GENERAL INFORMATION

Agency Name: ___Pensacola Beach Chamber of Commerce_____

Agency Address: _7 Casino Beach Boardwalk, Pensacola Beach, FL 32561_____

Program Name for which funding is being requested: _2024-2025 New Year's Eve and 4th of July Fireworks Displays on Pensacola Beach_____

Amount Requested: $__87,750_____

Program Contact: _Meg Peltier, President/CEO_____

Contact Email: _meg@visitpensacolabeach.com_____ Contact Phone: (850_) 723-9858____

25-Word Description of Program: _The Pensacola Beach Chamber sponsors and coordinates the annual New Year's Eve and 4th of July Fireworks displays on Pensacola Beach._____

_____

_____

How many years has your organization been providing services in the County?36 years since 1988.

How many years has your organization received funding from the County? __Two_____

Explain how receiving funds from the County would have a significant impact on your organization: The cost of the annual fireworks shows has risen 67% since 2021 making it unaffordable for the chamber within the current budget. The fundraising assistance enables the chamber to continue to provide this traditional event for tourists, businesses, and residents positively economically impacting the entire Pensacola Beach community._____

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: _FY2023-24 $85,000_____

Briefly discuss how last year's funds were used? The funds were specifically designated to cover the remaining costs of the 2024 4th of July Fireworks display on Pensacola Beach and the entire cost of the 2023 New Year's Eve Fireworks display on Pensacola Beach.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County? The 2024 4th of July Fireworks display has not occurred yet, even though the funds are from the FY2023-24 budget.. For the 2023 4th of July Fireworks, we calculated an estimated 70,000 visitors and $1,750,000 dollars generated in one day. (see FY2022-23 final report) For the 2023 New Year's Eve Fireworks display on December 31st we calculated an estimated 50,000 visitors with an economic impact of $100K to $4 million dollars for the NYE weekend.(see FY2023-24 1st qtr. metrics report) We anticipate an increase in both tourism/visitors and dollars in FY2024-25.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? The funding will be used strictly to cover the total expenses of $65,000 for the 2024 New Year's Eve Fireworks display (December 31, 2024) and the remaining expenses of $22,750 (5% increase from 2024) for the 2025 4th of July Fireworks display by contract with Pyro Shows. These events draw visitors from across the country and provide an economic boost to local businesses in Escambia County. In 2023, the New Year's Eve Show on December 31st was on a Sunday night which extended weekend stays from 2-4 nights vs. the usual 1-2 nights with approximately 10,000+ visitors staying in the area with 85-90% occupancy on Pensacola Beach. The 2023 4th of July Fireworks display attracted 70,000 visitors with 30,000 visitors staying in area hotels/motels with 95-100% occupancy

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: ____N/A_____

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area: N/A

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. N/A

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 0 %
- Percentage for direct programming costs: 100 %

If Escambia County funding can only fund a portion of your request, how will you offset the difference? We would solicit business sponsorships from the community.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: N/A

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. _No Duplication. The PBCC will receive $55,000 in Restricted funds from the Santa Rosa Island Authority for the 2025 4th of July Fireworks display.

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

Dear Taxpayer:

This is in response to your request of June 15, 2009, regarding your tax-exempt status.

Our records indicate that a determination letter was issued in January 1990, that recognized you as exempt from Federal income tax, and discloses that you are currently exempt under section 501(c)(6) of the Internal Revenue Code.

Because you are not an organization described in section 170(c) of the Code, donors may not deduct contributions made to you. You should advise your contributors to that effect.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

Internal Revenue Code
Section 501(c)(6)
Accounting Period Ending:
December 31
Form 990 Required:
Yes
Addendum Applies:
No

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(a) of the Internal Revenue Code as an organization described in the section indicated above.

Unless specifically excepted, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) for each employee to whom you pay $100 or more during a calendar year. And, unless excepted, you are also liable for tax under the Federal Unemployment Tax Act for each employee to whom you pay $50 or more during a calendar quarter if, during the current or preceding calendar year, you had one or more employees at any time in each of 20 calendar weeks or you paid wages of $1,500 or more in any calendar quarter. If you have any questions about excise, employment, or other Federal taxes, please address them to this office.

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than $25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally $25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of $10 a day

is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed $5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Paul Williams
District Director

Part II Declaration and Signature Authorization of Officer or Person Subject to Tax

Under penalties of perjury, I declare that ☒ I am an officer of the above entity or ☐ I am a person subject to tax with respect to (name of entity) _____, (EIN) _____ and that I have examined a copy of the 2022 electronic return and accompanying schedules and statements, and, to the best of my knowledge and belief, they are true, correct, and complete. I further declare that the amount in Part I above is the amount shown on the copy of the electronic return. I consent to allow my intermediate service provider, transmitter, or electronic return originator (ERO) to send the return to the IRS and to receive from the IRS (**a**) an acknowledgement of receipt or reason for rejection of the transmission, (**b**) the reason for any delay in processing the return or refund, and (**c**) the date of any refund. If applicable, I authorize the U.S. Treasury and its designated Financial Agent to initiate an electronic funds withdrawal (direct debit) entry to the financial institution account indicated in the tax preparation software for payment of the federal taxes owed on this return, and the financial institution to debit the entry to this account. To revoke a payment, I must contact the U.S. Treasury Financial Agent at 1-888-353-4537 no later than 2 business days prior to the payment (settlement) date. I also authorize the financial institutions involved in the processing of the electronic payment of taxes to receive confidential information necessary to answer inquiries and resolve issues related to the payment. I have selected a personal identification number (PIN) as my signature for the electronic return and, if applicable, the consent to electronic funds withdrawal.

ENGAGEMENT LETTER

TAX RETURN FOR
PENSACOLA BEACH CHAMBER OF COMMERCE

October 24, 2023

This letter is to confirm and specify the terms of our engagement with your firm for the year ended December 31, 2022 and to clarify the nature and extent of the tax services we will provide. Also, by sending you this engagement letter, we have assumed that you are the person responsible for the tax matters. If this is not a correct assumption, please furnish us with the name of the individual responsible for the tax matters.

Our engagement is limited to performing the following services:

1. Prepare the federal non-profit tax return.

We may provide you with a questionnaire or other document requesting specific information. Completing those forms will assist us in making sure you are well served for a reasonable fee.

It is your responsibility to notify our office that you require an extension within a reasonable period of time prior to the filing deadline. If we do not receive your request for an extension, we will not be held responsible for any penalties, interest, or any additional fees that may be assessed by the taxing authority. If an extension is filed on your behalf, please note that this is an extension of time to file, not an extension of time to pay if you owe a taxing authority.

The federal tax laws provide for a penalty to be imposed when a taxpayer makes a substantial understatement of tax liability.

We will use our judgment in resolving questions where the tax law is unclear, or where there are conflicts between taxing authorities' interpretations of the law and other supportable positions.

Certain communications involving tax advice are privileged and not subject to disclosure to the IRS. By disclosing the contents of those communications to anyone, or by turning over information about those communications to the government, you, your partners, or the partnership's employees or agents may be waiving this privilege. To protect this right to privileged communication, please consult with us or your attorney prior to disclosing any information about our tax advice. Should you decide that it is appropriate for us to disclose any potentially

privileged communication, you agree to provide us with written, advance authority to make that disclosure.

Should we receive any request for the disclosure of privileged information from any third party, including a subpoena or IRS summons, we will notify you. In the event you direct us not to make the disclosure, you agree to hold us harmless from any expenses incurred in defending the privilege, including, by way of illustration only, our attorney's fees, court costs, outside adviser's costs, or penalties or fines imposed as a result of your asserting the privilege or your direction to us to assert the privilege.

Management is responsible for the safeguarding of assets, the proper recording of transactions in the books of accounts, the substantial accuracy of the financial records, and the full and accurate disclosure of all relevant facts affecting the return(s) to us. You also have final responsibility for the tax return(s) and, therefore, you should review the return(s) carefully before signing and filing.

Our work in connection with the preparation of the tax return(s) does not include any procedures designed to discover defalcations or other irregularities, should any exist. The returns will be prepared solely from information provided to us without verification by us. If financials are provided with this return, they are for management purposes only and no assurances are provided.

The return(s) may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of a tax examination, we will be available, upon request. However, such additional services are not included in the fees for the preparation of the tax return(s).

Our fees for tax services will be based in part upon the amount of time required at our standard billing rates for the personnel working on the engagement. All invoices are due and payable upon presentation. [Amounts not paid within 30 days from the invoice date will be subject to a late payment charge of 1.5% per month (18% per year). If for any reason the account is turned over to an attorney for collection, an additional charge of 33 1/3% will be added to the account to cover collection costs.]

In the event of a dispute related in any way to our services, our firm and you agree to discuss the dispute and, if necessary, to promptly mediate in a good faith effort to resolve. We will agree on a mediator, but if we cannot, either of us may apply to a court having personal jurisdiction over the parties for appointment of a mediator. We will share the mediator's fees and expenses equally, but otherwise will bear our own attorneys' fees and mediation cost. Participation in such mediation shall be a condition to either of us initiating litigation. In order to allow time for the mediation, any applicable statute of limitations shall be tolled

for a period not to exceed 120 days from the date either of us first requests in writing to mediate the dispute. The mediation shall be confidential in all respects, as allowed or required by law, except our final settlement positions at mediation shall be admissible in litigation solely to determine the prevailing party's identity for purposes of the award of attorneys' fees.

If the foregoing correctly sets forth your understanding of our tax engagement, please sign this letter in the space below and return it to our office. If you disagree with any of these terms, please notify us immediately.

We want to express our appreciation for this opportunity to work with you.

Dear Ms. Parden,

Attached please find our 2024 Escambia County Tourism Promotion Agency Application. We have included a current W-9, Secretary of State Divisions of Corporations Sunbiz Recognition of our Foundation, our Articles of Incorporation, and the 2024 Economic Impact of Pensacola Mardi Gras Study performed by Downs St. Germain.

Pensacola Mardi Gras Foundation, Inc. was formed in May 2023. We are waiting for the IRS confirmation of designation. Additionally, our bookkeepers are organizing and finalizing the 2024 Mardi Gras accounts. When they are complete, we are forwarding them to an independent accountant for review. Upon receipt of the full profit and loss statement, balance sheet, and independent review, we will forward those to your office.

Thank you for accepting this application and please contact us with any questions.

We are very proud of the growth of Pensacola Mardi Gras over the past 25+ years and last year's grant, along with this year's grant, will continue that growth. Our application is a bit lengthy and often a bit repetitive, however, the facts are the facts, and we felt that it was better to err on the side of repetition than leave anything to chance.

Thank you again.

Sincerely,

Danny Zimmern

RE: Requests for funding for Fiscal Year (FY) 2024

Dear Potential Funding Recipient:

Attached please find the Escambia County Tourism Promotion Agency Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 3, 2023.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is required. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Important Note: As a requirement to receive County TDT grant monies, your organization will be **required** to submit both quarterly metrics and an annual report. Your required metrics report will be derived from the metric information within your application. Specific instructions to complete your annual report are included in the **Attachment A** "Annual Narrative Form", attached to this application.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is an application check list to ensure all required documents are submitted. Please check each box to confirm that these items are included with your funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,
Stephan Hall
Finance Director

25-Word Description of Program: **Pensacola Mardi Gras is known for showcasing Pensacola's cultural heritage through celebrations, parades, and events, while boosting tourism, the economy, and community engagement via strategic event production and marketing.**

How many years has your organization been providing services in the County? **1- The 501c4 organization has an effective date of incorporation of 5/15/2023.**

How many years has your organization received funding from the County? **1.**

Explain how receiving funds from the County would have a significant impact on your organization: **Prior to the 2024 Mardi Gras season, almost all activities of the Pensacola Mardi Gras team were self-funded alongside corporate sponsorship and limited participation fees. Thanks to the FY 2023-2024 grant, the Escambia County Mardi Gras season of events and activity was expanded and improved exponentially. This included a new regional attraction held at the Pensacola Bay Center. Receiving a FY 2024-2025 grant would allow Pensacola Mardi Gras Foundation to build and further promote tourism, economic growth, and community engagement. Additionally, Mardi Gras 2025 overlaps the Sun Belt Conference Basketball Tournament being held in Pensacola, and PMGF is working toward creating an opportunity to integrate and use Mardi Gras as a way to add an extra day for the fans and teams to enjoy the assets of Escambia County.**

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: **$250,000**

Briefly discuss how last year's funds were used? **Last year's funds enabled the Pensacola Mardi Gras Foundation to expand event offerings, broaden marketing efforts, showcase Escambia County's assets, and create new experiences for tourists and locals.**

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County? **Studies show the Pensacola Mardi Gras 2024 Season attracted 151,500 attendees during a shortened 6 week season. Throughout the season, over 55,400 out-of-county visitors came to Pensacola which generated $5,031,800 in revenue. There was an increase of nearly 2,000 room nights for a total of 9,900 overnight paid accommodations. The average night stay per visitor also increased from 3.1 to 4.5 nights in 2024, which is largely a result of additional programming. Out of those visitors, 76% said that Pensacola Mardi Gras was the main reason for their stay. Additionally, the local Krewes hosted a variety of events which generated an additional estimated economic impact between $3,555,720 - $4,345,880.**

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? **The funding we are currently requesting will be utilized to support various aspects of Pensacola's Mardi Gras celebration, encompassing the production and marketing of a wide range of events and activities that take place throughout the season including:**

Krewe Balls: Over 25 Krewe Balls are organized as part of Pensacola's Mardi Gras, providing opportunities for members of different Krewes to come together, celebrate, and showcase their unique themes and traditions.

Parades: Pensacola's Mardi Gras features multiple parades, including the iconic Krewe of Lafitte Parade, the Grand Mardi Gras Parade, and the Krewe of Wrecks Pensacola Beach Parade. These parades are vibrant spectacles that attract both locals and tourists alike.

Twelfth Night Celebration: The Twelfth Night celebration marks the official beginning of the Mardi Gras season and has become a significant event in its own right. This celebration sets the stage for weeks of festivities and serves as a cornerstone of Pensacola's Mardi Gras tradition.

Pensacola Mardi Gras Mambo: This year we were proud to introduce the Pensacola Mardi Gras Mambo, a regional event that has quickly become a highlight of the Mardi Gras season, held in the Pensacola Bay Center. Featuring an authentic Jazz Brass Band, a 15-piece party and wedding band, and renowned headliners like Flo Rida, the Mambo draws Mardi Gras enthusiasts from a 250-mile radius, further solidifying Pensacola's reputation as a premier Mardi Gras destination. This event fills a crucial gap in Escambia County's tourism calendar, providing a significant draw during the period between the holidays and spring break, known as the shoulder season.

In addition to these main events, PMGF has partnered with Ascension Sacred Heart Foundation to promote and produce the Cordova Mall Ball. This Ball is unlike any other ball as it is not hosted by any one specific Krewe. With PMGF involvement, the Mall Ball has evolved into a community-wide celebration that showcases the inclusivity and camaraderie of Pensacola's Mardi Gras and is considered the "Community's Ball."

Our program encompasses all these events and more, aiming to promote the diverse cultural heritage

and community spirit of Pensacola's Mardi Gras. By investing in marketing, event production, and promotional efforts, we seek to attract tourists from across the region to experience the unique charm and family-friendly atmosphere of our Mardi Gras celebrations.

These events not only serve as major tourism draws but also contribute to the overall quality of life for residents of Pensacola and Escambia County. They provide opportunities for community engagement, cultural enrichment, and economic growth, fostering a sense of pride and unity among citizens.

In summary, the funding we are requesting will support the promotion and production of Pensacola's Mardi Gras celebration in its entirety, encompassing a diverse array of events and activities that contribute to the vitality and vibrancy of our community.

Is your program a governmental function or requirement? If a governmental request, please cite regulatory/statutory requirements. Please explain: **N/A.**

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area: **The collaboration with key public and private organizations, such as the City of Pensacola and Escambia County, significantly enhances the effectiveness of Pensacola's Mardi Gras Foundation Inc. (PMGF) in achieving the goals set forth by the Escambia County Tourist Development Council (TDC). By working closely with these partners, PMGF can maximize the impact of its efforts to attract tourists and promote Escambia County's hospitality industry.**

The support provided by the City of Pensacola, including essential services such as barricades, police labor, and oversight, ensures the smooth operation and safety of our events. This collaboration not only enhances the overall visitor experience but also showcases the city's commitment to providing a welcoming environment for tourists.

Similarly, the active participation of Escambia County staff and elected officials in our events demonstrates the county's endorsement of Pensacola's Mardi Gras celebrations as valuable tourism assets. Their involvement helps to amplify the reach of our marketing efforts and underscores the significance of Mardi Gras in promoting community exposure and education.

Furthermore, the philanthropic initiatives undertaken by Krewes during the additional 25+ Krewe-hosted Balls in the region highlight the spirit of giving within our community, which resonates with tourists seeking authentic and meaningful experiences. These partnerships not only enrich the cultural landscape of Escambia County but also contribute to the overall appeal of the region as a tourist destination.

By leveraging these collaborative relationships, PMGF can effectively leverage the funding provided by the TDC grant to amplify its marketing efforts and enhance the visibility of Pensacola's Mardi Gras celebrations on a regional and national scale. This, in turn, supports the TDC's mission of attracting tourists and marketing Escambia County's hospitality industry, ultimately driving economic growth and prosperity for the entire community.

In summary, the partnership between PMGF, the City of Pensacola, Escambia County, and other

stakeholders is instrumental in advancing the goals of the TDC and maximizing the tourism potential of Pensacola's Mardi Gras celebrations.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. **The Pensacola Mardi Gras Foundation (PMGF) is the premier partnering agency for Mardi Gras growth in Escambia County, distinguished by our unmatched expertise, robust resources, strategic vision, steadfast commitment to local impact, and unwavering dedication to accountability. Over the past 25 years of leadership in growing Pensacola's Mardi Gras celebrations, PMGF possesses the experience and acumen necessary to drive the continued expansion and enhancement of this iconic event.**

Our track record of success speaks volumes about our ability to orchestrate vibrant and culturally significant Mardi Gras celebrations that resonate with both local residents and visitors alike. By leveraging our deep-rooted connections within the community and our extensive network of partners, PMGF ensures that Mardi Gras remains a hallmark event that attracts tourists and visitors throughout the shoulder months of January, February, and March.

What sets PMGF apart from similar programs is our comprehensive approach to Mardi Gras development, which encompasses not only the production of signature events such as the Pensacola Mardi Gras Mambo and the Twelfth Night Celebration but also the strategic marketing and promotion of over 25 Krewe Balls and parades. This holistic approach allows us to create a truly immersive and unforgettable experience for attendees while maximizing the economic and cultural impact of Mardi Gras on Escambia County.

Furthermore, PMGF's dedication to accountability ensures that every dollar invested in Mardi Gras development yields tangible returns in terms of tourism growth, economic stimulation, and community enrichment. Our transparent and results-driven approach to program management fosters trust and confidence among our partners, stakeholders, and the Escambia County Tourist Development Council (TDC), reaffirming our position as the premier agency for advancing the goals of Mardi Gras in the region.

In summary, PMGF's unmatched experience, resources, strategic vision, commitment to local impact, and dedication to accountability make us the best partnering agency for driving the continued growth and success of Mardi Gras in Escambia County. We are proud to serve as stewards of this cherished tradition and look forward to further elevating its prominence and significance in the years to come.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- **Percentage for salaries/administrative costs: 0%**
- **Percentage for direct programming and marketing costs: 100%**

If Escambia County funding can only fund a portion of your request, how will you offset the difference? **Sponsorships and entry fees.**

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: **We do not anticipate any match funding.**

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. **N/A.**

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY23	FY24	FY25	% Change
1. Increase Tourism		**200,000**	**250,000+**	25%
2. Economic Impact		**7,748,900**	**10,000,000 +**	29%
3. Community Engagement and Satisfaction		**97%**	**99%**	2%

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	FY25
1.The Foundation will track the increase in tourism spending as a key performance measure. This can be measured by analyzing the overall spending by tourists during the Mardi Gras season compared to previous years. The goal would be to achieve a specific percentage increase in tourism spending, such as a 10% increase in visitor spending during the Mardi Gras festivities.	**15%**
2.The Foundation will assure the success of the program by tracking the number of events organized during the extended Mardi Gras season and the total attendance of these events. The goal would be to increase the number of events and attract a larger audience, indicating greater community engagement and participation. For example, the goal could be to host additional events and achieve a 15% increase in overall attendance compared to the previous year.	**15%**
3.The Foundation will measure the success of the program by collecting and analyzing community satisfaction and feedback. This can be done through surveys, focus groups, or online feedback platforms. The goal would be to achieve a high level of community satisfaction with	**15%**

the Mardi Gras festivities and ensure that the community's needs and expectations are met. For instance, the goal could be to achieve a 90% satisfaction rate among community members who attended Mardi Gras events.	

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in previous fiscal year."

Baseline for Goals	FY24
1.Baseline Tourism Spending: In the previous fiscal year (FY23-24), the total tourism spending during the Mardi Gras season in Escambia County was $5 million.	**$6,000,000+**
2.Baseline Number of Events and Attendees: In the previous year, there were 15 events organized by PMG during the Mardi Gras season, with a total cumulative attendance of over 250,000 individuals.	**18 events and over 250,000 attendees**
3.Baseline Community Satisfaction Rate: Our goal is to achieve the highest possible community satisfaction rate.	**97%**

ADDITIONAL QUESTIONS (Economic Development)

1. What was done by your agency to address the "Pockets of Poverty"? **N/A.**

2. Did your agency receive any grants? List the amount and a detailed use of the funds. **Yes, the Pensacola Mardi Gras Foundation received a grant of $250,000 from the Tourist Development Council. These funds were instrumental in expanding Pensacola Mardi Gras by creating and hosting new event opportunities for the community and surrounding areas. Specifically, the grant enabled us to introduce and produce the inaugural Pensacola Mardi Gras Mambo, a regional event that attracted attendees from a 250-mile radius, thereby promoting tourism and bringing in dollars to Escambia County.**

Additionally, a portion of the grant was allocated towards expanding our marketing efforts and overall reach, ensuring that Pensacola Mardi Gras continues to be a premier destination for both locals and tourists alike. Furthermore, the Foundation utilized a portion of the grant to hire a designated full-time staff member, the Executive Director, who played a pivotal role in coordinating events, managing expansion initiatives, and enhancing the overall effectiveness of our programs.

The grant provided by the Tourist Development Council was instrumental in fueling the growth and success of Pensacola Mardi Gras, enabling us to expand our event offerings, enhance marketing efforts, and strengthen organizational capacity. These initiatives not only enrich the cultural landscape of Escambia County but also contribute to the economic vitality of the region by attracting visitors and generating revenue for local businesses.

3. Was there any increase in membership for the local chambers? **N/A.**

Tourism Activity Description:

Brief description of the organization/event:

Pensacola Mardi Gras Foundation (PMGF) is dedicated to celebrating and promoting the rich cultural heritage of Pensacola through its annual Mardi Gras festivities. With over 25 years of experience, PMGF has become synonymous with the vibrant and lively spirit of Mardi Gras in the region. Our events not only showcase Pensacola's history and unique charm but also attract thousands of visitors, leading to increased tourism revenue, economic growth, and resident satisfaction for Escambia County.

What impact did your organization/event have on the citizens of Escambia County?

Pensacola Mardi Gras events play a vital role in driving tourism activity and economic development in Escambia County, benefiting both residents and local businesses. By attracting visitors from across the region, our events contribute to the "heads in beds" metric, resulting in increased occupancy rates for hotels and lodging establishments. This influx of tourists stimulates spending in the hospitality sector, supporting jobs and generating revenue for businesses throughout the county. Additionally, Mardi Gras fosters community pride and engagement, enriching the cultural fabric of Escambia County and enhancing its reputation as a premier travel destination.

Is this a new or repeat grant?

This grant request represents a repeat grant for PMGF.

If Repeat, how many years?

PMGF has received TDT funds for multiple years (small marketing grants through Visit Pensacola), demonstrating the ongoing success and impact of our Mardi Gras events on tourism and economic development in Escambia County.

Tourism Metrics:

How did your organization fulfill a special need within the tourism industry and/or enhance the overall local tourism product by increasing the number and quality of tourist activities?

Pensacola Mardi Gras Foundation (PMGF) fulfills a crucial need within the tourism industry by providing unique and engaging cultural experiences that attract visitors to Escambia County. Our Mardi Gras events serve as a significant draw for tourists during the shoulder months of January and February, complementing the county's tourism calendar and filling gaps in the off-peak season. By offering a diverse array of high-quality events and activities, PMGF enhances the overall local tourism product, providing visitors with compelling reasons to choose Pensacola as their destination.

How did your organization/event benefit tourism in Escambia County?

Pensacola Mardi Gras events make a substantial contribution to tourism in Escambia County by attracting visitors from near and far and generating significant economic impact. Through our marketing efforts and signature events, we increase awareness of Pensacola as a premier travel destination, enticing visitors to explore the region's cultural heritage, natural beauty, and hospitality offerings. Additionally, the influx of tourists during Mardi Gras season stimulates spending in local businesses, supports job creation, and boosts overall economic activity in the county.

How were Tourist Development Tax Dollars spent?

The Tourist Development Tax Dollars were allocated strategically to expand and enhance Pensacola Mardi Gras events and initiatives. These funds were used to host new large-scale events, amplify marketing efforts to attract tourists, showcase Escambia County's community assets, and foster new event opportunities. Additionally, a portion of the funds was allocated to hiring professional marketing and advertising services to maximize the reach and effectiveness of our promotional campaigns.

How did you measure the success of your organization/event?

The success of our organization and events was measured through various key performance indicators, including event attendance, ticket sales, participant numbers, vendor and sponsor engagement, media coverage, website traffic, and social media engagement. Additionally, we conducted interviews and surveys with stakeholders, including hotel operators and local businesses, to gather feedback on the impact of our events on tourism and economic development in Escambia County. Furthermore, we

commissioned an economic impact report to provide a comprehensive analysis of the direct and indirect benefits generated by Pensacola Mardi Gras events.

Examples of metrics should include the following:

Attendance/Spectators
Ticket Sales
Participants
Vendors/Exhibitors
Sponsorship Support
Media Coverage
Website Visits
Social Media Engagement

Tourism Narrative Summary:

Pensacola Mardi Gras stands as the city's pinnacle event, drawing the largest audience annually. In 2024, it attracted 200,000+ attendees, with significant out-of-county participation. Out-of-county visitors spent over $5 million, generating an economic impact of $7.7 million. Local attendees contributed $4.2 million, while Krewe events generated an additional $4.3 million. Attendees stayed for an average of 4.5 nights, contributing to 9,900 paid accommodation nights. The marketing campaign reached millions, with substantial impressions across various media platforms, enhancing Pensacola's visibility as a premier tourist destination. Additionally, 76% of out-of-county visitors cited Pensacola Mardi Gras as their primary reason for visiting, with over 80% expressing intent to return. This underscores the event's significant contribution to tourism growth and economic prosperity in Escambia County.

Tourism Activity Description:

Brief description of the organization/event.

With Pensacola's rich history, vibrant downtown, and beautiful beaches combined with a Mardi Gras celebration that began in Pensacola in 1891, Pensacola Mardi Gras is the perfect opportunity to grow tourism using our unique advantages. Over the past two decades, Pensacola Mardi Gras has evolved under the leadership of the old Pensacola Mardi Gras (PMG) and now the Pensacola Mardi Gras Foundation (PMGF). This transition has transformed

Mardi Gras into a recognizable and cherished event that attracts both regional and national guests to Escambia County and Northwest Florida.

The grant provided to the Pensacola Mardi Gras Foundation has allowed professionals in advertising and marketing to utilize their expertise to promote Pensacola Mardi Gras effectively. Unlike the past where volunteers handled advertising efforts, the grant enables the employment of professionals, ensuring strategic and impactful marketing campaigns that showcase Pensacola Mardi Gras as a premier cultural celebration.

As for the impact on the citizens of Escambia County:

Hotels, restaurants, and other businesses have come to rely on the added business during January and February of Pensacola's Mardi Gras celebration. The increased income during traditionally slow times enables these businesses to retain top talent year-round and market their services throughout the year. Moreover, the relationships developed with Pensacola Mardi Gras Krewes foster a sense of pride and community involvement among residents and businesses alike.

The positive experiences brought by Pensacola Mardi Gras contribute to sustained economic growth and development in Escambia County. The fun and excitement of Mardi Gras create memorable experiences for both locals and tourists, encouraging repeat visits and long-term tourism growth. Additionally, the active participation of Krewes, comprised of dedicated community members who support Pensacola's non-profits, fosters a sense of camaraderie and mutual support within the community.

What impact did your organization/event have on the citizens of Escambia County?

Pensacola Mardi Gras, Inc. has been a transformative force in the community, bringing together Pensacola's rich history, vibrant downtown, and stunning beaches with the time-honored tradition of Mardi Gras, which originated in Pensacola in 1874. With over 20 years of leadership since 2001, Pensacola Mardi Gras has evolved into a season-long celebration, attracting both regional and national guests to Escambia County and Northwest Florida.

The establishment of the Pensacola Mardi Gras Foundation, Inc. in 2023 marked a new chapter in our commitment to innovation and collaboration. With the support of professionals in advertising and marketing, funded by the grant, we are able to utilize their expertise to promote Pensacola Mardi Gras effectively, enhancing our visibility and reach.

These events not only bring excitement to the community but also contribute significantly to the economic growth and vitality of Escambia County. The 2024 Pensacola Mardi Gras season attracted 200,000+ attendees, with 55,400 visitors coming from out-of-county. Attendees to Krewe Mardi Gras events generated an estimated additional economic impact between $3,555,720 - $4,345,880 for the 2024 season, highlighting the significance of Mardi Gras to the local economy.

Moreover, Pensacola Mardi Gras serves as a catalyst for visitors to explore and enjoy everything the area has to offer, including its renowned Pensacola Beach with the world's whitest beaches. Visitors who come specifically for Mardi Gras in January and February are more likely to return throughout the year, bolstering tourism revenue and enhancing the overall appeal of Escambia County as a premier travel destination.

Is this a new or repeat grant? **The past year was our first year receiving the Tourism Development Grant.**
If Repeat, how many years? **1**

Tourism Metrics:

How did your organization fulfill a special need within the tourism industry and/or enhance the overall local tourism product by increasing the number and quality of tourist activities? **Pensacola Mardi Gras 2024 served as a pivotal catalyst for tourism growth in Escambia County, addressing a unique need within the tourism industry and significantly enhancing the overall local tourism product. With a robust attendance over 200,000 out-of-county and local visitors, Mardi Gras played a central role in driving tourism activity during the shoulder months of January and February, traditionally slower periods for tourism.**

One of the most significant impacts of Pensacola Mardi Gras was observed in accommodations, with out-of-county visitors generating 9,900 nights in paid accommodations in the Pensacola area. This surge in overnight stays not only provided vital support to local hotels and lodging establishments but also stimulated ancillary sectors such as dining, retail, and entertainment, thereby enriching the overall tourism experience and contributing to the economic vitality of the region.

Furthermore, the data revealed that out-of-county visitors who chose to stay overnight while attending Pensacola Mardi Gras Foundation (PMGF) events stayed an average of 4.5 nights. This extended duration of stay signifies a sustained and meaningful engagement with the local tourism product, resulting in increased spending and economic impact.

Importantly, a significant majority of out-of-county visitors identified attending PMGF events as their primary reason for visiting the Pensacola area, highlighting the unique appeal and draw of Mardi Gras as a signature tourism activity. By offering a diverse array of high-quality events and experiences, PMGF fulfills a special need within the tourism industry, providing visitors with compelling reasons to choose Pensacola as their destination and enhancing the region's reputation as a premier travel destination.

In summary, Pensacola Mardi Gras not only attracts visitors from afar but also enhances the overall local tourism product by increasing the number and quality of tourist activities. Through its diverse and engaging events, PMGF contributes to the vibrancy and sustainability

of Escambia County's tourism industry, driving economic growth and enriching the visitor experience.

How did your organization/event benefit tourism in Escambia County? **Pensacola Mardi Gras 2024 significantly bolstered tourism in Escambia County, leaving a profound impact on both the local economy and community engagement. With a remarkable attendance of over 200,000 individuals, including 55,400 out-of-county visitors, the event generated substantial economic activity within the Pensacola area. Out-of-county visitors alone injected $5,031,800 into the local economy during the festivities, contributing to a total economic impact of $7,748,900.**

This surge in visitor spending not only provided a vital boost to local businesses and the hospitality industry but also facilitated job creation and economic growth across the county. Moreover, the diverse range of Mardi Gras events and activities offered attendees unforgettable experiences, fostering a sense of community and encouraging repeat visits.

The positive word-of-mouth generated by these experiences further solidifies Escambia County's reputation as a premier travel destination, attracting visitors from both near and far. By serving as a key driver of tourism activity, Pensacola Mardi Gras plays an instrumental role in enriching the cultural fabric of the community while simultaneously bolstering the local economy.

How were Tourist Development Tax Dollars spent? **The allocation of Tourist Development Tax Dollars was directed towards strategic initiatives aimed at enhancing Escambia County's tourism landscape. These funds facilitated the expansion of the season's events by introducing two new large-scale attractions, thereby diversifying the tourism offerings available to visitors.**

Additionally, the Tourist Development Tax Dollars were instrumental in amplifying marketing efforts across five states, effectively promoting Escambia County's unique community assets and cultural heritage. By leveraging these resources, we aimed to elevate the county's profile as a desirable travel destination, attracting visitors from near and far.

Furthermore, these funds were allocated towards fostering new event opportunities, creating innovative experiences that not only captivated audiences but also contributed to the growth of tourism dollars flowing into the area. Through strategic investment, we aimed to maximize the impact of Tourist Development Tax Dollars, ensuring a tangible return on investment for the local tourism industry and economy.

How did you measure the success of your organization/event? **We employed a comprehensive approach to measure the success of our organization/event, utilizing various key performance indicators to assess our impact. These included tracking room nights during the season, monitoring event attendance (both participation and spectators), analyzing ticket sales, assessing participant and vendor engagement, evaluating media coverage, and monitoring website and social media metrics.**

In addition to quantitative data, we gathered qualitative feedback by conducting interviews with hotel operators and food and beverage establishment owners to gauge the impact of our events on local businesses. This provided valuable insights into the broader economic benefits generated by Pensacola Mardi Gras.

Furthermore, we commissioned an economic impact report by Downs & St. Germain to conduct a thorough analysis of the economic contributions of our events. This comprehensive assessment offered quantitative data on the economic benefits generated, further validating the success of Pensacola Mardi Gras in driving tourism and economic growth in Escambia County.

Allyson,

Our answers are in **RED** below. Can I come by and sign the missing signature line at your office in the morning? I don't thank that there is anything else to do for now, is there? We have a report that we have drafted with an outline of the benefits that the TDC funding provided. We can have that to you on Monday or Tuesday at the latest if needed. Our goal was to have it before the next TDC meeting, but maybe we need to hurry. Please let me know.

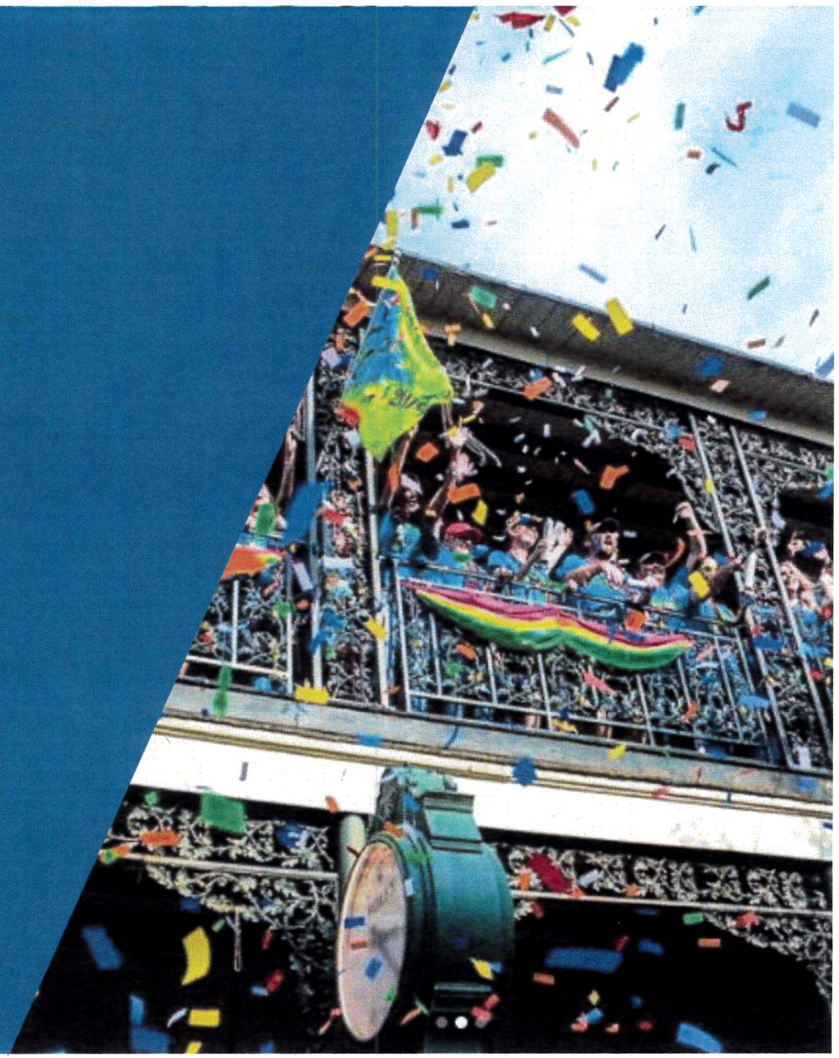
PENSACOLA MARDI GRAS

Economic Impact of the Pensacola Mardi Gras 2024



January 6th – February 13th, 2024

PMG

downs & st. germain RESEARCH

EXECUTIVE SUMMARY

downs & st. germain RESEARCH

PURPOSE

Purpose

This study was conducted to measure the economic impact of the Mardi Gras celebration to the Pensacola area

Total economic impact is a function of direct spending by **out-of-county visitors** in the Pensacola area, as well as the indirect and induced effects of this spending, such as increased business and household spending generated by tourism dollars

Direct spending by **out-of-county visitors** includes spending on accommodations, restaurants, groceries, transportation, attractions, entertainment, tickets, shopping, and "other" expenses

Indirect effects are increased business spending resulting from tourism dollars. Induced effects are increased household spending resulting from tourism dollars

Local spending does **not** affect total economic impact and is not included in the direct spending by visitors or the economic impact figure

METHODOLOGY

Data Collection

295 interviews were completed in-person with visitors to Mardi Gras events between Jan 6th - Feb 13th, 2024. Attendance figures from Pensacola Mardi Gras Foundation and an independent attendance estimate by Downs & St. Germain Research were used in this report.

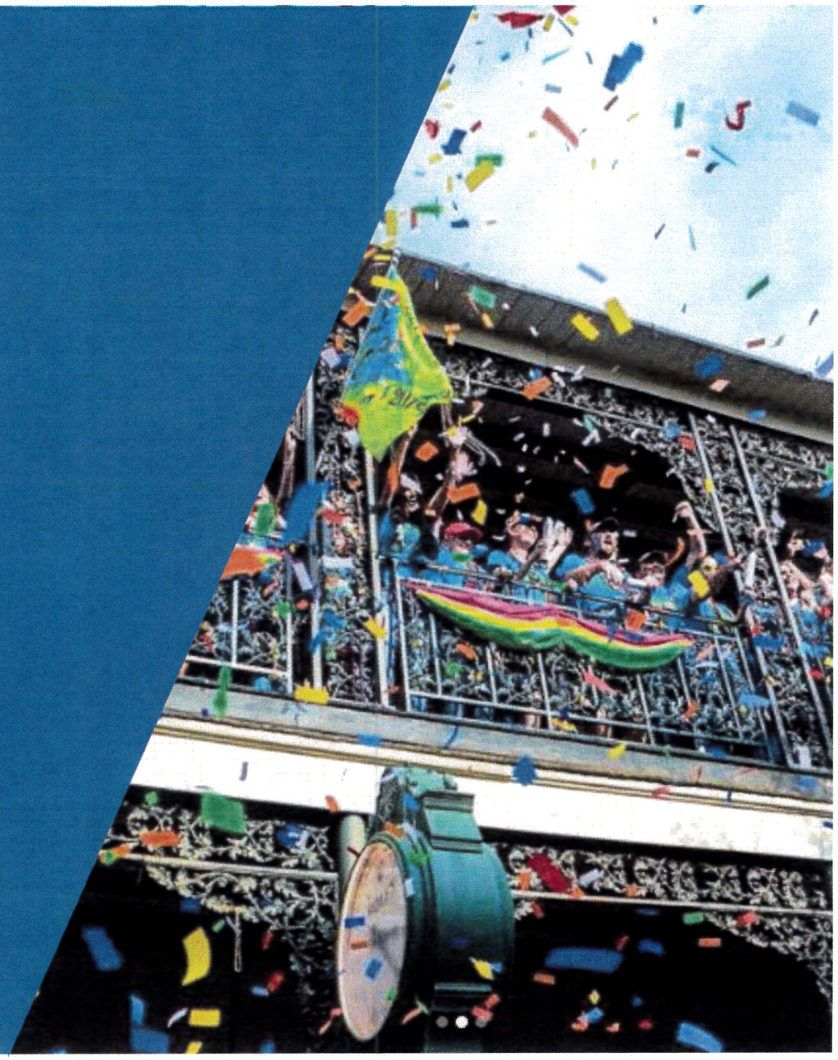
Economic Impact

Total economic impact is a function of direct spending by visitors in the Pensacola area, as well as the indirect and induced effects of this spending, such as increased business and household spending generated by tourism dollars.

Multiplier

Downs & St. Germain Research uses IMPLAN economic modeling to calculate the multiplier based on direct expenditure data collected from visitors to the Pensacola area. Agencies such as FEMA, EPA, Federal Reserve bank, and the Bureau of Land Management use IMPLAN modeling. Pensacola's multiplier is 1.54.

EXECUTIVE SUMMARY



- Mardi Gras 2024 attracted **151,500**[1] unique attendees, 55,400 out-of-county attendees and 96,100 locals
- **37%** of attendees were out-of-county visitors

RE: Requests for funding for Fiscal Year (FY) 2024

Dear Potential Funding Recipient:

Attached please find the Escambia County Tourism Promotion Agency Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 3, 2023.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is required. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Important Note: As a requirement to receive County TDT grant monies, your organization will be **required** to submit both quarterly metrics and an annual report. Your required metrics report will be derived from the metric information within your application. Specific instructions to complete your annual report are included in the **Attachment A** "Annual Narrative Form", attached to this application.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is an application check list to ensure all required documents are submitted. Please check each box to confirm that these items are included with your funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,
Stephan Hall
Finance Director

FISCAL YEAR 2024

ESCAMBIA COUNTY
AGENCY FUNDING REQUEST APPLICATION

All agencies requesting funding from Escambia County must submit the below-listed information and complete the attached form. Failure to submit all required information or to complete the form will remove your organization from consideration for funding. Please submit the completed application packet electronically to **Budget@myescambia.com**.

DEADLINE - Monday, April 3, 2023

ELIGIBILITY CRITERIA:

Organizations eligible to apply for funding must:

- Demonstrate funding received from sources other than local governments in an amount at least equal to the amount requested from Escambia County.
- Tax-exempt under Section 501(c)(3) of the Internal Revenue Code, independent of a financial sponsor (local affiliates may apply under the 501(c)(3) of the national organization).
- Located in and serve residents of Escambia County.
- Provide at least 3 full years (36 months) of independently prepared, audited or reviewed financial statements or tax returns, unless organization was formed within the last 3 years.
- Not a recipient of Community Partner funding for more than 3 fiscal years unless the organization serves a government purpose OR for years 4 and beyond, funding must reduce at rate of at least 5% per year.
- The Board of County Commissioners retains the right to waive the eligibility criteria.

APPLICANTS SHOULD:

- Explain why receiving funding would have an especially significant impact on their organization.
- Have a mission and programs or services that serves a governmental program or citizen focused mission.
- Submit a proposed budget where government funding does not exceed 50% of annual operating budget unless in first 3 years of operation or mandated by statutory or another regulatory requirement.
- Plan to expend funds within 12 months.

Funds may be provided for programs, services, necessary infrastructure or other initiatives that support the organization's core mission. **Funds will not be provided for:**

- debt reduction, operating deficits, interim or bridge funding or endowment funding,
- individuals or private foundations,
- activities that are religious or political in nature,
- fund drives, annual appeals, fundraising events or general capital campaigns, and
- salaries that do not directly impact the program unless mandated by statutory or regulatory requirement.

When submitting your completed application with all required documents, provide your documents in original Word format or a direct PDF of the Word document. **Please limit scanned documents as much as possible.**

GENERAL INFORMATION

Agency Name: **Naval Aviation Museum Foundation, Inc. on behalf of its wholly owned subsidiary, The National Flight Academy, LLC.**

Agency Address: **1750 Radford Blvd., Suite B Pensacola, FL 32508**

Program Name for which funding is being requested: **National Flight Academy**

Amount Requested: **$100,000**

Program Contact: **Stephanie Pugh**

Contact Email: **spugh@nationalflightacademy.com** Contact Phone: **(850) 308-8934**

25-Word Description of Program:

National Flight Academy is a state-of-the-art aviation-themed learning experience which inspires youth to pursue STEM careers. Our STEM program inspires students to seek out the more challenging courses in Science, Technology, Engineering, and Math after participation.

How many years has your organization been providing services in the County? **12**

How many years has your organization received funding from the County? **12**

Explain how receiving funds from the County would have a significant impact on your organization:

To effectively deliver our world class program, support from Escambia County is instrumental to ensure the 1,700+ students currently slated to attend are able to take advantage of the unique experience the National Flight Academy offers. This support directly benefits the students by helping cover expenses including but not limited to transportation, program items, and exposure to a wide array of career opportunities. Support from Escambia County would directly help with meal costs for the students during our summer Deployment program. These activities bring students and families to Escambia County, supporting local tourism and economic opportunities.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: **$100,000**

Briefly discuss how last year's funds were used?

Last year's funds were used to provide meals to students during our 12-week summer Deployments.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County?

NFA was able to serve about 150 students in Escambia County. Our program hosts about 1500 students across the country and the world. We have had students from all states attend. Our summer program brings an increase to tourism in the local area, as parents drop off their children for one week and patronize local hotels, shopping, and restaurants.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County?

(NFA) leverages state-of-the-art classrooms and 40 networked experimental aircraft flight simulators directly supporting program objectives in an immersive, scenario-based environment. Students will combine critical 21st-century skills with Science, Technology, Engineering and Math (STEM) fundamentals to plan, brief, and execute a wide range of aviation-themed missions. We host 144 students each week during the summer. Escambia County's funding support of $100,000 subsidized the cost of meals for each student participant.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: **N/A**

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area: **N/A**

_____

_____

_____

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program.

Located adjacent to the National Naval Aviation Museum, the National Flight Academy is a 102,000-square foot, state-of-the-art virtual aircraft carrier called *AMBITION* (CVT-11). Each area of *AMBITION* is scenically and theatrically designed to simulate a modern aircraft carrier in which students work within a team squadron format to successfully plan and execute humanitarian missions and tasks. Whether it is a race or rescue, teambuilding activity, or education modules (like the Virtual Reality lab space focused on Aviation Maintenance) science, technology, engineering, and math (STEM) skills are used in tandem with equally important 21st Century learning skills including critical thinking, problem-solving, adaptability and communication to advance the team.

The facility's main deck includes a galley, mess deck, administrative spaces, and the aircraft hangar bay, which houses 42 virtual aircraft simulators, the largest grouping outside the military. The first deck is dedicated to academic spaces including the operations and intelligence centers. The second and third decks house berthing (crew quarters), lounges and activity rooms. The facility is designed in compliance with the Americans with Disabilities Act as well as being accredited by the American Camp Association.

***AMBITION* is like no other educational experience. From the theme park-like sights and sounds to the premier technology available for students, an AXPs' experience is unparalleled. We accommodate six-day Deployments, three-day Cruises and one-day Adventures to fit educational objectives and initiatives of schools, corporate sponsors, and parents. The National Flight Academy ignites imagination and encourages learning like none other, boosting students' interest in the STEM and aviation-related careers needed for a highly skilled, future workforce.**

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: **0%**
- Percentage for direct programming costs: **100%**

If Escambia County funding can only fund a portion of your request, how will you offset the difference?

We will continue our ongoing fundraising and development efforts focused on corporate, community and private donor support. Current supporters committed to providing NFA support for students include Pratt & Whitney, Delta Air Lines and FedEx Express. Community and educational partners include groups such as American Legion, Sea Cadets, NAACP, JROTC programs, as well as numerous school districts.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: **N/A**

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. **N/A**

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY23	FY24	FY25	% Change
1. Increase number of students in Escambia County who attend a NFA program (6-day, 3-Day, 1-Day, or STEM Saturday program)	242	Increase by 50	Increase by 50	17%
2. Increase the number of students who attend a NFA program and live within a drive market.	811	Increase by 250	Increase by 36	3%
3. Increase the number of students who attend a NFA program who live farther than driving distance.	1,152	Increase by 300	Increase by 36	3%

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	FY25
1. Grow the number of students living in Escambia County who attend a NFA program (6-Day, 3-Day, 1-Day, or STEM Saturday program; compared to 2023's number of total students attended)	The number of students in attendance will increase from 292 to 342.
2. Grow the number of students who attend a NFA program and live within a drive market (Compared to 2024's number of total students attended)	The number of students in attendance will increase from 1,060 to 1,096.
3. Grow the number of students who attend a NFA program who live farther than driving distance.	The number of students in attendance will increase from 1,452 to 1,488.

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in previous fiscal year."

Baseline for Goals	FY24
1. We have seen a rise in support of our program, not only through local middle and high school participation, but schools around the panhandle as well. This past year we have grown and continue to increase the number of students who attend an NFA program during the academic school year.	345 students will attend during the 2024 academic year.
2. We have seen an increase in scholarship opportunities for students within the driving market of Pensacola. Since summer 2023, we have increased our attendance rate by 300 students.	1,061 students will attend an NFA program.

Dear Applicant:

Our letter dated June 1980 stated that you were exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code and classified as a public charity under section 509(a)(3) of the Code.

Based on the information you submitted, we have modified your public charity status to the Code section listed in the heading of this letter. Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(3) of the Code.

Publication 557, Tax-Exempt Status for Your Organization, provides detailed information about your rights and responsibilities as an exempt organization. You may request a copy by calling the toll-free number for forms, 800-829-3676. Information is also available on our Internet Web Site at www.irs.gov.

Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

If you have any questions, please call our toll free number shown in the heading of this letter.

Sincerely,

Robert Choi

Naval Aviation Museum Association, Inc.
Naval Aviation Museum, Naval Air Station
Pensacola, Florida 32508

Gentlemen:

On the basis of your stated purposes and the understanding that your operations will continue as evidenced to date or will conform to those proposed in your ruling application, we have concluded that you are exempt from Federal income tax as an organization described in section 501(c)(3) of the Internal Revenue Code. Any changes in operation from those described, or in your character or purposes, must be reported immediately to your District Director for consideration of their effect upon your exempt status. You must also report any change in your name or address.

You are not required to file Federal income tax returns so long as you retain an exempt status, unless you are subject to the tax on unrelated business income imposed by section 511 of the Code, in which event you are required to file Form 990-T. Our determination as to your liability for filing the annual information return, Form 990-A, is set forth above. That return, if required, must be filed on or before the 15th day of the fifth month after the close of your annual accounting period indicated above.

Contributions made to you are deductible by donors as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to or for your use are deductible for Federal estate and gift tax purposes under the provisions of section 2055, 2106 and 2522 of the Code.

You are not liable for the taxes imposed under the Federal Insurance Contributions Act (social security taxes) unless you file a waiver of exemption certificate as provided in such act. You are not liable for the tax imposed under the Federal Unemployment Tax Act. Inquiries about the waiver of exemption certificate for social security taxes should be addressed to this office, as should any questions concerning excise, employment or other Federal taxes.

This is a determination letter.

Very truly yours,

F. S. Schmidt

F. S. Schmidt
District Director

Your tax exempt status is predicated upon the understanding that you will am your certificate of incorporation to provide that in the event of dissolutio your assets will be contributed to the Navy Relief Society or to an organization exempt under the provision of section 501(c)(3) of the Internal Revenue Code.

Dear Naval Aviation Museum Foundation,

Enclosed is the organization's 2022 Exempt Organization return.

The instructions for filing are attached to your copy of the return.

We prepared return from information you furnished us without verification. Upon examination of the return by tax authorities, requests may be made for underlying data. We therefore recommend that you preserve all records which you may be called upon to produce in connection with such possible examinations.

We sincerely appreciate the opportunity to serve you. Please contact us if you have any questions concerning the tax return.

Sincerely,

Allison Jones, CPA

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Naval Aviation Museum Foundation, Inc. and Subsidiary

Opinion

We have audited the accompanying consolidated financial statements of the Naval Aviation Museum Foundation, Inc. and Subsidiary (the "Foundation") (a nonprofit corporation), which comprise the consolidated statements of financial position as of December 31, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Foundation, as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

To the Board of Directors
Naval Aviation Museum Foundation, Inc. and Subsidiary

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Business Operations:

The Naval Aviation Museum Foundation, Inc. ("NAMF") was incorporated in Florida in 1966 as a nonprofit corporation. NAMF was organized to foster and perpetuate the National Naval Aviation Museum (the "Museum") as a medium of informing and educating the public about the important role of United States Naval Aviation; to inspire students undergoing naval flight training to complete training and become career officers; to serve as a philanthropic corporation in assisting the development and expansion of the facilities of the Museum; and to receive, hold, and administer gifts received from persons, other organizations, corporations, foundations, and philanthropies, in the best interest of NAMF.

NAMF further supports the Museum by providing funding and services necessary for its day-to-day operations. This includes funding of Museum exhibits and displays, and services related to aircraft restoration, custodial, marketing activities including radio and television ads and promotional billboards, maintenance of the Museum's website, and social media, library and other support activities. NAMF has also provided various program services within the Museum, such as the Giant Screen Theater (the "Theater"), MaxFlight and Motion Based Simulators, Flight Deck gift shop and Navalaviation.com. Proceeds from these programs are used to support NAMF and the Museum.

NAMF's wholly owned subsidiary, National Flight Academy, LLC ("NFA"), is an educational program, authorized but not endorsed or financially supported by the United States Navy. NFA is designed to address the serious concerns of declining Science, Technology, Engineering, and Math ("STEM") skills and standards in our country. The STEM concepts are taught using a hands-on approach in both real and virtual settings. NFA's mission is to inspire students who subsequently return to their parent schools and seek out the more challenging courses in STEM.

Under agreements with the Navy, NAMF is provided, without cost, office space in the Museum, floor space for operation of its attraction programs, and use of NFA. These agreements also govern operational programs conducted at the Museum and NFA by NAMF. Additionally, NAMF must file an annual financial report with the Navy and make provision in its annual budget to provide fiscal support of Museum programs.

Principles of Consolidation:

The consolidated financial statements as of and for the year ended December 31, 2022 and 2021 include the accounts of NAMF and NFA. These entities are collectively referred to as "the Foundation."

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Museum Access Restrictions:

The Museum and the Foundation are located on Naval Air Station Pensacola ("NASP"). On December 6, 2019, a terrorist incident occurred on NASP. In response, the Navy rescinded a base public waiver, which in turn severely limited public access to the base, thereby drastically reducing the number of visitors to the Museum by 66% and 73% for 2022 and 2021, respectively, when compared to 2019 visitation. In addition, Coronavirus Disease 2019 ("COVID-19") became a pandemic in March 2020. The Museum was closed to all visitors from March 16 through September 15, 2020, when it reopened in a limited capacity to active-duty military and their dependents. NFA programs scheduled after March 16 were cancelled for the safety of the participants and the staff through the end of 2021. The estimated financial impact to NAMF and NFA combined was $6.2 million in lost operating revenues for 2021. NFA programs resumed in 2022; however, the Museum remained limited to active-duty military and their dependents. The estimated financial impact to NAMF was $3.4 million in lost operating revenues for 2022.

Effective May 1, 2023, the Under Secretary of the Navy (Installations and Energy) approved the proposed internal access check point waiver that restores access by the general public to the Museum.

Basis of Accounting:

The Foundation follows standards of accounting and financial reporting prescribed for nonprofit organizations in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Foundation uses the accrual basis of accounting, which recognizes revenue when earned and expenses as incurred.

Basis of Presentation:

Under the provisions of generally accepted accounting principles, net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Net assets without donor restrictions - are not subject to donor-imposed stipulations. Board designated or appropriated amounts are legally unrestricted and are reported as part of net assets without donor restrictions.

Net assets with donor restrictions - are subject to donor-imposed stipulations that include time and/or purpose restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents:

For purposes of the consolidated statements of cash flows, the Foundation considers all highly liquid investments purchased within three months of maturity to be cash equivalents.

Unconditional Promises to Give:

Unconditional promises to give are stated in the consolidated statements of financial position at their estimated realizable value. The Foundation accounts for bad debts using the allowance method. Unconditional promises to give with due dates extending beyond one year are discounted at the United States long-term inflationary rate.

Inventory:

Inventory consists of items available for sale in the Flight Deck gift shop, as well as for web sales at Navalaviation.com and is stated at the lower of cost (using the average cost method) or net realizable value.

Investments:

Investments consist of certificates of deposit with original maturities in excess of three months, debt and marketable equity securities, mutual funds and annuities. All gains and losses arising from the sale, collection, or other disposition of investments are based on the specific identification method.

The Foundation's assets shall be invested in accordance with sound investment practices that emphasize long-term investment fundamentals. The investment objectives are determined by taking into account financial needs and circumstances, the time horizon available for investment, cash flows, liabilities, and other factors that affect risk tolerance.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements:

The Foundation has adopted ASC 820, *Fair Value Measurements,* which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

Three levels of inputs may be used to measure fair value:

Level 1: Observable inputs such as quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a company's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

NAMF uses the following valuation techniques to determine the fair value of its investments:

Certificate of deposit: Valued at cost plus accrued interest, which approximates fair value due to the short-term nature of these investments.

Equities and mutual funds: Determined by the published net asset value per unit at the end of the last trading day of the fiscal year, which is the basis for transactions at that date.

Private equity: Investments in private equity partnerships for which there is no readily determinable fair value are classified as Level 3 as the valuation is based on significant unobservable inputs.

Hedge funds: This fund invests in marketable securities that trade in well-established and highly liquid markets. Independent pricing services are used to obtain daily position prices. These prices are used to determine the value of the multi-fund pool (hedge fund). Once the hedge fund valuation is established, the individual investor valuations are calculated based on their ownership share of each pool.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements (Continued):

Annuity contracts: Determined by prices and other relevant information generated by market transactions involving comparable instruments. The prices and other relevant information used are adjusted based on the risk and benefits of the contracts in order to arrive at the fair value.

There were no changes in the valuation techniques during the year.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although NAMF believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate for fair value at the reporting date.

Endowment Funds:

The Foundation's endowment funds consist of individual funds established to support the Museum. The State of Florida adopted the Uniform Prudent Management of Institutional Funds Act of 1972 (UPMIFA) effective June 17, 2012. The Foundation applies UPMIFA and currently classifies as net assets with donor restrictions (a) the original value of the gifts donated to the restricted endowment fund, (b) the original value of subsequent gifts to the restricted endowment fund (if any) and (c) accumulation to the restricted endowment fund made in accordance with the direction of the applicable donor gift instrument.

In accordance with UPMIFA, the organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

(1) The duration and preservation of the endowment fund.
(2) The purpose of the organization and donor-restricted endowment fund.
(3) General economic conditions.
(4) The possible effect of inflation and deflation.
(5) The expected total return from income and the appreciation of investments.
(6) Other resources of the Foundation.
(7) The investment policies of the Foundation.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Endowment Funds (Continued):

Strategies Employed for Achieving Objectives -

To satisfy its long-term rate-of-return objectives, the Foundation has determined that the investment of the assets shall be guided by the following underlying principles: (a) to achieve a positive rate of return over the long term that would significantly contribute to the cash flow needs of the Foundation for ongoing operations and capital projects; (b) to provide for asset growth at a rate in excess of the rate of inflation; (c) to diversify the assets in order to reduce the risk of wide swings in market value from year to year or of incurring large losses that could occur from concentrated positions; and (d) to achieve investment results over the long term that compare favorably with those of other endowments and foundations, professionally managed portfolios and of appropriate market indexes.

The Foundation uses the following principles for their Spending Policy:

1. The Board approves the Foundation's general spending practices.
2. Foundation revenue-generating functions should substantially fund Foundation operations.
3. Strict adherence to donor gift instructions is mandatory.
4. Absent donor gift instructions to the contrary, and as permitted by pertinent law, income and capital appreciation related to restricted assets may be used to fund Foundation operating needs. Absent specific Board approval, this funding, in any year, will not exceed 5% of the market value of the fund averaged over the preceding three years.

Property and Equipment:

Property and equipment are recorded at cost, except for donated property or equipment, which is recorded as a contribution at estimated fair value on the date of receipt. Assets costing $5 thousand or more are capitalized and depreciated over their estimated service lives on a straight-line basis. Leasehold improvements are depreciated over the life of the lease or the estimated useful life of the asset, whichever is shorter. The Foundation does not imply a time restriction on gifts of long-lived assets received. The Foundation annually reviews the property and equipment records for impairment of value and records any adjustments necessary to reflect material impacts in value.

Buildings and Aircraft Collections:

The Museum is housed in buildings, which were purchased with funds raised through NAMF. The cost of these buildings is expensed as a transfer to the U.S. Navy since they are constructed on land owned by the Navy.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Buildings and Aircraft Collections (Continued):

The Museum has extensive collections of aircraft and artifacts that constitute a record of aviation in the United States. These valuable and sometimes irreplaceable collections have been acquired through field expeditions, contributions, and purchases since NAMF's inception and represent one of the largest aviation history collections in the United States. Costs to refurbish these aircraft are recognized as expense when incurred. The collections are the property of the United States Navy and are not recognized as assets in the accompanying consolidated statements of financial position. They are held under the care of the curatorial staff for educational and public exhibition purposes in furtherance of NAMF's mission.

Revenue Recognition:

Sales and Tuition

The Foundation recognizes revenue for sales and tuition based on the satisfaction of performance obligations. Performance obligations are determined based on the goods or services provided by the Foundation. Sales of merchandise, concessions, and refreshments are recognized as goods are delivered to customers. Revenues from simulator experiences, movie tickets, and other miscellaneous services are recognized on the date the service is provided.

NFA receives tuition revenue from third parties to provide education programs. Tuition collected in advance is deferred until the services are provided. Revenue is recognized as the participants complete the program.

Contributions

Contributions are recognized when a donor makes a *promise to give* that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions in the year in which the restrictions expire. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

The Foundation, at times, is notified that it has been named as the beneficiary in the estate of certain individuals under revocable agreements. Such amounts are recorded as contributions upon the passing of the donor and as the amounts become irrevocable.

Grants

Grants are recognized as revenue without donor restrictions when expenses have been incurred for allowable purposes consistent with the terms of the grant agreements. Funds received in advance of allowable grant expenses are reported as deferred revenue in the accompanying statements of financial position.

Special Events

Special events revenues are recognized as events occur.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Allocation of Expenses:

The costs of providing the various programs and supporting activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, costs have been allocated among the program and supporting services benefited. The expenses that are allocated are compensation and benefits, which are allocated on the basis of estimates of time and effort; occupancy costs and depreciation, which are allocated on a weighted average square footage basis; and supplies, which are allocated based on average employee headcount.

Advertising Costs:

Advertising costs are expensed as incurred and totaled approximately $259 thousand and $220 thousand in 2022 and 2021, respectively.

Tax Exemption:

The Internal Revenue Service has determined the Foundation be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Foundation has been classified as a publicly supported organization, which is not a private organization under Section 509(a) of the Code. The Foundation is not aware of any uncertain tax positions that would require disclosure or accrual in accordance with GAAP.

New Accounting Pronouncement:

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2016-02, *Leases (Topic 842)*. The guidance in this topic supersedes the requirements in Accounting Standards Codification ("ASC") Topic 840, *Leases*. With the exception of short-term leases, the updated guidance requires lessees to recognize a lease liability representing the lessee's obligation to make lease payments arising from a lease, measured on a discounted basis, and a right-of-use asset representing the lessee's right to use, or control the use of, a specified asset for the lease term upon adoption. Lessor accounting was largely unchanged under the new guidance, except for clarification of the definition of initial direct costs which provided additional guidance on the timing of recognition of those costs. Subsequent to the issuance of this update, the FASB issued three additional ASUs that provide codification improvements and certain transition elections. ASC 842 was effective for fiscal year beginning after December 15, 2021. As mentioned previously, the Museum is housed in buildings, which were constructed with funds raised by the Foundation, the cost of which was expensed as a transfer to the U.S. Navy. As a result, the Foundation is allowed by the Navy to occupy certain space gratuitously per the lease agreements. Therefore, the Foundation has no leases requiring recognition under ASC 840.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events:

Management has evaluated subsequent events through August 31, 2023, the date which the consolidated financial statements were available to be issued.

NOTE 2 - INVESTMENTS (Continued)

Net Return on Investments:

The net return on investments (in thousands of dollars) was as follows:

	Without Donor Restrictions	With Donor Restrictions
Year Ended December 31, 2022:		
Dividends and interest	$ 540	$ 399
Net realized gain on investments	185	115
Unrealized loss on investments	(3,145)	(1,671)

Net realized gain on investments	64	41
Unrealized gain on investments	458	132
Net return on investments	$ 1,613	$ 875

As of December 31, 2022 and 2021, investment income on the consolidated statements of activities are net of custodial and investment advisory fees of approximately $37 thousand and $119 thousand, respectively.

NOTE 3 - BENEFICIAL INTEREST IN PERPETUAL TRUST

NAMF is the beneficiary of a perpetual trust, which is administered by a financial institution. NAMF receives income distributions from the perpetual trust quarterly and has no access to the corpus. At December 31, 2022 and 2021, perpetual trust assets totaling approximately $1.2 million and $1.5 million, respectively, were recorded in the consolidated statements of financial position as net assets with donor restrictions.

NOTE 3 - BENEFICIAL INTEREST IN PERPETUAL TRUST (Continued)

The perpetual trust is valued at fair value and is comprised of equities and mutual funds (level 1). Distributions to NAMF from the perpetual trust during the years ended December 31, 2022 and 2021 totaled approximately $64 thousand and $49 thousand, respectively.

At December 31, 2022 and 2021, the beneficial interest in perpetual trust included the following (in thousands of dollars):

	2022	2021
Cash and cash equivalents	$ 31	$ 31
Equity securities	676	1,010
Fixed income securities	400	372
Real estate funds	44	42
	$ 1,151	$ 1,455

NOTE 4 - PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2022 and 2021, consisted of the following (in thousands of dollars):

	Useful Lives	2022	2021
Foundation:			
Office, simulators and theater equipment and furnishings	3 - 15 years	$ 3,247	$ 3,520
Construction in progress		1,505	151

Less: accumulated depreciation		(10,625)	(10,273)
		1,304	1,656
		$ 3,896	$ 2,817

NOTE 5 - NOTES PAYABLE

In October 2015, NAMF entered into a promissory note with a bank in the amount of $1.5 million with an interest rate of 3.75%. The proceeds from the note were utilized to renovate the Theater, which was operational in March 2016. The terms of the note included six consecutive interest-only installments, with the last interest only installment due on April 6, 2016, at which time the note converted to a seven-year repayment term with final payment due on April 6, 2023. A three-month deferral was received in 2020, with a new maturity date on July 6, 2023. The note includes certain affirmative covenants including an unrestricted funds debt service coverage ratio. There are additional affirmative and negative covenants, which include notifying the lender of claims or litigation, maintaining adequate insurance, providing audited financial statements to the lender, and other compliance requirements. The note is secured by the Theater equipment acquired as part of the renovation. The balance outstanding at December 31, 2022 and 2021, was $151 and $385 thousand, respectively.

In May 2018, NFA entered into a promissory note with a third-party in the amount of $148 thousand. The note is amortized over an eight-year period and matures on May 31, 2026. The note is secured by the meals contract with the third party. At December 31, 2022 and 2021, the balance outstanding was $71 thousand and $89 thousand, respectively.

The following is a schedule of the future maturities under the notes payable (in thousands of dollars):

2023	$	170
2024		19
2025		19
2026		14
	$	222

NOTE 6 - LINE OF CREDIT

In August 2021, NFA entered into a line of credit agreement with a bank in the amount of $100 thousand, with a rate of interest of prime plus 1.50%. The line is secured by NFA's accounts and equipment. The line of credit matured on August 31, 2022. There was no outstanding balance on this line of credit as of December 31, 2022 and 2021.

In September 2022, NAMF entered into a line of credit agreement with a bank in the amount of $500 thousand, with a rate of the standard overnight funds rate plus 2.75%. The line of credit is secured by NAMF's inventory, accounts, equipment and fixtures. The line of credit matures in September 2024. There was no outstanding balance on this line of credit as of December 31, 2022.

NOTE 7 - EMPLOYEE BENEFITS

The Foundation has a Safe Harbor 401(k) plan, which covers employees who have completed three months of service and who are at least 21 years of age. Employees may contribute up to the lesser of $20,500 or 50% of their eligible salaries into the plan. The Foundation makes a fully vested matching contribution equal to 100% of the first 4% of compensation each participant contributes to the plan each payroll period. The Foundation made matching contributions to the plan in 2022 and 2021 of approximately $82 thousand and $59 thousand, respectively.

NOTE 8 - NET ASSETS WITH DONOR RESTRICTIONS

At December 31, 2022 and 2021, donor restricted net assets consisted of the following (in thousands of dollars):

	2022	2021
Subject to expenditures for specified purposes:		
Scholarships	$ 176	$ 36
Sponsorships	85	81
Restoration of aircraft and exhibits	693	563
Museum support	42	1,746
Membership and other	8	59
	1,004	2,485
Subject to time restrictions	5,533	5,533
Subject to the Foundation's spending policy and appropriation:

Subject to restriction in perpetuity:		
Beneficial interest in perpetual trust	1,151	1,455
Total net assets with donor restrictions	$ 14,596	$ 16,381

NOTE 9 - ENDOWMENT FUNDS

The following depicts the endowment funds (in thousands of dollars), as well as the activity for the endowment funds, for the years ended December 31, 2022 and 2021:

	2022	2021
Endowment net assets, beginning of year	$ 8,363	$ 8,267
Gain (loss) on beneficial interest in perpetual trust	(304)	96
Endowment net assets, end of year	$ 8,059	$ 8,363

NOTE 10 - REVENUE RECOGNITION

For the years ended December 31, 2022 and 2021, the Foundation recognized revenues of $1,348 thousand and $77 thousand, respectively, from amounts that were included in deferred revenues at the beginning of the respective years. At December 31, 2022 and 2021, deferred revenues totaled $176 thousand and $1,348 thousand, respectively. The performance obligations surrounding the majority of these liabilities at December 31, 2022 will be fully satisfied within one year from the date of the statement of financial position.

NOTE 11 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Foundation has a policy to manage its liquidity and reserves following three guiding principles: operating within a prudent range of financial stability, maintaining adequate liquidity to fund near-term operations, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

NOTE 11 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS (Continued)

The following table reflects the Foundation's financial assets (in thousands of dollars) as of December 31, 2022, reduced by amounts not available for general expenditures within one year:

Cash and cash equivalents	$	1,752
Accounts receivable, net, collected in less than one year		952
Investments		20,617
Beneficial interest in perpetual trust		1,151
Total financial assets, excluding noncurrent receivables		24,472
Contractual or donor-imposed restrictions:		
Endowment fund investments		(6,908)
Beneficial interest in perpetual trust		(1,151)
Other donor restrictions		(6,537)
Financial assets available to meet cash needs for expenditures within one year	$	9,876

NOTE 12 - PAYCHECK PROTECTION PROGRAM LOAN

In February 2021, the Foundation received proceeds from a Paycheck Protection Program ("PPP") loan in the amount of $1 million. The PPP loan's principal and accrued interest were forgivable to the extent that the proceeds are used for eligible purposes, subject to certain limitations. The loan proceeds were used for eligible purposes during the period from loan funding through July 20, 2021, and the loan was forgiven in August 2021. Accordingly, the Foundation recognized $1 million as grant revenue during the year ended December 31, 2021.

NOTE 13 - EMPLOYEE RETENTION CREDITS

The Taxpayer Certainty and Disaster Tax Relief Act of 2020, enacted December 27, 2020, made a number of changes to the employee retention tax credits previously made available under the CARES Act, including modifying and extending the Employee Retention Credit ("ERC"), for six months through June 30, 2021. As a result of the new legislation, eligible employers can now claim a refundable tax credit against the employer share of Social Security tax equal to 70% of the qualified wages they pay to employees after December 31, 2020, through June 30, 2021. Accordingly, the Foundation recognized ERC amounts totaling $650 thousand which are recorded in other receivables on the consolidated statement of financial position and in grant revenues on the consolidated statement of activities for the year ended of December 31, 2022. Subsequent to December 31, 2022, the Foundation received the $650 thousand due from the U.S. Treasury, thereby relieving the outstanding receivable.

NOTE 14 - COMMITMENTS AND CONTINGENCIES

Profit-Sharing Agreements:

NAMF operates the Motion Base Flight Simulator and the Ultimate Virtual Reality Experience under profit-sharing agreements with Flight Avionics of North America, Inc. ("FANA"). NAMF and FANA evenly split profits derived from operation of the concessions. Losses, if any, are absorbed 100% by FANA. During 2022, amounts totaling $26 thousand were paid under the agreements. The concessions were closed during 2021, so no amounts were paid under the agreements during 2021.

Lease Agreement:

The Foundation has a lease agreement with the Naval Facilities Engineering Command Atlantic ("NAVFAC LANT") for the use of the NFA building. The lease is effective until December 31, 2061. Under the terms of the lease, the Foundation does not pay rent but is responsible for the NFA building interior and exterior maintenance costs.

Litigation:

The Foundation is subject to a variety of claims and lawsuits that arise from time to time in the ordinary course of business. In the opinion of management, there are no lawsuits or claims outstanding, which could have a material adverse effect on the financial position or activities of the Foundation.

NOTE 15 - RELATED PARTY TRANSACTIONS

The Foundation recorded contributions of approximately $126 thousand and $38 thousand from its trustees and related committees during 2022 and 2021, respectively. At December 31, 2022 and 2021, the Foundation had pledges receivable of approximately $45 thousand and $106 thousand, respectively, due from its trustees, related committees, and a company whose management serves as a trustee of the Foundation.

NOTE 16 - SUBSEQUENT EVENTS

In July 2023, NAMF received a waiver from its financial institution related to the loan covenant requiring submission of the audited financial statements within 180 days of the end of the calendar year. Additionally, in July 2023, NAMF paid off the remaining balance of $32 thousand on the promissory note with the financial institution, thereby satisfying all contractual obligations related to the note.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Naval Aviation Museum Foundation, Inc. and Subsidiaries

Opinion

We have audited the accompanying consolidated financial statements of the Naval Aviation Museum Foundation, Inc. and Subsidiaries (the "Foundation") (a nonprofit corporation), which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Foundation, as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

To the Board of Directors
Naval Aviation Museum Foundation, Inc. and Subsidiaries

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Business Operations:

The Naval Aviation Museum Foundation, Inc. ("NAMF") was incorporated in Florida in 1966 as a nonprofit corporation. NAMF was organized to foster and perpetuate the National Naval Aviation Museum (the "Museum") as a medium of informing and educating the public about the important role of United States Naval Aviation; to inspire students undergoing naval flight training to complete training and become career officers; to serve as a philanthropic corporation in assisting the development and expansion of the facilities of the Museum; and to receive, hold, and administer gifts received from persons, other organizations, corporations, foundations, and philanthropies, in the best interest of NAMF.

NAMF further supports the Museum by providing funding and services necessary for its day-to-day operations. This includes funding of Museum exhibits and displays, and services related to aircraft restoration, custodial, marketing activities including radio and television ads and promotional billboards, maintenance of the Museum's website, and social media, library and other support activities. Through its wholly owned subsidiary, Foundation Museum Support, LLC ("FMSC"), NAMF has also provided various program services within the Museum, such as the Giant Screen Theater (the "Theater"), MaxFlight and Motion Based Simulators, the Blue Angels 4D Theater, Flight Deck gift shop and Navalaviation.com. Proceeds from these programs are used to support NAMF and Museum. FMSC was legally dissolved in November 2020, and its operations were absorbed by NAMF.

NAMF's wholly owned subsidiary, National Flight Academy, LLC ("NFA"), is an educational program, authorized but not endorsed or financially supported by the United States Navy. NFA is designed to address the serious concerns of declining Science, Technology, Engineering, and Math ("STEM") skills and standards in our country. The STEM concepts are taught using a hands-on approach in both real and virtual settings. NFA's mission is to inspire students who subsequently return to their parent schools and seek out the more challenging courses in STEM.

Under agreements with the Navy, NAMF is provided, without cost, office space in the Museum, floor space for operation of its attraction programs, and use of NFA. These agreements also govern operational programs conducted at the Museum and NFA by NAMF. Additionally, NAMF must file an annual financial report with the Navy and make provision in its annual budget to provide fiscal support of Museum programs.

Principles of Consolidation:

The consolidated financial statements as of and for the year ended December 31, 2021 and 2020 include the accounts of NAMF and NFA. These entities are collectively referred to as "the Foundation."

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Museum Access Restrictions:

The Museum and the Foundation are located on Naval Air Station Pensacola ("NASP"). On December 6, 2019, a terrorist incident occurred on NASP. In response, the Navy rescinded a base public waiver, which in turn severely limited public access to the base, thereby drastically reducing the number of visitors to the Museum by 75% during 2020 and 73% during 2021, when compared to 2019.

In addition, Coronavirus Disease 2019 ("COVID-19") became a pandemic in March 2020. The Museum was closed to all visitors from March 16 through September 15, 2020, when it reopened in a limited capacity to active-duty military and their dependents. By October 2020, Department of Defense ID holders (those allowed access to NASP) were allowed entrance to the Museum. Visitation continued to be 75% below the same periods in 2019 prior to the December 2019 terrorist event. For 2020, the pandemic was responsible for an additional 126,000 in lost visitation. Base access and the pandemic resulted in a 92% decline in visitation. The estimated financial impact to NAMF was $3.7 million and $4.5 million in lost operating revenues for 2021 and 2020, respectively. NFA programs scheduled after March 16 were cancelled for the safety of the participants and the staff. The Foundation later extended program cancellation through the end of 2021. The estimated financial impact to NFA was $2.5 million and $2.5 million of lost operating revenues for 2021 and 2020, respectively. The combined Foundation employee impact was a reduction from 160 full time equivalents ("FTE") to 36 FTE by July 2020.

Basis of Accounting:

The Foundation follows standards of accounting and financial reporting prescribed for nonprofit organizations in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Foundation uses the accrual basis of accounting, which recognizes revenue when earned and expenses as incurred.

Basis of Presentation:

Under the provisions of generally accepted accounting principles, net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Net assets without donor restrictions - are not subject to donor-imposed stipulations. Board designated or appropriated amounts are legally unrestricted and are reported as part of net assets without donor restrictions.

Net assets with donor restrictions - are subject to donor-imposed stipulations that include time and/or purpose restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the consolidated statements of cash flows, the Foundation considers all highly liquid investments purchased within three months of maturity to be cash equivalents.

Unconditional Promises to Give:

Unconditional promises to give are stated in the consolidated statements of financial position at their estimated realizable value. The Foundation accounts for bad debts using the allowance method. Unconditional promises to give with due dates extending beyond one year are discounted at the United States long-term inflationary rate.

Inventory:

Inventory consists of items available for sale in the Flight Deck gift shop, as well as for web sales at Navalaviation.com and is stated at the lower of cost (using the average cost method) or net realizable value.

Investments:

Investments consist of certificates of deposit with original maturities in excess of three months, debt and marketable equity securities, mutual funds, annuities and hedge funds. All gains and losses arising from the sale, collection, or other disposition of investments are based on the specific identification method.

Property and Equipment:

Property and equipment are recorded at cost, except for donated property or equipment, which is recorded as a contribution at estimated fair value on the date of receipt. Assets costing $5 thousand or more are capitalized and depreciated over their estimated service lives on a straight-line basis. Leasehold improvements are depreciated over the life of the lease or the estimated useful life of the asset, whichever is shorter. The Foundation does not imply a time restriction on gifts of long-lived assets received. The Foundation annually reviews the property and equipment records for impairment of value and records any adjustments necessary to reflect material impacts in value.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Buildings and Aircraft Collections:

The Museum is housed in buildings, which were purchased with funds raised through NAMF. The cost of these buildings is expensed as a transfer to the U.S. Navy since they are constructed on land owned by the Navy.

The Museum has extensive collections of aircraft and artifacts that constitute a record of aviation in the United States. These valuable and sometimes irreplaceable collections have been acquired through field expeditions, contributions, and purchases since NAMF's inception and represent one of the largest aviation history collections in the United States. Costs to refurbish these aircraft are recognized as expense when incurred.

The collections are the property of the United States Navy and are not recognized as assets in the accompanying consolidated statements of financial position. They are held under the care of the curatorial staff for educational and public exhibition purposes in furtherance of NAMF's mission.

Revenue Recognition:

Sales and Tuition

The Foundation recognizes revenue for sales and tuition based on the satisfaction of performance obligations. Performance obligations are determined based on the goods or services provided by the Foundation.

Sales of merchandise, concessions, and refreshments are recognized as goods are delivered to customers.

Revenues from simulator experiences, movie tickets, and other miscellaneous services are recognized on the date the service is provided.

NFA receives tuition revenue from third parties to provide education programs. Tuition collected in advance is deferred until the services are provided. Revenue is recognized as the participants complete the program.

Contributions and Memberships

Contributions are recognized when a donor makes a *promise to give* that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions in the year in which the restrictions expire.

Membership revenues collected in advance are recognized over the life of the membership on a straight-line basis.

All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued):

Contributions and Memberships (Continued)

The Foundation, at times, is notified that it has been named as the beneficiary in the estate of certain individuals under revocable agreements. Such amounts are recorded as contributions upon the passing of the donor and as the amounts become irrevocable.

Grants

Grants are recognized as revenue without donor restrictions when expenses have been incurred for allowable purposes consistent with the terms of the grant agreements. Funds received in advance of allowable grant expenses are reported as deferred revenue in the accompanying statements of financial position.

Special Events

Special events revenues are recognized as events occur.

Functional Allocation of Expenses:

The costs of providing the various programs and supporting activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, costs have been allocated among the program and supporting services benefited. The expenses that are allocated are compensation and benefits, which are allocated on the basis of estimates of time and effort; occupancy costs and depreciation, which are allocated on a weighted average square footage basis; and supplies, which are allocated based on average employee headcount.

Advertising Costs:

Advertising costs are expensed as incurred and totaled approximately $220 thousand and $166 thousand in 2021 and 2020, respectively.

Tax Exemption:

The Internal Revenue Service has determined the Foundation be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Foundation has been classified as a publicly supported organization, which is not a private organization under Section 509(a) of the Code. The Foundation is not aware of any uncertain tax positions that would require disclosure or accrual in accordance with GAAP.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Upcoming Accounting Pronouncement:

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2016-02, *Leases (Topic 842)*. The guidance in this topic supersedes the requirements in Accounting Standards Codification ("ASC") Topic 840, *Leases*. The update will require entities to recognize lease assets and liabilities on the statement of financial position and to disclose key information about leasing arrangements. A lessee would recognize a liability to make lease payments and a right-of-use asset representing its right to use the leased asset for the lease term. ASC 842 is effective for fiscal years beginning after December 15, 2021. Management does not expect adoption of ASC 842 to have a significant impact on the Foundation's consolidated financial statements.

Subsequent Events:

Management has evaluated subsequent events through April 25, 2022, the date which the consolidated financial statements were available to be issued.

Fair Value Measurements:

The Foundation has adopted ASC 820, *Fair Value Measurements,* which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

Three levels of inputs may be used to measure fair value:

Level 1: Observable inputs such as quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a company's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

NAMF uses the following valuation techniques to determine the fair value of its investments:

Certificate of deposit: Valued at cost plus accrued interest, which approximates fair value due to the short-term nature of these investments.

Equities and mutual funds: Determined by the published net asset value per unit at the end of the last trading day of the fiscal year, which is the basis for transactions at that date.

Hedge funds: These funds invest in marketable securities that trade in well-established and highly liquid markets. Independent pricing services are used to obtain daily position prices. These prices are used to determine the value of the multi-fund pool (hedge fund). Once the hedge fund valuation is established, the individual investor valuations are calculated based on their ownership share of each pool.

Annuity contracts: Determined by prices and other relevant information generated by market transactions involving comparable instruments. The prices and other relevant information used are adjusted based on the risk and benefits of the contracts in order to arrive at the fair value.

There were no changes in the valuation techniques during the year.

NOTE 2 - INVESTMENTS (Continued)

Fair Value Measurements (Continued):

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although NAMF believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate for fair value at the reporting date.

The following tables present investments carried at fair value (in thousands of dollars) as of December 31, 2021 and 2020:

As of December 31, 2021 and 2020, investment income on the consolidated statements of activities are net of custodial and investment advisory fees of approximately $119 thousand and $97 thousand, respectively.

NOTE 3 - UNCONDITIONAL PROMISES TO GIVE

Unconditional promises to give at December 31, 2021 and 2020, consisted of the following (in thousands of dollars):

	2021	2020
Amounts due:		
Within one year	$ 106	$ 61
In one to five years	-	75
Total promises to give	$ 106	$ 136

NOTE 4 - BENEFICIAL INTEREST IN PERPETUAL TRUST

NAMF is the beneficiary of a perpetual trust, which is administered by a financial institution. NAMF receives income distributions from the perpetual trust quarterly and has no access to the corpus. At December 31, 2021 and 2020, perpetual trust assets totaling approximately $1.5 million and $1.4 million, respectively, were recorded in the consolidated statements of financial position as net assets with donor restrictions.

The perpetual trust is valued at fair value and is comprised of equities and mutual funds (level 1). Distributions to NAMF from the perpetual trust during the years ended December 31, 2021 and 2020 totaled approximately $49 thousand and $42 thousand, respectively.

At December 31, 2021 and 2020, the beneficial interest in perpetual trust included the following (in thousands of dollars):

	2021	2020
Cash and cash equivalents	$ 31	$ 11
Equity securities	1,010	865
Fixed income securities	372	461
Real estate funds	42	22

NOTE 6 - NOTES PAYABLE

In October 2015, NAMF entered into a promissory note with a bank in the amount of $1.5 million with an interest rate of 3.75%. The proceeds from the note were utilized to renovate the Theater, which was operational in March 2016. The terms of the note included six consecutive interest only installments, with the last interest only installment due on April 6, 2016, at which time the note converted to a seven-year repayment term with final payment due on April 6, 2023. A three-month deferral was received in 2020, with a new maturity date on July 6, 2023. The note includes certain affirmative covenants including an unrestricted funds debt service coverage ratio. There are additional affirmative and negative covenants, which include notifying the lender of claims or litigation, maintaining adequate insurance, providing audited financial statements to the lender, and other compliance requirements. The note is secured by the Theater equipment acquired as part of the renovation. The balance outstanding at December 31, 2021 and 2020, was $385 and $609 thousand, respectively. As of December 31, 2021, NAMF was in compliance with its covenants.

NOTE 6 - NOTES PAYABLE (Continued)

In May 2018, NFA entered into a promissory note with a third-party in the amount of $148 thousand. The note is amortized over an eight-year period and matures on May 31, 2026. The note is secured by the meals contract with the third party. At December 31, 2021 and 2020, the balance outstanding was $89 thousand and $108 thousand, respectively.

The following is a schedule of the future maturities under the notes payable (in thousands of dollars):

2022	$ 272
2023	150
2024	19
2025	19
2026	14
	$ 474

NOTE 7 - LINE OF CREDIT

NFA has a $100 thousand line of credit with a bank maturing on August 31, 2022. The rate of interest is prime plus 1.50%. The line is secured by NFA's accounts and equipment. There was no outstanding balance at December 31, 2021 or 2020.

NOTE 8 - EMPLOYEE BENEFITS

The Foundation has a Safe Harbor 401(k) plan, which covers employees who have completed three months of service and who are at least 21 years of age. Employees may contribute up to the lesser of $18 thousand or 50% of their eligible salaries into the plan. The Foundation makes a fully vested matching contribution equal to 100% of the first 4% of compensation each participant contributes to the plan each payroll period. The Foundation made matching contributions to the plan in 2021 and 2020 of approximately $59 thousand and $56 thousand, respectively.

NOTE 9 - NET ASSETS WITH DONOR RESTRICTIONS

At December 31, 2021 and 2020, donor restricted net assets consisted of the following (in thousands of dollars):

	2021	2020
Subject to expenditures for specified purposes:		
Scholarships	$ 36	$ 28
Sponsorships	81	-
Restoration of aircraft and exhibits	563	336
Special events	-	4
Museum support	1,584	839
Membership	46	118

Subject to the Foundation's spending policy and appropriation:		
Endowment funds restricted in perpetuity	7,083	6,921
Subject to restriction in perpetuity:		
Beneficial interest in perpetual trust	1,455	1,359
Total net assets with donor restrictions	$ 16,381	$ 9,605

NOTE 10 - ENDOWMENT FUND

The Foundation’s endowment consists of individual funds established for scholarships, support of the Museum, and the Foundation’s annual Symposium.

Interpretation of Relevant Law -

The State of Florida adopted the Uniform Prudent Management of Institutional Funds Act of 1972 (UPMIFA) effective June 17, 2012. The Foundation currently classifies as net assets with donor restrictions (a) the original value of the gifts donated to the restricted endowment, (b) the original value of subsequent gifts to the restricted endowment (if any) and (c) accumulation to the restricted endowment made in accordance with the direction of the applicable donor gift instrument.

NOTE 10 - ENDOWMENT FUND (Continued)

In accordance with UPMIFA, the organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

(1) The duration and preservation of the fund.
(2) The purpose of the organization and donor-restricted endowment fund.
(3) General economic conditions.
(4) The possible effect of inflation and deflation.
(5) The expected total return from income and the appreciation of investments.
(6) Other resources of the Foundation.
(7) The investment policies of the Foundation.

The following depicts the endowment funds (in thousands of dollars), as well as the activity for the endowment funds, for the years ended December 31, 2021 and 2020:

	2021	2020
Endowment net assets, beginning of year	$ 9,605	$ 9,195
Restricted contributions	6,108	176
Dividends and interest	702	17
Realized and unrealized gain on investments	173	637
Gain on beneficial interest in perpetual trust	142	147
Amounts expended	(349)	(567)
Endowment net assets, end of year	$ 16,381	$ 9,605

Return Objectives and Risk Parameters -

The Foundation's assets shall be invested in accordance with sound investment practices that emphasize long-term investment fundamentals. In establishing the investment objectives of the Foundation, the Board of Directors has taken into account the financial needs and circumstances of the Foundation, the time horizon available for investment, the nature of the Foundation's cash flows and liabilities, and other factors that affect their risk tolerance.

NOTE 10 - ENDOWMENT FUND (Continued)

Strategies Employed for Achieving Objectives -

To satisfy its long-term rate-of-return objectives, the Foundation has determined that the investment of the assets shall be guided by the following underlying principles: (a) to achieve a positive rate of return over the long term that would significantly contribute to the cash flow needs of the Foundation for ongoing operations and capital projects; (b) to provide for asset growth at a rate in excess of the rate of inflation; (c) to diversify the assets in order to reduce the risk of wide swings in market value from year to year or of incurring large losses that could occur from concentrated positions; and (d) to achieve investment results over the long term that compare favorably with those of other endowments and foundations, professionally managed portfolios and of appropriate market indexes.

Spending Policy and How the Investment Objectives Relate to the Spending Policy -

The Foundation uses the following principles for their Spending Policy:

1. The Board approves the Foundation's general spending practices.
2. Foundation revenue-generating functions should substantially fund Foundation operations.
3. Strict adherence to donor gift instructions is mandatory.
4. Absent donor gift instructions to the contrary, and as permitted by pertinent law, income and capital appreciation related to restricted assets may be used to fund Foundation operating needs. Absent specific Board approval, this funding, in any year, will not exceed 5% of the market value of the fund averaged over the preceding three years.

NOTE 11 - REVENUE RECOGNITION

For the years ended December 31, 2021 and 2020, the Foundation recognized revenues of $77 thousand and $134 thousand, respectively, from amounts that were included in deferred revenues at the beginning of the respective years. At December 31, 2021 and 2020, deferred revenues totaled $1,348 thousand and $1,274 thousand, respectively. The performance obligations surrounding the majority of these liabilities at December 31, 2021 will be fully satisfied within one year from the date of the statement of financial position. Deferred revenue at December 31, 2020 that was not to be recognized during 2021 was presented within long-term liabilities.

NOTE 12 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Foundation has a policy to manage its liquidity and reserves following three guiding principles: operating within a prudent range of financial stability, maintaining adequate liquidity to fund near-term operations, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

The following table reflects the Foundation's financial assets (in thousands of dollars) as of December 31, 2021, reduced by amounts not available for general expenditures within one year:

Cash and cash equivalents	$	2,402
Unconditional promises to give, net, collected in less than one year		106
Accounts receivable, net, collected in less than one year		5
Investments		25,455
Beneficial interest in perpetual trust		1,455
Total financial assets, excluding noncurrent receivables		29,423
Contractual or donor-imposed restrictions:		
Endowment fund investments		(7,083)
Beneficial interest in perpetual trust		(1,455)
Other donor restrictions		(7,843)
Financial assets available to meet cash needs for expenditures within one year	$	13,042

NOTE 13 - PAYCHECK PROTECTION PROGRAM LOAN

In April 2020, the Foundation received loan proceeds in the amount of $1,026 thousand under the Paycheck Protection Program ("PPP"), established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The PPP loan's principal and accrued interest were forgivable to the extent that the proceeds are used for eligible purposes, subject to certain limitations. The loan proceeds were used for eligible purposes during the period from loan funding through December 31, 2020, and the loan was forgiven in November 2020. Accordingly, the Foundation recognized $1,026 thousand as grant revenue during the year ended December 31, 2020.

In February 2021, the Foundation received proceeds from a second PPP loan in the amount of $1 million. The PPP loan's principal and accrued interest were forgivable to the extent that the proceeds are used for eligible purposes, subject to certain limitations. The loan proceeds were used for eligible purposes during the period from loan funding through July 20, 2021, and the loan was forgiven in August 2021. Accordingly, the Foundation recognized $1 million as grant revenue during the year ended December 31, 2021.

NOTE 14 - CONCENTRATIONS

Unconditional Promises to Give:

Concentration of credit risk with respect to donor promises to give exists as two donors comprise 38% and 39% of the outstanding balance as of December 31, 2021 and 2020, respectively.

NOTE 15 - COMMITMENTS AND CONTINGENCIES

Profit-Sharing Agreements:

NAMF operates the Motion Base Flight Simulator and the Ultimate Virtual Reality Experience under profit-sharing agreements with Flight Avionics of North America, Inc. ("FANA"). NAMF and FANA evenly split profits derived from operation of the concessions. Losses, if any, are absorbed 100% by FANA. The concessions were closed during 2020 and 2021, so no amounts were paid under the agreements during 2020 and 2021.

Lease Agreement:

The Foundation has a lease agreement with the Naval Facilities Engineering Command Atlantic ("NAVFAC LANT") for the use of the NFA building. The lease is effective until December 31, 2061. Under the terms of the lease, the Foundation is responsible for the NFA building interior and exterior maintenance costs.

Litigation:

The Foundation is subject to a variety of claims and lawsuits that arise from time to time in the ordinary course of business. In the opinion of management, there are no lawsuits or claims outstanding, which could have a material adverse effect on the financial position or activities of the Foundation.

NOTE 15 - COMMITMENTS AND CONTINGENCIES (Continued)

Museum Access Restrictions:

The full impact of the base access restrictions due to the 2019 terrorist incident and COVID-19 outbreak continues to evolve. As such, the full magnitude that the restrictions will ultimately have on the Foundation is very uncertain. Management is actively monitoring its financial condition, liquidity, operations, suppliers, industry, and workforce. Given the evolution of the restrictions, the Foundation is not able to estimate the future effects on its results of operations or financial condition.

NOTE 16 - RELATED PARTY TRANSACTIONS

The Foundation recorded contributions of approximately $38 thousand and $254 thousand from its trustees and related committees during 2021 and 2020, respectively. At December 31, 2021 and 2020, the Foundation had pledges receivable of approximately $106 thousand and $136 thousand, respectively, due from its trustees, related committees, and a company whose management serves as a trustee of the Foundation.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Naval Aviation Museum Foundation, Inc. and Subsidiaries

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of the Naval Aviation Museum Foundation, Inc. and Subsidiaries (a nonprofit corporation), which comprise the consolidated statements of financial position as of December 31, 2020 and 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors
Naval Aviation Museum Foundation, Inc. and Subsidiaries

Opinion

In our opinion, the consolidated financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Naval Aviation Museum Foundation, Inc. and Subsidiaries, as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Business Operations:

The Naval Aviation Museum Foundation, Inc. (the "NAMF") was incorporated in Florida in 1966 as a nonprofit corporation. NAMF was organized to foster and perpetuate the National Naval Aviation Museum (the "Museum") as a medium of informing and educating the public about the important role of United States Naval Aviation; to inspire students undergoing naval flight training to complete training and become career officers; to serve as a philanthropic corporation in assisting the development and expansion of the facilities of the Museum; and to receive, hold, and administer gifts received from persons, other organizations, corporations, foundations, and philanthropies, in the best interest of NAMF.

NAMF further supports the Museum by providing funding and services necessary for its day-to-day operations. This includes funding of Museum exhibits and displays, and services related to aircraft restoration, custodial, marketing activities including radio and television ads and promotional billboards, maintenance of the Museum's website, and social media, library and other support activities. Through its wholly owned subsidiary, Foundation Museum Support, LLC ("FMSC"), NAMF has also provided various program services within the Museum, such as the Giant Screen Theater (the "Theater"), MaxFlight and Motion Based Simulators, the Blue Angels 4D Theater, Flight Deck gift shop and Navalaviation.com. Proceeds from these programs are used to support NAMF and Museum. FMSC was legally dissolved in November 2020, and its operations were absorbed by NAMF.

NAMF's wholly owned subsidiary, National Flight Academy, LLC ("NFA"), is an educational program, authorized but not endorsed or financially supported by the United States Navy. NFA is designed to address the serious concerns of declining Science, Technology, Engineering, and Math ("STEM") skills and standards in our country. The STEM concepts are taught using a hands-on approach in both real and virtual settings. NFA's mission is to inspire students who subsequently return to their parent schools and seek out the more challenging courses in STEM.

Under agreements with the Navy, NAMF is provided, without cost, office space in the Museum, floor space for operation of its attraction programs, and use of NFA. These agreements also govern operational programs conducted at the Museum and NFA by NAMF. Additionally, NAMF must file an annual financial report with the Navy and make provision in its annual budget to provide fiscal support of Museum programs.

Principles of Consolidation:

The consolidated financial statements as of and for the year ended December 31, 2020 include the accounts of NAMF and NFA. The consolidated financial statements as of and for the year ended December 31, 2019 include the accounts of NAMF, NFA and FMSC. These entities are collectively referred to as "the Foundation".

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Museum Access Restrictions:

The Museum and the Foundation are located on Naval Air Station Pensacola ("NASP"). On December 6, 2019, a terrorist incident occurred on NASP. In response, the Navy rescinded a base public waiver, which in turn severely limited public access to the base, thereby drastically reducing the number of visitors to the Museum by 65% during 2020.

In addition, Coronavirus Disease 2019 ("COVID-19") became a pandemic in March 2020. The Museum was closed to all visitors from March 16 through September 15, 2020, when it reopened in a limited capacity to active-duty military and their dependents. By October, Department of Defense ID holders (those allowed access to NASP) were allowed entrance to the Museum. Visitation continued to be 65% below the same periods in 2019 prior to the December 2019 terrorist event. The estimated financial impact to NAMF was $4.5 million in lost operating revenues for 2020. NFA programs scheduled after March 16 were cancelled for the safety of the participants and the staff. The Foundation has extended program cancellation through the end of 2021. The estimated financial impact to NFA was $2.5 million of lost operating revenues for 2020. The combined Foundation employee impact was a reduction from 160 full time equivalents ("FTE") to 36 FTE by July 2020.

Basis of Accounting:

The Foundation follows standards of accounting and financial reporting prescribed for nonprofit organizations in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Foundation uses the accrual basis of accounting, which recognizes revenue when earned and expenses as incurred.

Basis of Presentation:

Under the provisions of generally accepted accounting principles, net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Net assets without donor restrictions - are not subject to donor-imposed stipulations. Board designated or appropriated amounts are legally unrestricted and are reported as part of net assets without donor restrictions.

Net assets with donor restrictions - are subject to donor-imposed stipulations that include time and/or purpose restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the consolidated statements of cash flows, the Foundation considers all highly liquid investments purchased within three months of maturity to be cash equivalents.

Unconditional Promises to Give:

Unconditional promises to give are stated in the consolidated statements of financial position at their estimated realizable value. The Foundation accounts for bad debts using the allowance method. Unconditional promises to give with due dates extending beyond one year are discounted at the United States long-term inflationary rate.

Inventory:

Inventory consists of items available for sale in the Flight Deck gift shop, as well as for web sales at Navalaviation.com and is stated at the lower of cost (using the average cost method) or net realizable value.

Investments:

Investments consist of certificates of deposit with original maturities in excess of three months, debt and marketable equity securities, mutual funds, annuities and hedge funds. All gains and losses arising from the sale, collection, or other disposition of investments are based on the specific identification method.

Property and Equipment:

Property and equipment are recorded at cost, except for donated property or equipment, which is recorded as a contribution at estimated fair market value on the date of receipt. Assets costing $5 thousand or more are capitalized and depreciated over their estimated service lives on a straight-line basis. Leasehold improvements are depreciated over the life of the lease or the estimated useful life of the asset, whichever is shorter. The Foundation does not imply a time restriction on gifts of long-lived assets received. The Foundation annually reviews the property and equipment records for impairment of value and records any adjustments necessary to reflect material impacts in value.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Buildings and Aircraft Collections:

The Museum is housed in buildings, which were purchased with funds raised through NAMF. The cost of these buildings is expensed as a transfer to the U.S. Navy since they are constructed on land owned by the Navy.

The Museum has extensive collections of aircraft and artifacts that constitute a record of aviation in the United States. These valuable and sometimes irreplaceable collections have been acquired through field expeditions, contributions, and purchases since NAMF's inception and represent one of the largest aviation history collections in the United States. Costs to refurbish these aircraft are recognized as expense when incurred.

The collections are the property of the United States Navy and are not recognized as assets in the accompanying consolidated statements of financial position. They are held under the care of the curatorial staff for educational and public exhibition purposes in furtherance of NAMF's mission.

Revenue Recognition:

Sales and Tuition

The Foundation recognizes revenue for sales and tuition based on the satisfaction of performance obligations. Performance obligations are determined based on the goods or services provided by the Foundation.

Sales of merchandise, concessions, and refreshments are recognized as goods are delivered to customers.

Revenues from simulator experiences, movie tickets, and other miscellaneous services are recognized on the date the service is provided.

NFA receives tuition revenue from third parties to provide education programs. Tuition collected in advance is deferred until the services are provided. Revenue is recognized as the participants complete the program.

Contributions and Memberships

Contributions are recognized when a donor makes a *promise to give* that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions in the year in which the restrictions expire.

Membership revenues collected in advance are recognized over the life of the membership on a straight-line basis.

All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued):

Contributions and Memberships (Continued)

The Foundation, at times, is notified that it has been named as the beneficiary in the estate of certain individuals under revocable agreements. Such amounts are recorded as contributions upon the passing of the donor and as the amounts become irrevocable.

Grants

Grants are recognized as revenue without donor restrictions when expenses have been incurred for allowable purposes consistent with the terms of the grant agreements. Funds received in advance of allowable grant expenses are reported as deferred revenue in the accompanying statements of financial position.

Special Events

Special events revenues are recognized as events occur.

In-Kind Donations:

In-kind donations totaling $148 thousand were recognized in the accompanying statements of activities for the year ended December 31, 2019. Services donated to NFA included personnel for the sick bay clinic and labor for a virtual reality project. The value for the contributions is based on the fair value of the contributed items or services as of the date received. In-kind donations are reported as contributions and are expensed or capitalized as an asset in the period received.

Functional Allocation of Expenses:

The costs of providing the various programs and supporting activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, costs have been allocated among the program and supporting services benefited. The expenses that are allocated are compensation and benefits, which are allocated on the basis of estimates of time and effort; occupancy costs and depreciation, which are allocated on a weighted average square footage basis; and supplies, which are allocated based on average employee headcount.

Advertising Costs:

Advertising costs are expensed as incurred and totaled approximately $166 thousand and $494 thousand in 2020 and 2019, respectively.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Tax Exemption:

The Internal Revenue Service has determined the Foundation be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Foundation has been classified as a publicly supported organization, which is not a private organization under Section 509(a) of the Code. The Foundation is not aware of any uncertain tax positions that would require disclosure or accrual in accordance with GAAP.

Subsequent Events:

Management has evaluated subsequent events through April 26, 2021, the date which the consolidated financial statements were available for issue.

NOTE 2 - INVESTMENTS

Investments are summarized as follows:

	Cost	Fair Value	Unrealized Gain (Loss)
Certificate of deposit	$ 117	$ 117	$ -
Equities and mutual funds	11,092	14,394	3,302

Annuity contracts	1,000	1,564	564
December 31, 2019	$ 13,530	$ 16,690	$ 3,160

NOTE 2 - INVESTMENTS (Continued)

Fair Value Measurements:

The Foundation has adopted ASC 820, *Fair Value Measurements,* which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

Three levels of inputs may be used to measure fair value:

Level 1: Observable inputs such as quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a company's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

NAMF uses the following valuation techniques to determine the fair value of its investments:

Certificate of deposit: Valued at cost plus accrued interest, which approximates fair value due to the short-term nature of these investments.

Equities and mutual funds: Determined by the published net asset value per unit at the end of the last trading day of the fiscal year, which is the basis for transactions at that date.

Hedge funds: These funds invest in marketable securities that trade in well-established and highly liquid markets. Independent pricing services are used to obtain daily position prices. These prices are used to determine the value of the multi-fund pool (hedge fund). Once the hedge fund valuation is established, the individual investor valuations are calculated based on their ownership share of each pool.

Annuity contracts: Determined by prices and other relevant information generated by market transactions involving comparable instruments. The prices and other relevant information used are adjusted based on the risk and benefits of the contracts in order to arrive at the fair market value.

There were no changes in the valuation techniques during the year.

NOTE 2 - INVESTMENTS (Continued)

Fair Value Measurements (Continued):

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although NAMF believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate for fair value at the reporting date.

The following tables present investments carried at fair value (in thousands of dollars) as of December 31, 2020 and 2019:

	Level 1	Level 2	Level 3	Total
Certificate of deposit	$	$ 117	$	$ 117
Equities and mutual funds	14,394			14,394

December 31, 2019	$ 13,774	$ 2,916	$ -	$ 16,690

NOTE 2 - INVESTMENTS (Continued)

Net Return on Investments:

The net return on investments was as follows:

	Without Donor Restrictions	With Donor Restrictions
Year Ended December 31, 2020:		
Dividends and interest	$ 417	$ 17
Net realized gain on investments	93	85
Unrealized gain on investments	299	552
Net return on investments	$ 809	$ 654
Year Ended December 31, 2019:		
Dividends and interest	$ 277	$ 34
Net realized gain on investments	275	249
Unrealized loss on investments	1,128	1,107
Net return on investments	$ 1,680	$ 1,390

As of December 31, 2020 and 2019, investment income on the consolidated statements of activities are net of custodial and investment advisory fees of approximately $97 thousand and $98 thousand, respectively.

NOTE 3 - UNCONDITIONAL PROMISES TO GIVE

Unconditional promises to give at December 31, 2020 and 2019, consisted of the following (in thousands of dollars):

	2020	2019
Amounts due:		
Within one year	$ 61	$ 232
In one to five years	75	107
Total promises to give	$ 136	$ 339

NOTE 4 - BENEFICIAL INTEREST IN PERPETUAL TRUST

NAMF is the beneficiary of a perpetual trust, which is administered by a financial institution. NAMF receives income distributions from the perpetual trust quarterly and has no access to the corpus. At December 31, 2020 and 2019, perpetual trust assets totaling approximately $1.4 million and $1.3 million, respectively, were recorded in the consolidated statements of financial position as net assets with donor restrictions.

The perpetual trust is valued at fair market value and is comprised of equities and mutual funds (level 1). Distributions to NAMF from the perpetual trust during the years ended December 31, 2020 and 2019 totaled approximately $42 thousand and $49 thousand, respectively.

At December 31, 2020 and 2019, the beneficial interest in perpetual trust included the following (in thousands of dollars):

	2020	2019
Cash and cash equivalents	$ 11	$ 20
Equity securities	865	774
Fixed income securities	461	441
Real estate funds	22	22
	$ 1,359	$ 1,257

NOTE 5 - PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2020 and 2019, consisted of the following (in thousands of dollars):

	Useful Lives	2020	2019
Foundation and FMSC:			
Office, simulators and theater equipment and furnishings	3 - 15 years	$ 3,384	$ 3,363
Construction in progress		31	-

Less: accumulated depreciation		(9,730)	(9,025)
		2,199	2,904
		$ 3,410	$ 4,395

NOTE 6 - NOTES PAYABLE

In October 2015, NAMF entered into a promissory note with a bank in the amount of $1.5 million with an interest rate of 3.75%. The proceeds from the note were utilized to renovate the Theater, which was operational in March 2016. The terms of the note included six consecutive interest only installments, with the last interest only installment due on April 6, 2016, at which time the note converted to a seven-year repayment term with final payment due on April 6, 2023. A three-month deferral was received in 2020, with a new maturity date on July 6, 2023. The note includes certain affirmative covenants including an unrestricted funds debt service coverage ratio. There are additional affirmative and negative covenants, which include notifying the lender of claims or litigation, maintaining adequate insurance, providing audited financial statements to the lender, and other compliance requirements. The note is secured by the Theater equipment acquired as part of the renovation. The balance outstanding at December 31, 2020 and 2019, was $609 and $766 thousand, respectively. As of December 31, 2020, NAMF was in compliance with its covenants.

NOTE 6 - NOTES PAYABLE (Continued)

In May 2018, NFA entered into a promissory note with a third-party in the amount of $148 thousand. The note is amortized over an eight-year period and matures on May 31, 2026. The note is secured by the meals contract with the third party. As NFA programs were cancelled due to the COVID-19 pandemic, loan payments were placed on hold in July 2020 and are expected to resume in 2021. At December 31, 2020 and 2019, the balance outstanding was $108 thousand and $117 thousand, respectively.

The following is a schedule of the future maturities under the notes payable (in thousands of dollars):

2021	$	245
2022		252
2023		168
2024		19
2025		19
Thereafter		14
	$	717

NOTE 7 - LINE OF CREDIT

NFA has a $500 thousand line of credit with a bank maturing on August 17, 2021. The rate of interest is prime plus 1.00% with a floor of 5.00%. The line is secured by NFA's accounts and equipment. There was no outstanding balance at December 31, 2020 or 2019.

NOTE 8 - EMPLOYEE BENEFITS

The Foundation has a Safe Harbor 401(k) plan, which covers employees who have completed three months of service and who are at least 21 years of age. Employees may contribute up to the lesser of $18 thousand or 50% of their eligible salaries into the plan. The Foundation makes a fully vested matching contribution equal to 100% of the first 4% of compensation each participant contributes to the plan each payroll period. The Foundation made matching contributions to the plan in 2020 and 2019 of approximately $56 thousand and $69 thousand, respectively.

NOTE 9 - NET ASSETS WITH DONOR RESTRICTIONS

At December 31, 2020 and 2019, donor restricted net assets consisted of the following (in thousands of dollars):

	2020	2019
Subject to expenditures for specified purposes:		
Scholarships	$ 28	$ 28
Restoration of aircraft and exhibits	336	253
Special events	4	8
Museum support	839	571
Membership	118	215
	1,325	1,075
Subject to the Foundation's spending policy and appropriation:		
Endowment funds restricted in perpetuity	6,921	6,863
Subject to restriction in perpetuity:		
Beneficial interest in perpetual trust	1,359	1,257
Total net assets with donor restrictions	$ 9,605	$ 9,195

NOTE 10 - ENDOWMENT FUND

The Foundation’s endowment consists of individual funds established for scholarships, support of the Museum, and the Foundation’s annual Symposium.

Interpretation of Relevant Law -

The State of Florida adopted the Uniform Prudent Management of Institutional Funds Act of 1972 (UPMIFA) effective June 17, 2012. The Foundation currently classifies as net assets with donor restrictions (a) the original value of the gifts donated to the restricted endowment, (b) the original value of subsequent gifts to the restricted endowment (if any) and (c) accumulation to the restricted endowment made in accordance with the direction of the applicable donor gift instrument.

NOTE 10 - ENDOWMENT FUND (Continued)

In accordance with UPMIFA, the organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

(1) The duration and preservation of the fund.
(2) The purpose of the organization and donor-restricted endowment fund.
(3) General economic conditions.
(4) The possible effect of inflation and deflation.
(5) The expected total return from income and the appreciation of investments.
(6) Other resources of the Foundation.
(7) The investment policies of the Foundation.

The following depicts the endowment funds (in thousands of dollars), as well as the activity for the endowment funds, for the years ended December 31, 2020 and 2019:

	2020	2019
Endowment net assets, beginning of year	$ 9,195	$ 8,604
Restricted contributions	176	142
Dividends and interest	17	34
Realized and unrealized gain on investments	637	1,356
Gain on beneficial interest in perpetual trust	147	186
Amounts expended	(567)	(1,127)
Endowment net assets, end of year	$ 9,605	$ 9,195

Return Objectives and Risk Parameters -

The Foundation's assets shall be invested in accordance with sound investment practices that emphasize long-term investment fundamentals. In establishing the investment objectives of the Foundation, the Board of Directors has taken into account the financial needs and circumstances of the Foundation, the time horizon available for investment, the nature of the Foundation's cash flows and liabilities, and other factors that affect their risk tolerance.

NOTE 10 - ENDOWMENT FUND (Continued)

Strategies Employed for Achieving Objectives -

To satisfy its long-term rate-of-return objectives, the Foundation has determined that the investment of the assets shall be guided by the following underlying principles: (a) to achieve a positive rate of return over the long term that would significantly contribute to the cash flow needs of the Foundation for ongoing operations and capital projects; (b) to provide for asset growth at a rate in excess of the rate of inflation; (c) to diversify the assets in order to reduce the risk of wide swings in market value from year to year or of incurring large losses that could occur from concentrated positions; and (d) to achieve investment results over the long term that compare favorably with those of other endowments and foundations, professionally managed portfolios and of appropriate market indexes.

Spending Policy and How the Investment Objectives Relate to the Spending Policy -

The Foundation uses the following principles for their Spending Policy:

1. The Board approves the Foundation's general spending practices.
2. Foundation revenue-generating functions should substantially fund Foundation operations.
3. Strict adherence to donor gift instructions is mandatory.
4. Absent donor gift instructions to the contrary, and as permitted by pertinent law, income and capital appreciation related to restricted assets may be used to fund Foundation operating needs. Absent specific Board approval, this funding, in any year, will not exceed 5% of the market value of the fund averaged over the preceding three years.

NOTE 11 - REVENUE RECOGNITION

For the years ended December 31, 2020 and 2019, the Foundation recognized revenues of $134 thousand and $304 thousand, respectively, from amounts that were included in deferred revenues at the beginning of the respective years. At December 31, 2020 and 2019, deferred revenues totaled $1,259 thousand and $485 thousand, respectively. The performance obligations surrounding the majority of these liabilities will not be fully satisfied within one year from the date of the statement of financial position. Deferred revenue that will not be recognized during 2021 is presented within long-term liabilities.

NOTE 12 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Foundation has a policy to manage its liquidity and reserves following three guiding principles: operating within a prudent range of financial stability, maintaining adequate liquidity to fund near-term operations, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

The following table reflects the Foundation's financial assets (in thousands of dollars) as of December 31, 2020, reduced by amounts not available for general expenditures within one year:

Cash and cash equivalents	$	1,872
Unconditional promises to give, net, collected in less than one year		61
Accounts receivable, net, collected in less than one year		6
Investments		17,497
Beneficial interest in perpetual trust		1,359
Total financial assets, excluding noncurrent receivables		20,795
Contractual or donor-imposed restrictions:		
Endowment fund investments		(6,921)
Beneficial interest in perpetual trust		(1,359)
Other donor restrictions		(1,325)
Financial assets available to meet cash needs for expenditures within one year	$	11,190

NOTE 13 - PAYCHECK PROTECTION PROGRAM LOAN

In April 2020, the Foundation received loan proceeds in the amount of $1,026 thousand under the Paycheck Protection Program ("PPP"), established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The PPP loan's principal and accrued interest were forgivable to the extent that the proceeds are used for eligible purposes, subject to certain limitations. The loan proceeds were used for eligible purposes during the period from loan funding through December 31, 2020, and the loan was forgiven in November 2020. Accordingly, the Foundation recognized $1,026 thousand as grant revenue during the year ended December 31, 2020.

NOTE 14 - CONCENTRATIONS

Unconditional Promises to Give:

Concentration of credit risk with respect to donor promises to give exists as three donors comprise 39% of the outstanding balance as of December 31, 2020.

NOTE 15 - COMMITMENTS AND CONTINGENCIES

Profit-Sharing Agreements:

NAMF operates the Motion Base Flight Simulator and the Ultimate Virtual Reality Experience under profit-sharing agreements with Flight Avionics of North America, Inc. ("FANA"). NAMF and FANA evenly split profits derived from operation of the concessions. Losses, if any, are absorbed 100% by FANA. The amount paid to FANA during 2019 under the profit-sharing arrangements was approximately $113 thousand. The concessions were closed during 2020, so no amounts were paid under the agreements during 2020.

Lease Agreement:

The Foundation has a lease agreement with the Naval Facilities Engineering Command Atlantic ("NAVFAC LANT") for the use of the NFA building. The lease is effective until December 31, 2061. Under the terms of the lease, the Foundation is responsible for the NFA building interior and exterior maintenance costs.

Litigation:

The Foundation is subject to a variety of claims and lawsuits that arise from time to time in the ordinary course of business. In the opinion of management, there are no lawsuits or claims outstanding, which could have a material adverse effect on the financial position or activities of the Foundation.

Credit Risk:

The Foundation's cash balances held at financial institutions are insured by the Federal Deposit Insurance Corporation up to certain limits. At December 31, 2020, the Foundation had cash balances of $1,178 thousand held by financial institutions in excess of insured limits.

NOTE 15 - COMMITMENTS AND CONTINGENCIES (Continued)

Museum Access Restrictions:

The full impact of the base access restrictions due to the 2019 terrorist incident and COVID-19 outbreak continues to evolve. As such, the full magnitude that the restrictions will ultimately have on the Foundation is very uncertain. Management is actively monitoring its financial condition, liquidity, operations, suppliers, industry, and workforce. Given the evolution of the restrictions, the Foundation is not able to estimate the future effects on its results of operations or financial condition.

NOTE 16 - RELATED PARTY TRANSACTIONS

The Foundation recorded contributions of approximately $254 thousand and $385 thousand from its trustees and related committees during 2020 and 2019, respectively. At December 31, 2020 and 2019, the Foundation had pledges receivable of approximately $136 thousand and $339 thousand, respectively, due from its trustees, related committees, and a company whose management serves as a trustee of the Foundation.

GENERAL INFORMATION

Agency Name: Santa Rosa Island Authority

Agency Address: 1 Via de Luna

Pensacola Beach, FL 32561

Program Name for which funding is being requested: Beach Nourishment

Amount Requested: $ 3 million (above and beyond the $500,000 per year currently being set aside)

Program Contact: Leigh Davis

Contact Email: leigh_davis@sria-fla.com Contact Phone: (850) 932-2257

25-Word Description of Program: Gulf-side Beach Nourishment Project

This decennial project provides erosion mitigation, protects infrastructure, enhances recreation, maintains the ecology, boosts tourism, and enhances climate resiliency.

How many years has your organization been providing services in the County? 60+ years

How many years has your organization received funding from the County? 1 year for an unrelated project (FY24 – trolley operations funding)

Explain how receiving funds from the County would have a significant impact on your organization: SRIA has been setting aside leaseholder funds over the last six (6) years for the purpose of accomplishing beach nourishment which begins in September/October 2025. To date, $6.1 million of SRIA funds have been budgeted for the project with another $2 million anticipated to be budgeted in FY25. The project is estimated to cost $30 million with the State of Florida covering half. Funding would have a significant impact on residential and commercial leaseholders by not having to carry the full burden of the nourishment project, but rather share

that cost with tourists who have enjoyed and will continue to enjoy Pensacola Beach. Utilizing TDT dollars for this project is statutorily sound, acknowledges the significance of the beach as an economic driver for the community at large, and is an appropriate return on the consistent, TDT collections generated within the 32561 geographic area – approximately 43% annually of total TDT revenues.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: $250,000 (unrelated project)

Briefly discuss how last year's funds were used? Last year's funds were used to operate the complimentary Island trolley service for Pensacola Beach visitors. Providing operating dollars allowed SRIA to realign dollars within its operating budget to the capital improvement budget for purchasing 2 new replacement trolleys.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County? The 2024 ridership counts are unavailable at this time as the trolley season is Memorial Day through Labor Day. However, as mentioned above, the TDT dollars enabled SRIA funding to be reallocated toward the capital investment of two new trolleys. The new trolleys have been ordered and are expected to be in service in late July 2024. The purchase of the trolleys will mitigate beach traffic and provide an alternative mode of beach transportation for the hundreds of thousands of visitors. Additional benefits of the trolley service include providing a fun and free "island" experience making visitors want to return and the promotion of all commercial venues on the Island which brings valuable sales tax dollars to the community.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? The funding will be used for Gulf-side Beach Nourishment to meet the 50/50 match required by the State. This decennial project provides erosion mitigation, protects infrastructure, enhances recreation, maintains the ecology, boosts tourism, and enhances climate resiliency. In 2023, Pensacola attracted 2.5 million visitors largely

because the of the beach, making Pensacola Beach the most significant economic driver of this community. Pensacola Beach, alone, consistently garners 43% of the TDT collections annually. Protecting the natural resource that is Pensacola Beach is paramount to a thriving Escambia County economy. Per data from Visit Pensacola, visitors to Escambia County save local residents $508 in county taxes per household every year. Additionally, tourism provides employment for Escambia County residents. If tourism declines, these employment opportunities shrink.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: N/A

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area: SRIA is the only agency planning for and providing gulf-side beach nourishment projects for Pensacola Beach. In advance of the major nourishment project, SRIA is funding a dune enhancement/planting project this fiscal year to the tune of $263,400 to further project the coastline and the nourishment investment that will soon be made. Additionally, SRIA along with Escambia County Natural Resources Management staff, have had discussions with the National Park Service to encourage federal nourishment and restoration projects outside of the 8-miles of the Escambia County/SRIA jurisdiction that would further advance the goal of protecting this pristine natural resource.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. SRIA is the only agency planning for and providing beach nourishment projects for Pensacola Beach through its contract coastal engineer. The contractor also provides beach monitoring services and completes the necessary, State-required reports for beach funding.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 0 %
- Percentage for direct programming costs: 100 %

If Escambia County funding can only fund a portion of your request, how will you offset the difference? The scope of the project would have to be reduced or the timeline for the nourishment would have to be pushed out. Pushing out the timeline jeopardizes the State funding that was just approved by the legislature and makes gulf-side properties more vulnerable to storms as the beach continues to erode.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: Gulf-side beach nourishment is anticipated to cost $30 million dollars. The Florida Department of Environmental Protection (FDEP), through its Beach Management Funding Assistance Program, typically matches 50% of nourishment and restoration projects similar to this. The SRIA's coastal engineering consultant indicates that the Pensacola Beach Restoration Project is high on the list of those to receive funding from this year's recently passed State budget which allocated $50 million towards beach management projects. Furthermore, the final legislative report from the Florida Shore & Beach Preservation Association indicated that even though local government funding requests exceeded $50M for FY 2024/25, FDEP programmatic staff assured Association representatives that there were enough unallocated funds to cover the full list. If this request is approved by the TDC, the ratio of funding would be as follows: 50% from FDEP, 27% ($8.1 million) from SRIA and 17% ($5 million) from TDC/TDT. The remaining 6% (approximately $2 million) would have to be found from a variety of sources in the FY26 budget cycle.

Is there a duplication of funding? Does your organization request funding from other local non-

profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. N/A

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY23	FY24	FY25	% Change
1. Advance shoreline width by ~50ft (*anticipated width)	259.1 feet wide	240 * feet wide	230 * feet wide	%
2. Boost tourism by 2%	2.5 million			%
3.				%

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	FY25
1. Add approximately 1.7M cubic yards of sand to the gulf-side beach front (Note: final cubic yards will actually be calculated at the end of the project which would be in FY26)	Sand will actually be added in FY26
2. Advance shoreline by ~50ft (Note: post-equilibration, 12-18 months after construction. Initial shoreline advance would be in the ~100ft. range.)	
3. Boost tourism by 2%	

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in previous fiscal

year."

Baseline for Goals	FY24
1. Add approximately 1.7M cubic yards of sand to the gulf-side beach front (project is done on approximately every 10 years)	0 cubic yards
2. Advance shoreline by ~50ft	0 increase
3.

INDEPENDENT AUDITOR'S REPORT

To the Board Members and Chief Executive Officer
Santa Rosa Island Authority
Pensacola Beach, Florida

Opinion

We have audited the accompanying financial statements of the business-type activities of Santa Rosa Island Authority, a component unit of Escambia County, Florida, (hereinafter referred to as "Authority"), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of the Authority as of September 30, 2023, and the changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independence of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

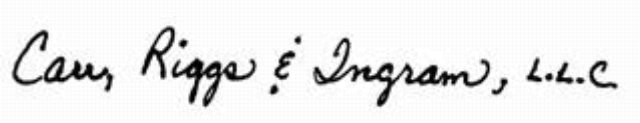
We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Schedule of Changes in Net OPEB Liability and Related Ratios, Schedules of Proportionate Share of Net Pension Liability, and Schedules of Contributions, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted

of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the Management Discussion and Analysis that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.



Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The Schedule of Revenue and Expenses – Budget and Actual is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The Schedule of Revenue and Expenses – Budget and Actual is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Revenues and Expenses – Budget and Actual is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated February 16, 2024, on our consideration of the Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

NOTE 1: ORGANIZATION

The Santa Rosa Island Authority ("Authority"), exists pursuant to the provisions of Chapter 24500, Laws of Florida, Special Acts of 1947, as amended. The Authority is the governing body of a portion of Santa Rosa Island and consists of five members appointed by the Board of County Commissioners of Escambia County, and one member elected by the leaseholders of Santa Rosa Island. The Authority has been constituted a body corporate and an agency of Escambia County and, accordingly, meets the criteria of a component unit and will be included in the Basic Financial Statements of Escambia County, Florida.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Authority maintains its books and records under the accrual method of accounting. Under this method, revenue is recognized when earned rather than when received, and related expenses are recognized when they are incurred rather than when paid. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The Authority classifies fund equity into three components – net investment in capital assets; restricted; and unrestricted. These classifications are defined as follows:

Net investment in capital assets – This component of fund equity consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of invested in capital assets, net of related debt. Rather, that portion of the debt is included in the same fund equity component as the unspent proceeds.

Restricted – This component of fund equity consists of constraints placed on fund equity imposed by creditors (such as through debt covenants), contributors, or laws or regulations of other governments, or constraints imposed by law through constitutional provisions or enabling legislation.

Unrestricted – This component of fund equity consists of fund equity that does not meet the definition of "restricted" or "net investment in capital assets".

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Authority is accounted for as an enterprise fund. Enterprise funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. The Authority complies with generally accepted accounting principles (GAAP) and applies all relevant Governmental Accounting Standards Board (GASB) pronouncements.

Enterprise funds distinguish operating revenue and expenses from nonoperating items. Operating revenue and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund's principal ongoing operations. The principal operating revenue of the Authority are lease fees and related charges. Operating expenses of the Authority include personal services, contractual and professional services, supplies, utilities, advertising and promotion, capital outlay, other expenses and depreciation on capital assets. All revenue and expenses not meeting this definition are reported as nonoperating revenue and expenses.

Restricted Assets

Certain assets of the Authority are restricted for use by agreements with third-parties; therefore, they are not available to be used at management's discretion. These restrictions include assets restricted by outside parties for beach renourishment and certain capital improvements as further discussed in Note 7.

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

General Budget Policies

Prior to the beginning of each fiscal year, the Executive Director submits an operating budget to the Authority Board. The budget includes proposed expenses necessary for operation of the Authority and estimated revenue available to finance those expenses. Once approved by the Authority Board, the budget is submitted for approval by the Board of County Commissioners of Escambia County. The legal level of budgetary control is by total expenditures. Any amendments that alter total expenditures must be approved by the Authority Board and the Board of County Commissioners of Escambia County. All appropriations lapse at year end.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The budget is prepared on a basis that differs from generally accepted accounting principles as follows:

A. The budget does not include a provision for depreciation expense or for gain or loss from disposal of capital assets.

B. The budget includes a provision for capital outlay, which is not included in the results of operations under generally accepted accounting principles, except for certain non-capital items expensed by the Authority. These non-capital items include dredging, renourishment and improvements to property not owned by the Authority.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Authority considers all highly liquid debt instruments with a maturity of three months or less when purchased to be cash equivalents, excluding investments in the Local Government Surplus Funds Trust Fund Investment Pool.

Capital Assets

Capital assets are defined by the Authority as assets with an initial/individual cost of more than $1,000 and an estimated useful life in excess of two years. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Upon being placed into service, property, plant and equipment of the Authority are depreciated using the straight-line method over the estimated useful lives. Estimated useful lives for financial reporting purposes are as follows: transportation equipment, maintenance equipment, office equipment and miscellaneous: 3 – 10 years; and buildings and shelters: 10 – 40 years.

Compensated Absences

It is the Authority's policy to permit employees to accumulate a limited amount of earned but unused annual leave and, for those employees who have achieved retirement age or are entitled under a negotiated contract, a limited amount of earned but unused sick leave. Accordingly, the Authority records an accrual for earned but unused annual leave and sick leave.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Lease Fees

Lease fees, including consideration fees, are generally recognized as income over the lease term as it becomes due according to the provisions of the lease. Lease fees received but not yet earned according to the provisions of the lease are recorded as deferred revenue. The Authority has agreed to bill certain lease fees quarterly or monthly even though the full amount is due at the beginning of the renewal year. Amounts due from year-end through the lease renewal date are reflected as unbilled receivables on the accompanying Statement of Net Position.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position will sometimes include a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources,* represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The items that qualify for reporting in this category are the items related to the pension and OPEB amounts reported in the Statement of Net Position. The deferred outflows of resources related to pension and OPEB amounts result generally from changes between the expected and actual experience of the pension and OPEB plans.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources,* represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Authority has four items, deferred revenue, deferred consideration fees, and pension and OPEB amounts, which qualify for reporting in this category. Deferred revenue and deferred consideration fees result from the collection of revenues in advance of the year for which they are due. The deferred inflows of resources related to pension and OPEB amounts result generally from changes between the expected and actual experience of the pension and OPEB plans.

Other Post-Employment Benefits

The Authority utilizes uniform reporting standards for other postemployment benefit (OPEB) expense and related liabilities, note disclosures, and required supplementary information (RSI) in annual financial reports of governmental entities. See Note 11 for a description of the OPEB expenses and liabilities.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, February 16, 2024. See Note 14 for relevant disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these consolidated financial statements.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recently Issued and Implemented Accounting Pronouncements

The GASB has recently issued several accounting pronouncements, including Statement No. 91, *Conduit Debt Obligations*; Statement No. 93, *Replacement of Interbank Offered Rates*; and State No. 96, *Subscription-Based Information Technology Arrangements*. The Authority did not experience any significant impacts to its financial reporting as a result of implementing these Statements.

The GASB has issued statements that will become effective in future years, including Statement No. 100, *Accounting Changes and Error Corrections* and Statement No. 101, *Compensated Absences*. The Authority is evaluating the requirements of the above statements and the impact, if any, on its financial reporting.

NOTE 3: CASH AND INVESTMENTS

The Authority maintains deposits with "Qualified Public Depositories" as defined in Chapter 280, Florida Statutes. All Qualified Public Depositories must place with the Treasurer of the State of Florida securities in accordance with collateral requirements determined by the State's Chief Financial Officer. In the event of default by a Qualified Public Depository, the State Treasurer will pay public depositors all losses. Losses in excess of insurance and collateral will be paid through assessments between all Qualified Public Depositories.

Under this method, all of the Authority's deposits are fully insured or collateralized at the highest level of security as defined by GASB, Statement Number 40*, Deposits and Investment Disclosures (An Amendment of GASB, Statement Number 3).*

The Authority is authorized to invest in financial instruments as established by Section 218.415, Florida Statutes. The authorized investments include among others direct obligations of the U.S. Treasury; the Local Government Surplus Funds Trust Fund as created by Section 218.405, Florida Statutes; SEC registered money market funds with the highest credit quality rating from a nationally recognized rating agency; and interest-bearing time deposits or savings accounts in authorized financial institutions.

In accordance with GAAP, certificate of deposits are considered a nonparticipating interest-earning investment contract and is appropriately reported in the financial statements at cost. The following is a summary of the Authority's investments:

September 30,	**2023**	**Credit Risk**	**Maturities**
Certificate of deposit	$ 562,715	not rated	03/20/24

NOTE 3: CASH AND INVESTMENTS (Continued)

Concentration risk – The Authority places no limit on the amount the Authority may invest in any one issuer.

Interest rate risk –The Authority does not have a formal policy for addressing interest rate risk; however, investments are made with discretion to seek reasonable returns, preserve capital, and in general, avoid speculative investments. The Authority manages its exposure to declines in fair values from interest rate changes by reviewing the portfolio on an ongoing basis for changes in effective yield rates.

Custodial credit risk – For an investment, custodial credit risk is the risk that the Authority will not be able to recover the value of the investments or collateral securities that are in the possession of an outside party. The Authority has no formal policy for custodial risk. None of the investments listed above are exposed to custodial credit risk because their existence is not evidenced by securities that exist in physical or book entry form.

NOTE 4: CAPITAL ASSETS

The following is a summary of changes in the capital assets for the year ended September 30, 2023:

September 30,	**2022**	**Additions**	**Transfers and Retirements**	**2023**
Other capital assets:				
Buildings	$ 1,064,609	$ -	$ -	$ 1,064,609
Other improvements	71,214	63,670	-	134,884
Equipment	210,767	83,198	(9,849)	284,116
Total other capital assets	1,346,590	146,868	(9,849)	1,483,609
Less accumulated depreciation for:				
Buildings	(639,935)	(22,126)	-	(662,061)
Other improvements	(26,703)	(5,706)	-	(32,409)
Equipment	(171,802)	(28,548)	9,849	(190,501)
Total other capital assets	(838,440)	(56,380)	9,849	(884,971)
Total capital assets, net	$ 508,150	$ 90,488	$ -	$ 598,638

NOTE 5: LONG-TERM LIABILITIES

The Authority has a compensated absence liability for unpaid leave.

Changes in long-term liabilities were as follows:

September 30,	2022	Additions	Reductions	2023	Amount Due Within One Year
Compensated absences	$ 126,520	$ 23,634	$ -	$ 150,154	$ -
	$ 126,520	$ 23,634	$ -	$ 150,154	$ -

NOTE 6: LEASING ACTIVITIES

Substantially all of the Authority's revenue is derived from leasing activities. The Authority leases the land of Santa Rosa Island to residents and businesses on the Island but does not convey ownership. The Authority's policy is to report all leases as operating leases since the land of the island is not recorded as an asset on the financial statements and the leases do not meet the criteria of a capital lease.

Most residential and many commercial leases are for a period of 99 years. Many of these 99-year leases have options to renew for another 99-year term. Some leases, particularly those for restaurants and concessions, are generally for a shorter period. Each lease provides that any construction on the premises must be performed within an established length of time, and detailed plans and specifications must be approved by the Authority before a building permit is issued. Failure to pay any rentals due or failure to comply with any other covenants of the lease constitutes a violation under the terms of the lease and the Authority may repossess the land and the improvements after required notice if the lessee fails to correct the default.

Certain leases have a provision that allows for an increase in minimum lease fees every five years in proportion to the consumer price index (CPI). In 2021, the Authority's Board approved a total increase of 7.7% for the lease years from 2021 – 2025. The Authority implemented increases of 1.7% in 2022 and 2% in 2023, and anticipated increases are as follows: 2024-2025: 2% each year.

NOTE 6: LEASING ACTIVITIES (Continued)

The following is a schedule of estimated future minimum rentals to be received under these leases for the periods ending September 30.

2024	$ 2,200,107
2025	2,252,328
2026	2,252,328
2027	2,252,328
2028	2,252,328

The following is a schedule of the number of residential and commercial leaseholders as of:

September 30,	2023
Residential	3,889
Commerical	149

NOTE 7: RESTRICTED NET POSITION

Restricted net position is comprised of two primary components: Portofino island improvement funds and certain claim proceeds related to the BP oil spill. The Portofino restricted funds are derived from a portion of the Portofino lease and must be used for future Island improvements. As of September 30, 2023, the restricted Portofino funds equal $1,435,446.

In addition, the Authority also considers certain funds received from BP in prior years relating to the Deepwater Horizon Oil Spill as restricted for the restoration of the Quietwater Beach area. These amounts total $175,379 at September 30, 2023.

The Authority also has certain funds set aside for maintaining Sabine Park and Morgan Park, including paying mitigation expenses. The other restricted balances totaled $47,488 and $37,031 at September 30, 2023 for Sabine Park and Morgan Park, respectively.

In addition to restricted net position, the Authority has also designated certain unrestricted net asset amounts for future contingencies and beach renourishment. These amounts total $5,621,089 as of September 30, 2023 and are included in unrestricted net position on the accompanying Statement of Net Position. At September 30, 2023, the Authority's unrestricted, undesignated net position totals approximately $4.6 million.

NOTE 8: RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The Authority has established a self-insurance program to cover its risk of loss related to general liability claims and natural disasters. As of September 30, 2023, the Authority has set aside $1,121,089 in contingency funds to cover any claims that may be filed or other emergencies for which cash flow, particularly in off-seasons, might not be sufficient to cover. This amount is included in the designated net position amount identified in Note 7.

The sovereign immunity limits of the State of Florida restrict general liability claims to $100,000. General liability claims above $100,000 would have to be approved by the State Legislature. The Authority participates in the Escambia County self-insurance program to cover its risks of loss related to workers' compensation claims. The Authority pays an annual premium to the program for its coverage. Details of this self-insurance program can be found in the Escambia County, Florida Comprehensive Annual Financial Report. The Authority continues to carry commercial insurance for risks of loss, including property insurance. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE 9: FEDERAL AND STATE GRANT PROJECTS

The Authority has entered into various grant agreements with the Federal Emergency Management Agency to fund the elevation of certain properties on Santa Rosa Island. The total of the award agreements approximates $3.3 million. During 2023, the Authority did not incur any expenses related to this program. However, the Authority did receive funds from the State totaling $48,800 to reimburse homeowners for construction expenses paid directly by the homeowners. No revenue or expenses was recognized in the current year related to this transaction.

The Authority has been awarded grant funds from the State of Florida for beach re-nourishment and restoration. The maximum amount to be received under the three grants is $414,500. The grants require a match of $414,500. During 2023, the Authority incurred approximately $113,300 of expenses related to this program, of which 50% was paid back to the Authority by the State.

Revenue recognized under these federal and state grants totaled $56,650 for the year ended September 30, 2023.

NOTE 10: PENSION PLAN

Essentially all regular employees of the Authority are covered by the Florida Retirement System Pension Plan and Retiree Health Insurance Subsidy Program.

Plan Descriptions, Membership and Plan Benefits, and Contribution Requirements

Plan Descriptions

The Florida Retirement System (FRS) is a cost-sharing, multiple-employer retirement system. The FRS was created in Chapter 121, Florida Statutes, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program (DROP) under the defined benefit plan, and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan (INV). Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any state-administered retirement system in paying the costs of health insurance.

The FRS, HIS, and INV are administered by the Florida Department of Management Services, Division of Retirement. Provisions relating to FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112 Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code. The Florida Legislature has the authority to establish and amend retirement legislation and related bills of significance to members of the FRS and HIS plans (including benefit terms and contribution rates). Passed bills are presented to the Governor of Florida and approved before they may be enacted into law.

The FRS, HIS, and INV financial information is included in the Florida Retirement System (System) Pension Plan and Other State Administered Systems Annual Comprehensive Financial Report (ACFR). The System ACFR, including audited financial information to support the Schedules of Employer Allocations and Schedules of Pension Amounts by Employer, are available online at http://www.dms.myflorida.com/workforce_operations/retirement/publications.

NOTE 10: PENSION PLAN (Continued)

Membership and Plan Benefits - FRS

The FRS has several classes of membership applicable to the Authority, including regular class, senior management and DROP. Employees enrolled in the FRS prior to July 1, 2011, vest at six years of creditable service and are eligible for normal retirement benefits at age 62 or at any age after 30 years of service. Employees enrolled in the Plan on or after July 1, 2011, vest at eight years of creditable service and are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service. Retirees receive a lifetime pension benefit with joint and survivor payment options. The FRS also includes an early retirement provision, but imposes a penalty for each year a member retires before the normal retirement date. Benefits are computed on the basis of age, average final compensation, creditable years of service, and accrual value by membership class.

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

A DROP was established effective July 1, 1998, subject to provisions of Section 121.091, Florida Statutes. It permits employees eligible for normal retirement under the FRS to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Membership and Plan Benefits - HIS

HIS membership is available to all members within the FRS plan. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs. Eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by $7.50. The minimum payment is $45 and the maximum payment is $225 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under a State administered retirement system must provide proof of eligible health insurance coverage, which can include Medicare.

NOTE 10: PENSION PLAN (Continued)

Contribution Requirements

Employer contributions rates are actuarially recommended but set, and may be amended, by the Florida Legislature. These rates are a percentage of covered payroll. The FRS and HIS contribution rates were as follows:

	Employee Required Contribution	Employer Required Contribution	Total Required Contribution
Regular employees:			
October 1, 2022 through June 30, 2023	3.00%	11.91%	14.91%
July 1, 2023 through September 30, 2023	3.00%	13.57%	16.57%
Employees in the Deferred Retirement Option Program (DROP):			
October 1, 2022 through June 30, 2023	n/a	18.60%	18.60%
July 1, 2023 through September 30, 2023	n/a	21.13%	21.13%
Senior Management Service Class (SMSC):			
October 1, 2022 through June 30, 2023	3.00%	31.57%	34.57%
July 1, 2023 through September 30, 2023	3.00%	34.52%	37.52%

Employer rates include 1.66 percent for the HIS program. In addition, regular employees are required to contribute an amount equal to 3% of their salary as retirement contributions. Members participating in the DROP are not required to make 3 percent contributions. The Authority's contributions to the Plan totaled $128,965 for the year ended September 30, 2023.

FRS and HIS Significant Assumptions and Rate of Return

Basis of Accounting

Information about the FRS and HIS assets, deferred outflows of resources, liabilities, deferred inflows of resources, and fiduciary net position can be found in the System ACFR. The System ACFR is available online or can be obtained as mentioned previously The FRS and HIS fiduciary net position and additions to/deductions from the fiduciary net position have been determined based on the System's records, which utilize the flow of economic resources measurement focus and accrual basis of accounting. For this purpose, benefit payments (including refund of employee contributions) are recognized when due and payable. Investments are reported at fair value. Contributions are recognized as revenue when due, pursuant to statutory and contractual requirements. There have been no significant changes since the publication of the System ACFR.

NOTE 10: PENSION PLAN (Continued)

Actuarial Methods and Assumptions

The FRS Actuarial Assumption Conference is responsible for setting the assumptions used in the funding valuations of the defined benefit pension plan pursuant to section 216.136(10), Florida Statutes. The division determines the assumptions in the valuations for GASB 67 reporting purposes. The FRS Pension Plan's GASB 67 valuation is performed annually. The HIS Program has a valuation performed biennially that is updated for GASB reporting in the year a valuation is not performed. The most recent experience study for the FRS Pension Plan was completed in 2019 for the period July 1, 2013 through June 30, 2018. Because the HIS is funded on a pay-as-you-go basis, no experience study has been completed for that program. The actuarial assumptions that determined the total pension liability for the HIS program were based on certain results of the most recent experience study for the FRS Pension Plan.

The total pension liability for each cost-sharing defined benefit plan was determined using the individual entry age actuarial cost method. Inflation increases for both plans is assumed at 2.40%. Payroll growth, including inflation, for both plans is assumed at 3.25%. Both the discount rate and long-term expected rate of return used for FRS investments is 6.7%. The plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

Because the HIS program uses a pay-as-you-go funding structure, a municipal bond rate of 3.65% was used to determine its total pension liability for the program (Bond Buyer General Obligation 20-Bond Municipal Bond Index). Mortality assumptions for both the FRS Pension Plan and the HIS Program were based on the PUB-2010 base table (refer to the valuation reports for more information).

As of June 30, 2023, the municipal rate used by HIS increased from 3.54 percent to 3.65 percent. In addition, Chapter 2023-193, Laws of Florida (Senate Bill 7024), increased the level of monthly benefits from $5 times years of service to $7.50, with an increased minimum of $45 and maximum of $225. This change applies to all years of service for both members currently receiving benefits and members not yet receiving benefits.

Long-Term Rate of Return

To develop an analytical basis for the selection of the long-term expected rate of return assumption, in October 2023 the FRS Actuarial Assumption Conference reviewed assumptions by Milliman's Capital Markets assumption team and Aon Hewitt Investment Consulting. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. These assumptions are not based on historical returns, but instead are based on a forward-looking capital market economic model.

NOTE 10: PENSION PLAN (Continued)

The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Annual Arithmetic Return
Cash	1.00%	2.9%
Fixed Income	19.80%	4.5%
Global Equity	54.00%	8.7%
Real Estate (Property)	10.30%	7.6%
Private Equity	11.10%	11.9%
Strategic Investments	3.80%	6.3%
Total	100.00%	

The HIS is essentially funded on a pay-as-you-go basis. As such, there is no assumption for a long-term expected rate of return on a portfolio, no assumptions for cash flows into and out of the plan, or assumed asset allocation.

District's Share of Net Pension Liability

Employers participating in the FRS and HIS were provided pension allocation schedules for use in recording their proportionate share of the FRS and HIS net pension liability (NPL), deferred outflows of resources, deferred inflows of resources, and pension expense at measurement date June 30, 2023. The underlying financial information used to prepare the pension allocation schedules is based on the same basis as mentioned previously.

At September 30, 2023, the Authority reported a liability of $971,544 for its proportionate share of the net pension liability of the FRS and HIS. The net pension liability was measured as of June 30, 2023, respectively, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2023.

The Authority's proportionate share was calculated using the retirement contributions for employees that were members of the FRS and HIS during the measurement year ended June 30, 2023. The aggregate employer contribution amounts for the fiscal year ended June 30, 2023, in the pension allocation schedules agree to the total employer contribution amounts reported in the System ACFR.

For the year ended September 30, 2023, the Authority recognized pension expense of $144,673 related to the FRS and $107,719 related to the HIS.

NOTE 10: PENSION PLAN (Continued)

At September 30, 2023, the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

September 30, 2023

	FRS		HIS	
Description	**Def Outflows**	**Def Inflows**	**Def Outflows**	**Def Inflows**
Differences between expected and actual experience	$ 59,903	$ -	$ 4,883	$ 783

Total	$ 202,531	$ 107,097	$ 32,122	$ 41,921

Deferred outflows of resources of $26,081 are reported by the Authority for employer contributions subsequent to the measurement date and will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2023. Deferred outflows of resources of $22,672 for the year ended September 30, 2022, were recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2023.

Other amounts reported as deferred outflows of resources and inflows of resources related to pensions will be recognized as pension expense as follows:

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS

Plan Description: The Authority participates in the benefit plans and programs of Escambia County, Florida (the "County"). Pursuant to Section 112.0801 Florida Statutes, the Authority is required to provide eligible retirees (as defined in the County's pension plans) the opportunity to participate in this Plan at the same cost that is applicable to active employees. Eligible retirees must be drawing an immediate benefit from their respective pension plan and be enrolled in medical coverage prior to retirement. Surviving spouses of participants are allowed access to the Plan but must pay the full premium. Benefit provisions for the Plan were established by the County's Board of Directors and may only be amended by the County's Board of Directors. The County does not issue stand-alone financial statements for this Plan. All financial information related to the Plan is accounted for in the County's basic financial statements.

Funding Policy: The Authority is funding the post employee benefits on a pay-as-you-go basis. Contribution rates for the Plan are established by the County annually. For the fiscal year ended September 30, 2023, the Authority contributed approximately $5,000. Blended premium rates for active and retired employees combined provide an implicit subsidy for retirees because on actual basis, their current and future claims are expected to result in higher costs to the Plan than those of active employees. The current year contribution represents an estimate of this implied subsidy.

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS (Continued)

Plan Membership: At October 1, 2023, OPEB membership consisted of the following:

	SRIA
Inactive members currently receiving benefits	11
Active members	7
Total	18

The Authority's covered payroll constituted approximately 0.72%, for the year ended September 30, 2023 of the total payroll costs for all entities included in the actuarial calculation. Accordingly, the County has allocated approximately 0.72% of the actuarially calculated amounts to the Authority in fiscal year 2023.

Actuarial Assumptions and Other Inputs: The total OPEB liability in the September 30, 2023 actuarial assumptions and other inputs, applied to all period in the measurement, unless otherwise specified:

Inflation	2.25 percent
Salary increases	3.40 percent to 7.80 percent, including inflation
Discount rate	4.40 percent
Health care cost trend rates	Getzen Model, with trend starting at 6.00% for 2022 and gradually decreasing to an ultimate trend of 3.75%

The discount rate was based on an index rate for 20 year tax-exempt general obligation municipal bonds with an average AA credit rating or higher.

Mortality rates were taken from adjusted Pub-2010 mortality tables published by the Society of Actuaries with generational mortality improvements using Scale MP-2018. They are based on the results of a stateside experience study covering the period 2013 through 2018.

At September 30, 2023, the Authority reported a net OPEB liability of $106,976. The GASB 75 information has been provided as of the September 30, 2021 measurement date.

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS (Continued)

The change in net OPEB liability for the year ended September 30, 2023 is as follows:

	Increase (Decrease) Net OPEB Liability Liability
Balance as of September 30, 2022	$ 122,548
Changes for the year:	
Service cost	4,602
Interest	2,121
Changes in assumptions	(17,266)
Benefit payments	(5,029)
Net Change in OPEB	(15,572)
Balance as of September 30, 2023	$ 106,976

Changes in assumptions and other inputs reflect a change in the discount rate from 2.19% as of September 30, 2022 to 4.40% as of September 30, 2023. The methods, assumptions, and participant data used are detailed in the actuarial valuation report the fiscal year ended September 30, 2021. These calculations are based in the Entry Age Normal cost method required by GASB 75.

Sensitivity of the Net OPEB Liability: The following table represents the Authority's total and net OPEB liability calculated using the discount rate of 4.40%, as well as what the Authority's net OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (3.40%) or one percentage point higher (5.40%) than the current rate:

	1% Decrease (3.40%)	Discount Rate (4.40%)	1% Increase (5.40%)
Net OPEB liability	$ 116,677	$ 106,976	$ 98,446

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS (Continued)

The following table represents the Authority's total and net OPEB liability calculated using the health care cost trend rate of 6.00% decreasing to 3.75%, as well as what the Authority's net OPEB liability would be if it were calculated using a health care cost trend rate that is one percentage point lower (5.00% decreasing to 2.75%) or one percentage point higher (7.00% decreasing to 4.75%) than the current rate:

	1% Decrease (5.00% decreasing to 2.75%)	Healthcare Cost Trend (6.00% decreasing to 3.75%)	1% Increase (7.00% decreasing to 4.75%)
Net OPEB liability	$ 99,769	$ 106,976	$ 115,522

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the fiscal year ended September 30, 2023, the Authority recognized OPEB expense of $3,600.

In addition, the Authority reported deferred outflows of resources and deferred inflows of resources related to the OPEB plan from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	$ -	$ 8,266
Changes in assumptions and other inputs	10,757	17,412
Estimated benefits paid after the measurement date	5,036	-
Total	$ 15,793	$ 25,678

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS (Continued)

The deferred outflows of resources related to OPEB, totaling $5,036 resulting from Authority contributions subsequent to the measurement date, will be recognized as a reduction of the net OPEB liability in the fiscal year ending September 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the OPEB plan will be recognized in the expense as follows:

Fiscal Year Ending September 30,	
2024	$ (3,086)
2024	(2,873)
2026	(2,486)
2027	(1,358)
2028	(1,413)
Thereafter	(3,705)

NOTE 12: RELATED PARTY TRANSACTIONS

The Authority reimburses Escambia County for Pensacola Beach trolley services, which totaled $225,891 for the year ended September 30, 2023. In addition, the Authority pays Escambia County for its employees' workers' compensation insurance and health and life insurance. During the year ended September 30, 2023, the Authority expended $1,367 for workers' compensation insurance and $158,731 for health and life insurance. The Authority also reimbursed the County $206,000 for fire and rescue services during the year ended September 30, 2023. There were no amounts due to the County at September 30, 2023.

NOTE 13: COMMITMENTS AND CONTINGENCIES

Grants Contingencies

The Authority has received federal and state financial assistance for costs related to capital improvements and disaster assistance on Santa Rosa Island. The disbursement of funds received under these programs is subject to review and audit by grantor agencies. Any disbursements disallowed by these agencies could become a liability of the Authority. In the opinion of management, any such claims should not have a material adverse effect on the financial statements.

NOTE 13: COMMITMENTS AND CONTINGENCIES (Continued)

Windstorm

The insurance policy for windstorm coverage includes a deductible amount for named hurricane storms estimated at approximately $62,000. In addition, the Authority's windstorm policy is underwritten by the State of Florida's Citizens Property Insurance Corporation (Citizens). In the event Citizens incurs a deficit that exceeds the amount collected via regular premiums, an emergency assessment may be levied. The Authority may be required to pay substantially more in insurance premiums relating to the year for which the emergency assessment is levied.

Litigation

The Authority is involved in various lawsuits and claims incidental to the normal course of its operations. In the opinion of management, the ultimate liability, if any, resulting from such litigation will not materially affect the financial position or results of operations of the Authority.

NOTE 14: SUBSEQUENT EVENTS

In November 2023, the Board approved the purchase of two gasoline-powered trolleys totaling $475,284.

In January 2024, the Board approved a bid totaling $263,396 from a local vendor for the dune enhancement project.

NOTE 1: OPEB PLAN

The actuarial methods and assumptions used to calculate the total OPEB liability are described in Note 11 to the financial statements.

The net OPEB liability amount presented for each fiscal year was determined as of September 30 measurement date prior to the fiscal year-end.

The schedule is intended to present ten years of data. Additional years of data will be presented as they become available.

The Authority has not presented a Schedule of Contributions since an actuarially determined contribution has not been calculated and there is no contractually or statutorily determined contribution applicable to the Authority.

NOTE 2: PENSION PLAN

The actuarial methods and assumptions used to calculate the total pension liability (asset) are described in Note 10 to the financial statements.

The net pension liability amounts presented for each fiscal year were determined as of the June 30 measurement date prior to the fiscal year-end.

HIS: The discount rate was modified to reflect the change in the value of the municipal bond index between GASB measurement dates. .

Chapter 2023-193, Laws of Florida (Senate Bill 7024), increased the level of monthly benefits from $5 times years of service to $7.50, with an increased minimum of $45 and a maximum of $225. This change applies to all years of service for both members currently receiving benefits and members not yet receiving benefits.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Supervisors
Santa Rosa Island Authority
Pensacola Beach, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of Santa Rosa Island Authority (hereinafter referred to as the "Authority"), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated February 16, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

To the Board of Directors and Chief Executive Officer
Santa Rosa Island Authority
Pensacola, Florida

Report on the Financial Statements

We have audited the financial statements of the Santa Rosa Island Authority ("Authority") as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated February 16, 2024

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Florida Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with AICPA Professional Standards, AT-C 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated February 16, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This information is disclosed in the notes to the financial statements.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, requires us to apply appropriate procedures and communicate the results of our determination as to whether or not the Authority met one or more conditions described in Section 218.503(1), Florida Statutes, and to identify the specific conditions met. In connection with our audit, we determined that the Authority did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Authority. It is management's responsibility to monitor Authority's financial condition, and our financial condition assessment was based in part on representation made by management and review of financial information provided by same.

Section 10.554(1)(i)2, Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Specific Information

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Santa Rosa Island Authority reported:

a. The total number of authority employees compensated in the last pay period of the authority's fiscal year as 13.
b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the authority's fiscal year as 0.
c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as $872,489.
d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as $0
e. Each construction project with a total cost of at least $65,000 approved by the Authority that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as:
    - Baby Beach/Sharp Point Nourishment and Drainage Improvements Project - $456,698.
f. The Authority did not amend its final adopted budget under Section 189.016(6), Florida Statutes.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT

To the Board Members and Chief Executive Officer
Santa Rosa Island Authority
Pensacola, Florida

We have examined Santa Rosa Island Authority's compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2023. Management of the Authority is responsible for the Authority's compliance with the specified requirements. Our responsibility is to express an opinion on the Authority's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standard require that we plan and perform the examination to obtain reasonable assurance about whether the Authority complied, in all material respects, with the specified requirement referenced above. An examination involves performing procedures to obtain evidence about whether the Authority complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that our examination provides a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Authority's compliance with specified requirements.

In our opinion, the Authority complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2023.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

To the Board Members and Chief Executive Officer
Santa Rosa Island Authority
Pensacola, Florida

Opinions

We have audited the accompanying financial statements of the business-type activities of Santa Rosa Island Authority, a component unit of Escambia County, Florida, (hereinafter referred to as "Authority"), as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of the Authority as of September 30, 2022, and the changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of Financial Statements section of our report. We are required to be independence of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently know information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

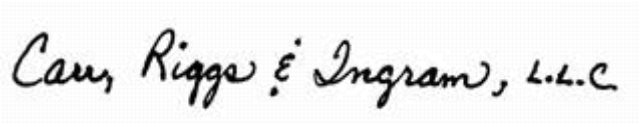
We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Schedule of Changes in Net OPEB Liability and Related Ratios, Schedules of Proportionate Share of Net Pension Liability, and Schedules of Contributions, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted

of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the Management Discussion and Analysis that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.



Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The Schedule of Revenue and Expenses – Budget and Actual is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The Schedule of Revenue and Expenses – Budget and Actual is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Revenues and Expenses – Budget and Actual is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated February 17, 2023, on our consideration of the Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

NOTE 1: ORGANIZATION

The Santa Rosa Island Authority ("Authority"), exists pursuant to the provisions of Chapter 24500, Laws of Florida, Special Acts of 1947, as amended. The Authority is the governing body of a portion of Santa Rosa Island and consists of five members appointed by the Board of County Commissioners of Escambia County, and one member elected by the leaseholders of Santa Rosa Island. The Authority has been constituted a body corporate and an agency of Escambia County and, accordingly, meets the criteria of a component unit and will be included in the Basic Financial Statements of Escambia County, Florida.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Authority maintains its books and records under the accrual method of accounting. Under this method, revenue is recognized when earned rather than when received, and related expenses are recognized when they are incurred rather than when paid. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The Authority classifies fund equity into three components – net investment in capital assets; restricted; and unrestricted. These classifications are defined as follows:

Net investment in capital assets – This component of fund equity consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of invested in capital assets, net of related debt. Rather, that portion of the debt is included in the same fund equity component as the unspent proceeds.

Restricted – This component of fund equity consists of constraints placed on fund equity imposed by creditors (such as through debt covenants), contributors, or laws or regulations of other governments, or constraints imposed by law through constitutional provisions or enabling legislation.

Unrestricted – This component of fund equity consists of fund equity that does not meet the definition of "restricted" or "net investment in capital assets".

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Authority is accounted for as an enterprise fund. Enterprise funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. The Authority complies with generally accepted accounting principles (GAAP) and applies all relevant Governmental Accounting Standards Board (GASB) pronouncements.

Enterprise funds distinguish operating revenue and expenses from nonoperating items. Operating revenue and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund's principal ongoing operations. The principal operating revenue of the Authority are lease fees and related charges. Operating expenses of the Authority include personal services, contractual and professional services, supplies, utilities, advertising and promotion, capital outlay, other expenses and depreciation on capital assets. All revenue and expenses not meeting this definition are reported as nonoperating revenue and expenses.

Restricted Assets

Certain assets of the Authority are restricted for use by agreements with third-parties; therefore, they are not available to be used at management's discretion. These restrictions include assets restricted by outside parties for beach renourishment and certain capital improvements as further discussed in Note 7.

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

General Budget Policies

Prior to the beginning of each fiscal year, the Executive Director submits an operating budget to the Authority Board. The budget includes proposed expenses necessary for operation of the Authority and estimated revenue available to finance those expenses. Once approved by the Authority Board, the budget is submitted for approval by the Board of County Commissioners of Escambia County. The legal level of budgetary control is by total expenditures. Any amendments that alter total expenditures must be approved by the Authority Board and the Board of County Commissioners of Escambia County. All appropriations lapse at year end.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The budget is prepared on a basis that differs from generally accepted accounting principles as follows:

A. The budget does not include a provision for depreciation expense or for gain or loss from disposal of capital assets.

B. The budget includes a provision for capital outlay, which is not included in the results of operations under generally accepted accounting principles, except for certain non-capital items expensed by the Authority. These non-capital items include dredging, renourishment and improvements to property not owned by the Authority.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Authority considers all highly liquid debt instruments with a maturity of three months or less when purchased to be cash equivalents, excluding investments in the Local Government Surplus Funds Trust Fund Investment Pool.

Capital Assets

Capital assets are defined by the Authority as assets with an initial/individual cost of more than $1,000 and an estimated useful life in excess of two years. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Upon being placed into service, property, plant and equipment of the Authority are depreciated using the straight-line method over the estimated useful lives. Estimated useful lives for financial reporting purposes are as follows: transportation equipment, maintenance equipment, office equipment and miscellaneous: 3 – 10 years; and buildings and shelters: 10 – 40 years.

Compensated Absences

It is the Authority's policy to permit employees to accumulate a limited amount of earned but unused annual leave and, for those employees who have achieved retirement age or are entitled under a negotiated contract, a limited amount of earned but unused sick leave. Accordingly, the Authority records an accrual for earned but unused annual leave and sick leave.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Lease Fees

Lease fees, including consideration fees, are generally recognized as income over the lease term as it becomes due according to the provisions of the lease. Lease fees received but not yet earned according to the provisions of the lease are recorded as deferred revenue. The Authority has agreed to bill certain lease fees quarterly or monthly even though the full amount is due at the beginning of the renewal year. Amounts due from year-end through the lease renewal date are reflected as unbilled receivables on the accompanying Statement of Net Position.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position will sometimes include a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources,* represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The items that qualify for reporting in this category are the items related to the pension and OPEB amounts reported in the Statement of Net Position. The deferred outflows of resources related to pension and OPEB amounts result generally from changes between the expected and actual experience of the pension and OPEB plans.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources,* represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Authority has four items, deferred revenue, deferred consideration fees, and pension and OPEB amounts, which qualify for reporting in this category. Deferred revenue and deferred consideration fees result from the collection of revenues in advance of the year for which they are due. The deferred inflows of resources related to pension and OPEB amounts result generally from changes between the expected and actual experience of the pension and OPEB plans.

Other Post-Employment Benefits

The Authority utilizes uniform reporting standards for other postemployment benefit (OPEB) expense and related liabilities, note disclosures, and required supplementary information (RSI) in annual financial reports of governmental entities. See Note 11 for a description of the OPEB expenses and liabilities.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, February 17, 2023, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these consolidated financial statements.

NOTE 3: CASH AND INVESTMENTS

The Authority maintains deposits with "Qualified Public Depositories" as defined in Chapter 280, Florida Statutes. All Qualified Public Depositories must place with the Treasurer of the State of Florida securities in accordance with collateral requirements determined by the State's Chief Financial Officer. In the event of default by a Qualified Public Depository, the State Treasurer will pay public depositors all losses. Losses in excess of insurance and collateral will be paid through assessments between all Qualified Public Depositories.

Under this method, all of the Authority's deposits are fully insured or collateralized at the highest level of security as defined by GASB, Statement Number 40*, Deposits and Investment Disclosures (An Amendment of GASB, Statement Number 3).*

The Authority is authorized to invest in financial instruments as established by Section 218.415, Florida Statutes. The authorized investments include among others direct obligations of the U.S. Treasury; the Local Government Surplus Funds Trust Fund as created by Section 218.405, Florida Statutes; SEC registered money market funds with the highest credit quality rating from a nationally recognized rating agency; and interest-bearing time deposits or savings accounts in authorized financial institutions.

In accordance with GAAP, certificate of deposits are considered a nonparticipating interest-earning investment contract and is appropriately reported in the financial statements at cost.

The following is a summary of the Authority's investments:

September 30,	**2022**	**Credit Risk**	**Maturities**
Certificate of deposit	$ 546,716	not rated	03/20/23

NOTE 3: CASH AND INVESTMENTS (Continued)

Concentration risk – The Authority places no limit on the amount the Authority may invest in any one issuer.

Interest rate risk –The Authority does not have a formal policy for addressing interest rate risk; however, investments are made with discretion to seek reasonable returns, preserve capital, and in general, avoid speculative investments. The Authority manages its exposure to declines in fair values from interest rate changes by reviewing the portfolio on an ongoing basis for changes in effective yield rates.

Custodial credit risk – For an investment, custodial credit risk is the risk that the Authority will not be able to recover the value of the investments or collateral securities that are in the possession of an outside party. The Authority has no formal policy for custodial risk. None of the investments listed above are exposed to custodial credit risk because their existence is not evidenced by securities that exist in physical or book entry form.

NOTE 4: CAPITAL ASSETS

The following is a summary of changes in the capital assets for the year ended September 30, 2022:

September 30,	**2021**	**Additions**	**Transfers and Retirements**	**2022**
Other capital assets:				
Buildings	$ 1,064,609	$ -	$ -	$ 1,064,609
Other improvements	71,214	-	-	71,214
Equipment	210,767	-	-	210,767
Total other capital assets	1,346,590	-	-	1,346,590
Less accumulated depreciation for:				
Buildings	(617,806)	(22,127)	-	(639,933)
Other improvements	(21,046)	(19,409)	-	(40,455)
Equipment	(153,254)	(4,798)		(158,052)

Total capital assets, net	$ 554,484	$ (46,334)	$ -	$ 508,150

NOTE 5: LONG-TERM LIABILITIES

The Authority has a compensated absence liability for unpaid leave.

Changes in long-term liabilities were as follows:

September 30,	2021	Additions	Reductions	2022	Amount Due Within One Year
Compensated absences	$ 89,103	$ 37,417	$ -	$ 126,520	$ -
	$ 89,103	$ 37,417	$ -	$ 126,520	$ -

NOTE 6: LEASING ACTIVITIES

Substantially all of the Authority's revenue is derived from leasing activities. The Authority leases the land of Santa Rosa Island to residents and businesses on the Island but does not convey ownership. The Authority's policy is to report all leases as operating leases since the land of the island is not recorded as an asset on the financial statements and the leases do not meet the criteria of a capital lease.

Most residential and many commercial leases are for a period of 99 years. Many of these 99-year leases have options to renew for another 99-year term. Some leases, particularly those for restaurants and concessions, are generally for a shorter period. Each lease provides that any construction on the premises must be performed within an established length of time, and detailed plans and specifications must be approved by the Authority before a building permit is issued. Failure to pay any rentals due or failure to comply with any other covenants of the lease constitutes a violation under the terms of the lease and the Authority may repossess the land and the improvements after required notice if the lessee fails to correct the default.

Certain leases have a provision that allows for an increase in minimum lease fees every five years in proportion to the consumer price index (CPI). No increases, however, have occurred since fiscal year 2010. In 2021, the Authority's Board approved a total increase of 7.7% for the lease years from 2021 – 2025. The anticipated increases are as follows: 2021: 0%, 2022: 1.7%, and 2023-2025: 2%.

NOTE 6: LEASING ACTIVITIES (Continued)

The following is a schedule of estimated future minimum rentals to be received under these leases for the periods ending September 30.

2023	$ 1,852,371
2024	1,852,371
2025	1,852,371
2026	1,852,371
2027	1,852,371

The following is a schedule of the number of residential and commercial leaseholders as of:

September 30,	2022
Residential	3,889
Commerical	140

NOTE 7: RESTRICTED NET POSITION

Restricted net position is comprised of two primary components: Portofino island improvement funds and certain claim proceeds related to the BP oil spill. The Portofino restricted funds are derived from a portion of the Portofino lease and must be used for future Island improvements. As of September 30, 2022, the restricted Portofino funds equal $1,476,870.

The Authority also considers certain funds received from BP in prior years relating to the Deepwater Horizon Oil Spill as restricted for the restoration of the Quietwater Beach area. These amounts total $175,379 at September 30, 2022.

The Authority also has certain funds set aside for maintaining Sabine Park and paying mitigation expenses. The other restricted balances totaled $43,647 at September 30, 2022.

In addition to restricted net position, the Authority has also designated certain unrestricted net asset amounts for future contingencies and beach renourishment. These amounts total $5,301,917 as of September 30, 2022 and are included in unrestricted net position on the accompanying Statement of Net Position. At September 30, 2022, the Authority's unrestricted, undesignated net position totals approximately $3.4 million.

NOTE 8: RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The Authority has established a self-insurance program to cover its risk of loss related to general liability claims and natural disasters. As of September 30, 2022, the Authority has set aside $1,121,089 in contingency funds to cover any claims that may be filed or other emergencies for which cash flow, particularly in off-seasons, might not be sufficient to cover. This amount is included in the designated net position amount identified in Note 7.

The sovereign immunity limits of the State of Florida restrict general liability claims to $100,000. General liability claims above $100,000 would have to be approved by the State Legislature. The Authority participates in the Escambia County self-insurance program to cover its risks of loss related to workers' compensation claims. The Authority pays an annual premium to the program for its coverage. Details of this self-insurance program can be found in the Escambia County, Florida Comprehensive Annual Financial Report. The Authority continues to carry commercial insurance for risks of loss, including property insurance. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE 9: FEDERAL AND STATE GRANT PROJECTS

The Authority has entered into various grant agreements with the Federal Emergency Management Agency to fund the elevation of certain properties on Santa Rosa Island. The total of the award agreements approximates $3.3 million. During 2022, the Authority incurred approximately $160,000 of expenses related to this program.

The Authority has been awarded grant funds from the State of Florida for beach re-nourishment and restoration and preservation projects as well as for projects and enhancements benefiting Santa Rosa Island. The maximum amount to be received under the two grants is $125,000. The grants require a match of $125,000. During 2022, the Authority incurred approximately $51,000 of expenses related to this program.

Revenue recognized under these federal and state grants totaled $185,944 for the year ended September 30, 2022.

NOTE 10: PENSION PLAN

Essentially all regular employees of the Authority are covered by the Florida Retirement System Pension Plan and Retiree Health Insurance Subsidy Program.

NOTE 10: PENSION PLAN (Continued)

Plan Descriptions, Membership and Plan Benefits, and Contribution Requirements

Plan Descriptions

The Florida Retirement System (FRS) is a cost-sharing, multiple-employer retirement system. The FRS was created in Chapter 121, Florida Statutes, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program (DROP) under the defined benefit plan, and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan (INV). Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any state-administered retirement system in paying the costs of health insurance.

The FRS, HIS, and INV are administered by the Florida Department of Management Services, Division of Retirement. Provisions relating to FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112 Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code. The Florida Legislature has the authority to establish and amend retirement legislation and related bills of significance to members of the FRS and HIS plans (including benefit terms and contribution rates). Passed bills are presented to the Governor of Florida and approved before they may be enacted into law.

The FRS, HIS, and INV financial information is included in the Florida Retirement System (System) Pension Plan and Other State Administered Systems Annual Comprehensive Financial Report (ACFR). The System ACFR, including audited financial information to support the Schedules of Employer Allocations and Schedules of Pension Amounts by Employer, are available online at http://www.dms.myflorida.com/workforce_operations/retirement/publications.

NOTE 10: PENSION PLAN (Continued)

Membership and Plan Benefits - FRS

The FRS has several classes of membership applicable to the Authority, including regular class, senior management and DROP. Employees enrolled in the FRS prior to July 1, 2011, vest at six years of creditable service and are eligible for normal retirement benefits at age 62 or at any age after 30 years of service. Employees enrolled in the Plan on or after July 1, 2011, vest at eight years of creditable service and are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service. Retirees receive a lifetime pension benefit with joint and survivor payment options. The FRS also includes an early retirement provision, but imposes a penalty for each year a member retires before the normal retirement date. Benefits are computed on the basis of age, average final compensation, creditable years of service, and accrual value by membership class.

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

A DROP was established effective July 1, 1998, subject to provisions of Section 121.091, Florida Statutes. It permits employees eligible for normal retirement under the FRS to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Membership and Plan Benefits - HIS

HIS membership is available to all members within the FRS plan. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs. Eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by $5. The minimum payment is $30 and the maximum payment is $150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under a State administered retirement system must provide proof of eligible health insurance coverage, which can include Medicare.

NOTE 10: PENSION PLAN (Continued)

Contribution Requirements

Employer contributions rates are actuarially recommended but set, and may be amended, by the Florida Legislature. These rates are a percentage of covered payroll. The FRS and HIS contribution rates were as follows:

	Employee Required Contribution	Employer Required Contribution	Total Required Contribution
Regular employees:			
October 1, 2021 through June 30, 2022	3.00%	10.82%	13.82%
July 1, 2022 through September 30, 2022	3.00%	11.91%	14.91%
Employees in the Deferred Retirement Option Program (DROP):			
October 1, 2021 through June 30, 2022	n/a	18.34%	18.34%
July 1, 2022 through September 30, 2022	n/a	18.60%	18.60%
Senior Management Service Class (SMSC):			
October 1, 2021 through June 30, 2022	3.00%	29.01%	32.01%
July 1, 2022 through September 30, 2022	3.00%	31.57%	34.57%

Employer rates include 1.66 percent for the HIS program. In addition, regular employees are required to contribute an amount equal to 3% of their salary as retirement contributions. Members participating in the DROP are not required to make 3 percent contributions. The Authority's contributions to the Plan totaled $105,655 for the year ended September 30, 2022.

FRS and HIS Significant Assumptions and Rate of Return

Basis of Accounting

Information about the FRS and HIS assets, deferred outflows of resources, liabilities, deferred inflows of resources, and fiduciary net position can be found in the System ACFR. The System ACFR is available online or can be obtained as mentioned previously The FRS and HIS fiduciary net position and additions to/deductions from the fiduciary net position have been determined based on the System's records, which utilize the flow of economic resources measurement focus and accrual basis of accounting. For this purpose, benefit payments (including refund of employee contributions) are recognized when due and payable. Investments are reported at fair value. Contributions are recognized as revenue when due, pursuant to statutory and contractual requirements. There have been no significant changes since the publication of the System ACFR.

NOTE 10: PENSION PLAN (Continued)

Actuarial Methods and Assumptions

Actuarial assumptions for both the FRS and HIS are reviewed annually by the Florida Retirement System Actuarial Assumptions Conference. The FRS has a valuation performed annually and the HIS has a valuation performed biennially that is updated for GASB reporting in the year a valuation is not performed. The most recent experience study for the FRS was completed in 2019 for the period July 1, 2013 through June 30, 2018. Because the HIS is funded on a pay-as-you-go basis, no experience study has been completed.

The total pension liability for the FRS and HIS was determined by an actuarial valuation as of July 1, 2022, using the individual entry age normal actuarial cost method. Inflation increases for both plans is assumed at 2.4 percent. Payroll growth for both plans is assumed at 3.25 percent. Mortality assumptions for both the FRS Pension Plan and the HIS program were based on the PUB-2010 base table. Both the discount rate and long-term expected rate of return used for FRS investments is 6.7 percent. The FRS fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees; therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return. Because the HIS program uses a pay-as-you-go funding structure, a municipal bond rate of 3.54 percent was used to determine its total pension liability.

In October 2018, the Actuarial Assumptions Conference adopted the Bond Buyer General Obligation 20-Bond Municipal Bond Index as the applicable municipal bond index. As of June 30, 2022, the municipal rate used by HIS decreased from 2.16 percent to 3.54 percent.

Long-Term Rate of Return

To develop an analytical basis for the selection of the long-term expected rate of return assumption, in October 2022 the FRS Actuarial Assumption Conference reviewed assumptions by Milliman's Capital Markets assumption team and Aon Hewitt Investment Consulting. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. These assumptions are not based on historical returns, but instead are based on a forward-looking capital market economic model.

NOTE 10: PENSION PLAN (Continued)

The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Annual Arithmetic Return
Cash	1.00%	2.6%
Fixed Income	19.80%	4.4%
Global Equity	54.00%	8.8%
Real Estate (Property)	10.30%	7.4%
Private Equity	11.10%	12.0%
Strategic Investments	3.80%	6.2%
Total	100.00%	

The HIS is essentially funded on a pay-as-you-go basis. As such, there is no assumption for a long-term expected rate of return on a portfolio, no assumptions for cash flows into and out of the plan, or assumed asset allocation.

District's Share of Net Pension Liability

Employers participating in the FRS and HIS were provided pension allocation schedules for use in recording their proportionate share of the FRS and HIS net pension liability (NPL), deferred outflows of resources, deferred inflows of resources, and pension expense at measurement date June 30, 2022. The underlying financial information used to prepare the pension allocation schedules is based on the same basis as mentioned previously.

At September 30, 2022, the Authority reported a liability of $853,180 for its proportionate share of the net pension liability of the FRS and HIS. The net pension liability was measured as of June 30, 2022, respectively, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2022.

The Authority's proportionate share was calculated using the retirement contributions for employees that were members of the FRS and HIS during the measurement year ended June 30, 2022. The aggregate employer contribution amounts for the fiscal year ended June 30, 2022, in the pension allocation schedules agree to the total employer contribution amounts reported in the System CAFR.

For the year ended September 30, 2022, the Authority recognized pension expense (recovery) of $58,814 related to the FRS and $(31,178) related to the HIS.

NOTE 10: PENSION PLAN (Continued)

At September 30, 2022, the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

September 30, 2022				
	FRS		HIS	
Description	Def Outflows	Def Inflows	Def Outflows	Def Inflows
Differences between expected and actual experience	$ 30,238	$ -	$ 6,572	$ 953

Total	$ 243,761	$ 115,984	$ 33,941	$ 71,020

Deferred outflows of resources of $22,762 are reported by the Authority for employer contributions subsequent to the measurement date and will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2023. Deferred outflows of resources of $19,169 for the year ended September 30, 2021, were recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2022.

Other amounts reported as deferred outflows of resources and inflows of resources related to pensions will be recognized as pension expense as follows:

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS

Plan Description: The Authority participates in the benefit plans and programs of Escambia County, Florida (the "County"). Pursuant to Section 112.0801 Florida Statutes, the Authority is required to provide eligible retirees (as defined in the County's pension plans) the opportunity to participate in this Plan at the same cost that is applicable to active employees. Eligible retirees must be drawing an immediate benefit from their respective pension plan and be enrolled in medical coverage prior to retirement. Surviving spouses of participants are allowed access to the Plan but must pay the full premium. Benefit provisions for the Plan were established by the County's Board of Directors and may only be amended by the County's Board of Directors. The County does not issue stand-alone financial statements for this Plan. All financial information related to the Plan is accounted for in the County's basic financial statements.

Funding Policy: The Authority is funding the post employee benefits on a pay-as-you-go basis. Contribution rates for the Plan are established by the County annually. For the fiscal year ended September 30, 2022, the Authority contributed approximately $5,000. Blended premium rates for active and retired employees combined provide an implicit subsidy for retirees because on actual basis, their current and future claims are expected to result in higher costs to the Plan than those of active employees. The current year contribution represents an estimate of this implied subsidy.

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS (Continued)

Plan Membership: At October 1, 2022, OPEB membership consisted of the following:

	SRIA
Inactive members currently receiving benefits	8
Active members	12
Total	20

The Authority's covered payroll constituted approximately 0.81%, for the year ended September 30, 2022 of the total payroll costs for all entities included in the actuarial calculation. Accordingly, the County has allocated approximately 0.81% of the actuarially calculated amounts to the Authority in fiscal year 2022.

Actuarial Assumptions and Other Inputs: The total OPEB liability in the September 30, 2022 actuarial assumptions and other inputs, applied to all period in the measurement, unless otherwise specified:

Inflation	2.25 percent
Salary increases	3.40 percent to 7.80 percent, including inflation
Discount rate	2.19 percent
Health care cost trend rates	Getzen Model, with trend starting at 6.00% for 2022 and gradually decreasing to an ultimate trend of 3.75%

The discount rate was based on an index rate for 20 year tax-exempt general obligation municipal bonds with an average AA credit rating or higher.

Mortality rates were taken from adjusted Pub-2010 mortality tables published by the Society of Actuaries with generational mortality improvements using Scale MP-2018. They are based on the results of a stateside experience study covering the period 2013 through 2018.

At September 30, 2022, the Authority reported a net OPEB liability of $122,548. The GASB 75 information has been provided as of the September 30, 2021 measurement date.

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS (Continued)

The change in net OPEB liability for the year ended September 30, 2022 is as follows:

	Increase (Decrease) Net OPEB Liability Liability
Balance as of September 30, 2021	$ 114,419
Changes for the year:	
Service cost	4,855
Interest	2,416
Difference between expected & actual experience	(8,558)
Changes in assumptions	14,927
Benefit payments	(5,511)
Net Change in OPEB	8,129
Balance as of September 30, 2022	$ 122,548

Changes in assumptions and other inputs reflect a change in the discount rate from 2.41% as of September 30, 2021 to 2.19% as of September 30, 2022. The methods, assumptions, and participant data used are detailed in the actuarial valuation report the fiscal year ended September 30, 2021. These calculations are based in the Entry Age Normal cost method required by GASB 75.

Sensitivity of the Net OPEB Liability: The following table represents the Authority's total and net OPEB liability calculated using the discount rate of 2.19%, as well as what the Authority's net OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (1.19%) or one percentage point higher (3.19%) than the current rate:

	1% Decrease (1.19%)	Discount Rate (2.19%)	1% Increase (3.19%)
Net OPEB liability	$ 135,008	$ 122,548	$ 111,718

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS (Continued)

The following table represents the Authority's total and net OPEB liability calculated using the health care cost trend rate of 6.50% decreasing to 3.75%, as well as what the Authority's net OPEB liability would be if it were calculated using a health care cost trend rate that is one percentage point lower (5.50% decreasing to 2.75%) or one percentage point higher than the current rate:

	1% Decrease (5.50% decreasing to 2.75%)	Healthcare Cost Trend (6.50% decreasing to 3.75%)	1% Increase (7.50% decreasing to 4.75%)
Net OPEB liability	$ 114,783	$ 122,548	$ 131,846

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the fiscal year ended September 30, 2022, the Authority recognized OPEB expense of $6,200.

In addition, the Authority reported deferred outflows of resources and deferred inflows of resources related to the OPEB plan from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	$ -	$ 11,240
Changes in assumptions and other inputs	14,109	3,700
Estimated benefits paid after the measurement date	5,641	-
Total	$ 19,750	$ 14,940

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS (Continued)

The deferred outflows of resources related to OPEB, totaling $5,641 resulting from Authority contributions subsequent to the measurement date, will be recognized as a reduction of the net OPEB liability in the fiscal year ending September 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the OPEB plan will be recognized in the expense as follows:

Fiscal Year Ending September 30,	
2022	$ (1,071)
2023	(1,071)
2024	(832)
2025	(398)

Thereafter	1,673

NOTE 12: RELATED PARTY TRANSACTIONS

The Authority reimburses Escambia County for Pensacola Beach trolley services, which totaled $219,858 for the year ended September 30, 2022. In addition, the Authority pays Escambia County for its employees' workers' compensation insurance and health and life insurance. During the year ended September 30, 2022, the Authority expended $1,196 for workers' compensation insurance and $132,714 for health and life insurance. The Authority also reimbursed the County $206,000 for fire and rescue services during the year ended September 30, 2022. There were no amounts due to the County at September 30, 2022.

NOTE 13: COMMITMENTS AND CONTINGENCIES

Grants Contingencies

The Authority has received federal and state financial assistance for costs related to capital improvements and disaster assistance on Santa Rosa Island. The disbursement of funds received under these programs is subject to review and audit by grantor agencies. Any disbursements disallowed by these agencies could become a liability of the Authority. In the opinion of management, any such claims should not have a material adverse effect on the financial statements.

NOTE 13: COMMITMENTS AND CONTINGENCIES (Continued)

Windstorm

The insurance policy for windstorm coverage includes a deductible amount for named hurricane storms estimated at approximately $60,000. In addition, the Authority's windstorm policy is underwritten by the State of Florida's Citizens Property Insurance Corporation (Citizens). In the event Citizens incurs a deficit that exceeds the amount collected via regular premiums, an emergency assessment may be levied. The Authority may be required to pay substantially more in insurance premiums relating to the year for which the emergency assessment is levied.

Litigation

The Authority is involved in various lawsuits and claims incidental to the normal course of its operations. In the opinion of management, the ultimate liability, if any, resulting from such litigation will not materially affect the financial position or results of operations of the Authority.

NOTE 1: OPEB PLAN

The actuarial methods and assumptions used to calculate the total OPEB liability are described in Note 11 to the financial statements.

The net OPEB liability amount presented for each fiscal year was determined as of September 30 measurement date prior to the fiscal year-end.

The schedule is intended to present ten years of data. Additional years of data will be presented as they become available.

The Authority has not presented a Schedule of Contributions since an actuarially determined contribution has not been calculated and there is no contractually or statutorily determined contribution applicable to the Authority.

NOTE 2: PENSION PLAN

The actuarial methods and assumptions used to calculate the total pension liability (asset) are described in Note 10 to the financial statements.

The net pension liability amounts presented for each fiscal year were determined as of the June 30 measurement date prior to the fiscal year-end.

The schedules are intended to present ten years of data. Additional years of data will be presented as they become available.

FRS: The long-term expected rate of return decreased from 6.8% to 6.7%

HIS: The municipal bond rate used to determine total pension liability was increased from 2.16% to 3.54%.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Supervisors
Santa Rosa Island Authority
Pensacola, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of Santa Rosa Island Authority (hereinafter referred to as the "Authority"), as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated February 17, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a deficiency in internal control, IC 2022-001, described in the attached schedule of findings that we consider to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Santa Rosa Island Authority's Response to Findings

Santa Rosa Island Authority's response to the findings identified in our audit is described in the attached schedule. Santa Rosa Island Authority's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Finding IC2022-001: Financial Close Process

Criteria: Rules 10.557(3)(i) and 10.556(3) of the Florida Auditor General, along with other rules and laws, require that the Authority's financial statements be in accordance with the GASB *Codification of Governmental Accounting and Financial Reporting Standards*. The statements should be prepared in accordance with generally accepted accounting principles (GAAP).

Condition: One of the principal methods that a government uses to document accountability for public resources it receives and uses is by the information included in its financial statements. As such, Authority personnel should ensure that the financial information is accurate. In addition, during our audit procedures, while most areas were prepared accurately and correctly, audit adjusting entries were required to correct certain items. These include:

- The balances for grant revenue, deferred revenue and grant receivables were not adjusted to account for current year activity.
- Certain pension and other post-employment benefit liabilities.
- Net position balances.
- Capital assets.
- Other miscellaneous adjustments.

Cause: The above adjustments occurred mainly as a result of a lack of knowledge regarding complicated accounting pronouncements or simple errors. We were able to identify the necessary adjustments during our audit procedures to ensure the Authority's financial statements and supplementary information were properly reported, and Authority personnel accepted these adjustments. However, our audit procedures cannot substitute for management's responsibility to ensure that the Authority's financial statements are completely accurate.

Effect: The Authority's financial statements could contain inaccuracies.

Recommendation: The Authority should improve its financial reporting procedures to ensure that financial statement account balances and transactions are properly reported. Such procedures may include enhanced review to ensure accuracy of the financial statements.

Management's response: The costs of internally preparing the financial statements outweigh the benefit; therefore the Authority will continue to have Carr, Riggs & Ingram, LLC assist in drafting the financial statements.

MANAGEMENT LETTER

To the Board of Directors and Chief Executive Officer
Santa Rosa Island Authority
Pensacola, Florida

Report on the Financial Statements

We have audited the financial statements of the Santa Rosa Island Authority ("Authority") as of and for the fiscal year ended September 30, 2022, and have issued our report thereon dated February 17, 2023.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Florida Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with AICPA Professional Standards, AT-C 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated February 17, 2023, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to partially address findings and recommendations made in the preceding financial audit report. Certain aspects of prior year finding IC2021-001, such as grant revenues and pension liabilities, have been repeated in the current year. That comment was also included in the second preceding fiscal year audit report. The Authority's response to the comment identified in our audit is described on page 39.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This information is disclosed in the notes to the financial statements.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, requires us to apply appropriate procedures and communicate the results of our determination as to whether or not the Authority met one or more conditions described in Section 218.503(1), Florida Statutes, and to identify the specific conditions met. In connection with our audit, we determined that the Authority did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Authority. It is management's responsibility to monitor Authority's financial condition, and our financial condition assessment was based in part on representation made by management and review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Specific Information

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6., Rules of the Auditor General, the Santa Rosa Island Authority reported:

a. The total number of authority employees compensated in the last pay period of the authority's fiscal year as 13.
b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the authority's fiscal year as 0.
c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as $802,192.
d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as $0
e. The Authority did not identify any construction projects with a total cost of at least $65,000 approved by the Authority that are scheduled to begin on or after October 1 of the fiscal year begin reported.
f. The Authority did not amend its final adopted budget under Section 189.016(6), Florida Statutes.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the

attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT

To the Board Members and Chief Executive Officer
Santa Rosa Island Authority
Pensacola, Florida

We have examined Santa Rosa Island Authority's compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2022. Management of the Authority is responsible for the Authority's compliance with the specified requirements. Our responsibility is to express an opinion on the Authority's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standard require that we plan and perform the examination to obtain reasonable assurance about whether the Authority complied, in all material respects, with the specified requirement referenced above. An examination involves performing procedures to obtain evidence about whether the Authority complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that our examination provides a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Authority's compliance with specified requirements.

In our opinion, the Authority complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2022.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

To the Board Members and Chief Executive Officer
Santa Rosa Island Authority
Pensacola, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities of Santa Rosa Island Authority, a component unit of Escambia County, Florida, (hereinafter referred to as "Authority"), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of the Authority as of September 30, 2021, and the changes in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

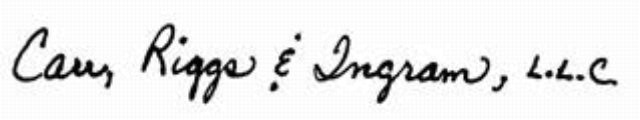
Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Schedule of Changes in Net OPEB Liability and Related Ratios, Schedules of Proportionate Share of Net Pension Liability, and Schedules of Contributions, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the Management Discussion and Analysis that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information



Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The Schedule of Revenue and Expenses – Budget and Actual is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The Schedule of Revenue and Expenses – Budget and Actual is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Revenues and Expenses – Budget and Actual is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued a report dated January 26, 2022, on our consideration of the Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Authority's internal control over financial reporting and compliance.

NOTE 1: ORGANIZATION

The Santa Rosa Island Authority ("Authority"), exists pursuant to the provisions of Chapter 24500, Laws of Florida, Special Acts of 1947, as amended. The Authority is the governing body of a portion of Santa Rosa Island and consists of five members appointed by the Board of County Commissioners of Escambia County, and one member elected by the leaseholders of Santa Rosa Island. The Authority has been constituted a body corporate and an agency of Escambia County and, accordingly, meets the criteria of a component unit and will be included in the Basic Financial Statements of Escambia County, Florida.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Authority maintains its books and records under the accrual method of accounting. Under this method, revenue is recognized when earned rather than when received, and related expenses are recognized when they are incurred rather than when paid. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The Authority classifies fund equity into three components – net investment in capital assets; restricted; and unrestricted. These classifications are defined as follows:

Net investment in capital assets – This component of fund equity consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of invested in capital assets, net of related debt. Rather, that portion of the debt is included in the same fund equity component as the unspent proceeds.

Restricted – This component of fund equity consists of constraints placed on fund equity imposed by creditors (such as through debt covenants), contributors, or laws or regulations of other governments, or constraints imposed by law through constitutional provisions or enabling legislation.

Unrestricted – This component of fund equity consists of fund equity that does not meet the definition of "restricted" or "net investment in capital assets".

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Authority is accounted for as an enterprise fund. Enterprise funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. The Authority complies with generally accepted accounting principles (GAAP) and applies all relevant Governmental Accounting Standards Board (GASB) pronouncements.

Enterprise funds distinguish operating revenue and expenses from nonoperating items. Operating revenue and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund's principal ongoing operations. The principal operating revenue of the Authority are lease fees and related charges. Operating expenses of the Authority include personal services, contractual and professional services, supplies, utilities, advertising and promotion, capital outlay, other expenses and depreciation on capital assets. All revenue and expenses not meeting this definition are reported as nonoperating revenue and expenses.

Restricted Assets

Certain assets of the Authority are restricted for use by agreements with third-parties; therefore, they are not available to be used at management's discretion. These restrictions include assets restricted by outside parties for beach renourishment and certain capital improvements as further discussed in Note 7.

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

General Budget Policies

Prior to the beginning of each fiscal year, the Executive Director submits an operating budget to the Authority Board. The budget includes proposed expenses necessary for operation of the Authority and estimated revenue available to finance those expenses. Once approved by the Authority Board, the budget is submitted for approval by the Board of County Commissioners of Escambia County. The legal level of budgetary control is by total expenditures. Any amendments that alter total expenditures must be approved by the Authority Board and the Board of County Commissioners of Escambia County. All appropriations lapse at year end.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The budget is prepared on a basis that differs from generally accepted accounting principles as follows:

A. The budget does not include a provision for depreciation expense or for gain or loss from disposal of capital assets.

B. The budget includes a provision for capital outlay, which is not included in the results of operations under generally accepted accounting principles, except for certain non-capital items expensed by the Authority. These non-capital items include dredging, renourishment and improvements to property not owned by the Authority.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Authority considers all highly liquid debt instruments with a maturity of three months or less when purchased to be cash equivalents, excluding investments in the Local Government Surplus Funds Trust Fund Investment Pool.

Capital Assets

Capital assets are defined by the Authority as assets with an initial/individual cost of more than $1,000 and an estimated useful life in excess of two years. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Upon being placed into service, property, plant and equipment of the Authority are depreciated using the straight-line method over the estimated useful lives. Estimated useful lives for financial reporting purposes are as follows: transportation equipment, maintenance equipment, office equipment and miscellaneous: 3 – 10 years; and buildings and shelters: 10 – 40 years.

Compensated Absences

It is the Authority's policy to permit employees to accumulate a limited amount of earned but unused annual leave and, for those employees who have achieved retirement age or are entitled under a negotiated contract, a limited amount of earned but unused sick leave. Accordingly, the Authority records an accrual for earned but unused annual leave and sick leave.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Lease Fees

Lease fees, including consideration fees, are generally recognized as income over the lease term as it becomes due according to the provisions of the lease. Lease fees received but not yet earned according to the provisions of the lease are recorded as deferred revenue. The Authority has agreed to bill certain lease fees quarterly or monthly even though the full amount is due at the beginning of the renewal year. Amounts due from year-end through the lease renewal date are reflected as unbilled receivables on the accompanying Statement of Net Position.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position will sometimes include a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources,* represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The items that qualify for reporting in this category are the items related to the pension and OPEB amounts reported in the Statement of Net Position. The deferred outflows of resources related to pension and OPEB amounts result generally from changes between the expected and actual experience of the pension and OPEB plans.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources,* represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Authority has four items, deferred revenue, deferred consideration fees, and pension and OPEB amounts, which qualify for reporting in this category. Deferred revenue and deferred consideration fees result from the collection of revenues in advance of the year for which they are due. The deferred inflows of resources related to pension and OPEB amounts result generally from changes between the expected and actual experience of the pension and OPEB plans.

Other Post-Employment Benefits

The Authority utilizes uniform reporting standards for other postemployment benefit (OPEB) expense and related liabilities, note disclosures, and required supplementary information (RSI) in annual financial reports of governmental entities. See Note 11 for a description of the OPEB expenses and liabilities.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, January 26, 2022, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these consolidated financial statements.

NOTE 3: CASH AND INVESTMENTS

The Authority maintains deposits with "Qualified Public Depositories" as defined in Chapter 280, Florida Statutes. All Qualified Public Depositories must place with the Treasurer of the State of Florida securities in accordance with collateral requirements determined by the State's Chief Financial Officer. In the event of default by a Qualified Public Depository, the State Treasurer will pay public depositors all losses. Losses in excess of insurance and collateral will be paid through assessments between all Qualified Public Depositories.

Under this method, all of the Authority's deposits are fully insured or collateralized at the highest level of security as defined by GASB, Statement Number 40*, Deposits and Investment Disclosures (An Amendment of GASB, Statement Number 3).*

The Authority is authorized to invest in financial instruments as established by Section 218.415, Florida Statutes. The authorized investments include among others direct obligations of the U.S. Treasury; the Local Government Surplus Funds Trust Fund as created by Section 218.405, Florida Statutes; SEC registered money market funds with the highest credit quality rating from a nationally recognized rating agency; and interest-bearing time deposits or savings accounts in authorized financial institutions.

In accordance with GAAP, certificate of deposits are considered a nonparticipating interest-earning investment contract and is appropriately reported in the financial statements at cost.

The following is a summary of the Authority's investments:

September 30,	**2021**	**Credit Risk**	**Maturities**
Certificate of deposit	$ 546,716	not rated	03/20/22

NOTE 3: CASH AND INVESTMENTS (Continued)

Concentration risk – The Authority places no limit on the amount the Authority may invest in any one issuer.

Interest rate risk –The Authority does not have a formal policy for addressing interest rate risk; however, investments are made with discretion to seek reasonable returns, preserve capital, and in general, avoid speculative investments. The Authority manages its exposure to declines in fair values from interest rate changes by reviewing the portfolio on an ongoing basis for changes in effective yield rates.

Custodial credit risk – For an investment, custodial credit risk is the risk that the Authority will not be able to recover the value of the investments or collateral securities that are in the possession of an outside party. The Authority has no formal policy for custodial risk. None of the investments listed above are exposed to custodial credit risk because their existence is not evidenced by securities that exist in physical or book entry form.

NOTE 4: CAPITAL ASSETS

The following is a summary of changes in the capital assets for the year ended September 30, 2021:

September 30,	**2020**	**Additions**	**Transfers and Retirements**	**2021**
Other capital assets:				
Buildings	$ 1,064,609	$ -	$ -	$ 1,064,609

Total capital assets, net	$ 536,377	$ 18,105	$ -	$ 554,482

NOTE 5: LONG-TERM LIABILITIES

As described more fully in Note 12, the Authority borrowed certain amounts from Escambia County; this loan was paid off in 2021. In addition, the Authority has a compensated absence liability for unpaid leave.

Changes in long-term liabilities were as follows:

September 30,	2020	Additions	Reductions	2021	Amount Due Within One Year
Compensated absences	$ 82,560	$ 6,543	$ -	$ 89,103	$ -
Interagency loan - Escambia County	1,265,000	-	(1,265,000)	-	-
	$ 1,347,560	$ 6,543	$ (1,265,000)	$ 89,103	$ -

NOTE 6: LEASING ACTIVITIES

Substantially all of the Authority's revenue is derived from leasing activities. The Authority leases the land of Santa Rosa Island to residents and businesses on the Island but does not convey ownership. The Authority's policy is to report all leases as operating leases since the land of the island is not recorded as an asset on the financial statements and the leases do not meet the criteria of a capital lease.

Most residential and many commercial leases are for a period of 99 years. Many of these 99-year leases have options to renew for another 99-year term. Some leases, particularly those for restaurants and concessions, are generally for a shorter period. Each lease provides that any construction on the premises must be performed within an established length of time, and detailed plans and specifications must be approved by the Authority before a building permit is issued. Failure to pay any rentals due or failure to comply with any other covenants of the lease constitutes a violation under the terms of the lease and the Authority may repossess the land and the improvements after required notice if the lessee fails to correct the default.

Certain leases have a provision that allows for an increase in minimum lease fees every five years in proportion to the consumer price index (CPI). No increases, however, have occurred since fiscal year 2010. In 2021, the Authority's Board approved a total increase of 7.7% for the lease years from 2021 – 2025. The anticipated increases are as follows: 2021: 0%, 2022: 1.7%, 2023-2025: 2%.

NOTE 6: LEASING ACTIVITIES (Continued)

The following is a schedule of estimated future minimum rentals to be received under these leases for the periods ending September 30.

2022	$ 1,852,371
2023	1,852,371
2024	1,852,371
2025	1,852,371
2026	1,852,371

The following is a schedule of the number of residential and commercial leaseholders as of:

September 30,	2021
Residential	3,889
Commerical	140

NOTE 7: RESTRICTED NET POSITION

Restricted net position is comprised of two primary components: Portofino island improvement funds and certain claim proceeds related to the BP oil spill. The Portofino restricted funds are derived from a portion of the Portofino lease and must be used for future Island improvements. As of September 30, 2021, the restricted Portofino funds equal $1,380,864.

The Authority also considers certain funds received from BP in prior years relating to the Deepwater Horizon Oil Spill as restricted for the restoration of the Quietwater Beach area. These amounts total $175,379 at September 30, 2021.

The Authority also has certain funds set aside for maintaining Sabine Park and paying mitigation expenses. The other restricted balances totaled $35,700 at September 30, 2021.

In addition to restricted net position, the Authority has also designated certain unrestricted net asset amounts for future contingencies and beach renourishment. These amounts total $4,300,796 as of September 30, 2021 and are included in unrestricted net position on the accompanying Statement of Net Position. At September 30, 2021, the Authority's unrestricted, undesignated net position totals approximately $1.2 million.

NOTE 8: RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The Authority has established a self-insurance program to cover its risk of loss related to general liability claims and natural disasters. As of September 30, 2021, the Authority has set aside $1,121,089 in contingency funds to cover any claims that may be filed or other emergencies for which cash flow, particularly in off-seasons, might not be sufficient to cover. This amount is included in the designated net position amount identified in Note 7.

The sovereign immunity limits of the State of Florida restrict general liability claims to $100,000. General liability claims above $100,000 would have to be approved by the State Legislature. The Authority participates in the Escambia County self-insurance program to cover its risks of loss related to workers' compensation claims. The Authority pays an annual premium to the program for its coverage. Details of this self-insurance program can be found in the Escambia County, Florida Comprehensive Annual Financial Report. The Authority continues to carry commercial insurance for risks of loss, including property insurance. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE 9: FEDERAL AND STATE GRANT PROJECTS

The Authority has entered into various grant agreements with the Federal Emergency Management Agency to fund the elevation of certain properties on Santa Rosa Island. The total of the award agreements approximates $3.3 million. During 2021, the Authority incurred approximately $291,000 of expenses related to this program.

The Authority has been awarded grant funds from the State of Florida for beach re-nourishment and restoration and preservation projects as well as for projects and enhancements benefiting Santa Rosa Island. The maximum amount to be received under the two grants is $125,000. The grants require a match of $125,000. During 2021, the Authority incurred approximately $100,000 of expenses related to this program.

Revenue recognized under these federal and state grants totaled $342,944 for the year ended September 30, 2021.

NOTE 10: PENSION PLAN

Essentially all regular employees of the Authority are covered by the Florida Retirement System Pension Plan and Retiree Health Insurance Subsidy Program.

NOTE 10: PENSION PLAN (Continued)

Plan Descriptions, Membership and Plan Benefits, and Contribution Requirements

Plan Descriptions

The Florida Retirement System (FRS) is a cost-sharing, multiple-employer retirement system. The FRS was created in Chapter 121, Florida Statutes, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program (DROP) under the defined benefit plan, and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan (INV). Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any state-administered retirement system in paying the costs of health insurance.

The FRS, HIS, and INV are administered by the Florida Department of Management Services, Division of Retirement. Provisions relating to FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112 Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code. The Florida Legislature has the authority to establish and amend retirement legislation and related bills of significance to members of the FRS and HIS plans (including benefit terms and contribution rates). Passed bills are presented to the Governor of Florida and approved before they may be enacted into law.

The FRS, HIS, and INV financial information is included in the Florida Retirement System (System) Pension Plan and Other State Administered Systems Comprehensive Annual Financial Report (CAFR). The System CAFR, including audited financial information to support the Schedules of Employer Allocations and Schedules of Pension Amounts by Employer, are available online at http://www.dms.myflorida.com/workforce_operations/retirement/publications.

The System CAFR and actuarial reports may also be obtained by contacting the Division of Retirement by mail or phone at:

NOTE 10: PENSION PLAN (Continued)

Membership and Plan Benefits - FRS

The FRS has several classes of membership applicable to the Authority, including regular class, senior management and DROP. Employees enrolled in the FRS prior to July 1, 2011, vest at six years of creditable service and are eligible for normal retirement benefits at age 62 or at any age after 30 years of service. Employees enrolled in the Plan on or after July 1, 2011, vest at eight years of creditable service and are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service. Retirees receive a lifetime pension benefit with joint and survivor payment options. The FRS also includes an early retirement provision, but imposes a penalty for each year a member retires before the normal retirement date. Benefits are computed on the basis of age, average final compensation, creditable years of service, and accrual value by membership class.

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

A DROP was established effective July 1, 1998, subject to provisions of Section 121.091, Florida Statutes. It permits employees eligible for normal retirement under the FRS to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Membership and Plan Benefits - HIS

HIS membership is available to all members within the FRS plan. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs. Eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by $5. The minimum payment is $30 and the maximum payment is $150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under a State administered retirement system must provide proof of eligible health insurance coverage, which can include Medicare.

NOTE 10: PENSION PLAN (Continued)

Contribution Requirements

Employer contributions rates are actuarially recommended but set, and may be amended, by the Florida Legislature. These rates are a percentage of covered payroll. The FRS and HIS contribution rates were as follows:

	Employee Required Contribution	Employer Required Contribution	Total Required Contribution
Regular employees:			
October 1, 2020 through June 30, 2021	3.00%	10.00%	13.00%
July 1, 2021 through September 30, 2021	3.00%	10.82%	13.82%
Employees in the Deferred Retirement Option Program (DROP):			
October 1, 2020 through June 30, 2021	n/a	16.98%	16.98%
July 1, 2021 through September 30, 2021	n/a	18.34%	18.34%
Senior Management Service Class (SMSC):			
October 1, 2020 through June 30, 2021	3.00%	27.29%	30.29%
July 1, 2021 through September 30, 2021	3.00%	29.01%	32.01%

Employer rates include 1.66 percent for the HIS program. In addition, regular employees are required to contribute an amount equal to 3% of their salary as retirement contributions. Members participating in the DROP are not required to make 3 percent contributions. The Authority's contributions to the Plan totaled $101,047 for the year ended September 30, 2021.

FRS and HIS Significant Assumptions and Rate of Return

Basis of Accounting

Information about the FRS and HIS assets, deferred outflows of resources, liabilities, deferred inflows of resources, and fiduciary net position can be found in the System CAFR. The System CAFR is available online or can be obtained as mentioned previously The FRS and HIS fiduciary net position and additions to/deductions from the fiduciary net position have been determined based on the System's records, which utilize the flow of economic resources measurement focus and accrual basis of accounting. For this purpose, benefit payments (including refund of employee contributions) are recognized when due and payable. Investments are reported at fair value. Contributions are recognized as revenue when due, pursuant to statutory and contractual requirements. There have been no significant changes since the publication of the System CAFR.

NOTE 10: PENSION PLAN (Continued)

Actuarial Methods and Assumptions

Actuarial assumptions for both the FRS and HIS are reviewed annually by the Florida Retirement System Actuarial Assumptions Conference. The FRS has a valuation performed annually and the HIS has a valuation performed biennially that is updated for GASB reporting in the year a valuation is not performed. The most recent experience study for the FRS was completed in 2019 for the period July 1, 2013 through June 30, 2018. Because the HIS is funded on a pay-as-you-go basis, no experience study has been completed.

The total pension liability for the FRS and HIS was determined by an actuarial valuation as of July 1, 2021, using the individual entry age normal actuarial cost method. Inflation increases for both plans is assumed at 2.4 percent. Payroll growth for both plans is assumed at 3.25 percent. Mortality assumptions for the FRS Pension Plan were based on the PUB-2010 base table, projected generationally with Scale MP-2018, and mortality assumptions for the HIS program were based on the Generational RP-2000 with projection scale BB tables. Both the discount rate and long-term expected rate of return used for FRS investments is 6.8 percent. The FRS fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees; therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return. Because the HIS program uses a pay-as-you-go funding structure, a municipal bond rate of 2.16 percent was used to determine its total pension liability.

In October 2018, the Actuarial Assumptions Conference adopted the Bond Buyer General Obligation 20-Bond Municipal Bond Index as the applicable municipal bond index. As of June 30, 2021, the municipal rate used by HIS decreased from 2.21 percent to 2.16 percent.

Long-Term Rate of Return

To develop an analytical basis for the selection of the long-term expected rate of return assumption, in October 2021 the FRS Actuarial Assumption Conference reviewed assumptions by Milliman's Capital Markets assumption team and Aon Hewitt Investment Consulting. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. These assumptions are not based on historical returns, but instead are based on a forward-looking capital market economic model.

NOTE 10: PENSION PLAN (Continued)

The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Annual Arithmetic Return
Cash	1.00%	2.1%
Fixed Income	20.00%	3.8%
Global Equity	54.20%	8.2%
Real Estate (Property)	10.30%	7.1%
Private Equity	10.80%	11.7%
Strategic Investments	3.70%	5.7%
Total	100.00%	

The HIS is essentially funded on a pay-as-you-go basis. As such, there is no assumption for a long-term expected rate of return on a portfolio, no assumptions for cash flows into and out of the plan, or assumed asset allocation.

District's Share of Net Pension Liability

Employers participating in the FRS and HIS were provided pension allocation schedules for use in recording their proportionate share of the FRS and HIS net pension liability (NPL), deferred outflows of resources, deferred inflows of resources, and pension expense at measurement date June 30, 2021. The underlying financial information used to prepare the pension allocation schedules is based on the same basis as mentioned previously.

At September 30, 2021, the Authority reported a liability of $418,133 for its proportionate share of the net pension liability of the FRS and HIS. The net pension liability was measured as of June 30, 2021, respectively, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2021.

The Authority's proportionate share was calculated using the retirement contributions for employees that were members of the FRS and HIS during the measurement year ended June 30, 2021. The aggregate employer contribution amounts for the fiscal year ended June 30, 2021, in the pension allocation schedules agree to the total employer contribution amounts reported in the System CAFR.

For the year ended September 30, 2021, the Authority recognized pension expense (recovery) of $(44,452) related to the FRS and $(21,952) related to the HIS.

NOTE 10: PENSION PLAN (Continued)

At September 30, 2021, the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

September 30, 2021

	FRS		HIS	
Description	**Def Outflows**	**Def Inflows**	**Def Outflows**	**Def Inflows**
Differences between expected and actual experience	$ 27,641	$ -	$ 8,596	$ 108
Changes of assumptions	110,343	-	20,184	10,584
Net difference between projected and actual investment earnings	-	562,602	268	-
Changes in proportion	94,745	64,814	13,963	79,169
Authority contributions subsequent to the measurement date	16,434	-	2,735	-
Total	$ 249,163	$ 627,416	$ 45,746	$ 89,861

Deferred outflows of resources of $19,169 are reported by the Authority for employer contributions subsequent to the measurement date and will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2021. Deferred outflows of resources of $19,504 for the year ended September 30, 2020, were recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2021.

Other amounts reported as deferred outflows of resources and inflows of resources related to pensions will be recognized as pension expense as follows:

Fiscal Year Ending September 30,	**FRS**	**HIS**	**Net**
2022	$ (97,790)	$ (39,553)	$ (137,343)
2023	(79,315)	(19,125)	(98,440)

2025	(132,458)	5,584	(126,874)
2026	13,869	4,080	17,949
Thereafter	-	1,204	1,204

NOTE 10: PENSION PLAN (Continued)

The following table presents information on the Authority's proportionate share of the FRS and HIS.

	FRS	HIS	Total
Proportionate Share of Net Pension:			
September 30, 2019	$ 161,262	$ 256,871	$ 418,133
Authority's proportion at September 30, 2020	0.002135%	0.002094%	

Discount Rate Sensitivity Analysis

The following tables demonstrate the sensitivity of the Authority's proportionate share of the net pension liability to changes in the discount rate. The sensitivity analysis shows the impact if the discount rate was 1 percent higher or 1 percent lower than the current discount rate at September 30, 2021.

FRS Net Pension Liability			HIS Net Pension Liability		
	Current			Current	
1% Decrease	Discount Rate	1% Increase	1% Decrease	Discount Rate	1% Increase
5.80%	6.80%	7.80%	1.16%	2.16%	3.16%
$ 721,173	$ 161,262	$ (306,762)	$ 296,967	$ 256,871	$ 224,020

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS

Plan Description: The Authority participates in the benefit plans and programs of Escambia County, Florida (the "County"). Pursuant to Section 112.0801 Florida Statutes, the Authority is required to provide eligible retirees (as defined in the County's pension plans) the opportunity to participate in this Plan at the same cost that is applicable to active employees. Eligible retirees must be drawing an immediate benefit from their respective pension plan and be enrolled in medical coverage prior to retirement. Surviving spouses of participants are allowed access to the Plan but must pay the full premium. Benefit provisions for the Plan were established by the County's Board of Directors and may only be amended by the County's Board of Directors. The County does not issue stand-alone financial statements for this Plan. All financial information related to the Plan is accounted for in the County's basic financial statements.

Funding Policy: The Authority is funding the post employee benefits on a pay-as-you-go basis. Contribution rates for the Plan are established by the County annually. For the fiscal year ended September 30, 2021, the Authority contributed $4,980. Blended premium rates for active and retired employees combined provide an implicit subsidy for retirees because on actual basis, their current and future claims are expected to result in higher costs to the Plan than those of active employees. The current year contribution represents an estimate of this implied subsidy.

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS (Continued)

Plan Membership: At October 1, 2021, OPEB membership consisted of the following:

	SRIA
Inactive members currently receiving benefits	8
Active members	12
Total	20

The Authority's covered payroll constituted approximately 0.76%, for the year ended September 30, 2021 of the total payroll costs for all entities included in the actuarial calculation. Accordingly, the County has allocated approximately 0.76% of the actuarially calculated amounts to the Authority in fiscal year 2021.

Actuarial Assumptions and Other Inputs: The total OPEB liability in the September 30, 2021 actuarial assumptions and other inputs, applied to all period in the measurement, unless otherwise specified:

Inflation	2.25 percent
Salary increases	3.60 percent to 8.00 percent, including inflation
Discount rate	2.41 percent
Health care cost trend rates	6.50 percent using the Getzen Model

The discount rate was based on an index rate for 20 year tax-exempt general obligation municipal bonds with an average AA credit rating or higher.

Mortality rates were based on the RP 2000 Healthy Annuitant Mortality Table for Males and Females as appropriate, fully generational with adjustments for mortality improvements based on Scale BB. RP 2000 Disabled Annuitant Combined Healthy Mortality Table set forward 3 years, with no projected improvement. The actuarial assumptions used in the September 30, 2021 valuation were based on the results of an actuarial experience study performed as of September 30, 2020.

At September 30, 2021, the Authority reported a net OPEB liability of $114,419. The GASB 75 information has been provided as of the September 30, 2020 measurement date.

NOTE 11: OTHER POST-EMPLOYMENT BENEFITS (Continued)

The change in net OPEB liability for the year ended September 30, 2021 is as follows:

	Increase (Decrease) Net OPEB Liability
Balance as of September 30, 2020	$ 111,203
Changes for the year:	
Service cost	4,235
Interest	2,473
Changes in assumptions	1,327
Benefit payments	(4,819)
Net Change in OPEB	3,216
Balance as of September 30, 2021	$ 114,419

Changes in assumptions and other inputs reflect a change in the discount rate from 2.75% as of September 30, 2020 to 2.41% as of September 30, 2021. The methods, assumptions, and participant data used are detailed in the actuarial valuation report the fiscal year ended September 30, 2021. These calculations are based in the Entry Age Normal cost method required by GASB 75.

Sensitivity of the Net OPEB Liability: The following table represents the Authority's total and net OPEB liability calculated using the discount rate of 2.41%, as well as what the Authority's net OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (1.41%) or one percentage point higher (3.41%) than the current rate:

	1% Decrease (1.41%)	Discount Rate (2.41%)	1% Increase (3.41%)
Net OPEB liability	$ 125,642	$ 114,419	$ 104,629

NOTE 11: OTHER POSTEMPLOYMENT BENEFITS (Continued)

The following table represents the Authority's total and net OPEB liability calculated using the health care cost trend rate of 6.50% decreasing to 3.99%, as well as what the Authority's net OPEB liability would be if it were calculated using a health care cost trend rate that is one percentage point lower (5.50% decreasing to 2.99%) or one percentage point higher than the current rate:

	1% Decrease (5.50% decreasing to 2.99%)	Healthcare Cost Trend Rate (6.50% decreasing to 3.99%)	1% Increase (7.50% decreasing to 4.99%)
Net OPEB liability	$ 107,751	$ 114,419	$ 122,277

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the fiscal year ended September 30, 2021, the Authority recognized OPEB expense of $4,980.

In addition, the Authority reported deferred outflows of resources and deferred inflows of resources related to the OPEB plan from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	$ -	$ 4,328
Changes in assumptions and other inputs	1,140	4,510
Estimated benefits paid after the measurement date	-	-
Total	$ 1,140	$ 8,838

NOTE 11: OTHER POSTEMPLOYMENT BENEFITS (Continued)

The deferred outflows of resources related to OPEB, totaling $1,140 resulting from Authority contributions subsequent to the measurement date, will be recognized as a reduction of the net OPEB liability in the fiscal year ending September 30, 2021. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the OPEB plan will be recognized in the expense as follows:

Fiscal Year Ending September 30,	
2022	$ (1,728)
2023	(1,728)
2024	(1,728)
2025	(1,506)
2026	(1,102)
Thereafter	95

NOTE 12: RELATED PARTY TRANSACTIONS

The Authority reimburses Escambia County for Pensacola Beach trolley services, which totaled $184,662 for the year ended September 30, 2021. In addition, the Authority pays Escambia County for its employees' workers' compensation insurance and health and life insurance. During the year ended September 30, 2021, the Authority expended $1,227 for workers' compensation insurance and $113,463 for health and life insurance. The Authority also reimbursed the County $206,000 for fire and rescue services during the year ended September 30, 2021. There were no amounts due to the County at September 30, 2021.

In September 2014, the Authority entered into interlocal agreement with Escambia County, whereby the County agreed to loan the Authority $8.5 million for its beach re-nourishment and restoration project. The loan was paid off in full during 2021.

NOTE 13: COMMITMENTS AND CONTINGENCIES

Grants Contingencies

The Authority has received federal and state financial assistance for costs related to capital improvements and disaster assistance on Santa Rosa Island. The disbursement of funds received under these programs is subject to review and audit by grantor agencies. Any disbursements disallowed by these agencies could become a liability of the Authority. In the opinion of management, any such claims should not have a material adverse effect on the financial statements.

NOTE 13: COMMITMENTS AND CONTINGENCIES (Continued)

Windstorm

The insurance policy for windstorm coverage includes a deductible amount for named hurricane storms estimated at approximately $51,000. In addition, the Authority's windstorm policy is underwritten by the State of Florida's Citizens Property Insurance Corporation (Citizens). In the event Citizens incurs a deficit that exceeds the amount collected via regular premiums, an emergency assessment may be levied. The Authority may be required to pay substantially more in insurance premiums relating to the year for which the emergency assessment is levied.

Litigation

The Authority is involved in various lawsuits and claims incidental to the normal course of its operations. In the opinion of management, the ultimate liability, if any, resulting from such litigation will not materially affect the financial position or results of operations of the Authority.

NOTE 1: OPEB PLAN

The actuarial methods and assumptions used to calculate the total OPEB liability are described in Note 11 to the financial statements.

The net OPEB liability amount presented for each fiscal year was determined as of September 30 measurement date prior to the fiscal year-end.

The schedule is intended to present ten years of data. Additional years of data will be presented as they become available.

The Authority has not presented a Schedule of Contributions since an actuarially determined contribution has not been calculated and there is no contractually or statutorily determined contribution applicable to the Authority.

NOTE 2: PENSION PLAN

The actuarial methods and assumptions used to calculate the total pension liability (asset) are described in Note 10 to the financial statements.

The net pension liability amounts presented for each fiscal year were determined as of the June 30 measurement date prior to the fiscal year-end.

The schedules are intended to present ten years of data. Additional years of data will be presented as they become available.

FRS: The long-term expected rate of return remained stable at 6.8%.

HIS: The municipal bond rate used to determine total pension liability was decreased from 2.21% to 2.16%.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Supervisors
Santa Rosa Island Authority
Pensacola, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of Santa Rosa Island Authority (hereinafter referred to as the "Authority"), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated January 26, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a deficiency in internal control, IC 2021-001, described in the attached schedule of findings that we consider to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Santa Rosa Island Authority's Response to Findings

Santa Rosa Island Authority's response to the findings identified in our audit is described in the attached schedule. Santa Rosa Island Authority's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Finding IC2021-001: Financial Close Process

Criteria: Rules 10.557(3)(i) and 10.556(3) of the Florida Auditor General, along with other rules and laws, require that the Authority's financial statements be in accordance with the GASB *Codification of Governmental Accounting and Financial Reporting Standards*. The statements should be prepared in accordance with generally accounting principles (GAAP).

Condition: One of the principal methods that a government uses to document accountability for public resources it receives and uses is by the information included in its financial statements. As such, Authority personnel should ensure that the financial information is accurate. In addition, during our audit procedures, while most areas were prepared accurately and correctly, audit adjusting entries were required to correct certain items. These include:

- The balances for grant revenue, deferred revenue and grant receivables were not adjusted to account for current year activity.
- Certain pension and other post-employment benefit liabilities.
- Net position balances.
- Capital assets and debt balances.
- Other miscellaneous adjustments.

Cause: The above adjustments occurred mainly as a result of a lack of knowledge regarding complicated accounting pronouncements or simple errors. We were able to identify the necessary adjustments during our audit procedures to ensure the Authority's financial statements and supplementary information were properly reported, and Authority personnel accepted these adjustments. However, our audit procedures cannot substitute for management's responsibility to ensure that the Authority's financial statements are completely accurate.

Effect: The Authority's financial statements could contain inaccuracies.

Recommendation: The Authority should improve its financial reporting procedures to ensure that financial statement account balances and transactions are properly reported. Such procedures may include enhanced review to ensure accuracy of the financial statements.

Management's response: The costs of internally preparing the financial statements outweigh the benefit; therefore the Authority will continue to have Carr, Riggs & Ingram, LLC assist in drafting the financial statements.

MANAGEMENT LETTER

To the Board of Directors and Chief Executive Officer
Santa Rosa Island Authority
Pensacola, Florida

Report on the Financial Statements

We have audited the financial statements of the Santa Rosa Island Authority ("Authority") as of and for the fiscal year ended September 30, 2021, and have issued our report thereon dated January 26, 2022.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Florida Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with AICPA Professional Standards, AT-C 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated January 26, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to partially address findings and recommendations made in the preceding financial audit report. Certain aspects of prior year finding IC2020-001, such as grant revenues and pension liabilities, have been repeated in the current year. That comment was also included in the second preceding fiscal year audit report. The Authority's response to the comment identified in our audit is described on page 39.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This information is disclosed in the notes to the financial statements.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT

To the Board Members and Chief Executive Officer
Santa Rosa Island Authority
Pensacola, Florida

We have examined Santa Rosa Island Authority's compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2021. Management of the Authority is responsible for the Authority's compliance with the specified requirements. Our responsibility is to express an opinion on the Authority's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standard require that we plan and perform the examination to obtain reasonable assurance about whether the Authority complied, in all material respects, with the specified requirement referenced above. An examination involves performing procedures to obtain evidence about whether the Authority complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that our examination provides a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Authority's compliance with specified requirements.

In our opinion, the Authority complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2021.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

TO: Tourist Promotion Partners
RE: Requests for funding for Fiscal Year (FY) 2024

Dear Potential Funding Recipient:

Attached please find the Escambia County Tourism Promotion Agency Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 1, 2024.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is required. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Important Note: As a requirement to receive County TDT grant monies, your organization will be **required** to submit both quarterly metrics and an annual report. Your required metrics report will be derived from the metric information within your application. Specific instructions to complete your annual report are included in the **Attachment A** "Annual Narrative Form", attached to this application.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is an application check list to ensure all required documents are submitted. Please check each box to confirm that these items are included with your funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,
Stephan Hall
Finance Director

FISCAL YEAR 2024

ESCAMBIA COUNTY
AGENCY FUNDING REQUEST APPLICATION

All agencies requesting funding from Escambia County must submit the below-listed information and complete the attached form. Failure to submit all required information or to complete the form will remove your organization from consideration for funding. Please submit the completed application packet electronically to **Budget@myescambia.com.**

DEADLINE - Monday, April 3, 2024

ELIGIBILITY CRITERIA:

Organizations eligible to apply for funding must:

- Demonstrate funding received from sources other than local governments in an amount at least equal to the amount requested from Escambia County.
- Tax-exempt under Section 501(c)(3) of the Internal Revenue Code, independent of a financial sponsor (local affiliates may apply under the 501(c)(3) of the national organization).
- Located in and serve residents of Escambia County.
- Provide at least 3 full years (36 months) of independently prepared, audited or reviewed financial statements or tax returns, unless organization was formed within the last 3 years.
- Not a recipient of Community Partner funding for more than 3 fiscal years unless the organization serves a government purpose OR for years 4 and beyond, funding must reduce at rate of at least 5% per year.
- The Board of County Commissioners retains the right to waive the eligibility criteria.

APPLICANTS SHOULD:

- Explain why receiving funding would have an especially significant impact on their organization.
- Have a mission and programs or services that serves a governmental program or citizen focused mission.
- Submit a proposed budget where government funding does not exceed 50% of annual operating budget unless in first 3 years of operation or mandated by statutory or another regulatory requirement.
- Plan to expend funds within 12 months.

Funds may be provided for programs, services, necessary infrastructure or other initiatives that support the organization's core mission. **Funds will not be provided for:**

- debt reduction, operating deficits, interim or bridge funding or endowment funding,
- individuals or private foundations,
- activities that are religious or political in nature,
- fund drives, annual appeals, fundraising events or general capital campaigns, and
- salaries that do not directly impact the program unless mandated by statutory or regulatory requirement.

When submitting your completed application with all required documents, provide your documents in original Word format or a direct PDF of the Word document. **Please limit scanned documents as much as possible.**

GENERAL INFORMATION

Agency Name: ___West Florida Historic Preservation, Inc. dba UWF Historic Trust_____

Agency Address: ___120 Church Street Pensacola, FL 32502_____

Program Name for which funding is being requested: ___Museum Operations Support and Historic

Site Preservation and Conservation_____

Amount Requested: $__250,000_____

Program Contact: ___Robert Overton_____

Contact Email: __roverton@uwf.edu; aeve@uwf.edu_____ Contact Phone: (850) 595-5985

25-Word Description of Program: The UWF Historic Trust operates Historic Pensacola Village, the Pensacola Children's Museum, Voices of Pensacola Multicultural Center, the Pensacola Museum of History, and the Pensacola Museum of Art. We also assist in the preservation, interpretation and sharing the stories of many of our historic cemeteries within the community. In prior years, our funding allocation was awarded to us for UWFHT operations only. Per the county's request, in recent years we have combined our ask with the cemeteries who also previously received funding in order to streamline operations and administration of these sites.

How many years has your organization been providing services in the County? __50 plus_____

How many years has your organization received funding from the County? ___50 plus_____

Explain how receiving funds from the County would have a significant impact on your organization: The funding we receive allows us to continue the support of the over fifty-year partnership between the UWF Historic Trust and Escambia County for the preservation of our local cultural resources including local historic cemeteries. In particular the funds allow us to market the historic, cultural, and artistic assets that we manage as well as insure them. Without funding we would see a significant decrease in visitation which would adversely affect our local economy that depends heavily on tourism. It would also not be possible to maintain the cemeteries included in this request nor preserve Escambia County history.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: $225,000

Briefly discuss how last year's funds were used? The funds received were used for program expenses, marketing and advertising our operations, covering a portion of our annual printing costs for items such as brochures, rack cards, and lesson plans, and general office supplies and insurance. We also coordinated clean-ups and worked to interpret the local historic cemeteries as well as conserve the masonry structures.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County? The funds we received last year were used to continue the support of the over fifty-year partnership between the UWF Historic Trust and Escambia County for the preservation of our precious cultural resources. These resources, which serve as a cultural heritage tourism engine, attracted over 212,000 visitors and 8,000 schoolchildren last year. Our visitation continues to grow each year.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? The requested funding will be used towards a) the costs of marketing our operation to both locals and tourists, b) the printing of brochures, rack cards, lesson plans, and other printed operational materials, c) the purchase of consumable office supplies used to conduct business and general site maintenance costs, and d) the expense of insuring the historic properties. We also have some administrative costs associated with assisting with the preservation, maintenance, interpretation, and marketing of some of our historic cemeteries as outdoor museums to our citizens and visitors promoting them as heritage tourism sites. **We are requesting a total of $250,000 which includes: $155k for the Historic Trust, $25k for St, Michael's Cemetery, $25k for AME Magnolia Zion Cemetery, $20k for Mt. Zion Cemetery, and $25k for Good Hope Cemetery.**

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: N/A

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area We make consistent efforts to collaborate and coordinate with local non-profits to develop and implement community programming and events. We have worked with organizations like the Public Library, the Symphony, Ballet Pensacola, the Arts Festival, Fiesta, and other similar groups.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. The UWF Historic Trust is the center of Pensacola's robust cultural ecosystem that is unique to our city. Our campus of museums and cultural entities are key economic drivers in addition to serving as a critical public space that connects the businesses and organizations in Pensacola's vibrant downtown thereby enhancing the City and Escambia County. Additionally, we are distinctive in that we coordinate clean-up and interpretation for the local historic cemeteries which also serve as public spaces for the community.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: _____%
- Percentage for direct programming costs: _100_____%

If Escambia County funding can only fund a portion of your request, how will you offset the difference? Reduced funding would severely limit our ability to market the historic, cultural, and artistic assets that we manage and well as limit our ability to insure them. It would not be possible to maintain the cemeteries included in this request nor preserve Escambia County history.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: All grants received for special projects and programs require varying amounts of cash match. The approximate estimate is 15% of our annual budget is bound by matching fund requirements, but we can match funds from operations income and will not rely on program funds for match.

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. City of Pensacola - $2,400.00 annual operating support

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY23	FY24	FY25	% Change
1. Serving as an economic engine by attracting and sharing our art and history with a broader cultural heritage tourism audience.	90,384	200,000	210,000	%
2. The education of Escambia County and regional schoolchildren and their families.	2904	25,000	27,000	%
3. Collecting, preserving, interpreting, and sharing the art and history of Escambia County and the broader region of Northwest Florida.	110.487	220,000	225,000	%

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	FY25
1. Measure the increase in the number of annual visitors to our site and track visitor profiles in order to determine tourism impact.	10%
2. Measure the increase in the annual number of schoolchildren served.	10%
3. Measure an increase in community engagement by increasing annual volunteer participation.	10%

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in the previous fiscal year."

Baseline for Goals	FY24
1. Hosted 212,000 plus site visitors. We can estimate that the cemeteries saw more than 3,000 visitors last year.	200,000
2. Over 8,000 schoolchildren visited our sites in school field trips last year. We are adding new programs and expect even more this next fiscal year.	7000
3. UWFHT hosted 91 volunteers who donated 4,582 hours and the three cemeteries combined had more than 50 volunteers donating time exceeding 400 hours.	120/4600

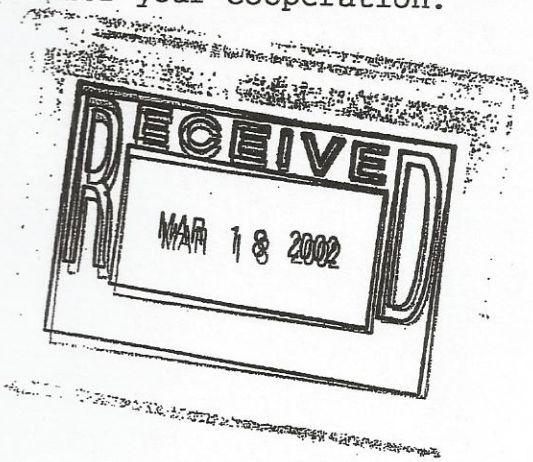
Dear Sir or Madam:



Thank you for the information recently submitted regarding your change in activities. We have made it part of your file.

1. The organization has changed its name from Historic Pensacola Inc. to West Florida Historic Preservation Inc.

2. The organization will continue to receive its support from State of Florida and will continue to conduct the same activities of assisting in carrying out the historic preservation and historic preservation education activities for the City of Pensacola, Escambia County and West Florida University. The Florida State legislature abolished the Historic Pensacola Preservation Board of Trustees (Historic), whom the organization formerly supported, and transferred their duties to the University of West Florida to manage state-owned properties formerly managed by Historic. The organization will receive, hold, invest and administer property and make expenditures to or for the benefit of the University of West Florida.

The changes indicated do not adversely affect your exempt status and the exemption letter issued to you continues in effect. Your foundation status, however, has changed. You were formerly considered not to be a private foundation because you were described in sections 509(a)(1) and 170(b)(1)(A)(vi). You are now considered not to be a private foundation because you are described in sections 509(a)(1) and 170(b)(1)(A)(iv). In addition, you are no longer required to file Form 990 as your are considered an affiliate of a governmental unit.

Please let us know about any future changes in the character, purposes, method of operation, name or address of your organization. This is a requirement for retaining your exempt status.
Thank you for your cooperation.

Sincerely yours,

Steven T. Miller

Dear Sir or Madam:

This is in response to the amendment to your organization's Articles of Incorporation filed with the state on August 29, 2001. We have updated our records to reflect the name change as indicated above.

Our records indicate that a determination letter issued in March 1969, granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) & 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than $25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of $20 a day, up to a maximum of $10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

West Florida Historic Preservation, Inc.
2002-03748

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. If your organization had a copy of its application for recognition of exemption on July 15, 1987, it is also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of $20 a day for each day you do not make these documents available for public inspection (up to a maximum of $10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely,

John E. Ricketts

INDEPENDENT AUDITOR'S REPORT

Board of Directors
West Florida Historic Preservation, Inc.
d/b/a University of West Florida Historic Trust
Pensacola, Florida

Opinion

We have audited the accompanying financial statements of the governmental activities and the entity-wide activities of West Florida Historic Preservation, Inc. d/b/a University of West Florida Historic Trust ("the Trust"), (a component unit of the University of West Florida), which collectively comprise the statements of net position and governmental fund balance sheets as of June 30, 2023 and 2022, and the related statements of activities and governmental fund revenues, expenditures, and changes in fund balance/net position for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial positions of the governmental activities and the entity-wide activities of the Trust as of June 30, 2023 and 2022, and the changes in financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for twelve months beyond the financial statement date, including any known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Board of Directors
West Florida Historic Preservation, Inc.
d/b/a University of West Florida Historic Trust
Pensacola, Florida

We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated _____, 2023, on our consideration of the Trust's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Trust's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Trust's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2023 AND 2022

The following is a narrative overview and analysis of the West Florida Historic Preservation, Inc. d/b/a University of West Florida Historic Trust's ("the Trust") significant financial activities for the fiscal year ended June 30, 2023.

Operational Highlights

- In January we increased our unified admission ticket price by $2.00. This and increased admission numbers have resulted in increased admission revenue of over 30% for the year compared to last fiscal year.
- We modified our existing parking management agreement with Premium Parking and entered into an additional agreement for four more of our parking lots. The modification and new agreement pay us 50% of parking fees collected instead of a fixed monthly rent. The result was an increase in our parking revenue of over $70,000 compared to last fiscal year.
- Visitation increased by 26%, long-term rental income increased by 4.7%, educational programming income increased by 206% and ticket sales increased by 31%.
- In fiscal year 2022-23, we received over $100,000 in grants.
- We did some significant preservation and maintenance work on some of our properties. This includes repairs, repainting, lighting, and graphics upgrades to the Bowden building, preservation repairs to the Dorr House, and major elevator repairs at the Pensacola Museum of Art.
- In January we increased our rental rates for our event venues. This rate increase we saw event rental revenue for the year increase by 4%. Also, once the train covering is completed, we will be able to add the Museum of Industry to our list of rentable venues, further increasing our event rental income.
- In partnership with Visit Pensacola, we hosted a pre-screening of the Emmy Award winning PBS show *A Taste of History: Pensacola* on Thursday September 29th at the Museum of Commerce. The event was a fundraiser for the Historic Trust and brought in over $10,000.
- We held our second annual Bootleg Ball fundraiser on Friday January 13th at the Museum of Commerce. After all expenses were covered we made $16,000 and created a great deal of buzz which will help us with next year's event.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Trust's basic financial statements. They are: 1) entity-wide and governmental fund financial statements and 2) notes to the financial statements.

Entity-wide financial statements are designed to provide readers with a broad overview of the Trust's finances in a manner similar to a private-sector business. Governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes to the financial statements can be found starting on page 9 of this report.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose:

West Florida Historic Preservation, Inc. ("WFHPI"), formerly Historic Pensacola, Inc., was organized as a not-for-profit corporation under Section 266.0018, Florida Statutes, to engage in the restoration and exhibition of historical landmarks in the vicinity of Pensacola, Florida. In 2001, Section 266.0018, Florida Statutes was repealed, at which time the legislature transferred the historic preservation responsibilities to the University of West Florida ("UWF"). On July 1, 2001, WFHPI was designated as a direct support organization of UWF under Section 267.1732, Florida Statutes, in order to assist UWF in carrying out its dual historic preservation and historic preservation education purposes and responsibilities. In November 2013, West Florida Historic Preservation, Inc. changed its name to West Florida Historic Preservation, Inc., d/b/a University of West Florida Historic Trust ("the Trust").

The general operating authority of the Trust is contained in Section 267.1732, Florida Statutes (Chapter 2001-199, Laws of Florida). The Trust operates under an operating agreement with UWF and is considered a component unit of UWF.

Expenses paid by the Trust to renovate or modify property controlled by UWF and leased by the Trust are capitalized and reflected in buildings and improvements in these financial statements. The Trust assists UWF in operating, preserving and maintaining various historical properties owned by the State of Florida and controlled by UWF. Certain expenses related to these activities are directly paid by UWF and are not included in these financial statements. Those expenses, which are not reflected in these financial statements, are as follows:

	2023	2022
Telephone	$ 10,345	$ 10,758
Operating supplies	10,889	-
Office equipment rental	5,657	2,582

Insurance	29,010	13,641
Other	1,545	1,142
Totals	$ 459,058	$ 130,180

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Organization and Purpose (Continued):

Salaries of UWF employees who staff the Trust are paid directly by UWF. These in-kind salaries amounted to $1,171,949 and $1,263,999 for the years ended June 30, 2023 and 2022, respectively, and are not reflected in the books of the Trust. Additionally, UWF donates office space in the Bowden Building located at 120 Church Street in downtown Pensacola, Florida to the Trust. Management estimates the fair value of this donated office space to be $241,984 and $216,512 for the years ended June 30, 2023 and 2022, respectively.

In November 2013, the Trust entered into a Memorandum of Understanding ("MOU") with the University of West Florida Foundation ("UWFF"), a direct service organization of UWF, where all membership income is handled and recorded by UWFF. Membership income held by UWFF amounted to $55,949 and $55,714 as of June 30, 2023 and 2022, respectively.

Each state university board of trustees is authorized to permit the use of property, facilities, and personal services at any state university by any university direct support organization per Section 1004.28, Florida Statutes. Administrative and fiscal services, office space, and other miscellaneous support services are provided to UWF direct support organizations by UWF at no cost. No value is assigned to administrative and fiscal services in the accompanying statements of activities and governmental fund revenues, expenditures, and changes in fund balance/net position.

Pensacola Museum of Art:

On July 1, 2016, the assets of the Pensacola Museum of Art ("PMA"), an independent not-for-profit corporation, became part of UWF. On that date, UWFF was gifted a historic building, land, a fine arts collection, furniture and equipment, cash and cash equivalents, a permanent endowment, and other current assets from the dissolving entity totaling approximately $4.2 million. UWFF transferred the historic building and land to UWF and the fine arts collection, furniture and equipment, and all other assets were transferred to the Trust, with the exception of the permanent endowment. The Trust maintains a management agreement with UWF covering the preservation of historic properties for UWF. UWFF will continue to steward the endowment for purposes of the PMA, now a division of the Trust. The new PMA division has a non-governing advisory board that reports to the Trust's board of directors. Under the agreement, UWFF will handle all and record all unified membership income for the PMA. PMA unified membership income held by UWFF amounted to $19,054 and $33,300 as of June 30, 2023 and 2022, respectively.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting and Financial Statement Presentation:

These financial statements have been prepared in conformity with the accounting principles and reporting guidelines established by the Governmental Accounting Standards Board ("GASB"). The Trust utilizes the following fund type:

- General Fund, a governmental fund, is used to account for all revenues and expenditures applicable to the general operations of the Trust that are not required either legally or by accounting principles generally accepted in the United States of America ("GAAP") to be accounted for in another fund.

Government-Wide Financial Statements:

The government-wide financial statements (i.e., the statements of net position and governmental fund balance sheets and the statements of activities and governmental fund revenues, expenditures, and changes in fund balance/net position) report information on all of the activities of the Trust. Governments typically report activities as either governmental activities, which are supported by grants and other intergovernmental revenues, or business-type activities, which rely to a significant extent on fees and charges for support. The Trust reports its activities as governmental activities.

Because the Trust reports only governmental activities and only one program, it is considered to be a special-purpose government for financial reporting purposes under GAAP. As such, the government-wide financial statements are presented together with the governmental fund financial statements with an adjustment column presented to reconcile the two sets of statements.

The Trust has one governmental fund type, which is the General Fund. The General Fund is used to account for all resources and operations. Governmental funds are accounted for on a "spending" or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on the balance sheet. Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Governmental Funds:

The General Fund is accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual; that is, when they are measurable and available. Measurable means the amount of the transaction can be determined and available means collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Trust considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are generally recorded when the related liability is incurred. Primary revenues consist of charges for services, licenses, and permits. All of these revenues are susceptible to accrual.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Inventory:

Inventory consists of merchandise held for resale in the museum gift shops. Inventory is stated at lower of cost or market and is accounted for under the first-in, first-out method.

Capital Assets:

Property and equipment are recorded at cost. Donated capital assets are recorded at their estimated fair market value on the date of contribution. Expenditures which equal or exceed $5,000 that materially increase values, change capacities, or extend useful lives are capitalized. Repairs and maintenance costs are charged to operations when incurred.

Depreciation is computed using the straight-line method. Estimated useful lives of property and equipment range as follows:

Buildings and improvements	10 - 40 years
Furniture, fixtures and equipment	5 - 10 years

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Historical Properties, Antiques, and Collections:

Purchased historical properties, antiques, and collections that are held for educational and curatorial purposes are recorded at cost. Donated items are not capitalized but are recorded both as revenue and expense in the government-wide statement of activities. Whether purchased or donated, each item is cataloged, preserved, and cared for, and activities verifying their existence and assessing their condition are performed continuously.

Historical properties, antiques, and collections are acquired for purposes of preservation and display. Management considers these items to be historically significant and should be preserved perpetually. Accordingly, depreciation is not recorded for these items.

Program Revenue:

Program revenue from local governments and government grants is recorded based upon the terms of the grantor allotment which generally provides that revenue is earned when the allowable costs of the specific grant provisions have been incurred or the performance of the services has been rendered. Such revenue is subject to audit by the grantor. If the examination results in a deficiency of allowable expenses, the Trust will be required to refund any deficiencies.

Income Taxes:

The Trust is exempt from federal income taxes under Internal Revenue Service Code Section 501(c)(3). As a result, there is no provision for taxes in the accompanying financial statements.

Donated Services, Materials, and Facilities:

The Trust receives donated services from a variety of unpaid volunteers assisting in the museum and education programs. No amounts have been recognized in the accompanying statements of activities for these donated services.

As discussed previously, UWF pays certain expenses and donates office space to the Trust.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Adjustments Between Governmental Fund Balance Sheets and Statements of Net Position:

Capital assets are not financial resources and therefore are not reported in the governmental fund. Adjustment is made to include capital assets in the entity-wide statements of net position.

Designations of net position are considered to be an internal constraint on resources and, therefore, are not reported in the entity-wide statements of net position. Adjustment is made to remove designations of net position from the entity-wide statements of net position.

Adjustments Between Governmental Fund Statements of Revenue, Expenditures, and Changes in Fund Balances and Statements of Activities:

Because capital assets are not reported in the governmental fund, no depreciation is recognized in the governmental fund statements of revenues, expenditures, and changes in fund balances. Instead, capital outlays are reported as expenditures. Adjustment is made to include depreciation expense and remove capital outlays in the entity-wide statements of activities.

Recent Accounting Pronouncements:

In June 2017, the Governmental Accounting Standards Board ("GASB") issued Statement No. 87, *Leases ("GASB 87"),* which addresses accounting and financial reporting for leases by governments. This statement requires recognition of certain lease assets and liabilities for leases that are currently classified as operating leases and recognized as inflows of resources or outflows of resources. GASB 87 establishes the lessee's requirement to recognize a lease liability and an intangible right-to-use asset. GASB 87 was effective for the Trust for the year ended June 30, 2022. Adoption of GASB 87 did not have a significant impact on the Trust's financial statements.

NOTE 2 - DEPOSITS AND INVESTMENTS

The Trust's deposits and investments consist of demand deposits and certificates of deposit. The carrying amount of the Trust's deposits and investments at June 30, 2023 and 2022 was $882,630 and $546,736, respectively, and the bank balance was $929,127 and $629,052, respectively. The Trust's cash balances held by financial institutions are insured by the Federal Deposit Insurance Corporation up to certain limits.

NOTE 3 - DUE FROM UWFF/UWF

In March 2013, the Trust entered into a MOU with UWFF, where the Trust may transfer current cash assets to UWFF to invest on the Trust's behalf. These funds are invested as a Quasi-Endowment with UWFF and will be part of the overall investment pool subject to spending and investment policies of UWFF as agreed to in the MOU. The Trust's investment with UWFF amounted to $1,137,815 and $1,085,446 at June 30, 2023 and 2022, respectively.

During the year ended June 30, 2022, a transfer was made from UWF for unused Paycheck Protection Program ("PPP") loan proceeds, which were used for general expenses in 2022.

NOTE 4 - CAPITAL ASSETS

Capital assets consist of the following:

June 30, 2023:	Beginning Balance	Increases	Decreases	Ending Balance

	$ 4,137,243	$ (327,359)	$ -	$ 3,809,884

Depreciation expense was $260,923 and $327,539 for the years ended June 30, 2023 and 2022, respectively.

NOTE 5 - DEFERRED REVENUE

Rental revenue is considered earned when the event has occurred or the performance of the services has been rendered. Amounts received by the Trust in advance of the date of the event or performance of services are recorded as deferred revenue until the event has occurred or services are rendered. Total deferred revenue amounted to $91,572 and $98,881 at June 30, 2023 and 2022, respectively.

NOTE 6 - FUND BALANCE/NET POSITION

In the financial statements, fund balances/net position are classified as follows:

Nonspendable Fund Balance:

Nonspendable fund balance represents amounts that cannot be spent either because they are in a nonspendable form or because they are legally or contractually required to be maintained intact. Nonspendable fund balances as of June 30, 2023 and 2022 are presented as follows:

	2023	2022
Nonspendable -		
Inventory	$ 73,463	$ 75,486
Prepaid assets and deposits	13,899	12,608
Historical properties, antiques and collections	249,214	249,214
	$ 336,576	$ 337,308

Restricted Fund Balance / Reserved Net Position:

Restricted fund balance or reserved net position represent amounts that can be spent only for specific purposes required by law or other externally imposed conditions by grantors or creditors. Restricted fund balances/reserved net position as of June 30, 2023 and 2022 are presented as follows:

	2023	2022
Restricted -		
Old Christ Church fund	$ 140,949	$ 140,873
Kranc Property	57,500	57,500
Florida Conference AME Holding	-	3,116
Cemetery Projects	12,000	12,000
	$ 210,449	$ 213,489

NOTE 6 - FUND BALANCE/NET POSITION (Continued)

Assigned Fund Balance / Designated Net Position:

Assigned fund balance or designated net position represent amounts that are designated by the Board of Directors, under authorization governed in the Trust's By-Laws, for a particular purpose but not spendable until a majority vote of approval by the Board of Directors. The assigned fund balance/designated net position of $38,790 and $38,782 as of June 30, 2023 and 2022, respectively, represents the remaining cash balance in the Veal Education Fund.

PMA assigned fund balance or designated net position represents amounts that are designated by the Board of Directors but are not spendable until a majority vote of approval. In 2017, the Pensacola Museum of Art received a BP claim and the Board of Directors approved to designate these funds for future purchases of artwork and collections to be held at the museum. The assigned fund balance/designated net position of $33,966 as of June 30, 2023 and 2022, represents the remaining designated BP funds.

Use of Restricted Resources:

When an expense is incurred that can be paid using either restricted or unrestricted resources (net position), the Trust's policy is to first apply the expense toward restricted resources and then toward unrestricted resources. In governmental funds, the Trust's policy is to first apply the expenditure toward restricted fund balance and then to other, less-restrictive classifications, committed and then assigned fund balances, if any, before using unassigned fund balances.

NOTE 7 - COMMITMENTS AND CONTINGENCIES

Dependency on Government Support:

The Trust receives a substantial amount of support from UWF, and state and local government agencies. A reduction in the level of future support from these entities could have a substantial effect on the Trust's programs and activities.

UWF Agreement:

As discussed in Note 1, the Trust is committed to assist UWF under an operating agreement which extends for an indefinite term.

NOTE 8 - RISK MANAGEMENT

The Trust is exposed to various levels of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The Trust is insured for these risks. There were no insurance losses related to these risks in excess of insurance coverage in any of the three prior fiscal years. The Trust is not aware of any liabilities related to these risks as of June 30, 2023.

NOTE 9 - COVID-19 RELATED INCOME

The Trust received loan proceeds in the amount of $278,690 under the PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The PPP loan's principal and accrued interest were forgivable to the extent that the proceeds were used for eligible purposes, subject to certain limitations. During the year ended June 30, 2022, the loan proceeds were used for eligible purposes, and the loan was forgiven. Accordingly, the Trust recognized $278,690 as other income during the year ended June 30, 2022.

The Trust was also awarded a grant totaling $29,254 from the Florida American Rescue Plan Cultural Grant Program ("Florida ARP") which is funded by the Florida Department of State Division of Arts and Culture and from Florida Humanities. The funds were to be used for general operating expenses for the Trust. Accordingly, the Trust recognized $29,254 as other income during the year ended June 30, 2022.

In addition, the Trust received $18,927 from the Small Business Administration to assist in general operations of the Trust. Accordingly, the Trust recognized $18,927 as other income during the year ended June 30, 2022.

OTHER REPORTS

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
West Florida Historic Preservation, Inc.
d/b/a University of West Florida Historic Trust
Pensacola, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards* issued by the Comptroller General of the United States, the financial statements of West Florida Historic Preservation, Inc., d/b/a University of West Florida Historic Trust ("the Trust"), (a component unit of the University of West Florida), which comprise the statement of net position and governmental fund balance sheet as of June 30, 2023, and the related statement of activities and governmental fund revenues, expenditures, and changes in fund balance/net position for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August __, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Trust's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, we do not express an opinion on the effectiveness of the Trust's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Trust's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Directors
West Florida Historic Preservation, Inc.
d/b/a University of West Florida Historic Trust
Pensacola, Florida

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Trust's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Governmental Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Trust's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Trust's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
West Florida Historic Preservation, Inc.
d/b/a University of West Florida Historic Trust
Pensacola, Florida

Opinion

We have audited the accompanying financial statements of the governmental activities and the entity-wide activities of West Florida Historic Preservation, Inc. d/b/a University of West Florida Historic Trust ("the Trust"), (a component unit of the University of West Florida), which collectively comprise the statements of net position and governmental fund balance sheets as of June 30, 2022 and 2021, and the related statements of activities and governmental fund revenues, expenditures, and changes in fund balance/net position for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial positions of the governmental activities and the entity-wide activities of the Trust as of June 30, 2022 and 2021, and the changes in financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for twelve months beyond the financial statement date, including any known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Board of Directors
West Florida Historic Preservation, Inc.
d/b/a University of West Florida Historic Trust
Pensacola, Florida

We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 24, 2022, on our consideration of the Trust's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Trust's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Trust's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2022 AND 2021

The following is a narrative overview and analysis of the West Florida Historic Preservation, Inc. d/b/a University of West Florida Historic Trust's ("the Trust") significant financial activities for the fiscal year ended June 30, 2022.

Operational Highlights

- We started off the fiscal year with some closures still in effect due to COVID-19. By early August we were able to open all museums to full operation. We adjusted our offerings for special event rentals allowing us to better meet the needs of the customers during the off season. This resulted in an increase in revenue from event rentals for the year of 18% over the previous year.
- We changed parking management companies which will increase parking revenue by 50% in the next fiscal year. Overall, we have focused on programs and ventures that would generate revenue and have limited non-revenue generating programs.
- Visitation increased by 207%, rental income increased by 18%, ticket sales increased by 379% and museum store sales increased by 160%.
- In FY 2021-22, we received a number of grants which included a Florida American Rescue Plan Cultural Grant in the amount of $4,254 from the state's Division of Arts & Culture; a $25,000 American Rescue Act Grant from the Florida Humanities Council; an SBA Shuttered Venue Operator's Grant for $18,927 to offset lost revenue; a $5,000 grant from International Paper Foundation; a $1,000 grant from the Great Gulf Coast Arts Festival; a $45,000 General Operations Support Grant from the Florida Division of Cultural Affairs.
- On July 17, 2021, we hosted Escambia County's Bicentennial Celebration. Funding for the celebration was provided by the city, county, and state. We processed many of the invoices for this event and received reimbursements from each of these entities.
- A huge portion of the 2021-22 FY was spent completing repairs from Hurricane Sally. The majority of the work is being funded through insurance settlements which were processed on campus. We anticipate some FEMA reimbursements in the future.
- In an effort to establish a fundraising event we hosted our first Bootleg Ball on April 2, 2022, at the Museum of Commerce. Tickets were sold for $200 each and we solicited sponsors for the band, bar, and food at $5,000 each. After all expenses were covered, we made around $4,000 on the event but created a great deal of buzz which will help us with next year's event.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Trust's basic financial statements. They are: 1) entity-wide and governmental fund financial statements and 2) notes to the financial statements.

Entity-wide financial statements are designed to provide readers with a broad overview of the Trust's finances in a manner similar to a private-sector business. Governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes to the financial statements can be found starting on page 9 of this report.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose:

West Florida Historic Preservation, Inc. ("WFHPI"), formerly Historic Pensacola, Inc., was organized as a not-for-profit corporation under Section 266.0018, Florida Statutes, to engage in the restoration and exhibition of historical landmarks in the vicinity of Pensacola, Florida. In 2001, Section 266.0018, Florida Statutes was repealed, at which time the legislature transferred the historic preservation responsibilities to the University of West Florida ("UWF"). On July 1, 2001, WFHPI was designated as a direct support organization of UWF under Section 267.1732, Florida Statutes, in order to assist UWF in carrying out its dual historic preservation and historic preservation education purposes and responsibilities. In November 2013, West Florida Historic Preservation, Inc. changed its name to West Florida Historic Preservation, Inc., d/b/a University of West Florida Historic Trust ("the Trust").

The general operating authority of the Trust is contained in Section 267.1732, Florida Statutes (Chapter 2001-199, Laws of Florida). The Trust operates under an operating agreement with UWF and is considered a component unit of UWF.

Expenses paid by the Trust to renovate or modify property controlled by UWF and leased by the Trust are capitalized and reflected in buildings and improvements in these financial statements. The Trust assists UWF in operating, preserving and maintaining various historical properties owned by the State of Florida and controlled by UWF. Certain expenses related to these activities are directly paid by UWF and are not included in these financial statements. Those expenses, which are not reflected in these financial statements, are as follows:

	2022	2021
Telephone	$ 10,758	$ 9,269
Operating supplies	-	232
Office equipment rental	2,582	6,034
Electricity	26,656	82,045

Insurance	13,641	13,139
Other	1,142	8,307
Totals	$ 130,180	$ 243,888

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Organization and Purpose (Continued):

Salaries of UWF employees who staff the Trust are paid directly by UWF. These in-kind salaries amounted to $1,263,999 and $1,410,367 for the years ended June 30, 2022 and 2021, respectively, and are not reflected in the books of the Trust. Additionally, UWF donates office space in the Bowden Building located at 120 Church Street in downtown Pensacola, Florida to the Trust. Management estimates the fair value of this donated office space to be $216,512 for the years ended June 30, 2022 and 2021.

In November 2013, the Trust entered into a Memorandum of Understanding ("MOU") with the University of West Florida Foundation ("UWFF"), a direct service organization of UWF, where all membership income is handled and recorded by UWFF. Membership income held by UWFF amounted to $55,714 and $51,808 as of June 30, 2022 and 2021, respectively.

Each state university board of trustees is authorized to permit the use of property, facilities, and personal services at any state university by any university direct support organization per Section 1004.28, Florida Statutes. Administrative and fiscal services, office space, and other miscellaneous support services are provided to UWF direct support organizations by UWF at no cost. No value is assigned to administrative and fiscal services in the accompanying statements of activities and governmental fund revenues, expenditures, and changes in fund balance/net position.

Pensacola Museum of Art:

On July 1, 2016, the assets of the Pensacola Museum of Art ("PMA"), an independent not-for-profit corporation, became part of UWF. On that date, UWFF was gifted a historic building, land, a fine arts collection, furniture and equipment, cash and cash equivalents, a permanent endowment, and other current assets from the dissolving entity totaling approximately $4.2 million. UWFF transferred the historic building and land to UWF and the fine arts collection, furniture and equipment, and all other assets were transferred to the Trust, with the exception of the permanent endowment. The Trust maintains a management agreement with UWF covering the preservation of historic properties for UWF. UWFF will continue to steward the endowment for purposes of the PMA, now a division of the Trust. The new PMA division has a non-governing advisory board that reports to the Trust's board of directors. Under the agreement, UWFF will handle all and record all membership income for the PMA. PMA membership income held by UWFF amounted to $33,300 and $21,825 as of June 30, 2022 and 2021, respectively.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting and Financial Statement Presentation:

These financial statements have been prepared in conformity with the accounting principles and reporting guidelines established by the Governmental Accounting Standards Board ("GASB"). The Trust utilizes the following fund type:

- General Fund, a governmental fund, is used to account for all revenues and expenditures applicable to the general operations of the Trust that are not required either legally or by accounting principles generally accepted in the United States of America ("GAAP") to be accounted for in another fund.

Government-Wide Financial Statements:

The government-wide financial statements (i.e., the statements of net position and governmental fund balance sheets and the statements of activities and governmental fund revenues, expenditures, and changes in fund balance/net position) report information on all of the activities of the Trust. Governments typically report activities as either governmental activities, which are supported by grants and other intergovernmental revenues, or business-type activities, which rely to a significant extent on fees and charges for support. The Trust reports its activities as governmental activities.

Because the Trust reports only governmental activities and only one program, it is considered to be a special-purpose government for financial reporting purposes under GAAP. As such, the government-wide financial statements are presented together with the governmental fund financial statements with an adjustment column presented to reconcile the two sets of statements.

The Trust has one governmental fund type, which is the General Fund. The General Fund is used to account for all resources and operations. Governmental funds are accounted for on a "spending" or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on the balance sheet. Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Governmental Funds:

The General Fund is accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual; that is, when they are measurable and available. Measurable means the amount of the transaction can be determined and available means collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Trust considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are generally recorded when the related liability is incurred. Primary revenues consist of charges for services, licenses, and permits. All of these revenues are susceptible to accrual.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Inventory:

Inventory consists of merchandise held for resale in the museum gift shops. Inventory is stated at lower of cost or market and is accounted for under the first-in, first-out method.

Capital Assets:

Property and equipment are recorded at cost. Donated capital assets are recorded at their estimated fair market value on the date of contribution. Expenditures which equal or exceed $5,000 that materially increase values, change capacities, or extend useful lives are capitalized. Repairs and maintenance costs are charged to operations when incurred.

Depreciation is computed using the straight-line method. Estimated useful lives of property and equipment range as follows:

Buildings and improvements	10 - 40 years
Furniture, fixtures and equipment	5 - 10 years

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Historical Properties, Antiques, and Collections:

Purchased historical properties, antiques, and collections that are held for educational and curatorial purposes are recorded at cost. Donated items are not capitalized but are recorded both as revenue and expense in the government-wide statement of activities. Whether purchased or donated, each item is cataloged, preserved, and cared for, and activities verifying their existence and assessing their condition are performed continuously.

Historical properties, antiques, and collections are acquired for purposes of preservation and display. Management considers these items to be historically significant and should be preserved perpetually. Accordingly, depreciation is not recorded for these items.

Program Revenue:

Program revenue from local governments and government grants is recorded based upon the terms of the grantor allotment which generally provides that revenue is earned when the allowable costs of the specific grant provisions have been incurred or the performance of the services has been rendered. Such revenue is subject to audit by the grantor. If the examination results in a deficiency of allowable expenses, the Trust will be required to refund any deficiencies.

Income Taxes:

The Trust is exempt from federal income taxes under Internal Revenue Service Code Section 501(c)(3). As a result, there is no provision for taxes in the accompanying financial statements.

Donated Services, Materials, and Facilities:

The Trust receives donated services from a variety of unpaid volunteers assisting in the museum and education programs. No amounts have been recognized in the accompanying statements of activities for these donated services.

As discussed previously, UWF pays certain expenses and donates office space to the Trust.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Adjustments Between Governmental Fund Balance Sheets and Statements of Net Position:

Capital assets are not financial resources and therefore are not reported in the governmental fund. Adjustment is made to include capital assets in the entity-wide statements of net position.

Designations of net position are considered to be an internal constraint on resources and, therefore, are not reported in the entity-wide statements of net position. Adjustment is made to remove designations of net position from the entity-wide statements of net position.

Adjustments Between Governmental Fund Statements of Revenue, Expenditures, and Changes in Fund Balances and Statements of Activities:

Because capital assets are not reported in the governmental fund, no depreciation is recognized in the governmental fund statements of revenues, expenditures, and changes in fund balances. Instead, capital outlays are reported as expenditures. Adjustment is made to include depreciation expense and remove capital outlays in the entity-wide statements of activities.

Recent Accounting Pronouncements:

In June 2017, the Governmental Accounting Standards Board ("GASB") issued Statement No. 87, *Leases ("GASB 87"),* which addresses accounting and financial reporting for leases by governments. This statement requires recognition of certain lease assets and liabilities for leases that are currently classified as operating leases and recognized as inflows of resources or outflows of resources. GASB 87 establishes the lessee's requirement to recognize a lease liability and an intangible right-to-use asset. GASB 87 was effective for the Trust for the year ended June 30, 2022. Adoption of GASB 87 did not have a significant impact on the Trust's financial statements.

NOTE 2 - DEPOSITS AND INVESTMENTS

The Trust's deposits and investments consist of demand deposits and certificates of deposit. The carrying amount of the Trust's deposits and investments at June 30, 2022 and 2021 was $546,736 and $301,361, respectively, and the bank balance was $629,052 and $331,956, respectively. The Trust's cash balances held by financial institutions are insured by the Federal Deposit Insurance Corporation up to certain limits.

NOTE 3 - DUE FROM UWFF/UWF

In March 2013, the Trust entered into a MOU with UWFF, where the Trust may transfer current cash assets to UWFF to invest on the Trust's behalf. These funds are invested as a Quasi-Endowment with UWFF and will be part of the overall investment pool subject to spending and investment policies of UWFF as agreed to in the MOU. The Trust's investment with UWFF amounted to $1,085,446 and $1,330,023 at June 30, 2022 and 2021, respectively.

In addition, at June 30, 2021, $50,386 was due from UWF from unused Paycheck Protection Program ("PPP") loan proceeds as stated in Note 9. During the year 2022, a transfer was made from UWF for the remaining loan proceeds, which were used for general expenses in current year. Therefore, no amount was due from UWF related to PPP proceeds at June 30, 2022.

NOTE 4 - CAPITAL ASSETS

Capital assets consist of the following:

June 30, 2022:	Beginning Balance	Increases	Decreases	Ending Balance
Historic Pensacola Village

	$ 4,509,152	$ (371,909)	$ -	$ 4,137,243

Depreciation expense was $327,359 and $430,967 for the years ended June 30, 2022 and 2021, respectively.

NOTE 5 - DEFERRED REVENUE

Rental revenue is considered earned when the event has occurred or the performance of the services has been rendered. Amounts received by the Trust in advance of the date of the event or performance of services are recorded as deferred revenue until the event has occurred or services are rendered. Total deferred revenue amounted to $98,881 and $93,548 at June 30, 2022 and 2021, respectively.

NOTE 6 - FUND BALANCE/NET POSITION

In the financial statements, fund balances/net position are classified as follows:

Nonspendable Fund Balance:

Nonspendable fund balance represents amounts that cannot be spent either because they are in a nonspendable form or because they are legally or contractually required to be maintained intact. Nonspendable fund balances as of June 30, 2022 and 2021 are presented as follows:

	2022	2021
Nonspendable -		
Inventory	$ 75,486	$ 106,480
Prepaid assets and deposits	12,608	12,141
Historical properties, antiques and collections	249,214	249,214
	$ 337,308	$ 367,835

Restricted Fund Balance / Reserved Net Position:

Restricted fund balance or reserved net position represent amounts that can be spent only for specific purposes required by law or other externally imposed conditions by grantors or creditors. Restricted fund balances/reserved net position as of June 30, 2022 and 2021 are presented as follows:

	2022	2021
Restricted -		
Old Christ Church fund	$ 140,873	$ 140,733
Kranc Property	57,500	57,500
Florida Conference AME Holding	3,116	4,196
Cemetery Projects	12,000	7,000
	$ 213,489	$ 209,429

NOTE 6 - FUND BALANCE/NET POSITION (Continued)

Assigned Fund Balance / Designated Net Position:

Assigned fund balance or designated net position represent amounts that are designated by the Board of Directors, under authorization governed in the Trust's By-Laws, for a particular purpose but not spendable until a majority vote of approval by the Board of Directors. The assigned fund balance/designated net position of $38,782 and $38,774 as of June 30, 2022 and 2021, respectively, represents the remaining cash balance in the Veal Education Fund.

PMA assigned fund balance or designated net position represents amounts that are designated by the Board of Directors but are not spendable until a majority vote of approval. In 2017, the Pensacola Museum of Art received a BP claim and the Board of Directors approved to designate these funds for future purchases of artwork and collections to be held at the museum. The assigned fund balance/designated net position of $33,966 as of June 30, 2022 and 2021, represents the remaining designated BP funds.

Use of Restricted Resources:

When an expense is incurred that can be paid using either restricted or unrestricted resources (net position), the Trust's policy is to first apply the expense toward restricted resources and then toward unrestricted resources. In governmental funds, the Trust's policy is to first apply the expenditure toward restricted fund balance and then to other, less-restrictive classifications, committed and then assigned fund balances, if any, before using unassigned fund balances.

NOTE 7 - COMMITMENTS AND CONTINGENCIES

Dependency on Government Support:

The Trust receives a substantial amount of support from UWF, and state and local government agencies. A reduction in the level of future support from these entities could have a substantial effect on the Trust's programs and activities.

UWF Agreement:

As discussed in Note 1, the Trust is committed to assist UWF under an operating agreement which extends for an indefinite term.

NOTE 7 - COMMITMENTS AND CONTINGENCIES (Continued)

Coronavirus Disease 2019:

During the year ended June 30, 2022, Coronavirus Disease 2019 ("COVID-19") continued to be a pandemic. The full impact of the COVID-19 outbreak continues to evolve as of the date of the report. As such, it is very uncertain as to the full magnitude that the pandemic will have on the Trust. Management is actively monitoring its financial condition, liquidity, operations, suppliers and industry, and workforce. Given the evolution of the COVID-19 outbreak, the Trust is not able to estimate the effects of the outbreak on its results of operations, financial condition, or liquidity.

NOTE 8 - RISK MANAGEMENT

The Trust is exposed to various levels of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The Trust is insured for these risks. There were no insurance losses related to these risks in excess of insurance coverage in any of the three prior fiscal years. The Trust is not aware of any liabilities related to these risks as of June 30, 2022.

NOTE 9 - COVID-19 RELATED INCOME

On April 27, 2021, the Trust received loan proceeds in the amount of $278,690 under the PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The PPP loan's principal and accrued interest were forgivable to the extent that the proceeds were used for eligible purposes, subject to certain limitations. The Trust transferred the loan proceeds to UWF for tracking purposes and was included in notes payable as of June 30, 2021. During the year ended June 30, 2022, the loan proceeds were used for eligible purposes, and the loan was forgiven. Accordingly, the Trust recognized $278,690 as other income during the year ended June 30, 2022.

The Trust was also awarded a grant totaling $29,254 from the Florida American Rescue Plan Cultural Grant Program ("Florida ARP") which is funded by the Florida Department of State Division of Arts and Culture and from Florida Humanities. The funds were to be used for general operating expenses for the Trust. Accordingly, the Trust recognized $29,254 as other income during the year ended June 30, 2022.

In addition, the Trust received $18,927 from the Small Business Administration to assist in general operations of the Trust. According, the Trust recognized $18,927 as other income during the year ended June 30, 2022.

d/b/a University of West Florida Historic Trust
Pensacola, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards* issued by the Comptroller General of the United States, the financial statements of West Florida Historic Preservation, Inc., d/b/a University of West Florida Historic Trust ("the Trust"), (a component unit of the University of West Florida), which comprise the statement of net position and governmental fund balance sheet as of June 30, 2022, and the related statement of activities and governmental fund revenues, expenditures, and changes in fund balance/net position for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 24, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Trust's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, we do not express an opinion on the effectiveness of the Trust's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Trust's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Directors
West Florida Historic Preservation, Inc.
d/b/a University of West Florida Historic Trust
Pensacola, Florida

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Trust's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Governmental Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Trust's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Trust's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and the entity-wide activities of West Florida Historic Preservation, Inc. d/b/a University of West Florida Historic Trust ("the Trust"), (a component unit of the University of West Florida), which collectively comprise the statements of net position and governmental fund balance sheets as of June 30, 2021 and 2020, and the related statements of activities and governmental fund revenues, expenditures, and changes in fund balance/net position for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial positions of the governmental activities and the entity-wide activities of the Trust as of June 30, 2021 and 2020, and the changes in financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3-5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 26, 2021, on our consideration of the Trust's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Trust's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021 AND 2020

The following is a narrative overview and analysis of the West Florida Historic Preservation, Inc. d/b/a University of West Florida Historic Trust's ("the Trust") significant financial activities for the fiscal year ended June 30, 2021.

Operational Highlights

- For fiscal year 2020/21 our overall site visitation was down 62% compared to the previous year. The decreased visitation has negatively impacted our earned income for the year. Overall, our lost revenue due to COVID-19 closures and restrictions amounted to approximately $345,267, which is 62% of our total budget.
- Our inability to open our museums and offer public programming has also severely diminished the visibility of our organization within the community and region which will most likely affect future revenue.
- In response to the decrease in revenue due to COVID-19 shutdowns, we cut part-time staff hours in half to help decrease expenses.
- We have also laid off five fulltime staff positions due to cuts to our state funding in January 2021. This has added to the strain on the remaining staff.
- We received $10,000 in CARES funding from the Florida Humanities Council to help cover the costs of our utilities.
- We also received $1,898 in CARES funding through the Florida Division of Cultural Affairs which will cover some general operating expenses such as utilities.
- In September of 2020 Hurricane Sally did major damage to our historic properties. Initial estimates place the cost of repairs to be $2,519,369. UWF filed a claim with the State's insurance and the state paid $2,280,112 to the university to cover the repairs. Repairs are ongoing and it is anticipated UWF's FEMA claim will cover any remaining costs.
- Due to the damage from Hurricane Sally, the Trust had to completely close its museums until early 2021, further limiting our ability to earn revenue.
- After offering only limited opening hours at the Pensacola Museum of Art and the Pensacola Museum of History since March of 2020, due to COVID-19, on July 7, 2020 we opened more of the museum but only on Tuesdays, Thursdays and Saturdays.
- The Trust applied for grants to help ease the burden on its finances placed by the pandemic and Hurricane Sally.
- We received PPP loan funding in the amount of $278,690 in April 2021.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Trust's basic financial statements. They are: 1) entity-wide and governmental fund financial statements and 2) notes to the financial statements.

Entity-wide financial statements are designed to provide readers with a broad overview of the Trust's finances in a manner similar to a private-sector business. Governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes to the financial statements can be found starting on page 8 of this report.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose:

West Florida Historic Preservation, Inc. ("WFHPI"), formerly Historic Pensacola, Inc., was organized as a not-for-profit corporation under Section 266.0018, Florida Statutes, to engage in the restoration and exhibition of historical landmarks in the vicinity of Pensacola, Florida. In 2001, Section 266.0018, Florida Statutes was repealed, at which time the legislature transferred the historic preservation responsibilities to the University of West Florida ("UWF"). On July 1, 2001, WFHPI was designated as a direct support organization of UWF under Section 267.1732, Florida Statutes, in order to assist UWF in carrying out its dual historic preservation and historic preservation education purposes and responsibilities. In November 2013, West Florida Historic Preservation, Inc. changed its name to West Florida Historic Preservation, Inc., d/b/a University of West Florida Historic Trust ("the Trust").

The general operating authority of the Trust is contained in Section 267.1732, Florida Statutes (Chapter 2001-199, Laws of Florida). The Trust operates under an operating agreement with UWF and is considered a component unit of UWF.

Expenses paid by the Trust to renovate or modify property controlled by UWF and leased by the Trust are capitalized and reflected in buildings and improvements in these financial statements. The Trust assists UWF in operating, preserving and maintaining various historical properties owned by the State of Florida and controlled by UWF. Certain expenses related to these activities are directly paid by UWF and are not included in these financial statements. Those expenses, which are not reflected in these financial statements, are as follows:

	2021	2020
Telephone	9,269	$ 8,020
Operating supplies	232	1,837
Office equipment rental	6,034	10,391

Permits	-	3,330
Other	8,307	7,973
Totals	$ 243,888	$ 342,858

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Organization and Purpose (Continued):

Salaries of UWF employees who staff the Trust are paid directly by UWF. These in-kind salaries amounted to $1,410,367 and $1,372,696 for the years ended June 30, 2021 and 2020, respectively, and are not reflected in the books of the Trust. Additionally, UWF donates office space in the Bowden Building located at 120 Church Street in downtown Pensacola, Florida to the Trust. Management estimates the fair value of this donated office space to be $216,512 and $178,304 for the years ended June 30, 2021 and 2020, respectively.

In November 2013, the Trust entered into a Memorandum of Understanding ("MOU") with the University of West Florida Foundation ("UWFF"), a direct service organization of UWF, where all membership income is handled and recorded by UWFF. Membership income held by UWFF amounted to $51,808 and $47,420 as of June 30, 2021 and 2020, respectively.

Each state university board of trustees is authorized to permit the use of property, facilities, and personal services at any state university by any university direct support organization per Section 1004.28, Florida Statutes. Administrative and fiscal services, office space, and other miscellaneous support services are provided to UWF direct support organizations by UWF at no cost. No value is assigned to administrative and fiscal services in the accompanying statements of activities and governmental fund revenues, expenditures, and changes in fund balance/net position.

Pensacola Museum of Art:

On July 1, 2016, the assets of the Pensacola Museum of Art ("PMA"), an independent not-for-profit corporation, became part of UWF. On that date, UWFF was gifted a historic building, land, a fine arts collection, furniture and equipment, cash and cash equivalents, a permanent endowment, and other current assets from the dissolving entity totaling approximately $4.2 million. UWFF transferred the historic building and land to UWF and the fine arts collection, furniture and equipment, and all other assets were transferred to the Trust, with the exception of the permanent endowment. The Trust maintains a management agreement with UWF covering the preservation of historic properties for UWF. UWFF will continue to steward the endowment for purposes of the PMA, now a division of the Trust. The new PMA division has a non-governing advisory board that reports to the Trust's board of directors. Under the agreement, UWFF will handle all and record all membership income for the PMA. PMA membership income held by UWFF amounted to $21,825 and $21,159 as of June 30, 2021 and 2020, respectively.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting and Financial Statement Presentation:

These financial statements have been prepared in conformity with the accounting principles and reporting guidelines established by the Governmental Accounting Standards Board ("GASB"). The Trust utilizes the following fund type:

- General Fund, a governmental fund, is used to account for all revenues and expenditures applicable to the general operations of the Trust that are not required either legally or by accounting principles generally accepted in the United States of America ("GAAP") to be accounted for in another fund.

Government-Wide Financial Statements:

The government-wide financial statements (i.e., the statements of net position and governmental fund balance sheets and the statements of activities and governmental fund revenues, expenditures, and changes in fund balance/net position) report information on all of the activities of the Trust. Governments typically report activities as either governmental activities, which are supported by grants and other intergovernmental revenues, or business-type activities, which rely to a significant extent on fees and charges for support. The Trust reports its activities as governmental activities.

Because the Trust reports only governmental activities and only one program, it is considered to be a special-purpose government for financial reporting purposes under GAAP. As such, the government-wide financial statements are presented together with the governmental fund financial statements with an adjustment column presented to reconcile the two sets of statements.

The Trust has one governmental fund type, which is the General Fund. The General Fund is used to account for all resources and operations. Governmental funds are accounted for on a "spending" or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on the balance sheet. Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Governmental Funds:

The General Fund is accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual; that is, when they are measurable and available. Measurable means the amount of the transaction can be determined and available means collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Trust considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are generally recorded when the related liability is incurred. Primary revenues consist of charges for services, licenses, and permits. All of these revenues are susceptible to accrual.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Inventory:

Inventory consists of merchandise held for resale in the museum gift shops. Inventory is stated at lower of cost or market and is accounted for under the first-in, first-out method.

Capital Assets:

Property and equipment are recorded at cost. Donated capital assets are recorded at their estimated fair market value on the date of contribution. Expenditures which equal or exceed $5,000 that materially increase values, change capacities, or extend useful lives are capitalized. Repairs and maintenance costs are charged to operations when incurred.

Depreciation is computed using the straight-line method. Estimated useful lives of property and equipment range as follows:

Buildings and improvements	10 - 40 years
Furniture, fixtures and equipment	5 - 10 years

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Historical Properties, Antiques, and Collections:

Purchased historical properties, antiques, and collections that are held for educational and curatorial purposes are recorded at cost. Donated items are not capitalized but are recorded both as revenue and expense in the government-wide statement of activities. Whether purchased or donated, each item is cataloged, preserved, and cared for, and activities verifying their existence and assessing their condition are performed continuously.

Historical properties, antiques, and collections are acquired for purposes of preservation and display. Management considers these items to be historically significant and should be preserved perpetually. Accordingly, depreciation is not recorded for these items.

Program Revenue:

Program revenue from local governments and government grants is recorded based upon the terms of the grantor allotment which generally provides that revenue is earned when the allowable costs of the specific grant provisions have been incurred or the performance of the services has been rendered. Such revenue is subject to audit by the grantor. If the examination results in a deficiency of allowable expenses, the Trust will be required to refund any deficiencies.

Income Taxes:

The Trust is exempt from federal income taxes under Internal Revenue Service Code Section 501(c)(3). As a result, there is no provision for taxes in the accompanying financial statements.

Donated Services, Materials, and Facilities:

The Trust receives donated services from a variety of unpaid volunteers assisting in the museum and education programs. No amounts have been recognized in the accompanying statements of activities for these donated services.

As discussed previously, UWF pays certain expenses and donates office space to the Trust.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Adjustments Between Governmental Fund Balance Sheets and Statements of Net Position:

Capital assets are not financial resources and therefore are not reported in the governmental fund. Adjustment is made to include capital assets in the entity-wide statements of net position.

Designations of net position are considered to be an internal constraint on resources and, therefore, are not reported in the entity-wide statements of net position. Adjustment is made to remove designations of net position from the entity-wide statements of net position.

Adjustments Between Governmental Fund Statements of Revenue, Expenditures, and Changes in Fund Balances and Statements of Activities:

Because capital assets are not reported in the governmental fund, no depreciation is recognized in the governmental fund statements of revenues, expenditures, and changes in fund balances. Instead, capital outlays are reported as expenditures. Adjustment is made to include depreciation expense and remove capital outlays in the entity-wide statements of activities.

Reclassifications:

Certain amounts in the 2020 financial statements have been reclassified to conform to the 2021 presentation.

NOTE 2 - DEPOSITS AND INVESTMENTS

The Trust's deposits and investments consist of demand deposits and certificates of deposit. The carrying amount of the Trust's deposits and investments at June 30, 2021 and 2020 was $301,361 and $351,427, respectively, and the bank balance was $331,956 and $375,977, respectively. The Trust's cash balances held by financial institutions are insured by the Federal Deposit Insurance Corporation up to certain limits.

NOTE 3 - DUE FROM UWFF

In March 2013, the Trust entered into a MOU with UWFF, where the Trust may transfer current cash assets to UWFF to invest on the Trust's behalf. These funds are invested as a Quasi-Endowment with UWFF and will be part of the overall investment pool subject to spending and investment policies of UWFF as agreed to in the MOU. The Trust's investment with UWFF amounted to $1,330,023 and $999,824 at June 30, 2021 and 2020, respectively. In addition, at June 30, 2021, $50,386 is due from UWFF from unused Paycheck Protection Program ("PPP") loan proceeds as stated in Note 5.

	$ 4,739,327	$ (230,175)	$ -	$ 4,509,152

Depreciation expense was $430,967 and $412,580 for the years ended June 30, 2021 and 2020, respectively.

NOTE 5 - NOTE PAYABLE

On April 27, 2021, the Trust received loan proceeds in the amount of $278,690 under the PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The PPP loan's principal and accrued interest are forgivable to the extent that the proceeds are used for eligible purposes, subject to certain limitations. The Trust transferred the loan proceeds to UWFF for tracking purposes. As of June 30, 2021, total expenditures related to the PPP proceeds amounted to $228,304 and the remaining $50,386 is recorded in the Due from UWF Foundation on the accompanying Statements of Net Position and Governmental Fund Balance Sheets.

NOTE 6 - DEFERRED REVENUE

Rental revenue is considered earned when the event has occurred or the performance of the services has been rendered. Amounts received by the Trust in advance of the date of the event or performance of services are recorded as deferred revenue until the event has occurred or services are rendered. Total deferred revenue amounted to $93,548 and $83,531 at June 30, 2021 and 2020, respectively.

NOTE 7 - FUND BALANCE/NET POSITION

In the financial statements, fund balances/net position are classified as follows:

Nonspendable Fund Balance:

Nonspendable fund balance represents amounts that cannot be spent either because they are in a nonspendable form or because they are legally or contractually required to be maintained intact. Nonspendable fund balances as of June 30, 2021 and 2020 are presented as follows:

	2021	2020
Nonspendable -		
Inventory	$ 106,480	$ 109,824
Prepaid assets and deposits	12,141	11,891
Historical properties, antiques and collections	249,214	239,750
	$ 367,835	$ 361,465

Restricted Fund Balance / Reserved Net Position:

Restricted fund balance or reserved net position represent amounts that can be spent only for specific purposes required by law or other externally imposed conditions by grantors or creditors. Restricted fund balances/reserved net position as of June 30, 2021 and 2020 are presented as follows:

	2021	2020
Restricted -		
Old Christ Church fund	$ 140,733	$ 140,592
Kranc Property	57,500	57,500
Florida Conference AME Holding	4,196	3,196
Cemetery Projects	7,000	-
	$ 209,429	$ 201,288

NOTE 7 - FUND BALANCE/NET POSITION (Continued)

Assigned Fund Balance / Designated Net Position:

Assigned fund balance or designated net position represent amounts that are designated by the Board of Directors, under authorization governed in the Trust's By-Laws, for a particular purpose but not spendable until a majority vote of approval by the Board of Directors. The assigned fund balance/designated net position of $38,774 and $38,697 as of June 30, 2021 and 2020, respectively, represents the remaining cash balance in the Veal Education Fund.

PMA assigned fund balance or designated net position represents amounts that are designated by the Board of Directors but are not spendable until a majority vote of approval. In 2017, the Pensacola Museum of Art received a BP claim and the Board of Directors approved to designate these funds for future purchases of art work and collections to be held at the museum. The assigned fund balance/designated net position of $33,966 and $68,302 as of June 30, 2021 and 2020, respectively, represents the remaining designated BP funds.

Use of Restricted Resources:

When an expense is incurred that can be paid using either restricted or unrestricted resources (net position), the Trust's policy is to first apply the expense toward restricted resources and then toward unrestricted resources. In governmental funds, the Trust's policy is to first apply the expenditure toward restricted fund balance and then to other, less-restrictive classifications, committed and then assigned fund balances, if any, before using unassigned fund balances.

NOTE 8 - COMMITMENTS AND CONTINGENCIES

Dependency on Government Support:

The Trust receives a substantial amount of support from UWF, and state and local government agencies. A reduction in the level of future support from these entities could have a substantial effect on the Trust's programs and activities.

UWF Agreement:

As discussed in Note 1, the Trust is committed to assist UWF under an operating agreement which extends for an indefinite term.

NOTE 8 - COMMITMENTS AND CONTINGENCIES (Continued)

Coronavirus Disease 2019:

During the year ended June 30, 2021, Coronavirus Disease 2019 ("COVID-19") became a pandemic. The full impact of the COVID-19 outbreak continues to evolve as of the date of the report. As such, it is very uncertain as to the full magnitude that the pandemic will have on the Trust. Management is actively monitoring its financial condition, liquidity, operations, suppliers and industry, and workforce. Given the evolution of the COVID-19 outbreak, the Trust is not able to estimate the effects of the outbreak on its results of operations, financial condition, or liquidity.

NOTE 9 - RISK MANAGEMENT

The Trust is exposed to various levels of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The Trust is insured for these risks. There were no insurance losses related to these risks in excess of insurance coverage in any of the three prior fiscal years. The Trust is not aware of any liabilities related to these risks as of June 30, 2021.

OTHER REPORTS

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
West Florida Historic Preservation, Inc.
d/b/a University of West Florida Historic Trust
Pensacola, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards* issued by the Comptroller General of the United States, the financial statements of West Florida Historic Preservation, Inc., d/b/a University of West Florida Historic Trust ("the Trust"), (a component unit of the University of West Florida), which comprise the statement of net position and governmental fund balance sheet as of June 30, 2021, and the related statement of activities and governmental fund revenues, expenditures, and changes in fund balance/net position for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 26, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Trust's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, we do not express an opinion on the effectiveness of the Trust's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Trust's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Directors
West Florida Historic Preservation, Inc.
d/b/a University of West Florida Historic Trust
Pensacola, Florida

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Trust's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Governmental Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Trust's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Trust's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

TO: Community Partners
RE: Requests for funding for Fiscal Year (FY) 2025

Dear Potential Funding Recipient:

Attached please find the Escambia County Community Partner Funding Request Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 1, 2024.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is appreciated. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is **an application check list** to ensure all required documents are submitted. Please check each box to confirm all required documents are included with your new funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,

Stephan Hall

FISCAL YEAR 2025

ESCAMBIA COUNTY
AGENCY FUNDING REQUEST APPLICATION

All agencies requesting funding from Escambia County must submit the below-listed information and complete the attached form. Failure to submit all required information or to complete the form will remove your organization from consideration for funding. Please submit the completed application packet electronically to **Budget@myescambia.com**.

DEADLINE - Monday, April 1, 2024

ELIGIBILITY CRITERIA:

Organizations eligible to apply for funding must:

- Demonstrate funding received from sources other than local governments in an amount at least equal to the amount requested from Escambia County.
- Tax-exempt under Section 501(c)(3) of the Internal Revenue Code, independent of a financial sponsor (local affiliates may apply under the 501(c)(3) of the national organization).
- Located in and serve residents of Escambia County.
- Provide at least 3 full years (36 months) of independently prepared, audited or reviewed financial statements or tax returns, unless organization was formed within the last 3 years.
- Not a recipient of Community Partner funding for more than 3 fiscal years unless the organization serves a government purpose OR for years 4 and beyond, funding must reduce at rate of at least 5% per year.
- The Board of County Commissioners retains the right to waive the eligibility criteria.

APPLICANTS SHOULD:

- Explain why receiving funding would have an especially significant impact on their organization.
- Have a mission and programs or services that serves a governmental program or citizen focused mission.
- Submit a proposed budget where government funding does not exceed 50% of annual operating budget unless in first 3 years of operation or mandated by statutory or another regulatory requirement.
- Plan to expend funds within 12 months.

Funds may be provided for programs, services, necessary infrastructure or other initiatives that support the organization's core mission. **Funds will not be provided for:**

- debt reduction, operating deficits, interim or bridge funding or endowment funding,
- individuals or private foundations,
- activities that are religious or political in nature,
- fund drives, annual appeals, fundraising events or general capital campaigns, and
- salaries that do not directly impact the program unless mandated by statutory or regulatory requirement.

When submitting your completed application with all required documents, provide your documents in original Word format or a direct PDF of the Word document. **Please limit scanned documents as much as possible.**

GENERAL INFORMATION

Agency Name: Center for Independent Living of Northwest Florida, Inc.

Agency Address: 21 South Tarragona Street, Suite 101, Pensacola, FL 32502

Program Name for which funding is being requested: Employment Program for People with Disabilties

Amount Requested: $60,000

Program Contact: Carolyn Grawi

Contact Email: carolyn@cilnwf.org Contact Phone: (850) 595-5566

25- Word Description of Program: This program will provide employment training services to adults and youth with disabilities.

How many years has your organization been providing services in the County? 44

How many years has your organization received funding from the County? 4

Explain how receiving funds from the County would have a significant impact on your organization: It allows us to conduct employment services for youth and adults for their success and independence. Employment readiness and economic opportunity in Escambia County furthers both our organization and Escambia County's goals for success.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: $30,000 allocated

Briefly discuss how last year's funds were used? The funding for the 2023-2024 us being used to operate the Youth Transition program.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County? We anticipated being able to reach individuals and conduct the program on a larger scale, however the community agencies that could potentially make referrals have not done so. CILNWF has been very diligent in not utilizing the funds unnecessarily and will continue to be transparent in the utilization of the funding to meet programmatic needs.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? Adults and youth with disabilities will be trained to prepare for employment. Training will include resume building, soft skills training, disability disclosure and requests for reasonable accommodations. Adults and youth with disabilities who gain these valuable skills are less likely to depend on public benefits as a means of support. The outcomes will lead to better utilization of public dollars.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: Youth transition is an unfunded federal requirement for Centers for Independent Living. People with disabilities having economic self-sufficiency is vital for the community.

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area We are a vendor under contract with Vocational Rehabilitation to provide Employment Training Services for adults and youth with disabilities.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. The Center if run BY and FOR people with disabilities. As peers, we are uniquely qualified to assist people with disabilities with developing their abilities and help them gain confidence, as well as make sure they are aware of, educated about and given the tools to navigate their rights as it relates to employment.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 10 %
- Percentage for direct programming costs: 90 %

If Escambia County funding can only fund a portion of your request, how will you offset the difference? We will have to rework our budget to run a smaller program.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: While not officially a match, we are continually seeking additional funding from other sources to create a program that reaches a maximum number of participants. The current request will only pay for one position and some base program funding to support growth of employment services from CILNWF to Escambia County.

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. No duplication. We have recently requested $10,000 from United Way of West Florida and $20,000 from Sunday's Child to support our durable medical equipment program.

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY22	FY23	FY24	% Change
1. Number of individuals who completed pre-employment training	2	2	20 projected	%
2.				%
3.				%

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	FY25
1. This program will strive to provide pre-employment training to 10 individuals with disabilities so they can gain the necessary skills and increase their opportunities to become gainfully employed.	20
2.	
3.	

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in previous fiscal year."

Baseline for Goals	FY25
1. The planned number of individuals who successfully complete the pre-emploment training program.	20 projected
2.	
3.	

BUDGET

Please fill out the requested information in its entirety for the program for which you are requesting funding. It is not necessary to fill out information for the agency as a whole; only for the program for which funding is requested. If this is a new program, you are not required to complete the information for the previous budget year. Please add any additional income or expense sources to the table as necessary to complete your budget application. **Please round figures to the nearest whole dollar.**

ECONOMIC DEVELOPMENT AGENCIES

If you are an economic development agency, please complete the below supplemental questions. If you are not an economic development agency, please mark N/A: _____

1. What is your agency's Strategic Plan? It is our purpose to encourage, motivate, train and guide consumers to achieve the highest level of independence possible that they choose. It is fundamental to the Independent Living philosophy. It is important that people with disabilities have a foundation to improve quality of life, decreasing the potential for poverty, by teaching independent living and employment skills.

2. How many jobs were created this year over last year by zip code? na

3. What is the net cost per job created? na

ADDITIONAL QUESTIONS (Economic Development)

1. What was done by your agency to address the "Pockets of Poverty"? _____ _____
   This program does not cover an entire population. We are working with one person at a time. When a person in our program becomes gainfully employed, we have given them the opportunity to address their own economic well-being. This program does not erase societal pockets poverty as a whole.

2. Did your agency receive any grants? List the amount and a detailed use of the funds.
   Our agency receives annual contracts/grants from the U.S. Department of Health and Human Resources, Florida Department of Education-Division of Vocational Rehabilitation and the Florida Alliance for Assistive Services and Technology to conduct Centers for Independent Living Programs and services.

3. Was there any increase in membership for the local chambers? _____
   CILNWF is a member of Pensacola Area, Gulf Coast Minority and Perdido Key Chambers of Commerce.

4. What are your agency's statistics on business creation and minority businesses by zip code? na

5. Can we reduce the taxpayer subsidy? ___ Yes, providing citizens with the skills and abilities to lead an independent life reduces and/or eliminates their reliance on taxpayer subsidies.

I hereby certify that the information provided above is a true and correct statement relating to the organization requesting funding named above.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,

2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Partnership, C Corporation, or S Corporation. Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA) name" on the "Business name/disregarded entity name" line.

Disregarded entity. Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income will be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a domestic owner, the domestic owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, you must complete an appropriate Form W-8.

Note. Check the appropriate box for the federal tax classification of the person whose name is entered on the "Name" line (Individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

Limited Liability Company (LLC). If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the tax classification in the space provided. If you are an LLC that is treated as a partnership for federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8832 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/ disregarded entity name" line.

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the "Business name/ disregarded entity name," sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

2. The United States or any of its agencies or instrumentalities,

3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or

5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,

7. A foreign central bank of issue,

8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,

9. A futures commission merchant registered with the Commodity Futures Trading Commission,

10. A real estate investment trust,

11. An entity registered at all times during the tax year under the Investment Company Act of 1940,

12. A common trust fund operated by a bank under section 584(a),

13. A financial institution,

14. A middleman known in the investment community as a nominee or custodian, or

15. A trust exempt from tax under section 664 or described in section 4947.

The following chart shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 5 and 7 through 13. Also, C corporations.
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over $600 required to be reported and direct sales over $5,000 [1]	Generally, exempt payees 1 through 7 [2]

[1] See Form 1099-MISC, Miscellaneous Income, and its instructions.

[2] However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at *www.ssa.gov*. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses* and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: *A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, below, and items 4 and 5 on page 4 indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see *Exempt Payee* on page 3.

Signature requirements. Complete the certification as indicated in items 1 through 3, below, and items 4 and 5 on page 4.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

What Name and Number To Give the Requester

[1] List first and circle the name of the person whose number you furnish. If only one person on a joint account has an SSN, that person's number must be furnished.

[2] Circle the minor's name and furnish the minor's SSN.

[3] You must show your individual name and you may also enter your business or "DBA" name on the "Business name/disregarded entity" name line. You may use either your SSN or EIN (if you have one), but the IRS encourages you to use your SSN.

[4] List first and circle the name of the trust, estate, or pension trust. (Do not furnish the TIN of the personal representative or trustee unless the legal entity itself is not designated in the account title.) Also see *Special rules for partnerships* on page 1.

***Note.** Grantor also must provide a Form W-9 to trustee of trust.

Note. If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to *phishing@irs.gov.* You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: *spam@uce.gov* or contact them at *www.ftc.gov/idtheft* or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 170(b)(1)(A)(vi) & 509(a)(1).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. Also, you should inform us of all changes in your name or address.

Generally, you are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. If you have paid FICA taxes without filing the waiver, you should contact us. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

The box checked in the heading of this letter shows whether you must file Form 990, Return of Organization Exempt from Income tax. If Yes is checked, you are required to file Form 990 only if your gross receipts each year are normally more than $10,000. If a return is required, it must be filed by the 15th day of of the fifth month after the end of your annual accounting period. The law imposes a penalty of $10 a day, up to a maximum of $5,000, when a return is filed late, unless there is reasonable caus[illegible] the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees.

If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Michael J. Murphy

District Director

Subject: Preparation of 2022 Tax Returns

Center For Independent Living Of NW FL Inc:

Thank you for choosing Kim K. Enikeieff, CPA to assist with the 2022 taxes for Center For Independent Living Of NW FL Inc. This letter confirms the terms of the engagement and outlines the nature and extent of the services we will provide.

We will prepare the 2022 federal and state income tax returns for Center For Independent Living Of NW FL Inc. We will depend on management to provide the information we need to prepare complete and accurate returns. We may ask management to clarify some items but will not audit or otherwise verify the data submitted.

We will perform accounting services only as needed to prepare the tax returns. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for management to clarify some of the information submitted. We will inform management of any material errors, fraud, or other illegal acts we discover.

The law imposes penalties when taxpayers underestimate their tax liability. Call us if there are any concerns about such penalties.

Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on the behalf of Center For Independent Living Of NW FL Inc, the alternative selected by management.

Our fee is based on the time required at standard billing rates plus out-of-pocket expenses. Invoices are due and payable upon presentation. All accounts not paid within thirty (30) days are subject to interest charges to the extent permitted by state law.

We will return the original records to management at the end of this engagement. Store these records, along with all supporting documents, in a secure location. We retain copies of your records and our work papers from your engagement for up to seven years, after which these documents will be destroyed.

If management has not selected to e-file the returns with our office, management will be solely responsible to file the returns with the appropriate taxing authorities. The tax matters representative should review all tax-return documents carefully before signing them. Our engagement to prepare the 2022 tax returns will conclude with the delivery of the completed returns to management, or with e-filed returns, with the tax matters representative's signature and our subsequent submittal of the tax return.

To affirm that this letter correctly summarizes the arrangements for this work, sign the enclosed copy of this letter in the space indicated and return it to us in the envelope provided.

Thank you for the opportunity to be of service. For further assistance with your tax return needs, contact our office at (251)591-1357.

Sincerely,

Kim K. Enikeieff

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Center for Independent Living of Northwest Florida, Inc.
Pensacola, Florida

Report on the Audit of the Financial Statements

Opinion

I have audited the accompanying financial statements of Center for Independent Living of Northwest Florida, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Center for Independent Living of Northwest Florida, Inc. as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Center for Independent Living of Northwest Florida, Inc. and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Independent Living of Northwest Florida, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance

and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Independent Living of Northwest Florida, Inc.'s ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued my report dated March 17, 2023, on my consideration of Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

Organization

The Center for Independent Living of Northwest Florida, Inc. (the "Organization") was incorporated in 1982. The Organization promotes, educates, facilitates, assists and advocates with and on behalf of people with disabilities, in partnership with their communities, to achieve their goals of independence. Funding is provided primarily by federal grants from the U.S. Department of Health and Human Services and the Social Security Administration received either directly or as pass-through grants through the State of Florida Departments of Education and Labor and Employment Security.

Summary of Significant Accounting Policies

Method of accounting

The financial statements of the Organization have been prepared utilizing the accrual basis of accounting.

Cash and cash equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with initial maturity of three months or less to be cash equivalents.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

The Organization values its financial assets and liabilities based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value hierarchy that prioritizes the inputs to valuation techniques is used to measure fair value. The hierarchy maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. The hierarchy is broken down into the following three levels, based on the reliability of the inputs:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that are observable at the measurement date;

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data; and

Level 3: Significant unobservable inputs for the asset or liability that reflect the reporting organization's own estimates about the assumptions that market participants would use in pricing the asset or liability.

Promises to give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the year in which the contributions are recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Summary of Significant Accounting Policies (continued)

Accounts and grants receivable

All accounts and grants receivable are from federal, state, and local governmental agencies and are considered to be fully collectible. Accordingly, no allowance for doubtful accounts is considered necessary.

Property and equipment

Property and equipment are recorded at cost or, if donated, at the fair value at the date of donation. Property and equipment are depreciated over estimated useful lives using the straight-line method of depreciation. The Organization's policy is to capitalize capital acquisitions costing $1,000 or more. Depreciation expense was $17,274 and $18,058 in 2022 and 2021, respectively.

Income taxes

Income taxes are not provided for in the financial statements since the Organization is exempt from federal and state income taxes under section 501 (c)(3) of the Internal Revenue Code and similar state provisions. The Organization is not classified as a private foundation.

A policy for accounting for uncertainty in income taxes was adopted in prior years that require the Organization to determine whether it is more likely than not that a tax position will be sustained upon examination based on the technical merits of the position. The Organization has no uncertain tax positions that qualified for either recognition or disclosure in the financial statements at December 31, 2022 or December 31, 2021.

Grant and cooperative agreements

The Organization receives grants and contracts from federal and state agencies, as well as from private organizations, to be used for specific programs. The Organization's costs incurred under its government grants and contracts are subject to audit by government agencies. Management believes that disallowance of costs, if any, would not be material to the financial position or changes in net assets of the Organization.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributed materials and services

Donated materials or equipment, when received, are reflected as contributions in the accompanying financial statements at their estimated fair market values at the date of receipt. No amounts have been reflected in the statements for donated services as no objective basis is available to measure the value of such services. Nevertheless, a substantial number of volunteers donated significant amounts of their time in the Organization's program services.

Contributions

Contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions depending on the existence or nature of any restrictions.

Significant Accounting Policies (continued)

Cost allocation

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include compensation and benefits, which are allocated on the basis of estimates of time and effort, as well as depreciation, occupancy and telephone costs which are allocated based on the ratio of program revenue to total revenue.

Comparative amounts

The financial statements include certain prior-year summarized comparative information in total but not by net asset class or functional expense category. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2021, from which the summarized information was derived.

Adoption of new lease standard

Effective January 1, 2022, the Organization adopted Accounting Standards Update (ASU) 2016-02, *Leases* (ASC Topic 842) and subsequent amendments. ASC 842 affects all organizations that enter into lease arrangements, with certain exclusions under limited scope limitations. Under ASU 2016-02, an entity recognizes right-of-use assets and lease obligations on its statement of financial position for all leases with a lease term of more than 12 months. Short-term rentals under year-to-year leases or remaining lease terms of 12 months or less are exempt from being capitalized.

In adopting the new lease standard, the Organization elected to use a transition method under which existing leases were measured and capitalized as of the date of adoption, January 1, 2022, in lieu of applying the standard retrospectively to January 1, 2021. Consequently, the 2021 financial statements and disclosures do not reflect the effects of implementing the new lease standard.

Additionally, as part of the implementation, the Organization elected to use a package of optional practical expedients which permit the Organization to avoid reassessing previous lease identifications within contracts, the existence of initial direct costs, and the lease classifications of any expired and existing leases. Moreover, in accordance with the expedients, all leases classified as operating leases under previous U.S. GAAP are automatically classified as operating leases under the new standard, and all leases previously classified as capital leases are recorded as finance leases.

Leases recognized under the new standard include leases that were not capitalized under U.S. Generally Accepted Accounting Principles (U.S. GAAP), as well as certain other leases that were capitalized based on different GAAP criteria.

On October 1, 2022 the Organization recorded in its October 1, 2022 statement of financial position a right-of-use asset and lease obligation for operating leases in the amount of $344,982.

Lease policies

The new standard requires that leases with a lease term of more than 12 months be classified as either finance or operating leases. Leases are classified as finance leases when the Organization expects to consume a major part of the economic benefits of the leased assets over the remaining lease term. Conversely, the Organization is not expected to consume a major part of the economic benefits of assets classified as operating leases. The lease classification effects both the pattern and presentation of expense recognized in the statement of activities, the categorization of assets and liabilities in the statement of financial position, and classification of cash flows in the statement of cash flows.

Significant Accounting Policies (continued)

Lease policies (continued)

The Organization has made a policy election not to capitalize certain short-term leases with a lease term of 12 months or less.

For finance leases, total lease cost is recorded on an accelerated basis and consists of two components; amortization expense and the related write-off of right-of-use assets, and interest expense from lease obligations. Interest expense is recorded using the effective interest method and right-of use assets are amortized on a straight -line basis over the remaining lease term. For operating leases, total lease cost is measured and recorded on a straight-line basis over the lease term.

Non-lease components, such as common area maintenance (CAM) charges, are separated from lease components based on the terms of the related lease. Variable lease components consist of real estate taxes and insurance charges related to the real estate lease, and are recorded as lease expense as incurred.

Lease obligations are measured and recorded at the present value of future lease payments using a discount rate. Because the Organization generally does not have access to the rate implicit in each lease, lease obligations are measured using the incremental borrowing rate as the discount rate. The incremental borrowing rate is the rate that would be paid to borrow on a collateralized basis over a similar term and amount equal to the lease payments in a similar economic environment.

The Organization uses a portfolio approach to apply a single incremental borrowing rate of 4% to its equipment leases, real estate leases and finance leases.

Right-of-use assets are generally measured and recorded as the sum of the lease obligation, any initial direct costs to consummate the lease, and any lease payments made on or before the commencement date.

No additional leases were capitalized in 2022.

The Organization has evaluated subsequent events through March 17, 2023, the date which the financial statements were available to be issued.

Leases

Amounts recognized as right-of-use assets related to operating leases are included in property, plant and equipment in the statement of financial position, while related lease liabilities are included in the current and long-term debt.

As of December 31, 2022 right-of-use assets and lease liabilities related to operating leases were as follows:

Right-of use assets:

	Operating Lease
Cost	$ 344,982
Less: accumulated amortization	(17,257)
Total	$ 327,725

Lease liabilities:

	Operating Lease
Current portion	$ 112,086
Long-term portion	215,639
Total	$ 327,725

The Organization leases office space from a third party. The terms of the lease provide for annual base rent payments over three years in amounts ranging from $124,224 to $131,988 through 2025, with renewal options. In addition to base rent, the Organization pays a percentage of common area maintenance (CAM) charges, and real estate taxes and insurance. In the statement of functional expenses, CAM charges are classified as repairs and maintenance expense.

In the normal course of business, the Organization leases storage space as needed on a short-term basis, typically on an annual lease or a month-to-month basis. In 2022, short-term lease expense was $2,088.

The Organization leases certain equipment under monthly operating leases. The amount reported in rent expense was $5,688 for the year ended December 31, 2022.

Leases (continued)

Maturity analysis and reconciliation to the statement of financial position:

A summary of the future payments for operating leases reconciled to the lease liability recorded at December 31, 2022 follows:

	Operating Lease

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Center for Independent Living of Northwest Florida, Inc.
Pensacola, Florida

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Center for Independent Living of Northwest Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated March 17, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control. Accordingly, I do not express an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Center for Independent Living of Northwest Florida, Inc.'s financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Center for Independent Living of Northwest Florida, Inc.
Pensacola, Florida

Report on the Audit of the Financial Statements

Opinion

I have audited the accompanying financial statements of Center for Independent Living of Northwest Florida, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Center for Independent Living of Northwest Florida, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Center for Independent Living of Northwest Florida, Inc. and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Independent Living of Northwest Florida, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Independent Living of Northwest Florida, Inc.'s ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued my report dated May 24, 2022, on my consideration of Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

Organization

The Center for Independent Living of Northwest Florida, Inc. (the "Organization") was incorporated in 1982. The Organization promotes, educates, facilitates, assists and advocates with and on behalf of people with disabilities, in partnership with their communities, to achieve their goals of independence. Funding is provided primarily by federal grants from the U.S. Department of Health and Human Services and the Social Security Administration received either directly or as pass-through grants through the State of Florida Departments of Education and Labor and Employment Security.

Summary of Significant Accounting Policies

Method of accounting

The financial statements of the Organization have been prepared utilizing the accrual basis of accounting.

Cash and cash equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with initial maturity of three months or less to be cash equivalents.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

The Organization values its financial assets and liabilities based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value hierarchy that prioritizes the inputs to valuation techniques is used to measure fair value. The hierarchy maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. The hierarchy is broken down into the following three levels, based on the reliability of the inputs:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that are observable at the measurement date;

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data; and

Level 3: Significant unobservable inputs for the asset or liability that reflect the reporting organization's own estimates about the assumptions that market participants would use in pricing the asset or liability.

Promises to give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the year in which the contributions are recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assts with donor restrictions are reclassified to net assets without donor restrictions.

Summary of Significant Accounting Policies (continued)

Accounts and grants receivable

All accounts and grants receivable are from federal, state, and local governmental agencies and are considered to be fully collectible. Accordingly, no allowance for doubtful accounts is considered necessary.

Property and equipment

Property and equipment are recorded at cost or, if donated, at the fair value at the date of donation. Property and equipment are depreciated over estimated useful lives using the straight-line method of depreciation. The Organization's policy is to capitalize capital acquisitions costing $1,000 or more. Depreciation expense was $18,058 and $18,116 in 2021 and 2020, respectively.

Income taxes

Income taxes are not provided for in the financial statements since the Organization is exempt from federal and state income taxes under section 501 (c)(3) of the Internal Revenue Code and similar state provisions. The Organization is not classified as a private foundation.

A policy for accounting for uncertainty in income taxes was adopted in prior years that require the Organization to determine whether it is more likely than not that a tax position will be sustained upon examination based on the technical merits of the position. The Organization has no uncertain tax positions that qualified for either recognition or disclosure in the financial statements at December 31, 2021 or December 31, 2020.

Grant and cooperative agreements

The Organization receives grants and contracts from federal and state agencies, as well as from private organizations, to be used for specific programs. The Organization's costs incurred under its government grants and contracts are subject to audit by government agencies. Management believes that disallowance of costs, if any, would not be material to the financial position or changes in net assets of the Organization.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributed materials and services

Donated materials or equipment, when received, are reflected as contributions in the accompanying financial statements at their estimated fair market values at the date of receipt. No amounts have been reflected in the statements for donated services as no objective basis is available to measure the value of such services. Nevertheless, a substantial number of volunteers donated significant amounts of their time in the Organization's program services.

Contributions

Contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions depending on the existence or nature of any restrictions.

Significant Accounting Policies (continued)

Cost allocation

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include compensation and benefits, which are allocated on the basis of estimates of time and effort, as well as depreciation, occupancy and telephone costs which are allocated based on the ratio of program revenue to total revenue.

Comparative amounts

The financial statements include certain prior-year summarized comparative information in total but not by net asset class or functional expense category. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2020, from which the summarized information was derived.

Evaluation of subsequent events

The Organization has evaluated subsequent events through May 24, 2022, the date which the financial statements were available to be issued.

One to five years	-	-
Gross unconditional promises to give	$ 6,350	$ 1,708

The discount on the long-term promises to give to determine the net present value was not significant.

Grants Receivable

Grants receivable are recorded by the Organization when the related services are performed and consist of amounts due from federal and state agencies. The amounts were as follows:

	2021	2020
U.S. Department of Health and Human Services	$ 41,969	$ 38,388
State of Florida Department of Education	48,767	82,339
Florida Alliance for Assistive Services and Technology, Inc.	6,910	9,885
Total	$ 97,646	$ 130,612

Federal Financial Assistance

The Organization has been awarded a grant from the U.S. Department of Health and Human Services passed through the Florida Department of Education to provide to individuals with disabilities short term device loans, device demonstrations, and training. The grant is recognized as the required services are performed. Accordingly, revenue is recognized when earned and expenses are recognized as incurred.

The Organization received a Paycheck Protection Program Promissory Note through a bank which was issued by the Small Business Administration on April 20, 2020 in the amount of $86,000. Under the Cares Act, the Organization has the opportunity to have the loan forgiven if certain compliance requirements are met for a period greater than eight-weeks but less than 24 weeks following the date of the loan. The loan requires no collateral, can be deferred for six months, has an interest rate of 1% and will mature in two years. The Organization believes it is in compliance with all requirements to have the loan forgiven and as such has accounted for the loan as a conditional contribution. The loan was forgiven on March 26, 2021.

Federal Financial Assistance (continued)

Grant activity for the years ended December 31, 2021 and 2020, was as follows:

	2021	2020
Refundable advances, beginning of year	$ 10,000	$ 8,120
Grant receipts	84,524	186,322
Grant expenses	84,524	184,442
Refundable advances, end of year	$ 10,000	$ 10,000

Governing Board Designations

Center for Independent Living of Northwest Florida, Inc.'s governing board has designated, from net assets without donor restrictions of $825,905 and $756,870 as of December 31, 2021 and 2020, respectively, net assets for the following purposes as of December 31:

	2021	2020
Liquidity reserve	$ 170,000	$ 170,000
Total	$ 170,000	$ 170,000

Liquidity and Availability of Financial Assets

The following reflects the Organization's financial assets as of the balance sheet date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the balance sheet date.

	2021	2020
Financial assets at year-end	$ 760,006	$ 686,146
Less those unavailable for general expenditures within one year, due to:		
Board designations: liquidity reserve	170,000	170,000
Financial assets available to meet cash needs for general expenditures within one year	$ 590,006	$ 516,146

Deferred Revenue

Revenue from various grants and other sources are deferred and recognized as amounts are earned.

	2021	2020
State of Florida Department of Transportation	$ 882	$ 1,954
Total	$ 882	$ 1,954

Operating Leases

The Organization leases certain equipment and storage space under monthly operating leases. The amount reported in rent expense was $8,301 and $10,015 for the years ended December 31, 2021 and 2020, respectively.

Concentration of Credit Risk

Services provided by the Organization are funded primarily with grants from the United States Department of Health and Human Services and the Social Security Administration passed through the Florida Departments of Education and Labor and Employment Security. The Organization's ability to continue to provide the same level of services is dependent on continued funding from these sources.

Risks and Uncertainties

In March 2020, the World Health Organization ("WHO") declared the coronavirus (COVID 19), a global pandemic and public health emergency. The WHO has recommended containment and mitigation measures worldwide and domestically, self-isolation and shelter-in-place requirements have been or are being put in place.

At this point, the Organization cannot reasonably estimate the length or severity of this pandemic, or the extent to which this disruption may impact the Organization's financial statements and future results of operations. The Organization will continue to monitor and evaluate the nature and extent of the impact on our ongoing activities and the potential effect on future contributions or funding and expenses, financial condition and liquidity.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Center for Independent Living of Northwest Florida, Inc.
Pensacola, Florida

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Center for Independent Living of Northwest Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated May 24, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control. Accordingly, I do not express an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Center for Independent Living of Northwest Florida, Inc.'s financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Center for Independent Living of Northwest Florida, Inc.
Pensacola, Florida

Report on the Audit of the Financial Statements

Opinion

I have audited the accompanying financial statements of Center for Independent Living of Northwest Florida, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Center for Independent Living of Northwest Florida, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Center for Independent Living of Northwest Florida, Inc. and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Independent Living of Northwest Florida, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Independent Living of Northwest Florida, Inc.'s ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued my report dated May 24, 2022, on my consideration of Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

Organization

The Center for Independent Living of Northwest Florida, Inc. (the "Organization") was incorporated in 1982. The Organization promotes, educates, facilitates, assists and advocates with and on behalf of people with disabilities, in partnership with their communities, to achieve their goals of independence. Funding is provided primarily by federal grants from the U.S. Department of Health and Human Services and the Social Security Administration received either directly or as pass-through grants through the State of Florida Departments of Education and Labor and Employment Security.

Summary of Significant Accounting Policies

Method of accounting

The financial statements of the Organization have been prepared utilizing the accrual basis of accounting.

Cash and cash equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with initial maturity of three months or less to be cash equivalents.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

The Organization values its financial assets and liabilities based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value hierarchy that prioritizes the inputs to valuation techniques is used to measure fair value. The hierarchy maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. The hierarchy is broken down into the following three levels, based on the reliability of the inputs:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that are observable at the measurement date;

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data; and

Level 3: Significant unobservable inputs for the asset or liability that reflect the reporting organization's own estimates about the assumptions that market participants would use in pricing the asset or liability.

Promises to give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the year in which the contributions are recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assts with donor restrictions are reclassified to net assets without donor restrictions.

Summary of Significant Accounting Policies (continued)

Accounts and grants receivable

All accounts and grants receivable are from federal, state, and local governmental agencies and are considered to be fully collectible. Accordingly, no allowance for doubtful accounts is considered necessary.

Property and equipment

Property and equipment are recorded at cost or, if donated, at the fair value at the date of donation. Property and equipment are depreciated over estimated useful lives using the straight-line method of depreciation. The Organization's policy is to capitalize capital acquisitions costing $1,000 or more. Depreciation expense was $18,058 and $18,116 in 2021 and 2020, respectively.

Income taxes

Income taxes are not provided for in the financial statements since the Organization is exempt from federal and state income taxes under section 501 (c)(3) of the Internal Revenue Code and similar state provisions. The Organization is not classified as a private foundation.

A policy for accounting for uncertainty in income taxes was adopted in prior years that require the Organization to determine whether it is more likely than not that a tax position will be sustained upon examination based on the technical merits of the position. The Organization has no uncertain tax positions that qualified for either recognition or disclosure in the financial statements at December 31, 2021 or December 31, 2020.

Grant and cooperative agreements

The Organization receives grants and contracts from federal and state agencies, as well as from private organizations, to be used for specific programs. The Organization's costs incurred under its government grants and contracts are subject to audit by government agencies. Management believes that disallowance of costs, if any, would not be material to the financial position or changes in net assets of the Organization.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributed materials and services

Donated materials or equipment, when received, are reflected as contributions in the accompanying financial statements at their estimated fair market values at the date of receipt. No amounts have been reflected in the statements for donated services as no objective basis is available to measure the value of such services. Nevertheless, a substantial number of volunteers donated significant amounts of their time in the Organization's program services.

Contributions

Contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions depending on the existence or nature of any restrictions.

Significant Accounting Policies (continued)

Cost allocation

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include compensation and benefits, which are allocated on the basis of estimates of time and effort, as well as depreciation, occupancy and telephone costs which are allocated based on the ratio of program revenue to total revenue.

Comparative amounts

The financial statements include certain prior-year summarized comparative information in total but not by net asset class or functional expense category. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2020, from which the summarized information was derived.

Evaluation of subsequent events

The Organization has evaluated subsequent events through May 24, 2022, the date which the financial statements were available to be issued.

Less than one year	$ 6,350	$ 1,708
One to five years	-	-
Gross unconditional promises to give	$ 6,350	$ 1,708

The discount on the long-term promises to give to determine the net present value was not significant.

Grants Receivable

Grants receivable are recorded by the Organization when the related services are performed and consist of amounts due from federal and state agencies. The amounts were as follows:

	2021	2020
U.S. Department of Health and Human Services	$ 41,969	$ 38,388
State of Florida Department of Education	48,767	82,339
Florida Alliance for Assistive Services and Technology, Inc.	6,910	9,885
Total	$ 97,646	$ 130,612

Federal Financial Assistance

The Organization has been awarded a grant from the U.S. Department of Health and Human Services passed through the Florida Department of Education to provide to individuals with disabilities short term device loans, device demonstrations, and training. The grant is recognized as the required services are performed. Accordingly, revenue is recognized when earned and expenses are recognized as incurred.

The Organization received a Paycheck Protection Program Promissory Note through a bank which was issued by the Small Business Administration on April 20, 2020 in the amount of $86,000. Under the Cares Act, the Organization has the opportunity to have the loan forgiven if certain compliance requirements are met for a period greater than eight-weeks but less than 24 weeks following the date of the loan. The loan requires no collateral, can be deferred for six months, has an interest rate of 1% and will mature in two years. The Organization believes it is in compliance with all requirements to have the loan forgiven and as such has accounted for the loan as a conditional contribution. The loan was forgiven on March 26, 2021.

Federal Financial Assistance (continued)

Grant activity for the years ended December 31, 2021 and 2020, was as follows:

	2021	2020
Refundable advances, beginning of year	$ 10,000	$ 8,120

Less those unavailable for general expenditures within one year, due to:		
Board designations: liquidity reserve	170,000	170,000
Financial assets available to meet cash needs for general expenditures within one year	$ 590,006	$ 516,146

Deferred Revenue

Revenue from various grants and other sources are deferred and recognized as amounts are earned.

	2021	2020
State of Florida Department of Transportation	$ 882	$ 1,954
Total	$ 882	$ 1,954

Operating Leases

The Organization leases certain equipment and storage space under monthly operating leases. The amount reported in rent expense was $8,301 and $10,015 for the years ended December 31, 2021 and 2020, respectively.

Concentration of Credit Risk

Services provided by the Organization are funded primarily with grants from the United States Department of Health and Human Services and the Social Security Administration passed through the Florida Departments of Education and Labor and Employment Security. The Organization's ability to continue to provide the same level of services is dependent on continued funding from these sources.

Risks and Uncertainties

In March 2020, the World Health Organization ("WHO") declared the coronavirus (COVID 19), a global pandemic and public health emergency. The WHO has recommended containment and mitigation measures worldwide and domestically, self-isolation and shelter-in-place requirements have been or are being put in place.

At this point, the Organization cannot reasonably estimate the length or severity of this pandemic, or the extent to which this disruption may impact the Organization's financial statements and future results of operations. The Organization will continue to monitor and evaluate the nature and extent of the impact on our ongoing activities and the potential effect on future contributions or funding and expenses, financial condition and liquidity.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Center for Independent Living of Northwest Florida, Inc.
Pensacola, Florida

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Center for Independent Living of Northwest Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated May 24, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered Center for Independent Living of Northwest Florida, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control. Accordingly, I do not express an opinion on the effectiveness of Center for Independent Living of Northwest Florida, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Center for Independent Living of Northwest Florida, Inc.'s financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

BOARDOF COUNTY COMMISSIONERS

TO: Community Partners
RE: Requests for funding for Fiscal Year (FY) 2025

Dear Potential Funding Recipient:

Attached please find the Escambia County Community Partner Funding Request Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 1, 2024.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is appreciated. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is **an application check list** to ensure all required documents are submitted. Please check each box to confirm all required documents are included with your new funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,

Stephan Hall

How many years has your organization been providing services in the County? _5.5 years as the Gulf Coast Minority Chamber._____

How many years has your organization received funding from the County? _4 years_____

Explain how receiving funds from the County would have a significant impact on your organization:

___Funds will be used to pay the office staff and for the day-to-day operation of the chamber. The staff is the key component to ensuring that the mission of the GCMCC is carried out. The funds were also used to assist with programs needed to complete our mission of serving our community. Our return to the county is increasing the amount of involvement in economic opportunities._____

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: ____$75,000.00_____

Briefly discuss how last year's funds were used? _____

Last year funds were used to support staff in implementing programs to assist our community, such as the following: publishing of our chamber directory, “How to Do Business with Local Government” workshops, hosting the Office Supplier Diversity event and assisting in supporting local inclusion efforts._____

_____

_____

Briefly discuss the County’s Return on Investment relative to last year’s funding? In other words, what impact did your program have on the citizens of Escambia County? _____

____Increased business involvement in the county’s Purchasing Department, vendor registration software and training sessions. The chamber's involvement with the County's purchasing department is a good return on investment because we assist in reaching a targeted market of minority/small businesses that are not actively involved in the bidding process. We have an active audience of new and established businesses where relationships have already been formed. These relationships often take years to establish. We are able to tap into this market more directly than and faster than the county would be able to reach the businesses on its own. The Chamber Directory provides a physical document that is shared throughout the community to highlight businesses. The Directory is used as a reference point for referrals and is used as a marketing tool for businesses to promote their business._____

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County?

___Funds will be used to pay the office staff and for the day-to-day operation of the Gulf Coast Minority Chamber of Commerce. The staff is the key component to ensuring that the mission of the GCMCC is carried out. The funds were also used to assist with programs needed to complete our mission of serving our community. Our return to the county is increasing the amount of businesses involvement in economic opportunities. The chamber's mission is to "*To serve as an advocate and the conscience of the Minority and Small Business Community, promoting and assisting in procurement opportunities, business development strategy, increasing operating capacity and other economic assets while striving to ensure economic fairness for all.*_____

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: ____N/A - NO_____

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area__N/A - NONE_____

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. _____The Gulf Coast Minority Chamber of Commerce plays a vital role in the community. Minority Business Owners and Business Professionals utilize our services to assist them in growing their business; marketing their brand and taking advantage of opportunities that are offered to enhance their business and increase their revenue. The partnership we have with Escambia County allows us to offer the services that we rendered. We are the ONLY organization of this kind that offer services with a focus on minority owned businesses, business professionals, non-profits, and corporations. The chamber provides marketing of businesses using social media like Facebook. We promote their businesses with ribbon-cuttings, grand openings, and network events to increase awareness and promote attendance. We also assist them in being placed in the local newspapers and television stories.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

Percentage for salaries/administrative costs: _75_ %

- Percentage for direct programming costs: _25_ %

If Escambia County funding can only fund a portion of your request, how will you offset the difference? ____We will offset the difference with other sources of income: Our annual membership and corporate partnership, our annual Guide and Business Directory and our annual Community Awards. We may have to limit staff resources to cover the lack funding.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: ___N/A - No

Is there a duplication of funding? Does your organization request funding from other local nonprofit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. ___N/A - No

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. **Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.**

Over the last year, we have encountered significant changes within the Purchasing department and the metrics gathering process from the system. I have received updated metrics and updated the details in a new column. We will work closely with new leadership to ensure that the data is validated for tracking processes.

Goals & Metrics Scorecard	FY22	FY23	FY24
1. Increase Minority registered businesses with Escambia County	661	789	805
2.			
3.			

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	**FY25**
1. Increase chamber membership to provide additional support for our community	**3 %**
2.	
3.	

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in previous fiscal year."

Baseline for Goals	FY25
1. Chamber members and contacts	325 members and 1300 contacts
2.	
3.	

BUDGET

Please fill out the requested information in its entirety for the program for which you are requesting funding. It is not necessary to fill out information for the agency as a whole; only for the program for which funding is requested. If this is a new program, you are not required to complete the information for the previous budget year. Please add any additional income or expense sources to the table as necessary to complete your budget application. **Please round figures to the nearest whole dollar.**

ECONOMIC DEVELOPMENT AGENCIES

1. If you are an economic development agency, please complete the below supplemental questions. If you are not an economic development agency, please mark N/A: What is your agency's Strategic Plan?

The GCMCC is in the process of developing a plan with our newly installed Board of Directors. We will be reviewing our strategic plan and making additional changes based on feedback from members, local government officials and trusted advisors. The chamber will be releasing the names of our re-established board in our new Business Guide and Directory. We have had several new Board member recruitment events and doubled the size of the board at our upcoming Annual Board meeting. The full board went through an orientation process and strategic retreat to set the course for the chamber's future. The results of the retreat and plan is attached in the email application document. The chamber has been active in assisting with job creations and expansion of companies, but does not have a definitive number in this area. The chamber has provided “To to do Business workshops” for hundreds of businesses, sponsored numerous information sessions, co-host the monthly Pensacola Network and 1 Million Cups events, serve as a mentor in the Studer Community Institute VMS program and the UWF Executive Mentor Program._____

2. How many jobs were created this year over last year by zip code? __I am unable of a source to obtain this information on a year-to-year basis in relation to the chamber’s involvement. The chamber has been active in assisting with job creations and expansion of companies but does not have a definitive number in this area. He is also active in the FloridaWest “1 Million Cups” events and Entrepreneurship Ecosystem

Group. He also promotes the FloridaWest and PEDC activities to our community._____

3. What is the net cost per job created? _____Not Available_____

ADDITIONAL QUESTIONS

1. What was done by your agency to address the "Pockets of Poverty"?

Reduced chamber membership dues, free training sessions, creation of metrics to track details and involvement in local government vendor tables. I have the updated metrics from the County's Purchasing department. This Pockets of Poverty information would need to be obtained from the details that the businesses provide in the Vendor Registry to the county. As we work the new Purchasing leadership, the chamber will request research to verify if the demographic details can be added to Vendor Registry.

The President/CEO is involved in numerous BODs to provide input to increase minority awareness and input. Included below is a list of the boards.

Brian Wyer, President/CEO, represents the chamber as a member of the following groups:

- Achieve Escambia Leadership Council – Secretary
    - Career Readiness Collective Action Network team
    - Early Childhood Learning Network
- First Place Partners economic group
- The Northwest Florida Forward Entrepreneur and Innovation Council
- FloridaWest and PEDC attendee
- 1 Million Cups Organizer member
- SCI Volunteer
- United Way of West Florid Board of Director
    - Community Investment Committee
    - Community Response Committee
- Belmont De Villiers Association
- Baptist Health Inc Board of Directors
    - Quality and Patient Safety Committee
    - Baptist Community Advisory Council
    - E-Moreno Special Committee (co-chair)
- Early Learning Coalition Board of Directors
- Escambia County Human Relations Commission – Vice Chair
- US Global Leadership Coalition
- Escambia County Emergency Operations Center ESF-18
- Equality Project Alliance
- VMS MIT Spring Stakeholder/Mentor
- EntreCon Volunteer

- Habit for Humanity: Community Development Committee
- AHER (Achieve Healthy EscaRosa)
    - Healthcare Equity and Access Committee

2. Did your agency receive any grants? List the amount and a detailed use of the funds.
   N/A

3. Was there any increase in membership for the local chambers? YES. We are limited in the geographical details that can be obtained at the current time with our current website. A new chamber website will be available in the future that will allow us to track the information better. Some business addresses are different from work performed by the business

4. What are your agency's statistics on business creation and minority businesses by zip code? I am unaware of a location to obtain this information. From accessing the County Tax Collector's office, 1111 Business Licenses were obtained from January 2024 to July 2024. I am unable to determine the breakdown of Minority Businesses from this data. The chamber focuses on assisting businesses to improve and grow. For individuals with the desire to create business we provide guidance on the resources to create business such as referrals to the SBDC (Small Business Development Center), Sunbiz and community mentors.

5. Can we reduce the taxpayer subsidy? N/A

I hereby certify that the information provided above is a true and correct statement relating to the organization requesting funding named above.

Request for Taxpayer Identification Number and Certification

Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See *Specific Instructions* on page 3.

1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)

Gulf Coast Minority Chamber of Commerce, INC

2 Business name/disregarded entity name, if different from above.

3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor ☐ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate

☑ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . . _____

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) _____

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) _____

(Applies to accounts maintained outside the United States.)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

5 Address (number, street, and apt. or suite no.). See instructions.

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

Dear GULF COAST MINORITY CHAMBER OF COMMERCE INC,

Thank you for choosing our firm to prepare your income tax returns for tax year 2022. This letter confirms the services we will provide.

We will prepare your federal and state returns for tax year 2022 based on information you provide. Although our work will not include procedures to discover irregularities or inaccuracies in the tax data you provide, we may ask for clarification of certain information, or additional information, so that we can prepare accurate and complete returns for you.

It is your responsibility to provide all necessary information related to income and deductions for tax year 2022, and to respond to our inquiries in a timely manner so that we are able to accurately complete your returns by the appropriate due dates.

You are responsible for maintaining appropriate records, such as official tax documents you receive, receipts and substantiation for your deductions, and purchase and sales information for assets.

It is your responsibility to review your returns before they are filed to determine that all income has been correctly reported and that you have substantiation for your deductions. Filing your returns by the due dates is your responsibility.

If your returns are later selected for review or audit by taxing authorities, we will be glad to assist or represent you if you desire. Our fees for preparing your returns do not include time that might be necessary to assist you during a taxing authority review.

Our fees for preparation of your returns are based upon our standard billing rates plus out-of-pocket expenses. Our invoices are due and payable upon presentation.

If this letter accurately summarizes your understanding of our agreement relating to the preparation of your tax returns, please sign the enclosed copy in the space indicated and return it to us.

Thank you again for choosing our firm to prepare your 2022 tax return. We appreciate your business.

Sincerely,

Note: Only a section 501(c)(7), (8), or (10) organization can check boxes for both the General Rule and a Special Rule. See instructions.

General Rule

[ ] For an organization filing Form 990, 990-EZ, or 990-PF that received, during the year, contributions totaling $5,000 or more (in money or property) from any one contributor. Complete Parts I and II. See instructions for determining a contributor's total contributions.

Special Rules

[ ] For an organization described in section 501(c)(3) filing Form 990 or 990-EZ that met the 33 1/3 % support test of the regulations under sections 509(a)(1) and 170(b)(1)(A)(vi), that checked Schedule A (Form 990), Part II, line 13, 16a, or 16b, and that received from any one contributor, during the year, total contributions of the greater of **(1)** $5,000; or **(2)** 2% of the amount on (i) Form 990, Part VIII, line 1h; or (ii) Form 990-EZ, line 1. Complete Parts I and II.

[ ] For an organization described in section 501(c)(7), (8), or (10) filing Form 990 or 990-EZ that received from any one contributor, during the year, total contributions of more than $1,000 *exclusively* for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals. Complete Parts I (entering "N/A" in column (b) instead of the contributor name and address), II, and III.

[ ] For an organization described in section 501(c)(7), (8), or (10) filing Form 990 or 990-EZ that received from any one contributor, during the year, contributions *exclusively* for religious, charitable, etc., purposes, but no such contributions totaled more than $1,000. If this box is checked, enter here the total contributions that were received during the year for an *exclusively* religious, charitable, etc., purpose. S.W.O.T. Analysis

Strengths	Weaknesses
• Brian's leadership • Basic membership • County connectivity • No cost office • Network • Community ties/support • Understanding of minority needs • Business development expertise • Partnerships • New board member involvement • Excitement/Desire • Strong supporters • Community relevance	• Dependence upon individual (Brian) • Lack of administrative resources • Lack of clear goals/plan • Not full representation of all minorities • Clear membership value proposition • Utilization of the board • Programs/membership personnel • Monthly financial reporting • Lack of external sponsorships • Visibility to general public • Limited funds in recruiting staff
Opportunities	**Threats**
• Expand to other minority groups (Latino, Vietnamese, etc.) • Grow membership • Sponsor/co-sponsor events/programs • Partner with other businesses • Branding • Additional funding • Differentiators for members • Leverage membership base to provide value-add leadership/mentorship to other members • Leverage technology • Enhance digital footprint	• Political environment related to inclusion – i.e. funding diminishes • Economic turndown affecting businesses • Other Chambers competing for members • Lack of overall funding • Sole reliance on Chamber President • Succession planning

TO: Community Partners
RE: Requests for funding for Fiscal Year (FY) 2025

Dear Potential Funding Recipient:

Attached please find the Escambia County Community Partner Funding Request Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 1, 2024.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is appreciated. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is **an application check list** to ensure all required documents are submitted. Please check each box to confirm all required documents are included with your new funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,

Stephan Hall

FISCAL YEAR 2025
ESCAMBIA COUNTY
AGENCY FUNDING REQUEST APPLICATION

All agencies requesting funding from Escambia County must submit the below-listed information and complete the attached form. Failure to submit all required information or to complete the form will remove your organization from consideration for funding. Please submit the completed application packet electronically to **Budget@myescambia.com**.

DEADLINE - Monday, April 1, 2024

ELIGIBILITY CRITERIA:

Organizations eligible to apply for funding must:

- Demonstrate funding received from sources other than local governments in an amount at least equal to the amount requested from Escambia County.
- Tax-exempt under Section 501(c)(3) of the Internal Revenue Code, independent of a financial sponsor (local affiliates may apply under the 501(c)(3) of the national organization).
- Located in and serves residents of Escambia County.
- Provide at least 3 full years (36 months) of independently prepared, audited or reviewed financial statements or tax returns, unless the organization was formed within the last 3 years.
- Not a recipient of Community Partner funding for more than 3 fiscal years unless the organization serves a government purpose OR for years 4 and beyond, funding must reduce at rate of at least 5% per year.
- The Board of County Commissioners retains the right to waive the eligibility criteria.

APPLICANTS SHOULD:

- Explain why receiving funding would have an especially significant impact on their organization.
- Have a mission and programs or services that serve a governmental program or citizen focused mission.
- Submit a proposed budget where government funding does not exceed 50% of annual operating budget unless in first 3 years of operation or mandated by statutory or another regulatory requirement.
- Plan to expend funds within 12 months.

Funds may be provided for programs, services, necessary infrastructure, or other initiatives that support the organization's core mission. **Funds will not be provided for:**

- debt reduction, operating deficits, interim or bridge funding or endowment funding,
- individuals or private foundations,
- activities that are religious or political in nature,
- fund drives, annual appeals, fundraising events, or general capital campaigns, and
- salaries that do not directly impact the program unless mandated by statutory or regulatory requirement.

When submitting your completed application with all required documents, provide your documents in original Word format or a direct PDF of the Word document. **Please limit scanned documents as much as possible.**

APPLICATION CHECKLIST (Required)

- X Submit a fully completed Agency Funding Request Application
- X Submit a copy of your organization's current W-9
- X Submit the Letter of Determination from the IRS confirming your organization's federally tax-exempt status
- X Submit a copy of your organization's 2022 or 2023 tax return (Form 990 or 990-EZ with additional backup). You may submit a 2021 tax return along with an explanation for late filing.
- X Submit a copy of your organization's most recent 3 years of financial statements, with audit if applicable. Updated financials may be requested by the County periodically including prior and subsequent to reward date.

GENERAL INFORMATION

Agency Name: Pensacola – Escambia Promotion and Development Commission (PEDC)

Agency Address: 3 West Garden Street Suite 618 Pensacola, FL 32502

Program Name for which funding is being requested: (PEDC) Funding Request FY 2025

Amount Requested: $600,000 – Local Option Sales Tax Economic Development Trust Fund.

Program Contact: Brian Hilson

Contact Email: bhilson@floridawesteda.com Contact Phone: (850) 898-2201

25-Word Description of Program: PEDC is the County's economic development authority created by state statute in 1967, and operates via a contract with FloridaWest EDA for business development, existing industry expansion and retention, entrepreneurial development, asset development, workforce collaboration and promotion.

How many years has your organization been providing services in the County? Since 1967

How many years has your organization received funding from the County? Since 1967

Explain how receiving funds from the County would have a significant impact on your organization: The request is in line with our 5 - Year Strategic plan and supports the current year program of work. (Please see attachment)

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: $600,000

Briefly discuss how last year's funds were used In FY 23-24, County funds were utilized to support the promotion and marketing of business opportunities/assets of Escambia County including the Bluffs project (FOIL), OLF8, and other County locations; administration and marketing of the downtown technology campus; and other PEDC administrative costs and a contract with FloridaWest EDA. FloridaWest EDA used the funds for programing, administration, and personnel costs.

Briefly discuss the County's Return on Investment relative to last year's funding. In other words, what impact did your program have on the citizens of Escambia County? For the $600,000 investment approved this fiscal year, PEDC/FloridaWest have worked to generate over $16 million in annual estimated economic impact and over $6.3 million in annual new wages for Escambia County as of March 31, 2024 (six months into the current fiscal year).

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? Programming costs support activities related to our scope of work: Business Retention and Expansion, Entrepreneurial Development, Workforce Growth, Business Attraction, and Site and Infrastructure Readiness Support. The companies supported and targeted include, but are not limited to, specific high wage industry sectors (Aviation, Back Office/Financial Services, Cyber Security/Information Technology, Manufacturing, and Marine Services), and export 85% of their product or service, thereby increasing capital investment, payroll, and employment.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: Yes, according to Florida State Statute 125.045 —" County economic development powers". — The Legislature declares that it is necessary and in the public interest to facilitate the growth and creation of business enterprises in the counties of the state.

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area: Economic Development is only successful when collaboration occurs with all public and private community partners that have a similar mission or program of work. PEDC/FloridaWest were founding members of "The Spring", a small business and entrepreneurial

mentorship program run by Studer Community Institute. We also maintain the Entrepreneurial Ecosystem Group (EEG) a collaboration of all the entities that support entrepreneurship in the County. We work with the Greater Pensacola Chamber and Visit Pensacola on ESF18 at the County Emergency Operation Center (EOC). We coordinated joint funding requests in partnership with K-12, PSC, and UWF. We are participants in regional organizations, Florida's Great Northwest, Northwest Florida Defense Coalition and First Place Partners.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. Unlike other business and community development organizations that have oversight and programming primarily for the benefit of its members and the community, PEDC is an economic development authority created by Special Act Chapter 67-1365, with direct oversight from two County Commissioners and two City of Pensacola Council Members and a representative of the Town of Century. PEDC programming is developed to enhance and expand economic activity within the County. PEDC contracts with FloridaWest, a public/private non-profit economic development agency, with a program of work that follows the legislative intent as outlined in State Statute (125.045). PEDC and FloridaWest work in the public interest to facilitate the growth and creation of business enterprises for the benefit of all residents of Escambia County without regard to membership or funding sources.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: **68** %
- Percentage for direct programming costs: **32** %

If Escambia County funding can only fund a portion of your request, how will you offset the difference? 100% of PEDC operational funding is received through an Interlocal Agreement between Escambia County and the City of Pensacola. If funding is reduced, it will significantly impact the economic development operations of PEDC and the program of work of its contract agency FloridaWest EDA.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: PEDC and its partners apply for Triumph, State and Federal funding to support specific ongoing projects. Thus far in FY 23-24 the PEDC has applied for $6 million

in Triumph grants, and supported $4 million in legislative funding; however, those funds are applied to job growth and infrastructure projects and are not used as operational funds by PEDC nor FloridaWest. The operational funds requested from Escambia County are not used as a direct match. Through the interlocal agreement with the City of Pensacola, the City contributes $175,000 to PEDC.

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. PEDC does not receive funding from other local non-profit agencies.

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year, use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	FY25
1. Additional jobs from expanding and new employers in primary business sectors	500
2. Capital investment from expanding and new employers in primary business sectors	$200 M
3. Creation of sustained entrepreneurial-driven companies and jobs within primary business sector	4 companies

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed

on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in previous fiscal year."

Baseline for Goals	FY25
1. Additional jobs from expanding and new employers in primary business sectors	Minimum 300
2. Capital investment from expanding and new employers in primary business sectors	Minimum $100M
3. Creation of sustained entrepreneurial-driven companies and jobs within primary business sector	Minimum 4 companies

BUDGET

Please fill out the requested information in its entirety for the program for which you are requesting funding. It is not necessary to fill out information for the agency as a whole; only for the program for which funding is requested. If this is a new program, you are not required to complete the information for the previous budget year. Please add any additional income or expense sources to the table as necessary to complete your budget application. **Please round figures to the nearest whole dollar.**

Please provide the total amount of cash and investments on hand. $757,312.87

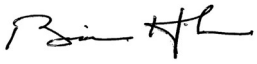
5. Does your organization charge fees for services? If so, provide a list of fees charged.

   PEDC does not charge fees for services.

6. Does your organization require background checks from volunteers and staff? PEDC does not have any Employees, All FloridaWest Employees have background checks prior to employment.

ECONOMIC DEVELOPMENT AGENCIES

If you are an economic development agency, please complete the below supplemental questions. If you are not an economic development agency, please mark N/A: _____



1. What is your agency's Strategic Plan? PEDC and FloridaWest EDA completed a 5-year strategy for Economic Development. The plan was presented and approved by the FloridaWest and PEDC Board in FY 2022 – 2023 (Please see the attached document)
2. How many jobs were created this year over last year by zip code? 4,049 jobs. Please see attachment A, B and C.
3. What is the net cost per job created? Since 2014 Escambia County has funded PEDC a total of $4.55 million and supported the creation/retention of 8,356 jobs which equals a net cost of approximately $544.50 per job. In addition, the 58 economic development projects also represent more than $481 million net new payroll annually and over $803 million in total new private capital investment in Escambia County.

ADDITIONAL QUESTIONS (Economic Development)

1. What was done by your agency to address the "Pockets of Poverty"? PEDC, and its contract partner FloridaWest, are focused specifically on long-term programs to increase and retain the number of companies and job opportunities in the community that pay above the current County average wage. Job and career opportunities and supportive training programs are available through partner organizations to all citizens for new and expanding companies in each primary business sector.
2. Did your agency receive any grants? List the amount and a detailed use of the funds. Please see attachment "B"
3. Was there any increase in membership for the local chambers? PEDC is not a membership organization like a Chamber of Commerce. PEDC was created by Florida State Statute with an appointed board structure.
4. What are your agency's statistics on business creation and minority businesses by zip code? Please see attachment "A" and attachment "C."
5. Can we reduce the taxpayer subsidy?

   The use of public funds for economic development and PEDC programming is not perceived to be a taxpayer subsidy by most citizens of Escambia County. It is understood to be an important governmental function as authorized in Florida State Statute 125.045 and the passage of the LOST IV referendum (which includes economic development funding) by majority vote of the citizens on November 4, 2014. 100% of the PEDC operational funding is received through an Interlocal agreement between Escambia County and the City of Pensacola. If funding is reduced, it will significantly impact the economic development operations of PEDC and the program of work of its contract agency Florida West EDA.

I hereby certify that the information provided above is a true and correct statement relating to the organization requesting funding named above.

ARTICLE XII. - PROMOTION AND DEVELOPMENT COMMISSION

Section 1. - Short title.

This act may be cited as the "Pensacola-Escambia County Promotion and Development Commission Act."

(Laws of Fla., Ch. 67-1365, § 1; Laws of Fla., Ch. 80-579, § 1(1))

Section 2. - Definitions.

When used in this act the following words and terms, unless a different meaning appears clearly from the context, shall have the following meanings:

(1) *Commission* shall mean the Pensacola-Escambia Promotion and Development Commission created by this Act.

(2) *Promotion* shall be deemed to mean the promotion of the advantages of Escambia County and all municipalities therein (including that portion of Santa Rosa Island under the jurisdiction of the Santa Rosa Island Authority), and the promotion and development of industrial, tourist, and commercial attributes and facilities of said area including the promotion of conventions, convention facilities and visitors to said area and also encompassing the dissemination of information with reference to the foregoing through the media of advertising, personal contact and such other activities as are deemed customary to the sound development and promotion of an area.

(3) *Appointing authority* shall be deemed to mean that body whose duty it is to appoint specific members of the commission.

(4) *Development* shall be deemed to mean the improvement of the County of Escambia and all municipalities therein (including that portion of Santa Rosa Island under the jurisdiction of the Santa Rosa Island Authority) through the increase of employment opportunities, enhancement of the economic environment, expansion of the tax base, enticement of industry and other business to the area, and acquisition, lease and construction of facilities within the subject area.

(Laws of Fla., Ch. 67-1365, § 2; Laws of Fla., Ch. 80-579, § 1(2))

Section 3. - Created.

For the purpose of performing such acts as shall be necessary for the sound promotion and development (as those terms have heretofore been defined) of Escambia County, there is created a body corporate and politic to be known as the Pensacola-Escambia County Promotion and Development Commission, which shall be deemed to be a public corporation by that name, and which body may contract and be contracted with and sue and be sued in all courts of law and equity.

(Laws of Fla., Ch. 67-1365, § 3; Laws of Fla., Ch. 80-579, § 1(3))

Section 4. - Composition; appointments; terms of office.

The commission shall be composed of nine (9) members each of whom shall be a freeholder and a qualified elector of Escambia County. The commission shall consist of the following:

(1) Two (2) members shall be commissioners of Escambia County who shall be appointed by the board of county commissioners of Escambia County. Two (2) members shall be councilmen of the City of Pensacola who shall be appointed by the city council of the City of Pensacola. One member shall be a member of the town council of the Town of Century and shall be appointed to serve on the commission by the council of the Town of Century. One member shall be the president of the Pensacola Area Chamber of Commerce. One member, to be appointed by the president of the Pensacola Area Chamber of Commerce, shall be the chairman of the Committee of 100 or the chairman of the Tourist Advisory Council. One member at large shall be appointed by the board of county commissioners of Escambia County. One member at large shall be appointed by the city council of the City of Pensacola.

(2) The term of office of each of the members, excepting those holding specific offices, shall be for a term of two (2) years; except initial appointments for one member of the board of county commissioners and one member of the Pensacola City Council shall be for one year.

Members of the commission shall be terminated should they fail to attend three (3) consecutive regular meetings without a proper excuse.

(Laws of Fla., Ch. 67-1365, § 4; Laws of Fla., Ch. 80-579, § 1(4); Laws of Fla., Ch. 86-449, § 1; Laws of Fla., Ch. 89-443, § 1; Laws of Fla., Ch. 481, § 1)

Section 5. - Officers.

The commission shall elect from its membership at its organizational meeting, and annually thereafter, a chairman, vice-chairman, and secretary-treasurer.

(Laws of Fla., Ch. 67-1365, § 6; Laws of Fla., Ch. 80-579, § 1(5))

Section 6. - Quorum; transaction of business.

Any five (5) members of the commission shall constitute a quorum for the transaction of the ordinary business of the commission. No business shall be transacted except at regularly and specially called meetings and when duly recorded in the minutes thereof.

(Laws of Fla., Ch. 67-1365, § 7; Laws of Fla., Ch. 80-579, § 1(6))

Section 7. - Compensation.

Members of the commission shall serve without compensation from the commission, but may be reimbursed for travel expenses incurred in the performance of their duties as members of the commission, from budgeted funds.

(Laws of Fla., Ch. 67-1365, § 8; Laws of Fla., Ch. 80-579, § 1(7))

Section 8. - Authority of county and cities to contract.

Escambia County acting through its board of county commissioners and all incorporated cities in Escambia County are expressly authorized to enter into contracts with the commission as a public corporation and any and all contributions made by said political bodies to the commission are hereby authorized and found to be a proper, county and/or city purpose, respectively.

(Laws of Fla., Ch. 67-1365, § 9; Laws of Fla., Ch. 80-579, § 1(8))

Section 9. - Powers and duties.

The Pensacola-Escambia County Promotion and Development Commission shall have the following powers:

(1) To have a seal and alter the same at its pleasure;

(2) To acquire, hold and dispose of personal and real property held for its corporate purposes;

(3) To sue and be sued, implead and be impleaded, complain and defend in all courts of law and equity; to retain counsel and set their compensation;

(4) To enter into contracts with the County of Escambia and all incorporated cities within Escambia County, together with the right to enter into contracts with private concerns, both individuals and organizations, so that said private concerns may carry out any and all functions for the commission as an agent thereof; provided, however, that no function of the commission may be delegated by contract or otherwise to any agency unless it is determined by the commission that such function can be more efficiently carried out by the agency to which the function is to be delegated;

(5) To appoint and fix the compensation of an executive director who shall be responsible to the commission for the proper administration of all affairs placed in his or her charge which shall include (among other things) the appointment, supervision and direction of all employees and agents of the commission. The commission shall generally set forth the qualifications necessary for any employee and shall fix the salary ranges of all such employees. The commission is further authorized to establish and maintain a suitable office at such place it shall select in Escambia County;

(6) To borrow money for any of its corporate purposes and to execute notes, mortgages, deeds to secure debts, trust deeds and such other instruments as may be necessary or convenient to evidence and secure such borrowing, subject to section 10 [section 10 of this article], below; and to make contacts and execute all instruments necessary or convenient;

(7) To exercise any power granted by the State of Florida to public or private corporations performing similar functions which is not in conflict with the constitution and laws of the State of Florida;

(8) To adopt, alter or repeal its own bylaws, rules and regulations governing the manner in which its business may be transacted, and in which the power granted to it may be enjoyed, as the commission may deem necessary or expedient in facilitation of its business;

(9) To possess and perform such powers and duties from time to time which may be authorized by the legislature;

(10) To do all things necessary or convenient to carry out the powers expressly conferred by this act;

(11) To acquire real or personal property by purchase, lease or lease-purchase; to sell and/or lease any or all portions of any such property; to develop, construct, maintain, improve, enlarge, raze, relocate, operate and manage such property and all facilities and improvements appurtenant thereto; to adopt covenants and restrictions governing use of such property; and to pay any lawful expenses or charges incurred and to employ or enter into contracts with such persons as may be needed in acquiring, developing, constructing, maintaining, improving, enlarging, razing, relocating, operating and managing such property; to finance the acquisition and development of such property, including the mortgaging of such property which is not owned by Escambia County or any incorporated municipalities located therein. "Property" shall be construed to include all properties deemed in the discretion of the commission to be necessary to fulfill the purposes of

this act and shall include, without limitation of other properties, industrial parks, tourist facilities, and civic centers which may include arenas, exhibition halls, convention facilities, offices, shops, lodging facilities, restaurants, and any other facilities related thereto.

(12) To issue and sell revenue certificates or revenue bonds as hereinafter provided, or in any manner permitted by law and not inconsistent with the provisions hereof, for the financing of capital projects beneficial to the promotion and development responsibilities of the commission, and to take all steps necessary for efficient preparations and marketing of the certificates or bonds at public or private sale at the best price obtainable, including the entry into agreements with corporate trustees, underwriters and the holders of certificates, and the employment and payment, as a necessary expense of issuance, for the service of consultants on valuations, costs and feasibility of undertaking; revenues to be anticipated and other financial matters, architecture, engineering, legal matters, accounting matters and any other fields in which expert advice may be needed to effectuate advantageous issuance and marketing;

(13) To fix, regulate and collect rents, fees, rates and charges for facilities or projects or any parts thereof or services furnished by it or under its control and to pledge the revenue to the payment of revenue certificates or revenue bonds issued by it;

(14) To qualify as an industrial development authority for Escambia County if the Board of County Commissioners of Escambia County declares that there is a need for such an authority to function in Escambia County, and if the board of county commissioners designates the commission to serve as such authority, and to exercise all powers granted to such authorities in Sections 159.44 through 159.53, Florida Statutes, as such law may be amended from time to time;

(15) To qualify as a research and development authority for Escambia County if the Board of County Commissioners of Escambia County declares that there exists a need for the development and financing of a research and development park. If the Board of County Commissioners of Escambia County declares that such a need exists and designates the commission to act as the research and development authority for Escambia County, the commission may apply to the Florida Research and Development Commission pursuant to Section 159.704, Florida Statutes. If so designated, the commission shall have all owners granted to such authorities in Section 159.705, Florida Statutes, as such law may be amended from time to time.

(Laws of Fla., Ch. 67-1365, § 10; Laws of Fla., Ch. 80-579, § 1(9); Laws of Fla., Ch. 85-487, § 1; Laws of Fla., Ch. 86-459, § 1)

Section 10. - Provisions governing issuance of certificates and bonds.

Issuance of revenue certificates or revenue bonds by the commission shall be governed by the following general provisions:

(1) Revenue certificates or revenue bonds for purposes hereof are limited to obligations that are secured solely by pledge of revenues produced by the facility or facilities for the benefit of which the certificates or bonds are issued and the sale proceeds used, that do not constitute a lien or encumbrance, legal or equitable, on any real property of the commission or on any of its personal property other than the revenues pledged to secure payment of the certificates or bonds. Provided, however, the commission may secure its revenue certificates or revenue bonds by pledging revenues derived from the levy and collection of a tourist development tax pursuant to

Section 125.0104, Florida Statutes, provided that the Board of County Commissioners of Escambia County first levies the tax and by resolution authorizes the commission to pledge any portion or all of the revenues derived from the collection thereof.

(2) The commission shall not be empowered or authorized to create a debt against the state, Escambia County or any of the incorporated municipalities of said county. Except as provided in the last sentence of subsection (1) above, neither the state, Escambia County or any of the incorporated municipalities of said county shall be obligated directly or indirectly to make any payments on or appropriate any funds for certificates or bonds issued by the commission. Any evidence of indebtedness issued by the commission shall state on its face that the certificate or bond does not directly or indirectly pledge the full faith and credit of the state, Escambia County or any of the incorporated municipalities of said county, and that the commission is not an agency of Escambia County or of any of the incorporated municipalities of said county.

(3) Before issuing any revenue certificates or revenue bonds the commission shall as to each issue:

(a) Prepare or procure from a reputable source detailed estimates of the total cost of the undertaking for which the certificates or bonds are contemplated and of the annual revenues to be obtained therefrom and pledged as security for payment of the certificates or bonds;

(b) Determine that the anticipated net proceeds from the sale, together with any other funds available and intended for the purposes of issue, will be sufficient to cover all costs of the undertaking and of preparing and marketing the issues connected therewith;

(c) Determine that the annual revenues anticipated from the undertaking will be sufficient to pay the estimated annual cost of maintaining, repairing, operating and replacing, to any necessary extent, not only the undertaking but also the punctual payment of the principal of, and interest on, the contemplated certificates or bonds; and

(d) Specify those determinations in and include the supporting estimates as part of the resolution providing for the issue.

(4) The commission may, as to any issue of revenue certificates or revenue bonds engage the services of a corporate trustee for the issue and may treat any or all cost of carrying out the trust agreement as part of the operating costs of the undertaking for which the certificates or bonds are issued.

(5) The commission shall from time to time establish such rentals, rates and charges, or shall by agreement maintain such control thereof, as to meet punctually all payments on the undertaking and its maintenance and repair including reserves therefor and for depreciation and replacement.

(6) Revenue certificates or revenue bonds may be issued for the purpose of funding, refunding or both.

(7) All revenue certificates or revenue bonds issued pursuant hereto shall be negotiable instruments for all purposes.

(Laws of Fla., Ch. 67-1365, § 11; Laws of Fla., Ch. 80-579, § 1(10))

Section 11. - Audit.

The books and records of the commission shall be audited at least annually, at the expense of the commission, by a competent auditor. Any agency performing functions on behalf of the commission, and receiving public funds, shall furnish to the commission an accounting of all funds so expended. The

commission shall furnish copies of said audit to the Board of County Commissioners of Escambia County, the City Council of the City of Pensacola and any other groups contributing substantial sums to the operations of the commission.

(Laws of Fla., Ch. 67-1365, § 12; Laws of Fla., Ch. 80-579, § 1(11))

Section 12. - Construction.

This act, being for the purpose of developing and promoting the public good and welfare of Escambia County and the incorporated cities thereof, shall be liberally construed to effect the purpose thereof.

(Laws of Fla., Ch. 67-1365, § 13; Laws of Fla., Ch. 80-579, § 1(12))

Section 13. - Funding through interlocal agreement; budget; private sector contributions.

(1) All funding shall be provided for by interlocal agreement. All such funds so expended by the governmental bodies are hereby authorized as a lawful expenditure. The commission shall prepare and submit a budget covering its operation and maintenance for the fiscal year to all parties providing funds through the interlocal agreement.

(2) The intent of this act is to establish a private-public partnership and united effort for economic development in Escambia County. To accomplish this goal, the private sector is urged to voluntarily collect and pay over to the commission a reasonable amount each fiscal year for the operation and maintenance of the commission.

(Laws of Fla., Ch. 67-1365, § 4; Laws of Fla., Ch. 80-579, § 1(13); Laws of Fla., Ch. 83-501, § 1; Laws of Fla., Ch. 86-448, § 1; Laws of Fla., Ch. 89-443, § 1; Laws of Fla., Ch. 89-481, § 1)

Section 14. - Severability.

The provisions of this act shall be severable, and if any of the provisions hereof shall be held to be unconstitutional or invalid, such determination shall not affect the constitutionality or validity of any of the remaining provisions of this act.

(Laws of Fla., Ch. 67-1365, § 15; Laws of Fla., Ch. 76-366, § 1; Laws of Fla., Ch. 80-579, § 1(14))

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Pensacola-Escambia County Promotion
and Development Commission
Pensacola, Florida

Opinion

We have audited the accompanying financial statements of the Pensacola-Escambia County Promotion and Development Commission (the "Commission") as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Commission's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Commission as of September 30, 2023, and the changes in its financial position and the budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Commission, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Commission's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Commission's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Board of Directors
Pensacola-Escambia County Promotion
and Development Commission

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 9 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 19, 2024, on our consideration of the Commission's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Commission's internal control over financial reporting and compliance.

Pensacola-Escambia County Promotion and Development Commission
Management's Discussion and Analysis
For the Year Ended September 30, 2023

Our discussion and analysis of the financial performance of the Pensacola-Escambia County Promotion and Development Commission (the "Commission") provides an overview of the Commission's financial activities for the fiscal year ended September 30, 2023. Please review it in conjunction with the Commission's financial statements.

FINANCIAL HIGHLIGHTS

- Total assets for the Pensacola-Escambia County Promotion and Development Commission decreased by $150,351 from 2022 due to a decrease in rent receivable.
- Total liabilities decreased by $140,417 due to a decrease in the note payable due to Pegasus.
- Deferred inflows of resources decreased by $263,868 which represents a reduction of unearned rent income resulting from the lease agreement with Pegasus.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Position and the Statement of Activities (on pages 10-11) provide information about the activities of the Commission as a whole and present a longer-term view of the Commission's finances.

Reporting on the Commission as a Whole

The Statement of Net Position and the Statement of Activities

Our analysis of the Commission as a whole begins on the following page. One of the important questions asked about the Commission's finances is "Is the Commission as a whole better off or worse as a result of the year's activities?" The Statement of Net Position and the Statement of Activities report information about the Commission as a whole and about its activities in a way that helps answer this question. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to accounting used by most private-sector companies. Accrual of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Commission's net assets and changes in them. You can think of the Commission's net assets, the difference between assets, what the Commission owns, and liabilities, what the Commission owes, as one way to measure the Commission's financial health, or financial position. Over time, increases or decreases in the Commission's net assets are one indicator of whether its financial health is improving or deteriorating. You will need to consider other non-financial factors, however, such as continuing local government support, to assess the overall health of the Commission.

Reporting the Commission's Funds

Notes to the Financial Statements: The notes provide additional information that is essential to a full understanding of the data provided in the government-wide financial statements. The notes to the financial statements can be found on pages 13-20 of this report.

THE COMMISSION AS A WHOLE

Statement of Net Position

The Commission's total net position changed from a year ago, increasing from $4,568,263 to $4,822,197. The following schedule compares the assets, liabilities, deferred inflows of resources and net position for the current and previous year.

Table 1
Net Position

	2023	2022
Cash and cash equivalents	$ 988,553	$ 815,738
Rent receivable	2,298,025	2,539,588
Grant receivable	15,737	96,914
Prepaid expenses	9,822	10,248
Property held for resale	8,400,000	8,400,000
Technology Park property, net	5,850,000	5,850,000

Unrestricted	4,760,999	4,507,065
Total net position	4,822,197	4,568,263
Total liabilities, deferred inflows of resources and net position	$ 17,562,137	$ 17,712,488

The Commission's net position increased by $253,394 during fiscal year 2023 primarily from increased rent revenue and interest income received.

Statement of Activities

The following schedule compares the revenues and expenditures for the current and previous fiscal year.

Table 2
Statement of Activities

	2023	2022
Revenues:		
Governmental	$ 775,000	$ 775,000
Program	525,158	488,529
Total revenues	1,300,158	1,263,529
Expenses:		
General government	1,046,224	1,111,680
Change in net position	253,934	151,849
Net position, beginning of year	4,568,263	4,416,414
Net position, end of year	$ 4,822,197	$ 4,568,263

Prior year revenue totaled $1,263,529 versus current year revenue of $1,300,158. This increase is due to an increase in rent revenue.

Prior year expenditures totaled $1,111,680 versus current year expenditures of $1,046,224. This decrease is primarily due to a decrease in expenditures related to the Bluffs project.

During 2023, the final approved budget reflected $1,702,250 in revenues and $1,702,250 in expenditures. Actual expenditures were $656,026 less than budgeted expenditures. Additional budget to actual information for the Commission's General Fund is on page 12.

ECONOMIC FACTORS

The economic development mission of the Commission remains constant. The Commission contracted with the Community Economic Development Association of Pensacola and Escambia County d/b/a FloridaWest Economic Development Alliance ("FloridaWest") for all its staffing and operational activities again this past year. This includes performing management duties on behalf of the Commission, economic development, and marketing. Since the creation of FloridaWest, the combined efforts of both organizations have supported a commitment from private companies to create/retain approximately 8,200 jobs, $480 million in annual payroll, and $803 million in new capital investments. The Commission requested level funding from Escambia County and the City of Pensacola for the fiscal year 2022/2023. The funds were used for the activities of the Commission as well as for FloridaWest's public funding contribution. Escambia County granted the funding request to the Commission. Half of the funding request from the City of Pensacola came to the Commission and the other half of the funding for economic development came to FloridaWest under a separate agreement.

The Commission took ownership of property from Escambia County and the City of Pensacola for the purpose of developing it into a Technology Campus during 2008. Construction of the initial infrastructure for the Campus, partially funded with a line of credit from Escambia County, was completed in June 2012. In December 2012, the Commission sought to re-appraise the Technology Campus value to more accurately reflect the current market value of the property. Also, in fiscal year 2013 the Commission approved an updated version of the Inter-local Agreement between the Commission, City of Pensacola, Escambia County and the Community Redevelopment Agency ("CRA"), which included both City and County forgiveness of debt for the Technology Campus property and the ability to market and sell or lease the property independently of City or County approval. The line of credit from Escambia County will be paid for using proceeds from the sale of the lots on the Technology Campus. Once eighty percent of the developable square footage of the Technology Campus has been conveyed by the Commission to a third party, the net ad valorem property tax received by the City and by the County from the properties within the Campus shall be applied to repayment of the line of credit.

The letter of interest from a private company to construct a multi-tenant facility previously received by the Commission has expired. The Commission will continue to work to identify the right project that has the highest and best use for the park.

The development of the "Bluffs" continues to be a high priority project for the Commission. Beginning in fiscal year 2014/2015 to the end of fiscal year 2022/2023, the Commission has received and spent approximately $11.4 million from the Department of Economic Opportunity ("DEO") and the Florida Department of Transportation ("FDOT"). The Commission was appropriated legislative funding from the State of Florida this year in the amount of $5,000,000 for a transportation infrastructure project from FDOT. All funding is associated with developing sites along the Lower Escambia River Basin into major industrial sites to target high-energy, aerospace, or other industrial-manufacturing businesses to boost economic development and job growth. All grant contracting and work with this phase is associated with the Bluffs Entrance at Ascend Performance Materials/Emerald Coast Utilities Authority/Chemstrand Road Intersection. Planning, engineering, design and construction for the entrance to The Bluffs Industrial Corridor and Transportation Upgrades at the multi-leg intersection of New Chemstrand Road, Old Chemstrand Road, Emerald Coast Utilities Authority's entrance drive and Ascend Performance Materials entrance drive(s).

The Commission was the recipient of a $2,500,000 Triumph Gulf Coast grant to provide partial funding to acquire land and renovate a 172,000+- square foot building at Ellyson Field Industrial Park in Pensacola, Florida, which Property was then to be leased by the Commission to Pegasus Laboratories, Inc. ("Pegasus"), a Missouri corporation. Pegasus will create at least 63 new jobs at an average wage of not less than $61,204. Pegasus will also invest $3,800,000 in renovation (buildout to suit their specialized operation) and approximately $5,465,000 for necessary R&D and manufacturing equipment.

The Commission remains the Grantee for Foreign-Trade Zone ("FTZ") #249 and continues to fulfill all its responsibilities as the designated grantee for FTZ #249. On October 21, 2021, the U.S. Department of Commerce, Foreign Trade Zone Board approved application to reorganize and expand FTZ #249 under the alternate site framework (ASF) with a service area of Escambia County, Santa Rosa and Okaloosa Counties. The expanded FTZ #249 territory extends advantages to serve companies located anywhere within the 3-county area and under the ASF; new Usage-Driven sites can be approved in as little as 120 days. The Commission, with the assistance of its FTZ consulting company, submits its annual FTZ #249's activity to the Foreign Trade Zone Board.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. The Reporting Entity

The Pensacola-Escambia County Promotion and Development Commission ("the Commission") was established by the Legislature of the State of Florida to promote and develop tourism and industry in Escambia County and in the City of Pensacola. The Commission is governed by a nine member board consisting of representatives of the Board of County Commissioners of Escambia County, the City of Pensacola City Council, the Town of Century and the Greater Pensacola Chamber. The Commission is a joint venture of Escambia County and the City of Pensacola and is economically dependent on funding from these entities.

B. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the Commission.

The basis of accounting refers to when revenues, expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, revenues are considered to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting.

There are no material differences between the accrual basis of accounting and the modified accrual basis of accounting in the Commission's financial statements. Accordingly, separate financial statements have not been prepared for the General Fund.

The Commission reports the following fund:

Governmental Fund

The General Fund is used to account for all financial resources except those required to be accounted for in another fund.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. General Budget Policies

The Board approves total budget appropriations only. Management is authorized to transfer budget amounts between department and object codes. However, any revisions that alter the total appropriations must be approved by the Board. Therefore, the level of budgetary responsibility is by total appropriations. The operating budget amounts are supported by revenue estimates and take into account re-appropriations of accumulated surpluses to the extent necessary.

Formal budgetary integration is employed as a management device during the year.

D. Budgetary Basis of Accounting

The budget is prepared in accordance with generally accepted accounting principles.

The budget amounts shown in the financial statements are the final authorized amounts as amended during the year.

E. Restricted and Unrestricted Resources

When an expense is incurred for purposes for which both restricted and unrestricted resources are available, it is the Commission's policy to use restricted resources first, then unrestricted resources as they are needed. Within the unrestricted category, committed resources are used first, then assigned resources, if any, followed by unassigned resources as needed. The Commission establishes (and modifies or rescinds) net asset commitments by passage of a Board of Directors resolution.

F. Assets, Liabilities, and Deferred Inflows of Resources

Rent Receivable

Rent receivable is stated at the amount the Commission is entitled to under the agreement for property held for resale further described in Note 4. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of the receivables. If any portion of the rent due under the agreement is still outstanding after management has used reasonable collection efforts, such amount will be written off through a charge to the valuation allowance and a credit to the applicable rent receivable account. As of September 30, 2023, management believes all amounts are collectible and therefore has not reserved an allowance for uncollectible rent.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Assets, Liabilities, and Deferred Inflows of Resources (Continued)

Refundable Advance

The Commission recognizes assets and liabilities associated with voluntary nonexchange transactions when all applicable eligibility requirements are met or the resources are received, whichever is first. When resources are received in advance of eligibility requirements being met, the Commission records such funding as a refundable advance until all eligibility requirements and stipulations associated with the funding have been met, at which point in time, the funding is recognized as revenue.

Deferred Inflows of Resources

The Commission has implemented the provisions of GASB Statement Nos. 63 and 65. Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*, provides financial reporting guidance for deferred outflows and inflows of resources, originally introduced and defined in GASB Concepts Statement No. 4, *Elements of Financial Statements*, as an acquisition or consumption, respectively, of net assets applicable to a future reporting period. Further, Concepts Statement No. 4 also identifies net position as the residual of all other elements presented in a Statement of Net Position. Statement No. 65, *Items Previously Reported As Assets and Liabilities*, reclassifies and recognizes certain items that were formerly reported as assets and liabilities as one of the four financial statement elements, (1) deferred outflows of resources, (2) outflows of resources, (3) deferred inflows of resources, and (4) inflows of resources. Concepts Statement No. 4 requires that deferred outflows and deferred inflows be recognized only in those instances specifically identified in GASB pronouncements. Statement No. 65 provides that guidance.

The Commission reports increases and decreases in net position that relate to future periods as deferred inflows of resources and deferred outflows of resources, respectively, in a separate section of the statement of net position.

G. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

H. Recent Accounting Pronouncements

GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*, provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users (governments). This Statement (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset an intangible asset- and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures regarding a SBITA. To the extent relevant, the standards for SBITAs are based on the standards established in Statement No. 87, *Leases*, as amended. The requirements of this Statement are effective for reporting periods beginning after June 15, 2022. The standard had no impact on the Commission's financial statements for the year ended September 30, 2023.

NOTE 2 - CASH AND INVESTMENTS

The investment of surplus funds is governed by the provisions of Section 218.415, Florida Statutes, as to the types of investments that can be made. Investments authorized by the statute include:

(a) The Local Government Surplus Funds Trust Fund, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act, as provided in Section 163.01.
(b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency.
(c) Interest-bearing time deposits or savings accounts in qualified public depositories, as defined in Section 280.02.
(d) Direct obligations of the U.S. Treasury.

The Commission has no investment policy that would further limit its investment choices.

Deposits:

Chapter 280, Florida Statutes, provides that deposits must be placed in a depository designated under the provisions of Chapter 136 and the regulations of the Department of Banking and Finance as a qualified public depository. As such, these deposits are considered to be fully insured.

The Commission's deposits at year end were entirely covered by federal depository insurance or pooled collateral held by the State Treasurer under the provisions of Chapter 280, Florida Statutes. At September 30, 2023, the carrying amount of the Commission's deposits was $988,553 and the bank balance was $990,003.

NOTE 3 - TECHNOLOGY PARK

In 2008, the Commission entered into an interlocal agreement (the "Agreement") with Escambia County (the "County"), the City of Pensacola (the "City") and the Community Redevelopment Agency ("CRA") of the City of Pensacola to develop a Technology Park in downtown Pensacola. Pursuant to the Agreement, the County and the City conveyed certain property to the Commission with a fair value of $6,900,000 and $1,425,000, respectively. The development of the Technology Park has been completed and the property is now considered to be held for resale. During the year ended September 30, 2013, the Commission recorded a fair value adjustment of $5,718,106 to account for a decrease in fair value of the Technology Park property.

Under the Agreement, this property was conveyed to the Commission subject to a right of re-entry if certain goals were not met. The County provided a line of credit to fund development of the Technology Park infrastructure. Also, the County and City were to receive 83% and 17%, respectively, of the proceeds from sales of lots in the Technology Park after the County was reimbursed for all funding provided with the line of credit.

During 2013, the Agreement was amended so that County and City no longer require the Commission to reimburse the respective property interests conveyed unto it. The forgiveness of debt totaling $4,069,512 was recorded in the statement of activities. Net proceeds from the sale of lots will be applied to the County line of credit until the line of credit is repaid in its entirety, at which time any additional proceeds from the sale of lots will remain with the Commission for future economic development projects. See Note 8 for further information.

Once eighty percent of the developable square footage of the Technology Park has been conveyed by the Commission to a third party, the net ad valorem property tax received by the City and by the County from the properties within the Technology Park shall be applied to repayment of any remaining balance on the line of credit.

Infrastructure costs of $3,243,106 have been capitalized, of which $1,926,938 were funded by the County. The remaining infrastructure costs of $1,316,168 were funded by a grant.

NOTE 3 - TECHNOLOGY PARK (Continued)

The following is a summary of the carrying value of the Technology Park property and the associated liability due to the County as of September 30, 2023:

	County	City	Total
Initial land conveyance	$ 6,900,000	$ 1,425,000	$ 8,325,000
Infrastructure funded by County	1,926,938	-	1,926,938
Infrastructure funded by grant	1,316,168	-	1,316,168
Technology Park property at cost	$ 10,143,106	$ 1,425,000	11,568,106
Fair value adjustment			(5,718,106)
Technology Park property at fair value			5,850,000
Accrued interest and other			650,214
Forgiveness of debt			(4,069,512)
Technology Park payable			$ 2,430,702

The Technology Park payable accrues interest at the monthly yield rate required by the State Board of Administration for inter-fund loans and the County Investment Policy (5.59% at September 30, 2023).

NOTE 4 - PROPERTY HELD FOR RESALE

During the year ended September 30, 2022, the Commission entered into a collaborative agreement with Pegasus Laboratories, Inc. ("Pegasus") to finance the purchase of land and a warehouse for $8.4 million from a third-party for use by Pegasus. The purchase was partially financed by the Commission with Triumph grant funding in the amount of $2.5 million, with the remaining $5.9 million financed by a promissory note payable to Pegasus. The Commission will retain ownership of the warehouse and will lease the space to the Pegasus throughout the incentive period of the grant, at which point the Commission will transfer ownership of the facility to Pegasus, if certain conditions have been met.

The warehouse is classified by the Commission as property held for resale, and as such, the facility will not be depreciated. As of September 30, 2023, the Commission had rent receivable and deferred inflows of resources representing unearned rent revenue, each in the amount of $2.3 million, relating to the arrangement. The Commission also had an outstanding note payable of $5.5 million due under the promissory note due to Pegasus. In addition, the $2.5 million Triumph grant funding is considered a refundable advance within the statement of net position until certain conditions of the grant agreement have been satisfied.

NOTE 5 - NOTE PAYABLE

The note payable is summarized as follows:

Note payable to private company, monthly payments of $30,184 including interest at 2.12%, matures April 1, 2032	$ 5,538,960

Scheduled maturities of the note payable are as follows:

Year ending September 30,	Principal	Interest
2024	$ 226,372	$ 105,647
2025	252,016	110,187
2026	257,411	104,792
2027	262,922	99,281
2028	268,550	93,653
2029 - 2033	1,431,485	379,529
2034 - 2038	1,591,408	219,607
2039 - 2042	1,248,796	49,135
	$ 5,538,960	$ 1,161,831

NOTE 6 - NET POSITION

Restricted net position includes $61,198 contributed by the Emerald Coast Utilities Authority, which is restricted for economic development in the General Fund.

Committed net position includes $52,309 of funds for future commerce park marketing and/or improvements.

NOTE 7 - RISK MANAGEMENT

The Commission is exposed to various levels of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. To mitigate some of those risks, the Commission maintains a directors and officers liability policy and a commercial general liability policy. There have been no losses for these risks in any of the prior three fiscal years, and the Commission is not aware of any material liabilities related to these risks as of September 30, 2023.

NOTE 8 - COMMITMENTS AND CONTINGENCIES

FloridaWest Promotion Commitment:

The Commission has engaged the Community Economic Development Association, Inc. d/b/a FloridaWest Economic Development Alliance to promote economic development for the year ending September 30, 2024, for a fee of $675,000.

Bluffs Contract Commitments:

The Commission has outstanding contract commitments relating to the Bluffs Project totaling $82,786.

Triumph Gulf Coast Grant:

As described in Note 4, the Commission has received grant funding relating to an economic development incentive project upon which certain conditions must be met in order for the Commission to recognize revenue and retain the funds. The funding has been recorded in the statement of net position as a refundable advance. As of September 30, 2023, the Commission has not yet met those conditions. In the event conditions are not met, the Commission will have to return the $2.5 million of funding received.

Technology Park Agreement:

As discussed in Note 3, the Commission entered into, and later amended, the "Agreement with the County, the City and the CRA of the City to develop a Technology Park in downtown Pensacola". Under the amended agreement, the City and County have a right of re-entry on the property if the Commission does not sell at least one lot or enter into a long-term lease, not less than 15 years in duration, of at least one lot by September 6, 2016. As of September 30, 2023, the Commission has not yet sold or entered into a long-term lease for any of the Technology Park lots. However, neither the County nor the City had indicated that they will exercise their right of re-entry.

OTHER REPORTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Pensacola-Escambia County Promotion
and Development Commission
Pensacola, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Pensacola-Escambia County Promotion and Development Commission (the "Commission") as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Commission's basic financial statements, and have issued our report thereon dated January 19, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Commission's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. Accordingly, we do not express an opinion on the effectiveness of the Commission's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Directors
Pensacola-Escambia County Promotion
and Development Commission

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Commission's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

Board of Directors
Pensacola-Escambia County Promotion
And Development Commission
Pensacola, Florida

We have examined Pensacola-Escambia County Promotion and Development Commission's (the "Commission's") compliance with Section 218.415, Florida Statutes, regarding the investment of public funds during the year ended September 30, 2023. Management is responsible for the Commission's compliance with those requirements. Our responsibility is to express an opinion on the Commission's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Commission's compliance with those requirements and performing such procedures as we considered necessary in the circumstances. We believe that our examination provided a reasonable basis for our opinion. Our examination does not provide a legal determination on the Commission's compliance with specified requirements.

In our opinion, the Commission complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2023.

This report in intended solely for the information and use of the Commission and the Auditor General, State of Florida, and is not intended to be and should not be used by anyone other than these specified parties.

MANAGEMENT LETTER

To the Board of Directors
Pensacola-Escambia County Promotion
and Development Commission
Pensacola, Florida

Report on the Financial Statements

We have audited the financial statements of the Pensacola-Escambia County Promotion and Development Commission (the "Commission"), as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated January 19, 2024.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Auditor's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated January 19, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding annual financial audit report.

Board of Directors
Pensacola-Escambia County Promotion
and Development Commission

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The official title for the Pensacola-Escambia County Promotion and Development Commission is disclosed in the notes to the financial statements. The Pensacola-Escambia County Promotion and Development Commission was established by Chapters 67-1365 and 89-481, Laws of Florida. There are no component units.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the Commission has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the Commission did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Section 10.554(1)(i)5.c. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Commission. It is management's responsibility to monitor the Commission's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Pensacola-Escambia County Promotion
and Development Commission
Pensacola, Florida

Opinion

We have audited the accompanying financial statements of the Pensacola-Escambia County Promotion and Development Commission (the "Commission") as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the Commission's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Commission as of September 30, 2022, and the changes in its financial position and the budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Commission, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Commission's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Commission's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Board of Directors
Pensacola-Escambia County Promotion
and Development Commission

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 9, 2022 on our consideration of the Commission's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Commission's internal control over financial reporting and compliance.

Pensacola-Escambia County Promotion and Development Commission
Management's Discussion and Analysis
For the Year Ended September 30, 2022

Our discussion and analysis of the financial performance of the Pensacola-Escambia County Promotion and Development Commission (the "Commission") provides an overview of the Commission's financial activities for the fiscal year ended September 30, 2022. Please review it in conjunction with the Commission's financial statements.

FINANCIAL HIGHLIGHTS

- Total assets for the Pensacola-Escambia County Promotion and Development Commission increased by $10,980,472 from 2021 due to $2,539,588 rent receivable and $8,400,000 increase in assets held for resale related to a warehouse purchased and leased to Pegasus Laboratories, Inc. ("Pegasus"). The assets were acquired, and the rent receivable was recorded in connection with an agreement with Pegasus.
- Liabilities increased by $8,299,829 due to a refundable advance of $2,500,000 recorded for the Triumph Gulf Coast grant and $5,780,914 due to Pegasus under a note payable issued in connection with the warehouse purchase.
- Deferred inflows of resources increased by $2,528,794 to account for unearned rent income resulting from the lease agreement with Pegasus.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Position and the Statement of Activities (on pages 9-10) provide information about the activities of the Commission as a whole and present a longer-term view of the Commission's finances.

Reporting on the Commission as a Whole

The Statement of Net Position and the Statement of Activities

Our analysis of the Commission as a whole begins on the following page. One of the important questions asked about the Commission's finances is "Is the Commission as a whole better off or worse as a result of the year's activities?" The Statement of Net Position and the Statement of Activities report information about the Commission as a whole and about its activities in a way that helps answer this question. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to accounting used by most private-sector companies. Accrual of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Commission's net assets and changes in them. You can think of the Commission's net assets, the difference between assets, what the Commission owns, and liabilities, what the Commission owes, as one way to measure the Commission's financial health, or financial position. Over time, increases or decreases in the Commission's net assets are one indicator of whether its financial health is improving or deteriorating. You will need to consider other non-financial factors, however, such as continuing local government support, to assess the overall health of the Commission.

Reporting the Commission's Funds

Notes to the Financial Statements: The notes provide additional information that is essential to a full understanding of the data provided in the government-wide financial statements. The notes to the financial statements can be found on pages 12-16 of this report.

THE COMMISSION AS A WHOLE

The Commission's total net position changed from a year ago, increasing from $4,416,414 to $4,568,263. Our analysis below focuses on the net position (Table 1) and changes in net position of the Commission's governmental activities.

Statement of Activities

Prior year revenue totaled $776,853 versus current year revenue of $1,263,529. This increase is due to an increase in rent revenue and grant funds.

Prior year expenses totaled $805,796 versus current year expenses of $1,111,680. This increase is primarily due to an increase in grant expenditures.

ECONOMIC FACTORS

The economic development mission of the Commission remains constant. The Commission contracted with the Community Economic Development Association of Pensacola and Escambia County d/b/a FloridaWest Economic Development Alliance ("FloridaWest") for all its staffing and operational activities again this past year. This includes performing management duties on behalf of the Commission, economic development, and marketing. Since the creation of FloridaWest, the combined efforts of both organizations have supported a commitment from private companies to create/retain approximately 8,200 jobs, $430 million in annual payroll, and $796 million in new capital investments. The Commission requested level funding from Escambia County and the City of Pensacola for the current fiscal year. The funds were used for the activities of the Commission as well as for FloridaWest's public funding contribution. Escambia County granted the funding request to the Commission. Half of the funding request from the City of Pensacola came to the Commission and the other half of the funding for economic development came to FloridaWest under a separate agreement.

The Commission took ownership of property from Escambia County and the City of Pensacola for the purpose of developing it into a Technology Campus during 2008. Construction of the initial infrastructure for the Campus, partially funded with a line of credit from Escambia County, was completed in June 2012. In December 2012, the Commission sought to re-appraise the Technology Campus value to more accurately reflect the current market value of the property. Also, in fiscal year 2013 the Commission approved an updated version of the Inter-local Agreement between the Commission, City of Pensacola, Escambia County and the Community Redevelopment Agency ("CRA"), which included both City and County forgiveness of debt for the Technology Campus property and the ability to market and sell or lease the property independently of City or County approval. The line of credit from Escambia County will be paid for using proceeds from the sale of the lots on the Technology Campus. Once eighty percent of the developable square footage of the Technology Campus has been conveyed by the Commission to a third party, the net ad valorem property tax received by the City and by the County from the properties within the Campus shall be applied to repayment of the line of credit.

The letter of interest from a private company to construct a multi-tenant facility previously received by the Commission has expired. The Commission will continue to work to identify the right project that has the highest and best use for the park.

The development of the "Bluffs" continues to be a high priority project for the Commission. Beginning in fiscal year 2014/2015 to the end of fiscal year 2021/2022, the Commission has received and spent approximately $11.4 million from the Department of Economic Opportunity ("DEO") and the Florida Department of Transportation ("FDOT"). The Commission was appropriated legislative funding from the State of Florida this year in the amount of $5,000,000 for a transportation infrastructure project from FDOT. All funding is associated with developing sites along the Lower Escambia River Basin into major industrial sites to target high-energy, aerospace, or other industrial-manufacturing businesses to boost economic development and job growth. All grant contracting and work with this phase is associated with the Bluffs Entrance at Ascend Performance Materials/Emerald Coast Utilities Authority/Chemstrand Road Intersection. Planning, engineering, design and construction for the entrance to The Bluffs Industrial Corridor and Transportation Upgrades at the multi-leg intersection of New Chemstrand Road, Old Chemstrand Road, Emerald Coast Utilities Authority's entrance drive and Ascend Performance Materials entrance drive(s).

The Commission was the recipient of a $2,500,000 Triumph Gulf Coast grant to provide partial funding to acquire land and renovate a 172,000+- square foot building at Ellyson Field Industrial Park in Pensacola, Florida, which Property was then to be leased by the Commission to Pegasus Laboratories, Inc. ("Pegasus"), a Missouri corporation. Pegasus will create at least 63 new jobs at an average wage of not less than $61,204. Pegasus will also invest $3,800,000 in renovation (buildout to suit their specialized operation) and approximately $5,465,000 for necessary R&D and manufacturing equipment.

The Commission remains the Grantee for Foreign-Trade Zone ("FTZ") #249 and continues to fulfill all its responsibilities as the designated grantee for FTZ #249. FTZ #249 consists of sites at the Port of Pensacola, Pensacola International Airport, Pensacola Marine Terminal (2 sites: Pensacola Shipyard and Spruce Street Industrial Complex), Century Industrial Park and a designated sub-zone for the GE Wind Energy Plant. The Commission, with the assistance of its FTZ consulting company, submitted the FTZ #249's annual report to the Foreign Trade Zone Board. This past year the Commission finalized the application process to reorganize the FTZ#249 under the alternate site framework and expand into all of Escambia, Santa Rosa and Okaloosa Counties. The Commission also received notification about the approved expansion of FTZ 249 and concurrence was given in accordance with CR 146.7 for a Foreign-Trade Zone Operator Agreement between SnackCrate, Inc. (a local expanding company) and the Commission, the Zone Grantee.

REQUEST FOR INFORMATION

This financial report is designed to provide a general overview of the Commission's finances for all those with interest in the government's finances. NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. The Reporting Entity

The Pensacola-Escambia County Promotion and Development Commission ("the Commission") was established by the Legislature of the State of Florida to promote and develop tourism and industry in Escambia County and in the City of Pensacola. The Commission is governed by a nine member board consisting of representatives of the Board of County Commissioners of Escambia County, the City of Pensacola City Council, the Town of Century and the Greater Pensacola Chamber. The Commission is a joint venture of Escambia County and the City of Pensacola and is economically dependent on funding from these entities.

B. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the Commission.

The basis of accounting refers to when revenues, expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, revenues are considered to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting.

There are no material differences between the accrual basis of accounting and the modified accrual basis of accounting in the Commission's financial statements. Accordingly, separate financial statements have not been prepared for the General Fund.

The Commission reports the following fund:

Governmental Fund

The General Fund is used to account for all financial resources except those required to be accounted for in another fund.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. General Budget Policies

The Board approves total budget appropriations only. Management is authorized to transfer budget amounts between department and object codes. However, any revisions that alter the total appropriations must be approved by the Board. Therefore, the level of budgetary responsibility is by total appropriations. The operating budget amounts are supported by revenue estimates and take into account re-appropriations of accumulated surpluses to the extent necessary.

Formal budgetary integration is employed as a management device during the year.

D. Budgetary Basis of Accounting

The budget is prepared in accordance with generally accepted accounting principles.

The budget amounts shown in the financial statements are the final authorized amounts as amended during the year.

E. Restricted and Unrestricted Resources

When an expense is incurred for purposes for which both restricted and unrestricted resources are available, it is the Commission's policy to use restricted resources first, then unrestricted resources as they are needed. Within the unrestricted category, committed resources are used first, then assigned resources, if any, followed by unassigned resources as needed. The Commission establishes (and modifies or rescinds) net asset commitments by passage of a Board of Directors resolution.

F. Assets, Liabilities, and Deferred Inflows

Rent Receivable

Rent receivable is stated at the amount the Commission is entitled to under the agreement for property held for resale further described in Note 4. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of the receivables. If any portion of the rent due under the agreement is still outstanding after management has used reasonable collection efforts, such amount will be written off through a charge to the valuation allowance and a credit to the applicable rent receivable account. As of September 30, 2022, management believes all amounts are collectible and therefore has not reserved an allowance for uncollectible rent.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Assets, Liabilities, and Deferred Inflows (Continued)

Refundable Advance

The Commission recognizes assets and liabilities associated with voluntary nonexchange transactions when all applicable eligibility requirements are met or the resources are received, whichever is first. When resources are received in advance of eligibility requirements being met, the Commission records such funding as a refundable advance until all eligibility requirements and stipulations associated with the funding have been met, at which point in time, the funding is recognized as revenue.

Deferred Inflows of Resources

The Commission has implemented the provisions of GASB Statement Nos. 63 and 65. Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*, provides financial reporting guidance for deferred outflows and inflows of resources, originally introduced and defined in GASB Concepts Statement No. 4, *Elements of Financial Statements*, as an acquisition or consumption, respectively, of net assets applicable to a future reporting period. Further, Concepts Statement No. 4 also identifies net position as the residual of all other elements presented in a Statement of Net Position. Statement No. 65, *Items Previously Reported As Assets and Liabilities*, reclassifies and recognizes certain items that were formerly reported as assets and liabilities as one of the four financial statement elements, (1) deferred outflows of resources, (2) outflows of resources, (3) deferred inflows of resources, and (4) inflows of resources. Concepts Statement No. 4 requires that deferred outflows and deferred inflows be recognized only in those instances specifically identified in GASB pronouncements. Statement No. 65 provides that guidance.

The Commission reports increases and decreases in net position that relate to future periods as deferred inflows of resources and deferred outflows of resources, respectively, in a separate section of the statement of net position.

NOTE 2 - CASH AND INVESTMENTS

The investment of surplus funds is governed by the provisions of Section 218.415, Florida Statutes, as to the types of investments that can be made. Investments authorized by the statute include:

(a) The Local Government Surplus Funds Trust Fund, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act, as provided in Section 163.01.
(b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency.
(c) Interest-bearing time deposits or savings accounts in qualified public depositories, as defined in Section 280.02.
(d) Direct obligations of the U.S. Treasury.

NOTE 2 - CASH AND INVESTMENTS (Continued)

The Commission has no investment policy that would further limit its investment choices.

Deposits:

Chapter 280, Florida Statutes, provides that deposits must be placed in a depository designated under the provisions of Chapter 136 and the regulations of the Department of Banking and Finance as a qualified public depository. As such, these deposits are considered to be fully insured.

The Commission's deposits at year end were entirely covered by federal depository insurance or pooled collateral held by the State Treasurer under the provisions of Chapter 280, Florida Statutes. At September 30, 2022, the carrying amount of the Commission's deposits was $815,738 and the bank balance was $852,904.

NOTE 3 - TECHNOLOGY PARK

In 2008, the Commission entered into an interlocal agreement (the "Agreement") with Escambia County (the "County"), the City of Pensacola (the "City") and the Community Redevelopment Agency ("CRA") of the City of Pensacola to develop a Technology Park in downtown Pensacola. Pursuant to the Agreement, the County and the City conveyed certain property to the Commission with a fair value of $6,900,000 and $1,425,000, respectively. The development of the Technology Park has been completed and the property is now considered to be held for resale. During the year ended September 30, 2013, the Commission recorded a fair value adjustment of $5,718,106 to account for a decrease in fair value of the Technology Park property.

Under the Agreement, this property was conveyed to the Commission subject to a right of re-entry if certain goals were not met. The County provided a line of credit to fund development of the Technology Park infrastructure. Also, the County and City were to receive 83% and 17%, respectively, of the proceeds from sales of lots in the Technology Park after the County was reimbursed for all funding provided with the line of credit.

During 2013, the Agreement was amended so that County and City no longer require the Commission to reimburse the respective property interests conveyed unto it. The forgiveness of debt totaling $4,069,512 was recorded in the statement of activities. Net proceeds from the sale of lots will be applied to the County line of credit until the line of credit is repaid in its entirety, at which time any additional proceeds from the sale of lots will remain with the Commission for future economic development projects. See Note 6 for further information.

NOTE 3 - TECHNOLOGY PARK (Continued)

Once eighty percent of the developable square footage of the Technology Park has been conveyed by the Commission to a third party, the net ad valorem property tax received by the City and by the County from the properties within the Technology Park shall be applied to repayment of any remaining balance on the line of credit.

Infrastructure costs of $3,243,106 have been capitalized, of which $1,926,938 were funded by the County. The remaining infrastructure costs of $1,316,168 were funded by a grant.

The following is a summary of the carrying value of the Technology Park property and the associated liability due to the County as of September 30, 2022:

	County	City	Total
Initial land conveyance	$ 6,900,000	$ 1,425,000	$ 8,325,000

The Technology Park payable accrues interest at the monthly yield rate required by the State Board of Administration for inter-fund loans and the County Investment Policy (2.61% at September 30, 2022)

NOTE 4 - PROPERTY HELD FOR RESALE

During the year ended September 30, 2022, the Commission entered into a collaborative agreement with Pegasus Laboratories, Inc. (“Pegasus”) to finance the purchase of land and a warehouse for $8.4 million from a third-party for use by Pegasus. The purchase was partially financed by the Commission with Triumph grant funding in the amount of $2.5 million, with the remaining $5.9 million financed by a promissory note payable to Pegasus. The Commission will retain ownership of the warehouse and will lease the space to the Pegasus throughout the incentive period of the grant, at which point the Commission will transfer ownership of the facility to Pegasus, if certain conditions have been met.

NOTE 4 - PROPERTY HELD FOR RESALE (Continued)

The warehouse is classified by the Commission as property held for resale, and as such, the facility will not be depreciated. As of September 30, 2022, the Commission had rent receivable and deferred inflows of resources representing unearned rent revenue, each in the amount of $2.5 million, relating to the arrangement. The Commission also had an outstanding note payable of $5.8 million due under the promissory note due to Pegasus. In addition, the $2.5 million Triumph grant funding is considered a refundable advance within the statement of net position until certain conditions of the grant agreement have been satisfied.

NOTE 5 - NOTE PAYABLE

The note payable is summarized as follows:

Note payable to private company, monthly payments of $30,184 including interest at 2.12%, matures April 1, 2032	$ 5,780,914

Scheduled maturities of the note payable are as follows:

Year ending September 30,	
2023	$ 221,628
2024	246,735
2025	252,016
2026	257,411
2027	262,922
Thereafter	4,540,202
	$ 5,780,914

NOTE 6 - NET POSITION

Restricted net position includes $61,198 contributed by the Emerald Coast Utilities Authority, which is restricted for economic development in the General Fund.

Committed net position includes $52,309 of funds for future commerce park marketing and/or improvements.

NOTE 7 - RISK MANAGEMENT

The Commission is exposed to various levels of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. To mitigate some of those risks, the Commission maintains a directors and officers liability policy and a commercial general liability policy. There have been no losses for these risks in any of the prior three fiscal years, and the Commission is not aware of any material liabilities related to these risks as of September 30, 2022.

NOTE 8 - COMMITMENTS AND CONTINGENCIES

FloridaWest Promotion Commitment:

The Commission has engaged the Community Economic Development Association, Inc. d/b/a FloridaWest Economic Development Alliance to promote economic development for the year ending September 30, 2023 for a fee of $675,000.

Bluffs Contract Commitments:

The Commission has outstanding contract commitments relating to the Bluffs Project totaling $174,900.

Triumph Gulf Coast Grant:

As described in Note 4, the Commission has received grant funding relating to an economic development incentive project upon which certain conditions must be met in order for the Commission to recognize revenue and retain the funds. The funding has been recorded in the statement of net position as a refundable advance. As of September 30, 2022, the Commission has not yet met those conditions. In the event conditions are not met, the Commission will have to return the $2.5 million of funding received.

Technology Park Agreement:

As discussed in Note 3, the Commission entered into, and later amended, the "Agreement with the County, the City and the CRA of the City to develop a Technology Park in downtown Pensacola". Under the amended agreement, the City and County have a right of re-entry on the property if the Commission does not sell at least one lot or enter into a long-term lease, not less than 15 years in duration, of at least one lot by September 6, 2016. As of September 30, 2022, the Commission has not yet sold or entered into a long-term lease for any of the Technology Park lots. However, neither the County nor the City had indicated that they will exercise their right of re-entry.

OTHER REPORTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Pensacola-Escambia County Promotion
and Development Commission
Pensacola, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Pensacola-Escambia County Promotion and Development Commission (the "Commission") as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the Commission's basic financial statements, and have issued our report thereon dated December 9, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Commission's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. Accordingly, we do not express an opinion on the effectiveness of the Commission's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Directors
Pensacola-Escambia County Promotion
and Development Commission

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Commission's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

Board of Directors
Pensacola-Escambia County Promotion
And Development Commission
Pensacola, Florida

We have examined Pensacola-Escambia County Promotion and Development Commission's (the "Commission's") compliance with Section 218.415, Florida Statutes, regarding the investment of public funds during the year ended September 30, 2022. Management is responsible for the Commission's compliance with those requirements. Our responsibility is to express an opinion on the Commission's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Commission's compliance with those requirements and performing such procedures as we considered necessary in the circumstances. We believe that our examination provided a reasonable basis for our opinion. Our examination does not provide a legal determination on the Commission's compliance with specified requirements.

In our opinion, the Commission complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2022.

This report in intended solely for the information and use of the Commission and the Auditor General, State of Florida, and is not intended to be and should not be used by anyone other than these specified parties.

MANAGEMENT LETTER

To the Board of Directors
Pensacola-Escambia County Promotion
and Development Commission
Pensacola, Florida

Report on the Financial Statements

We have audited the financial statements of the Pensacola-Escambia County Promotion and Development Commission (the "Commission"), as of and for the fiscal year ended September 30, 2022, and have issued our report thereon dated December 9, 2022.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*. Disclosures in this report, which is dated December 9, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding annual financial audit report.

Board of Directors
Pensacola-Escambia County Promotion
and Development Commission

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The official title for the Pensacola-Escambia County Promotion and Development Commission is disclosed in the notes to the financial statements. The Pensacola-Escambia County Promotion and Development Commission was established by Chapters 67-1365 and 89-481, Laws of Florida. There are no component units.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the Commission has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the Commission did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Section 10.554(1)(i)5.c. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Commission. It is management's responsibility to monitor the Commission's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Community Economic Development Association
of Pensacola and Escambia County, Inc.
(d/b/a FloridaWest Economic Development Alliance)
Pensacola, Florida

Opinion

We have audited the accompanying financial statements of the Community Economic Development Association of Pensacola and Escambia County, Inc. (d/b/a FloridaWest Economic Development Alliance) ("FloridaWest"), which comprise the statements of financial position as of September 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of FloridaWest as of September 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FloridaWest and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FloridaWest's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Board of Directors
Community Economic Development Association
of Pensacola and Escambia County, Inc.
(d/b/a FloridaWest Economic Development Alliance)

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FloridaWest's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FloridaWest's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization:

The Community Economic Development Association of Pensacola and Escambia County, Inc. (d/b/a FloridaWest Economic Development Alliance) ("FloridaWest") is a not-for-profit corporation incorporated on September 23, 2014, to promote business development in Pensacola and Escambia County. Its primary means of support is from local governments, its members, and rents from the incubator project.

Financial Statement Presentation:

FloridaWest is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Contributions received are reported as without donor restrictions or with donor restrictions depending on the existence or nature of any donor restrictions.

Cash and Cash Equivalents:

For purposes of the statements of cash flows, all highly liquid investments with an original maturity of less than three months are considered to be cash equivalents.

Contributions and Local Government Funding:

Contributions and local government funding received are recorded as without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions. When the restrictions expire, donor-restricted net assets are reclassified to net assets without donor restrictions and are reported in the statement of activities as *net assets released from restrictions*. Donor-restricted contributions are classified as revenue without donor restrictions if the restrictions are met in the same reporting period in which the contributions are received. There were no donor-restricted net assets at September 30, 2023 or 2022.

FloridaWest also receives funding in the form of membership dues and investor dues from local businesses. Businesses that pay membership dues receive voting privileges in FloridaWest in exchange for their annual dues. Businesses that pay investor dues do not receive voting privileges. Income from membership and investor dues are recognized in the period to which the dues relate. Dues which are not yet earned are presented as deferred membership dues in the accompanying Statements of Financial Position. Deferred membership dues at September 30, 2023 and 2022 totaled $40,000 and $0, respectively.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment:

Property and equipment acquired through purchase is recorded at cost. Donated property and equipment is recorded at estimated fair value at the date received. The cost of maintenance and repairs is charged to expense as incurred; significant renewals and betterments are capitalized. The capitalization policy for FloridaWest requires applicable costs be recorded as property and equipment when amounts equal or exceed $1,000. Property and equipment is depreciated using the straight-line method over the estimated useful lives as follows:

Furniture, fixtures, and equipment	5 - 15 years
Computer equipment	5 years
Leasehold improvements	4 - 7 years

Allocation of Expenses:

Directly identifiable expenses are charged to programs and supporting services. Payroll and related expenses are charged to programs and supporting services based on estimated time of each employee dedicated to each function. General and administrative expenses include primarily those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of FloridaWest.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Advertising Costs:

Advertising costs are expensed when incurred. Advertising costs for the years ended September 30, 2023 and 2022 amounted to $63,516 and $58,763, respectively.

Income Taxes:

FloridaWest is operating as a not-for-profit corporation, under Section 501(c)(6) of the Internal Revenue Code and is not subject to income taxes with the exception of unrelated business income. Accordingly, no provision for income taxes has been recorded in the financial statements.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases:

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2016-02, *Leases (Topic 842)* ("ASU 2016-02"), which supersedes the requirements in Accounting Standards Codification Topic 840, *Leases*. The update required business and not-for-profit entities to recognize lease assets and liabilities on the statement of financial position and to disclose key information about leasing arrangements. A lessee recognizes a liability to make lease payments and a right-of-use asset representing its right to use the leased asset. FloridaWest adopted the standard effective October 1, 2022, using the modified retrospective transition method permitted by ASU 2018-11.

FloridaWest's lessee arrangements include operating leases for office space and equipment. Under these arrangements, FloridaWest records right-of-use ("ROU") assets and corresponding lease liabilities, each of which is based on the present value of the remaining lease payments discounted using the risk-free rate practical expedient allowable under ASC 842. ROU assets are reported as noncurrent assets and the related lease liabilities are reported in current and long-term liabilities on the statement of financial position. Lease terms may contain renewal and extension options and early termination features. Lease expense is recognized on a straight-line basis over the lease term.

Subsequent Events:

Management has evaluated subsequent events through January 5, 2024, which is the date the financial statements were available to be issued.

NOTE 2 - PROPERTY AND EQUIPMENT

Property and equipment and related accumulated depreciation consist of the following:

	2023	2022
Furniture, fixtures and equipment	$ 43,932	$ 43,932
Computer equipment	27,092	27,092
	71,024	71,024
Less accumulated depreciation	(58,392)	(52,693)
Property and equipment, net	$ 12,632	$ 18,331

Depreciation expense totaled $5,699 and $6,070 for the years ended September 30, 2023 and 2022, respectively.

NOTE 3 - BENEFIT PLAN

FloridaWest has a 401(k)-plan covering substantially all employees who have met certain service requirements. Contributions to the plan amounted to $10,399 and $16,411 for the years ended September 30, 2023 and 2022, respectively.

NOTE 4 - USE OF RESERVES

During the year ended September 30, 2022, FloridaWest utilized funds reserved by the Board of Directors from within net assets without donor restrictions in the amount of $55,400 to finance the costs associated with the development of a five-year strategic plan. This amount was included in professional fees in the Statement of Functional Expenses.

NOTE 5 - COMMITMENTS AND CONTINGENCIES

Concentration – Major Support:

FloridaWest receives a substantial amount of its support from local governments. A significant reduction in the level of this support would impact FloridaWest's programs and activities.

Concentration of Credit Risk – Uninsured Cash Balances:

Demand deposits held at financial institutions are insured by the Federal Deposit Insurance Corporation ("FDIC") up to certain limits. At September 30, 2023, FloridaWest had uninsured balances of $278,011.

Contract:

FloridaWest contracted with a marketing firm for the period October 1, 2023 to September 30, 2024. The contract commitment remaining as of September 30, 2023 was $69,000.

NOTE 6 - LEASES

FloridaWest leases office facilities and equipment under operating leases expiring though January 2029. As of September 30, 2023, the ROU assets related to the operating leases totaled $404,011 and the lease liabilities totaled $382,199. Rent expense totaled $110,989 and $107,651 for the years ended September 30, 2023 and 2022 and is included in program and general and administrative expenses on the accompanying statements of activities. The following table presents supplemental information pertaining to the operating leases as of and for the year ended September 30, 2023:

Operating cash flows from operating leases	$	108,973
ROU assets obtained in exchange for new operating lease liabilities	$	497,526
Weighted-average remaining lease term in years for operating leases		4.55
Weighted-average discount rate for operating leases		3.96%

The following table presents the maturities of FloridaWest's operating lease liabilities and the present value discount at September 30, 2023:

2024	$	111,047
2025		110,448
2026		55,575
2027		58,500
2028		61,425
Thereafter		20,800
Total undiscounted cash flows		417,795
Less: present value discount		(35,596)
Total lease liabilities	$	382,199

Subleases:

FloridaWest subleases office space to tenants under cancelable operating leases. Sublease rental income amounted to $90,271 and $57,988 for the years ended September 30, 2023 and 2022, respectively. As of September 30, 2023, minimum rental income under subleases for fiscal year 2024 is $49,661. FloridaWest has a maximum of four renewal years until the sublease is considered a graduated lease, which can no longer be extended.

NOTE 7 - LIQUIDITY

FloridaWest's financial assets available within one year of the statement of financial position date for general expenditure are as follows as of September 30, 2023 and 2022, respectively:

	2023	2022
Cash and cash equivalents	$ 512,025	$ 466,467

As part of FloridaWest's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Community Economic Development Association
of Pensacola and Escambia County, Inc.
(d/b/a FloridaWest Economic Development Alliance)
Pensacola, Florida

Opinion

We have audited the accompanying financial statements of the Community Economic Development Association of Pensacola and Escambia County, Inc. (d/b/a FloridaWest Economic Development Alliance) ("FloridaWest"), which comprise the statements of financial position as of September 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of FloridaWest as of September 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FloridaWest and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FloridaWest's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Board of Directors
Community Economic Development Association
of Pensacola and Escambia County, Inc.
(d/b/a FloridaWest Economic Development Alliance)

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FloridaWest's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FloridaWest's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization:

The Community Economic Development Association of Pensacola and Escambia County, Inc. (d/b/a FloridaWest Economic Development Alliance) ("FloridaWest") is a not-for-profit corporation incorporated on September 23, 2014, to promote business development in Pensacola and Escambia County. Its primary means of support is from local governments, its members, and rents from the incubator project.

Financial Statement Presentation:

FloridaWest is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Contributions received are reported as without donor restrictions or with donor restrictions depending on the existence or nature of any donor restrictions.

Cash and Cash Equivalents:

For purposes of the statements of cash flows, all highly liquid investments with an original maturity of less than three months are considered to be cash equivalents.

Contributions and Local Government Funding:

Contributions and local government funding received are recorded as without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions. When the restrictions expire, donor-restricted net assets are reclassified to net assets without donor restrictions and are reported in the statement of activities as *net assets released from restrictions*. Donor-restricted contributions are classified as revenue without donor restrictions if the restrictions are met in the same reporting period in which the contributions are received. There were no donor-restricted net assets at September 30, 2022 or 2021.

FloridaWest also receives funding in the form of membership dues and investor dues from local businesses. Businesses that pay membership dues receive voting privileges in FloridaWest in exchange for their annual dues. Businesses that pay investor dues do not receive voting privileges. Income from membership and investor dues are recognized in the period to which the dues relate. Dues which are not yet earned are presented as deferred membership dues in the accompanying Statements of Financial Position. There were no deferred membership dues at September 30, 2022 or 2021.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment:

Property and equipment acquired through purchase is recorded at cost. Donated property and equipment is recorded at estimated fair value at the date received. The cost of maintenance and repairs is charged to expense as incurred; significant renewals and betterments are capitalized. The capitalization policy for FloridaWest requires applicable costs be recorded as property and equipment when amounts equal or exceed $1,000. Property and equipment is depreciated using the straight-line method over the estimated useful lives as follows:

Furniture, fixtures, and equipment	5 - 15 years
Computer equipment	5 years
Leasehold improvements	4 - 7 years

Allocation of Expenses:

Directly identifiable expenses are charged to programs and supporting services. Payroll and related expenses are charged to programs and supporting services based on estimated time of each employee dedicated to each function. General and administrative expenses include primarily those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of FloridaWest.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Advertising Costs:

Advertising costs are expensed when incurred. Advertising costs for the years ended September 30, 2022 and 2021 amounted to $58,763 and $152,957, respectively.

Income Taxes:

FloridaWest is operating as a not-for-profit corporation, under Section 501(c)(6) of the Internal Revenue Code and is not subject to income taxes with the exception of unrelated business income. Accordingly, no provision for income taxes has been recorded in the financial statements.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Upcoming Accounting Pronouncement:

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2016-02, *Leases (Topic 842)* ("ASU 2016-02"). The guidance in this topic supersedes the requirements in Accounting Standards Codification Topic 840, *Leases*. The update will require business and not-for-profit entities to recognize lease assets and liabilities on the statement of financial position and to disclose key information about leasing arrangements. A lessee would recognize a liability to make lease payments and a right-of-use asset representing its right to use the leased asset for the lease term. ASU 2016-02 is effective for fiscal years beginning after December 15, 2021. Management is currently assessing the impact that adoption of ASU 2016-02 will have on FloridaWest's financial statements.

Subsequent Events:

Management has evaluated subsequent events through December 2, 2022, which is the date the financial statements were available to be issued.

NOTE 2 - PROPERTY AND EQUIPMENT

Property and equipment and related accumulated depreciation consist of the following:

	2022	2021
Furniture, fixtures and equipment	$ 43,932	$ 45,274
Computer equipment	27,092	25,978
	71,024	71,252
Less accumulated depreciation	(52,693)	(47,965)
Property and equipment, net	$ 18,331	$ 23,287

Depreciation expense totaled $6,070 and $8,939 for the years ended September 30, 2022 and 2021, respectively.

NOTE 2 - PROPERTY AND EQUIPMENT (Continued)

On September 16, 2020, Hurricane Sally hit the Gulf Coast and caused significant damage to the incubator facility. Management determined all leasehold improvements made to the incubator facility were damaged. Leasehold improvements totaling $135,545 and accumulated depreciation totaling $67,453 were removed from property and equipment and a loss of $68,092 was recognized for the year ended September 30, 2020. FloridaWest received $150,000 in insurance proceeds during the year ended September 30, 2021. Expenses incurred related to hurricane renovations and paid by the insurance proceeds are presented on the Statements of Functional Expenses as Incubator hurricane repair.

NOTE 3 - BENEFIT PLAN

FloridaWest has a 401(k)-plan covering substantially all employees who have met certain service requirements. Contributions to the plan amounted to $16,411 and $18,923 for the years ended September 30, 2022 and 2021, respectively.

NOTE 4 - USE OF RESERVES

During the year ended September 30, 2022, FloridaWest utilized funds reserved by the Board of Directors from within net assets without donor restrictions in the amount of $55,400 to finance the costs associated with the development of a five-year strategic plan.

NOTE 5 - COMMITMENTS AND CONTINGENCIES

Concentration – Major Support:

FloridaWest receives a substantial amount of its support from local governments. A significant reduction in the level of this support would impact FloridaWest's programs and activities.

Concentration of Credit Risk – Uninsured Cash Balances:

Demand deposits held at financial institutions are insured by the Federal Deposit Insurance Corporation ("FDIC") up to certain limits. At September 30, 2022, FloridaWest had uninsured balances of $242,938.

NOTE 5 - COMMITMENTS AND CONTINGENCIES (Continued)

Operating Leases:

FloridaWest leases office facilities under an operating lease expiring in January 2024. Rent expense for this lease amounted to $49,673 and $48,226 for the years ended September 30, 2022 and 2021, respectively, and is included in general and administrative expenses. FloridaWest also leases office facilities under an operating lease expiring in June 2026 Rent expense amounted to $51,172 and $30,859 for the years ended September 30, 2022 and 2021, respectively, and is included in incubator program expenses. Future minimum lease payments under the leases at September 30, 2022 are as follows:

2023	$ 99,000
2024	67,272
2025	51,172
2026	38,379
	$ 255,823

Subleases:

FloridaWest subleases office space to tenants under cancelable operating leases. In September 2020, Hurricane Sally damaged the office space and tenants were unable to occupy the space during much of the year ended September 30, 2021. Office space was renovated during the majority of fiscal year 2021, and most tenants did not move back in. Tenants were not being charged rent during the renovation period. Sublease rental income amounted to $57,988 and $1,115 for the years ended September 30, 2022 and 2021, respectively. As of at September 30, 2022, minimum rental income under subleases for fiscal year 2023 is $23,297 FloridaWest has a maximum of four renewal years until the sublease is considered a graduated lease, which can no longer be extended.

Contract:

FloridaWest contracted with a marketing firm for the period July 1, 2022 to December 31, 2022. The contract commitment remaining as of September 30, 2022 was $13,500.

COVID-19:

FloridaWest is continually monitoring the potential impact of the COVID-19 pandemic and its effects on the financial statements. The extent to which the COVID-19 pandemic impacts FloridaWest going forward will depend on numerous evolving factors, which the organization cannot reliably predict. The financial statements do not contain any adjustments that might result from the outcome of this uncertainty.

NOTE 6 - LIQUIDITY

FloridaWest's financial assets available within one year of the statement of financial position date for general expenditure are as follows as of September 30, 2022 and 2021, respectively:

	2022	2021
Cash and cash equivalents	$ 466,467	$ 620,352

As part of the FloridaWest's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Community Economic Development Association
of Pensacola and Escambia County, Inc.
(d/b/a FloridaWest Economic Development Alliance)
Pensacola, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the Community Economic Development Association of Pensacola and Escambia County, Inc. (d/b/a FloridaWest Economic Development Alliance) ("FloridaWest"), which comprise the statements of financial position as of September 30, 2021 and 2020, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of FloridaWest as of September 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization:

The Community Economic Development Association of Pensacola and Escambia County, Inc. (d/b/a FloridaWest Economic Development Alliance) ("FloridaWest") is a not-for-profit corporation incorporated on September 23, 2014, to promote business development in Pensacola and Escambia County. Its primary means of support is from local governments, its members, and rents from the incubator project.

Financial Statement Presentation:

FloridaWest is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Contributions received are reported as without donor restrictions or with donor restrictions depending on the existence or nature of any donor restrictions.

Cash and Cash Equivalents:

For purposes of the statements of cash flows, all highly liquid investments with an original maturity of less than three months are considered to be cash equivalents.

Contributions and Local Government Funding:

Contributions and local government funding received are recorded as without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions. When the restrictions expire, donor-restricted net assets are reclassified to net assets without donor restrictions and are reported in the statement of activities as *net assets released from restrictions*. Donor-restricted contributions are classified as revenue without donor restrictions if the restrictions are met in the same reporting period in which the contributions are received. There were no donor-restricted net assets at September 30, 2021.

FloridaWest also receives funding in the form of membership dues and investor dues from local businesses. Businesses that pay membership dues receive voting privileges in FloridaWest in exchange for their annual dues. Businesses that pay investor dues do not receive voting privileges. Income from membership and investor dues are recognized in the period to which the dues relate. Dues which are not yet earned are presented as deferred membership dues in the accompanying Statements of Financial Position.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable:

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual receivables. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to the applicable accounts receivable.

Property and Equipment:

Property and equipment acquired through purchase is recorded at cost. Donated property and equipment is recorded at estimated fair value at the date received. The cost of maintenance and repairs is charged to expense as incurred; significant renewals and betterments are capitalized. The capitalization policy for FloridaWest requires applicable costs be recorded as property and equipment when amounts equal or exceed $1,000. Property and equipment is depreciated using the straight-line method over the estimated useful lives as follows:

Furniture, fixtures, and equipment	5 - 15 years
Computer equipment	5 years
Leasehold improvements	4 - 7 years

Allocation of Expenses:

Directly identifiable expenses are charged to programs and supporting services. Payroll and related expenses are charged to programs and supporting services based on estimated time of each employee dedicated to each function. General and administrative expenses include primarily those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of FloridaWest.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Advertising Costs:

Advertising costs are expensed when incurred. Advertising costs for the years ended September 30, 2021 and 2020 amounted to $152,957 and $52,525, respectively.

Income Taxes:

FloridaWest is operating as a not-for-profit corporation, under Section 501(c)(6) of the Internal Revenue Code and is not subject to income taxes with the exception of unrelated business income. Accordingly, no provision for income taxes has been recorded in the financial statements.

Subsequent Events:

Management has evaluated subsequent events through November 29, 2021, which is the date the financial statements were available to be issued.

NOTE 2 - PROPERTY AND EQUIPMENT

Property and equipment and related accumulated depreciation consist of the following:

	2021	2020
Furniture, fixtures and equipment	$ 45,274	$ 44,010
Computer equipment	25,978	38,626
	71,252	82,636
Less accumulated depreciation	(47,965)	(50,301)
Property and equipment, net	$ 23,287	$ 32,335

Depreciation expense totaled $8,939 and $40,448 for the years ended September 30, 2021 and 2020, respectively.

On September 16, 2020, Hurricane Sally hit the Gulf Coast and caused significant damage to the incubator facility. Management determined all leasehold improvements made to the incubator facility were damaged. Leasehold improvements totaling $135,545 and accumulated depreciation totaling $67,453 were removed from property and equipment and a loss of $68,092 was recognized for the year ended September 30, 2020.

NOTE 3 - GENERAL AND ADMINISTRATIVE EXPENSES

General and administrative expenses consist of the following:

	2021	2020
Salaries and benefits	$ 204,758	$ 191,221
Professional services	32,820	36,026
Office	33,160	51,802
Rent	48,226	46,843
Travel	9,834	10,600
Depreciation	8,939	40,448
Other	6,611	6,787
	$ 344,348	$ 383,727

NOTE 4 - BENEFIT PLAN

FloridaWest has a 401(k)-plan covering substantially all employees who have met certain service requirements. Contributions to the plan amounted to $18,923 and $18,443 for the years ended September 30, 2021 and 2020, respectively.

NOTE 5 - COMMITMENTS AND CONTINGENCIES

Concentration - Major Support:

FloridaWest receives a substantial amount of its support from local governments. A significant reduction in the level of this support may have an effect on FloridaWest's programs and activities.

Concentration of Credit Risk - Uninsured Cash Balances:

Demand deposits held at financial institutions are insured by the Federal Deposit Insurance Corporation ("FDIC") up to certain limits. At September 30, 2021, the FloridaWest had uninsured balances of $492,888.

NOTE 5 - COMMITMENTS AND CONTINGENCIES (Continued)

Operating Leases:

FloridaWest leases office facilities under an operating lease expiring in January 2024. Rent expense for this lease amounted to $48,226 and $46,843 for the years ended September 30, 2021 and 2020, respectively, and is included in general and administrative expenses. FloridaWest also leases office facilities under an operating lease expiring in June 2026. Rent expense amounted to $30,859 and $46,875 for the years ended September 30, 2021 and 2020, respectively, and is included in program services expenses. Future minimum lease payments under the leases at September 30, 2021 are as follows:

2022	$ 102,678
2023	104,078
2024	72,350
2025	56,250
	$ 335,356

Subleases:

FloridaWest subleases office space to tenants under cancelable operating leases. In September 2020, Hurricane Sally damaged the office space and tenants were unable to occupy the space. Office space was renovated during the majority of the year, and most tenants did not move back in. Tenants were not being charged rent during the renovation period.

Sublease rental income amounted to $1,115 and $105,340 for the years ended September 30, 2021 and 2020, respectively.

COVID-19:

During the year ended September 30, 2020, Coronavirus Disease 2019 ("COVID-19") became a pandemic. The full impact of the COVID-19 outbreak continues to evolve as of the date of the report. As such, it is very uncertain as to the full magnitude that the pandemic will have on FloridaWest. Management is actively monitoring its financial condition, liquidity, operations, and workforce. Given the evolution of the COVID-19 outbreak, FloridaWest is not able to estimate the effects of the outbreak on its results of operations, financial condition, or liquidity.

NOTE 6 - LIQUIDITY

FloridaWest's financial assets available within one year of the statement of financial position date for general expenditure are as follows as of September 30, 2021:

	2021	2020
Cash and cash equivalents	$ 620,352	$ 574,644
Accounts receivable	-	1,426
Membership dues receivable	-	55,000
	$ 620,352	$ 631,070

As part of the FloridaWest's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

TO: Community Partners
RE: Requests for funding for Fiscal Year (FY) 2025

Dear Potential Funding Recipient:

Attached please find the Escambia County Community Partner Funding Request Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 1, 2024.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is appreciated. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is **an application check list** to ensure all required documents are submitted. Please check each box to confirm all required documents are included with your new funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,

Stephan Hall

FISCAL YEAR 2025

ESCAMBIA COUNTY
AGENCY FUNDING REQUEST APPLICATION

All agencies requesting funding from Escambia County must submit the below-listed information and complete the attached form. Failure to submit all required information or to complete the form will remove your organization from consideration for funding. Please submit the completed application packet electronically to **Budget@myescambia.com**.

DEADLINE - Monday, April 1, 2024

ELIGIBILITY CRITERIA:

Organizations eligible to apply for funding must:

- Demonstrate funding received from sources other than local governments in an amount at least equal to the amount requested from Escambia County.
- Tax-exempt under Section 501(c)(3) of the Internal Revenue Code, independent of a financial sponsor (local affiliates may apply under the 501(c)(3) of the national organization).
- Located in and serve residents of Escambia County.
- Provide at least 3 full years (36 months) of independently prepared, audited or reviewed financial statements or tax returns, unless organization was formed within the last 3 years.
- Not a recipient of Community Partner funding for more than 3 fiscal years unless the organization serves a government purpose OR for years 4 and beyond, funding must reduce at rate of at least 5% per year.
- The Board of County Commissioners retains the right to waive the eligibility criteria.

APPLICANTS SHOULD:

- Explain why receiving funding would have an especially significant impact on their organization.
- Have a mission and programs or services that serves a governmental program or citizen focused mission.
- Submit a proposed budget where government funding does not exceed 50% of annual operating budget unless in first 3 years of operation or mandated by statutory or another regulatory requirement.
- Plan to expend funds within 12 months.

Funds may be provided for programs, services, necessary infrastructure or other initiatives that support the organization's core mission. **Funds will not be provided for:**

- debt reduction, operating deficits, interim or bridge funding or endowment funding,
- individuals or private foundations,
- activities that are religious or political in nature,
- fund drives, annual appeals, fundraising events or general capital campaigns, and
- salaries that do not directly impact the program unless mandated by statutory or regulatory requirement.

When submitting your completed application with all required documents, provide your documents in original Word format or a direct PDF of the Word document. **Please limit scanned documents as much as possible.**

APPLICATION CHECKLIST (Required)

- __ Submit a fully completed Agency Funding Request Application
- __ Submit a copy of your organization's current W-9
- __ Submit the Letter of Determination from the IRS confirming your organization's federally tax-exempt status

25-Word Description of Program: To formalize and organize federal advocacy efforts for the military missions in Escambia and Santa Rosa Counties of Northwest Florida.

_____

How many years has your organization been providing services in the County? __6 Months___

How many years has your organization received funding from the County? _____6 Months___

Explain how receiving funds from the County would have a significant impact on your organization: Funding will support the continued start-up of this organization with one full-time employee, the assistance of a local retired high-ranking military officer on a part-time basis, and services of a uniquely experienced DC consultant with targeted travel focusing specifically on issues in support of local military missions, personnel, and dependents.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: __$75,000_____

Briefly discuss how last year's funds were used? Funds thus far have been used to begin the process of standing up the organization, hire one full-time staff member, and purchase required office equipment to begin operations.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County? The Northwest Florida Defense Coalition has been working with stakeholders and Federal leadership to advocate for funding for critical infrastructure and mission needs for NAS Pensacola. As DoD is more than 50% of the economic impact for Escambia County, these efforts are directly related to the viability of our community.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? This funding will be combined with investments from other governmental agencies, potential State grants, and private funds to support the strategy and drumbeat of engagement with federal agencies and legislative initiatives to continue to protect, grow and support the local military complex missions and installations.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: _N/A_____

_____

_____

_____

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how

have you partnered with those organizations in the area: The Greater Pensacola Chamber will continue to support the quality of life initiatives of military personnel and their families by hosting the Military Affairs Committee, with the support of the Northwest Florida Defense Coalition. There are no other local organizations focused specifically on advocacy for area military efforts.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. There are no other local organizations focused specifically on advocacy for area defense missions. NWFDC is uniquely positioned to carry-out this initiative due to the extensive experience of consultants, staff and partnerships already in place.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 50 %
- Percentage for direct programming costs: 50 %

If Escambia County funding can only fund a portion of your request, how will you offset the difference? This funding will be combined with investments from other local governmental agencies, potential State grants, and private funds to cover the organization's requirements.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: The funds may potentially be used as a match for the State of Florida's Defense Reinvestment Grant (DRG) with an award of up to $125,000 at a 30% match.

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. This funding will be combined with investments from other local governmental agencies, potential State grants, and private funds, but no other non-profit agencies. There is no duplication of funding as the investments offset specific expense requirements. _____

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY22	FY23	FY24	% Change
1.Regular coordinated engagement with Congressional/Pentagon Leadership to include County Officials. Four (4) direct engagements per year either in person or remote.		4	4	0%
2.Identify priority Federal budgetary "asks" for projects for MilCon, Appropriations, and/or Supplemental funding for local installations. Two (2) filed and monitored budgetary "ask" per year.		1	2	100%
3.Regular engagement with local installation leadership to keep a pulse on need, challenges and opportunities. Minimum monthly meetings with NASP leadership. Twelve (12) per year.		12	12	0%

2. Please list the goal performance measure(s) by which your organization will measure the success of your program if funding is received. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months utilizing County funding."

Program Goals	FY25
1. Minimum of quarterly coordinated engagement with Congressional/Pentagon Leadership to include County Officials.	4 engagements

2. Identify minimum of two (2) priority Federal budgetary “asks” for projects for MilCon, Appropriations, and/or Supplemental funding for local installations and/or key mission.	2 identified budgetary asks
3. Minimum of monthly engagement with local installation leadership to keep a pulse on needs, challenges and opportunities.	12 engagements

3. Please list the actual baseline statistics/agency metrics for the performance measure(s) as listed on the previous question on the application. Maximum of three. For example, "number of families successfully transitioned into permanent housing and stabilized for 6 months in previous fiscal year."

Baseline for Goals	FY25
1. Minimum of quarterly coordinated engagement with Congressional/Pentagon Leadership to include County Officials	4 engagements
2. Identify minimum of two (2) priority Federal budgetary “asks” for projects for MilCon, Appropriations, and/or Supplemental funding for local installations and/or key mission.	2 identified budgetary asks

BUDGET QUESTIONS

1. Does your agency run on Calendar Year, State Fiscal Year, or Fiscal Year? __Fiscal__
2. Please explain any discrepancies in the Expense Table and your agency's Financial Statements.__Please note that the Profit and Loss Statement provided is for Year-to-Date while the Expense Table is for a full year._____
3. Please explain any Net Income (Revenue less Expense) represented in the Expense Table above on the bottom row. What is the planned use for these left over/residual funds? Both the County Community Partners funding and State DRG grant are reimbursement grants, so payments must be made first. The State DRG funds are have been six-plus months of delay in reimbursements so funds must be available to front all expenses awaiting reimbursement. Additional funds will be used for future plans and studies which are identified during the program year.
4. Please list the salary of the top 5 employees, names and positions of your organization. If there are multiple agencies funded by or through your agency allocation, please add those employees to this list by agency.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 93-3848856. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for their business. Some taxpayers receive CP575 notices when another person has stolen their identity and are opening a business using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

Based on the information received from you or your representative, you must file the following forms by the dates shown.

Form 941	01/31/2024
Form 940	01/31/2024

If you have questions about the forms or the due dates shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification (corporation, partnership, etc.) based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2020-1, 2020-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

IMPORTANT INFORMATION FOR S CORPORATION ELECTION:
If you intend to elect to file your return as a small business corporation, an election to file a Form 1120-S, U.S. Income Tax Return for an S Corporation, must be made within certain timeframes and the corporation must meet certain tests. All of this information is included in the instructions for Form 2553, Election by a Small Business Corporation.

If you are required to deposit for employment taxes (Forms 941, 943, 940, 944, 945, CT-1, or 1042), excise taxes (Form 720), or income taxes (Form 1120), you will receive a Welcome Package shortly, which includes instructions for making your deposits electronically through the Electronic Federal Tax Payment System (EFTPS). A Personal Identification Number (PIN) for EFTPS will also be sent to you under separate cover. Please activate the PIN once you receive it, even if you have requested the services of a tax professional or representative. For more information about EFTPS, refer to Publication 966, *Electronic Choices to Pay All Your Federal Taxes*. If you need to make a deposit immediately, you will need to make arrangements with your Financial Institution to complete a wire transfer.

The IRS is committed to helping all taxpayers comply with their tax filing obligations. If you need help completing your returns or meeting your tax obligations, Authorized e-file Providers, such as Reporting Agents or other payroll service providers, are available to assist you. Visit www.irs.gov/mefbusproviders for a list of companies that offer IRS e-file for business products and services.

IMPORTANT REMINDERS:

* Keep a copy of this notice in your permanent records. This notice is issued only one time and the IRS will not be able to generate a duplicate copy for you. You may give a copy of this document to anyone asking for proof of your EIN.

* Use this EIN and your name exactly as they appear at the top of this notice on all your federal tax forms.

* Refer to this EIN on your tax-related correspondence and documents.

* Provide future officers of your organization with a copy of this notice.

Your name control associated with this EIN is NORT. You will need to provide this information along with your EIN, if you file your returns electronically.

Safeguard your EIN by referring to Publication 4557, Safeguarding Taxpayer Data: A Guide for Your Business.

You can get any of the forms or publications mentioned in this letter by visiting our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions about your EIN, you can contact us at the phone number or address listed at the top of this notice. If you write, please tear off the stub at the bottom of this notice and include it with your letter.

Thank you for your cooperation.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

TO: Community Partners
RE: Requests for funding for Fiscal Year (FY) 2025

Dear Potential Funding Recipient:

Attached please find the Escambia County Community Partner Funding Request Application, which will be used for budget allocation purposes for the upcoming fiscal year.

The deadline to submit completed applications is Monday, April 1, 2024.

The application provides you with adequate space to list all your organization's sources of revenue and your major categories of expenditures. When preparing the requested narratives, a clear and concise response is appreciated. If you need more space, please reference the appropriate question for your answers on any additional documentation. This information does not take the place of the requirements of the Tourist Development Council for TDC grant recipients.

Applications must be submitted electronically. When submitting your application, please follow all instructions and fill out the questions clearly. There is **an application check list** to ensure all required documents are submitted. Please check each box to confirm all required documents are included with your new funding request application.

Escambia County is committed to making information accessible. As part of that effort, documents delivered to Escambia County as part of this project are to meet website guidelines for accessible design set forth by the U.S. Department of Justice under the Title II of the Americans with Disabilities Act (ADA) and web content accessibility guidelines. For this reason, please submit Word format documents if ADA guidelines cannot be met.

We look forward to learning how Escambia County may be able to support your organization to maximize outreach to the citizens of our great county!

Sincerely,

Stephan Hall

FISCAL YEAR 2025

ESCAMBIA COUNTY
AGENCY FUNDING REQUEST APPLICATION

All agencies requesting funding from Escambia County must submit the below-listed information and complete the attached form. Failure to submit all required information or to complete the form will remove your organization from consideration for funding. Please submit the completed application packet electronically to **Budget@myescambia.com**.

DEADLINE - Monday, April 1, 2024

ELIGIBILITY CRITERIA:

Organizations eligible to apply for funding must:

- Demonstrate funding received from sources other than local governments in an amount at least equal to the amount requested from Escambia County.
- Tax-exempt under Section 501(c)(3) of the Internal Revenue Code, independent of a financial sponsor (local affiliates may apply under the 501(c)(3) of the national organization).
- Located in and serve residents of Escambia County.
- Provide at least 3 full years (36 months) of independently prepared, audited or reviewed financial statements or tax returns, unless organization was formed within the last 3 years.
- Not a recipient of Community Partner funding for more than 3 fiscal years unless the organization serves a government purpose OR for years 4 and beyond, funding must reduce at rate of at least 5% per year.
- The Board of County Commissioners retains the right to waive the eligibility criteria.

APPLICANTS SHOULD:

- Explain why receiving funding would have an especially significant impact on their organization.
- Have a mission and programs or services that serves a governmental program or citizen focused mission.
- Submit a proposed budget where government funding does not exceed 50% of annual operating budget unless in first 3 years of operation or mandated by statutory or another regulatory requirement.
- Plan to expend funds within 12 months.

Funds may be provided for programs, services, necessary infrastructure or other initiatives that support the organization's core mission. **Funds will not be provided for:**

- debt reduction, operating deficits, interim or bridge funding or endowment funding,
- individuals or private foundations,
- activities that are religious or political in nature,
- fund drives, annual appeals, fundraising events or general capital campaigns, and
- salaries that do not directly impact the program unless mandated by statutory or regulatory requirement.

When submitting your completed application with all required documents, provide your documents in original Word format or a direct PDF of the Word document. **Please limit scanned documents as much as possible.**

APPLICATION CHECKLIST (Required)

- X Submit a fully completed Agency Funding Request Application
- X Submit a copy of your organization's current W-9
- X Submit the Letter of Determination from the IRS confirming your organization's federally tax-exempt status
- X Submit a copy of your organization's 2022 or 2023 tax return (Form 990 or 990-EZ with additional backup). You may submit a 2021 tax return along with explanation for late filing.
- X Submit a copy of your organization's most recent 3 years of financial statements, with audit if applicable. Updated financials may be requested by the County periodically including prior and subsequent to reward date.

GENERAL INFORMATION

Agency Name: __Keep Pensacola Beautiful, Inc._____

Agency Address: __3500 Barrancas Avenue, Pensacola, FL 32507_____

_____

Program Name for which funding is being requested: Keep Pensacola Beautiful County Assistance Program_____

Amount Requested: $_182,403_____

Program Contact: ___Charles Bare_____

Contact Email: _ceo@keeppensacolabeautiful.org_____ Contact Phone: (850) 375-0051

25-Word Description of Program: __Keep Pensacola Beautiful provides a variety of sanitation/education-related services to Escambia County which includes but is not limited to roadside litter removal._____

How many years has your organization been providing services in the County? __45_____

How many years has your organization received funding from the County? __23+_____

Explain how receiving funds from the County would have a significant impact on your organization: __These funds allow Keep Pensacola Beautiful to perform vital services that directly tie-in to our non-profit mission and have environmental, economic and social benefits for the citizens of Escambia County._____

_____

_____

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: ___$100,000_____

Briefly discuss how last year's funds were used? _Keep Pensacola Beautiful staff provided roadside litter removal services, assisted in neighborhood cleanups across the county, supported a court-ordered community service work program, provided community members with an Adopt-A-Spot program, recycled used ink cartridges, conducted educational programs and was available to support the county CRA cleanups and code enforcement with citation mitigation as needed._____

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County? _At the time of this application, Keep Pensacola Beautiful has removed 18,375 pounds of roadside litter, supported a court-ordered community service program with 64 hours worked, provided an Adopt-A-Spot program to community members who have picked up nearly 4,000 pounds of trash and put in nearly 300 volunteer labor hours and created a Youth Advocacy Council.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? _Keep Pensacola Beautiful will continue to provide high-quality litter removal services and the behind-the-scenes work that goes into supporting these efforts. These services include roadside litter removal services, a community Adopt-A-Spot program focused primarily on litter in county parks, single-use plastic bag recycling, and CRA and Code Enforcement assistance as needed. We will also expand our Youth Advocacy Council to ensure all Escambia High Schools have the resources they need to conduct cleanups and service in their communities and launch an Envirothon program that will give local students the ability to compete on a local and state level.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: __Many of the services we provide, even if not completed by Keep Pensacola Beautiful, would still be the responsibility of the county to ensure a clean, healthy community_____

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area: Keep Pensacola Beautiful works regularly with Escambia County Parks and Recreation, the City of Pensacola Parks and Recreation, Ocean Hour and other area non-profits, companies and organizations to carry out mission-related activities.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. Keep Pensacola Beautiful has a depth of experience providing these services and possesses all the infrastructure and resources to effectively carry out the assigned tasks. Keep Pensacola Beautiful has a vested interest in a beautiful community and wants to see these activities efficiently and effectively carried out year after year.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 76 %
- Percentage for direct programming costs: 24 %

If Escambia County funding can only fund a portion of your request, how will you offset the difference? Keep Pensacola Beautiful will have to eliminate any services that are unfunded.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: Some funding can be applied as a match for a grant from the Florida Department of Transportation. FDOT requires a dollar-for-dollar match.
Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. Keep Pensacola Beautiful requests funding for our other events

and annual programming, but there is no overlap for these particular services as these are unique to Escambia County. KPB does receive funds from other non-profit agencies but not for these specific program costs. In the current FY, we received $5,000 from the Surfing's Evolution and Preservation Foundation, $1,500 from the Lewis Bear Foundation, $2,500 from Keep America Beautiful and a grant of $15,000 from the Florida Department of Transportation.

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Provide three years of trends. If you are an Agency that received funding the prior year use the same metrics for consistent measurement. ALL agencies are required to fill out this template.

Goals & Metrics Scorecard	FY22	FY23	FY24 (in progress)	% Change

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

Form 990 required: Yes

Dear Taxpayer:

We're responding to your request dated Feb. 06, 2020, about your tax-exempt status.

We issued you a determination letter in December, 1979, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(03).

We also show you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period:

- Form 990, Return of Organization Exempt From Income Tax
- Form 990EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990-EZ
- Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions, call 877-829-5500 between 8 a.m. and 5 p.m.,
