payments of $2,000 including interest, secured by real property, maturing March 2032	140
Series 2021A Bonds payable, issued by Florida Development Finance Corp and purchased by Bank of America, interest at 6.0% on $7,790 and 6.25% on $14,120, maturity date August 2041 and 2051, respectively; interest payment of $1,350 due in 2023 to be paid semi-annually.	21,910
Series 2021B Bonds payable, issued by Florida Development Finance Corp. under the Master Indenture and purchased by BHCC, interest at 4.45% through September 30, 2026, and increasing thereafter, maturity date August 2031; interest payment of $668 due in 2023 to be paid semi-annually.	15,000
Unamortized issuance costs	(1,057)
	36,363
Less current portion	(41)
	$ 36,322

Following are maturities of long-term debt for each of the next five years and thereafter:

	Amount
Year ending September 30:	
2024	$ 41
2025	45
2026	49
2027	54
2028	59
Thereafter	36,115
	$ 36,363

5. Long-Term Debt (continued)

2021 Revenue Bonds

The Series A Tax-Exempt Revenue Bonds, in the amount of $21,910, were issued by the Florida Development Finance Corporation (the Issuer). The Series 2021A Bonds were issued under a Bond Trust Indenture dated as of September 1, 2021, by and between the Issuer and Regions Bank, as bond trustee. The Issuer loaned the proceeds of the Series 2021A Bonds to LifeView Group, Inc. pursuant to a Loan Agreement dated as of September 1, 2021. The Series B Taxable Revenue Bonds, in the amount of $15,000, were issued by the Florida Development Finance Corporation. The Series 2021B Bonds were issued under a Bond Trust Indenture dated as of September 1, 2021, by and between the Issuer and Regions Bank, as bond trustee. The Issuer loaned the proceeds of the Series 2021B Bonds to LifeView Group, Inc. pursuant to a Loan Agreement dated as of September 1, 2021. The Bond Trust Indenture requires certain covenants and reporting requirements to be met.

6. Leases

On October 1, 2019, the Company adopted FASB's ASU 2016-02, *Leases*, electing to apply the optional transition method, which allows entities to forgo comparative reporting requirements. For leases that commenced before the effective date of ASU 2016-02, the Company elected the package of transition provisions available that allowed carryforward of the historical assessment of (1) whether contracts are or contain leases, (2) lease classification for any expired leases and (3) initial direct costs. In addition, the Company does not separate lease and non-lease components.

The Company's leases are primarily for real estate. The Company determines if an arrangement is a lease at contract inception. Lease assets and lease liabilities are recognized based on the present value of the lease payments over the lease term at the commencement date. Because most of the leases do not provide an implicit rate of return, the Company used a risk-free rate based on the daily treasury yield curve at lease commencement in determining the present value of lease payments.

Most leases include one or more options to renew, with renewal terms that can extend the lease term from months to years. The exercise of such lease renewal options is generally at the Company's sole discretion. For purposes of calculating lease liabilities, lease terms include options to extend or terminate the lease when it is reasonably certain that option will be utilized.

6. Leases (continued)

Leases with a lease term of 12 months or less at commencement are not recorded on the consolidated balance sheet. Lease expense for these arrangements is recognized on a straight-line basis over the lease term.

Leases consist of the following:

Operating Leases

	September 30, 2023
Operating lease assets	$ 5,209
Current portion of operating lease obligation	$ 1,557
Operating lease obligation, less current portion	4,119
Total operating lease liabilities	$ 5,676

Lease expense for lease payments is recognized on a straight-line basis over the lease term. The components of lease expense are as follows:

	Year Ended September 30, 2023
Operating lease expense	$ 1,203
Short-term lease expense	270
Total lease expense	$ 1,473

Lease term and discount rate are as follows:

	September 30, 2023
Weighted-average remaining lease terms:	4.38 years
Weighted-average remaining discount rate:	1.77%

6. Leases (continued)

The following table summarizes the maturity of lease liabilities under operating leases for the next five years and the years thereafter, as of September 30, 2023:

	Operating Leases
2024	$ 1,557
2025	1,424
2026	1,058
2027	784
2028	803
Thereafter	270
Total lease payments	5,896
Less: imputed interest	220

7. Sources of Revenue

Federal, State, and Local Financial Awards

The Company receives funding from several Government and other agencies to provide behavioral health and child protective services to clients in a four-county region. This revenue is predominantly deemed to be unconditional contribution revenue and not governed under the ASC 606 guidance. The contractual obligations with these payors are met as services are provided. These contracts are billed monthly. The Company expects to be paid for all services provided. Adjustments are made as they arise for any services that will not be reimbursed.

Net Client Service Revenue

The Company's client service revenues generally relate to contracts with clients in which the performance obligation is to provide behavioral health care services. Revenues are recorded during the period when the obligations are satisfied. The obligations are generally satisfied over a day or more for residential or inpatient programs or less for outpatient services. The contractual relationships with clients often involve a third-party payor and the transaction prices for the services provided are dependent upon the terms provided by or negotiated with the third-party payors. The payment arrangements with third party payers for services provided to clients are typically for rates lower than the customary and standard fees. The differences in these rates are considered to be explicit price concessions.

Client service revenue is based upon the estimated amounts expected to be received from the clients and any third-party payors. Explicit price concessions are estimated at the time revenue is recorded and may be adjusted in future periods. The Company elected to use the portfolio approach to assess collectability due to the large volume of similar contracts with similar classes of customers. The effect of applying the portfolio approach to a group of contracts would not differ materially from considering each contract separately. Management's judgment to group the contracts by portfolio is based on the payment behavior expected in each portfolio category. As a result, aggregating all contracts (which are at the patient level) by the particular payor or group of payors will result in the recognition of the same amount of patient service revenue as applying the analysis at the individual patient level.

7. Sources of Revenue (continued)

Net client service fee revenue is not recognized for those clients that qualify for charity under the Company's charity care policies. For all others, service fee revenue, net of explicit price concessions and other deductions recognized from major payor sources is as follows:

	Year Ended September 30, 2023
Third-party payors, net of deductions	$ 17,750
Self-pay clients, net of deductions	4,571
	$ 22,321

Revenues from the Medicare and Medicaid programs accounted for approximately 42% of the Company's net client service fees for the year ended September 30, 2023. Laws and regulations governing Medicare and Medicaid programs are extremely complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount. Changes in the Medicare and Medicaid programs and the reduction of funding levels could have an adverse impact on the Center.

Vocational Service Contracts

The Company's vocational service revenues generally relate to contracts with federal, state or local customers in which the performance obligation is to provide various "bundled" type services to our customers. The Company has contractual obligations to provide services as outlined in the statement of work within each formal contract. Although the services within each business line are distinct, they are bundled services transferred consecutively on a monthly basis as a line of business. The lines of business consist of business services, custodial services, food services, facilities maintenance, health care environmental services, information technology, as well as employment support services. The performance obligations for vocational contracts are spelled out in the contract either in the performance work statement or other applicable section of the contract. These bundled services are invoiced each month at the contract price over the life of the contract period. Revenues for these services are recognized on a monthly basis as the services are performed.

7. Sources of Revenue (continued)

A summary for the year ended September 30, 2023:

	2023
Federal	$ 100,854
State	1,814
Local	628
Other	53
	$ 103,349

Each distinct service is satisfied over time and the measurement of progress toward satisfaction of the performance obligation is the same for each of the services in the series (monthly services) in accordance with the contracts in place. Each contract for the above series of services (business line) delivers the services over an annual or multi-year period and is measured monthly, consistent with the billing for these services. Each line of business is considered a series of distinct services performed and treated as a single performance obligation that is set each month as services are provided.

The monthly payment and methodology are fixed in each contract. All business lines and other services in each contract are valued at their standalone value of the service in the contract. There are no instances where a service or product is provided at no value or a value below its standalone value (discounted) as stated in a contract. Each business line has a fixed price that is recognized over the period the performance obligation is met. Contracts with time and materials (T&M) provisions have the hourly rate and materials recorded at their standalone value and are not discounted as a part of the overall contract. As nearly all contracts are with government/state organizations, collectability is assured as we have nearly no history of uncollectable amounts for services rendered. As such, no variable consideration is included in the determination of the transaction price for each contract.

7. Sources of Revenue (continued)

Contract Revenue

The Company as a managed care provider receives payments under an agreement with Medicaid Managed Healthcare prepaid health plans (MMA plans), which obligates the Company to stand ready to provide or obtain services for qualified beneficiaries (individuals who enroll with an MMA plan). The qualified beneficiaries sign up with the MMA plans to participate in such a health plan. These payments are referred to as capitation fees. The payment is calculated using a per member per month rate (PMPM rate) for each qualified beneficiary.

The Company has two performance obligations related to Managed Care contract revenue that are both paid through capitation revenues – administrative services and behavioral healthcare services.

The first is the administrative services component of the MMA Plan in the amount of 12.5% of the capitation revenue which is for the administrative, recordkeeping and other services of the plan activities. All these services are not considered distinct individually but are a series of services delivered simultaneously each month as a single performance obligation. Like the capitation revenue described above and below for providing healthcare services, the administrative services are also stand ready obligations recognized over time.

The second performance obligation is for healthcare services as detailed above. These are stand-ready performance obligations and although may incorporate several different lines of services are deemed a single performance obligation delivered over time as measured each month.

Transaction price considerations include monthly capitation payment, retroactive adjustments, incentive payments and other risk pool adjustments.

The capitation fees do not vary with the volume of behavioral health services provided and are exclusive of any client copayments or deductibles under their respective plans. Therefore, the Company bears the risk of providing goods and services or contracting for services that the beneficiary is entitled to receive.

In addition to the capitation fees, the amount of contract revenue may be affected by factors such as reinsurance recoveries, retroactive adjustments for member eligibility, risk pools adjustments such as financial incentives and quality targets, and other adjustments.

7. Sources of Revenue (continued)

Contract Revenue (continued)

The Company has concluded that based on the immaterial nature of the adjustments no variable consideration need be included in the transaction price related to the capitation fees.

Capitation arrangements represent a stand-ready obligation to provide services to qualified beneficiaries. The Company recognizes monthly capitation fees as Managed Care contract revenue over time when the periods for which the qualified beneficiary is entitled to services are completed.

8. In-Kind Contributions

In-kind contributions and expenses represent the value assigned to donated prescription drugs from the State of Florida. In-kind contributions are recognized if the services or goods received create or enhance non-financial assets. In-kind contributions for the year ended September 30, 2023, amounted to $405.

9. Retirement Plan

The Company provides a tax deferred annuity 403(b) retirement plan (Plan) to all eligible employees. Employees who work a minimum of 20 hours per week are eligible to participate in the Plan after completing one year of employment. Voluntary employee contributions are allowed to the extent permitted by law. The Company matched each eligible participant's pay period contribution to the Plan up to 3% of each eligible participant's compensation. In compliance with Internal Revenue Service regulations, employer contributions for eligible participants vest under a six-year graduated vesting schedule. Plan expenses for the year ended September 30, 2023, amounted to $1,811.

10. Support from the State of Florida Requiring Match

The Company received a substantial portion of its support passed through from the State of Florida under grant contract number AO110 with the Florida Department of Children and Families (DCF) Substance Abuse and Mental Health Program. This contract must be renegotiated annually. The contract requires a local match for certain community mental health services. This local match requirement has been met for 2023.

11. Net Assets with Donor Restriction

Net assets with donor restrictions as of September 30, 2023, were $1,430, the majority of which relate to children's services.

12. Commitments and Contingencies

The Company carries general and professional liability insurance from an unrelated commercial insurance carrier with coverage up to $2,000 per occurrence and $4,000 in the aggregate, on a claims-made basis, and employee benefits liability insurance with coverage up to $1,000 per occurrence and $1,000 in the aggregate. In addition, the Company has an excess coverage policy. The Company is involved in various lawsuits and claims incidental to the normal course of its operations. The Company may be liable for losses in excess of the amounts recorded at September 30, 2023; however, in the opinion of management, such potential losses would not be material to the consolidated financial statements.

In 2021, Global Connections to Employment (GCE), was served a Civil Investigative Demand (CID) by a U.S. Attorney's Office and a criminal matter grand jury subpoena, both related to GCE's contracts with the Department of Defense Manpower Data Center. GCE has fully cooperated in these matters by providing responses and documentation as requested.

In addition to the expense of responding, government investigations can also result in monetary penalties and damages, as well as administrative sanctions such as suspension, exclusion or debarment. Although GCE was part of the sale of the membership interest in Lakeview Center, Inc., BHCC has retained certain liabilities related to the investigation to the extent they arose prior to the sale or arose from activity prior to the sale.

12. Commitments and Contingencies (continued)

Lakeview Center, Inc. is self-insured for employees' medical insurance claims. The Company carries stop-loss insurance coverage with annual limits of $300 per participant and $14,020 in the aggregate. Global Connections to Employment, Inc. is fully insured for full-time employees and self-insured for part-time employees. It is the opinion of management that recorded reserves are adequate for existing and unreported claims.

The Company has established multiple irrevocable standby letters of credit: one in the amount of $250 with the Company's previous administrator for workers' compensation claims as the named beneficiaries; one each for $367and $368 with the insurance providers for the Access Behavioral Health (ABH) managed medical advantage plan; and one for $1,675 with the Company's current administrator for workers' compensation claims as the named beneficiary. The Company, under its workers' compensation policies, is responsible for paying all individual claims up to $273 each, as well as certain administration costs to its claims administrators. Should the Company default on any of these payments, the letter of credit guarantees the claims administrators' payment of any outstanding amounts.

Line of Credit Agreement

At September 30, 2023, the Company has a line of credit arrangement of $10,000, reduced from $15,000 on February 1, 2022. The line of credit is secured by a parity Obligation issued under the Master Indenture related to the bonds issued. This line of credit has no outstanding balance as of September 30, 2023.

Contingencies

Federal and State Financial Awards – The Company has received numerous federal and state grants. The disbursement of funds received under these programs is subject to review and audit by grantor agencies. Any disbursements disallowed by these agencies could become a liability of the Company. In the opinion of management, such claims, if any, should not have a material adverse effect on the consolidated financial position, results of operations, or cash flows of the Company.

Unemployment Compensation – The Company reports its wages to various states for unemployment compensation purposes, as a reimbursable employer. Reimbursable employers compensate prior employees only when a claim has been made with these states. In the opinion of management, no material claims were outstanding that had not been reserved for at September 30, 2023.

15. Coronavirus Disease 2019

Due to the global viral outbreak caused by Coronavirus Disease 2019 (COVID-19), in 2020, the Center received CARES funding in both fiscal years 2020 and 2021. In fiscal year 2022, the Company received $153 from Homelessness & Housing Alliance, the HUD designated lead agency for the Okaloosa Walton Homeless Continuum of Care. In 2023, the Company received $50 from American Rescue Plan ACT Coronavirus State and Local Fiscal Recovery Fund (ARPA). The Company continues to respond to the impact COVID-19 cases, but operations have predominantly returned to normal.

16. Functional Classification of Expenses

The Company provides human services, including inpatient, outpatient, long term and community-based behavioral health services, child protective services, and employment for people with disabilities within its region and nationally. Administrative services include administration, finance and accounting, information technology, human resources, and other functions. Organizational expenses are allocated to program and administrative services based on the benefit received in those areas while administrative services costs are allocated to program areas based on federally approved indirect cost rate.

Expenses by functional classification for the year ended September 30, 2023 consist of the following:

	Year Ended September 30, 2023		
	Program Services	Administrative Services	Total

Notes to Financial Statements

September 30, 2023

1. Summary of Significant Accounting Policies

The DUI School financial statements are prepared on the accrual basis of accounting. Significant accounting policies for the DUI School are the same as those described in Note 1 to the accompanying consolidated financial statements of LifeView Group, Inc. and Subsidiaries.

2. State Assessment Fee

As required by Section 322.293, *Florida Statutes*, each DUI program collects a $15 assessment fee on every client enrolling in its DUI program and remits the fee to the State of Florida. These and other fees collected and distributed to the State are summarized as follows:

	September 30, 2023
Fees due from prior year	$ –
Fees collected during current year	16,725
Fees remitted during current year	16,725
Fees due to the State of Florida	$ -

Procedures have been established and maintained that adequately account for all fees received for the DUI program and for all receipts created and/or issued by the DUI program.

3. Other Program Costs for DUI (Non-Special Supervision Services (SSS) Expenses)

Other program costs for the DUI program, not including SSS, consist of the following:

	September 30, 2023
Copier costs	$ 1,570
Office supplies	2,586
Telephone	2,246
Other	9,015
Program admin allocations	48,147
Total other program costs	$ 63,564

4. Indirect Cost Allocations

LifeView Group, Inc. allocates administrative costs to its programs using a step-down allocation methodology. The allocation basis varies depending upon the nature of the indirect cost pool being allocated. The following are examples of the allocation processes employed (this list is not intended to be all-inclusive): the human resources allocation is based on adjusted active staff and maintenance service costs are allocated based on the square footage maintained. The methodologies used allow for the allocation of indirect costs across all appropriate components of operations and are in accordance with Florida Administrative Code 15A-10.014.

Note to Financial Statements (Regulatory Basis)

September 30, 2023

1. Summary of Significant Accounting Policies

The Access Behavioral Health (ABH) financial statements are prepared on a regulatory basis of accounting in accordance with guidelines established by the State of Florida Office of Insurance Regulation. Significant accounting policies for ABH are the same as those described in Note 1 to the accompanying consolidated financial statements of LifeView Group, Inc. and Subsidiaries. Capitation revenue is based on a per-member per-month rate to provide services as a managed behavioral health organization. ABH provides these services for the Company and three comprehensive community mental health centers to provide mental health services to the MMA Plan beneficiaries residing in Regions 1 and 2 in Florida. Subcontracts with the Company are on a full-risk capitated basis and is reported as sub-capitation expense within the statement of operations for ABH.

Notes to Schedule of Expenditures of Federal Awards and State Financial Assistance

September 30, 2023

1. Presentation and Basis of Accounting

The schedule of expenditures of federal awards and state financial assistance is prepared on the accrual basis in accordance with accounting principles generally accepted in the United States. It includes all the state and federal expenditures of LifeView Group, Inc. (the Company).

The Company allocates administrative costs to its federal and state programs using a step-down allocation methodology. The methodologies used allow for the allocation of administrative costs across all appropriate components of operations and are in accordance with Florida Administrative Code 15A-10.014. The Company has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance and instead adheres to an approved federal indirect rate or approved contract indirect rate.

2. Contingencies

The Company has received numerous federal and state grants. The disbursement of funds received under these programs is subject to review and audit by grantor agencies. Any disbursements disallowed by these agencies could become a liability of the Company. In the opinion of management, any such claim will not have a material adverse effect on the financial position of the Company.

3. Subrecipients

In order to fulfill contractual requirements for child protective services, behavioral health services, and vocational services, the Company subcontracts with various community agencies. The Company is responsible for compliance with the funds expended, but all regulatory and contractual obligations are passed to the subrecipients in their contracts.

OTHER REPORTS AND SCHEDULES

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

President/Chief Executive Officer
Chief Financial Officer
Board of Directors
LifeView Group, Inc. and Subsidiaries

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Lifeview Group, Inc. and Subsidiaries (the Company), which comprise the consolidated balance sheet as of September 30, 2023, and the related consolidated statements of operations and changes in net assets and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated February 26, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Company's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during the audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Board of Directors
Lifeview Group, Inc. and Subsidiaries

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Company's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE FINANCIAL ASSISTANCE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE, SECTION 215.97, FLORIDA STATUTES, AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

President/Chief Executive Officer
Chief Financial Officer
Board of Directors
LifeView Group, Inc. and Subsidiaries

Report on Compliance for Each Major Federal Program and State Financial Assistance Project

Opinion on Each Major Federal Program and State Project

We have audited Lifeview Group, Inc. and Subsidiaries (the Company) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the *Florida Department of Financial Services State Projects Compliance Supplement* that could have a direct and material effect on the Company's major federal programs and state projects for the year ended September 30, 2023. The Company's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Company complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2023.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); Section 215.97, *Florida Statutes*; and Chapter 10.650, *Rules of the Auditor General*. Our responsibilities under those standards, the Uniform Guidance, Section 215.97, *Florida Statutes*; and Chapter 10.650, *Rules of the Auditor General* are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Company's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of federal and state statutes, regulations, rules, and provisions of contracts or grant agreements applicable to its federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Company's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, Section 215.97, *Florida Statues*; and Chapter 10.650, *Rules of the Auditor General* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Company's compliance with the requirements of each major federal program or state project as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards,* the Uniform Guidance, Section 215.97, *Florida Statutes*; and Chapter 10.650, *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Company's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

- Obtain an understanding of the Company's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, Section 215.97, *Florida Statutes* and Chapter 10.650, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state financial assistance project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state financial assistance project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state financial assistance project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified. Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance, Section 215.97, *Florida Statutes*; and Chapter 10.650, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

Report of Independent Auditors

Management and the Board of Directors
LifeView Group, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the consolidated financial statements of LifeView Group, Inc. and Subsidiaries (the Company), which comprise the consolidated balance sheet as of September 30, 2022, and the related consolidated statements of operations and changes in net assets, and cash flows for the year then ended and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of LifeView Group, Inc. and Subsidiaries at September 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audit contained in *Government Auditing Standards* issued by the Comptroller General of the United States *(Government Auditing Standards)*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

A member firm of Ernst & Young Global Limited

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The DUI School and Access Behavioral Health (Regulatory Basis) supplementary information are presented on pages 48 through 55 for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The accompanying schedule of expenditures of federal awards and state financial assistance as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and by Chapter 10.650, *Rules of the Auditor General*, presented on pages 56 through 65 is presented for purposes of additional analysis as required for Uniform Guidance and Chapter 10.650, *Rules of the Auditor General* and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated, in all material respects, in relation to the financial statements as a whole.

The accompanying Schedule of Functional Revenues and Expenses (Regulatory Basis), the Schedule of State Earnings (Regular Basis), Schedule of Related-Party Transaction Adjustments (Regulatory Basis) and Schedule of Bed-Day Availability Payments are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management. The information has not been subjected to the auditing procedures applied in the audit of the financial statements, and, accordingly, we express no opinion on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we also have issued our report dated January 25, 2023 on our consideration of the Company's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control over financial reporting and compliance.

Notes to Consolidated Financial Statements
(Dollars in Thousands)

September 30, 2022

1. Organization and Summary of Significant Accounting Policies

Organization

LifeView Group, Inc. (LGI or the Company), a nonprofit organization, was incorporated in 2021 to purchase Lakeview Center, Inc. (the Center). The Center was an affiliate of Baptist Health Care Corporation (BHCC) under an affiliation agreement in which BHCC was the sole member of the Center. This arrangement terminated on September 30, 2021 when the Center was purchased by LCI II, Inc., renamed LifeView Group, Inc., now the sole member of the Center. The Company acquired the Center pursuant to the Member Substitution Agreement with a purchase price of $28,327.

Lakeview Center, Inc., a nonprofit organization, was incorporated in 1954, as Community Mental Health Center of Escambia County, Inc. The mission of the Center, including all of its subsidiaries, is to help people through life's journey by providing behavioral health services, vocational services, and child protective services. Lakeview Place, Inc. and CMHC Hernandez House, Inc. are U.S. Department of Housing and Urban Development (HUD) multi-unit dwellings owned by the Center that provide housing facilities and services to people diagnosed with mental illness. The contract for CMHC Hernandez House, Inc. ended September 30, 2021. Subsequent to September 30, 2021, the operations of CMHC Hernandez House, Inc. have been included in the Center operations. Lakeview Villa, Inc. is a HUD apartment complex owned by the Company that provides low-cost housing facilities and services to persons with chronic mental illness. Global Connections to Employment, Inc. is a nonprofit organization owned by the Center. The mission of this company is to employ people with disabilities and provide vocational services.

To acquire the Center, LGI paid cash to BHCC for the purchase price using the funds from the issuance of two series of bonds for $21.9 million and $15 million.

1. Organization and Summary of Significant Accounting Policies (continued)

As of the acquisition date, LGI recognized all of the Center's acquired assets and assumed liabilities. The fair value of the assets acquired and assumed liabilities is summarized below (in thousands):

Cash	$	17,351
Investments		277
Accounts receivable		25,942
Property and equipment		30,729
Operating leases right of use asset		9,170
Other assets		2,542
Total assets acquired		86,011
Accounts payable		7,511
Accrued liabilities		22,092
Long-term debt		583
Operating lease obligation		9,655
Total liabilities acquired		39,841
Less:		
Cash contributed by BHCC		10,000
Property and equipment contributed by BHCC		3,439
Inherent contribution		4,404
Total purchase price	$	28,327

As the total consideration was below the fair value of the net assets acquired, LGI recognized an inherent contribution for the difference between the purchase price and the fair value of the net assets acquired. This was recorded through the statement of operations and changes in net assets of LGI in fiscal year 2021.

LGI incurred $1.3 million of costs to obtain debt financing to fund the acquisition. The $1.3 million was capitalized as deferred debt issuance costs (contra liability and netted against the carrying amount of the related debt). The deferred debt issuance costs are amortized over the term of the debt using a straight-line method.

1. Organization and Summary of Significant Accounting Policies (continued)

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of LifeView Group, Inc. and its related entities: Lakeview Center, Inc.; Global Connections to Employment, Inc.; Lakeview Villa, Inc.; CMHC Hernandez House, Inc.; and Lakeview Place, Inc.. All inter-entity transactions have been eliminated in consolidation. See Note 13 for summary financial data for these related entities.

Operating and Nonoperating Activities

The Company's primary mission is to provide a broad range of behavioral health services, vocational services, and child protective services to citizens of the region and nationally, across 14 states and the District of Columbia. Activities directly associated with the furtherance of this purpose are considered to be operating activities. Other activities that result in gains or losses unrelated to the Company's primary mission are considered nonoperating.

Use of Estimates

The preparation of these consolidated financial statements in conformity with accounting principles generally accepted in the United States (GAAP) requires management to make estimates and assumptions. These estimates and assumptions affect certain reported amounts of assets and liabilities at the date of the consolidated financial statements and revenues and expenses recognized during the reporting period. Accordingly, actual results may differ from those estimates.

Net Assets

The Company reports information regarding financial position and activities according to two classes of net assets: with and without donor restriction. Net assets are classified based on the existence or absence of donor-imposed restrictions, if any, that may or may not be met by actions of management or by the passage of time.

1. Organization and Summary of Significant Accounting Policies (continued)

The net asset categories reflected in the accompanying consolidated financial statements are as follows:

- *Without donor restriction* – Net assets that are free of donor-imposed restrictions, including all revenues, expenses, gains, and losses that are not changes in net assets with donor restrictions

- *With donor restriction* – Net assets whose use by the Company is limited by donor-imposed stipulations that may or may not expire by passage of time or that can or cannot be fulfilled or removed by action of the Company pursuant to those stipulations.

Contributions

The Company records contributions as being with or without donor restriction depending on the existence and/or nature of any donor restrictions.

Cash Equivalents

The Company considers all highly liquid investment instruments with maturities of three months or less when purchased to be cash equivalents. Cash deposits are federally insured in limited amounts. As of September 30, 2022, LGI holds one Certificate of Deposit.

Net Client Service Revenue and Accounts Receivable

The Company has agreements with third-party payors that provide for payments to the Company at amounts different from its established rates. Payment arrangements include prospectively determined rates per service, reimbursed costs, discounted charges, and per diem payments.

Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

1. Organization and Summary of Significant Accounting Policies (continued)

Allowance for Uncollectible Accounts

Accounts receivable are written off after collection effort has been followed in accordance with the Company's policies. Accounts written off as uncollectible are deducted from the allowance for uncollectible accounts and subsequent recoveries are added. Periodically, management assesses the adequacy of the allowance for uncollectible accounts based upon historical write-off experience by payor category. The results of this review are then used to make any modifications to the provision for bad debts to establish an appropriate allowance for uncollectible receivables.

Contract and Other Receivables

Receivables for contracted services are typically deemed wholly collectible as they are due from governmental units, grantors, and third-party paying agencies.

Inventories

Inventories (primarily pharmaceutical and food) are stated at the lower of cost (average cost method) or net realizable value using the first-in, first-out method.

Property and Equipment

Property and equipment acquisitions are recorded at historical cost. Property and equipment donated to the Company are recorded at fair value at the date of receipt. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method. Estimated useful lives of depreciable assets are as follows:

Buildings	40 years
Furniture and equipment	3–7 years
Building and land improvements	10–20 years

Compensated Absences

Employees are entitled to accumulate a limited amount of earned but unused annual leave. Accordingly, the Company records an accrual for earned, unused, vested annual leave in accordance with the Company's policy. Upon separation from the Company, employees are entitled to this amount of unused vested leave.

1. Organization and Summary of Significant Accounting Policies (continued)

Net Client Service Fees

The Company has agreements with third-party payors that provide for payments to the Company at amounts different from its established rates. Payment arrangements include prospectively determined rates per completion of service, reimbursed costs, and discounted charges. Net client service fees are reported at the estimated net realizable amounts from clients, third-party payors, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors.

The Company accepts clients in immediate need of care, regardless of their ability to pay, and serves certain clients whose care costs are not paid at established rates, including those sponsored under government programs such as Medicare and Medicaid, those sponsored under private contractual agreements, charity clients, and other uninsured clients who have limited ability to pay. The Company recognizes client service fee revenue associated with clients who have third-party payor coverage on the basis of contractual rates for the services rendered. For uninsured clients who do not qualify for charity care, revenue is recognized on the basis of discounted rates in accordance with the Company's policy.

A summary of the payment arrangements with major third-party payors follows:

Medicare – Client services rendered to Medicare program beneficiaries are reimbursed under a fee-for-service methodology.

Medicaid – Client mental health and substance abuse services rendered to Medicaid program beneficiaries are reimbursed under a capitated arrangement.

Other – The Company has also entered into payment agreements with certain insurance carriers, health maintenance organizations, and preferred provider organizations. The basis for payment to the Company under these agreements includes prospectively determined rates and discounts from established charges.

1. Organization and Summary of Significant Accounting Policies (continued)

Charity Care

Quality care is provided to all persons requiring immediate treatment regardless of their ability to pay. An individual is classified as a charity client by reference to certain established policies of the Company. Essentially, these policies define charity services as those services for which no payment is anticipated. In assessing a client's ability to pay, the Company utilizes the most recently published federal poverty income guidelines, but also includes certain cases where incurred charges are significant when compared to income. These charges are subtracted in the net client service fees calculation.

The Company estimates the direct and indirect costs of providing charity care by applying a cost to gross charges ratio to the gross uncompensated charges associated with providing charity care to clients. The cost of providing charity care was $5,428 for the year ended September 30, 2022.

Medicaid Managed Medical Assistance Contract Revenue

The Company is licensed as a prepaid limited health services organization pursuant to Chapter 636, *Florida Statutes*. Effective August 1, 2014, the Company, doing business as Access Behavioral Health, was awarded contracts with the Medicaid Managed Medical Assistance Plan (the MMA Plan). The Company receives a per-member per-month rate to provide mental health and substance abuse services to an annual average of 135,000 Medicaid beneficiaries in Florida's Regions 1 and 2. Amounts received are recognized as contract revenue during the period in which the Company is obligated to provide services to beneficiaries. Approximately $34,025 was recognized as revenue under the MMA Plan during the year ended September 30, 2022.

Medicaid Managed Medical Assistance Plan Costs

The Company is directly responsible for providing mental health and substance abuse services to beneficiaries residing in Escambia, Santa Rosa, and Walton counties, representing approximately 63% of the covered lives under the MMA Plan. The Company has entered into subcontracts with three comprehensive community mental health centers to provide mental health services to the MMA Plan beneficiaries residing in the other counties in these Regions. These subcontracts are typically on a full-risk capitated basis. The mental health services covered under the MMA Plan are generally the same as those covered under the Medicaid fee-for-service program. Covered services include inpatient psychiatric care, outpatient care, substance abuse, and physician

1. Organization and Summary of Significant Accounting Policies (continued)

services. The majority of services for which the Company is directly responsible is provided within its own service delivery system; however, some services are contracted for on a fee-for-service basis with local area hospitals and providers. A provision has been made for these services rendered but not reported as of September 30, 2022.

Income Taxes

The Company and its related entities are exempt from federal income taxes under Section 501(a) as organizations described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, and are also exempt from state income taxes.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740, *Income Taxes*, prescribes the accounting for uncertainty in income tax positions recognized in financial statements. ASC Topic 740 provides guidance for recognition threshold and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. There were no material uncertain tax positions as of September 30, 2022.

Cost Allocation

The Company uses several methods to allocate organization and overhead costs among program and support areas. Workers' compensation is allocated based on industry standard rates and salary expense. Unemployment and health plan expenses are allocated based on personnel cost and plan participation, respectively.

Administrative costs are allocated based on personnel expense. Property and auto insurances are allocated proportionately among those who benefit from the asset covered. General liability uses a staff-based allocation.

Recent Accounting Pronouncements

In September 2020, the FASB issued Accounting Standards Update (ASU) No. 2020-07, *Not-for-Profit Entities (Topic 958) Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* (ASU 2020-07). The amendments in ASU 2020-07 require contributed nonfinancial assets to be presented as a separate line item in the statement of activities, apart from

1. Organization and Summary of Significant Accounting Policies (continued)

contributions of cash and other financial assets, as well as disclosures to provide greater transparency on the contributed nonfinancial assets. ASU 2020-07 should be applied on a retrospective basis and is effective for annual periods beginning after June 15, 2021, and interim periods within annual periods beginning after June 15, 2022. The adoption of ASU 2020-07 did not have a material impact to the Company's consolidated financial statements.

In March 2020, the FASB issued ASU No. 2020-04, *Reference Rate Report (Topic 848) Facilitation of the Effects of Reference Rate Reform on Financial Reporting* (ASU 2020-04). The amendments in ASU 2020-04 provide optional expedients and exceptions for applying GAAP to contracts, hedging relationships, and other transactions that reference LIBOR or another reference rate expected to be discontinued because of reference rate reform. ASU 2020-04 is effective as of March 12,2020 through December 31, 2022. Management is currently evaluating the impact of ASU 2020-04 on the Company's consolidated financial statements.

In December 2019, the FASB issued ASU No. 2019-12, *Income Taxes (Topic 740) Simplifying the Accounting for Income Taxes* (ASU 2019-12). The amendments in ASU 2019-12 simplify the accounting for income taxes by removing certain exceptions to the general principles in Topic 740, and also improve consistent application of and simplify GAAP for other areas of Topic 740 by clarifying and amending existing guidance. ASU No. 2019-12 is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2020. The adoption of ASU No. 2019-12 did not have a material impact to the Company's consolidated financial statements.

In August 2018, the FASB issued ASU No. 2018-14, *Compensation – Retirement Benefits – Defined Benefit Plans* (ASU 2018-14). The amendments in ASU 2018-14 modify the disclosure requirements for employers that sponsor defined benefit pension or other postretirement plans. ASU 2018-14 is effective for fiscal years ending after December 15, 2020. The adoption of ASU No. 2018-14 did not have a material impact to the Company's consolidated financial statements.

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments – Credit Losses (Topic 326), Measurement of Credit Losses on Financial Instruments*, which changes how entities will account for credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The new standard replaces today's 'incurred loss' model with an 'expected credit loss' model that requires consideration of a broader range of information to estimate expected credit losses over the lifetime of the asset. The standard is

1. Organization and Summary of Significant Accounting Policies (continued)

effective for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. In April 2019, the FASB issued ASU 2019-04, *Codification Improvements to Topic 326, Financial Instruments-Credit Losses, Topic 815, Derivatives and Hedging, and Topic 825, Financial Instruments* (ASU 2019-04), which updates, clarifies, and improves various aspects of ASU 2016-13. In November 2019, the FASB issued ASU 2019-11, *Codification Improvements to Topic 326, Financial Instruments-Credit Losses*, which clarifies and addresses specific issues about certain aspects of the amendments in ASU 2016-13. Management is currently evaluating the impact that adoption may have on the Center's consolidated financial statements.

2. Cash and Investments

The composition of cash and investments is as follows:

	September 30, 2022
Cash and cash equivalents	$ 34,822
Certificate of deposit	277
	$ 35,099

3. Concentrations of Credit Risk

The Company receives client service fees revenue from three primary sources: Medicaid and Medicare, other third-party payors, and client payments. The following indicates the applicable percentages of accounts receivable from those sources:

	September 30, 2022
Medicaid and Medicare	28%
Other third-party payors	62
Client payments	10
	100%

4. Property and Equipment

Major classifications of property and equipment are summarized as follows:

	September 30, 2022
Buildings and improvements	$ 20,348
Furniture and equipment	4,597
Land	3,000
Construction-in-progress	4,939
	32,884
Less accumulated depreciation	(1,999)
	$ 30,885

Depreciation expense on the statement of operations and changes in net assets includes $275 of loss on sale and retirement of property and equipment.

5. Long-Term Debt

Long-term debt consists of the following:

	September 30, 2022
Note payable to HUD, interest at 9.0%, monthly payments of $5,000 including interest, secured by real property, maturing May 2032	$ 397
Note payable to HUD, interest at 8.375%, monthly payments of $2,000 including interest, secured by real property, maturing March 2032	151
Series 2021A Bonds payable, issued by Florida Development Finance Corp and purchased by Bank of America, interest at 6.0% on $7,790 and 6.25% on $14,120, maturity date August 2041 and 2051, respectively; unamortized issuance costs of $410; interest payment of $1,350 due in 2023 to be paid semi-annually.	21,500
Series 2021B Bonds payable, issued by Florida Development Finance Corp. under the Master Indenture and purchased by BHCC, interest at 4.45% through September 30, 2026 and increasing thereafter, maturity date August 2031; unamortized issuance costs of $746; interest payment of $668 due in 2023 to be paid semi-annually.	14,254
	36,302
Less current portion	(38)
	$ 36,264

Following are maturities of long-term debt for each of the next five years and thereafter:

	Amount
Year ending September 30:	
2023	$ 38
2024	41
2025	45
2026	49

5. Long-Term Debt (continued)

2021 Revenue Bonds

The Series A Tax Exempt Revenue Bonds, in the amount of $21,910, were issued by the Florida Development Finance Corporation (the Issuer). The Series 2021A Bonds were issued under a Bond Trust Indenture dated as of September 1, 2021 by and between the Issuer and Regions Bank, as bond trustee. The Issuer will loan the proceeds of the Series 2021A Bonds to LifeView Group, Inc. pursuant to a Loan Agreement dated as of September 1, 2021. The Series B Taxable Revenue Bonds, in the amount of $15,000, were issued by the Florida Development Finance Corporation. The Series 2021B Bonds were issued under a Bond Trust Indenture dated as of September 1, 2021 by and between the Issuer and Regions Bank, as bond trustee. The Issuer will loan the proceeds of the Series 2021B Bonds to LifeView Group, Inc. pursuant to a Loan Agreement dated as of September 1, 2021. The Bond Trust Indenture requires certain covenants and reporting requirements to be met.

6. Leases

On October 1, 2019, the Company adopted FASB's ASU 2016-02, *Leases*, electing to apply the optional transition method, which allows entities to forgo comparative reporting requirements. For leases that commenced before the effective date of ASU 2016-02, the Company elected the package of transition provisions available that allowed carryforward of the historical assessment of (1) whether contracts are or contain leases, (2) lease classification for any expired leases and (3) initial direct costs. In addition, the Company does not separate lease and non-lease components.

The Company's leases are primarily for real estate. The Company determines if an arrangement is a lease at contract inception. Lease assets and lease liabilities are recognized based on the present value of the lease payments over the lease term at the commencement date. Because most of the leases do not provide an implicit rate of return, the Company used a risk-free rate based on the daily treasury yield curve at lease commencement in determining the present value of lease payments.

Most leases include one or more options to renew, with renewal terms that can extend the lease term from months to years. The exercise of such lease renewal options is generally at the Company's sole discretion. For purposes of calculating lease liabilities, lease terms include options to extend or terminate the lease when it is reasonably certain that option will be utilized.

6. Leases (continued)

Leases with a lease term of 12 months or less at commencement are not recorded on the consolidated balance sheets. Lease expense for these arrangements is recognized on a straight-line basis over the lease term.

Leases consist of the following:

Operating Leases

	September 30, 2022
Operating lease assets	$ 6,632
Current portion of operating lease obligation	$ 1,552
Operating lease obligation, less current portion	5,564
Total operating lease liabilities	$ 7,116

Lease expense for lease payments is recognized on a straight-line basis over the lease term. The components of lease expense are as follows:

	Year Ended September 30, 2022
Operating lease expense	$ 2,158
Short-term lease expense	135
Total lease expense	$ 2,293

Lease term and discount rate are as follows:

	September 30, 2022
Weighted-average remaining lease terms:	4.92 years
Weighted-average remaining discount rate:	1.75%

6. Leases (continued)

The following table summarizes the maturity of lease liabilities under operating leases for the next five years and the years thereafter, as of September 30, 2022:

	Operating Leases

Both operating and financing leases are included in the financial statement caption lease obligation.

7. Sources of Revenue

Federal, state, and local financial awards

The Company receives funding from several Government and other agencies to provide behavioral health and child protective services to clients in a four-county region. This revenue is predominantly deemed to be unconditional contribution revenue and not governed under the ASC 606 guidance. The contractual obligations with these payors are met as services are provided. These contracts are billed monthly. The Company expects to be paid for all services provided. Adjustments are made as they arise for any services that will not be reimbursed.

Net Client Service Revenue

The Company's client service revenues generally relate to contracts with clients in which the performance obligation is to provide behavioral health care services. Revenues are recorded during the period the obligations are satisfied. The obligations are generally satisfied over a day or more for residential or inpatient programs or less for outpatient services. The contractual relationships with clients often involve a third-party payor and the transaction prices for the services provided are dependent upon the terms provided by or negotiated with the third-party payors. The payment arrangements with third party payers for services provided to clients are typically for rates lower than the customary and standard fees. The differences in these rates are considered to be explicit price concessions.

Client service revenue is based upon the estimated amounts expected to be received from the clients and any third-party payors. Explicit price concessions are estimated at the time revenue is recorded and may be adjusted in future periods. The Company elected to use the portfolio approach to assess collectability due to the large volume of similar contracts with similar classes of customers. The effect of applying the portfolio approach to a group of contracts would not differ materially from considering each contract separately. Management's judgment to group the contracts by portfolio is based on the payment behavior expected in each portfolio category. As a result, aggregating all contracts (which are at the patient level) by the particular payor or group of payors will result in the recognition of the same amount of patient service revenue as applying the analysis at the individual patient level.

7. Sources of Revenue (continued)

Net client service fee revenue is not recognized for those clients that qualify for charity under the Company's charity care policies. For all others, service fee revenue, net of explicit price concessions and other deductions recognized from major payor sources is as follows:

	Year Ended September 30, 2022
Third-party payors, net of deductions	$ 16,414
Self-pay clients, net of deductions	5,494
	$ 21,908

Revenues from the Medicare and Medicaid programs accounted for approximately 49% of the Company's net client service fees for the year ended September 30, 2022. Laws and regulations governing the Medicare and Medicaid programs are extremely complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount. Changes in the Medicare and Medicaid programs and the reduction of funding levels could have an adverse impact on the Center.

Vocational Service Contracts

The Company's vocational service revenues generally relate to contracts with federal, state or local customers in which the performance obligation is to provide various "bundled" type services to our customers. The Company has contractual obligations to provide services as outlined in the statement of work within each formal contract. Although the services within each business line are distinct, they are bundled services transferred consecutively on a monthly basis as a line of business. The lines of business consist of business services, custodial services, food services, facilities maintenance, health care environmental services, information technology, as well as employment support services. The performance obligations for vocational contracts are spelled out in the contract either in the performance work statement or other applicable section of the contract. These bundled services are invoiced each month at the contract price over the life of the contract period. Revenues for these services are recognized on a monthly basis as the services are performed.

7. Sources of Revenue (continued)

A summary for the year ended September 30, 2022:

	2022
Federal	$ 112,127
State	1,336
Local	2,746
Other	55
	$ 116,264

Each distinct service is satisfied over time and the measurement of progress toward satisfaction of the performance obligation is the same for each of the services in the series (monthly services) in accordance with the contracts in place. Each contract for the above series of services (business line) delivers the services over an annual or multi-year period and is measured monthly, consistent with the billing for these services. Each line of business is considered a series of distinct services performed and treated as a single performance obligation that is set each month as services are provided.

The monthly payment and methodology are fixed in each contract. All business lines and other services in each contract are valued at their standalone value of the service in the contract. There are no instances where a service or product is provided at no value or a value below its standalone value (discounted) as stated in a contract. Each business line has a fixed price that is recognized over the period the performance obligation is met. Contracts with time and materials (T&M) provisions have the hourly rate and materials recorded at their standalone value and are not discounted as a part of the overall contract. As nearly all contracts are with government/state organizations, collectability is assured as we have nearly no history of uncollectable amounts for services rendered. As such, no variable consideration is included in the determination of the transaction price for each contract.

7. Sources of Revenue (continued)

Contract Revenue

The Company as a managed care provider receives payments under an agreement with Medicaid Managed Healthcare prepaid health plans (MMA plans), which obligates the Company to stand ready to provide or obtain services for qualified beneficiaries (individuals who enroll with an MMA plan). The qualified beneficiaries sign up with the MMA plans to participate in such a health plan. These payments are referred to as capitation fees. The payment is calculated using a per member per month rate (PMPM rate) for each qualified beneficiary.

The Company has two performance obligations related to Managed Care contract revenue that are both paid through capitation revenues – administrative services and behavioral healthcare services.

The first is the administrative services component of the MMA Plan in the amount of 12.5% of the capitation revenue which is for the administrative, recordkeeping and other services of the plan activities. All these services are not considered distinct individually but are a series of services delivered simultaneously each month as a single performance obligation. Like the capitation revenue described above and below for providing healthcare services, the administrative services are also stand ready obligations recognized over time.

The second performance obligation is for healthcare services as detailed above. These are stand ready performance obligations and although may incorporate several different lines of services are deemed a single performance obligation delivered over time as measured each month.

Transaction price considerations include monthly capitation payment, retroactive adjustments, incentive payments and other risk pool adjustments.

The capitation fees do not vary with of the volume of behavioral health services provided and are exclusive of any client copayments or deductibles under their respective plans. Therefore, the Company bears the risk of providing goods and services or contracting for services that the beneficiary is entitled to receive.

In addition to the capitation fees, the amount of contract revenue may be affected by factors such as reinsurance recoveries, retroactive adjustments for member eligibility, risk pools adjustments such as financial incentives and quality targets, and other adjustments. The Company has concluded that based on the immaterial nature of the adjustments no variable consideration need be included in the transaction price related to the capitation fees.

7. Sources of Revenue (continued)

The contracts specify that 12.5% of the capitation fees are related to administrative services and 87.5% of the fees are related to the remaining healthcare services therefore the Company has allocated the transaction price to the two performance obligations based on the terms of the contract.

Capitation arrangements represent a stand-ready obligation to provide services to qualified beneficiaries. The Company recognizes monthly capitation fees as Managed Care contract revenue over time when the periods for which the qualified beneficiary is entitled to services are completed.

8. In-Kind Contributions

In-kind contributions and expenses represent the value assigned to instructional services provided by Escambia County School Board educators, as well as donated prescription drugs from the State of Florida. In-kind contributions are recognized if the services or goods received (a) create or enhance non-financial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. In-kind contributions for the year ended September 30, 2022 amounted to $346.

9. Retirement Plan

The Company provides a tax deferred annuity 403(b) retirement plan (Plan) to all eligible employees. Employees who work a minimum of 20 hours per week are eligible to participate in the Plan after completing one year of employment. Voluntary employee contributions are allowed to the extent permitted by law. The Company matched each eligible participant's pay period contribution to the Plan up to 3% of each eligible participant's compensation. In compliance with Internal Revenue Service regulations, employer contributions for eligible participants vest under a six-year graduated vesting schedule. Plan expense for the year ended September 30, 2022 amounted to $1,726.

10. Support from the State of Florida Requiring Match

The Company received a substantial portion of its support from the state of Florida under grant contract number AO110 with the Florida Department of Children and Families (DCF) Substance Abuse and Mental Health Program. This contract must be renegotiated annually. The contract requires a 18.8% local match for certain community mental health services. This local match requirement has been met for 2022.

11. Net Assets with donor restriction

Net assets with donor restrictions as of September 30, 2022 were $809, the majority of which relate to children's services.

12. Commitments and Contingencies

The Company carries general and professional liability insurance from an unrelated commercial insurance carrier with coverage up to $2,000 per occurrence and $4,000 in the aggregate, on a claims-made basis, and employee benefits liability insurance with coverage up to $1,000 per occurrence and $1,000 in the aggregate. In addition, the Center has an excess coverage policy. The Company is involved in various lawsuits and claims incidental to the normal course of its operations. The Company may be liable for losses in excess of the amounts recorded at September 30, 2022; however, in the opinion of management, such potential losses would not be material to the consolidated financial statements.

In 2021, Global Connections to Employment (GCE), was served a Civil Investigative Demand (CID) by a U.S. Attorney's Office and a criminal matter grand jury subpoena, both related to GCE's contracts with the Department of Defense Manpower Data Center. GCE has not been fully aware of the details, however, has cooperated in these matters by providing responses and documentation as requested.

In addition to the expense of responding, government investigations can also result in monetary penalties and damages, as well as administrative sanctions such as suspension, exclusion or debarment. While it is not possible to predict the outcomes to GCE, nothing beyond requests for information has resulted from these investigations. Although GCE was part of the sale of the membership interest in Lakeview Center, Inc., BHCC has retained certain liabilities related to the investigation to the extent they arose prior to the sale, or arose from activity prior to the sale.

Lakeview Center, Inc. is self-insured for employees' medical insurance claims. The Company carries stop-loss insurance coverage with annual limits of $300 per participant and $14,020 in the aggregate. Global Connections to Employment, Inc. is fully insured for full time employees and self-insured for part time employees. It is the opinion of management that recorded reserves are adequate for existing and unreported claims.

12. Commitments and Contingencies (continued)

The Company has established multiple irrevocable standby letters of credit: one in the amount of $250 with the Company's previous administrator for workers' compensation claims as the named beneficiaries; one each for $367 and $330 with the insurance providers for the Access Behavioral Health (ABH) managed medical advantage plan; and one for $1,375 with the Company's current administrator for workers' compensation claims as the named beneficiary. The Company, under its workers' compensation policies, is responsible to pay all individual claims up to $273 each, as well as certain administration costs to its claims administrators. Should the Company default on any of these payments, the letter of credit guarantees the claims administrators' payment of any outstanding amounts.

Line of Credit Agreement

At September 30, 2022 the Company has a line of credit arrangement of $10,000, reduced from $15,000 on February 1, 2022. The line of credit is secured by a parity Obligation issued under the Master Indenture related to the bonds issued. This line of credit has no outstanding balance as of September 30, 2022.

Contingencies

Federal and State Financial Awards – The Company has received numerous federal and state grants. The disbursement of funds received under these programs is subject to review and audit by grantor agencies. Any disbursements disallowed by these agencies could become a liability of the Company. In the opinion of management, such claims, if any, should not have a material adverse effect on the consolidated financial position, results of operations, or cash flows of the Company.

Unemployment Compensation – The Company reports its wages to various states for unemployment compensation purposes, as a reimbursable employer. Reimbursable employers compensate prior employees only when a claim has been made with these states. In the opinion of management, no material claims were outstanding that had not been reserved for at September 30, 2022.

13. Summary Information Relating to Financially Interrelated Entities

Summary financial information of the wholly owned subsidiaries, which are included in these consolidated financial statements, is shown below. Inter-entity transactions have not been eliminated from this summary data.

Accounts receivable	19,175
Total Financial Assets	$ 54,274

15. Coronavirus Disease 2019

Due to the global viral outbreak caused by Coronavirus Disease 2019 (COVID-19), in 2020, the Center received CARES funding in both fiscal years 2020 and 2021. In fiscal year 2022, the company received a minimal amount of CARES funding. The Company continues to respond to the impact COVID-19 cases but operations have predominantly returned to normal.

16. Functional Classification of Expenses

The Company provides human services, including inpatient, outpatient, long term and community-based behavioral health services, child protective services, and employment for people with disabilities within its region and nationally. Administrative services include administration, finance and accounting, information technology, human resources, and other functions. Organizational expenses are allocated to program and administrative services based on the benefit received in those areas while administrative services costs are allocated to program areas based on personnel costs.

Expenses by functional classification for the year ended September 30, 2022 consist of the following:

	Year Ended September 30, 2022

Program admin allocations	83,369
Total other program costs	$ 126,680

4. Indirect Cost Allocations

LifeView Group, Inc. allocates administrative costs to its programs using a step-down allocation methodology. The allocation basis varies depending upon the nature of the indirect cost pool being allocated. The following are examples of the allocation processes employed (this list is not intended to be all-inclusive): the human resources allocation is based on adjusted active staff and maintenance service costs are allocated based on the square footage maintained. The methodologies used allow for the allocation of indirect costs across all appropriate components of operations, and are in accordance with Florida Administrative Code 15A-10.014.

Note to Financial Statements (Regulatory Basis)

September 30, 2022

1. Summary of Significant Accounting Policies

The Access Behavioral Health (ABH) financial statements are prepared on a regulatory basis of accounting in accordance with guidelines established by the State of Florida Office of Insurance Regulation. Significant accounting policies for ABH are the same as those described in Note 1 to the accompanying consolidated financial statements of LifeView Group, Inc. and Subsidiaries. Capitation revenue is based on a per-member per-month rate to provide services as a managed behavioral health organization. ABH provides these services for the Company and three comprehensive community mental health centers to provide mental health services to the MMA Plan beneficiaries residing in Regions 1 and 2 in Florida. Subcontracts with the Company are on a full-risk capitated basis and is reported as sub-capitation expense within the statements of operations for ABH.

Notes to Schedule of Expenditures of Federal Awards and State Financial Assistance

September 30, 2022

1. Presentation and Basis of Accounting

The schedule of expenditures of federal awards and state financial assistance is prepared on the accrual basis in accordance with accounting principles generally accepted in the United States. It includes all the state and federal expenditures of LifeView Group, Inc. (the Company).

The Company allocates administrative costs to its federal and state programs using a step-down allocation methodology. The methodologies used allow for the allocation of administrative costs across all appropriate components of operations, and are in accordance with Florida Administrative Code 15A-10.014. The Company has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance and instead adheres to an approved federal indirect rate or approved contract indirect rate.

2. Contingencies

The Company has received numerous federal and state grants. The disbursement of funds received under these programs is subject to review and audit by grantor agencies. Any disbursements disallowed by these agencies could become a liability of the Company. In the opinion of management, any such claims will not have a material adverse effect of the financial position of the Company.

3. Subrecipients

In order to fulfill contractual requirements for child protective services, behavioral health services, and vocational services, the Company subcontracts with various community agencies. The Company is responsible for compliance for the funds expended, but all regulatory and contractual obligations are passed to the subrecipients in their contracts.

Report of Independent Auditors on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

President/Chief Executive Officer
Chief Financial Officer
The Board of Directors
LifeView Group, Inc. and Subsidiaries

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of LifeView Group, Inc. and Subsidiaries (the Company), which comprise the consolidated balance sheet as of September 30, 2022, and the related consolidated statements of operations and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 25, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Company's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A member firm of Ernst & Young Global Limited

Building a better working world

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Company's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report of Independent Auditors on Compliance for Each Major Federal Program and State Financial Assistance Project; Report on Internal Control Over Compliance Required by the Uniform Guidance, Section 215.97 *Florida Statutes*, and Chapter 10.650, *Rules of the Auditor General*

President/Chief Executive Officer
Chief Financial Officer
The Board of Directors
LifeView Group, Inc. and Subsidiaries

Report of Independent Auditors on Compliance for Each Major Federal Program and State Financial Assistance Project

Opinion on Each Major Federal Program and State Financial Assistance Project

We have audited LifeView Group, Inc. and Subsidiaries' (the Company)'s compliance with the types of compliance requirements identified as subject to audit in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* and the requirements described in the Florida Department of Financial Services State Projects Compliance Supplement that could have a direct and material effect on each of the Company's major federal programs and state financial assistance projects for the year ended September 30, 2022. The Company's major federal programs and state financial assistance projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Company complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state financial assistance projects for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal Program and State Financial Assistance Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States (*Government Auditing Standards*); the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); Section 215.97, *Florida Statutes*; and Chapter 10.650, *Rules of the Auditor General*. Our responsibilities under those standards, the Uniform Guidance, Section 215.97, *Florida Statutes*; and Chapter 10.650, *Rules of the Auditor General* are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

A member firm of Ernst & Young Global Limited

We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on compliance for each major federal program and state financial assistance project. Our audit does not provide a legal determination of the Company's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Company's federal programs and state financial assistance projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Company's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, Section 215.97, *Florida Statutes*; and Chapter 10.650, *Rules of the Auditor General* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Company's compliance with the requirements of each major federal program and state financial assistance project as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards* the Uniform Guidance, Section 215.97, *Florida Statutes*; and Chapter 10.650, *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Company's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

A member firm of Ernst & Young Global Limited

- Obtain an understanding of the Company's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, Section 215.97, *Florida Statutes* and Chapter 10.650, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state financial assistance project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state financial assistance project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state financial assistance project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance, Section 215.97, *Florida Statutes*; and Chapter 10.650, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

Report of Independent Auditors

Management and the Board of Directors
Lakeview Center, Inc. and Subsidiaries

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Lakeview Center, Inc. and Subsidiaries (the Center), which comprise the consolidated balance sheets as of September 30, 2021 and 2020, and the related consolidated statements of operations and changes in net assets and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

A member firm of Ernst & Young Global Limited

Building a better working world

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Lakeview Center, Inc. and Subsidiaries as of September 30, 2021 and 2020, and the changes in their net assets and their cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The information relating to Access Behavioral Health (Regulatory Basis) and DUI School are presented on pages 54 through 61 for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

The accompanying schedule of expenditures of federal awards and state financial assistance as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and by Chapter 10.650, *Rules of the Auditor General*, presented on pages 62 through 71 is presented for purposes of additional analysis as required for Uniform Guidance and Chapter 10.650, Rules of the Auditor General and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

A member firm of Ernst & Young Global Limited

Building a better working world

The accompanying Schedule of Functional Revenues and Expenses (Regulatory Basis), the Schedule of State Earnings (Regular Basis), Schedule of Related-Party Transaction Adjustments (Regulatory Basis) and Schedule of Bed-Day Availability Payments are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management. The information has not been subjected to the auditing procedures applied in the audits of the consolidated financial statements, and, accordingly, we express no opinion on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we also have issued our report dated January 6, 2022 on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control over financial reporting and compliance.

1. Organization and Summary of Significant Accounting Policies

Organization

Lakeview Center, Inc. (the Center), a nonprofit organization, was incorporated in 1954, as Community Mental Health Center of Escambia County, Inc. The mission of the Center, including all of its subsidiaries, is to help people through life's journey by providing behavioral health services, vocational services, and child protective services. The Center was an affiliate of Baptist Health Care Corporation (BHCC) under an affiliation agreement in which BHCC was the sole member of the Center. This arrangement terminated on September 30, 2021 when the Center was purchased by LCI II, Inc., now the sole member of the Center.

Lakeview Place, Inc. and CMHC Hernandez House, Inc. are U.S. Department of Housing and Urban Development (HUD) multi-unit dwellings owned by the Center, that provide housing facilities and services to people diagnosed with mental illness. The contract for CMHC Hernandez House, Inc. ended September 30, 2021. Subsequent to September 30, 2021, operations will be included in the Center operations. Lakeview Villa, Inc. is a HUD apartment complex owned by the Center that provides low-cost housing facilities and services to persons with chronic mental illness.

The Center acquired Chautauqua Healthcare Services, Inc., a small regional behavioral health agency in Walton County, FL on March 31, 2019. This allowed the Center to expand throughout the four county Region.

On September 30, 2021 the Center was acquired by LCI II, Inc. pursuant to the Member Substitution Agreement. LCI II, Inc. purchased the sole corporate membership in the Center from BHCC for $28,327.

In connection with the acquisition of the Center on September 30, 2021, the Center considered the guidance outlined in Financial Accounting Standards Board Accounting Standards Update No. 2014-17 (ASU 2014-17), *Business Combinations (Topic 805): Pushdown Accounting.* ASU 2014-17 permits an acquired entity to elect the option to apply pushdown accounting in the reporting period in which the change-in-control event occurs. An acquired entity should determine whether to elect to apply pushdown accounting for each individual change-in-control event in which an acquirer obtains control of the acquired entity. An election to apply pushdown accounting in a reporting period after the reporting period in which the change-in-control event occurred

1. Organization and Summary of Significant Accounting Policies (continued)

should be considered a change in accounting principle in accordance with Topic 250, *Accounting Changes and Error Corrections*. If pushdown accounting is applied to an individual change-in-control event, that election is irrevocable.

The Company elected not to apply pushdown accounting relating to the September 30, 2021 acquisition of the Center. As a result, the Center did not establish a new basis of accounting for the individual assets and liabilities of the acquiree by applying the guidance in other Subtopics of Topic 805 and did not recognize goodwill that arises because of the application of pushdown accounting in these separate consolidated financial statements.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Lakeview Center, Inc. and its related entities: Global Connections to Employment, Inc.; Chautauqua Healthcare Services, Inc.; Lakeview Villa, Inc.; Lakeview Place, Inc.; and CMHC Hernandez House, Inc., as those entities are controlled by the same management and share economic interests. All inter-entity transactions have been eliminated in consolidation. See Note 16 for summary financial data for these related entities.

Operating and Nonoperating Activities

The Center's primary mission is to provide a broad range of behavioral health services, vocational services, and child protective services to citizens of the region and nationally, across 12 states and the District of Columbia. Activities directly associated with the furtherance of this purpose are considered to be operating activities. Other activities that result in gains or losses unrelated to the Center's primary mission are considered nonoperating. Nonoperating gains and losses include income and losses from investments and earnings on investments.

Use of Estimates

The preparation of these consolidated financial statements in conformity with accounting principles generally accepted in the United States (GAAP) requires management to make estimates and assumptions. These estimates and assumptions affect certain reported amounts of assets and liabilities at the date of the consolidated financial statements and revenues and expenses recognized during the reporting period. Accordingly, actual results may differ from those estimates.

1. Organization and Summary of Significant Accounting Policies (continued)

Net Assets

The Center reports information regarding financial position and activities according to two classes of net assets: with and without donor restriction. Net assets are classified based on the existence or absence of donor-imposed restrictions, if any, that may or may not be met by actions of management or by the passage of time.

The net asset categories reflected in the accompanying consolidated financial statements are as follows:

- *Without donor restriction*– Net assets that are free of donor-imposed restrictions, including all revenues, expenses, gains, and losses that are not changes in net assets with donor restrictions

- *With donor restriction* – Net assets whose use by the Center is limited by donor-imposed stipulations that may or may not expire by passage of time or that can or cannot be fulfilled or removed by action of the Center pursuant to those stipulations.

Contributions

In fiscal year ended September 30, 2020, the Center recorded contributions received on its behalf by Baptist Health Care Foundation, an affiliated fundraising foundation, as being with or without donor restriction depending on the existence and/or nature of any donor restrictions. Those funds were transferred to the Center in fiscal year 2021 and contributions are now received directly.

Cash Equivalents

The Center considers all highly liquid investment instruments with maturities of three months or less when purchased to be cash equivalents. Highly liquid debt instruments with original maturities of three months or less that are included as part of the investment portfolio are excluded from cash equivalents as they are commingled with longer-term investments. Cash deposits are federally insured in limited amounts.

1. Organization and Summary of Significant Accounting Policies (continued)

The following table provides a reconciliation of cash, cash equivalents, restricted cash, and restricted cash equivalents reported within the consolidated balance sheets that sum to the total of the same such amounts shown in the consolidated statements of cash flows.

	September 30	
	2021	**2020**
Cash and cash equivalents	**$ 24,678**	$ 53,907
Restricted cash included in investments limited as to use	**–**	3,358
Cash, cash equivalents, restricted cash, and restricted cash equivalents shown in the statement of cash flows	**$ 24,678**	$ 57,265

Investments and Investment Income

Investments consisted primarily of the Center's participation in the BHCC investment pool (the Pool), participants in which include certain subsidiaries of BHCC. The Pool's investments in equity securities with readily determinable values and debt securities are stated at fair value. The Center's allocated investment income or loss (including realized and unrealized gains and losses over expenses unless the income is restricted by donor or law. The Center accounts for investment transactions on a settlement-date basis.

The Pool invests in alternative investments (primarily hedge funds and a real estate investment fund) through partnership investment trusts. These alternative investments provide the Pool with a proportionate share of investment gains and losses. The partnership investment trusts generally contract with a manager who has full discretionary authority over investment decisions. The Pool accounts for its ownership interests in these alternative investments under the equity method. Upon the disaffiliation with BHCC, all pool investments remained with BHCC.

Net Client Service Revenue and Accounts Receivable

The Center has agreements with third-party payors that provide for payments to the Center at amounts different from its established rates. Payment arrangements include prospectively determined rates per service, reimbursed costs, discounted charges, and per diem payments. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

1. Organization and Summary of Significant Accounting Policies (continued)

Allowance for Uncollectible Accounts

Accounts receivable are written off after collection effort has been followed in accordance with the Center's policies. Accounts written off as uncollectible are deducted from the allowance for uncollectible accounts and subsequent recoveries are added. Periodically, management assesses the adequacy of the allowance for uncollectible accounts based upon historical write-off experience by payor category. The results of this review are then used to make any modifications to the provision for bad debts to establish an appropriate allowance for uncollectible receivables.

Contract and Other Receivables

Receivables for contracted services are typically deemed wholly collectible as they are due from governmental units, grantors, and third-party paying agencies.

Inventories

Inventories (primarily pharmaceutical and food) are stated at the lower of cost (average cost method) or net realizable value using the first-in, first-out method.

Investments Limited as to Use

Investments limited as to use included assets designated by the Board of Directors (the Board) for future capital improvements, including amounts required to be set aside for capital improvements under contracts between the Center's related entities and HUD; amounts as indicated by regulatory requirements, including DUI state-licensed programs, Agency for Health Care Administration (AHCA), Office of Insurance Regulation, and HUD; and amounts for other uses as specified by the Board. With the exception of investments designated due to regulatory requirements, the Board retains control and may, at its discretion, subsequently use these assets for other purposes. The Board lifted this requirement in fiscal year 2021.

1. Organization and Summary of Significant Accounting Policies (continued)

Property and Equipment

Property and equipment acquisitions are recorded at historical cost. Property and equipment donated to the Center are recorded at fair value at the date of receipt. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method. Estimated useful lives of depreciable assets are as follows:

Buildings	40 years
Furniture and equipment	3–7 years
Building and land improvements	10–20 years

Compensated Absences

Employees are entitled to accumulate a limited amount of earned but unused annual leave. Accordingly, the Center records an accrual for earned, unused, vested annual leave in accordance with the Center's policy. Upon separation from the Center, employees are entitled to this amount of unused vested leave.

Net Client Service Fees

The Center has agreements with third-party payors that provide for payments to the Center at amounts different from its established rates. Payment arrangements include prospectively determined rates per completion of service, reimbursed costs, and discounted charges. Net client service fees are reported at the estimated net realizable amounts from clients, third-party payors, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors.

The Center accepts clients in immediate need of care, regardless of their ability to pay, and serves certain clients whose care costs are not paid at established rates, including those sponsored under government programs such as Medicare and Medicaid, those sponsored under private contractual agreements, charity clients, and other uninsured clients who have limited ability to pay. The Center recognizes client service fee revenue associated with clients who have third-party payor coverage on the basis of contractual rates for the services rendered. For uninsured clients who do not qualify for charity care, revenue is recognized on the basis of discounted rates in accordance with the Center's policy.

1. Organization and Summary of Significant Accounting Policies (continued)

A summary of the payment arrangements with major third-party payors follows:

Medicare – Client services rendered to Medicare program beneficiaries are reimbursed under a fee-for-service methodology.

Medicaid – Client mental health and substance abuse services rendered to Medicaid program beneficiaries are reimbursed under a capitated arrangement.

Other – The Center has also entered into payment agreements with certain insurance carriers, health maintenance organizations, and preferred provider organizations. The basis for payment to the Center under these agreements includes prospectively determined rates and discounts from established charges.

Charity Care

Quality care is provided to all persons requiring immediate treatment regardless of their ability to pay. An individual is classified as a charity client by reference to certain established policies of the Center. Essentially, these policies define charity services as those services for which no payment is anticipated. In assessing a client's ability to pay, the Center utilizes the most recently published federal poverty income guidelines, but also includes certain cases where incurred charges are significant when compared to income. These charges are subtracted in the net client service fees calculation.

The Center estimates the direct and indirect costs of providing charity care by applying a cost to gross charges ratio to the gross uncompensated charges associated with providing charity care to clients. The cost of providing charity care was $5,206 and $5,149 for the years ended September 30, 2021 and 2020, respectively.

Medicaid Managed Medical Assistance Contract Revenue

The Center is licensed as a prepaid limited health services organization pursuant to Chapter 636, *Florida Statutes*. Effective August 1, 2014, the Center, doing business as Access Behavioral Health, was awarded contracts with the Medicaid Managed Medical Assistance Plan (the MMA Plan). The Center receives a per-member per-month rate to provide mental health and substance

1. Organization and Summary of Significant Accounting Policies (continued)

abuse services to an annual average of 110,000 Medicaid beneficiaries in Florida's Regions 1 and 2. Amounts received are recognized as contract revenue during the period in which the Center is obligated to provide services to beneficiaries. Approximately $30,415 and $30,216 was recognized as revenue under the MMA Plan during the years ended September 30, 2021 and 2020, respectively.

Medicaid Managed Medical Assistance Plan Costs

The Center is directly responsible for providing mental health and substance abuse services to beneficiaries residing in Escambia, Santa Rosa, and Walton counties, representing approximately 62% of the covered lives under the MMA Plan. The Center has entered into subcontracts with three comprehensive community mental health centers to provide mental health services to the MMA Plan beneficiaries residing in the other counties in these Regions. These subcontracts are typically on a full-risk capitated basis. However, one sub provider was under a fee-for-service contract for the majority of FY20. The mental health services covered under the MMA Plan are generally the same as those covered under the Medicaid fee-for-service program. Covered services include inpatient psychiatric care, outpatient care, substance abuse, and physician services. The majority of services for which the Center is directly responsible is provided within its own service delivery system; however, some services are contracted for on a fee-for-service basis with local area hospitals and providers. A provision has been made for these services rendered but not reported as of September 30, 2021 and 2020.

Interest in Net Assets of Recipient Organization

Interest in net assets of recipient organization represents contributions received on behalf of the Center by Baptist Health Care Foundation, as well as any gains or losses experienced on the investment of those contributions. These funds held by the Foundation were transferred to the Center prior to the disaffiliation.

Income Taxes

The Center and its related entities are exempt from federal income taxes under Section 501(a) as organizations described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, and are also exempt from state income taxes.

1. Organization and Summary of Significant Accounting Policies (continued)

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740, *Income Taxes*, prescribes the accounting for uncertainty in income tax positions recognized in financial statements. ASC Topic 740 provides guidance for recognition threshold and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. There were no material uncertain tax positions as of September 30, 2021 or 2020.

Cost Allocation

The Center uses several methods to allocate organization and overhead costs among program and support areas. Workers' compensation is allocated based on industry standard rates and salary expense. Unemployment, and administrative costs have personnel expense as their basis. Health plans are allocated based on plan participation. Property and auto insurances are allocated proportionately among those who benefit from the asset covered. General liability uses a staff-based allocation.

Recent Accounting Pronouncements

In September 2020, the FASB issued Accounting Standards Update (ASU) No. 2020-07, *Not-for-Profit Entities (Topic 958) Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* (ASU 2020-07). The amendments in ASU 2020-07 require contributed nonfinancial assets to be presented as a separate line item in the statement of activities, apart from contributions of cash and other financial assets, as well as disclosures to provide greater transparency on the contributed nonfinancial assets. ASU 2020-07 should be applied on a retrospective basis and is effective for annual periods beginning after June 15, 2021, and interim periods within annual periods beginning after June 15, 2022. Management is currently evaluating the impact of ASU 2020-07 on the Center's consolidated financial statements.

In March 2020, the FASB issued ASU No. 2020-04, *Reference Rate Report (Topic 848) Facilitation of the Effects of Reference Rate Reform on Financial Reporting* (ASU 2020-04). The amendments in ASU 2020-04 provide optional expedients and exceptions for applying GAAP to contracts, hedging relationships, and other transactions that reference LIBOR or another reference rate expected to be discontinued because of reference rate reform. ASU 2020-04 is effective as of March 12, 2020 through December 31, 2022. Management is currently evaluating the impact of ASU 2020-04 on the Center's consolidated financial statements.

1. Organization and Summary of Significant Accounting Policies (continued)

In January 2020, the FASB issued ASU No. 2020-01, *Investments-Equity Securities (Topic 321), Investments-Equity Method and Joint Ventures (Topic 323), and Derivatives and Hedging (Topic 815)* (ASU 2020-01). The amendments in ASU 2020-01 clarify certain interactions between the guidance to account for certain equity securities under Topic 321, the guidance to account for investments under the equity method of accounting in Topic 323, and the guidance in Topic 815, which could change how an entity accounts for an equity security under the measurement alternative. ASU 2020-01 is effective for fiscal years beginning after December 15, 2020, and interim periods within those fiscal years. Management is currently evaluating the impact of ASU 2020-01 on the Center's consolidated financial statements.

In December 2019, the FASB issued ASU No. 2019-12, *Income Taxes (Topic 740) Simplifying the Accounting for Income Taxes* (ASU 2019-12). The amendments in ASU 2019-12 simplify the accounting for income taxes by removing certain exceptions to the general principles in Topic 740, and also improve consistent application of and simplify GAAP for other areas of Topic 740 by clarifying and amending existing guidance. ASU 2019-12 is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2020. Management is currently evaluating the impact of ASU 2019-12 on the Center's consolidated financial statements.

In August 2018, the FASB issued ASU No. 2018-14, *Compensation – Retirement Benefits – Defined Benefit Plans* (ASU 2018-14). The amendments in ASU 2018-14 modify the disclosure requirements for employers that sponsor defined benefit pension or other postretirement plans. ASU 2018-14 is effective for fiscal years ending after December 15, 2020. Management is currently evaluating the impact of ASU 2018-14 on the Center's consolidated financial statements.

In March 2017, the FASB issued ASU No. 2017-07, *Compensation-Retirement Benefits* (ASU 2017-07). The amendments in ASU 2017-07 require that an employer report the service cost component of the net periodic benefit cost in the same line item as other employee compensation costs. The other components of net benefit cost will be required to be presented in the income statement separately from the service cost component and outside of any subtotal of operating income (i.e., in non-operating income). ASU 2017-07 is effective for annual periods beginning after December 15, 2018, and interim periods within annual periods beginning after December 15, 2019. The adoption of ASU No. 2017-07 did not have a material impact to the Center's consolidated financial statements.

1. Organization and Summary of Significant Accounting Policies (continued)

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments – Credit Losses (Topic 326), Measurement of Credit Losses on Financial Instruments*, which changes how entities will account for credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The new standard replaces today's 'incurred loss' model with an 'expected credit loss' model that requires consideration of a broader range of information to estimate expected credit losses over the lifetime of the asset. The standard is effective for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. In April 2019, the FASB issued ASU 2019-04, *Codification Improvements to Topic 326, Financial Instruments-Credit Losses, Topic 815, Derivatives and Hedging, and Topic 825, Financial Instruments* (ASU 2019-04), which updates, clarifies, and improves various aspects of ASU 2016-13. In November 2019, the FASB issued ASU 2019-11, *Codification Improvements to Topic 326, Financial Instruments-Credit Losses*, which clarifies and addresses specific issues about certain aspects of the amendments in ASU 2016-13. Management is currently evaluating the impact that adoption may have on the Center's consolidated financial statements.

2. Cash and Investments

5. Long-Term Debt (continued)

The Center added debt in fiscal year 2019 as part of the Chautauqua Healthcare Services (CHCS) acquisition. The note payable to Bank of America was $720 at September 30, 2020. Bank of America made no changes to the loan as a result of the acquisition. This note was paid in full during fiscal year 2021.

During fiscal year 2010, Baptist Hospital, Inc. (Baptist), an affiliate of BHCC, issued $194,000 in bonds (the Bonds) through the Escambia County Health Facilities Authority (the Authority) to extinguish previously issued bonds; to pay or reimburse Baptist for the cost of acquiring, constructing, and equipping certain capital projects; to pay the related cost of issuance; and to fund a debt service reserve and capitalized interest fund. The Bonds are limited obligations of the Authority, payable principally from the receipts of loan agreements between the Authority and Baptist. The Bonds are secured by a gross revenue pledge of Baptist and a mortgage on the Gulf Breeze Hospital (an affiliate of BHCC) campus. Baptist and the Center comprise the Combined Group under a Master Trust Indenture, and the Center, as a restricted affiliate under the Master Trust Indenture, agrees to be bound by its terms but is not directly liable for obligations issued under the Master Trust Indenture. The Master Trust Indenture requires certain covenants and reporting requirements to be met by the Combined Group. The total amount of the Bonds outstanding, net of unamortized issue costs and unamortized bond discount, is $118,402 at September 30, 2021. The investments the Center held as an affiliate and as part of the Obligated Group were transferred to BHCC as part of the disaffiliation. The Center is no longer part of the Obligated Group.

2020 Health Facilities Revenue Bonds

In February 2020, $542,660 of Health Facilities Revenue Bonds, Series 2020A (the 2020A Bonds) and $67,645 of Health Facilities Taxable Revenue Bonds, Series 2020B (the 2020B Bonds), were issued by the Escambia County Health Facilities Authority (the Authority) on behalf of BHCC at fixed rates ranging from 3.0% to 5.0% for the 2020A Bonds, and 3.6% for the 2020B Bonds. The proceeds are primarily to pay or reimburse BHCC for costs incurred in the construction of a new flagship hospital, to refund certain other debt, to pay a portion of interest on the 2020A Bonds, and to pay certain expenses in connection with issuance.

5. Long-Term Debt (continued)

The 2020A and 2020B Bonds are limited obligations of the Authority payable from payments received by the Bond Trustee under loan agreements between the Authority and the Obligated Group. Under a Master Trust Indenture, the Obligated Group consists of substantially all of BHCC, excluding Ventures and certain joint ventures and subsidiaries of Baptist. The 2020A and 2020B Bonds are secured by a pledge of the unrestricted receivables of each member of the Obligated Group. The Master Trust Indenture requires certain covenants and reporting requirements to be met by the Obligated Group. All covenants were complied with for the year ended September 30, 2021. The investments the Center held as an affiliate and part of the Obligated Group were transferred to BHCC as part of the disaffiliation. The Center is no longer part of the Obligated Group.

6. Leases

On October 1, 2019, the Center adopted FASB's ASU 2016-02, *Leases*, electing to apply the optional transition method, which allows entities to forgo comparative reporting requirements. For leases that commenced before the effective date of ASU 2016-02, the Center elected the package of transition provisions available that allowed carryforward of the historical assessment of (1) whether contracts are or contain leases, (2) lease classification for any expired leases and (3) initial direct costs. In addition, the Center does not separate lease and non-lease components.

The Center's leases are primarily for real estate. The Center determines if an arrangement is a lease at contract inception. Lease assets and lease liabilities are recognized based on the present value of the lease payments over the lease term at the commencement date. Because most of the leases do not provide an implicit rate of return, the Center used a risk-free rate based on the daily treasury yield curve at lease commencement in determining the present value of lease payments.

Most leases include one or more options to renew, with renewal terms that can extend the lease term from months to years. The exercise of such lease renewal options is generally at the Center's sole discretion. For purposes of calculating lease liabilities, lease terms include options to extend or terminate the lease when it is reasonably certain that option will be utilized.

Leases with a lease term of 12 months or less at commencement are not recorded on the consolidated balance sheets. Lease expense for these arrangements is recognized on a straight-line basis over the lease term.

6. Leases (continued)

Operating leases consist of the following:

	September 30 2021	2020
Operating leases		
Operating lease assets	**$ 9,170**	$ 9,816
Current portion of operating lease obligation	**$ 1,971**	$ 2,271
Operating lease obligation, less current portion	**7,684**	8,012
Total operating lease liabilities	**$ 9,655**	$ 10,283

Lease expense for lease payments is recognized on a straight-line basis over the lease term. The components of lease expense are as follows:

	September 30 2021	2020
Operating lease expense	**$ 2,341**	$ 3,016
Short-term lease expense	**316**	170
Total lease expense	**$ 2,657**	$ 3,186

Lease term and discount rate are as follows:

	September 30 2021	2020
Weighted-average remaining lease terms:		
Operating leases	**10.35 years**	6.1 years
Weighted-average remaining lease terms:		
Operating leases	**3.76%**	1.6%

6. Leases (continued)

The following table summarizes the maturity of lease liabilities under operating leases for the next five years and the years thereafter, as of September 30, 2021:

	Operating Leases
2022	$ 2,111
2023	1,885
2024	1,756
2025	1,423
2026	1,081
Thereafter	1,873
Total lease payments	10,129
Less: imputed interest	474
Total lease liabilities	$ 9,655

Supplemental cash flow information related to leases are as follows:

	September 30	
	2021	**2020**
Cash paid for amounts included in the measurement of lease liabilities:		
Operating cash flows from operating leases	**$ 2,341**	$ 2,950
Lease assets obtained in exchange for new operating lease liabilities	**–**	–

6. Leases (continued)

The estimated future minimum lease payments under noncancellable operating leases at September 30, 2021 consisted of the following:

2022	$ 2,111
2023	1,885
2024	1,756
Thereafter	4,377
	$ 10,129

Rent expense for the years ended September 30, 2021 and 2020, amounted to $2,657 and $3,180, respectively.

7. Sources of Revenue

Federal, State, and Local Financial Awards

The Center receives funding from several Government and other agencies to provide behavioral health and child protective services to clients in our four-county region. This revenue is predominantly deemed to be unconditional contribution revenue and not governed under the ASC 606 guidance. The contractual obligations with these payors are met as services are provided. These contracts are billed monthly. The Center expects to be paid for all services provided. Adjustments are made as they arise for any services that will not be reimbursed.

Net Client Service Revenue

The Center's client service revenues generally relate to contracts with clients in which the performance obligation is to provide behavioral health care services. Revenues are recorded during the period the obligations are satisfied. The obligations are generally satisfied over a day or more for residential or inpatient programs or less for outpatient services. The contractual relationships with clients often involve a third-party payor and the transaction prices for the services provided are dependent upon the terms provided by or negotiated with the third-party payors. The payment arrangements with third party payers for services provided to clients are typically for rates lower than the customary and standard fees. The differences in these rates are considered to be explicit price concessions.

7. Sources of Revenue (continued)

Client service revenue is based upon the estimated amounts expected to be received from the clients and any third-party payors. Explicit price concessions are estimated at the time revenue is recorded and may be adjusted in future periods, as final settlements are determined. The Center elected to use the portfolio approach to assess collectability due to the large volume of similar contracts with similar classes of customers. The effect of applying the portfolio approach to a group of contracts would not differ materially from considering each contract separately. Management's judgment to group the contracts by portfolio is based on the payment behavior expected in each portfolio category. As a result, aggregating all contracts (which are at the patient level) by the particular payor or group of payors will result in the recognition of the same amount of patient service revenue as applying the analysis at the individual patient level.

Net client service fee revenue is not recognized for those clients that qualify for charity under the Center's charity care policies. For all others, service fee revenue, net of explicit price concessions and other deductions recognized from major payor sources is as follows:

	Year Ended September 30	
	2021	**2020**
Third-party payors, net of deductions	**$ 15,778**	$ 14,923
Self-pay clients, net of deductions	**4,812**	2,927
	$ 20,590	$ 17,850

Revenues from the Medicare and Medicaid programs accounted for approximately 43% and 38% of the Center's net client service fees for the years ended September 30, 2021 and 2020, respectively. Laws and regulations governing the Medicare and Medicaid programs are extremely complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount. Changes in the Medicare and Medicaid programs and the reduction of funding levels could have an adverse impact on the Center.

Vocational Service Contracts

The Center's vocational service revenues generally relate to contracts with federal, state or local customers in which the performance obligation is to provide various "bundled" type services to our customers. The Center has contractual obligations to provide services as outlined in the statement of work within each formal contract. Although the services within each business line are

7. Sources of Revenue (continued)

distinct, they are bundled services transferred consecutively on a monthly basis as a line of business. The lines of business consist of business services, custodial services, food services, facilities maintenance, health care environmental services, information technology, as well as employment support services. The performance obligations for vocational contracts are spelled out in the contract either in the performance work statement or other applicable section of the contract. These bundled services are invoiced each month at the contract price over the life of the contract period. Revenues for these services are recognized on a monthly basis as the services are performed. A summary for the years ended September 30, 2021 and 2020 is presented below:

	2021	2020
Federal	**$ 185,059**	$ 180,541
State	**1,089**	1,220
Local	**6,021**	6,784
Other	**(31)**	60
	$ 192,138	$ 188,605

Each distinct service is satisfied over time and the measurement of progress toward satisfaction of the performance obligation is the same for each of the services in the series (monthly services) in accordance with the contracts in place. Each contract for the above series of services (business line) delivers the services over an annual or multi-year period and is measured monthly, consistent with the billing for these services. Each line of business is considered a series of distinct services performed and treated as a single performance obligation that is set each month as services are provided.

The monthly payment and methodology are fixed in each contract. All business lines and other services in each contract are valued at their standalone value of the service in the contract. There are no instances where a service or product is provided at no value or a value below its standalone value (discounted) as stated in a contract. Each business line has a fixed price that is recognized over the period the performance obligation is met. Contracts with time and materials (T&M) provisions have the hourly rate and materials recorded at their standalone value and are not discounted as a part of the overall contract. As nearly all contracts are with government/state organizations, collectability is assured as we have nearly no history of uncollectable amounts for services rendered. As such, no variable consideration is included in the determination of the transaction price for each contract.

7. Sources of Revenue (continued)

Contract Revenue

The Center as a managed care provider receives payments under an agreement with Medicaid Managed Healthcare prepaid health plans (MMA plans), which obligates the Center to stand ready to provide or obtain services for qualified beneficiaries (individuals who enroll with an MMA plan). The qualified beneficiaries sign up with the MMA plans to participate in such a health plan. These payments are referred to as capitation fees. The payment is calculated using a per member per month rate (PMPM rate) for each qualified beneficiary.

The Center has two performance obligations related to Managed Care contract revenue that are both paid through capitation revenues – administrative services and behavioral healthcare services.

The first is the administrative services component of the MMA Plan in the amount of 12.5% of the capitation revenue which is for the administrative, recordkeeping and other services of the plan activities. All these services are not considered distinct individually but are a series of services delivered simultaneously each month as a single performance obligation. Like the capitation revenue described above and below for providing healthcare services, the administrative services are also stand ready obligations recognized over time.

The second performance obligation is for healthcare services as detailed above. These are stand ready performance obligations and although may incorporate several different lines of services are deemed a single performance obligation delivered over time as measured each month.

Transaction price considerations include monthly capitation payment, retroactive adjustments, incentive payments and other risk pool adjustments.

The capitation fees do not vary with of the volume of behavioral health services provided and are exclusive of any client copayments or deductibles under their respective plans. Therefore, the Center bears the risk of providing goods and services or contracting for services that the beneficiary is entitled to receive.

In addition to the capitation fees, the amount of contract revenue may be affected by factors such as reinsurance recoveries, retroactive adjustments for member eligibility, risk pools adjustments such as financial incentives and quality targets, and other adjustments. The Company has concluded that based on the immaterial nature of the adjustments no variable consideration need be included in the transaction price related to the capitation fees.

7. Sources of Revenue (continued)

The contracts specify that 12.5% of the capitation fees are related to administrative services and 87.5% of the fees are related to the remaining healthcare services therefore the Center has allocated the transaction price to the two performance obligations based on the terms of the contract.

Capitation arrangements represent a stand-ready obligation to provide services to qualified beneficiaries. The Center recognizes monthly capitation fees as Managed Care contract revenue over time when the periods for which the qualified beneficiary is entitled to services are completed.

8. In-Kind Contributions

In-kind contributions and expenses represent the value assigned to instructional services provided by Escambia County School Board educators, as well as donated prescription drugs from the State of Florida. In-kind contributions are recognized if the services or goods received (a) create or enhance non-financial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. In-kind contributions for the years ended September 30, 2021 and 2020, amounted to $1,152 and $1,133, respectively.

9. Retirement Plan

The Center provides a tax deferred annuity 403(b) retirement plan (Plan) to all eligible employees. Employees who work a minimum of 20 hours per week are eligible to participate in the Plan after completing one year of employment. Voluntary employee contributions are allowed to the extent permitted by law. The Center matched each eligible participant's pay period contribution to the Plan up to 3% of each eligible participant's compensation. In compliance with Internal Revenue Service regulations, employer contributions for eligible participants vest under a six-year graduated vesting schedule. Plan expense for the years ended September 30, 2021 and 2020, amounted to $1,632 and $1,968, respectively.

10. Support from the State of Florida Requiring Match

The Center received a substantial portion of its support from the state of Florida under grant contract number AO110 with the Florida Department of Children and Families (DCF) Substance Abuse and Mental Health Program. This contract must be renegotiated annually. The contract requires a 18.8% local match for certain community mental health services. This local match requirement has been met for both 2021 and 2020.

11. Related-Party Transactions

The Center managed West Florida Community Care Center pursuant to a contract with DCF which ended in fiscal year 2021. For the years ended September 30, 2021 and 2020, the Center received $60 and $467, respectively, for the management of that institution.

The Center had several transactions with BHCC and its affiliated entities and had a net receivable from BHCC in the amount of $627 and $11,874 at September 30, 2021 and 2020, respectively. These are included in other receivables and intercompany receivables, respectively. Although no longer affiliated, some transactions will continue for up to eighteen months post-disaffiliation as shared services are transitioned.

Additionally, the Center received $75 in management fees from BHCC for the years ended September 30, 2021 and 2020, $5,673 and $5,474 for services rendered and $39 and $433 in interest payments for the years ended September 30, 2021 and 2020, respectively, and paid $1,307 and $1,504 in management fees and other support services provided by BHCC for the years ended September 30, 2021 and 2020, respectively.

12. Net Assets

The Center's recorded other changes in net assets in fiscal year 2021 related to the disaffiliation with BHCC. Notably, $210,770 reduction in investments, $47,286 reduction in cash offset by the receipt of foundation funds and $5,209 in other intercompany transactions.

Net assets with donor restrictions as of September 30, 2021 and 2020, were $958 and $615 respectively, the majority of which relate to children's services.

13. Commitments and Contingencies

The Center carries general and professional liability insurance from an unrelated commercial insurance carrier with coverage up to $2,000 per occurrence and $4,000 in the aggregate, on a claims-made basis, and employee benefits liability insurance with coverage up to $1,000 per occurrence and $1,000 in the aggregate. In addition, the Center has an excess coverage policy.

The Center is involved in various lawsuits and claims incidental to the normal course of its operations. The Center may be liable for losses in excess of the amounts recorded at September 30, 2021; however, in the opinion of management, such potential losses would not be material to the consolidated financial statements.

13. Commitments and Contingencies (continued)

In June 2021, Global Connections to Employment (GCE), a subsidiary of LCI, was served a Civil Investigative Demand (CID) by a U.S. Attorney's Office related to potential violations of the federal civil False Claims Act connected to GCE's contracts with the Department of Defense Manpower Data Center. GCE has produced certain documents and interrogatory answers responsive to the CID.

In September 2021, GCE received a criminal matter grand jury subpoena related to the Department of Defense Manpower Data Center contract. GCE is responding and cooperating, but is not aware of details of the investigation, including how GCE is connected to the matter.

In addition to the expense of responding, government investigations can also result in monetary penalties and damages, as well as administrative sanctions such as suspension, exclusion or debarment. Due to the early nature of the investigations, it is not possible to predict the outcomes to GCE. Although GCE was part of the sale of the membership interest in LCI, BHCC has retained certain liabilities related to the investigation to the extent they arose prior to LCI sale, or arose from activity prior to the sale.

Lakeview Center, Inc. is self-insured for employees' medical insurance claims. The Center carries stop-loss insurance coverage with annual limits of $300 per participant and $13,678 in the aggregate. Global Connections to Employment, Inc. is fully insured for full time employees and self-insured for part time employees. It is the opinion of management that recorded reserves are adequate for existing and unreported claims.

The Center has established multiple irrevocable standby letters of credit: three in amounts of $250, $140, and $115 with the Center's three previous administrators for workers' compensation claims as the named beneficiaries; one each for $298, $154 and $150 with the insurance providers for the Access Behavioral Health (ABH) managed medical advantage plan; and one for $1,375 with the Center's current administrator for workers' compensation claims as the named beneficiary. The Center, under its workers' compensation policies, is responsible to pay all individual claims up to $273 each, as well as certain administration costs to its claims administrators. Should the Center default on any of these payments, the letter of credit guarantees the claims administrators' payment of any outstanding amounts.

13. Commitments and Contingencies (continued)

Line of Credit Agreements

Contingencies

Federal and State Financial Awards – The Center has received numerous federal and state grants. The disbursement of funds received under these programs is subject to review and audit by grantor agencies. Any disbursements disallowed by these agencies could become a liability of the Center. In the opinion of management, such claims, if any, should not have a material adverse effect on the consolidated financial position, results of operations, or cash flows of the Center.

Unemployment Compensation – The Center reports its wages to various states for unemployment compensation purposes, as a reimbursable employer. Reimbursable employers compensate prior employees only when a claim has been made with these states. In the opinion of management, no material claims were outstanding that had not been reserved for at September 30, 2021 and 2020.

14. Fair Value Measurements

As defined in ASC Topic 820, *Fair Value Measurement,* fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

Certain of the Center's financial assets are measured at fair value on a recurring basis, including money market and fixed income securities. The three levels of the fair value hierarchy defined by ASC Topic 820 and a description of the valuation methodologies used for instruments measured at fair value are as follows:

Level 1 – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Center has the ability to access.

Level 2 – Financial assets and liabilities whose values are based on pricing inputs that are either directly observable or that can be derived or supported from observable data as of the reporting

14. Fair Value Measurements (continued)

date. Level 2 inputs may include quoted prices for similar assets or liabilities in non-active markets or pricing models whose inputs are observable for substantially the full term of the asset or liability.

Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both significant to the fair value of the financial asset or financial liability and are generally less observable from objective sources. These inputs may be used with internally developed methodologies that result in management's best estimate of fair value. The Center has no financial assets with Level 3 inputs.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The fair value of the Center's financial assets measured at fair value on a recurring basis at September 30, 2021, was as follows:

	Level 1	**Level 2**	**Level 3**	**Total**
Cash and cash equivalents	**$ 24,678**	**$ –**	**$ –**	**$ 24,678**
	$ 24,678	**$ –**	**$ –**	**$ 24,678**

The fair value of the Center's financial assets measured at fair value on a recurring basis at September 30, 2020, was as follows:

	Level 1	**Level 2**	**Level 3**	**Total**
Cash and cash equivalents	$ 53,907	$ –	$ –	$ 53,907
Investments limited as to use:				
U.S. corporate obligations	–	18,163	–	18,163
U.S. treasury obligations	8,115	–	–	8,115
U.S. government agencies and sponsored entities	–	9,942	–	9,942
Other	157	4,572	–	4,729
Total investments limited as to use	8,272	32,677	–	40,949
	$ 62,179	$ 32,677	$ –	$ 94,856

14. Fair Value Measurements (continued)

As of September 30, 2021, the Center no longer had any investments in the Pool as a result of the disaffiliation with BHCC.

The fair value of the financial assets of the Pool measured at fair value on a recurring basis comprised the following at September 30, 2020:

	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	7%	–%	–%	7%
U.S. corporate obligations	–	34	–	34
U.S. government agencies and sponsored entities	–	4	–	4
Collateralized debt obligations	–	3	–	3
Domestic equities	14	–	–	14
Foreign equities	13	–	–	13
Other	–	25	–	25
	34%	66%	–%	100%

Financial assets are reflected in the accompanying consolidated balance sheets as follows:

	September 30 2021	2020
Interest in the Pool	$ –	$ 126,578
Investments limited as to use, at fair value	$ –	$ 40,949
Interest in the Pool	–	15,266
Total investments limited as to use	$ –	$ 56,215

The fair values of the securities included in Level 1 were determined through quoted market prices. The fair values of Level 2 financial assets consisting of U.S. government agencies and sponsored entities were determined through evaluated bid prices provided by third-party pricing services where quoted market values were not available.

14. Fair Value Measurements (continued)

The carrying values of accounts receivable, accounts payable, and accrued liabilities are reasonable estimates of their fair value due to the short-term nature of these financial instruments. The fair value of the intercompany receivable is not practicable to estimate due to the uncertainty regarding the timing of future repayments.

15. Summary Information Relating to Financially Interrelated Entities

Summary financial information of the wholly owned subsidiaries, which are included in these consolidated financial statements, is shown below. Inter-entity transactions have not been eliminated from this summary data.

Total financial assets	**$ 50,897**	$ 94,353

17. Coronavirus Disease 2019

Due to the global viral outbreak caused by Coronavirus Disease 2019 (COVID-19) in 2020, the Center received $68, recorded as other revenue in the accompanying consolidated statements of operations and changes in net assets, from the CARES Act Provider Relief Fund, administered by the U.S. Department of Health and Human Services (HHS). The relief fund payment terms and conditions state that the payment is only to be used to prevent, prepare for, and respond to coronavirus, and shall reimburse the recipient only for health care related expenses or lost revenues that are attributable to coronavirus. The Center received $897 and $400 from the U.S. Department of Health and Human Services and U.S. Department of Treasury, respectively in CARES funding in fiscal year 2021. The Center has largely recovered from the impact experienced in 2020.

18. Functional Classification of Expenses

The Center provides human services, including inpatient, outpatient, long term and community-based behavioral health services, child protective services, and employment for people with disabilities within its region and nationally. Administrative services include administration, finance and accounting, information technology, human resources, and other functions. Organizational expenses are allocated to program and administrative services based on the benefit received in those areas while administrative services costs are allocated to program areas based on personnel costs.

18. Functional Classification of Expenses (continued)

Expenses by functional classification for the years ended September 30, 2021 and 2020 consist of the following:

	Year Ended September 30, 2021		
	Program Services	**Administrative Services**	**Total**
Salaries and benefits	**$ 158,797**	**$ 7,656**	**$ 166,453**

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies

The DUI School financial statements are prepared on the accrual basis of accounting. Significant accounting policies for the DUI School are the same as those described in Note 1 to the accompanying consolidated financial statements of Lakeview Center, Inc. and Subsidiaries.

2. State Assessment Fee

As required by Section 322.293, *Florida Statutes*, each DUI program collects a $15 assessment fee on every client enrolling in its DUI program and remits the fee to the State of Florida. These and other fees collected and distributed to the State are summarized as follows:

	Year Ended September 30	
	2021	**2020**
Fees due from prior year	**$ –**	$ –
Fees collected during current year	**15,375**	25,024
Fees remitted during current year	**15,375**	25,024
Fees due to the state of Florida	**$ –**	$ –

Procedures have been established and maintained that adequately account for all fees received for the DUI program and for all receipts created and/or issued by the DUI program.

3. Other Program Costs for DUI (Non-Special Supervision Services (SSS) Expenses)

Other program costs for the DUI program, not including SSS, consist of the following:

	Year Ended September 30	
	2021	**2020**

Other	**70,600**	43,102
Total other program costs	**$ 91,875**	$ 57,974

4. Indirect Cost Allocations

Lakeview Center, Inc. allocates administrative costs to its programs using a step-down allocation methodology. The allocation basis varies depending upon the nature of the indirect cost pool being allocated. The following are examples of the allocation processes employed (this list is not intended to be all-inclusive): the human resources allocation is based on adjusted active staff and maintenance service costs are allocated based on the square footage maintained. The methodologies used allow for the allocation of indirect costs across all appropriate components of operations, and are in accordance with Florida Administrative Code 15A-10.014.

Access Behavioral Health

Note to Financial Statements (Regulatory Basis)

September 30, 2021

1. Summary of Significant Accounting Policies

The Access Behavioral Health (ABH) financial statements are prepared on a regulatory basis of accounting in accordance with guidelines established by the State of Florida Office of Insurance Regulation. Significant accounting policies for ABH are the same as those described in Note 1 to the accompanying consolidated financial statements of Lakeview Center, Inc. and Subsidiaries. Capitation revenue is based on a per-member per-month rate to provide services as a managed behavioral health organization. ABH provides these services for the Center and three comprehensive community mental health centers to provide mental health services to the MMA Plan beneficiaries residing in Regions 1 and 2 in Florida. Subcontracts with the Center are on a full-risk capitated basis and is reported as sub-capitation expense within the statements of operations for ABH.

Notes to Schedule of Expenditures of Federal Awards and State Financial Assistance

September 30, 2021

1. Presentation and Basis of Accounting

The schedule of expenditures of federal awards and state financial assistance is prepared on the accrual basis in accordance with accounting principles generally accepted in the United States. It includes all the state and federal expenditures of Lakeview Center, Inc. (the Center).

The Center allocates administrative costs to its federal and state programs using a step-down allocation methodology. The methodologies used allow for the allocation of administrative costs across all appropriate components of operations, and are in accordance with Florida Administrative Code 15A-10.014. The Center has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance and instead adheres to an approved federal indirect rate or approved contract indirect rate.

2. Contingencies

The Center has received numerous federal and state grants. The disbursement of funds received under these programs is subject to review and audit by grantor agencies. Any disbursements disallowed by these agencies could become a liability of the Center. In the opinion of management, any such claims will not have a material adverse effect of the financial position of the Center.

3. Subrecipients

In order to fulfill contractual requirements for child protective services, behavioral health services, and vocational services, the Center subcontracts with various community agencies. The Center is responsible for compliance for the funds expended, but all regulatory and contractual obligations are passed to the subrecipients in their contracts.

Report of Independent Auditors on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

President/Chief Executive Officer
Chief Financial Officer
The Board of Directors
Lakeview Center, Inc. and Subsidiaries

We have audited, in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Lakeview Center, Inc. and Subsidiaries (the Center), which comprise the consolidated balance sheet as of September 30, 2021, and the related consolidated statements of operations and changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 6, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report of Independent Auditors on Compliance for Each Major Federal Program and State Financial Assistance Project; Report on Internal Control Over Compliance Required by the Uniform Guidance Section 215.97 *Florida Statutes*, and Chapter 10.650, *Rules of the Auditor General*

President/Chief Executive Officer
Chief Financial Officer
The Board of Directors
Lakeview Center, Inc. and Subsidiaries

Report on Compliance for Each Major Federal Program and State Financial Assistance Project

We have audited Lakeview Center, Inc. and Subsidiaries' (the Center)'s compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* and the requirements described in the Florida Department of Financial Services State Projects Compliance Supplement that could have a direct and material effect on each of Center's major federal programs and state financial assistance projects for the year ended September 30, 2021. The Center's major federal programs and state financial assistance projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal and state statutes, regulations and the terms and conditions of its federal and state awards applicable to its federal programs and state financial assistance projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Center's major federal programs and state financial assistance projects based on our audit of the types of compliance requirements referred to above.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); Section 215.97,

A member firm of Ernst & Young Global Limited

Florida Statutes; and Chapter 10.650, *Rules of the Auditor General*. Those standards; the Uniform Guidance; Section 215.97, *Florida Statutes*; and Chapter 10.650, *Rules of the Auditor General,* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program and state financial assistance project occurred. An audit includes examining, on a test basis, evidence about Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state financial assistance project. However, our audit does not provide a legal determination of Center's compliance.

Opinion on Each Major Federal Program and State Financial Assistance Project

In our opinion, the Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state financial assistance projects for the year ended September 30, 2021.

Report on Internal Control Over Compliance

Management of the Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state financial assistance project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state financial assistance project and to test and report on internal control over compliance in accordance with the Uniform Guidance, Section 215.97, *Florida Statutes*, and Chapter 10.650, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state financial assistance project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state financial assistance project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of

A member firm of Ernst & Young Global Limited

deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state financial assistance project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance; Section 215.97, Florida Statutes; and Chapter 10.650, *Rules of the Auditor General*. TO: Community Partners
RE: Requests for funding for Fiscal Year (FY) 2025

Dear Potential Funding Recipient:

Attached please find the Escambia County Community Partner Funding Request Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 1, 2024.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is appreciated. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is **an application check list** to ensure all required documents are submitted. Please check each box to confirm all required documents are included with your new funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,

Stephan Hall

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY23	FY24	FY25	% Change
1. reduce homelessness	50	70	75	25 %
2. offset snap program	50	60	70	30 %
3. help working families	50	70	75	25 %

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	FY25
1. THE NUMBER OF FAMILIES WE FEED WILL SUCCESSFULLY HELP REUCE HUNGER AND EDUCATE FAMILIES ON NUTRITION.	65%
2. WE HELP ABOUT 1000 PEOPLES LAST YEAR	80%
3. reduce homelessness	75%

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in previous fiscal year."

Baseline for Goals	FY23
1. WE HAVE HELP OVER 5000 FAMILIES IN NEED OF FOOD.	6,000
2. LAST YEAR WE GAVE OUT OVER 120,000 LBS OF FOOD.	130,000
3. WE ARE AVERAGING ABOUT 10,000 LBS OF MONTH GIVING OUT FOOD.	20,000

BUDGET

Please fill out the requested information in its entirety for the program for which you are requesting funding. It is not necessary to fill out information for the agency as a whole; only for the program for which funding is requested. If this is a new program, you are not required to complete the information for the previous budget year. Please add any additional income or expense sources to the table as necessary to complete your budget application. **Please round figures to the nearest whole dollar.**

Request for Taxpayer Identification Number and Certification

Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See ***Specific Instructions*** on page 3.

1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)

PENSACOLA CARING HEARTS INC.

2 Business name/disregarded entity name, if different from above.

3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor ☑ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate

☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . .

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

Requester's name and address (optional)

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Attached please find the Escambia County Community Partner Funding Request Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 1, 2024.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is appreciated. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is **an application check list** to ensure all required documents are submitted. Please check each box to confirm all required documents are included with your new funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,

Stephan Hall

GENERAL INFORMATION

Agency Name: Wildlife Sanctuary of Northwest Florida, Inc.

Agency Address:105 North S Street, Pensacola, Fl 32505

Program Name for which funding is being requested: Wildlife Sanctuary of Northwest Florida, Inc.

Amount Requested: $40,000

Program Contact: Emily Holden

Contact Email: ekholden12@gmail.com Contact Phone: (850) 433-9453

25-Word Description of Program: Gives Wildlife a second chance, provides a safe haven for injured and orphaned wildlife and promotes public awareness, appreciation and preservation of wildlife through education.

How many years has your organization been providing services in the County? 42 years

How many years has your organization received funding from the County? Since 1999

Explain how receiving funds from the County would have a significant impact on your organization:

Funding allows us to continue serving Escambia County to our full potential.

PRIOR YEAR FUNDING

Amount Received Last Year, if applicable: $33,250

Briefly discuss how last year's funds were used?

The Wildlife Sanctuary of Northwest Florida accepted and cared for 3,029 injured and orphaned indigenous wildlife and provided care in a hospital setting by professionally trained staff. We provided information, tours, presentations, and literature as a means of fostering public awareness, public safety, public health, and the appreciation of wildlife. Education and a push for increased ecotourism in the community were also part of our daily operations. County funding assisted in staffing, printing of educational materials and maintaining a proper facility which is open 7 days a week, 8am to 5pm year round.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County?

Funding allowed the Wildlife Sanctuary to care for 3,029 animals. Our volunteers contributed 4,475 hours to support our mission. Our educational outreach efforts reached over 160,250 individuals about public safety, appreciation of wildlife, public health, habitat awareness and the fostering of awareness about coexisting with wildlife.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County?

The Wildlife Sanctuary will continue to accept and care for injured and orphaned wildlife and provide appropriate care in a hospital setting by professionally trained staff. As we continue our mission, we anticipate our admission numbers to continue in the 3,000 plus range for injured and orphaned wildlife. Keeping consistent with a push for providing the best care possible to our patients and to continue to provide education to the public. Due to standard changes and the age of some of our units, it is necessary to modify the number of outdoor rehabilitation units and to provide repairs to our flight pens. With mandatory cost of living increases for staff, this has taken a major toll on our overall budget for animal food, supplies and utilities.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: No

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area:

We are the only wildlife hospital, nursery, and educational facility open in Escambia County. We are open 7 days a week, 8am to 5pm year-round.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. For forty-two years the Wildlife Sanctuary of Northwest Florida has done much more than take care of wildlife. It includes examinations, diagnosis, treatment, proper nutritional diets, safe and supportive captive surroundings, physical therapy, and pre-release conditioning for injured, orphaned, and diseased wildlife with the goal of returning individuals to their natural habitats. We also educate residents on wildlife laws and regulations and what to do if they find injured or orphaned wildlife. Our agency consists of professionally trained staff in the care and rehabilitation of 3,000 injured and orphaned wildlife annually. We are an integral part of our state and national wildlife organizations. We work hand in hand with Escambia County Animal Welfare for public safety and wildlife education for a healthier and safer community.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 92 %
  Accounting $4,335, Animal Care salaries $26,209
- Percentage for direct programming costs: 8%
  Educational Materials $1,920, Outdoor Exhibits $784

If Escambia County funding can only fund a portion of your request, how will you offset the difference?

The Wildlife Sanctuary will continue to search for available funding which references wildlife rehabilitation and wildlife education. The services we provide are such an important aspect of public need and safety that we will do everything we can to continue our mission.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: No

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for.

No

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY22	FY23	FY24	% Change
1.Provide a hospital setting for rehab/assist injured and orphaned wildlife -Number of animals helped	3,014	3,029	3,050	+0.5%

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See *Specific Instructions* on page 3.

1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)
Wildlife Sanctuary of Northwest Florida, Inc

2 Business name/disregarded entity name, if different from above.

3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor ☑ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate

☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . .

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any)

Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any)

(Applies to accounts maintained outside the United States.)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Important Information for Exempt Organizations

DR-14
R. 01/18

1. You must provide all vendors and suppliers with an exemption certificate before making tax-exempt purchases. See Rule 12A-1.038, Florida Administrative Code (F.A.C.).

2. Your *Consumer's Certificate of Exemption* is to be used solely by your organization for your organization's customary nonprofit activities.

3. Purchases made by an individual on behalf of the organization are taxable, even if the individual will be reimbursed by the organization.

4. This exemption applies only to purchases your organization makes. The sale or lease to others of tangible personal property, sleeping accommodations, or other real property is taxable. Your organization must register, and collect and remit sales and use tax on such taxable transactions. Note: Churches are exempt from this requirement except when they are the lessor of real property (Rule 12A-1.070, F.A.C.).

5. It is a criminal offense to fraudulently present this certificate to evade the payment of sales tax. Under no circumstances should this certificate be used for the personal benefit of any individual. Violators will be liable for payment of the sales tax plus a penalty of 200% of the tax, and may be subject to conviction of a third-degree felony. Any violation will require the revocation of this certificate.

Section A. All Supporting Organizations

			Yes	No
1	Are all of the organization's supported organizations listed by name in the organization's governing documents? *If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.*	1		
2	Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? *If "Yes," explain in Part VI how the organization determined that the supported organization was described in section 509(a)(1) or (2).*	2		
3a	Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? *If "Yes," answer lines 3b and 3c below.*	3a		
b	Did the organization confirm that each supported organization qualified under section 501(c)(4), (5), or (6) and satisfied the public support tests under section 509(a)(2)? *If "Yes," describe in Part VI when and how the organization made the determination.*	3b		
c	Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)(B) purposes? *If "Yes," explain in Part VI what controls the organization put in place to ensure such use.*	3c		
4a	Was any supported organization not organized in the United States ("foreign supported organization")? *If "Yes," and if you checked box 12a or 12b in Part I, answer lines 4b and 4c below.*	4a		
b	Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? *If "Yes," describe in Part VI how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.*	4b		
c	Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? *If "Yes," explain in Part VI what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.*	4c		
5a	Did the organization add, substitute, or remove any supported organizations during the tax year? *If "Yes," answer lines 5b and 5c below (if applicable). Also, provide detail in Part VI, including (i) the names and EIN numbers of the supported organizations added, substituted, or removed; (ii) the reasons for each such action; (iii) the authority under the organization's organizing document authorizing such action; and (iv) how the action was accomplished (such as by amendment to the organizing document).*	5a		
b	**Type I or Type II only.** Was any added or substituted supported organization part of a class already designated in the organization's organizing document?	5b		
c	**Substitutions only.** Was the substitution the result of an event beyond the organization's control?	5c		
6	Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (i) its supported organizations, (ii) individuals that are part of the charitable class benefited by one or more of its supported organizations, or (iii) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? *If "Yes," provide detail in Part VI.*	6		
7	Did the organization provide a grant, loan, compensation, or other similar payment to a substantial contributor (as defined in section 4958(c)(3)(C)), a family member of a substantial contributor, or a 35% controlled entity with regard to a substantial contributor? *If "Yes," complete Part I of Schedule L (Form 990).*	7		
8	Did the organization make a loan to a disqualified person (as defined in section 4958) not described on line 7? *If "Yes," complete Part I of Schedule L (Form 990).*	8		
9a	Was the organization controlled directly or indirectly at any time during the tax year by one or more disqualified persons, as defined in section 4946 (other than foundation managers and organizations described in section 509(a)(1) or (2))? *If "Yes," provide detail in Part VI.*	9a		
b	Did one or more disqualified persons (as defined on line 9a) hold a controlling interest in any entity in which the supporting organization had an interest? *If "Yes," provide detail in Part VI.*	9b		
c	Did a disqualified person (as defined on line 9a) have an ownership interest in, or derive any personal benefit from, assets in which the supporting organization also had an interest? *If "Yes," provide detail in Part VI.*	9c		
10a	Was the organization subject to the excess business holdings rules of section 4943 because of section 4943(f) (regarding certain Type II supporting organizations, and all Type III non-functionally integrated supporting organizations)? *If "Yes," answer line 10b below.*	10a		
b	Did the organization have any excess business holdings in the tax year? *(Use Schedule C, Form 4720, to determine whether the organization had excess business holdings.)*	10b

b	A family member of a person described on line 11a above?	11b		
c	A 35% controlled entity of a person described on line 11a or 11b above? *If "Yes" to line 11a, 11b, or 11c, provide detail in Part VI.*	11c		

Section B. Type I Supporting Organizations

			Yes	No
1	Did the governing body, members of the governing body, officers acting in their official capacity, or membership of one or more supported organizations have the power to regularly appoint or elect at least a majority of the organization's officers, directors, or trustees at all times during the tax year? *If "No," describe in Part VI how the supported organization(s) effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported organization, describe how the powers to appoint and/or remove officers, directors, or trustees were allocated among the supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year.*	1		
2	Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? *If "Yes," explain in Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated, supervised, or controlled the supporting organization.*	2		

Section C. Type II Supporting Organizations

			Yes	No
1	Were a majority of the organization's directors or trustees during the tax year also a majority of the directors or trustees of each of the organization's supported organization(s)? *If "No," describe in Part VI how control or management of the supporting organization was vested in the same persons that controlled or managed the supported organization(s).*	1		

Section D. All Type III Supporting Organizations

			Yes	No
1	Did the organization provide to each of its supported organizations, by the last day of the fifth month of the organization's tax year, (i) a written notice describing the type and amount of support provided during the prior tax year, (ii) a copy of the Form 990 that was most recently filed as of the date of notification, and (iii) copies of the organization's governing documents in effect on the date of notification, to the extent not previously provided?	1		
2	Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported organization(s) or (ii) serving on the governing body of a supported organization? *If "No," explain in Part VI how the organization maintained a close and continuous working relationship with the supported organization(s).*	2		
3	By reason of the relationship described on line 2, above, did the organization's supported organizations have a significant voice in the organization's investment policies and in directing the use of the organization's income or assets at all times during the tax year? *If "Yes," describe in Part VI the role the organization's supported organizations played in this regard.*	3		

Section E. Type III Functionally Integrated Supporting Organizations

1 *Check the box next to the method that the organization used to satisfy the Integral Part Test during the year (see instructions).*

- a ☐ The organization satisfied the Activities Test. *Complete line 2 below.*
- b ☐ The organization is the parent of each of its supported organizations. *Complete line 3 below.*
- c ☐ The organization supported a governmental entity. *Describe in Part VI how you supported a governmental entity (see instructions).*

			Yes	No
2	Activities Test. *Answer lines 2a and 2b below.*			
a	Did substantially all of the organization's activities during the tax year directly further the exempt purposes of the supported organization(s) to which the organization was responsive? *If "Yes," then in Part VI identify those supported organizations and explain how these activities directly furthered their exempt purposes, how the organization was responsive to those supported organizations, and how the organization determined that these activities constituted substantially all of its activities.*	2a		
b	Did the activities described on line 2a, above, constitute activities that, but for the organization's involvement, one or more of the organization's supported organization(s) would have been engaged in? *If "Yes," explain in Part VI the reasons for the organization's position that its supported organization(s) would have engaged in these activities but for the organization's involvement.*	2b		
3	Parent of Supported Organizations. *Answer lines 3a and 3b below.*			
a	Did the organization have the power to regularly appoint or elect a majority of the officers, directors, or trustees of each of the supported organizations? *If "Yes" or "No," provide details in Part VI.*	3a

- Direct Spending from visitors: $1,317,318,200 +0.6% from FY22
- Economic Impact from visitors: $ 2,028,670,100 +0.9% from FY22
- Tourism in the Pensacola area supported 20,600 local jobs in FY2023, generating $676,180,100 in wages and salaries.
- Visitors to the Pensacola area save local residents $508 in local taxes per household each year.

Is this a new or repeat grant?
If Repeat, how many years?

Tourism Metrics:

How did your organization fulfill a special need within the tourism industry and/or enhance the overall local tourism product by increasing the number and quality of tourist activities?

Visit Pensacola serves as the primary destination marketing organization for Escambia County. In this role we lead the efforts directly related to the attraction and retention of tourists to our community. In addition, Visit Pensacola serves to connect businesses and organizations to impact development and infrastructure within Escambia County. Details of FY23 activity can be found in the attached report.

How did your organization/event benefit tourism in Escambia County?

- After significant growth in FY21, the Pensacola area has successfully maintained this growth in visitation, direct spending, economic impact, and TDT.
- Customer service (+8% points), Lodging (+6% points), Restaurants (+7% points), and Value for money (+3% points) were all up in Exceeded Expectations from FY2022.

TO: Tourist Promotion Partners
RE: Requests for funding for Fiscal Year (FY) 2024

Dear Potential Funding Recipient:

Attached please find the Escambia County Tourism Promotion Agency Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 3, 2023.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is required. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Important Note: As a requirement to receive County TDT grant monies, your organization will be **required** to submit both quarterly metrics and an annual report. Your required metrics report will be derived from the metric information within your application. Specific instructions to complete your annual report are included in the **Attachment A** "Annual Narrative Form", attached to this application.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is an application check list to ensure all required documents are submitted. Please check each box to confirm that these items are included with your funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,
Stephan Hall
Finance Director

25-Word Description of Program:

Visit Pensacola serves as the lead organization for building tourism as an economic engine in Escambia County. We create and implement programs of work to increase visitation to the county, resulting in spending by the visitors in the local economy, supporting local jobs and contributing to the local government tax base.

How many years has your organization been providing services in the County? 10 years

How many years has your organization received funding from the County? 10 years

Explain how receiving funds from the County would have a significant impact on your organization:

Visit Pensacola's primary purpose is tourism promotion. Our main objective is to increase the economic impact of visitors to our community; collaborate with local entities (business and governmental) for the development of tourism; raise the quality of life for community residents; and continue fostering a collective collaboration among organizations, governmental entities, and community members.

With a collaborative approach, we maximize the limited TDT dollars to get the best return on investment for the County. TDT dollars are the primary revenue stream for Visit Pensacola to fund its tourism promotions. We could not provide destination marketing services without it.

Receiving funds from the County continue to have a significant impact on our organization as these funds allow us to directly contribute back to our local economy and our local government tax base.

If we did not receive our full request, we would re-evaluate all areas of our business to determine what areas will need to be cut or reduced. While we generate private revenue through various other means (membership, cooperative advertising, and events) it is not enough to make up for any loss of TDT revenue. Other funding is used for expenses that are non-reimbursable from tourism tax dollars requirements, i.e. gratuities, above GSA allowances, etc.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: $14,892,919

Briefly discuss how last year's funds were used?

Visit Pensacola is Escambia County's designated Destination Marketing Organization, promoting the Pensacola Bay area as a world-class destination to travelers nationally and internationally. The investment in Visit Pensacola by Escambia County allowed us to take a multi-faceted and unified approach to build awareness of the Pensacola Bay Area's unique and diverse offerings for the traveling public. While our primary focus is leisure travel, we also bring meetings & conferences, reunions, group tours, weddings, festivals and major events. The funding received for the Unified Budget is distributed between Visit Pensacola (74.25%), ACE (14.75%) and Pensacola Sports (11.00%).

Business travel continues to slowly increase towards 2019 levels and brings opportunities for Visit Pensacola to re-engage with domestic and international travel-trade groups, tour operators, and meeting planners to drive future business. The event grant program continued to help festivals and events grow in 2023.

Our primary campaign, "The Way To Beach" is our central brand campaign and the basis upon which niche campaigns are built. Our "drive market" focus is a radius of 500 miles which includes 24 of the top 25 DMAs that book overnight stays in Escambia County.

We increased advertising in successful campaigns including Direct Flight Markets, Winter Travelers (Snowbirds), and interest markets including fishing, diving, foodies, craft beer, birding enthusiasts, sports and LGBTQ. Our "While You're Here" campaign delivers digital ads to visitors while they are in-market to showcase arts and culture, festivals and events, history and outdoor activities.

Our TV and Radio Campaigns included an Alabama Football and SEC Football promotion, the Hallmark Channel, and a cooperative regional TV campaign through Visit Florida.

Activations included the 2nd Annual Garden & Gun Seafood Rodeo showcasing the culinary skills of Pensacola Chefs.

We funded and contributed significant staff time expand the ROI of the Sun Belt Conference Basketball Championships. We work in cooperation with Visit Florida on cooperative advertising opportunities to include a TV Campaign, Media FAMs, tradeshows, print advertising, Visitor Guide and Map.

Sales efforts were expanded to capture the return of group business including meetings, group tours, reunions, and weddings.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County?

Visit Pensacola's layered approach includes Advertising, Direct Sales, Public Relations, Promotions, Research and servicing the visitor (information centers). After large gains in FY21 and FY22, we have been able to retain most of that growth in 2023. Our research has shown that we have held our Total Visitors at 2,505,200 people (down 0.2), increased Visitor Spending to $1,317,318,200 (up 0.6%), as well as economic impact to $2,028,670,100 (up 0.9%).

For every dollar ($1) invested in our tourism marketing, $15.79 is returned to local businesses through visitor spending. Tourism represents 20,600 jobs in Escambia County. Visitors to Escambia County save local residents $508 in county taxes per household each year. 67% of visitor spending is outside of lodging and spent in local businesses including retail, restaurants, attractions grocery stores and gas stations.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County?

Visit Pensacola is the umbrella organization that positions Escambia County as "The Way To Beach"…an authentic, must-see beach destination. To gain the desired positioning, Visit Pensacola brings together a wide variety of organizations, businesses, and interests and provides a leadership role in unifying these assets within the destination to market as one. Visit Pensacola is requesting funds to support the marketing and sales efforts to attract visitors for leisure, meetings, weddings, reunions etc. and act as an outlet to provide information to potential visitors. Our request is part of a greater request as a unified budget that includes Pensacola Sports (PS) and Art, Culture and Entertainment (ACE).

Visit Pensacola started receiving funding in 2014 and has contributed to a 6.5% - 9.1% growth in TDT receipts every year since then through 2019. Visit Pensacola and the Unified Budget played a critical role in rebounding quickly from the COVID pandemic in 2020 and recording record TDT receipts in 2021. TDT receipts in FY21 increased by 26.1% and 44.6% in FY22. While TDT receipts in FY23 were down slightly by 1.1%, TDT receipts from FY19 to FY23 has grown by 40% or an average of 10% per year.

Through the efforts of the Unified Budget, tourism supports local businesses, creates jobs, generates additional LOST revenue for Escambia County and adds to the quality of life for county residents.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain:

For those counties who have enacted the tourist development tax (TDT), it is a requirement that they have a Tourist Development Council (TDC). The efforts of Visit Pensacola and the Unified Budget, while serving at the pleasure of Escambia County and the TDC, are directed by a Board of Directors comprised of industry and community stakeholders.

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area:

Visit Pensacola is unique in its role as a Destination Marketing Organization. Our sole reason for existence is to focus on increasing tourism, which includes both visitor volume and economic impacts. With a collaborative

approach we maximize the limited TDT dollars to get the best return on investment for the County.

We share similar goals with Chambers of Commerce in helping local businesses be successful in Escambia County. Tourism also plays a role in attracting businesses and employees to the county. We meet regularly and collaborate with the Pensacola Chamber of Commerce, Perdido Key Chamber of Commerce, and Pensacola Beach Chamber of Commerce, Gulf Coast Minority Chamber of Commerce, and Florida West Economic Development Alliance to promote their programs and events, education, and networking opportunities.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program.

Visit Pensacola is the recognized Destination Marketing Organization for Escambia County. It has established a track record of success over the last 10 years and is the fiduciary agent for the Unified Budget that includes ACE (Arts, Culture and Entertainment) and Pensacola Sports. Visit Pensacola's sole purpose is to be focused on increasing tourism. With a collaborative approach with the county, state and national levels to successfully promote Escambia County, we maximize the TDT dollars we receive to get the best return on investment for the County.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 18%
- Percentage for direct programming costs: 82%

If Escambia County funding can only fund a portion of your request, how will you offset the difference?

TDT dollars are the primary revenue stream for Visit Pensacola's tourism promotions and if we did not receive our full request, we would re-evaluate all areas of our business to determine what areas will need to be cut or reduced. While we generate private revenue through various other means (membership, cooperative advertising and events), it is not enough to make up for any loss of TDT revenue. The limited private revenue generated is used for expenses that are non-reimbursable from TDT.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio:

As a partner with Visit Florida (the State's tourism marketing agency) and Brand USA (United States tourism marketing agency) we can partner with them on qualified marketing programs. Typically, these programs require a 1:1 match and are specific to destination marketing. Past programs have included medical tourism, air service development, international marketing, and a domestic TV advertising campaign. Investment by Visit Pensacola varies from year to year depending on available programs and has ranged from $50,000 to $500,000. On behalf of Escambia County, Visit Pensacola will contribute $57,500 for a regional match from the Northwest Florida Tourism Council and Visit Florida for a Triumph Gulf Coast Grant for $3.5 Million a year for three years.

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for.

Visit Pensacola does not request funding from other local non-profit agencies.

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals and Metrics Scorecard:	FY22	FY23	FY24 (Forecast)	% Change 22-23
Number of visitors	2,509,100	2,505,200	2,580,356	-0.2%

If Repeat, how many years?

Tourism Metrics:

How did your organization fulfill a special need within the tourism industry and/or enhance the overall local tourism product by increasing the number and quality of tourist activities?

Visit Pensacola serves as the primary destination marketing organization for Escambia County. In this role we lead the efforts directly related to the attraction and retention of tourists to our community. In addition, Visit Pensacola serves to connect businesses and organizations to impact development and infrastructure within Escambia County. Details of FY23 activity can be found in the attached report.

How did your organization/event benefit tourism in Escambia County?

- After significant growth in FY21, the Pensacola area has successfully maintained this growth in visitation, direct spending, economic impact, and TDT.
- Customer service (+8% points), Lodging (+6% points), Restaurants (+7% points), and Value for money (+3% points) were all up in Exceeded Expectations from FY2022.

- Among visitors who recently noticed advertising, more noticed this information on personal social media (+8% points) than in FY2022.
- Lodging occupancy was down -9.1%, and ADR was down -3.8%, resulting in a RevPAR that was down -12.5% from FY2022. Accommodation units saw a 5% increase this year, with a typical lag in demand catching up to the increase in supply.
- 2 of the top 4 advertising recall sources are from Visit Pensacola content for the third year in a row.
- More visitors came to the area for family time (+5% points) and participated in family time activities (+6% points) compared to FY2022.
- Direct Spending from visitors: $1,317,318,200 +0.6% from FY22
- Economic Impact from visitors: $ 2,028,670,100 +0.9% from FY22

Business Income Tax Return

August 4, 2022

Visit Pensacola, Inc.
Pensacola, FL 32502

Dear Officers,

Jason R Loeffler, CPA PA is pleased to provide you with the professional services described below. This letter confirms our understanding of the terms and objectives of our engagement and the nature and limitations of the services we will provide. This engagement between you and our firm will be governed by the terms of this letter. We will perform our services in accordance with the Statements on Standards for Tax Services issued by the American Institute of Certified Public Accountants.

Scope of Engagement

We will prepare the following federal and state tax returns for you for the year ended September 30, 2021:

COPY

Form number 990, Return of Organization Exempt From Income Tax

We will not prepare any tax returns except those identified above without your written authorization to do so. We will prepare your tax returns based upon information and representations you provide to us. We will not audit or otherwise verify the data you submit to us, although we may ask you to clarify some of the information. We will prepare the tax returns solely for filing with the Internal Revenue Service ("IRS") and state and local tax authorities. They are not intended to benefit or influence any third party, either to obtain debt or equity financing or for any other purpose. *As such, we will not respond to any request from banks, mortgage brokers or other lenders for verification of any information reported on these tax returns.*

As a result, you agree to indemnify and hold our firm and any of its partners, principals, shareholders, officers, directors, members, employees, agents or assigns harmless with respect to any and all claims arising from the use of the tax returns for any purpose other than filing with the IRS and state and local tax authorities regardless of the nature of the claim, including the negligence of any party.

You agree that you will not and are not entitled to rely on any advice unless your request and our response are provided in writing.

Client Responsibilities

You will provide us with a trial balance and other supporting data needed to prepare your tax returns. It is your obligation to provide us with accurate and complete information, including worldwide income.

Partnership or LLC agreement

You should review your partnership (or LLC) agreement with your attorney to ensure it meets your goals for the transfer of ownership and distribution of income. Often, partnership agreements do not address the transfer of ownership or may need to be updated as situations change.

Allocation of partnership income and expenses

You are responsible for verifying the accuracy of both the allocation of partnership income per the terms of the partnership agreement and the partnership income calculations used in the preparation of the tax returns.

Partner salaries

A partner or LLC member who receives a guaranteed salary payment is not regarded as an employee of the entity for the purpose of withholding or Social Security taxes. Therefore, any additional fringe benefits a partner receives are not subject to withholding. These fringe benefits may, however, be included in the income of the partner or LLC member. You are responsible for informing us of the total guaranteed payments, including fringe benefits, received by each partner or LLC member.

S corporation shareholder agreements

You should review your corporate buy-sell agreement and other stock agreements with your attorney to ensure these documents meet your goals for the transfer of corporate stock. (Optional)

Salaries and wages for S corporation shareholders

You are responsible for determining the appropriate salary or wage to pay shareholders. If the IRS determines that the S corporation made distributions in lieu of an appropriate shareholder salary or wage, the IRS may reclassify the payments. As a result of the reclassification, the shareholder and S corporation may be responsible for employment taxes on the reclassified amounts.

S corporation distributions

Distributions should be made to shareholders on a per share, per day basis. If distributions were not made proportionately, the IRS may revoke the entity's S election which may result in unfavorable tax consequences. As such, it is your responsibility to ensure that shareholder distributions are made pro-rata.

Unrelated business taxable income

If your organization produces revenue from a trade or business activity not directly related to its tax-exempt purpose, it may have unrelated business income that must be reported separately from other income. You are responsible for informing us of any potential unrelated business income.

Documentation

You are responsible for maintaining adequate documentation to substantiate the accuracy and completeness of your tax returns. You should retain all documents that provide evidence and support for reported income, credits, and deductions on your returns as required under tax law. You are responsible for the adequacy of all such documents. You represent that you have such documentation and can produce it if needed to respond to any audit or inquiry by taxing authorities. You agree to hold us harmless with respect to any additional taxes, penalties, or interest imposed on you by taxing authorities resulting from the disallowance of tax deductions due to inadequate documentation.

Personal expenses

Unless we are otherwise advised, you are responsible for confirming that personal expenses, if any, are segregated from business expenses and expenses such as meals, travel, entertainment, vehicle use, gifts, and related expenses, are supported by necessary records required by the IRS and other taxing authorities. At your request, we are available to answer your questions and advise you on the types of supporting records required.

Employment records

You are responsible for obtaining Forms I-9, Employment Eligibility Verification Form, from each new employee at the time of employment. In addition, Federal Form W-4, Employee's Withholding Allowance Certificate, and the applicable state equivalent should be retained for all employees. Failure to obtain these forms may subject an employer to penalties. Additional state requirements related to employment records may exist. At your request, we are available to answer your questions and advise you on required documentation.

Worker classification

You are responsible for determining the correctness of any employment relationship which you have deemed to be that of an independent contractor. Payroll tax withholding and related employer payroll tax implications result from this determination. We recommend obtaining a Form W-9, Request for Taxpayer Identification Number and Certification, signed by the independent contractor, as well as a signed contract with the independent contractor. You should also issue a Form 1099-MISC, Miscellaneous Income, to all unincorporated independent contractors to whom you pay $600 or more for services.

Listed transactions and transactions of interest

You acknowledge your responsibility to inform us of any listed transactions or transactions of interest as designated by the IRS. You agree to hold us harmless with respect to any additional taxes, penalties, or interest imposed on you by taxing authorities resulting from your failure to timely notify us, in writing, of all such transactions in order to facilitate the timely preparation and filing of your tax returns.

State and local filing obligations

You are responsible for determining your state or local tax filing obligations with any state or local tax authorities, including, but not limited to, income, franchise, sales, use, property or unclaimed property taxes. You agree that we have no responsibility to research these obligations or to inform you of them. If upon review of the information you have provided us and other information that comes to our attention, we believe you may have an obligation to file additional tax returns, we will notify you of this responsibility in writing and ask you to contact us. If you ask us to prepare these returns, we will confirm accordingly in a separate engagement letter and delineate the additional charges for this service.

U.S. filing obligations related to foreign investments

It is your responsibility to inform us if you directly or indirectly hold any interest or signatory authority in any assets located in a foreign country. Based on the information you provide, this information will be used to calculate any applicable foreign tax credits. We will also use this data to inform you of any additional filing requirements, which may include Form TD F 90-22.1, Report of Foreign Bank and Financial Accounts (FBAR). Failure to file required forms can result in the imposition of both civil and criminal penalties, which can be significant. These are not tax returns and their preparation is not within the scope of this engagement. If you ask us to prepare these forms, we will confirm this matter in a separate engagement letter and delineate the additional charges for this service.

As part of your federal income tax return, you are required to report the maximum value of specified foreign financial assets, which include financial accounts with foreign institutions and certain other foreign non-account investment assets that exceed certain thresholds. In some but not all cases, this filing obligation may overlap your FBAR filing obligations. You are responsible for informing us of all foreign investments so we can properly advise you as to your FBAR and income tax return filing obligations.

Foreign filing obligations

You are responsible for complying with any other country's income reporting and tax filing requirements. We have no responsibility to discuss these issues with you. If you have specific questions regarding your tax filing obligations, please contact us to schedule an appointment to discuss your concerns.

Reliance on others

If you wish to take a tax position based upon the advice of another tax advisor, you agree to obtain a written statement from the advisor confirming that the position should meet the substantial authority, or "more likely than not", standards, as applicable. To the extent a position is based upon the advice of another tax advisor, prior to preparing or signing the tax return, the American Institute of Certified Public Accountants Statements on Standards for Tax Services *Section 100 requires our firm to have a good faith belief that the position has at least a realistic possibility of being sustained administratively or judicially on its merits, if challenged. You agree to pay additional charges incurred to perform required research.*

Ultimate responsibility

You have final responsibility for your income tax returns. Check them carefully for accuracy and completeness before you sign them.

CPA Firm Responsibilities

Arguable Positions

We will use our judgment to resolve questions in your favor where a tax law is unclear assuming there is reasonable justification for doing so. Whenever we are aware of conflicting interpretations of the law by authorities, we will explain the possible positions that may be taken on your return. We will follow the position you request, provided it is consistent with our understanding of the current tax code, laws, regulations and their interpretations. If the IRS or state tax authorities later contest the position taken, there may be an assessment of additional tax, interest, and penalties. We assume no liability, and you hereby release us from any such additional tax, interest, and penalties or other fees and assessments.

Bookkeeping assistance

We may deem it necessary to provide you with accounting and bookkeeping assistance solely for the purpose of preparing the income tax returns. We will request your approval before rendering these services. Additional charges will apply for such services.

Management responsibilities

Jason R Loeffler, CPA PA, in its sole professional judgment, reserves the right to refuse to take any action that could be construed as making management decisions or performing management functions on your behalf. However, we may provide advice and recommendations to assist management in performing its functions and making decisions.

Errors, fraud, or theft

Our engagement does not include any procedures designed to discover errors, fraud, or theft. Therefore, our engagement cannot be relied upon to disclose such matters.

Brokerage or investment advisory statements

If you provide our firm with copies of brokerage (or investment advisory) statements, we will use the information from these statements solely in connection with the preparation of your income tax returns. We will rely on the accuracy of the information provided in the statements and will not undertake any action to verify this information. We will not monitor investment activity, provide investment advice, or supervise the actions of the entity or individuals performing investment activities on your behalf. We recommend you review all brokerage (or investment advisory) statements promptly and carefully, and direct any questions regarding activities on your account to your broker (or investment advisor).

Tax planning services

Our engagement does not include tax planning services, which are available as a separate engagement. During the course of preparing the tax returns identified above, we may bring to your attention certain available tax saving strategies for you to consider as possible means of reducing your income taxes in subsequent tax years. However, we have no responsibility to do so, and will take no action with respect to any such recommendations, as the responsibility for implementation remains with you, the taxpayer.

Government inquiries

This engagement does not include responding to inquiries by any governmental agency or tax authority. If your tax return is selected for examination or audit, you may request we assist you in

responding to such inquiry. If you ask us to represent you, we will confirm this in a separate engagement letter and delineate how additional charges for this service will be calculated.

Timing of the Engagement

We expect to begin the preparation of your returns upon receipt of the trial balance and other supporting data agreed to above.

If your return is electronically filed, our services will conclude upon the earlier of the filing and acceptance of your tax returns by the appropriate taxing authorities or one year from the execution date of this letter. You will be required to verify and sign a completed Form 8879-, IRS e-file Signature Authorization for Form, and state equivalent authorization form before your returns can be filed electronically. You are responsible for reviewing the accuracy of all tax returns and any accompanying schedules and statements prior to filing.

If your return is filed by mail, our services will be concluded upon the earlier of delivery to you of your tax returns for your review and filing with the appropriate taxing authorities or one year from the execution date of this letter.

Extensions of Time to File Tax Returns

It may become necessary to apply for an extension of the filing deadline if there are unresolved tax issues or delays in processing, or if we do not receive all of the necessary information from you on a timely basis. Applying for an extension of time to file may extend the time available for a government agency to undertake an audit of your return or may extend the statute of limitations. All taxes owed are due by the original filing due date. Additionally, extensions may affect your liability for penalties and interest or compliance with government or other deadlines.

To the extent you wish to engage our firm to apply for extensions of time to file tax returns on your behalf, you must notify us of this in writing. Our firm will not file these applications unless we receive either a signed copy of this engagement letter or your express written authorization to do so. In some cases, your signature may be needed on such applications prior to filing. Failure to timely file for an extension of time to file can result in penalties for failure to file tax returns, which accrue from the original due date of the returns, and can be substantial.

We are available to discuss this matter with you at your request at our regular hourly fee if the need arises.

Penalties and Interest Charges

Federal, state, and local taxing authorities impose various penalties and interest charges for non-compliance with tax law, including, for example, failure to file or late filing of tax returns, and underpayment of taxes. You, as the taxpayer, remain responsible for the payment of all taxes, penalties, and interest charges imposed by taxing authorities.

We rely on the accuracy and completeness of the information you provide to us in connection with the preparation of your tax returns. Failure to disclose, or inadequate disclosure of income or tax positions, can result in the imposition of penalties and interest charges.

The IRS and many states impose penalties for substantial understatement of tax. To avoid the substantial understatement penalty, you must have substantial authority to support the tax

treatment of the item challenged by the IRS or adequate disclosure of the item. A completed IRS Form 8275, Disclosure Statement, or 8275-R, Regulation Disclosure Statement, which discloses all relevant facts, may be required to be attached to your tax return to meet the adequate disclosure requirement. A disclosed tax position that meets the reasonable basis standard must have some authority supporting the position and be more than simply arguable.

You agree to advise us if you wish to disclose a tax treatment(s) on your return. If you request our assistance in identifying or performing further research to ascertain if there is "substantial authority" for the proposed position to be taken on the tax items in your returns, we would be pleased to discuss providing this additional service to you under the terms of a separate engagement letter. It is your responsibility to contact us if additional assistance is required.

Unless an undisclosed tax position meets the substantial authority or "more likely than not" standard, as applicable, we will be unable to prepare the return and will withdraw from the engagement.

If we conclude as a result of our research that you are required to disclose a transaction on your tax return, you consent to attach a completed Form 8275 or 8275-R to your tax return for filing after we discuss the situation with you. You also agree to hold our firm and any of its partners, principals, shareholders, officers, directors, members, employees, agents or assigns harmless for any and all actual and consequential damages (including but not limited to taxes, penalties, interest, and professional fees and costs) you incur as a result of including such disclosures with your filed tax returns regardless of the nature of the claim, including the negligence of any party.

Fees and Billings

Our professional fee for the services outlined above will be based on our firm's current hourly billing rates. This fee is based upon the complexity of the work to be performed and our professional time to complete the work. Additionally, this fee depends upon the availability, quality, and completeness of your records. You agree that you will deliver all records requested by our staff to complete this engagement on a timely basis.

In the event your records are not submitted in a timely manner, or are incomplete or unusable, we reserve the right to charge additional fees and expenses for services required to correct the problem. If this occurs, we will contact you to discuss the matter and the anticipated delay in completing our engagement prior to rendering further services.

We will bill you for our professional fees, expenses and out-of-pocket costs as of the date we deliver our work product you. Payment is due within 30 days of the date on the billing statement. If payment is not received by the due date, you will be assessed interest charges of 1.5 % per month on the unpaid balance. We reserve the right to suspend or terminate our work from non-payment of fees.

You agree that in the event your payment of tax is not received by the due date of the tax return, we will not be responsible for your failure to meet government and other filing deadlines, for any penalties or interest that may be assessed against you resulting from your failure to meet the deadlines, and for any other damages (including, but not limited to consequential, indirect, lost profits, or punitive damages) incurred by you as a result of the late filing or non-filing of the tax returns.

Electronic Data Communication and Storage and Use of Third Party Service Provider

In the interest of facilitating our services to your company, we may send data over the Internet, store electronic data via computer software applications hosted remotely on the Internet, or allow access to data through third-party vendors' secured portals or clouds. Electronic data that is confidential to your company may be transmitted or stored using these methods. We may use third-party service providers to store or transmit this data, such as providers of tax return preparation software. In using these data communication and storage methods, our firm employs measures designed to maintain data security. We use reasonable efforts to keep such communications and data access secure in accordance with our obligations under applicable laws and professional standards. We also require all of our third-party vendors to do the same.

You recognize and accept that we have no control over the unauthorized interception or breach of any communications or data once it has been sent or has been subject to unauthorized access, notwithstanding all reasonable security measures employed by us or our third-party vendors. You consent to our use of these electronic devices and applications and submission of confidential client information to third-party service providers during this engagement.

Entire Agreement

This engagement letter, including any attachments, encompasses the entire agreement of the parties and supersedes all previous understandings and agreements between the parties, whether oral or written. Any modification to the terms of this engagement letter must be made in writing and signed by both parties.

Termination and Other Terms

Any claim arising out of this engagement letter shall be commenced within one year of the delivery of the work product to you, regardless of any longer period of time for commencing such claims as may be set by law.

We reserve the right to withdraw from this engagement without rendering services for any reason, including but not limited to, if you fail to comply with the terms of this engagement letter, if you disagree with our recommendations regarding tax return filing and reporting obligations, tax return positions to be taken or disclosures to be made in the returns, or if we determine professional standards require our withdrawal for any other reason.

At the completion of our engagement, the original source documents will be returned to you. Workpapers and other documents created by us are our property. Such original workpapers will remain in our control, and copies are not to be distributed without our prior written consent.

If any portion of this engagement letter is deemed invalid or unenforceable, said finding shall not invalidate the remainder of the terms set forth in this engagement letter.

We appreciate the opportunity to be of service to you. Please date and sign the enclosed copy of this engagement letter and return it to us to acknowledge your agreement with its terms. It is our policy to initiate services only after we receive the signed copy of this engagement letter from you.

INDEPENDENT AUDITORS' REPORT

To the Finance Committee and Board of Directors
Visit Pensacola, Inc.

Opinion

We have audited the accompanying financial statements of Visit Pensacola, Inc. (a 501(c)(6) nonprofit organization, hereinafter referred to as VPI), which comprise the statements of financial position as of September 30, 2023 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of VPI as of September 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of VPI and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about VPI's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of VPI's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about VPI's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Organization

Visit Pensacola, Inc. (VPI) was formed in 2013, as a Florida not-for-profit corporation to promote the common business interests of the tourism industry in Escambia County, Florida, and to unify the private sector, visitor, tourism, meeting and convention interests of the various incorporated and unincorporated areas of Escambia County, in order to speak with a collective, focused voice of authority on issues that affect the tourism industry.

Basis of Accounting and Presentation

The financial statements of VPI have been prepared on the accrual basis of accounting and in accordance with the accounting principles generally accepted in the United States of America (US GAAP) which require that VPI report information regarding its financial position and activities based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes in net assets therein are classified as follows:

Net Assets Without Donor Restrictions – Net assets that are available for general use and not subject to donor restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature and may, or will, be met either by passage of time or the events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. VPI did not have any net assets at September 30, 2023 and 2022, where the donor imposed restrictions.

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with US GAAP. These estimates and assumptions affect the amounts reported in the financial statements and the note disclosures. Actual results could vary from these estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, if applicable, VPI considers highly liquid debt instruments purchased within three months of maturity to be cash equivalents.

Investment in Certificate of Deposit

The certificate of deposit is an investment maturing in 2024.

Accounts Receivable

Accounts receivable are reported at unpaid balances less an allowance for doubtful accounts, if applicable. Management evaluates the status of unpaid accounts and adjusts the allowance as necessary through a provision for bad debt expense. No provision for uncollectible accounts had been established as of September 30, 2023 and 2022, as accounts receivable are considered to be fully collectible.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Revenue Recognition

Revenues are reported as increases in net assets without donor restrictions, unless their use is limited by donor-imposed restrictions. Under accounting standards, earned revenue measurement is driven via a principles-based process that requires the entity: 1) identify the contract with the customer; 2) identify the performance obligations in the contract; 3) determine the transaction price; 4) allocate the transaction price to the performance obligations; and 5) recognize revenue when (or as) performance obligations are satisfied. Contributed support follows different standards. A summary of each of the revenue and support flows are as follows:

The primary source of revenue is a portion of the local option tourist development tax imposed and collected on short-term lodging by the Escambia County Board of County Commissioners (the County). In accordance with the agreement with the County, VPI receives funding on a reimbursement basis from the County as expenditures are incurred in carrying out its mission.

Gifts and grants, including unconditional promises to give, are recognized as revenues as either without or with donor restrictions in the period verifiably committed by the donor. Gifts and grants of assets other than cash are recorded at their estimated fair value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of the estimated future cash flows using a risk adjusted discount rate depending on the time period involved. Amortization of the discount is included in gift and grant revenue in accordance with the donor-imposed restrictions, if any, on the gifts or grants. Gifts or grants with donor-imposed restrictions that can be met through the passage of time or upon the incurring of expenses consistent with the purposes are recorded as net assets with donor restrictions and reclassified to net assets without donor restrictions when such time or purposes restriction has been satisfied.

Gifts of property and equipment are recorded as without donor restrictions, unless the donor explicitly states how such assets should be used. Gifts of cash or other assets that must be used to acquire long-lived assets are reported as net assets with donor restrictions. VPI reports expirations of donor restrictions when the donated or acquired long-lived asset is placed into service.

Conditional contributions are recorded as revenue when such amounts become unconditional, which generally involves the overcoming of a barrier to entitlement. This can include items like meeting a matching provision, incurring specified allowable expenses in accordance with a framework of allowable costs or other barriers. Contributions received pending designation by the donor are considered to be net assets with donor restrictions until donor stipulations are clarified at which time such are reclassified, if required.

Partnership dues represent revenues from businesses with interests in Escambia County that wish to support VPI's efforts to promote tourism within Escambia County. Partnership dues are recognized ratably on a monthly basis over the partnership period as the performance obligations are satisfied. Management believes that recognizing revenue over time is the best measure of services rendered based on the length of the partnership. Management does not consider there to be significant judgment involved in the timing of satisfaction of performance obligations as those are directly linked to the length of the partnership.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Inventories
Inventories consist primarily of souvenirs and promotional goods, including maps, brochures and postcards, and are valued at estimated cost.

Equipment
VPI capitalizes all expenditures in excess of $1,000 for equipment at cost. Repairs and maintenance costs are expensed as incurred. Depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis. Equipment is depreciated over five to seven years.

Donated Assets and Use of Facilities
Donated equipment and other noncash donations are valued at estimated fair value at the date of donation. VPI uses certain equipment which was acquired and paid for by Escambia County. Title vests with the County and such assets are not recorded as assets of VPI. The County does not charge VPI for the use of the equipment. The estimated fair market value of the use of these assets is recorded as in-kind income and related equipment and building repairs in the statements of functional expenses. Effective July 2020, VPI occupies space at the Pensacola Visitor Information Center under a lease agreement with the City of Pensacola for $10 annually. The lease term is 15 years unless otherwise terminated pursuant to the agreement. The estimated fair value of the use of these facilities are recorded as in-kind income and rent expense in the statements of functional expenses.

Unearned Revenue
Unearned revenue consists of partnership dues and advertising income, which were received in advance. The revenue will be recognized over the terms of the partnerships or once the advertisement occurs.

Compensated Absences
The liability for compensated absences of $70,002 and $59,229 as of September 30, 2023 and 2022, respectively, is included in accrued payroll and expenses in the statement of financial position. This represents amounts owed to employees under VPI's paid time off policy.

Functional Allocation of Expenses
The costs of providing the program and supporting activities of VPI have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated by management among the program and supporting activities based on time and effort or occupancy costs.

Advertising
The primary purpose of VPI is to promote and advertise the local community. As such, all program expenses are considered to be either direct or indirect forms of advertising. Such costs are expensed as incurred.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Income Taxes
The Internal Revenue Service has granted VPI exemption from federal income tax under Section 501(c)(6) of the Internal Revenue Code. VPI is subject to taxation only on income from any business unrelated to its exempt purposes. VPI is not aware of any uncertain tax positions that would require disclosure or accrual in accordance with US GAAP.

Reclassification
Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

Subsequent Events
VPI has evaluated events and transactions that occurred between September 30, 2023 and February 20, 2024, which is the date that financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

2. ACCOUNTS RECEIVABLE

Accounts receivable at September 30, 2023 and 2022, consisted of the following:

	2023	2022
Tourism development tax receivable	$ 1,798,633	$ 1,870,635
Partnership dues	3,775	-
Other	-	80
Accounts receivable	$ 1,802,408	$ 1,870,715

3. LINE OF CREDIT

VPI has a revolving line of credit with Regions Bank in the amount of $500,000. The interest rate is Prime plus 0.50%, with a floor of 4.75%. The line of credit matures on October 15, 2023, and is secured by inventory, accounts, equipment, general intangibles and fixtures. At September 30, 2023 and 2022, there was no outstanding balance on the line of credit.

In October 2023, the line of credit was renewed through October 15, 2024.

4. LIQUIDITY AND AVAILABILITY

VPI regularly monitors liquidity to meet its operating needs and other contractual commitments. VPI has various sources of liquidity at its disposal including cash, receivables and a line of credit. For purposes of analyzing resources available to meet general expenditures over a 12-month period, VPI considers all expenditures related to its ongoing activities of its mission, as well as the conduct of services undertaken to support those activities, to be general expenditures.

The following table shows the total financial assets held by VPI as of September 30, 2023 and 2022, and the amounts of those financial assets available within one year of the date of the statement of financial position to meet general expenditures.

	2023	2022
Financial assets at year end:		
Cash	$ 479,090	$ 885,086
Certificate of deposit	250,000	-
Accounts receivable	1,802,408	1,870,715
Total financial assets available to meet general expenditures over the next 12 months	$ 2,531,498	$ 2,755,801

5. CONCENTRATIONS OF RISK

VPI's activities are primarily funded by a discretionary appropriation of the Escambia County local option tourist development tax. VPI's ability to continue to operate at current levels is dependent on continued funding from this source.

VPI maintains cash balances at a financial institution, which at times, may exceed federally insured limits. The balances held with the financial institution are insured by the Federal Deposit Insurance Corporation up to $250,000. VPI's cash balances, before outstanding checks and the certificate of deposit, exceeded federally insured limits by $716,115 and $808,594 at September 30, 2023 and 2022, respectively. VPI has not experienced any losses in such accounts and believes it is not exposed to any significant risk.

6. SUBRECIPIENT EXPENSE

VPI is the fiscal agent for Art, Culture and Entertainment, Inc. (ACE) and Pensacola Sports Association, Inc. (PSA). In accordance with the Miscellaneous Appropriations Agreements between the County and VPI (the Agreement), VPI accepts tourism development revenue from the County on behalf of ACE and PSA. As fiscal agent for ACE and PSA, VPI is responsible for administering the funding and ensuring it is spent in accordance with the Agreement.

In accordance with US GAAP, this arrangement does not meet the criteria of being an agency transaction; therefore, the expenses incurred by each entity and reimbursed by VPI are recorded as subrecipient expense in the statements of functional expenses.

Subrecipient expenses for the year ended September 30, 2023, consisted of the following:

	ACE	PSA	Total
Direct programming expense	$ 1,811,425	$ 683,616	$ 2,495,041
Operations expense	-	76,960	76,960
Personnel expense	-	353,486	353,486
Total subrecipient expense	$ 1,811,425	$ 1,114,062	$ 2,925,487

Subrecipient expenses for the year ended September 30, 2022, consisted of the following:

	ACE	PSA	Total
Direct programming expense	$ 1,250,000	$ 620,009	$ 1,870,009
Operations expense	-	88,335	88,335
Personnel expense	-	351,234	351,234
Total subrecipient expense	$ 1,250,000	$ 1,059,578	$ 2,309,578

7. RELATED PARTY TRANSACTIONS

VPI enters into certain promotional partnership and marketing transactions with organizations that may be affiliated with members of VPI's board of directors. These transactions are conducted at arms-length and are in the normal course of business.

8. RETIREMENT PLAN

VPI administers a 401(k) plan for the benefit of its employees. All employees are eligible to participate if they have completed one year of service and are at least 21 years of age. The plan provides for a safe harbor matching employer contribution equal to 100% of salary deferrals that do not exceed 6% of compensation for each payroll period. The matching contributions totaled $34,157 and $28,231 for the years ended September 30, 2023 and 2022, respectively.

TO: Community Partners
RE: Requests for funding for Fiscal Year (FY) 2024

Dear Potential Funding Recipient:

Attached please find the Escambia County Community Partner Funding Request Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 3, 2023.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is appreciated. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. Included this year is **an application check list** to ensure all required documents are submitted.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,

Stephan Hall

DEADLINE - Monday, April 3, 2023

ELIGIBILITY CRITERIA:

Organizations eligible to apply for funding must:

- Demonstrate funding received from sources other than local governments in an amount at least equal to the amount requested from Escambia County.
- Tax-exempt under Section 501(c)(3) of the Internal Revenue Code, independent of a financial sponsor (local affiliates may apply under the 501(c)(3) of the national organization).
- Located in and serve residents of Escambia County.
- Provide at least 3 full years (36 months) of independently prepared, audited or reviewed financial statements or tax returns, unless organization was formed within the last 3 years.
- Not a recipient of Community Partner funding for more than 3 fiscal years unless the organization serves a government purpose OR for years 4 and beyond, funding must reduce at rate of at least 5% per year.
- The Board of County Commissioners retains the right to waive the eligibility criteria.

APPLICANTS SHOULD:

- Explain why receiving funding would have an especially significant impact on their organization.
- Have a mission and programs or services that serves a governmental program or citizen focused mission.
- Submit a proposed budget where government funding does not exceed 50% of annual operating budget unless in first 3 years of operation or mandated by statutory or another regulatory requirement.
- Plan to expend funds within 12 months.

Funds may be provided for programs, services, necessary infrastructure or other initiatives that support the organization's core mission. **Funds will not be provided for:**

- debt reduction, operating deficits, interim or bridge funding or endowment funding,
- individuals or private foundations,
- activities that are religious or political in nature,
- fund drives, annual appeals, fundraising events or general capital campaigns, and
- salaries that do not directly impact the program unless mandated by statutory or regulatory requirement.

When submitting your completed application with all required documents, provide your documents in original Word format or a direct PDF of the Word document. **Please limit scanned documents as much as possible.**

GENERAL INFORMATION

Agency Name: Pensacola Sports

Agency Address: 1000 College Blvd, Bldg 24, Pensacola, FL 32504

Program Name for which funding is being requested: Sports Tourism

Amount Requested: $1,583,221 (11% of Visit Pensacola's allocation for FY 24-25

Program Contact: Ray Palmer

Contact Email: rpalmer@pensacolasports.org Contact Phone: (850)475-4960

25-Word Description of Program: Creating, bidding, supporting, managing and hosting sporting events as well as providing event development and marketing support to sporting events that attract visitors from outside of our area, generating room nights and increasing local tax collections (bed, gas, sales, etc).

How many years has your organization been providing services in the County? 68

How many years has your organization received funding from the County? 29

Explain how receiving funds from the County would have a significant impact on your organization: The funds received from the county are the funding source for the sports tourism program of work and mission. The funds support all aspects of the program including staffing, marketing, travel, event bidding, and support.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: $1,430,000 for FY 23/24

Briefly discuss how last year's funds were used? Provided sports tourism marketing and development for Escambia County, creating a positive economic benefit for the community. Sports tourism responsibilities included creating, bidding, marketing, and hosting events. Provided event development, marketing, and management services to organizations throughout the county in a variety of sports-related fields.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County? 46,581 room nights generated by sporting events created a total direct economic impact of $42,293,846 in fiscal year 2022-23. Using these figures and based on $1,114,062 spent by Pensacola Sports for the year, the return to Escambia County is $37.96 for every dollar spent.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? Pensacola Sports will continue to focus on creating and attracting new sporting activities, assisting in facility management, developing marketing management and growth of exisiting events to increase tourism and generating overnight stays in Escambia County. These efforts create a positive impact to Escambia County residents by generating new, outside dollares to enhance the local economy, job growth and economic development.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: Pensacola Sports is a part of the tourism promotion effort with Visit Pensacola and ACE, which functions under the unified budget created under the direction of the Tourist Development Council and the Board of County Commissioners.

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area: We have partnered with Visit Pensacola and many other organizations to maximize the return on investment for Escambia County and its residents.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. Pensacola Sports has been the sports marketing and tourism agent for Escambia County for over twenty years with a successful record of producing room nights and positive economic impact through sporting events. Pensacola Sports is recognized on the state and national level as a leader in the sports tourism industry. Since April 2017, the president of Pensacola Sports has served on the Sports ETA Board of Directors, the trade association for the sports tourism industry.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 36 % *(30% salaries & 6% operations)*
- Percentage for direct programming costs: 64 %

If Escambia County funding can only fund a portion of your request, how will you offset the difference? Sports tourism efforts are dependent on Escambia County funding; any shortfall in funding from the county will result in a proportionate decrease in sports tourism marketing efforts.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: Some of the funding from Escambia County could be used as a match for event-related funding from the Florida Sports Foundation. For example, to receive a 5K grant we would have to show a 10K expenditure (2-to-1 match ratio).

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. No

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY20-21	FY21-22	FY2-23	% Change

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

Dear Sir or Madam:

This letter is in response to your request for a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in September 1981 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in section 509(a)(3).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than $25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of $20 a day, up to a maximum of $10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Pensacola Sports Association Foundation, Inc.
59-2113050

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. If your organization had a copy of its application for recognition of exemption on July 15, 1987, it is also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of $20 a day for each day you do not make these documents available for public inspection (up to a maximum of $10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely,

John E. Ricketts

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Pensacola Sports Association, Inc.

Opinion

We have audited the accompanying financial statements of Pensacola Sports Association, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2023 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pensacola Sports Association, Inc. (the "Association") as of September 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Organization

Pensacola Sports Association, Inc. (the "Association"), is a not-for-profit corporation organized under the laws of the State of Florida. The Association's purpose is to promote regional economic development through the organization of amateur and professional sports events in Northwest Florida.

Basis of Accounting

The Association follows standards of accounting and financial reporting prescribed for nonprofit organizations using the accrual basis of accounting.

Net Asset Classifications

The Association's net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

> *Net Assets Without Donor Restrictions* – net assets available for use in general operations and not subject to donor or grantor restrictions.
>
> *Net Assets With Donor Restrictions* – net assets subject to donor or grantor-imposed restrictions. Donor or grantor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled or both.

The Association had only net assets without donor restrictions at year end.

Use of Estimates

The preparation of financial statements under generally accepted accounting principles requires the use of estimates. This will affect the reported amounts of assets, liabilities, disclosures and contingent items at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results may vary from these estimates, and the variances may be material.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Association considers all highly liquid investments purchased within three months of maturity to be cash equivalents.

Investments

Investments consist primarily of equity securities and stocks and are reported at their readily determinable fair values, which is based on quoted market prices in active markets. Realized and unrealized gains and losses are reported in the statement of activities and changes in net assets. The Association does not have any investments without readily determinable fair values.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Accounts Receivable

Accounts receivable represents amounts due from grant reimbursements, sponsorships and memberships. Accounts receivable are stated at the amount expected to be collected from outstanding balances. No provision for uncollectible accounts is considered necessary.

Revenue Recognition

Under accounting standards, earned revenue measurement is driven via a principles-based process that requires the entity 1) identify the contract with the customer; 2) identify the performance obligations in the contract; 3) determine the transaction price; 4) allocate the transaction price to the performance obligations; and 5) recognize revenue when (or as) performance obligations are satisfied.

Program and membership fees are recognized as services are performed or by the passage of time. Advance fees for programs are reported as deferred revenue and are recognized as program fee revenue when the performance obligation is satisfied, which is the date of the program. Contributions are recognized as revenues in the period verifiably committed by the donor. Tourist development grant funds from Visit Pensacola, Inc. are recognized as the expenses are incurred.

Property and Equipment

Property and equipment are recorded at the cost of acquisition for purchased items. Donated assets are recorded at the estimated fair market value. Expenditures for additions and major renewals are capitalized. Expenditures for maintenance and repair are expensed. Depreciation is calculated using the straight-line method based on the estimated useful lives of the individual assets. Estimated useful lives are:

Vehicles	5-7 years
Office Equipment	5-7 years

Functional Allocation of Expenses

The costs of program and supporting services have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Expenses, which are directly related to the various programs or supporting services, are charged directly against the related program or service and are shown as program related expenses. General and administrative expenses include those expenses not directly identifiable to a specific program or event. Payroll and payroll tax expenses are allocated on the basis of estimates of time and effort.

Donated Materials and Services

Donated materials and services are reflected in the financial statements at the fair market value of the services rendered. The contributions of services are recognized if the services received create or enhance assets, require specialized skills that are provided by individuals possessing those skills, are objectively measurable and would typically need to be purchased if not provided by donation. The Association receives in-kind donations for advertising, land usage and refreshments at sponsored events. Total in-kind donations amounted to approximately $67,000 for the years ended September 30, 2023 and 2022.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

The Association also benefits from non-skilled services donated by volunteers. However, the value of these donated non-skilled services is not included in these financial statements since no objective basis is available to measure the value of these services.

Income Taxes
The Association qualifies as an organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code as a private foundation. Accordingly, no provision for federal or state income taxes have been recorded. Under present regulations the Association does not have any unrelated business income and is not subject to income tax. The Association is required to file an annual information return, Form 990PF, with the IRS and is subject to excise tax on investment income. The Association is not aware of any uncertain tax positions that would require disclosure or accrual in accordance with accounting principles generally accepted in the United States of America.

Reclassification
Certain reclassifications have been made to the 2022 financial statements to conform to the current year presentation.

Right-Of-Use Lease Assets and Lease Liabilities
Effective July 1, 2022, the Association adopted Accounting Standards Codification (ASC) 842: *Leases.* The most significant impact was the recognition of right-of-use (ROU) assets and lease liabilities for finance and operating leases. There were no active leases at the implementation date. The Association, in most cases, does not record leases with an initial term of 12 months or less, instead recognizes lease expense for these leases on a straight-line basis over the lease term.

Right-of-use assets and liabilities are initially measured at the present value of lease payments over the lease term, discounted using the interest rate implicit in the lease at the commencement date. Right-of-use assets are adjusted for any lease payments made prior to lease commencement, lease incentives, and accrued rent. If the rate implicit in the lease cannot be readily determined, the Association uses the risk-free interest rate. The Association's leases may include options to extend of terminate the lease. When it is reasonably certain that the Association will exercise such options, the lease term includes those periods. Lease expense for operating leases is recognized on a straight-line basis over the term.

Subsequent Events
The Association has evaluated events and transactions that occurred between September 30, 2023 and January 30, 2024, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

2. INVESTMENTS

Generally accepted accounting principles require not-for-profit corporations to report investments at fair value, which is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price), in the principal or most advantageous market for the item in an orderly transaction between market participants on the measurement date. The fair value standards also establish a fair value hierarchy, which requires an organization to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. A fair market value hierarchy prioritizes the inputs used to measure fair value. Three levels of inputs that may be used to measure fair value are as follows:

Level 1 – Inputs utilize quoted prices in active markets for identical assets or liabilities

Level 2 – Inputs utilize data points that are observable such as quoted prices and interest rates. Level 2 inputs include, but are not limited to quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets in markets that are not active.

Level 3 – Inputs are unobservable data points for the asset and liability and include situations where there is little, if any, market activity for the asset or liability.

The fair value of the Association's investments has been determined based on quoted market price of identical assets (Level 1). The fair market value of the investments held by the Association as of September 30, 2023 and 2022, were:

	2023	2022
Equity securities	$ 1,224,216	$ 1,306,920
Money market	37,895	23,023
Fixed income	34,111	33,896
Government securities	99,336	98,275
Stocks	522,296	428,284
	$ 1,917,854	$ 1,890,398

3. TOURIST DEVELOPMENT GRANT

The grant agreement between Visit Pensacola, Inc. and the Association requires a separate bank account be maintained for all tourist development grant funds received and disbursed. This bank account is included in the cash and cash equivalents line of the statement of financial position. The Association was reimbursed for $1,114,062 and $1,059,578 in expenses under the grant as of September 30, 2023 and 2022, respectively.

4. CONCENTRATIONS AND CREDIT RISK

Support
The Association receives a significant portion of sports marketing grant revenue from Visit Pensacola, Inc. Non-renewal of this grant agreement would impact the activities of the Association. Visit Pensacola, Inc. grant money is generated from Escambia County tourist development commission bed tax. Future funding is highly dependent on tourism.

Credit Risk
The Association maintains cash balances at banks and a brokerage house. Bank deposits are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. As of September 30, 2023 and 2022, cash deposits at the bank did not exceed this amount.

Brokerage accounts are insured by the Securities Investors Protection Corporation (SIPC) up to $500,000. SIPC coverage only protects the Association against broker error or fraud, not a loss of the underlying investment.

5. LEASE COMMITMENTS

On October 1, 2023, The Association entered into a one-year lease with two additional one-year renewal periods for $3,574 monthly. Accordingly, there is no ROU asset recorded as of September 30, 2023.

6. LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Association regularly monitors liquidity required to meet its operating needs and other contractual commitments. In addition to financial assets available to meet general expenditures over the next 12 months, the Association anticipates collecting sufficient revenue to cover general expenditures. The following reflects the Association's financial assets as of the statement of financial position date, available for general use within one year.

	2023	2022
Cash and cash equivalents	$ 880,262	$ 131,724
Accounts receivable, collected in less than one year	45,177	304,011
Financial assets available to meet cash needs for expenditures within one year	$ 925,439	$ 435,735

25-Word Description of Program: **To support the arts and cultural programming organizations in Escambia County through general operating grants. To attract and broaden the base of tourists through the Vacation Artfully cultural tourism marketing campaign and the annual Foo Foo Festival.**

How many years has your organization been providing services in the County? 14 years

How many years has your organization received funding from the County? 14 years

Explain how receiving funds from the County would have a significant impact on your organization: **We are a Designated Local Arts Agency for Escambia County and work with Visit Pensacola to ensure the greatest and most efficient use of the TDT to market to the broadest number of prospective cultural tourists. There is no other agency doing the work we do.**

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: **The amount received from Escambia County for Fiscal Year 2021-2022 was $1,850,358.**

Briefly discuss how last year's funds were used? **Last year, funds were used to support the arts and cultural programming organizations to improve and drive cultural tourism through a general operating support program and the annual Foo Foo Festival. Annual marketing, advertising and public relations agreements entered into with Hummingbird Ideas and Giant Noise partners to promote the Vacation Artfully Initiative were resumed and escalated.**

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County? **Last year, funds were used to support the arts and cultural programming organizations to improve and drive cultural tourism through a general operating support grant program and the Foo Foo Festival.**

In order to have credible metrics about the impact of the Foo Foo Festival in terms of contribution to tourism visitation to Pensacola, ACE has commissioned several research studies from the Haas Center for Business Research and Economic Development at UWF. The studies survey Foo Foo Festival attendees to assess spending by out-of-town visitors that would not have occurred absent the Festival. The Haas study of 2023 found Foo Foo Festival visitor spending was responsible for 145 net new jobs (spread across the local economy), generating $7.5 million in net new gross regional product, $12.7 million in net new sales, and $5.5 million in net new personal incomes in the local economy. By way of contrast, these figures are some 10 times greater than the amounts shown in the Haas study of the 2016 Foo Festival for these same metrics. The reason for the large increase is clear in comparing the two studies. In 2016, only 38 percent of respondents said that they had been aware of Foo Foo Festival prior to their visit. In contrast, the 2022 surveys showed that 66 percent were aware of Foo Foo Festival prior to traveling, and 52 percent of visitors said Foo Foo Festival was primary reason for their visit to Pensacola. In addition, over 30% of participants were not residents of Escambia

County, and our year or year change in participant from different states spiked from 5 states to 31. This large change in visitor awareness, trip planning, and thus net new spending can be attributed to prior experience with the Festival and to effective marketing and is indeed growing a national presence. The fact that this spending occurs several months after the summer high season has concluded is particularly important, as it helps make Pensacola a year-round destination that will allow business owners to invest in the assets such as hotels and restaurants that need visitors year-round to earn the revenue needed to keep them in business. It is a key step in transforming Pensacola's tourism economy from a summer industry that rolls up the sidewalks between Labor Day and Memorial Day into a business that supports year-round jobs.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? **This year's request will be used for our General Operating Support Program and cultural tourism marketing and promotion through two campaigns: Foo Foo Festival and Vacation Artfully. There is no other cultural tourism marketing program being executed in Escambia County.**

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: **The program is not a government function in Escambia County. It should be a requirement for the County to invest in the arts and provide cultural tourism marketing through a partner agency like ACE, but it is not.**

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area: **N/A**

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. **We are a Designated Local Arts Agency for Escambia County and work with Visit Pensacola to ensure the greatest and most efficient use of the TDT to market to the broadest number of prospective cultural tourists. There is no other agency doing the work we do.**

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs?

We have no employees so 100% of these funds will be used to support direct programming costs.

If Escambia County funding can only fund a portion of your request, how will you offset the difference? **We will look for an alternative funding source, scale back the programs, and/or cancel them.**

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: N/A

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for.

We also request funds from the City of Pensacola to support these same programs. We received $125,000 for fiscal years 2021 and 2022. Of the funds received, $100,000 support our General Operating Grant Program and $25,000 supported our Foo Foo Festival.

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY21	FY22	FY23	% Change

2. Support arts and cultural destination experiences.	N/A	N/A	N/A	%
3. Improve and diversify tourism	N/A	N/A	N/A	%

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	FY24
1. Major Grant application scores measuring individual applicant outcomes.	N/A
2. Current level of tourism in TDT collections and occupancy rates.	N/A
3. HAAS Center Report showing economic impact of programs.	N/A

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in previous fiscal year."

Baseline for Goals	FY24
1. The economic impact of Foo Foo Festival is measured by the HAAS Center at the University of West Florida	N/A
2. The effectiveness of Marketing and Advertising is measured by comparing our total impressions and click through rates with other industry participants.	N/A
3. Marketing and Advertising is measured by the trends in tourism, TDT collections and Occupancy Rates.	N/A

BUDGET

Please fill out the requested information in its entirety for the program for which you are requesting funding. It is not necessary to fill out information for the agency as a whole; only for the program for which funding is requested. If this is a new program, you are not required to complete the information for the previous budget year. Please add any additional income or expense sources to the table as necessary to complete your budget application. **Please round figures to the nearest whole dollar.**

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Art, Culture and Entertainment, Inc.

Opinion

We have audited the accompanying financial statements of Art, Culture and Entertainment, Inc. (a nonprofit organization), which comprise the statements of financial position as of September 30, 2021 and 2020, and the related statements of changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Art, Culture and Entertainment, Inc. as of September 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Art, Culture and Entertainment, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Art, Culture and Entertainment, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional

omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Art, Culture and Entertainment, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Art, Culture and Entertainment, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The summary of cash receipts and disbursements on page 11 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the summary of cash receipts and disbursements is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization and Purpose

Art, Culture and Entertainment, Inc. (ACE), is a non-profit organization organized exclusively for charitable and educational purposes, including for such purposes, the making of distributions to art institutions, cultural events, and community entertainment organizations that have been in existence for at least 24 months and qualify as exempt organizations under Section 501(c)(3) of the Internal Revenue code or to Florida Non-Profits with the primary location in Escambia County, FL. ACE will receive federal, state, county, city, and personal funds to disperse through an equitable granting process to arts, culture, and entertainment organizations.

B. Basis of Accounting and Presentation

The accompanying financial statements of Art, Culture and Entertainment, Inc. have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) Topic 958, *Not-for-Profit Entities*. Under ASC 958, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. A description of the net asset categories are as follows:

Net assets without donor restrictions – The part of net assets of a not-for-profit that is not subject to donor-imposed restrictions. Net assets without donor restrictions may be designated for specific purposes by action of the Board of Directors. Board-designated net assets may be earmarked for future programs, investments, contingencies, purchases or construction of fixed assets, or other uses. Some governing boards may delegate decisions to internal management. Such designations are considered to be included in board-designated net assets.

Net assets with donor restrictions - The part of net assets of a not-for-profit that is subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants). Some donors impose restrictions that are temporary in nature or purpose restricted. Other donors impose restrictions that are perpetual in nature that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization. Purpose restricted net assets are deemed to be restricted for the donor-specified purpose by explicit donor stipulation. In addition, investment returns from net assets that are perpetual in nature or purpose restricted are classified as net assets with donor restrictions until appropriated for expenditure. Once appropriated, purpose restricted assets are released to net assets without donor restrictions. The Organization did not have any restricted net assets that were perpetual in nature for the years presented.

C. Cash and Cash Equivalents

Cash and cash equivalents consist of short-term, highly liquid investments which are readily convertible into cash within ninety (90) days of purchase. Carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Contributions Receivable

Contributions receivable are stated at the amount management expects to collect from outstanding balances. ACE uses the direct write-off method to write-off bad debts.

E. Contributions

Contributions are recognized in the period received or pledged unconditionally. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for a specific purpose or time period are reported as with donor restrictions. Amounts required to be maintained in perpetuity by the donor are reported as with donor restrictions and disclosed as perpetual. A donor restriction expires when a time restriction ends or when the purpose for which it was intended is satisfied. When a restriction expires, donor restricted net assets are reclassified to net assets without donor restrictions and are reported in the Statement of Activities as net assets released from restrictions.

F. Accounting for Capital Assets

Capital assets are recorded at historical cost, or where historical cost is not available, estimated historical cost based on replacement cost.

Donated capital assets are to be capitalized at estimated fair market value on the date donated. The minimum capitalization threshold is any individual item with a total cost greater than $250 and a useful life of one year or more.

Depreciation and/or amortization will be provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Computer Programs/Website Design	3 – 5 years
Furniture & Fixtures	5 – 7 years
Office Equipment	5 – 7 years

G. Contributed Services

The directors of the Board have made significant contributions of their time to run the operations of the organization. The value of the contributed time is not reflected in the financial statements because these services did not create or enhance a nonfinancial asset nor did they require specialized skills that would need to be purchased if not donated.

H. Advertising and Marketing Costs

Advertising and marketing costs are expensed as incurred. Advertising and marketing expense amounted to $367,067 and $20,400 for the years ended September 30, 2021 and 2020, respectively.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I. Income Taxes

The Organization is exempt from payment of income taxes under Section 50l(c)(3) of the Internal Revenue Code as a nonprofit organization. Therefore, no provision for income taxes has been made in the accompanying financial statements. The Organization is required to file a Form 990 to the Internal Revenue Service.

J. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

K. Subsequent Events

ACE has evaluated events and transactions that occurred between September 30, 2021 and March 17, 2022, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

L. Functional Expense Allocation

The costs of providing the various programs and other activities have been detailed in the Statement of Functional Expenses and summarized on a functional basis in the Statement of Changes in Net Assets. Expenses directly related to a program or supporting services are charged to that program or supporting service.

M. Recent Accounting Pronouncements

Revenue recognition: On October 1, 2020, the Organization adopted ASU 2014-09, *Revenue from Contracts with Customers (Topic 606),* which is effective for annual reporting periods beginning after December 15, 2019. The new revenue recognition guidance requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation.

NOTE 2 – CASH

At September 30, 2021 and 2020, ACE held deposits in the bank of $399,057 and $66,053 (before outstanding checks and deposits in transit). However, several checks were written on September 30, 2021 that were held until October and November 2021 resulting in negative cash. Checks written in excess of cash totaled $70,900.

NOTE 2 – CASH (CONTINUED)

Cash is restricted for the following purposes as of September 30, 2021:

Private donor contributions for cultural tourism	$	23,594
City of Pensacola for cultural tourism marketing		25,000
Visit Pensacola for cultural marketing and events		1,270
State license plate fund		6,671
Returned Foo Foo grant funds		1,685
Restricted cash	$	58,220

NOTE 3 – CONCENTRATIONS

ACE received approximately 99% and 98% of its funding from public funds for the years ended September 30, 2021 and 2020, respectively. This public funding represents a significant portion of ACE's annual operating revenue. ACE has been approved to receive funding from all agencies for the year ended September 30, 2022. There is no significant doubt about the entity's ability to continue as a going concern for the immediate fiscal year.

NOTE 4 – DONOR RESTRICTED NET ASSETS

Net assets with donor restrictions as of September 30, 2021 and 2020 are as follows:

		2021		2020
Cultural tourism marketing	$	49,864	$	48,594
State license plate fund		6,671		8,972
Net assets with donor restrictions	$	56,535	$	57,566

ACE received $7,699 for the year ended September 30, 2021 from the State of Florida as the local arts agency recognized by Escambia County, FL to receive the county's share of the Florida Arts Specialty License Plate Fund. These funds are required to be distributed to qualifying organizations who meet the criteria described in Note 1 (A) above. ACE distributed $10,000 in state funds for the fiscal year. The amount that remains restricted under this program totaled $6,671 and $8,972 at September 30, 2021 and 2020, respectively.

NOTE 5 – AVAILABILITY OF FINANCIAL ASSETS

As of September 30, 2021, the Organization had no unrestricted cash. Checks of $70,900 were written in excess of cash. Financial assets available for general use within one year of the balance sheet date totaled $76,096.

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Art, Culture and Entertainment, Inc.

We have audited the accompanying financial statements of Art, Culture and Entertainment, Inc. (a nonprofit organization), which comprise the statements of net assets and liabilities as of September 30, 2019 and 2018, and the related statements of changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets and liabilities of Art, Culture and Entertainment, Inc. as of September 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The summary of cash receipts and disbursements on page 12 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the summary of cash receipts and disbursements is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization and Purpose

Art, Culture and Entertainment, Inc. (ACE), is a non-profit organization organized exclusively for charitable and educational purposes, including for such purposes, the making of distributions to art institutions, cultural events, and community entertainment organizations that have been in existence for at least 24 months and qualify as exempt organizations under Section 501(c)(3) of the Internal Revenue code or to Florida Non-Profits with the primary location in Escambia County, FL. ACE will receive federal, state, county, city, and personal funds to disperse through an equitable granting process to arts, culture, and entertainment organizations.

B. Basis of Accounting and Presentation

The accompanying financial statements of Art, Culture and Entertainment, Inc. have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) Topic 958, *Not-for-Profit Entities*. Under ASC 958, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. A description of the net asset categories are as follows:

Net assets without donor restrictions – The part of net assets of a not-for-profit that is not subject to donor-imposed restrictions. Net assets without donor restrictions may be designated for specific purposes by action of the Board of Directors. Board-designated net assets may be earmarked for future programs, investments, contingencies, purchases or construction of fixed assets, or other uses. Some governing boards may delegate decisions to internal management. Such designations are considered to be included in board-designated net assets.

Net assets with donor restrictions - The part of net assets of a not-for-profit that is subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants). Some donors impose restrictions that are temporary in nature or purpose restricted. Other donors impose restrictions that are perpetual in nature that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization. Purpose restricted net assets are deemed to be restricted for the donor-specified purpose by explicit donor stipulation. In addition, investment returns from net assets that are perpetual in nature or purpose restricted are classified as net assets with donor restrictions until appropriated for expenditure. Once appropriated, purpose restricted assets are released to net assets without donor restrictions. The Organization did not have any restricted net assets that were perpetual in nature for the years presented.

C. Cash and Cash Equivalents

Cash and cash equivalents consist of short-term, highly liquid investments which are readily convertible into cash within ninety (90) days of purchase. Carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Contributions Receivable

Contributions receivable are stated at the amount management expects to collect from outstanding balances. ACE uses the direct write-off method to write-off bad debts. Bad debt expense totaled $-0- for the years ended September 30, 2019 and 2018.

E. Contributions

Contributions are recognized in the period received or pledged unconditionally. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for a specific purpose or time period are reported as with donor restrictions. Amounts required to be maintained in perpetuity by the donor are reported as with donor restrictions and disclosed as perpetual. A donor restriction expires when a time restriction ends or when the purpose for which it was intended is satisfied. When a restriction expires, donor restricted net assets are reclassified to net assets without donor restrictions and are reported in the Statement of Activities as net assets released from restrictions.

F. Accounting for Capital Assets

Capital assets are recorded at historical cost, or where historical cost is not available, estimated historical cost based on replacement cost.

Donated capital assets are to be capitalized at estimated fair market value on the date donated. The minimum capitalization threshold is any individual item with a total cost greater than $250 and a useful life of one year or more.

Depreciation and/or amortization will be provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Computer Programs/Website Design	3 – 5 years
Furniture & Fixtures	5 – 7 years
Office Equipment	5 – 7 years

G. Contributed Services

The directors of the Board have made significant contributions of their time to run the operations of the organization. The value of the contributed time is not reflected in the financial statements because these services did not create or enhance a nonfinancial asset nor did they require specialized skills that would need to be purchased if not donated.

H. Advertising and Marketing Costs

Advertising and marketing costs are expensed as incurred. Advertising and marketing expense amounted to $612,392 and $687,453 for the years ended September 30, 2019 and 2018, respectively.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I. Income Taxes

The Organization is exempt from payment of income taxes under Section 50l(c)(3) of the Internal Revenue Code as a nonprofit organization. Therefore, no provision for income taxes has been made in the accompanying financial statements. The Organization is required to file a Form 990 to the Internal Revenue Service.

J. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

K. Subsequent Events

ACE has evaluated events and transactions that occurred between September 30, 2019 and February 14, 2020, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

L. Functional Expense Allocation

The costs of providing the various programs and other activities have been detailed in the Statement of Functional Expenses and summarized on a functional basis in the Statement of Changes in Net Assets. Expenses directly related to a program or supporting services are charged to that program or supporting service.

M. Recent Accounting Pronouncements

Not-for-profit changes: In August 2016, the FASB issued ASU 2016-14 to make targeted improvements to the not-for-profit financial reporting model, including changes in how a not-for-profit organization classifies its net assets, as well as the information it presents in financial statements and notes about its liquidity, financial performance, and cash flows. The amendments are effective for the Organization for fiscal years beginning after December 15, 2017. The Organization has implemented the new guidance in these financial statements. Prior year reclassifications were made to conform to current year presentation. There was no effect on the change in net assets.

Revenue recognition: In the 2019-2020 fiscal year, the Organization will be required to adopt ASU 2014-09, *Revenue from Contracts with Customers (Topic 606),* which is effective for annual reporting periods beginning after December 15, 2018. The new revenue recognition guidance requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. The effects of this change on the Organization's financial statements have not yet been determined.

NOTE 2 – CASH

At September 30, 2019 and 2018, the banks held deposits of $124,983 and $81,017 (before outstanding checks and deposits in transit). ACE held $21,280 in a money market account and the remaining amounts were held in checking.

Cash is restricted for the following purposes as of September 30, 2019:

Private donor contributions for cultural tourism	$	23,594
State license plate fund		2,673
Returned Foo Foo grant funds		1,685
Restricted cash	$	27,952

See net assets with donor restrictions at Note 5 for more information.

NOTE 3 – NONCASH INVESTING, FINANCING, AND CAPITAL ACTIVITIES

There were no non-cash investing, financing, or capital activities during the years ended September 30, 2019 and 2018.

NOTE 4 – CONCENTRATIONS

ACE received approximately 99% of its funding from public funds for the years ended September 30, 2019 and 2018. This public funding represents a significant portion of ACE's annual operating revenue. ACE has been approved to receive funding from all agencies for the year ended September 30, 2020. There is no significant doubt about the entity's ability to continue as a going concern for the immediate fiscal year.

NOTE 5 – DONOR RESTRICTED NET ASSETS

Net assets with donor restrictions as of September 30, 2019 and 2018 are as follows:

		2019		**2018**
Private donor contributions	$	23,594	$	23,594
State license plate fund		2,673		2,313
Net assets with donor restrictions	$	26,267	$	25,907

Private donor contributions are considered purpose restricted for cultural tourism by explicit donor stipulation.

NOTE 5 – DONOR RESTRICTED NET ASSETS (CONTINUED)

ACE received $6,756 for the year ended September 30, 2019 from the State of Florida as the local arts agency recognized by Escambia County, FL to receive the county's share of the Florida Arts Specialty License Plate Fund. These funds are required to be distributed to qualifying organizations who meet the criteria described in Note 1 (A) above. ACE distributed $6,396 in state funds for the fiscal year. The amount that remains restricted under this program totaled $2,673 and $2,313 at September 30, 2019 and 2018, respectively.

NOTE 6 – AVAILABILITY OF FINANCIAL ASSETS

As of September 30, 2019, the Organization's unrestricted cash balance of $12,233 represents the financial assets available for general use within one year of the balance sheet date.

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Art, Culture and Entertainment, Inc.

We have audited the accompanying financial statements of Art, Culture and Entertainment, Inc. (a nonprofit organization), which comprise the statements of net assets and liabilities as of September 30, 2020 and 2019, and the related statements of changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets and liabilities of Art, Culture and Entertainment, Inc. as of September 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The summary of cash receipts and disbursements on page 12 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the summary of cash receipts and disbursements is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization and Purpose

Art, Culture and Entertainment, Inc. (ACE), is a non-profit organization organized exclusively for charitable and educational purposes, including for such purposes, the making of distributions to art institutions, cultural events, and community entertainment organizations that have been in existence for at least 24 months and qualify as exempt organizations under Section 501(c)(3) of the Internal Revenue code or to Florida Non-Profits with the primary location in Escambia County, FL. ACE will receive federal, state, county, city, and personal funds to disperse through an equitable granting process to arts, culture, and entertainment organizations.

B. Basis of Accounting and Presentation

The accompanying financial statements of Art, Culture and Entertainment, Inc. have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) Topic 958, *Not-for-Profit Entities*. Under ASC 958, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. A description of the net asset categories are as follows:

Net assets without donor restrictions – The part of net assets of a not-for-profit that is not subject to donor imposed restrictions. Net assets without donor restrictions may be designated for specific purposes by action of the Board of Directors. Board-designated net assets may be earmarked for future programs, investments, contingencies, purchases or construction of fixed assets, or other uses. Some governing boards may delegate decisions to internal management. Such designations are considered to be included in board-designated net assets.

Net assets with donor restrictions - The part of net assets of a not-for-profit that is subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants). Some donors impose restrictions that are temporary in nature or purpose restricted. Other donors impose restrictions that are perpetual in nature that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization. Purpose restricted net assets are deemed to be restricted for the donor-specified purpose by explicit donor stipulation. In addition, investment returns from net assets that are perpetual in nature or purpose restricted are classified as net assets with donor restrictions until appropriated for expenditure. Once appropriated, purpose restricted assets are released to net assets without donor restrictions. The Organization did not have any restricted net assets that were perpetual in nature for the years presented.

C. Cash and Cash Equivalents

Cash and cash equivalents consist of short-term, highly liquid investments which are readily convertible into cash within ninety (90) days of purchase. Carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

DRAFT

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Contributions Receivable

Contributions receivable are stated at the amount management expects to collect from outstanding balances. ACE uses the direct write-off method to write-off bad debts. Bad debt expense totaled $-0- for the years ended September 30, 2020 and 2019.

E. Contributions

Contributions are recognized in the period received or pledged unconditionally. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for a specific purpose or time period are reported as with donor restrictions. Amounts required to be maintained in perpetuity by the donor are reported as with donor restrictions and disclosed as perpetual. A donor restriction expires when a time restriction ends or when the purpose for which it was intended is satisfied. When a restriction expires, donor restricted net assets are reclassified to net assets without donor restrictions and are reported in the Statement of Activities as net assets released from restrictions.

F. Accounting for Capital Assets

Capital assets are recorded at historical cost, or where historical cost is not available, estimated historical cost based on replacement cost.

Donated capital assets are to be capitalized at estimated fair market value on the date donated. The minimum capitalization threshold is any individual item with a total cost greater than $250 and a useful life of one year or more.

Depreciation and/or amortization will be provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Computer Programs/Website Design	3 – 5 years
Furniture & Fixtures	5 – 7 years
Office Equipment	5 – 7 years

G. Contributed Services

The directors of the Board have made significant contributions of their time to run the operations of the organization. The value of the contributed time is not reflected in the financial statements because these services did not create or enhance a nonfinancial asset nor did they require specialized skills that would need to be purchased if not donated.

H. Advertising and Marketing Costs

Advertising and marketing costs are expensed as incurred. Advertising and marketing expense amounted to $20,400 and $612,392 for the years ended September 30, 2020 and 2019, respectively.

DRAFT

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I. Income Taxes

The Organization is exempt from payment of income taxes under Section 501(c)(3) of the Internal Revenue Code as a nonprofit organization. Therefore, no provision for income taxes has been made in the accompanying financial statements. The Organization is required to file a Form 990 to the Internal Revenue Service.

J. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

K. Subsequent Events

ACE has evaluated events and transactions that occurred between September 30, 2020 and February 23, 2021, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

L. Functional Expense Allocation

The costs of providing the various programs and other activities have been detailed in the Statement of Functional Expenses and summarized on a functional basis in the Statement of Changes in Net Assets. Expenses directly related to a program or supporting services are charged to that program or supporting service.

M. Recent Accounting Pronouncements

Revenue recognition: In the next fiscal year, the Organization will be required to adopt ASU 2014-09, *Revenue from Contracts with Customers (Topic 606),* which is effective for annual reporting periods beginning after December 15, 2019. The new revenue recognition guidance requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. The Organization will adopt ASU 2014-09 on October 1, 2020.

DRAFT

NOTE 2 – CASH

At September 30, 2020 and 2019, ACE held deposits in the bank of $66,053 and $124,983 (before outstanding checks and deposits in transit). ACE held $21,382 in a money market account and the remaining amounts were held in checking.

Cash is restricted for the following purposes as of September 30, 2020:

Private donor contributions for cultural tourism	$	23,594
City of Pensacola for cultural tourism marketing		25,000
State license plate fund		8,972
Returned Foo Foo grant funds		1,685
Restricted cash	$	59,251

See net assets with donor restrictions at Note 5 for more information.

NOTE 3 – NONCASH INVESTING, FINANCING, AND CAPITAL ACTIVITIES

There were no non-cash investing, financing, or capital activities during the years ended September 30, 2020 and 2019.

NOTE 4 – CONCENTRATIONS

ACE received approximately 98% and 99% of its funding from public funds for the years ended September 30, 2020 and 2019, respectively. This public funding represents a significant portion of ACE's annual operating revenue. ACE has been approved to receive funding from all agencies for the year ended September 30, 2021. There is no significant doubt about the entity's ability to continue as a going concern for the immediate fiscal year.

NOTE 5 – DONOR RESTRICTED NET ASSETS

Net assets with donor restrictions as of September 30, 2020 and 2019 are as follows:

		2020		2019
Cultural tourism marketing	$	48,594	$	23,594
State license plate fund		8,972		2,673
Net assets with donor restrictions	$	57,566	$	26,267

DRAFT

NOTE 5 – DONOR RESTRICTED NET ASSETS (CONTINUED)

ACE received $6,299 for the year ended September 30, 2020 from the State of Florida as the local arts agency recognized by Escambia County, FL to receive the county's share of the Florida Arts Specialty License Plate Fund. These funds are required to be distributed to qualifying organizations who meet the criteria described in Note 1 (A) above. ACE distributed $-0- in state funds for the fiscal year. The amount that remains restricted under this program totaled $8,972 and $2,673 at September 30, 2020 and 2019, respectively.

NOTE 6 – AVAILABILITY OF FINANCIAL ASSETS

As of September 30, 2020, the Organization's unrestricted cash balance of $6,803 represents the financial assets available for general use within one year of the balance sheet date.

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Art, Culture and Entertainment, Inc.

Opinion

We have audited the accompanying financial statements of Art, Culture and Entertainment, Inc. (a nonprofit organization), which comprise the statements of financial position as of September 30, 2022 and 2021, and the related statements of changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Art, Culture and Entertainment, Inc. as of September 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Art, Culture and Entertainment, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

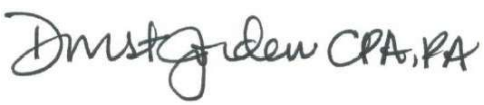
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Art, Culture and Entertainment, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional

omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.



In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Art, Culture and Entertainment, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Art, Culture and Entertainment, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The summary of cash receipts and disbursements on page 11 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the summary of cash receipts and disbursements is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization and Purpose

Art, Culture and Entertainment, Inc. (ACE), is a non-profit organization organized exclusively for charitable and educational purposes, including for such purposes, the making of distributions to art institutions, cultural events, and community entertainment organizations that have been in existence for at least 24 months and qualify as exempt organizations under Section 501(c)(3) of the Internal Revenue code or to Florida Non-Profits with the primary location in Escambia County, FL. ACE will receive federal, state, county, city, and personal funds to disperse through an equitable granting process to arts, culture, and entertainment organizations.

B. Basis of Accounting and Presentation

The accompanying financial statements of Art, Culture and Entertainment, Inc. have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) Topic 958, *Not-for-Profit Entities*. Under ASC 958, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. A description of the net asset categories are as follows:

Net assets without donor restrictions – The part of net assets of a not-for-profit that is not subject to donor-imposed restrictions. Net assets without donor restrictions may be designated for specific purposes by action of the Board of Directors. Board-designated net assets may be earmarked for future programs, investments, contingencies, purchases or construction of fixed assets, or other uses. Some governing boards may delegate decisions to internal management. Such designations are considered to be included in board-designated net assets.

Net assets with donor restrictions - The part of net assets of a not-for-profit that is subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants). Some donors impose restrictions that are temporary in nature or purpose restricted. Other donors impose restrictions that are perpetual in nature that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization. Purpose restricted net assets are deemed to be restricted for the donor-specified purpose by explicit donor stipulation. In addition, investment returns from net assets that are perpetual in nature or purpose restricted are classified as net assets with donor restrictions until appropriated for expenditure. Once appropriated, purpose restricted assets are released to net assets without donor restrictions. The Organization did not have any restricted net assets that were perpetual in nature for the years presented.

C. Cash and Cash Equivalents

Cash and cash equivalents consist of short-term, highly liquid investments which are readily convertible into cash within ninety (90) days of purchase. Carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Contributions Receivable

Contributions receivable are stated at the amount management expects to collect from outstanding balances. ACE uses the direct write-off method to write-off bad debts.

E. Contributions

Contributions are recognized in the period received or pledged unconditionally. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for a specific purpose or time period are reported as with donor restrictions. Amounts required to be maintained in perpetuity by the donor are reported as with donor restrictions and disclosed as perpetual. A donor restriction expires when a time restriction ends or when the purpose for which it was intended is satisfied. When a restriction expires, donor restricted net assets are reclassified to net assets without donor restrictions and are reported in the Statement of Activities as net assets released from restrictions.

F. Accounting for Capital Assets

Capital assets are recorded at historical cost, or where historical cost is not available, estimated historical cost based on replacement cost.

Donated capital assets are to be capitalized at estimated fair market value on the date donated. The minimum capitalization threshold is any individual item with a total cost greater than $250 and a useful life of one year or more.

Depreciation and/or amortization will be provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Computer Programs/Website Design	3 – 5 years
Furniture & Fixtures	5 – 7 years
Office Equipment	5 – 7 years

G. Contributed Services

The directors of the Board have made significant contributions of their time to run the operations of the organization. The value of the contributed time is not reflected in the financial statements because these services did not create or enhance a nonfinancial asset, nor did they require specialized skills that would need to be purchased if not donated.

H. Advertising and Marketing Costs

Advertising and marketing costs are expensed as incurred. Advertising and marketing expenses amounted to $370,000 and $367,067 for the years ended September 30, 2022 and 2021, respectively.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I. Income Taxes

The Organization is exempt from payment of income taxes under Section 50l(c)(3) of the Internal Revenue Code as a nonprofit organization. Therefore, no provision for income taxes has been made in the accompanying financial statements. The Organization is required to file a Form 990 to the Internal Revenue Service.

J. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

K. Subsequent Events

ACE has evaluated events and transactions that occurred between September 30, 2022 and April 11, 2023, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

L. Functional Expense Allocation

The costs of providing the various programs and other activities have been detailed in the Statement of Functional Expenses and summarized on a functional basis in the Statement of Changes in Net Assets. Expenses directly related to a program or supporting services are charged to that program or supporting service.

M. Recent Accounting Pronouncements

Revenue recognition: On October 1, 2020, the Organization adopted ASU 2014-09, *Revenue from Contracts with Customers (Topic 606),* which is effective for annual reporting periods beginning after December 15, 2019. The new revenue recognition guidance requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation.

NOTE 2 – CASH

At September 30, 2022 and 2021, ACE held deposits in the bank of $43,453 and $399,057 (before outstanding checks and deposits in transit). However, several checks were written on September 30, 2021 that were held until October and November 2021 resulting in negative cash. Checks written in excess of cash totaled $70,900 on September 30, 2021.

NOTE 2 – CASH (CONTINUED)

Cash is restricted for the following purposes as of September 30, 2022:

Private donor contributions for cultural tourism	$	9,864
State license plate fund		13,800
Returned Foo Foo grant funds		1,685
Restricted cash	$	25,349

NOTE 3 – CONCENTRATIONS

ACE received approximately 99% of its funding from public funds for the years ended September 30, 2022 and 2021, respectively. This public funding represents a significant portion of ACE's annual operating revenue. ACE has been approved to receive funding from all agencies for the year ended September 30, 2023. There is no significant doubt about the entity's ability to continue as a going concern for the immediate fiscal year.

NOTE 4 – DONOR RESTRICTED NET ASSETS

Net assets with donor restrictions as of September 30, 2022 and 2021 are as follows:

		2022		2021
Cultural tourism	$	9,864	$	49,864
State license plate fund		13,800		6,671
Net assets with donor restrictions	$	23,664	$	56,535

ACE received $7,129 for the year ended September 30, 2022 from the State of Florida as the local arts agency recognized by Escambia County, FL to receive the county's share of the Florida Arts Specialty License Plate Fund. These funds are required to be distributed to qualifying organizations who meet the criteria described in Note 1 (A) above. ACE distributed $-0- in state funds for the fiscal year. The amount that remains restricted under this program totaled $13,800 and $6,671 at September 30, 2022 and 2021, respectively.

NOTE 5 – AVAILABILITY OF FINANCIAL ASSETS

As of September 30, 2022, the Organization's unrestricted cash balance of $18,104 represents the financial assets available for general use within one year of the balance sheet date.

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

INDEPENDENT AUDITORS' REPORT

To the Finance Committee and Board of Directors
Visit Pensacola, Inc.

Opinion

We have audited the accompanying financial statements of Visit Pensacola, Inc. (a 501(c)(6) nonprofit organization, hereinafter referred to as VPI), which comprise the statements of financial position as of September 30, 2023 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of VPI as of September 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of VPI and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about VPI's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of VPI's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about VPI's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Organization

Visit Pensacola, Inc. (VPI) was formed in 2013, as a Florida not-for-profit corporation to promote the common business interests of the tourism industry in Escambia County, Florida, and to unify the private sector, visitor, tourism, meeting and convention interests of the various incorporated and unincorporated areas of Escambia County, in order to speak with a collective, focused voice of authority on issues that affect the tourism industry.

Basis of Accounting and Presentation

The financial statements of VPI have been prepared on the accrual basis of accounting and in accordance with the accounting principles generally accepted in the United States of America (US GAAP) which require that VPI report information regarding its financial position and activities based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes in net assets therein are classified as follows:

Net Assets Without Donor Restrictions – Net assets that are available for general use and not subject to donor restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature and may, or will, be met either by passage of time or the events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. VPI did not have any net assets at September 30, 2023 and 2022, where the donor imposed restrictions.

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with US GAAP. These estimates and assumptions affect the amounts reported in the financial statements and the note disclosures. Actual results could vary from these estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, if applicable, VPI considers highly liquid debt instruments purchased within three months of maturity to be cash equivalents.

Investment in Certificate of Deposit

The certificate of deposit is an investment maturing in 2024.

Accounts Receivable

Accounts receivable are reported at unpaid balances less an allowance for doubtful accounts, if applicable. Management evaluates the status of unpaid accounts and adjusts the allowance as necessary through a provision for bad debt expense. No provision for uncollectible accounts had been established as of September 30, 2023 and 2022, as accounts receivable are considered to be fully collectible.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Revenue Recognition

Revenues are reported as increases in net assets without donor restrictions, unless their use is limited by donor-imposed restrictions. Under accounting standards, earned revenue measurement is driven via a principles-based process that requires the entity: 1) identify the contract with the customer; 2) identify the performance obligations in the contract; 3) determine the transaction price; 4) allocate the transaction price to the performance obligations; and 5) recognize revenue when (or as) performance obligations are satisfied. Contributed support follows different standards. A summary of each of the revenue and support flows are as follows:

The primary source of revenue is a portion of the local option tourist development tax imposed and collected on short-term lodging by the Escambia County Board of County Commissioners (the County). In accordance with the agreement with the County, VPI receives funding on a reimbursement basis from the County as expenditures are incurred in carrying out its mission.

Gifts and grants, including unconditional promises to give, are recognized as revenues as either without or with donor restrictions in the period verifiably committed by the donor. Gifts and grants of assets other than cash are recorded at their estimated fair value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of the estimated future cash flows using a risk adjusted discount rate depending on the time period involved. Amortization of the discount is included in gift and grant revenue in accordance with the donor-imposed restrictions, if any, on the gifts or grants. Gifts or grants with donor-imposed restrictions that can be met through the passage of time or upon the incurring of expenses consistent with the purposes are recorded as net assets with donor restrictions and reclassified to net assets without donor restrictions when such time or purposes restriction has been satisfied.

Gifts of property and equipment are recorded as without donor restrictions, unless the donor explicitly states how such assets should be used. Gifts of cash or other assets that must be used to acquire long-lived assets are reported as net assets with donor restrictions. VPI reports expirations of donor restrictions when the donated or acquired long-lived asset is placed into service.

Conditional contributions are recorded as revenue when such amounts become unconditional, which generally involves the overcoming of a barrier to entitlement. This can include items like meeting a matching provision, incurring specified allowable expenses in accordance with a framework of allowable costs or other barriers. Contributions received pending designation by the donor are considered to be net assets with donor restrictions until donor stipulations are clarified at which time such are reclassified, if required.

Partnership dues represent revenues from businesses with interests in Escambia County that wish to support VPI's efforts to promote tourism within Escambia County. Partnership dues are recognized ratably on a monthly basis over the partnership period as the performance obligations are satisfied. Management believes that recognizing revenue over time is the best measure of services rendered based on the length of the partnership. Management does not consider there to be significant judgment involved in the timing of satisfaction of performance obligations as those are directly linked to the length of the partnership.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Inventories
Inventories consist primarily of souvenirs and promotional goods, including maps, brochures and postcards, and are valued at estimated cost.

Equipment
VPI capitalizes all expenditures in excess of $1,000 for equipment at cost. Repairs and maintenance costs are expensed as incurred. Depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis. Equipment is depreciated over five to seven years.

Donated Assets and Use of Facilities
Donated equipment and other noncash donations are valued at estimated fair value at the date of donation. VPI uses certain equipment which was acquired and paid for by Escambia County. Title vests with the County and such assets are not recorded as assets of VPI. The County does not charge VPI for the use of the equipment. The estimated fair market value of the use of these assets is recorded as in-kind income and related equipment and building repairs in the statements of functional expenses. Effective July 2020, VPI occupies space at the Pensacola Visitor Information Center under a lease agreement with the City of Pensacola for $10 annually. The lease term is 15 years unless otherwise terminated pursuant to the agreement. The estimated fair value of the use of these facilities are recorded as in-kind income and rent expense in the statements of functional expenses.

Unearned Revenue
Unearned revenue consists of partnership dues and advertising income, which were received in advance. The revenue will be recognized over the terms of the partnerships or once the advertisement occurs.

Compensated Absences
The liability for compensated absences of $70,002 and $59,229 as of September 30, 2023 and 2022, respectively, is included in accrued payroll and expenses in the statement of financial position. This represents amounts owed to employees under VPI's paid time off policy.

Functional Allocation of Expenses
The costs of providing the program and supporting activities of VPI have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated by management among the program and supporting activities based on time and effort or occupancy costs.

Advertising
The primary purpose of VPI is to promote and advertise the local community. As such, all program expenses are considered to be either direct or indirect forms of advertising. Such costs are expensed as incurred.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Income Taxes
The Internal Revenue Service has granted VPI exemption from federal income tax under Section 501(c)(6) of the Internal Revenue Code. VPI is subject to taxation only on income from any business unrelated to its exempt purposes. VPI is not aware of any uncertain tax positions that would require disclosure or accrual in accordance with US GAAP.

Reclassification
Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

Subsequent Events
VPI has evaluated events and transactions that occurred between September 30, 2023 and February 20, 2024, which is the date that financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

2. ACCOUNTS RECEIVABLE

Accounts receivable at September 30, 2023 and 2022, consisted of the following:

	2023	2022
Tourism development tax receivable	$ 1,798,633	$ 1,870,635
Partnership dues	3,775	-
Other	-	80
Accounts receivable	$ 1,802,408	$ 1,870,715

3. LINE OF CREDIT

VPI has a revolving line of credit with Regions Bank in the amount of $500,000. The interest rate is Prime plus 0.50%, with a floor of 4.75%. The line of credit matures on October 15, 2023, and is secured by inventory, accounts, equipment, general intangibles and fixtures. At September 30, 2023 and 2022, there was no outstanding balance on the line of credit.

In October 2023, the line of credit was renewed through October 15, 2024.

4. LIQUIDITY AND AVAILABILITY

VPI regularly monitors liquidity to meet its operating needs and other contractual commitments. VPI has various sources of liquidity at its disposal including cash, receivables and a line of credit. For purposes of analyzing resources available to meet general expenditures over a 12-month period, VPI considers all expenditures related to its ongoing activities of its mission, as well as the conduct of services undertaken to support those activities, to be general expenditures.

The following table shows the total financial assets held by VPI as of September 30, 2023 and 2022, and the amounts of those financial assets available within one year of the date of the statement of financial position to meet general expenditures.

	2023	2022
Financial assets at year end:		
Cash	$ 479,090	$ 885,086
Certificate of deposit	250,000	-
Accounts receivable	1,802,408	1,870,715
Total financial assets available to meet general expenditures over the next 12 months	$ 2,531,498	$ 2,755,801

5. CONCENTRATIONS OF RISK

VPI's activities are primarily funded by a discretionary appropriation of the Escambia County local option tourist development tax. VPI's ability to continue to operate at current levels is dependent on continued funding from this source.

VPI maintains cash balances at a financial institution, which at times, may exceed federally insured limits. The balances held with the financial institution are insured by the Federal Deposit Insurance Corporation up to $250,000. VPI's cash balances, before outstanding checks and the certificate of deposit, exceeded federally insured limits by $716,115 and $808,594 at September 30, 2023 and 2022, respectively. VPI has not experienced any losses in such accounts and believes it is not exposed to any significant risk.

6. SUBRECIPIENT EXPENSE

VPI is the fiscal agent for Art, Culture and Entertainment, Inc. (ACE) and Pensacola Sports Association, Inc. (PSA). In accordance with the Miscellaneous Appropriations Agreements between the County and VPI (the Agreement), VPI accepts tourism development revenue from the County on behalf of ACE and PSA. As fiscal agent for ACE and PSA, VPI is responsible for administering the funding and ensuring it is spent in accordance with the Agreement.

In accordance with US GAAP, this arrangement does not meet the criteria of being an agency transaction; therefore, the expenses incurred by each entity and reimbursed by VPI are recorded as subrecipient expense in the statements of functional expenses.

Subrecipient expenses for the year ended September 30, 2023, consisted of the following:

	ACE	PSA	Total
Direct programming expense	$ 1,811,425	$ 683,616	$ 2,495,041
Operations expense	-	76,960	76,960
Personnel expense	-	353,486	353,486
Total subrecipient expense	$ 1,811,425	$ 1,114,062	$ 2,925,487

Subrecipient expenses for the year ended September 30, 2022, consisted of the following:

	ACE	PSA	Total
Direct programming expense	$ 1,250,000	$ 620,009	$ 1,870,009
Operations expense	-	88,335	88,335
Personnel expense	-	351,234	351,234
Total subrecipient expense	$ 1,250,000	$ 1,059,578	$ 2,309,578

7. RELATED PARTY TRANSACTIONS

VPI enters into certain promotional partnership and marketing transactions with organizations that may be affiliated with members of VPI's board of directors. These transactions are conducted at arms-length and are in the normal course of business.

8. RETIREMENT PLAN

VPI administers a 401(k) plan for the benefit of its employees. All employees are eligible to participate if they have completed one year of service and are at least 21 years of age. The plan provides for a safe harbor matching employer contribution equal to 100% of salary deferrals that do not exceed 6% of compensation for each payroll period. The matching contributions totaled $34,157 and $28,231 for the years ended September 30, 2023 and 2022, respectively.

INDEPENDENT AUDITORS' REPORT

To the Finance Committee and Board of Directors
Visit Pensacola, Inc.

Opinion

We have audited the accompanying financial statements of Visit Pensacola, Inc. (a 501(c)(6) nonprofit organization, hereinafter referred to as VPI), which comprise the statements of financial position as of September 30, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of VPI as of September 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of VPI and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about VPI's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of VPI's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about VPI's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Organization

Visit Pensacola, Inc. (VPI) was formed in 2013, as a Florida not-for-profit corporation to promote the common business interests of the tourism industry in Escambia County, Florida, and to unify the private sector, visitor, tourism, meeting and convention interests of the various incorporated and unincorporated areas of Escambia County, in order to speak with a collective, focused voice of authority on issues that affect the tourism industry.

Basis of Accounting and Presentation

The financial statements of VPI have been prepared on the accrual basis of accounting and in accordance with the accounting principles generally accepted in the United States of America (US GAAP) which require that VPI report information regarding its financial position and activities based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes in net assets therein are classified as follows:

Net Assets Without Donor Restrictions – Net assets that are available for general use and not subject to donor restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature and may, or will, be met either by passage of time or the events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. VPI did not have any net assets at September 30, 2022 and 2021, where the donor imposed restrictions.

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with US GAAP. These estimates and assumptions affect the amounts reported in the financial statements and the note disclosures. Actual results could vary from these estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, if applicable, VPI considers highly liquid debt instruments purchased within three months of maturity to be cash equivalents.

Accounts Receivable

Accounts receivable are reported at unpaid balances less an allowance for doubtful accounts, if applicable. Management evaluates the status of unpaid accounts and adjusts the allowance as necessary through a provision for bad debt expense. No provision for uncollectible accounts had been established as of September 30, 2022 and 2021, as accounts receivable are considered to be fully collectible.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Revenue Recognition

Revenues are reported as increases in net assets without donor restrictions, unless their use is limited by donor-imposed restrictions. Under accounting standards, earned revenue measurement is driven via a principles-based process that requires the entity: 1) identify the contract with the customer; 2) identify the performance obligations in the contract; 3) determine the transaction price; 4) allocate the transaction price to the performance obligations; and 5) recognize revenue when (or as) performance obligations are satisfied. Contributed support follows different standards. A summary of each of the revenue and support flows are as follows:

The primary source of revenue is a portion of the local option tourist development tax imposed and collected on short-term lodging by the Escambia County Board of County Commissioners (the County). In accordance with the agreement with the County, VPI receives funding on a reimbursement basis from the County as expenditures are incurred in carrying out its mission.

Gifts and grants, including unconditional promises to give, are recognized as revenues as either without or with donor restrictions in the period verifiably committed by the donor. Gifts and grants of assets other than cash are recorded at their estimated fair value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of the estimated future cash flows using a risk adjusted discount rate depending on the time period involved. Amortization of the discount is included in gift and grant revenue in accordance with the donor-imposed restrictions, if any, on the gifts or grants. Gifts or grants with donor-imposed restrictions that can be met through the passage of time or upon the incurring of expenses consistent with the purposes are recorded as net assets with donor restrictions and reclassified to net assets without donor restrictions when such time or purposes restriction has been satisfied.

Gifts of property and equipment are recorded as without donor restrictions, unless the donor explicitly states how such assets should be used. Gifts of cash or other assets that must be used to acquire long-lived assets are reported as net assets with donor restrictions. VPI reports expirations of donor restrictions when the donated or acquired long-lived asset is placed into service.

Conditional contributions are recorded as revenue when such amounts become unconditional, which generally involves the overcoming of a barrier to entitlement. This can include items like meeting a matching provision, incurring specified allowable expenses in accordance with a framework of allowable costs, or other barriers. Contributions received pending designation by the donor are considered to be net assets with donor restrictions until donor stipulations are clarified at which time such are reclassified, if required.

Partnership dues represent revenues from businesses with interests in Escambia County that wish to support VPI's efforts to promote tourism within Escambia County. Partnership dues are recognized ratably on a monthly basis over the partnership period as the performance obligations are satisfied. Management believes that recognizing revenue over time is the best measure of services rendered based on the length of the partnership. Management does not consider there to be significant judgment involved in the timing of satisfaction of performance obligations as those are directly linked to the length of the partnership.

Inventories consist primarily of souvenirs and promotional goods, including maps, brochures and postcards, and are valued at estimated cost.

Equipment
VPI capitalizes all expenditures in excess of $1,000 for equipment at cost. Repairs and maintenance costs are expensed as incurred. Depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis. Equipment is depreciated over five to seven years.

Donated Assets and Use of Facilities
Donated equipment and other noncash donations are valued at estimated fair value at the date of donation. VPI uses certain equipment which was acquired and paid for by Escambia County. Title vests with the County and such assets are not recorded as assets of VPI. The County does not charge VPI for the use of the equipment. The estimated fair market value of the use of these assets is recorded as in-kind income and related equipment and building repairs in the statements of functional expenses. Effective July 2020, VPI occupies space at the Pensacola Visitor Information Center under a lease agreement with the City of Pensacola for $10 annually. The lease term is 15 years unless otherwise terminated pursuant to the agreement. The estimated fair value of the use of these facilities are recorded as in-kind income and rent expense in the statements of functional expenses.

Unearned Revenue
Unearned revenue consists of partnership dues and advertising income, which were received in advance. The revenue will be recognized over the terms of the partnerships or once the advertisement occurs.

Compensated Absences
The liability for compensated absences of $59,229 and $44,913 as of September 30, 2022 and 2021, respectively, is included in accrued payroll and expenses in the statement of financial position. This represents amounts owed to employees under VPI's paid time off policy.

Functional Allocation of Expenses
The costs of providing the program and supporting activities of VPI have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated by management among the program and supporting activities based on time and effort or occupancy costs.

Advertising
The primary purpose of VPI is to promote and advertise the local community. As such, all program expenses are considered to be either direct or indirect forms of advertising. Such costs are expensed as incurred.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Income Taxes
The Internal Revenue Service has granted VPI exemption from federal income tax under Section 501(c)(6) of the Internal Revenue Code. VPI is subject to taxation only on income from any business unrelated to its exempt purposes. VPI is not aware of any uncertain tax positions that would require disclosure or accrual in accordance with US GAAP.

Subsequent Events
VPI has evaluated events and transactions that occurred between September 30, 2022, and May 12, 2023, which is the date that financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

2. ACCOUNTS RECEIVABLE

Accounts receivable at September 30, 2022 and 2021, consisted of the following:

	2022	2021
Tourism development tax receivable	$ 1,870,635	$ 1,465,730
Partnership dues	-	4,461
Other	80	220
Accounts receivable	$ 1,870,715	$ 1,470,411

3. LINE OF CREDIT

VPI has a revolving line of credit with Regions Bank in the amount of $500,000. The interest rate is Prime plus 0.50%, with a floor of 4.75%. The line of credit matures on October 15, 2022, and is secured by inventory, accounts, equipment, general intangibles and fixtures. At September 30, 2022 and 2021, there was no outstanding balance on the line of credit.

In October 2022, the line of credit was renewed through October 15, 2023. VPI borrowed $300,000 from the line of credit in October 2022, which was fully repaid in December 2022.

4. PAYCHECK PROTECTION PROGRAM LOAN

In February 2021, VPI obtained a loan (the Loan) from Regions Bank in the amount of $203,237 under the Paycheck Protection Program (PPP) established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Under the terms of the PPP, up to 100% of the loan and related interest may be forgiven if the proceeds are used for covered expenses, and certain other requirements related to wage rates and maintenance of full-time equivalents are met. VPI applied for forgiveness and received forgiveness of $203,237 from the Small Business Administration (SBA) on November 2021.

5. GRANT INCOME

During the year ended September 30, 2021, VPI received $500,000 in CARES Act Coronavirus Relief Funds from the County. Under the terms of the CARES Agreement, the County reimbursed VPI $500,000 for CARES Act eligible expenses incurred through December 30, 2020.

6. LIQUIDITY AND AVAILABILITY

VPI regularly monitors liquidity to meet its operating needs and other contractual commitments. VPI has various sources of liquidity at its disposal including cash, receivables and a line of credit. For purposes of analyzing resources available to meet general expenditures over a 12-month period, VPI considers all expenditures related to its ongoing activities of its mission, as well as the conduct of services undertaken to support those activities, to be general expenditures.

The following table shows the total financial assets held by VPI as of September 30, 2022 and 2021, and the amounts of those financial assets available within one year of the date of the statement of financial position to meet general expenditures.

	2022	2021
Financial assets at year end:		
Cash	$ 885,086	$ 905,230
Accounts receivable	1,870,715	1,470,411
Total financial assets available to meet general expenditures over the next 12 months	$ 2,755,801	$ 2,375,641

7. CONCENTRATIONS OF RISK

VPI's activities are primarily funded by a discretionary appropriation of the Escambia County local option tourist development tax. VPI's ability to continue to operate at current levels is dependent on continued funding from this source.

VPI maintains cash balances at a financial institution, which at times, may exceed federally insured limits. The balances held with the financial institution are insured by the Federal Deposit Insurance Corporation up to $250,000. VPI's cash balances, before outstanding checks, exceeded federally insured limits by $808,594 and $1,232,879 at September 30, 2022 and 2021, respectively. VPI has not experienced any losses in such accounts and believes it is not exposed to any significant risk.

8. SUBRECIPIENT EXPENSE

VPI is the fiscal agent for Art, Culture and Entertainment, Inc. (ACE) and Pensacola Sports Association, Inc. (PSA). In accordance with the Miscellaneous Appropriations Agreements between the County and VPI (the Agreement), VPI accepts tourism development revenue from the County on behalf of ACE and PSA. As fiscal agent for ACE and PSA, VPI is responsible for administering the funding and ensuring it is spent in accordance with the Agreement.

In accordance with US GAAP, this arrangement does not meet the criteria of being an agency transaction; therefore, the expenses incurred by each entity and reimbursed by VPI are recorded as subrecipient expense in the statements of functional expenses.

Subrecipient expenses for the year ended September 30, 2022, consisted of the following:

	ACE	PSA	Total
Direct programming expense	$ 1,250,000	$ 620,009	$ 1,870,009
Operations expense	-	88,335	88,335
Personnel expense	-	351,234	351,234
Total subrecipient expense	$ 1,250,000	$ 1,059,578	$ 2,309,578

Subrecipient expenses for the year ended September 30, 2021, consisted of the following:

	ACE	PSA	Total
Direct programming expense	$ 944,576	$ 352,084	$ 1,296,660
Operations expense	-	59,252	59,252
Personnel expense	-	243,590	243,590
Total subrecipient expense	$ 944,576	$ 654,926	$ 1,599,502

9. RELATED PARTY TRANSACTIONS

VPI enters into certain promotional partnership and marketing transactions with organizations that may be affiliated with members of VPI's board of directors. These transactions are conducted at arms-length and are in the normal course of business.

10. RETIREMENT PLAN

VPI administers a 401(k) plan for the benefit of its employees. All employees are eligible to participate if they have completed one year of service and are at least 21 years of age. The plan provides for a safe harbor matching employer contribution equal to 100% of salary deferrals that do not exceed 6% of compensation for each payroll period. The matching contributions totaled $28,231 and $21,833 for the years ended September 30, 2022 and 2021, respectively.

INDEPENDENT AUDITORS' REPORT

To the Finance Committee and Board of Directors
Visit Pensacola, Inc.

Report on the Financial Statements
We have audited the accompanying financial statements of Visit Pensacola, Inc., [a 501(c)(6) nonprofit corporation], (hereinafter referred to as "VPI"), which comprise the statements of financial position as of September 30, 2021 and 2020, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of VPI as of September 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Organization

Visit Pensacola, Inc. ("VPI") was formed in 2013, as a Florida not-for-profit corporation to promote the common business interests of Escambia County, Florida's tourism industry and to unify the private sector, visitor, tourism, meeting and convention interests of the various incorporated and unincorporated areas of Escambia County, in order to speak with a collective, focused voice of authority on issues that affect the tourism industry.

Basis of Accounting and Presentation

The financial statements of VPI have been prepared on the accrual basis of accounting and in accordance with the accounting principles generally accepted in the United States of America ("US GAAP") which requires that VPI report information regarding its financial position and activities based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes in net assets therein are classified as follows:

Net Assets without Donor Restrictions – Net assets available for general use and are not subject to donor restrictions.

Net Assets with Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature that may or will be met either by passage of time or the events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. VPI did not have any net assets at September 30, 2021 and 2020, where the donor imposed restrictions.

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with GAAP. These estimates and assumptions affect the amounts reported in the financial statements and the note disclosures. Actual results could vary from these estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, if applicable, VPI considers highly liquid debt instruments purchased within three months of maturity to be cash equivalents.

Accounts Receivable

Accounts receivable are reported at unpaid balances less an allowance for doubtful accounts, if applicable. Management evaluates the status of unpaid accounts and adjusts the allowance as necessary through a provision for bad debt expense. No provision for uncollectible accounts had been established as of September 30, 2021 and 2020, as accounts receivable are considered to be fully collectible.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Revenue Recognition

Revenues are reported as increases in net assets without donor restrictions, unless their use is limited by donor-imposed restrictions. Under accounting standards, earned revenue measurement is driven via a principles-based process that requires the entity: 1) identify the contract with the customer; 2) identify the performance obligations in the contract; 3) determine the transaction price; 4) allocate the transaction price to the performance obligations; and 5) recognize revenue when (or as) performance obligations are satisfied. Contributed support follows different standards. A summary of each of the revenue and support flows are as follows:

The primary source of revenue is a portion of the local option tourist development tax imposed and collected on short-term lodging by the Escambia County Board of County Commissioners ("the County"). In accordance with the agreement with the County, VPI receives funding on a reimbursement basis from the County as expenditures are incurred in carrying out its mission.

Gifts and grants, including unconditional promises to give, are recognized as revenues as either without or with donor restrictions in the period verifiably committed by the donor. Gifts and grants of assets other than cash are recorded at their estimated fair value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of the estimated future cash flows using a risk adjusted discount rate depending on the time period involved. Amortization of the discount is included in gift and grant revenue in accordance with the donor-imposed restrictions, if any, on the gifts or grants. Gifts or grants with donor-imposed restrictions that can be met through the passage of time or upon the incurring of expenses consistent with the purposes are recorded as net assets with restrictions and reclassified to net assets without donor restrictions when such time or purposes restriction has been satisfied.

Gifts of property and equipment are recorded as without donor restrictions, unless the donor explicitly states how such assets should be used. Gifts of cash or other assets that must be used to acquire long lived assets are reported as net assets with donor restrictions. VPI reports expirations of donor restrictions when the donated or acquired long lived asset is placed into service.

Conditional contributions are recorded as revenue when such amounts become unconditional, which generally involves the overcoming of a barrier to entitlement. This can include items like meeting a matching provision, incurring specified allowable expenses in accordance with a framework of allowable costs or other barriers. Contributions received pending designation by the donor are considered to be net assets with donor restrictions until donor stipulations are clarified at which time such are reclassified, if required.

Partnership dues represent revenues from businesses with interests in Escambia County that wish to support VPI's efforts to promote tourism within Escambia County. Partnership dues are recognized ratably on a monthly basis over the partnership period as the performance obligations are satisfied. Management believes that recognizing revenue over time is the best measure of services rendered based on the length of the partnership. Management does not consider there to be significant judgment involved in the timing of satisfaction of performance obligations as those are directly linked to the length of the partnership.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Inventories
Inventories consist primarily of souvenirs and promotional goods, including maps, brochures and postcards and are valued at estimated cost.

Equipment
VPI capitalizes all expenditures in excess of $1,000 for equipment at cost. Repairs and maintenance expenses are expensed as incurred. Depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis. Equipment is depreciated over 5 to 7 years.

Donated Assets and Use of Facilities
Donated equipment and other noncash donations are valued at estimated fair value at the date of donation. VPI uses certain equipment which was acquired and paid for by Escambia County. Title vests with the County and such assets are not recorded as assets of VPI. The County does not charge VPI for the use of the equipment. The estimated fair market value of the use of these assets is recorded as in-kind income and related equipment and building repairs in the statements of functional expenses. Effective July 2020, VPI occupies space at the Pensacola Visitor Information Center under a lease agreement with the City of Pensacola for $10 annually. The lease term is 15 years unless otherwise terminated pursuant to the agreement. The estimated fair value of the use of these facilities are recorded as in-kind income and rent expense in the statements of functional expenses.

Unearned Revenue
Unearned revenue consists of partnership dues and advertising income, which were received in advance. The revenue will be recognized over the terms of the partnerships or once the advertisement occurs.

Compensated Absences
The liability for compensated absences of $44,913 and $29,271 as of September 30, 2021 and 2020, respectively, is included in accrued payroll and expenses. This represents amounts owed to employees under VPI's paid time off policy.

Functional Allocation of Expenses
The costs of providing the program and supporting activities of VPI have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated by management among the program and supporting activities based on time and effort or occupancy costs.

Advertising
The primary purpose of VPI is to promote and advertise the local community. As such, all program expenses are considered to be either direct or indirect forms of "advertising." Such costs are expensed as incurred.

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Income Taxes
The Internal Revenue Service has determined VPI to be exempt from federal income tax under Section 501(c)(6) of the Internal Revenue Code. VPI is subject to taxation only on income from any business unrelated to its exempt purposes. VPI is not aware of any uncertain tax positions that would require disclosure or accrual in accordance with generally accepted accounting principles.

Subsequent Events
VPI has evaluated events and transactions that occurred between September 30, 2021 and March 7, 2022, which is the date that financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

2. ACCOUNTS RECEIVABLE

Accounts receivable at September 30, 2021 and 2020, consisted of the following:

	2021	2020
Tourism development tax receivable	$ 1,465,730	$ 379,852
Partnership dues	4,461	3,070
Other	220	5,969
Accounts receivable	$ 1,470,411	$ 388,891

3. LINE OF CREDIT

VPI has a revolving line of credit with Regions Bank in the amount of $500,000. The interest rate is LIBOR plus 0.50%. The line of credit matures on October 15, 2021, and is secured by inventory, accounts, equipment, general intangibles and fixtures. At September 30, 2021 and 2020, there was no outstanding balance on the line of credit.

4. PAYCHECK PROTECTION PROGRAM LOAN

In February 2021, VPI obtained a loan (the Loan) from Regions Bank in the amount of $203,237 under the Paycheck Protection Program (PPP) established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Under the terms of the PPP, up to 100% of the loan and related interest may be forgiven if the proceeds are used for covered expenses, and certain other requirements related to wage rates and maintenance of full-time equivalents are met. VPI applied for forgiveness and received forgiveness of $203,237 from the Small Business Administration (SBA) in November 2021.

5. GRANT INCOME

During the year ended September 30, 2021, VPI received $500,000 in CARES Act Coronavirus Relief Funds from the County. Under the terms of the CARES Agreement, the County reimbursed VPI $500,000 for CARES Act eligible expenses incurred through December 30, 2020.

6. LIQUIDITY AND AVAILABILITY

VPI regularly monitors liquidity to meet its operating needs and other contractual commitments. VPI has various sources of liquidity at its disposal including cash, receivables and line of credit. For purposes of analyzing resources available to meet general expenditures over a 12-month period, VPI considers all expenditures related to its ongoing activities of its mission, as well as the conduct of services undertaken to support those activities to be general expenditures.

As of September 30, 2021 and 2020, the following table shows the total financial assets held by VPI and the amounts of those financial assets available within one year of the date of the statement of financial position to meet general expenditures.

	2021	2020
Financial assets at year end:		
Cash	$ 905,230	$ 1,387,865
Accounts receivable	1,470,411	388,891
Total financial assets available to meet general expenditures over the next 12 months	$ 2,375,641	$ 1,776,756

7. CONCENTRATIONS OF RISK

VPI's activities are primarily funded by a discretionary appropriation of the Escambia County local option tourist development tax. VPI's ability to continue to operate at current levels is dependent on continued funding from this source.

VPI maintains cash balances at a financial institution, which at times, may exceed federally insured limits. The balances held with the financial institution are insured by the Federal Deposit Insurance Corporation up to $250,000. VPI's cash balances before outstanding checks exceeded federally insured limits by $1,232,879 and $1,196,276 at September 30, 2021 and 2020, respectively. VPI has not experienced any losses in such accounts and believes it is not exposed to any significant risk.

8. SUBRECIPIENT EXPENSE

VPI is the fiscal agent for ACE and Pensacola Sports Association, Inc. (PSA). In accordance with the Miscellaneous Appropriations Agreements between the County and VPI (the Agreement), VPI accepts tourism development revenue from the County on behalf of PSA and ACE. As fiscal agent for ACE and PSA, VPI is responsible for administering the funding and ensuring it is spent in accordance with the Agreement.

In accordance with GAAP, this arrangement does not meet the criteria of being an agency transaction; therefore, the expenses incurred by each entity and reimbursed by VPI are recorded as subrecipient expense in the statements of functional expenses.

Subrecipient expenses for the year ended September 30, 2021, consisted of the following:

	ACE	PSA	Total
Direct programming expense	$ 944,576	$ 352,084	$ 1,296,660
Operations expense	-	59,252	59,252
Personnel expense	-	243,590	243,590
Total subrecipient expense	$ 944,576	$ 654,926	$ 1,599,502

Subrecipient expenses for the year ended **September 30, 2020**, consisted of the following:

	ACE	PSA	Total
Direct programming expense	$ 420,400	$ 292,234	$ 712,634
Operations expense	-	67,067	67,067
Personnel expense	-	317,532	317,532
Total subrecipient expense	$ 420,400	$ 676,833	$ 1,097,233

9. RELATED PARTY TRANSACTIONS

VPI enters into certain promotional partnership and marketing transactions with organizations that may be affiliated with members of VPI's Board of Directors. These transactions are conducted at arms-length and are in the normal course of business.

10. RETIREMENT PLAN

VPI administers a 401(k) plan for the benefit of its employees. All employees are eligible to participate if they have completed one year of service and are at least 21 years of age. The plan provides for a safe harbor matching employer contribution equal to 100% of salary deferrals that do not exceed 6% of compensation for each payroll period. The matching contributions totaled $21,833 and $22,653 for the years ended September 30, 2021 and 2020, respectively.

11. SUBSEQUENT EVENTS

VPI renewed its $500,000 revolving line of credit with Regions Bank. The interest rate is LIBOR plus 0.50%. The line of credit matures on October 15, 2022, and is secured by inventory, accounts, equipment, general intangibles and fixtures. VPI borrowed $450,000 from the line of credit on October 12, 2021 and was fully repaid on November 23, 2021.

On February 28, 2022, VPI returned $203,237 to the County for payroll costs funded by the PPP Loan.

RE: Requests for funding for Fiscal Year (FY) 2024

Dear Potential Funding Recipient:

Attached please find the Escambia County Community Partner Funding Request Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 3, 2023.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is appreciated. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. Included this year is **an application check list** to ensure all required documents are submitted.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,

Stephan Hall

25-Word Description of Program:

Sail Pensacola Inc is a 501(c)3 public charity incorporated in 2023 to execute a twenty-year vision of establishing Pensacola as the high-performance saling and marine technology epicenter of North America. TDC funds will be used to launch a North American version of the Foiling Week in Pensacola, which will accelerate the mission and objectives of Sail Pensacola.

How many years has your organization been providing services in the County? 1

How many years has your organization received funding from the County? 0

Explain how receiving funds from the County would have a significant impact on your organization:

This funding will be used by Sail Pensacola to stage a sailing event that has achieved international recognition in the sailing world. This event will be the foundation for identifying and staging additional sailing events with commensurate tourist visitation that leverages the American Magic sailing syndicate present at the Port of Pensacola. Furthermore, the event will enhance visibility of Pensacola as a international destination for manufacturing and retail of high-performance sailing and marine technology gear.

_____

_____

_____

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program.

Sail Pensacola was created to orchestrate expansion of recreational and competitive sailing, sailing event expansion, and economic development related to high-performance sailing and marine technology on the Pensacola Bay. Sail Pensacola, through the composition of its board, is *the* subject matter expert for sailing activity on the Pensacola Bay and is organized to identify, recruit, coordinate, and stage sailing events for the community. Sail Pensacola has connected with sailing, sport, tourism, and municipal stakeholders to develop efficient alignment of resources to create shared value for each, which represents increased value to the community.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 0%
- Percentage for direct programming costs: 100%

If Escambia County funding can only fund a portion of your request, how will you offset the difference?

Industry sponsorship and participant fees will comprise the majority of revenue to support this event.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: N//a

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for.

No duplication of funding.

Mr. David Bear
Chairman
Escambia County Tourism Development Council

Dear Mr. Bear,

I am writing to you on behalf of Foiling Events Ltd, to formally request a slot on the agenda of the upcoming meeting of the Escambia County Tourism Development Council scheduled for December 12. We are eager to present a funding proposal to support the launch of Foiling Week in Pensacola, set to take place from November 4th to 10th, 2024.

Foiling Week is a globally recognized event that celebrates the sport of sailing and brings together enthusiasts, professionals, and spectators from around the world. We believe that hosting this event in Pensacola offers a unique opportunity to showcase the beauty and vibrancy of your region, while also providing a significant boost to local tourism and the economy.

The funding request is for the amount of 250.000 GBP. We are ready to provide any additional information required ahead of the meeting and look forward to the possibility of contributing to the region's thriving tourism and sporting landscape.

Thank you for considering our request. We are hopeful for a positive response and the opportunity to further discuss our proposal on December 12.

Sincerely,

Luca Rizzotti

RE: Requests for funding for Fiscal Year (FY) 2024

Dear Potential Funding Recipient:

Attached please find the Escambia County Tourism Promotion Agency Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 1, 2024.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is required. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Important Note: As a requirement to receive County TDT grant monies, your organization will be **required** to submit both quarterly metrics and an annual report. Your required metrics report will be derived from the metric information within your application. Specific instructions to complete your annual report are included in the **Attachment A** "Annual Narrative Form", attached to this application.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is an application check list to ensure all required documents are submitted. Please check each box to confirm that these items are included with your funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,
Stephan Hall
Finance Director

25-Word Description of Program: Cultural Tourism Program incorporating programs, events, presentations, festivals, and exhibits designed to enhance the African American cultural tourism landscape of Pensacola and the Northwest Florida Region

How many years has your organization been providing services in the County? 34

How many years has your organization received funding from the County? Approx. 13 years .

Explain how receiving funds from the County would have a significant impact on your organization:

This funding enables us to operate the African American Heritage Society Museum and Center located in Historic Pensacola Village by subsidizing many of the operating expenses including utilities, office supplies associated with operating this nonprofit tourism center, which s a vital part of the cultural tourism landscape of Pensacola and Escambia County. The Return to the County on this investment is that for those great many tourists who want to immerse themselves in a culturally diverse experience that incorporates Cultural Tourism events, activities, education, and related cultural enrichment and programs, they have a place to visit that focuses on many aspects of Pensacola's diverse community.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: _____$ 60,000_____

Briefly discuss how last year's funds were used? During our 2022-23 season, we were able to provide many in-person programs and events as well as several community co-sponsored events. We are pleased to note that our tourists engagement has continued to increase post-pandemic. Although the number of walk-in visitors has not returned completely to the prior numbers before the pandemic, we are pleased that we receive weekly requests for group tours. Our walk in's as well as our regular guests view several of our exhibits, which have grown due to the acquisition (by donation) of additional historical artifacts. The tourists who are part of tour groups often request a guided tour and speaker's program. In addition to out of town tourists, we also welcome local school groups and families who are seeking learn more about the history of Pensacola and to also educate the community on the often untaught American History that includes Americans of African descent. In order to provide these services, we must have paid staff, maintain our facility, continue our resources that aid us in providing programming, all of which in addition to the cost of utilities which have increased along with related necessary expenses.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words,

what impact did your program have on the citizens of Escambia County?

The County's ROI is tremendous. Many tourists visit Escambia County because of its rich diverse history, which is true of many cities and counties in the Southern United States. However, not all such cities and counties have an African American Cultural Center such as ours with decades of experience and programming available to tourists and local citizens. We understand the value of Collaborations and Partnerships with the City, County, Visit Pensacola, local businesses, PSC, UWF, UWH Historic Trust and other non-profit agencies and organizations. To that end, we embrace the power of collective cooperation and provide each of our tourists (in-person and virtual) with our African American Heritage Trail Guide and encourage them to walk and later drive all around downtown to dine and shop. We then include information regarding Downtown attractions, shopping and dining. We also encourage tourists to visit Belmont Devilliers, East Hill, North Hill, NAS, Pensacola Beach, Fort Pickens and other local places to promote tourism in those areas also. If we are able to maintain funding, we will seek to solidify greater partnerships and collaborations. We believe that by connecting tourists with other businesses in the city and county it increases the tourism dollars collectively, thereby cultivating a network of local and area economic empowerment, which benefits all segments of the community ultimately, thereby decreasing the burden on the budgets of local government.

We also serve the citizens of Escambia County, who have reported that our programs, events, and current exhibits have and continue to enrich their lives tremendously. They are growing as individuals and collectively as a community. We continue to welcome in-person visitors to our current exhibit and many out of state viewers of our website and the information while planning their trips to Pensacola. We have met many engage virtually first and later visit Pensacola and stop by to introduce themselves when they arrive in Pensacola.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County?

The funding requested for 2024-25 will be used in many ways. First, the funding is critical to the maintenance of our museum and gallery. Specifically, by virtue of our location in downtown historic Pensacola Village, we have the visibility that encourages walk-in tourists who find us by happenstance, as well as being in the perfect location for those tourists who plan their visit to Pensacola by intentionally searching for an African American History Museum, downtown. It essential that we have a suitable place and space to receive those visitors and that we have exhibits, old and new, curated locally as well as exhibits that are borrowed or traveling. We also have hosted and would like to continue to host speakers programs and humanities-focused events in the Gallery, for which we often have every seat taken and standing room only for those events. We receive very positive feedback from the community for our in-person programming and we would like to continue to present those offerings in the upcoming season. To provide that level of community engagement with out-of-town tourists as well as the local community, we must have paid staff, financial resources to pay for marketing, online subscriptions, utilities, the ability to pay speakers, musicians, historians, artists and more to provide an array of different programming from year to year. Because we are subsidized by the county, we have attempted to offer many of our programs free to the public or at cost, meaning just enough to defray the expense of each guest's attendance.

Next season, we would like to expand our tour efforts to also provide more walking tours and vehicle-supported touring directed by our Heritage Trail Guide. This will increase our expenses at many levels, but this is a service that is requested very often by out-of-town tourists and our local community of members and supporters. We are in the process now of planning for this extension and setting up an implementation plan. The additional costs have been an overriding factor in not expanding in the past, however based on the interest of the community and the potential for increased support to our partner, Visit Pensacola, we believe that the time is now to solidify our Heritage Trail/Cultural Tours initiative.

The African American Heritage Society, Inc. is an asset to the County for many reasons. Firstly, our organization is the most senior African American Cultural Tourism vehicle in the Northwest Florida Region and is a significant driver of Cultural Tourism to the Northwest Florida Region and particularly to Escambia County. We believe that the Exhibit we have curated along with the Programs and Events that we present are currently and will continue to be of major interest to Tourists from other cities, states and countries, who have told us directly that they want a full experience when they visit a city, complete with the recognition of the diverse history, culture, and information on the persons who contributed to the areas landscape. We know that tourists look for us because our website and Google metrics give us that information, which supports what the tourists are telling us directly. We have had local Pensacola residents come to our exhibit this fiscal year because they were told to do so by friends and relatives in New York, Philadelphia, and other places. When we ask, how did those out-of-towners know? We are told that our exhibits and programs are trending on social media sites before, during and after we present them. Each year we welcome tourists from other states and countries who “stopped” in Pensacola to see our Cultural offerings as part of a larger Cultural Museums Tour, and while in Pensacola, stayed in a hotel, dined, and spent money with local businesses.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: __No.

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area:___

There are no public nor private organizations/agencies that provide similar services.

However, we have partnered with public and private organizations that have expressed an interest in expanding cultural tourism in Escambia County. As an example, we have partnered with our County tourism Partner, Visit Pensacola to provide our Heritage Trail Guide tour to several professional tour guides from around the country, and all agreed to visit Pensacola at the same time to visit the area. Based upon feedback from the tour guides and our liaison with Visit Pensacoa, that partnered opportunity went well.

Explain how you are the best-partnering agency for your program. Please differentiate your program from a similar program.

We have been providing services in this field for more than thirty (30) years now and have the contacts, network, subject matter expertise, and support of the community to provide the services that we provide. The African American Heritage Society Center and Museum in Historic Pensacola Village is a vital part of the cultural tourism landscape of Pensacola; ***The Return to the County on this investment*** is that for those great many tourists who want to immerse themselves with a diverse experience that incorporates Cultural Tourism, they have a place to visit. We have many non-African American tourists from other States and Countries who are intentionally visiting African American Museums and Centers like ours seeking both a vacation and cross-cultural learning opportunity at the same time. Over the years, many other non-profits and “cultural organizations” have been formed. None of those that were started within our first 25 years are still in existence. Time will tell as to the newer such initiatives that have begun in the past few years. We make this work look easy, but it is NOT. We have proven longevity and a reputation for quality programming which is why most of our events are “sold out.”

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: ___60____%
- Percentage for direct programming costs: ___40____%

If Escambia County funding can only fund a portion of your request, how will you offset the difference? We will seek sponsorships, more memberships, increased board contributions, and attempt to do more fundraising which is difficult to do with limited staff.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: N/A

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for.

No, regrettably we have been advised that as recipients under the Tourist Development Council, we are not eligible for other local funding such as the Visit Pensacola funding, nor City funding sources. **We would like to request reconsideration and a modification to the rule that does not allow "outside agencies" to apply for other local funding to set forth an exception for outside agencies receiving less than $250,000 in TDT funding. With that exception, our organization would apply to also partner with the City for certain events, and we would apply for grants from Visit Pensacola to provide two-day art and music events that would encourage out-of-state visitors who would need to stay overnight for said two-day program. We would be better positioned for those types of programs, with "one and done" Visit Pensacola single grants. Noting that we also need our current funding which provides the framework for greater cultural tourism initiatives.**

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by

"X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY23	FY24	FY25	% Change

2. Partnership with a US Governmental organization to share an unknown history of Pensacola during an era that we "thought" we knew all about; but did not know or understand the extent to which Pensacola contributed to the history of that era. Our nearly year-long project is almost completed which will yield new historical sites for our Heritage Guide, additional artifacts to be viewed by visitors, and an audiovisual product.	Documentary is still in production.	Documentary is still in production.	We anticipate that at least 2,500 tourists or more will visit Pensacola to explore this project	100%
3. Recognition of recognized cultural holidays such as MLK Day programs and Events, Emancipation Day, and Juneteenth Events which attract many tourists.	Est. 600	700	800	20%

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	FY25
1. Our primary goal is to significantly increase Cultural Tourism in the Northwest Florida Region and especially to Escambia County. We believe that the Exhibits that we have curated and the Programs that we present are currently and will continue to a major driver in this regard and of interest to Tourists from other cities, states and countries, who have told us directly that they want a full experience when they visit a city, complete with the recognition of the diverse history, culture, and persons that contribute to the city's landscape. We know that tourists look for us because our website and	55%

google metrics give us that information, which supports what the tourists are telling us directly. We have had local Pensacola residents come to our exhibit because they were told to do so by friends and relatives in New York, Philadelphia, and other places. When we ask, how did those out of towners know? We are told that our exhibits and programs are trending on social media sites before, during and after we present them.	
2. We would like to continue to collaborate and partner with local governmental bodies, such as the County and City of Pensacola, Visit Pensacola, University of West Florida, UWF Historic Trust, Pensacola State College, community groups and when appropriate other non-profits and entities that may assist with augmenting our Cultural Tourism goals, supplementing our 4th edition of our African American Heritage Trail Guide, as well as our other African American Heritage Society mission centered objectives, to the extent possible. And we will expand or cultural tours offerings.	55%
3. We would like to continue to bring an array of artists, scholars and historians to the Pensacola community to contribute to entertaining, educating, and celebrating diversity and the varied African Diaspora of Arts and Culture. Through quality programming, the AAHS has offered retrospective exhibits in the visual arts and humanities, performing arts programs, films and educational lectures, and exhibits, all highlighting a broad spectrum of the African Americans' unique and creative contributions to Pensacola and American life, both at our facility and in the community via summer heritage scholar's programs for children in underserved communities. If we are awarded this grant we will continue in this regard.	55%

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in previous fiscal year."

Baseline for Goals	FY24
1. Regarding Cultural Tourism: Pre-Covid we welcomed more than a thousand out of town and international tourists. Since Covid, many of those same tourists and local community have continued to visit us virtually to view our current "More Complete American History which includes Americans of African Descent" Exhibit and our Schomburg exhibit. Post Covid we have provided services in-person, virtually, hybrid, and via website and have observed that we are hosting large tour groups again, which had ceased during Covid. individuals.	55%
2. Collaborations and Partnerships/Afr. Amer. Heritage Trail Guide: We currently incorporate and encourage tourists to also take our Pensacola Heritage Trail Guide with them to use during their visit to the area. If we can attain additional funding and cement greater partnerships and collaborations, we would like to connect tourists with other businesses in the city and county to increase the tourism dollars collectively, thereby cultivating a network of local and area economic empowerment, which benefits all segments of the community ultimately. The current baseline has been the immediate downtown historic district area and to some extent, Belmont Devilliers as that area was the outer limit of our African American Heritage Trail Guide. We would like to increase the network of partnerships listed in Question 2, Goal 2 above by 33% to increase business network affiliations and combined Escambia County/Federal Government Historic Sites added to our Trail Guide listings over the next grant period and to add a	55%

larger array of cultural tours.	
3. Programs, Events and Exhibits: We measure success by attendance, and the fact that 100% of guests usually remain throughout, along with positive comments and top numerical scoring is written on the participant's program exit survey, and for virtual programming on the online poll. We believe that programs, events, and exhibits are essential to support the additional components of our other offerings. We would like to see an increase in attendance numbers by 33% for virtual attendance, when offered, we are often at capacity for the in-person events and we will likely begin offering the same experience over several days to accommodate more tourists and community members without adding the expense of moving events to a larger space, particularly when it is a signature event that has always been held at our Gallery or at a partners location.	55%

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

400 S JEFFERSON STREET
PENSACOLA, FL 32501-5902

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(2).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(2) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(2) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

Nelson A. Brooke

February 23, 2024

TO: Tourist Promotion Partners
RE: Requests for funding for Fiscal Year (FY) 2024

Dear Potential Funding Recipient:

Attached please find the Escambia County Tourism Promotion Agency Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 1, 2024.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is required. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Important Note: As a requirement to receive County TDT grant monies, your organization will be **required** to submit both quarterly metrics and an annual report. Your required metrics report will be derived from the metric information within your application. Specific instructions to complete your annual report are included in the **Attachment A** "Annual Narrative Form", attached to this application.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is an application check list to ensure all required documents are submitted. Please check each box to confirm that these items are included with your funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,
Stephan Hall
Finance Director

FISCAL YEAR 2024

ESCAMBIA COUNTY
AGENCY FUNDING REQUEST APPLICATION

All agencies requesting funding from Escambia County must submit the below-listed information and complete the attached form. Failure to submit all required information or to complete the form will remove your organization from consideration for funding. Please submit the completed application packet electronically to **Budget@myescambia.com**.

DEADLINE - Monday, April 3, 2024

ELIGIBILITY CRITERIA:

Organizations eligible to apply for funding must:

- Demonstrate funding received from sources other than local governments in an amount at least equal to the amount requested from Escambia County.
- Tax-exempt under Section 501(c)(3) of the Internal Revenue Code, independent of a financial sponsor (local affiliates may apply under the 501(c)(3) of the national organization).
- Located in and serve residents of Escambia County.
- Provide at least 3 full years (36 months) of independently prepared, audited or reviewed financial statements or tax returns, unless organization was formed within the last 3 years.
- Not a recipient of Community Partner funding for more than 3 fiscal years unless the organization serves a government purpose OR for years 4 and beyond, funding must reduce at rate of at least 5% per year.
- The Board of County Commissioners retains the right to waive the eligibility criteria.

APPLICANTS SHOULD:

- Explain why receiving funding would have an especially significant impact on their organization.
- Have a mission and programs or services that serves a governmental program or citizen focused mission.
- Submit a proposed budget where government funding does not exceed 50% of annual operating budget unless in first 3 years of operation or mandated by statutory or another regulatory requirement.
- Plan to expend funds within 12 months.

Funds may be provided for programs, services, necessary infrastructure or other initiatives that support the organization's core mission. **Funds will not be provided for:**

- debt reduction, operating deficits, interim or bridge funding or endowment funding,
- individuals or private foundations,
- activities that are religious or political in nature,
- fund drives, annual appeals, fundraising events or general capital campaigns, and
- salaries that do not directly impact the program unless mandated by statutory or regulatory requirement.

When submitting your completed application with all required documents, provide your documents in original Word format or a direct PDF of the Word document. **Please limit scanned documents as much as possible.**

APPLICATION CHECKLIST (Required)

- __ Submit a fully completed Agency Funding Request Application
- __ Submit a copy of your organization's current W-9
- __ Submit the Letter of Determination from the IRS confirming your organization's federally tax-exempt status
- __ Submit a copy of your organization's 2022 or 2023 tax return (Form 990 or 990-EZ with additional backup). You may submit a 2021 tax return along with explanation for late filing.
- __ Submit a copy of your organization's most recent 3 years of financial statements, with audit if applicable. Updated financials may be requested by the County periodically including prior and subsequent to reward date.

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY23	FY24	FY25	% Change
1. Number of destination visitors that come to Pensacola for this event	12,000	15,000	18,500	20%
2. .Number of room nights generated for this event	1,100	1,200	1,300	8%

3. Total economic impact generated by this event	4,000,000	4,400,000	5,000,000	15%

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	FY25
1.Attendance last 3 years- 39,700, 53,400, 55,000	66,000
2.	
3.	

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in previous fiscal year."

Baseline for Goals	FY24
1. Attendance in 2023	55,000
2.	
3.	

BUDGET

Please fill out the requested information in its entirety for the program for which you are requesting funding. It is not necessary to fill out information for the agency as a whole; only for the program for which funding is requested. If this is a new program, you are not required to complete the information for the previous budget year. Please add any additional income or expense sources to the table as necessary to complete your budget application. **Please round figures to the nearest whole dollar.**

Title:
Mailing Address:
Grant Amount Received:

Tourism Activity Description:

Brief description of the organization/event.
What impact did your organization/event have on the citizens of Escambia County?
Is this a new or repeat grant?
If Repeat, how many years?

Tourism Metrics:

How did your organization fulfill a special need within the tourism industry and/or enhance the overall local tourism product by increasing the number and quality of tourist activities?

How did your organization/event benefit tourism in Escambia County?

How were Tourist Development Tax Dollars spent?

How did you measure the success of your organization/event?

Examples of metrics should include the following:

Attendance/Spectators
Ticket Sales
Participants
Vendors/Exhibitors
Sponsorship Support
Media Coverage
Website Visits
Social Media Engagement

4th Quarterly Metrics Summary

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

Pensacola Area Chamber
Foundation, Inc.
P. O. Box 550
Pensacola, FL 32593

Dear Sir or Madam:

Our letter of the above date stated that you would be treated as a publicly supported organization and not as a private foundation during your advance ruling period. This was based on our determination that you could reasonably be expected to be an organization described in sections 170(b)(1)(A)(vi) and 509(a)(1) or in section 509(a)(2) of the Internal Revenue Code.

We also stated that at the end of your advance ruling period you would have to establish that you were in fact an organization described in one of the above sections.

Our records indicate your advance ruling period ends on the date shown above. Therefore, to establish that you are an organization described in sections 170(b)(1)(A)(vi) and 509(a)(1) or in section 509(a)(2), please send us the following information for each of the tax years in your advance ruling period:

1. Amount of gifts, grants, and contributions received.

2. Amount of membership fees received.

3. Amount of gross income from interest, dividends, rents, and royalties.

4. Amount of net income from unrelated business activities.

5. Amount of tax revenue levied for your benefit and either paid to you or spent on your behalf.

6. The value of services or facilities furnished to you by a governmental unit without charge. (Do not include the value of services or facilities generally furnished to the public without charge.)

7. Amount of other receipts. Please specify their nature. (Do not include gain (or loss) from the sale or exchange of capital assets or gross receipts from the sources described in item 10, below.)

8. The total amount of the above items for each year and the total for the advance ruling period.

9. A statement showing the name of and amount received from each person (individual, estate, trust, organization, or foundation) who contributed more than 2 percent of the aggregate total in item 8 for the advance ruling period. If such amounts were other than cash, please indicate the nature or type of receipt and the method of valuation.

10. Amount of gross receipts from admissions, sale of merchandise, performance of services, or furnishing of facilities in any activity that is not an unrelated business within the meaning of section 513. Furnish the following information unless you do not wish consideration of your status under section 509(a)(2):

11. The total amount of items 8 and 10 for each tax year.

12. A statement showing the name of, and amount received in each year from, each disqualified person (as defined in section 4946 of the Code) and each organization described in section 170(b)(1)(A)(vii) or (viii) of the Code from whom you received amounts included in items 1, 2, or 10, above.

13. With respect to the amounts included in item 10, above: the name of each bureau or agency of a governmental unit and each person from whom you received an amount in excess of the greater of $5,000 or 1 percent of the total amount shown for each year in item 11, above, and the amount received from each. There is no need to repeat information shown for item 12, above.

The information requested in this letter is required to support your claim to be other than a private foundation. It is needed in addition to any required Form 990 or other annual return or report. Please send it to us within 90 days from the end of your advance ruling period. An addressed envelope is enclosed for your convenience.

If we do not receive this information, we will presume you are a private foundation and you will be treated as a private foundation as of the first day of your first tax year for purposes of sections 507(d) and 4940 of the Code. In addition, if you do not provide the information by the time requested, it will be considered by the Internal Revenue Service that you have not taken all reasonable steps to secure the determination you requested. Under section 7428 (b)(2) of the Code, not taking all reasonable steps, in a timely manner, to secure the determination may be considered as a failure to exhaust administrative remedies available to you within the Service, and may preclude the issuance of a declaratory judgment in the matter under judicial proceedings.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Thank you for your cooperation.

Sincerely yours,

Artemus Jewell

Section A. All Supporting Organizations

			Yes	No
1	Are all of the organization's supported organizations listed by name in the organization's governing documents? *If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.*	1		
2	Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? *If "Yes," explain in Part VI how the organization determined that the supported organization was described in section 509(a)(1) or (2).*	2		
3a	Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? *If "Yes," answer lines 3b and 3c below.*	3a		
b	Did the organization confirm that each supported organization qualified under section 501(c)(4), (5), or (6) and satisfied the public support tests under section 509(a)(2)? *If "Yes," describe in Part VI when and how the organization made the determination.*	3b		
c	Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)(B) purposes? *If "Yes," explain in Part VI what controls the organization put in place to ensure such use.*	3c		
4a	Was any supported organization not organized in the United States ("foreign supported organization")? *If "Yes," and if you checked box 12a or 12b in Part I, answer lines 4b and 4c below.*	4a		
b	Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? *If "Yes," describe in Part VI how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.*	4b		
c	Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? *If "Yes," explain in Part VI what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.*	4c		
5a	Did the organization add, substitute, or remove any supported organizations during the tax year? *If "Yes," answer lines 5b and 5c below (if applicable). Also, provide detail in Part VI, including (i) the names and EIN numbers of the supported organizations added, substituted, or removed; (ii) the reasons for each such action; (iii) the authority under the organization's organizing document authorizing such action; and (iv) how the action was accomplished (such as by amendment to the organizing document).*	5a		
b	**Type I or Type II only.** Was any added or substituted supported organization part of a class already designated in the organization's organizing document?	5b		
c	**Substitutions only.** Was the substitution the result of an event beyond the organization's control?	5c		
6	Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (i) its supported organizations, (ii) individuals that are part of the charitable class benefited by one or more of its supported organizations, or (iii) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? *If "Yes," provide detail in Part VI.*	6		
7	Did the organization provide a grant, loan, compensation, or other similar payment to a substantial contributor (as defined in section 4958(c)(3)(C)), a family member of a substantial contributor, or a 35% controlled entity with regard to a substantial contributor? *If "Yes," complete Part I of Schedule L (Form 990).*	7		
8	Did the organization make a loan to a disqualified person (as defined in section 4958) not described on line 7? *If "Yes," complete Part I of Schedule L (Form 990).*	8		
9a	Was the organization controlled directly or indirectly at any time during the tax year by one or more disqualified persons, as defined in section 4946 (other than foundation managers and organizations described in section 509(a)(1) or (2))? *If "Yes," provide detail in Part VI.*	9a		
b	Did one or more disqualified persons (as defined on line 9a) hold a controlling interest in any entity in which the supporting organization had an interest? *If "Yes," provide detail in Part VI.*	9b		
c	Did a disqualified person (as defined on line 9a) have an ownership interest in, or derive any personal benefit from, assets in which the supporting organization also had an interest? *If "Yes," provide detail in Part VI.*	9c		
10a	Was the organization subject to the excess business holdings rules of section 4943 because of section 4943(f) (regarding certain Type II supporting organizations, and all Type III non-functionally integrated supporting organizations)? *If "Yes," answer line 10b below.*	10a		
b	Did the organization have any excess business holdings in the tax year? *(Use Schedule C, Form 4720, to determine whether the organization had excess business holdings.)*	10b		

Part IV Supporting Organizations *(continued)*

			Yes	No
11	Has the organization accepted a gift or contribution from any of the following persons?			
a	A person who directly or indirectly controls, either alone or together with persons described on lines 11b and 11c below, the governing body of a supported organization?	**11a**		
b	A family member of a person described on line 11a above?	**11b**		
c	A 35% controlled entity of a person described on line 11a or 11b above? *If "Yes" to line 11a, 11b, or 11c, provide detail in Part VI.*	**11c**		

Section B. Type I Supporting Organizations

			Yes	No
1	Did the governing body, members of the governing body, officers acting in their official capacity, or membership of one or more supported organizations have the power to regularly appoint or elect at least a majority of the organization's officers, directors, or trustees at all times during the tax year? *If "No," describe in Part VI how the supported organization(s) effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported organization, describe how the powers to appoint and/or remove officers, directors, or trustees were allocated among the supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year.*	**1**		
2	Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? *If "Yes," explain in Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated, supervised, or controlled the supporting organization.*	**2**		

Section C. Type II Supporting Organizations

			Yes	No
1	Were a majority of the organization's directors or trustees during the tax year also a majority of the directors or trustees of each of the organization's supported organization(s)? *If "No," describe in Part VI how control or management of the supporting organization was vested in the same persons that controlled or managed the supported organization(s).*	**1**		

Section D. All Type III Supporting Organizations

			Yes	No
1	Did the organization provide to each of its supported organizations, by the last day of the fifth month of the organization's tax year, (i) a written notice describing the type and amount of support provided during the prior tax year, (ii) a copy of the Form 990 that was most recently filed as of the date of notification, and (iii) copies of the organization's governing documents in effect on the date of notification, to the extent not previously provided?	**1**		
2	Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported organization(s) or (ii) serving on the governing body of a supported organization? *If "No," explain in Part VI how the organization maintained a close and continuous working relationship with the supported organization(s).*	**2**		
3	By reason of the relationship described on line 2, above, did the organization's supported organizations have a significant voice in the organization's investment policies and in directing the use of the organization's income or assets at all times during the tax year? *If "Yes," describe in Part VI the role the organization's supported organizations played in this regard.*	**3**		

Section E. Type III Functionally Integrated Supporting Organizations

1 *Check the box next to the method that the organization used to satisfy the Integral Part Test during the year (see instructions).*

- **a** ☐ The organization satisfied the Activities Test. *Complete line 2 below.*
- **b** ☐ The organization is the parent of each of its supported organizations. *Complete line 3 below.*
- **c** ☐ The organization supported a governmental entity. *Describe in Part VI how you supported a governmental entity (see instructions).*

			Yes	No
2	Activities Test. *Answer lines 2a and 2b below.*			
a	Did substantially all of the organization's activities during the tax year directly further the exempt purposes of the supported organization(s) to which the organization was responsive? *If "Yes," then in Part VI identify those supported organizations and explain how these activities directly furthered their exempt purposes, how the organization was responsive to those supported organizations, and how the organization determined that these activities constituted substantially all of its activities.*	**2a**		
b	Did the activities described on line 2a, above, constitute activities that, but for the organization's involvement, one or more of the organization's supported organization(s) would have been engaged in? *If "Yes," explain in Part VI the reasons for the organization's position that its supported organization(s) would have engaged in these activities but for the organization's involvement.*	**2b**		
3	Parent of Supported Organizations. *Answer lines 3a and 3b below.*			
a	Did the organization have the power to regularly appoint or elect a majority of the officers, directors, or trustees of each of the supported organizations? *If "Yes" or "No," provide details in Part VI.*	**3a**		
b	Did the organization exercise a substantial degree of direction over the policies, programs, and activities of each of its supported organizations? *If "Yes," describe in Part VI the role played by the organization in this regard.*	**3b**
