Program Name for which funding is being requested: ___211 Northwest Florida_____

Amount Requested: $_____$22,000_____

Program Contact: _____Mary Zaledonis_____

Contact Email: __mary.zaledonis@uwwf.org_____ Contact Phone: (_850_) 912-8163

25-Word Description of Program: _____211 is a free information and referral service that connects individuals in need with resources that may be able to help them._____

How many years has your organization been providing services in the County? ___100_____

How many years has your organization received funding from the County? ____12+ years_____

Explain how receiving funds from the County would have a significant impact on your organization: : Funds from Escambia County will provide vital support for 211 Northwest Florida. This service is available by phone 24/7 365 days a year, and by chat/text Monday through Friday, 8:00-5:00. This program works closely with the county to provide residents with important information about health and human service resources in the community. 211 is critically important during a disaster because survivors are triaged and connected with resources that can help respond quickly to their needs, as well as assist with long-term recovery. 211's presence in the community reduces non-emergency calls to 911, local law enforcement, and emergency management.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: ____$20,982_____

Briefly discuss how last year's funds were used? Last year's county funding was instrumental in maintaining the vital operations of 211 Northwest Florida, an Alliance for Information and Referral Services (AIRS) accredited program. 211 provides those living in, or visiting, Escambia and Santa Rosa counties a single point of access for information on human services to meet a wide variety of needs.

The funding from the county supported the salaries of the trained staff who manage and regularly update the database, and who answer the calls and texts, connecting people with the help they need.

Briefly discuss the County's Return on Investment relative to last year's funding? In other

words, what impact did your program have on the citizens of Escambia County? _____

In the 2023-24 fiscal year, 211 Northwest Florida received 37,602 contacts for help for the 10-county service area. (Two counties were added to the service area in October 2022.) Of those, 17,217 were from Escambia County, and represented 22,095 adults, 10,018 children, 3,677 seniors, 1,565 veterans in need and 5,453 individuals with a disability. 211 Northwest Florida helped connect residents with resources that helped with utilities, food, rent/mortgage, health care, childcare, legal services, and more.

It is difficult to quantify the return on investment of this service. Individuals are connecting with resources, which means they can pay bills, access health care, and find support for their families. It is reasonable to assume that by connecting people with resources that ensure their basic needs are being met, mental health emergencies are mitigated. Because 211 serves Escambia County, 911 operators are not burdened by these calls, therefore 911 resources are being used for their intended purpose. These non-emergency calls also are not making their way to the Sheriff's Office, Fire Department or Emergency Services because 211 is answering them instead.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? 211 Northwest Florida has been a vital, continuous free service for the residents of Escambia County, and those visiting the area, since 2010. The 211 database contains information on a multitude of services including medical/dental and/or prescription assistance, clothing, food, shelter/housing, mental health or substance abuse treatment, rent/mortgage/utilities assistance and even diapers. 211 Northwest Florida has trained and certified Information and Referral Specialists available 24/7 to connect local citizens to the resources they need. The funding from the county will be used to support the regular management and updating of the database; trained staff who answer the calls and texts to connect people with the help they need; and staff training. The importance of access to a human being 24 hours a day, 365 days a year cannot be emphasized enough.

211 empowers individuals and families with the information they need to resolve or mitigate the challenges they are experiencing. Trained Information and Referral Specialists assess the needs of callers and, based on the information obtained, provide guidance as to which local resource(s) may be of assistance and how to access those services. 211's database has 1800 active community and governmental resources. This number changes frequently as resources are updated and included in the database. Resource information is updated daily while all resources are formally updated annually as required by AIRS, the national accrediting body. As a member of AIRS we also have access to the National Data Platform, which has over 1 million verified resources. Local

businesses and governmental partners accessing the database online can assist consumers, taxpayers and employees who may need help.

211's response during a disaster cannot be overstated. During a disaster, 211 activates and takes calls from individuals affected by the disaster. When a disaster affects the area, 211 ramps up to meet the need of impacted citizens and is vital to connecting callers in the affected areas to resources like safe shelter, food and water distribution sites, medication and health care resources, FEMA registration, tarps, and debris removal. 211 is present in the Emergency Operations Center (EOC) and is an integral part of processing calls for help and connecting survivors with assistance. It would be difficult for the county to handle the management of emergency operations while taking all the calls for assistance from residents. 211 is part of a national network and as such can access back-up when call volume exceeds the capacity of the local 211. 211 serves as an integral part of the triage process to ensure survivors' needs are recorded and directed to the resource that can assist them.

In addition to providing resource information to individuals in need, 211 keeps data on the calls, including the most frequently requested assistance; the zip code where the caller is from; whether an individual can access the service; and what services are requested but do not exist in the community, in other words, unmet needs. These statistics are critical to ensuring that services are in place to address the challenges faced by county residents.

In October 2022, 211 Northwest Florida began taking calls for the 988 Suicide Prevention Lifeline. All 211 Information and Referral Specialists are trained crisis counselors. The number of 988 calls continues to increase each month.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: 211 is not a governmental function or requirement per se, however providing constituents with up-to-date information on local resources is an essential function of local government, which 211 helps fulfill. 211 partners with local government, FEMA and other disaster relief and recovery organizations during times of a natural and/or man-made disaster.

The investment in this service by the county is far less than the cost the county would incur should it take on this service itself.

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area:__There are no other organizations in this area that provide this type of service._____

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. 211 Northwest Florida is the only Nationally Accredited (AIRS) Information and Referral Service in the region. There is no other agency in the area that has the comprehensive database of community resources, operates round the clock every day of the year, or has an existing infrastructure in place with trained professionals. Since 2010, 211 has brought the community and organizations together to help people efficiently access services that helps meet their needs. The real time data captured are used to identify trends which highlight the greatest community needs and reveal gaps in services in the county. These data are critical for agencies, local government and policy makers as they seek to improve the county and the lives of its residents.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: __100 _____%
- Percentage for direct programming costs: _____%

If Escambia County funding can only fund a portion of your request, how will you offset the difference? 211 Northwest Florida depends on multiple funding sources to operate around the clock. In addition to funding from Escambia County, 211 receives financial support from the City of Pensacola, Santa Rosa County, United Way of West Florida (UWWF), United Way of Northwest Florida, the Florida Department of Agriculture, the Florida Department of Health, NW Florida Health, Florida Department of Children and Families, corporate sponsors and private foundations. If the county is unable to fund the full amount of the request, UWWF will seek additional support from donor dollars or other funding sources. As a result, this may affect the amount of funding available for distribution to agencies through the Community Investment process.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: ____n/a_____

_____

_____

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. UWWF does not seek funding from other non-profits. Non-profit agencies receiving funding from UWWF conduct workplace campaigns, which allow their employees to donate to UWWF should they choose to do so.

Dear Taxpayer:

We're responding to your request dated July 03, 2019, about your tax-exempt status.

We issued you a determination letter in August 2005, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also show you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period:

- Form 990, Return of Organization Exempt From Income Tax
- Form 990EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990-EZ
- Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions, call 877-829-5500 between 8 a.m. and 5 p.m.,

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
United Way of West Florida, Inc.
Pensacola, Florida

Opinion

We have audited the accompanying financial statements of United Way of West Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of West Florida, Inc. as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Way of West Florida, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of West Florida, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue

an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of West Florida, Inc.'s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of West Florida, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the United Way of West Florida, Inc.'s 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated March 16, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTE A - ORGANIZATION

United Way of West Florida, Inc. (the Organization) began as Greater Pensacola United Fund, Inc., in 1944, and as United Way of Escambia County, Inc., through May 28, 2019. The Organization increased its service area to include its neighboring county on March 6, 2019. A local volunteer Board of Directors governs the Organization. The mission of the Organization is uniting our community and leveraging resources to improve lives.

The Organization works with community partners, including a network of partner agencies, businesses, schools, governments, and other funding sources to raise funds through an annual campaign to raise support for participating agencies.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Financial Statement Presentation - The Organization reports information regarding its financial position and activities according to two classes of net assets.

   Net Assets Without Donor Restrictions - not subject to donor-imposed stipulations.
   Net Assets With Donor Restrictions - subject to donor-imposed stipulations.

   Net assets are classified based on externally imposed restrictions, if any, that may or may not be met by actions of management or by the passage of time.

2. Basis of Accounting - The Organization prepares its financial statements on the accrual basis of accounting, following accounting principles generally accepted in the United States of America for nonprofit organizations.

3. Cash and Cash Equivalents - For the purposes of the statements of cash flows, the Organization considers investments in highly liquid debt instruments with original maturities of three months or less to be cash equivalents. The Organization does not include cash held within its separate investment accounts (see note D) as cash and equivalents.

4. Contributions - The Organization records contributions as with or without restrictions, depending on the existence and/or nature of any donor restrictions. Donor-restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without restrictions and are reported as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same fiscal year are reported as net assets without restrictions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Pledges Receivable - Pledges receivable are unconditional promises to give. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Conditional promises to give are not included as support until such time as the conditions are substantially met. There were no conditional promises made to the Organization during the year ended June 30, 2022. An allowance for uncollectible pledges receivable is provided based on management's estimate using prior collection history and current economic conditions.

6. Accounts Receivable - Accounts receivable consist primarily of grants or amounts due from providing services or goods. Management believes no allowance for doubtful accounts is necessary.

7. Investments - Investments are stated at fair value. Donated investments are recorded at fair value at the date of the gift.

8. Property and Equipment - Property and equipment are carried at cost or, if donated, at fair market value on date of gift. The Organization capitalizes asset acquisitions over $5,000. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets as follows:

Buildings and improvements	15 - 30 years
Furniture and fixtures	5 - 10 years
Equipment	5 - 7 years

9. Program Revenue - The Organization adopted Accounting Standards Update No. 2014-19, *Revenue from Contracts with Customers (Topic 606)*, which affects contracts with customers to transfer goods or services.

   Revenue related to exchange transactions is recognized as goods and/or services are provided and is based on the amount expected to be received in exchange for those goods and/or services. The Organization recognizes client service revenue in the period in which performance obligations under its contracts are satisfied by transferring services to clients. The Organization measures the performance obligation on the date the services are provided to clients and third-party payers are sent.

10. Impairment of Long-Lived Assets - Management reviews asset carrying amounts whenever events or circumstances indicate that such carrying amounts may not be recovered. If such assets are considered impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair market value of the assets. As of June 30, 2022, none of the Organization's long-lived assets were considered to be impaired

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

11. Due to Designated Agencies - Donors contributing to the Organization may choose to designate that all or part of their contributions be distributed to specific agencies. These transactions are reported in the statement of activities as part of the Organization's campaign results and are then deducted to arrive at the net campaign revenue. Amounts deducted are carried as liabilities, net of an estimated allowance for uncollectible amounts, until paid to the designated agencies.

12. Donated Services and Materials - During the year ended June 30, 2022, an estimated 9,135 hours were volunteered by employees or local workplaces and unaffiliated volunteers participating in various volunteer activities, including but not limited to: Day of Caring, Stuff the Bus, Communities Caring at Christmas, Miracle on Palafox, the United Way Community Investment Process, and the United Way Ambassador Program. No value has been recognized for these volunteer hours in the financial statements, because the criteria established by the Financial Accounting Standards Board (FASB) for recognition of such volunteer efforts have not been satisfied.

    Donated services including media space (television and radio airtime and newspaper print space) are recorded if the services received created or enhanced long-lived assets, or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

    Donated materials and supplies are recorded at fair value at the date of donation.

13. Grants - The Organization records grant revenue over the period of the award and the provisions of the grant determine the timing of the revenue recognition. Grant expenses are recognized when incurred. Amounts that have been awarded but not received are recorded as grant receivable.

14. Allocation of Functional Expenses - The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been estimated and allocated among the programs and supporting services benefited based on management's best judgement.

15. Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

16. Income Taxes - United Way of West Florida, Inc. is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal or state income taxes has been recognized. The Organization annually files federal information returns (Form 990), which are subject to possible examination by the taxing authorities until the expiration of the related statute of limitations, which is generally three years, for the years ended June 30, 2020 through 2022.

    Management believes it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements and no returns are currently under examination.

17. Financial Instruments - The Organization's financial instruments include cash, pledges and accounts receivable, certain investments, designated/allocations payable, accounts payable, accrued expenses, and capital lease obligations. The carrying values of cash, pledges and accounts receivable, designated/allocations payable, accounts payable and accrued expenses approximate their fair values due to their short-term nature. The carrying value of capital lease obligations approximates fair value due to their bearing interest at rates that approximate current market rates for notes with similar maturities and credit quality.

18. Comparative Financial Information - The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2021, from which the summarized information was derived.

    Certain accounts and activities in the prior year information have been reclassified to conform to the presentation in the current year financial statements.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

19. New Accounting Pronouncements - In February 2016, the FASB issued ASU 2016-02, Leases, which requires lessees to recognize on the statement of financial position the assets and liabilities for the rights and obligations created by leases with lease terms of more than twelve months. The recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee will continue to primarily depend on its classification as a finance or operating lease. However, unlike current U.S. GAAP, which requires only capital leases to be recognized on the statement of financial position, ASU 2016-02 will require both types of leases to be recognized on the statement of financial position. ASU 2016-02 also requires disclosures about the amount, timing, and uncertainty of cash flows arising from leases. These disclosures include qualitative and quantitative requirements, providing additional information about the amounts recorded in the financial statements. This standard is effective for fiscal periods beginning after December 15, 2021. The Organization plans to adopt this ASU for its year ending June 30, 2023.

20. Events Occurring After the Reporting Date - The Organization has evaluated events and transactions that occurred between June 30, 2022 and February 16, 2023, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE C - PLEDGES RECEIVABLE

Pledges receivable and changes in the allowance for uncollectible amounts during the year ended June 30, 2022, are summarized as follows:

No discount has been applied to the pledge receivable balance at June 30, 2022, as all pledges are collectible within one year.

NOTE D - INVESTMENTS

The Fair Value Measurements (FASB Accounting Standards Codification 820-10) provides a framework for measuring fair value under generally accepted accounting principles. Fair Value Measurements establishes a fair value. This hierarchy consists of three broad levels; Level 1 consists of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 consists of observable inputs other than quoted prices for identical assets; and Level 3 consists of significant unobservable inputs and have the lowest priority. The Organization measures fair value using Level 1 inputs; there were no Level 2 or Level 3 inputs at June 30, 2022.

Contributions to the endowment fund are subject to donor restrictions that stipulate the original principal of the gift is to be held in perpetuity with the income therefrom available as a contribution to the campaign each year. Income includes market value changes (unrealized and realized) and interest and dividends. The income therefrom is considered as an increase in net assets without restrictions since the Organization deems the restriction as met in the same reporting period. Any market declines below the original contributions are shown as a reduction in net assets without restrictions.

The Organization has adopted investment and spending policies for endowment assets that attempt to provide campaign contributions for the United Way of West Florida, Inc. Under these policies, as approved by the Board of Directors, endowment assets are invested in a manner that is intended to produce long-term growth of capital without undue exposure to risk.

The composition and changes in endowment funds for the year ended June 30, 2022, are as follows:

Endowments:	
Endowment net assets, beginning of year	$ 366,926

NOTE N - RISKS AND UNCERTAINTIES

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets.

Each year the Organization records a provision for uncollectible pledges which is estimated based on past collection experience and current economic conditions. It is at least reasonably possible that changes in this estimate in the near term could be material to the financial statements.

NOTE O - LIQUIDITY AND AVAILABILITY

The Organization's primary source of support is income from contributions. The Organization has a policy to manage its liquidity following three guiding principles: operating within a prudent range of financial stability; maintaining adequate liquidity to fund near-term operations; and maintaining sufficient resources to provide reasonable assurance that long-term operations will be maintained. 25-Word Description of Program: Lead and coordinate partner organizations and citizens in disaster prevention, preparedness, response, and recovery to make Escambia County safer, stronger, and more resilient to disasters.

How many years has your organization been providing services in the County? ____18_____

How many years has your organization received funding from the County? _____7_____

Explain how receiving funds from the County would have a significant impact on your organization:

- BRACE will utilize funding to continue to fulfill responsibilities outlined in the MOU with Escambia County to assist with public safety in all phases of disaster.
- Funding will be used to maintain readiness and capacity to coordinate the registration, referral, and activation of 30,000+ volunteers in BRACE's role as Lead Organization in the Escambia County Comprehensive Emergency Management Plan (CEMP) for Emergency Support Function 15 (Volunteers and Donations).
- BRACE will use funding to support efforts of engaging Escambia County citizens who are most vulnerable in disaster readiness and preparation. These efforts include community outreach targeting veterans, individuals with disabilities, and socioeconomically disadvantaged neighborhoods to provide training, supplies, and support to ensure these community members have their basic disaster needs met.
- BRACE will facilitate and build the capacity of disaster preparation programming to improve disaster resilience in Escambia County. BRACE will use funding to continue the following programs in Escambia County as outlined by FEMA and the Department of Homeland Security's Ready Initiative:
    - Community Emergency Response Team (CERT): The Community Emergency Response Team (CERT) program educates volunteers about disaster preparedness for the hazards that may impact our area and trains them in basic disaster response skills such as: fire safety, light search and rescue, team organization, and disaster medical operations. CERT offers a consistent, nationwide approach to volunteer training and organization that professional responders can rely on during disaster situations, allowing them to focus on more complex tasks. BRACE provides a CERT bag equipped with necessary supplies (safety equipment, first aid, tools) to respond to an emergency to all volunteers who complete CERT training. This program is an asset to Escambia County as a disaster can occur at any time, and properly trained volunteers can be a key factor in reduction of loss of life in the first hours, days, and weeks following a disaster.
    - Teen CERT: BRACE is dedicated to engaging youth in CERT training to instill the importance of disaster and response in younger generations. Teen CERT prepares teenagers to be able to effectively organize as volunteers, assist in evacuations, give assistance to survivors, provide damage assessment information, support shelter operations, and assist with crowd control.
    - Citizen Corps: The Citizen Corps program includes a national network of more than 1,200 state, local, and tribal Citizen Corps Councils that bring together local

government, businesses, and community leaders who work to prepare their communities for disaster and to make them more resilient. These Councils harness the power of every individual through education, training, and volunteer service to make communities, safer, stronger, and better prepared to respond to the hazards and threats facing their community. BRACE serves as the coordinator for the Citizen Corps Council in Escambia County. In this role, BRACE drives local citizen participation by coordinating Citizen Corps programs, developing community emergency action plans, assessing possible threats and identifying local resources. BRACE will be hosting the Northwest Florida Advanced Citizen Corps Academy, a two-day training and conference centered around readiness, response, and recovery efforts in relation to the threats of terrorism, public health issues, storms, and disasters of all kinds.

- You Are the Help Until Help Arrives: BRACE coordinates "You Are the Help Until Help Arrives," a 1.5 hour FEMA-developed course centered around immediate emergency response efforts. This course prepares individuals to safely provide emergency care in the event of an accident. According to a recent National Academies of Science study, trauma is the leading cause of death for Americans under age 46. Because life-threatening injuries require immediate action, this training teaches individuals how to recognize and treat life-threatening conditions such as airway obstruction, excessive bleeding, and shock until medical personnel arrive on the scene.
- BRACE is providing a disaster preparedness workshop that brings partner organizations together to speak on topics ranging from legal aid readiness, basic first aid, fair housing issues, mitigation, and how to organize your neighborhood before a disaster occurs. These events provide neighborhoods with a more thorough understanding of the needs and ability to be one week ready.
- Will partner with local after school programs and various summer programs in order to offer children in Escambia County disaster preparedness in a fun way with the BRACE Pelican Preparedness Program and FEMA ReadyKids Program.

- BRACE will assist the County, American Red Cross, and other organizations with disaster sheltering responsibilities by using funds to provide background checked CERT and Citizen Corps members with additional shelter operations training to help overcome staffing shortages in local shelters.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County?

- Under the new leadership of BRACE, in November 2023 Escambia County Emergency Management asked BRACE to become their Fiscal Agent. This request reflects the level of respect Emergency Management holds for the work we produce and the faith they have in our responsibility. This oversight of donations and grant dollars is currently being completed at 0% interest. Other agencies in similar situations charge from 7 to 15 percent annually. BRACE is officially the fiscal agent with an MOU Agreement dated February 22, 2024.
- Funds will be used to fulfill public safety responsibilities in support of Escambia County Emergency Management detailed in the BRACE/Escambia County MOU.
- County Financial support will be used to staff the coordination and lead of Emergency Support Function 15 (Volunteers & Donations) as described in the Escambia County Comprehensive Emergency Management Plan.
- Funding will also be utilized to support Escambia County Emergency Management in preparing for the registration and coordinating of disaster volunteers and volunteer teams supporting disaster preparedness, response, and recovery as the County's Lead Organization for Emergency Support Function 15 – Volunteers & Donations.

- County support will also be used to assist the County, American Red Cross and other organizations with disaster sheltering responsibilities by coordinating cross training of Community Emergency Response Team and Citizen Corps volunteers to help overcome staffing shortages in local shelters.
- Continue to lead and maintain Escambia County's capacity and capability to register and refer up to 30,000+ faith-based affiliated volunteers in response to major disasters threatening or impacting our community.
- Conduct training and maintain readiness to coordinate disaster recovery assistance if our community is impacted by a disaster by repairing the damaged homes of low-income families.
- Coordinate youth emergency preparedness by training 50 participants in TEEN CERT. BRACE is currently in talks with the Escambia County School District to have the Teen CERT program offered at all Escambia County high schools as part of 2024-25 curriculum. This program has the potential of impacting hundreds of teens across the county so this number may increase significantly.
- Educating 2,100 children about disaster readiness.
- Lead and coordinate advanced training of CERT volunteers and Citizen Corp members to provide a local volunteer resource to supplement county staff during emergencies and support Escambia County Emergency Management in meeting unmet needs.
- Conduct internet based cyber security training and exercises and provide resources to participants in partnership with the FloridaWest Economic Development Alliance
- Secure $15,000 in matching Federal disaster preparedness grants from FEMA to support Citizen Corps and CERT programs in Escambia County.
- Provide a liaison between the Region 1 Domestic Security Task Force and BRACE partners to enhance awareness and readiness for terrorist activity and to inform and educate the general public on the "See Something - Say Something" guidance by Homeland Security.
- To engage BRACE partners in readiness efforts to serve as "Points of Dispensing" during pandemics and other health emergencies and to mobilize volunteers to assist with the prophylaxis effort.

Is your program a governmental function or requirement? If a governmental request, please cite regulatory/statutory requirement. Please explain:

- Yes, BRACE directly provides assistance to Public Safety and Emergency Management to protect lives, health and property through services to Escambia County as defined by the Memorandum of Understanding between BRACE and Escambia County.
- BRACE serves as Lead Organization in the Escambia County Comprehensive Emergency Management Plan (CEMP) for Emergency Support Function 15 (Volunteers & Donations).
    - "The mission of Emergency Support Function 15 is to coordinate the efficient and

effective utilization of affiliated and unaffiliated volunteers and donated resources and information necessary to meet the needs of the impacted area(s) of Escambia County following a disaster or other incident of significance." – Escambia County CEMP

- BRACE also provides support for mass care (disaster sheltering and feeding operations) to the lead organization for Emergency Support Function 6 (Mass Care).
    - "The mission of Emergency Support Function 6 is to coordinate mass care, emergency assistance, and select human services to meet the needs of a disaster survivors." – Escambia County CEMP
- BRACE functions as the program facilitator for FEMA and Department of Homeland Security training initiatives, including CERT, Teen CERT, and Citizen Corps.

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area:

- · There are no similar programs in Escambia County. BRACE is the only recognized "Community Organizations Active in Disaster" (COAD) in Escambia County.
- · BRACE is the recognized coordinator of the voluntary, non-profit and faith-based organizations that partner with Escambia County, the City of Pensacola and the Town of Century to assist disaster survivors in their recovery.
- · BRACE represents voluntary and faith-based organizations throughout the county as the Escambia County based member organization of the Florida Voluntary Organizations Active in Disaster (Florida VOAD)

    o This membership enables BRACE to request disaster assistance from the 61 national members of the National Voluntary Organizations Active in Disaster (NVOAD), that are among the first to provide emergency assistance following major disasters. These would include muck-outs and emergency home repairs such as applying roof tarps.

- As the local administrator of the COAD, BRACE is the coordinator of the Escambia Long Term Recovery Group (LTRG) and the efforts of voluntary and faith-based organizations during recovery from disasters ensuring that each sector of our community is represented fairly. In this role BRACE leads monthly meetings during blue skies to ensure the community and partners are collaborating and ready for action when called upon. In gray skies, BRACE coordinates the transfer of LTRG resources from community partners, donations and disaster grant funding, ensuring that the unmet needs of our community's low-income residents are met.
- BRACE has more than 250 partner organizations that serve as a force multiplier in support of emergency management in times of disaster or major emergency. Partners include United Way of West Florida, Council on Aging, Habitat for Humanity of Pensacola, Catholic Charities, Salvation Army, Greater Pensacola Chamber of Commerce, Gulf Coast Minority Chamber of Commerce, University of West Florida, and many, many more.
- · BRACE has been recognized by FEMA through its Individual and Community Preparedness Awards Program more frequently than any other locally based non-profit disaster organization in the United States. We have received three top awards and ten honorable mentions; primarily because of our effectiveness in engaging partners to collectively accomplish what none could do alone.
- · BRACE is frequently cited by leadership of the Florida Division of Emergency Management as a best practice in the state in engaging the whole community in ensuring maximum disaster readiness.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. NOTE: *Only salaries directly related to the approved program are eligible for funding.*

- · Percentage for salaries/administrative costs: 60%
- · Percentage for direct programming costs: 40%

If Escambia County funding can only fund a portion of your request, how will you offset the difference?

- A reduction in funding would result in BRACE's reduced capacity and capability to provide services due to the Department of Homeland Security/FEMA and the Florida Division of Emergency Management.
- BRACE's ability to continue to fulfill the responsibilities outlined in the MOU it completed with Escambia County for disaster preparedness, response and recovery is dependent upon receipt of full Escambia County funding. It would require comprehensive revision if funding was insufficient to meet the responsibilities defined in the Agreement.
- According to FEMA, every $1 spent on preparedness activities (including mitigation) saves $6 in future losses, so any funds not received would have a compounded negative impact upon the resilience of our community.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio:

- BRACE uses Escambia County funding as a match for Corporation for National and Community Service (CNCS) financial support and in-kind donations:
- $21,063 match for 16 full-time VISTA members- $1 in match provides $34 in in-kind donations based on the "Independent Sector" rate of volunteers valued at $27.41/ hour.
- $53,500 match for costs associated with sponsoring the only disaster-focused AmeriCorps VISTA program in Florida- $1 in match provides .55 cents in funding ratio.

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for.

- BRACE is requesting $10,000 from the Florida Power and Light Company Foundation to support the Escambia County Citizen Corps Council and cover costs associated with hosting the Northwest Florida Advanced Citizen Corps Academy. If these grants are awarded, BRACE will increase its capacity to engage Escambia County in the Citizen Corps Council to more effectively accomplish the mission of Resilient Escambia.

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. During your advance ruling period, you will be treated as a public charity. Your advance ruling period begins with the effective date of your exemption and ends with advance ruling ending date shown in the heading of the letter.

Shortly before the end of your advance ruling period, we will send you Form 8734, Support Schedule for Advance Ruling Period. You will have 90 days after the end of your advance ruling period to return the completed form. We will then notify you, in writing, about your public charity status.

We have audited the consolidated financial statements of Community Organizations Active in Disasters, Inc. and Subsidiary (the Organization) for the year ended June 30, 2020, and we will issue our report thereon dated November 2, 2020. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 15, 2020. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Community Organizations Active in Disasters, Inc. and Subsidiary are described in Note B to the consolidated financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2020. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the consolidated financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the consolidated financial statements were:

> Management's estimate of the useful lives of property held for lease and property and equipment is based on past history, research, and experience. We evaluated the key factors and assumptions used to develop the estimated useful lives of property held for lease and property and equipment in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's percentage of allocating functional expenses is based on past experience and estimates of time spent amongst each functional area. We suggest that where possible, specific allocation of program expenses be used to allocate disbursements for items that are direct expenses. Other indirect expenses should be measured and allocated based on other non-financial measurements.

Management's estimate of the allowance for uncollectible receivables is based on management's knowledge of specific renters and past experience. We evaluated the key factors and assumptions used to develop the estimate of uncollectible receivables in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of in-kind services is based on the market value at the date the in-kind service was provided.

The consolidated financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the consolidated financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated November 2, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Board of Directors and management of Community Organizations Active in Disasters, Inc. and Subsidiary and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Community Organizations Active in Disasters, Inc.
and Subsidiary

We have audited the accompanying consolidated financial statements of Community Organizations Active in Disasters, Inc. (a nonprofit organization) and Subsidiary, which comprise the statements of financial position as of June 30, 2020 and 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Community Organizations Active in Disasters, Inc. and Subsidiary as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

COMMUNITY ORGANIZATIONS ACTIVE IN DISASTERS, INC. AND SUBSIDIARY

NOTE A - ORGANIZATION AND NATURE OF ACTIVITIES

Community Organizations Active in Disasters, Inc. was formed in April 2006, as a nonprofit organization in the State of Florida. The Organization is made up of a local network that links community, governmental, and faith-based organizations, businesses, and volunteers during disasters to address emergency management issues. The Organization receives funding for its programs through rental income, governmental grants, reimbursable contracts, and financial and in-kind donations.

The consolidated financial statements include BRACE, LLC, a wholly owned subsidiary of Community Organizations Active in Disasters, Inc. During the fiscal year ended June 30, 2010, BRACE, LLC purchased Heritage Oaks Mobile Home Park with funding received through Escambia County to assist in preserving and providing long-term affordable rental and privately owned residences for Escambia County, Florida residents.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting - The Organization prepares their financial statements on the accrual basis of accounting, following accounting principles generally accepted in the United States of America for nonprofit organizations.

2. Principles of Consolidation - These consolidated financial statements include the balances and financial activities of Community Organization Active in Disasters, Inc. and BRACE, LLC (the Organization). All material inter-company balances and transactions are eliminated in the consolidation.

3. Financial Statement Presentation - The Organization is required to report information regarding its financial position and activities according to two classes of net assets:

   Without donor restrictions - Not subject to donor-imposed stipulations.

   With donor restrictions - Subject to donor-imposed stipulations.

4. Cash and Cash Equivalents - For the purposes of the statement of cash flows, the Organization considers all liquid investments with an original maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2020 and 2019.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Accounts Receivable - Accounts receivable is stated at unpaid balances and are presented net of an allowance for uncollectible accounts. The allowance for uncollectible accounts is based on historical experience, coupled with a review of the current status of existing receivables. Receivables will be charged off in the period in which management determines the receivable to be uncollectible. Recoveries of receivables previously charged off are recorded as income when received.

6. Property and Equipment and Property Held for Lease - Acquisitions of furniture and equipment of $5,000 or more are capitalized at cost or, if donated, at estimated fair market value at the time of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support. Depreciation is provided on the straight-line basis over estimated useful lives of the assets as follows:

Buildings and building improvements	39 years
Land improvements	7 - 20 years
Furniture and equipment	5 - 7 years
Computer, software, and website	3 - 5 years
Property held for lease	7 - 27 ½ years

7. Contingent Note Payable to Escambia County - As explained in Note F, the Organization has a contingent note payable to Escambia County for Neighborhood Stabilization Program (NSP) funds received from the County and used to acquire and operate Heritage Oaks Mobile Home Park in accordance with a Development Agreement between the County and the Organization.

   The Organization has every intention of complying with all the requirements of the Development Agreement and the related mortgage note payable. In that case, the conditional note payable will not bear any interest and will be forgiven $93,333 each year for fifteen years, until it is completely satisfied. Beginning with the fiscal year ended June 30, 2012, the forgiven amount of $93,333 has been recorded as grant revenue.

8. Contributions - Contributions made and received are recorded as with donor restricted or without donor restricted support depending on the existence and/or nature of any donor restrictions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted for future periods or donor-restricted for specific purposes are reported as restricted support that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the contribution is reported as support without donor restriction.

When a donor-stipulated time restriction expires or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restriction.

9. Grants - The Organization records grant revenue over the period of the award and the provisions of the grant determine the timing of revenue recognition. Grant expenses are recognized when incurred. Amounts that have been awarded and earned but not received are recorded as grants receivable.

10. Advertising Expense - The Organization uses advertising to promote its programs among the audiences they service. The costs in purchasing advertising and promotions are expensed when incurred. The Organization expensed $2,129 and $5,945, for the fiscal years ended June 30, 2020 and 2019, respectively. These costs are recorded as marketing and promotions expense in the consolidated statement of functional expenses.

11. In-kind Contributions and Services - Contributed goods and services are reflected in the accompanying consolidated statement of activities at their estimated values on date of receipt.

    Donated services are recognized as contributions if the services create or enhance nonfinancial assets or require specialized skills, which are performed by people with those skills, and would otherwise be purchased by the Organization.

12. Allocation of Functional Expenses - The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statement of activities and in the consolidated statement of functional expenses. Costs are charged to program services, general and administrative, and fundraising based on direct expenditures incurred. Expenses not directly chargeable to these functional categories have been estimated and allocated among the programs and supporting services benefited based on management's best judgment.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

13. Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

14. Income Tax - Community Organizations Active in Disasters, Inc. and Subsidiary file a consolidated tax return. Community Organizations Active in Disasters, Inc. is exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code and contributions to it are tax deductible within the limitations prescribed by the Code. The Organization has been classified as a publicly-supported entity, which is not a private foundation under Section 509(a) of the Code.

    BRACE, LLC is a single member LLC as defined by Reg. 301.7701-3(b), and is a wholly owned subsidiary of Community Organizations Active in Disasters, Inc. Pursuant to this regulation, BRACE, LLC is disregarded as a separate entity and is treated as a component of Community Organizations Active in Disasters, Inc. Accordingly, no provision for income taxes is included in the consolidated financial statements.

    Tax-exempt nonprofit entities such as Community Organizations Active in Disasters, Inc. may have tax positions that require evaluation for uncertainty. For example, a tax position might be the entity's status as tax exempt. In addition, a tax position might involve unrelated business income subject to income taxes. The Organization believes that any tax positions it has taken or expects to take that are more-likely-than-not sustainable, as described in the Codification, would not be material to the financial statements taken as a whole. Accordingly, no liability has been provided for unrecognized tax benefits, nor has any interest or penalty been accrued.

    The Organization's information and tax returns for the years ended June 30, 2017 through 2020 are subject to examination by the Internal Revenue Service and state authorities, generally for three years after they were filed.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

15. Recent Financial Accounting Pronouncements - In February 2016, the FASB issued ASU 2016-02, *Leases*, which requires lessees to recognize on the statement of financial position the assets and liabilities for the rights and obligations created by leases with lease terms of more than twelve months. The recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee will continue to primarily depend on its classification as a finance or operating lease. However, unlike current U.S. GAAP, which requires only capital leases to be recognized on the statement of financial position, ASU 2016-02 will require both types of leases to be recognized on the statement of financial position. ASU 2016-02 also requires disclosures about the amount, timing, and uncertainty of cash flows arising from leases. These disclosures include qualitative and quantitative requirements, providing additional information about the amounts recorded in the financial statements. This standard is effective for fiscal periods beginning after December 15, 2021. The Company plans to adopt this ASU for its year ending June 30, 2023.

    In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606).* This guidance will require changes in the method and timing of recognition of certain contract revenues and related expenses. This ASU and its amendments will supersede the revenue recognition requirements in *Topic 605, Revenue Recognition,* and most industry specific guidance. For nonpublic entities, these amendments are effective for annual reporting periods beginning after December 15, 2019.

16. Comparative Financial Information - Certain accounts and activities in the prior year information have been reclassified to conform to the presentation in the current year financial statements.

17. Events Occurring After the Reporting Date - The Organization has evaluated events and transactions that occurred between June 30, 2020 and November 2, 2020, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

The loan is made pursuant to the Paycheck Protection Program as part of the Coronavirus Aid, Relief, and Economic Security Act. At this time, the exact amount of the loan to be forgiven is unforeseeable. However, the Company expects the loan to be fully forgiven.

NOTE F - CONTINGENT NOTE PAYABLE TO ESCAMBIA COUNTY

Escambia County advanced Neighborhood Stabilization Program (NSP) funds to the Organization in accordance with a Development Agreement between the County and the Organization. The NSP funds were provided as long-term financing for the acquisition and management of Heritage Oaks Mobile Home Park, including the preliminary expenditures. This included outlays related to the negotiations in connection with the acquisition of the foreclosed property, as well as infrastructure improvements, and securing and transporting manufactured housing units to the Park.

The County awarded NSP funds to the Organization in the amount of $1,400,000. The award was recognized by a note which was formally executed on September 16, 2010, for this amount, and is secured by Heritage Oaks Mobile Park. In the event of default of any terms or obligations pursuant to the mortgage, including the sale, conveyance, transfer, or assignment of any interest in the property referred to in the mortgage or the failure of the Organization to comply with the rental rates, occupancy restrictions and conditions specified in the mortgage, the total principal balance will be due and payable.

If the Organization is not in default of any terms or obligations of the mortgage within fifteen years, the principal balance shall be reduced by 6.666% of the original amount per year on the anniversary date of the note. On the fifteenth anniversary of the note, the balance due shall be reduced to zero. The note is noninterest bearing, except in the event of default as stipulated within the note.

The balance due on the contingent note payable at June 30, 2020 and 2019 was $560,000 and $653,333, respectively.

NOTE G - DUE TO ESCAMBIA COUNTY

During March 2011, the Organization entered into an agreement with Escambia County to receive funding in the amount of $300,000 for ongoing renovations and infrastructure improvements to Heritage Oaks Mobile Home Park. The loan was refinanced in May 2013.

The loan matures in May 2026 and bears interest at a rate of 3%. The loan was formally executed on March 9, 2011 and is secured by Heritage Oaks Mobile Home Park real estate, buildings, improvements, and fixtures therein. Interest only payments in the amount of $750 are due each month beginning June 1, 2011, and a balloon principle payment at maturity in the amount of $300,000. The balance due to Escambia County at June 30, 2020 and 2019 was $300,000 and $300,000, respectively. NOTE I - DONATED SERVICES AND OTHER IN-KIND CONTRIBUTIONS

The value of in-kind contributions and services as revenue in the consolidated financial statements and the corresponding program expenses for the years ended June 30, 2020 and 2019 are as follows:

	Heritage Oaks	Preparedness & Mitigation	Response	Recovery	Faith-Based	General & Administrative	Fundraising	Total

Additionally, a substantial number of volunteers donated significant amounts of time to the Organization in various capacities; however, these donated services are not reflected in the financial statements, since these services do not meet the criteria for recognition as contributed services.

NOTE J - NET ASSETS WITH DONOR RESTRICTION

There were no net assets with donor restriction at June 30, 2019. Net assets with donor restriction at June 30, 2020 consisted of the following:

	2020
Disaster relief	$ 16,483
Total	$ 16,483

NOTE K - RENTAL INCOME AND PROPERTY MANAGEMENT EXPENSE

Prior to 2019, the Organization contracted with a management company to manage the Mobile Home Park. During the year ended June 30, 2020 and prior to 2013, the Organization managed the Park. The Organization recognized rental income of $478,984 for the year ended June 30, 2020.

NOTE L - FINANCIAL ASSETS AVAILABLE FOR GENERAL EXPENDITURES

The following reflects the Organization's financial assets as of June 30, 2020 and 2019, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of June 30, 2020 and 2019.

	2020	2019
Financial assets, at year-end	$ 547,129	$ 435,588
Net assets with donor restrictions	(16,483)	-
Financial assets available to meet cash needs for general expenditures within one year	$ 530,646	$ 435,588

NOTE L - FINANCIAL ASSETS AVAILABLE FOR GENERAL EXPENDITURES (Continued)

The Organization at times receives restricted contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

NOTE M - SUPPLEMENTAL DISCLOSURE OF CASH FLOW INFORMATION

Cash payments for interest for the years ended June 30, 2020 and 2019 were $9,000 for each of the years.

There was debt forgiveness on the contingent note payable to Escambia County in the amount of $93,333 each year during the years ended June 30, 2020 and 2019.

NOTE N - OPERATING LEASE

In 2011, the Organization entered into a lease for a facility in Pensacola under a month-to-month operating lease requiring annual rental payments of $15,840, half of which is an in-kind donation of rent to the Organization. Rent expense for the year ended June 30, 2020 and 2019 was $23,036 and $22,318, respectively.

NOTE O - SUBSEQUENT EVENT

Subsequent to year end, the Organization received an offer for the Heritage Oaks Mobile Home Park. As of November 2, 2020, the offer is under consideration.

NOTE P – HURRICANE SALLY

On September 16, 2020, Hurricane Sally hit the Gulf Coast causing damage to the Organization's mobile home park. The Organization received insurance proceeds in the amount of $128,066. The Organization will be responsible for the insurance deductible totaling $31,000. Uninsured remedies and damages are estimated to be $18,700. The Organization plans to restore the units during the 2021 fiscal year end and is in the process of obtaining estimates for repairs. Therefore, any related gain or loss is unknown as of the date of the report.

NOTE Q - COVID-19

The COVID-19 outbreak in the United States has caused disruption of operations through mandated and voluntary closings of business and issued stay at home order for individuals. While the disruption is currently expected to be temporary, there is considerable uncertainty surrounding the long-term operating effects on the Organization. The related financial impact and duration cannot be reasonable estimated at this time.

Community Organizations Active in Disasters, Inc.

We have audited the consolidated financial statements of Community Organizations Active in Disasters, Inc. and Subsidiary (the Organization) for the year ended June 30, 2021, and we will issue our report thereon dated March 11, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 3, 2021. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Community Organizations Active in Disasters, Inc. and Subsidiary are described in Note B to the consolidated financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the consolidated financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the consolidated financial statements were:

> Management's estimate of the useful lives of property held for lease and property and equipment is based on past history, research, and experience. We evaluated the key factors and assumptions used to develop the estimated useful lives of property held for lease and property and equipment in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's percentage of allocating functional expenses is based on past experience and estimates of time spent amongst each functional area. We suggest that where possible, specific allocation of program expenses be used to allocate disbursements for items that are direct expenses. Other indirect expenses should be measured and allocated based on other non-financial measurements.

Management's estimate of the allowance for uncollectible receivables is based on management's knowledge of specific renters and past experience. We evaluated the key factors and assumptions used to develop the estimate of uncollectible receivables in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of in-kind services is based on the market value at the date the in-kind service was provided. We evaluated the key factors and assumptions used to develop the estimate of in-kind services in determining that it is reasonable in relation to the financial statements taken as a whole.

The consolidated financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the consolidated financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated March 11, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Board of Directors and management of Community Organizations Active in Disasters, Inc. and Subsidiary and is not intended to be, and should not be, used by anyone other than these specified parties.

To the Board of Directors
Community Organizations Active in Disasters, Inc.

In planning and performing our audit of the consolidated financial statements of Community Organizations Active in Disasters, Inc. and Subsidiary as of and for the year ended June 30, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered Community Organizations Active in Disasters, Inc. and Subsidiary's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses and other deficiencies we considered to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. We consider the following deficiencies in Community Organizations Active in Disasters, Inc. and Subsidiary's internal control to be a material weakness:

RV Rental Receipts

During our audit, were notified that subsequent to year end, Management discovered misappropriated RV rent. Tenants claimed that they paid rent to the former property manager using cash and were not given a receipt. Credit for the rent was not noted on the rent rolls, and the only receipt book left at the Heritage Oaks after the Property Manager left began in July 2021. The receipt books for 2019 and 2020 could not be found so the tenants' claims that the rents were paid could not be verified. The total amount of the claims from the tenants is approximately $3,500. This information has been provided to

the Escambia County Sheriff's Office and filed with the Organization's insurance company for further review. We recommend an RV rent roll be prepared to reconcile the amounts expected with the amounts received and discrepancies investigated. We further recommend the collection of cash be done by someone other than the individual designated to obtain RV leases and log the RV tenants.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in Community Organizations Active in Disasters, Inc. and Subsidiary's internal control to be significant deficiencies:

Overall Segregation of Duties

A fundamental concept in an adequate system of internal control is the segregation of duties. With a limited number of accounting and administrative staff, many of the critical duties are combined and assigned to an available employee, such as access to the general ledger, collecting rental receipts, preparing deposit packages, and the ability to create a new vendor in the accounting system. As a result, incompatible duties are not adequately segregated, and the potential exists for errors or irregularities to occur which would not be found or corrected in a reasonable time period.

Due to the Organization's budget constraints, it is felt that the benefit of additional segregation of duties is outweighed by the cost of additional personnel required to segregate the incompatible functions. Therefore, we recommend that the Organization continue to utilize its Board of Directors as an oversight control in order to compensate, where possible, for the lack of segregation of duties.

This communication is intended solely for the information and use of management, the Board of Directors, and others within the Organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Community Organizations Active in Disasters, Inc.
and Subsidiary

We have audited the accompanying consolidated financial statements of Community Organizations Active in Disasters, Inc. (a nonprofit organization) and Subsidiary, which comprise the statements of financial position as of June 30, 2021 and 2020, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Community Organizations Active in Disasters, Inc. and Subsidiary as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

COMMUNITY ORGANIZATIONS ACTIVE IN DISASTERS, INC. AND SUBSIDIARY

NOTE A - ORGANIZATION AND NATURE OF ACTIVITIES

Community Organizations Active in Disasters, Inc. was formed in April 2006, as a nonprofit organization in the State of Florida. The Organization is made up of a local network that links community, governmental, and faith-based organizations, businesses, and volunteers during disasters to address emergency management issues. The Organization receives funding for its programs through rental income, governmental grants, reimbursable contracts, and financial and in-kind donations.

The consolidated financial statements include BRACE, LLC, a wholly owned subsidiary of Community Organizations Active in Disasters, Inc. During the fiscal year ended June 30, 2010, BRACE, LLC purchased Heritage Oaks Mobile Home Park with funding received through Escambia County to assist in preserving and providing long-term affordable rental and privately owned residences for Escambia County, Florida residents.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting - The Organization prepares their financial statements on the accrual basis of accounting, following accounting principles generally accepted in the United States of America for nonprofit organizations.

2. Principles of Consolidation - These consolidated financial statements include the balances and financial activities of Community Organization Active in Disasters, Inc. and BRACE, LLC (the Organization). All material inter-company balances and transactions are eliminated in the consolidation.

3. Financial Statement Presentation - The Organization is required to report information regarding its financial position and activities according to two classes of net assets:

   Without donor restrictions - Not subject to donor-imposed stipulations.

   With donor restrictions - Subject to donor-imposed stipulations.

4. Cash and Cash Equivalents - For the purposes of the statement of cash flows, the Organization considers all liquid investments with an original maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2021 and 2020.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Accounts Receivable - Accounts receivable is stated at unpaid balances and are presented net of an allowance for uncollectible accounts. The allowance for uncollectible accounts is based on historical experience, coupled with a review of the current status of existing receivables. Receivables will be charged off in the period in which management determines the receivable to be uncollectible. Recoveries of receivables previously charged off are recorded as income when received.

6. Property and Equipment and Property Held for Lease - Acquisitions of furniture and equipment of $5,000 or more are capitalized at cost or, if donated, at estimated fair market value at the time of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support. Depreciation is provided on the straight-line basis over estimated useful lives of the assets as follows:

Buildings and building improvements	39 years
Land improvements	7 - 20 years
Furniture and equipment	5 - 7 years
Computer, software, and website	3 - 5 years
Property held for lease	7 - 27 ½ years

7. Contingent Note Payable to Escambia County - As explained in Note F, the Organization has a contingent note payable to Escambia County for Neighborhood Stabilization Program (NSP) funds received from the County and used to acquire and operate Heritage Oaks Mobile Home Park in accordance with a Development Agreement between the County and the Organization.

   The Organization has every intention of complying with all the requirements of the Development Agreement and the related mortgage note payable. In that case, the conditional note payable will not bear any interest and will be forgiven $93,333 each year for fifteen years, until it is completely satisfied. Beginning with the fiscal year ended June 30, 2012, the forgiven amount of $93,333 has been recorded as grant revenue.

8. Contributions - Contributions made and received are recorded as with donor restricted or without donor restricted support depending on the existence and/or nature of any donor restrictions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted for future periods or donor-restricted for specific purposes are reported as restricted support that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the contribution is reported as support without donor restriction.

When a donor-stipulated time restriction expires or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restriction.

9. Grants - The Organization records grant revenue over the period of the award and the provisions of the grant determine the timing of revenue recognition. Grant expenses are recognized when incurred. Amounts that have been awarded and earned but not received are recorded as grants receivable.

10. Program Revenue - The Organization adopted Accounting Standards Update No. 2014-19, *Revenue from Contracts with Customers (Topic 606)*, which affects contracts with customers to transfer goods or services. Contract receivables and liabilities at July 1, 2019 were $7,054 and zero, respectively.

    Revenue related to exchange transactions is recognized as goods and/or services are provided and is based on the amount expected to be received in exchange for those goods and/or services. The Organization recognizes client service revenue in the period in which performance obligations under its contracts are satisfied by transferring services to clients. The Organization measures the performance obligation on the date the services are provided and bills to clients and third-party payers are sent.

11. Advertising Expense - The Organization uses advertising to promote its programs among the audiences they service. The costs in purchasing advertising and promotions are expensed when incurred. The Organization expensed $4,524 and $2,129, for the fiscal years ended June 30, 2021 and 2020, respectively. These costs are recorded as marketing and promotions expense in the consolidated statement of functional expenses.

12. In-kind Contributions and Services - Contributed goods and services are reflected in the accompanying consolidated statement of activities at their estimated values on date of receipt.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated services are recognized as contributions if the services create or enhance nonfinancial assets or require specialized skills, which are performed by people with those skills, and would otherwise be purchased by the Organization.

13. Allocation of Functional Expenses - The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statement of activities and in the consolidated statement of functional expenses. Costs are charged to program services, general and administrative, and fundraising based on direct expenditures incurred. Expenses not directly chargeable to these functional categories have been estimated and allocated among the programs and supporting services benefited based on management's best judgment.

14. Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

15. Income Tax - Community Organizations Active in Disasters, Inc. and Subsidiary file a consolidated tax return. Community Organizations Active in Disasters, Inc. is exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code and contributions to it are tax deductible within the limitations prescribed by the Code. The Organization has been classified as a publicly-supported entity, which is not a private foundation under Section 509(a) of the Code.

    BRACE, LLC is a single member LLC as defined by Reg. 301.7701-3(b), and is a wholly owned subsidiary of Community Organizations Active in Disasters, Inc. Pursuant to this regulation, BRACE, LLC is disregarded as a separate entity and is treated as a component of Community Organizations Active in Disasters, Inc. Accordingly, no provision for income taxes is included in the consolidated financial statements.

    Tax-exempt nonprofit entities such as Community Organizations Active in Disasters, Inc. may have tax positions that require evaluation for uncertainty. For example, a tax position might be the entity's status as tax exempt. In addition, a tax position might involve unrelated business income subject to income taxes. The Organization believes that any tax positions it has taken or expects to take that are more-likely-than-not sustainable, as described in the Codification, would not be material to the financial statements taken as a whole. Accordingly, no liability has been provided for unrecognized tax benefits, nor has any interest or penalty been accrued.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Organization's information and tax returns for the years ended June 30, 2018 through 2021 are subject to examination by the Internal Revenue Service and state authorities, generally for three years after they were filed.

16. Recent Financial Accounting Pronouncements - In February 2016, the FASB issued ASU 2016-02, *Leases*, which requires lessees to recognize on the statement of financial position the assets and liabilities for the rights and obligations created by leases with lease terms of more than twelve months. The recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee will continue to primarily depend on its classification as a finance or operating lease. However, unlike current U.S. GAAP, which requires only capital leases to be recognized on the statement of financial position, ASU 2016-02 will require both types of leases to be recognized on the statement of financial position. ASU 2016-02 also requires disclosures about the amount, timing, and uncertainty of cash flows arising from leases. These disclosures include qualitative and quantitative requirements, providing additional information about the amounts recorded in the financial statements. This standard is effective for fiscal periods beginning after December 15, 2021. The Organization plans to adopt this ASU for its year ending June 30, 2023.

17. Comparative Financial Information - Certain accounts and activities in the prior year information have been reclassified to conform to the presentation in the current year financial statements.

18. Events Occurring After the Reporting Date - The Organization has evaluated events and transactions that occurred between June 30, 2021 and March 11, 2022, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE C - PROPERTY AND EQUIPMENT

NOTE F - CONTINGENT NOTE PAYABLE TO ESCAMBIA COUNTY

Escambia County advanced Neighborhood Stabilization Program (NSP) funds to the Organization in accordance with a Development Agreement between the County and the Organization. The NSP funds were provided as long-term financing for the acquisition and management of Heritage Oaks Mobile Home Park, including the preliminary expenditures. This included outlays related to the negotiations in connection with the acquisition of the foreclosed property, as well as infrastructure improvements, and securing and transporting manufactured housing units to the Park.

The County awarded NSP funds to the Organization in the amount of $1,400,000. The award was recognized by a note which was formally executed on September 16, 2010, for this amount, and is secured by Heritage Oaks Mobile Park. In the event of default of any terms or obligations pursuant to the mortgage, including the sale, conveyance, transfer, or assignment of any interest in the property referred to in the mortgage or the failure of the Organization to comply with the rental rates, occupancy restrictions and conditions specified in the mortgage, the total principal balance will be due and payable.

If the Organization is not in default of any terms or obligations of the mortgage within fifteen years, the principal balance shall be reduced by 6.666% of the original amount per year on the anniversary date of the note. On the fifteenth anniversary of the note, the balance due shall be reduced to zero. The note is noninterest bearing, except in the event of default as stipulated within the note.

	Heritage Oaks	Preparedness & Mitigation	Response	Recovery	Faith - Based	General & Administrative	Fundraising	Total

Additionally, a substantial number of volunteers donated significant amounts of time to the Organization in various capacities; however, these donated services are not reflected in the financial statements, since these services do not meet the criteria for recognition as contributed services.

NOTE J - NET ASSETS WITH DONOR RESTRICTION

Net assets with donor restriction at June 30, 2021 and 2020 consisted of the following:

	2021	2020
Disaster relief	$ 5,497	$ 16,483
Total	$ 5,497	$ 16,483

NOTE K - FINANCIAL ASSETS AVAILABLE FOR GENERAL EXPENDITURES

The following reflects the Organization's financial assets as of June 30, 2021 and 2020, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of June 30, 2021 and 2020.

	2021	2020
Financial assets, at year-end	$ 753,010	$ 547,129
Net assets with donor restrictions	(5,497)	(16,483)
Financial assets available to meet cash needs for general expenditures within one year	$ 747,513	$ 563,612

The Organization at times receives restricted contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

NOTE L - SUPPLEMENTAL DISCLOSURE OF CASH FLOW INFORMATION

Cash payments for interest for the years ended June 30, 2021 and 2020 were $9,000 for each of the years.

There was debt forgiveness on the contingent note payable to Escambia County in the amount of $93,333 each year during the years ended June 30, 2021 and 2020.

NOTE M - OPERATING LEASE

In 2011, the Organization entered into a lease for a facility in Pensacola under a month-to-month operating lease requiring annual rental payments of $15,840, half of which is an in-kind donation of rent to the Organization. Rent expense for the year ended June 30, 2021 and 2020 was $13,359 and $23,036, respectively.

NOTE N - SUBSEQUENT EVENT

Subsequent to year end, the Organization reached an agreement to sell Heritage Oaks Mobile Home Park. Closing is scheduled to take place in April 2022. The sales price for the Mobile Home Park is $2,000,000 and the estimated gain on the sale is $970,000. The Organization will be required to pay back the remaining balance of the contingent note payable described in Note F.

NOTE O - HURRICANE SALLY

On September 16, 2020, Hurricane Sally hit the Gulf Coast causing damage to the Organization's mobile home park. The Organization received insurance proceeds in the amount of $128,066. The insured repair expenses totaled $115,476. The reported gain in other income is $12,590. Uninsured remedies and damages were $12,667. The Organization restored the units during the year ended June 30, 2021.

NOTE P - COVID-19

The COVID-19 outbreak in the United States has caused disruption of operations through mandated and voluntary closings of business and issued stay at home for individuals. While the disruption is currently expected to be temporary, there is considerable uncertainty surrounding the long-term operating effects on the Organization. The related financial impact and duration cannot be reasonably estimated at this time.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Community Organizations Active in Disasters, Inc.
and Subsidiary

Opinion

We have audited the accompanying consolidated financial statements of Community Organizations Active in Disasters, Inc. (a nonprofit organization) and Subsidiary, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Community Organizations Active in Disasters, Inc. and Subsidiary as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Organizations Active in Disasters, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Organizations Active in Disasters, Inc. 's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Organizations Active in Disasters, Inc.'s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Organizations Active in Disasters, Inc. 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

COMMUNITY ORGANIZATIONS ACTIVE IN DISASTERS, INC. AND SUBSIDIARY

NOTE A - ORGANIZATION AND NATURE OF ACTIVITIES

Community Organizations Active in Disasters, Inc. was formed in April 2006, as a nonprofit organization in the State of Florida. The Organization is made up of a local network that links community, governmental, and faith-based organizations, businesses, and volunteers during disasters to address emergency management issues. The Organization receives funding for its programs through rental income, governmental grants, reimbursable contracts, and financial and in-kind donations.

The consolidated financial statements include BRACE, LLC, a wholly owned subsidiary of Community Organizations Active in Disasters, Inc. During the fiscal year ended June 30, 2010, BRACE, LLC purchased Heritage Oaks Mobile Home Park with funding received through Escambia County to assist in preserving and providing long-term affordable rental and privately owned residences for Escambia County, Florida residents. The mobile home park was sold in April 2022.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting - The Organization prepares their financial statements on the accrual basis of accounting, following accounting principles generally accepted in the United States of America for nonprofit organizations.

2. Principles of Consolidation - These consolidated financial statements include the balances and financial activities of Community Organization Active in Disasters, Inc. and BRACE, LLC (the Organization). All material inter-company balances and transactions are eliminated in the consolidation.

3. Financial Statement Presentation - The Organization is required to report information regarding its financial position and activities according to two classes of net assets:

   Without donor restrictions - Not subject to donor-imposed stipulations.

   With donor restrictions - Subject to donor-imposed stipulations.

4. Cash and Cash Equivalents - For the purposes of the statement of cash flows, the Organization considers all liquid investments with an original maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2022 and 2021.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Accounts Receivable - Accounts receivable is stated at unpaid balances and are presented net of an allowance for uncollectible accounts. The allowance for uncollectible accounts is based on historical experience, coupled with a review of the current status of existing receivables. Receivables will be charged off in the period in which management determines the receivable to be uncollectible. Recoveries of receivables previously charged off are recorded as income when received.

6. Property and Equipment and Property Held for Lease - Acquisitions of furniture and equipment of $5,000 or more are capitalized at cost or, if donated, at estimated fair market value at the time of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support. Depreciation is provided on the straight-line basis over estimated useful lives of the assets as follows:

Buildings and building improvements	39 years
Land improvements	7 - 20 years
Furniture and equipment	5 - 7 years
Computer, software, and website	3 - 5 years
Property held for lease	7 - 27 ½ years

7. Contingent Note Payable to Escambia County - As explained in Note F, the Organization has a contingent note payable to Escambia County for Neighborhood Stabilization Program (NSP) funds received from the County and used to acquire and operate Heritage Oaks Mobile Home Park in accordance with a Development Agreement between the County and the Organization.

   The Organization complied with all the requirements of the Development Agreement and the related mortgage note payable. The conditional note payable was non-interest bearing and was forgiven in the amount of $93,333, each year the Organization remained in compliance with the forgiveness terms. Beginning with the fiscal year ended June 30, 2012, the forgiven amount of $93,333 has been recorded as grant revenue, each year through June 30, 2022. The mobile home park was sold in April 2022 and the remaining balance of the conditional note was repaid, in full.

8. Contributions - Contributions made and received are recorded as with donor restricted or without donor restricted support depending on the existence and/or nature of any donor restrictions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted for future periods or donor-restricted for specific purposes are reported as restricted support that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the contribution is reported as support without donor restriction.

When a donor-stipulated time restriction expires or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restriction.

9. Grants - The Organization records grant revenue over the period of the award and the provisions of the grant determine the timing of revenue recognition. Grant expenses are recognized when incurred. Amounts that have been awarded and earned but not received are recorded as grants receivable. Grant funds received and not yet earned are reported as deferred revenues on the statement of financial position.

10. Program Revenue - Revenue related to exchange transactions is recognized as goods and/or services are provided and is based on the amount expected to be received in exchange for those goods and/or services. The Organization recognizes client service revenue in the period in which performance obligations under its contracts are satisfied by transferring services to clients. The Organization measures the performance obligation on the date the services are provided and bills to clients and third-party payers are sent. Contract receivables, assets, and liabilities at July 1, 2020 were $25,235, zero, and $35,139, respectively.

11. Advertising Expense - The Organization uses advertising to promote its programs among the audiences they service. The costs in purchasing advertising and promotions are expensed when incurred. The Organization expensed $1,045 and $4,524, for the fiscal years ended June 30, 2022 and 2021, respectively. These costs are recorded as marketing and promotions expense in the consolidated statement of functional expenses.

12. In-kind Contributions and Services - Contributed goods and services are reflected in the accompanying consolidated statement of activities at their estimated values on date of receipt.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated services are recognized as contributions if the services create or enhance nonfinancial assets or require specialized skills, which are performed by people with those skills, and would otherwise be purchased by the Organization.

13. Allocation of Functional Expenses - The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statement of activities and in the consolidated statement of functional expenses. Costs are charged to program services, general and administrative, and fundraising based on direct expenditures incurred. Expenses not directly chargeable to these functional categories have been estimated and allocated among the programs and supporting services benefited based on management's best judgment.

14. Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

15. Income Tax - Community Organizations Active in Disasters, Inc. and Subsidiary file a consolidated tax return. Community Organizations Active in Disasters, Inc. is exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code and contributions to it are tax deductible within the limitations prescribed by the Code. The Organization has been classified as a publicly-supported entity, which is not a private foundation under Section 509(a) of the Code.

    BRACE, LLC is a single member LLC as defined by Reg. 301.7701-3(b), and is a wholly owned subsidiary of Community Organizations Active in Disasters, Inc. Pursuant to this regulation, BRACE, LLC is disregarded as a separate entity and is treated as a component of Community Organizations Active in Disasters, Inc. Accordingly, no provision for income taxes is included in the consolidated financial statements.

    Tax-exempt nonprofit entities such as Community Organizations Active in Disasters, Inc. may have tax positions that require evaluation for uncertainty. For example, a tax position might be the entity's status as tax exempt. In addition, a tax position might involve unrelated business income subject to income taxes. The Organization believes that any tax positions it has taken or expects to take that are more-likely-than-not sustainable, as described in the Codification, would not be material to the financial statements taken as a whole. Accordingly, no liability has been provided for unrecognized tax benefits, nor has any interest or penalty been accrued.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Organization's information and tax returns for the years ended June 30, 2020 through 2022 are subject to examination by the Internal Revenue Service and state authorities, generally for three years after they were filed.

16. Recent Financial Accounting Pronouncements - In February 2016, the FASB issued ASU 2016-02, *Leases*, which requires lessees to recognize on the statement of financial position the assets and liabilities for the rights and obligations created by leases with lease terms of more than twelve months. The recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee will continue to primarily depend on its classification as a finance or operating lease. However, unlike current U.S. GAAP, which requires only capital leases to be recognized on the statement of financial position, ASU 2016-02 will require both types of leases to be recognized on the statement of financial position. ASU 2016-02 also requires disclosures about the amount, timing, and uncertainty of cash flows arising from leases. These disclosures include qualitative and quantitative requirements, providing additional information about the amounts recorded in the financial statements. This standard is effective for fiscal periods beginning after December 15, 2021. The Organization plans to adopt this ASU for its year ending June 30, 2023.

17. Comparative Financial Information - Certain accounts and activities in the prior year information have been reclassified to conform to the presentation in the current year financial statements.

18. Events Occurring After the Reporting Date - The Organization has evaluated events and transactions that occurred between June 30, 2022 and April 21, 2023, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

The term of the loan is 24 months with the first 6 months of principal and interest payments deferred with interest accruing, then converting to monthly principal and interest payments, amortized over 18 months, at 1%. NOTE F - CONTINGENT NOTE PAYABLE TO ESCAMBIA COUNTY

Escambia County advanced Neighborhood Stabilization Program (NSP) funds to the Organization in accordance with a Development Agreement between the County and the Organization. The NSP funds were provided as long-term financing for the acquisition and management of Heritage Oaks Mobile Home Park, including the preliminary expenditures. This included outlays related to the negotiations in connection with the acquisition of the foreclosed property, as well as infrastructure improvements, and securing and transporting manufactured housing units to the Park.

The County awarded NSP funds to the Organization in the amount of $1,400,000. The award was recognized by a note which was formally executed on September 16, 2010, for this amount, and is secured by Heritage Oaks Mobile Park. In the event of default of any terms or obligations pursuant to the mortgage, including the sale, conveyance, transfer, or assignment of any interest in the property referred to in the mortgage or the failure of the Organization to comply with the rental rates, occupancy restrictions and conditions specified in the mortgage, the total principal balance will be due and payable.

NOTE F - CONTINGENT NOTE PAYABLE TO ESCAMBIA COUNTY (Continued)

If the Organization is not in default of any terms or obligations of the mortgage within fifteen years, the principal balance shall be reduced by 6.666% of the original amount per year on the anniversary date of the note. On the fifteenth anniversary of the note, the balance due shall be reduced to zero. The note is noninterest bearing, except in the event of default as stipulated within the note.

The balance due on the contingent note payable was repaid, in full, in April 2022 with the sale of Heritage Oaks Mobile Home Park.

NOTE G - DUE TO ESCAMBIA COUNTY

During March 2011, the Organization entered into an agreement with Escambia County to receive funding in the amount of $300,000 for ongoing renovations and infrastructure improvements to Heritage Oaks Mobile Home Park. The loan was refinanced in May 2013.

The loan was set to mature in May 2026, with interest at a rate of 3%, and was secured by Heritage Oaks Mobile Home Park real estate, buildings, improvements, and fixtures therein. Interest only payments in the amount of $750 were due each month beginning June 1, 2011, and a balloon principle payment at maturity in the amount of $300,000. The balance due to Escambia County at June 30, 2021 was $300,000. The loan was paid, in full, in April 2022 when the mobile home park was sold. Interest expenses totaled $9,000 and $9,000 for each of the years ended June 30, 2022 and 2021.

NOTE H - GRANTS

During the year ended June 30, 2022, the Organization was awarded a grant from United Way of West Florida, Inc. in the amount of $47,774, a grant from Escambia Counting in the amount of $95,000, and grants from Florida-Bahamas Synod, ELCA in the amount of $70,000 for a construction manager's salary, $10,000 for human resources support, $10,000 for financial administrative support, and $15,000 for administrative support. The ELCA also awarded funds to the Organization to assist in unmet needs of eligible recipients for disaster assistance with grant revenues totaling $292,023 for the year ended June 30, 2022.

During the year ended June 30, 2021, the Organization was awarded a grant from United Way of West Florida, Inc.'s Hurricane Sally Relief Fund in the amount of $50,000 for emergency work and a grant from Escambia County in the amount of $95,000.

NOTE I - DONATED SERVICES AND OTHER IN-KIND CONTRIBUTIONS

The value of in-kind contributions and services as revenue in the consolidated financial statements and the corresponding program expenses for the years ended June 30, 2022 and 2021 are as follows:

	Heritage Oaks	Preparedness & Mitigation	Response	Recovery	Faith-Based	General & Administrative	Fundraising	Total
Personnel	$ 9,424	$ 6,472	$ 98,928	$ 36,751	$ 3,913	$ -	$ -	$155,488

	Heritage Oaks	Preparedness & Mitigation	Response	Recovery	Faith-Based	General & Administrative	Fundraising	Total

Additionally, a substantial number of volunteers donated significant amounts of time to the Organization in various capacities; however, these donated services are not reflected in the financial statements, since these services do not meet the criteria for recognition as contributed services.

NOTE J - NET ASSETS WITH DONOR RESTRICTION

Net assets with donor restriction at June 30, 2021 consisted of $5,497 for disaster relief. There were no net assets with donor restriction at June 30, 2022.

NOTE K - FINANCIAL ASSETS AVAILABLE FOR GENERAL EXPENDITURES

The following reflects the Organization's financial assets as of June 30, 2022, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of June 30, 2022.

	2022
Financial assets, at year-end	$ 1,971,161
Net assets with donor restrictions	-
Financial assets available to meet cash needs for general expenditures within one year	$ 1,971,161

The Organization at times receives restricted contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

NOTE L - SUPPLEMENTAL DISCLOSURE OF CASH FLOW INFORMATION

Cash payments for interest for the years ended June 30, 2022 and 2021 were $9,000 for each of the years.

Debt forgiveness on the contingent note payable to Escambia County totaled $93,333 each year during the years ended June 30, 2022 and 2021.

NOTE M - OPERATING LEASE

In 2011, the Organization entered into a lease for a facility in Pensacola under a month-to-month operating lease requiring annual rental payments of $15,840, half of which is an in-kind donation of rent to the Organization. Rent expense for the year ended June 30, 2022 and 2021 was $13,359 and $23,036, respectively.

NOTE N - HURRICANE SALLY

On September 16, 2020, Hurricane Sally hit the Gulf Coast causing damage to the Organization's mobile home park. In the prior year, the Organization received insurance proceeds in the amount of $128,066. The insured repair expenses totaled $115,476. The reported gain in other income is $12,590. Uninsured remedies and damages were $12,667. The Organization restored the units during the year ended June 30, 2021.

NOTE O - CONCENTRATION OF CREDIT RISK

Financial instruments, which potentially subject the Organization to concentrations of credit risk, include cash in banks and certificates of deposit in excess of federally insured limits. The Organization manages this risk by maintaining its cash in various high-quality financial institutions. The funds in these accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. The uninsured cash balance was $1,366,886 at June 30, 2022.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Community Organizations Active in Disasters, Inc.
and Subsidiary

Opinion

We have audited the accompanying consolidated financial statements of Community Organizations Active in Disasters, Inc. (a nonprofit organization) and Subsidiary, which comprise the statements of financial position as of June 30, 2023 and 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Community Organizations Active in Disasters, Inc. and Subsidiary as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Organizations Active in Disasters, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Organizations Active in Disasters, Inc.'s ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.

Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Organizations Active in Disasters, Inc. 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

COMMUNITY ORGANIZATIONS ACTIVE IN DISASTERS, INC. AND SUBSIDIARY

NOTE A - ORGANIZATION AND NATURE OF ACTIVITIES

Community Organizations Active in Disasters, Inc. was formed in April 2006, as a nonprofit organization in the State of Florida. The Organization is made up of a local network that links community, governmental, and faith-based organizations, businesses, and volunteers during disasters to address emergency management issues. The Organization receives funding for its programs through rental income, governmental grants, reimbursable contracts, and financial and in-kind donations.

The consolidated financial statements include BRACE, LLC, a wholly owned subsidiary of Community Organizations Active in Disasters, Inc. During the fiscal year ended June 30, 2010, BRACE, LLC purchased Heritage Oaks Mobile Home Park with funding received through Escambia County to assist in preserving and providing long-term affordable rental and privately owned residences for Escambia County, Florida residents. The mobile home park was sold in April 2022.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting - The Organization prepares their financial statements on the accrual basis of accounting, following accounting principles generally accepted in the United States of America for nonprofit organizations.

2. Principles of Consolidation - These consolidated financial statements include the balances and financial activities of Community Organization Active in Disasters, Inc. and BRACE, LLC (the Organization). All material inter-company balances and transactions are eliminated in the consolidation.

3. Financial Statement Presentation - The Organization is required to report information regarding its financial position and activities according to two classes of net assets:

   Without donor restrictions - Not subject to donor-imposed stipulations.

   With donor restrictions - Subject to donor-imposed stipulations.

4. Cash and Cash Equivalents - For the purposes of the statement of cash flows, the Organization considers all liquid investments with an original maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2023 and 2022.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Accounts Receivable - Accounts receivable is stated at unpaid balances and are presented net of an allowance for uncollectible accounts. The allowance for uncollectible accounts is based on historical experience, coupled with a review of the current status of existing receivables. Receivables will be charged off in the period in which management determines the receivable to be uncollectible. Recoveries of receivables previously charged off are recorded as income when received.

6. Property and Equipment - Acquisitions of furniture and equipment of $5,000 or more are capitalized at cost or, if donated, at estimated fair market value at the time of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support. Depreciation is provided on the straight-line basis over estimated useful lives of the assets as follows:

Furniture, equipment, and vehicles	5 - 7 years
Computer, software, and website	3 - 5 years

7. Contingent Note Payable to Escambia County - As explained in Note E, the Organization has a contingent note payable to Escambia County for Neighborhood Stabilization Program (NSP) funds received from the County and used to acquire and operate Heritage Oaks Mobile Home Park in accordance with a Development Agreement between the County and the Organization.

   The Organization complied with all the requirements of the Development Agreement and the related mortgage note payable. The conditional note payable was non-interest bearing and was forgiven in the amount of $93,333, each year the Organization remained in compliance with the forgiveness terms. Beginning with the fiscal year ended June 30, 2012, the forgiven amount of $93,333 has been recorded as grant revenue, each year through June 30, 2022. The mobile home park was sold in April 2022 and the remaining balance of the conditional note was repaid, in full.

8. Contributions - Contributions made and received are recorded as with donor restricted or without donor restricted support depending on the existence and/or nature of any donor restrictions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted for future periods or donor-restricted for specific purposes are reported as restricted support that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the contribution is reported as support without donor restriction.

When a donor-stipulated time restriction expires or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restriction.

9. Grants - The Organization records grant revenue over the period of the award and the provisions of the grant determine the timing of revenue recognition. Grant expenses are recognized when incurred. Amounts that have been awarded and earned but not received are recorded as grants receivable. Grant funds received and not yet earned are reported as deferred revenues on the statement of financial position.

10. Program Revenue - Revenue related to exchange transactions is recognized as goods and/or services are provided and is based on the amount expected to be received in exchange for those goods and/or services. The Organization recognizes client service revenue in the period in which performance obligations under its contracts are satisfied by transferring services to clients. The Organization measures the performance obligation on the date the services are provided and bills to clients and third-party payers are sent.

11. Advertising Expense - The Organization uses advertising to promote its programs among the audiences they service. The costs in purchasing advertising and promotions are expensed when incurred. The Organization expensed $1,843 and $1,045, for the fiscal years ended June 30, 2023 and 2022, respectively. These costs are recorded as marketing and promotions expense in the consolidated statement of functional expenses.

12. In-kind Contributions and Services - Contributed goods and services are reflected in the accompanying consolidated statement of activities at their estimated values on date of receipt.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

During the year ended June 30, 2022, the Organization adopted Accounting Standards Update (ASU) 2020-07, Presentation and Disclosures by Not-for-Profit Entities for nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. The standard also increased the disclosure requirement around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. Adoption of this standard did not have a significant impact on the financial statements, with the exception of additional disclosures.

Donated services are recognized as contributions if the services create or enhance nonfinancial assets or require specialized skills, which are performed by people with those skills, and would otherwise be purchased by the Organization.

13. Allocation of Functional Expenses - The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statement of activities and in the consolidated statement of functional expenses. Costs are charged to program services, general and administrative, and fundraising based on direct expenditures incurred. Expenses not directly chargeable to these functional categories have been estimated and allocated among the programs and supporting services benefited based on management's best judgment.

14. Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

15. Income Tax - Community Organizations Active in Disasters, Inc. and Subsidiary file a consolidated tax return. Community Organizations Active in Disasters, Inc. is exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code and contributions to it are tax deductible within the limitations prescribed by the Code. The Organization has been classified as a publicly-supported entity, which is not a private foundation under Section 509(a) of the Code.

    BRACE, LLC is a single member LLC as defined by Reg. 301.7701-3(b), and is a wholly owned subsidiary of Community Organizations Active in Disasters, Inc. Pursuant to this regulation, BRACE, LLC is disregarded as a separate entity and is treated as a component of Community Organizations Active in Disasters, Inc. Accordingly, no provision for income taxes is included in the consolidated financial statements.

Tax-exempt nonprofit entities such as Community Organizations Active in Disasters, Inc. may have tax positions that require evaluation for uncertainty. For example, a tax position might be the entity's status as tax exempt. In addition, a tax position might involve unrelated business income subject to income taxes. The Organization believes that any tax positions it has taken or expects to take that are more-likely-than-not sustainable, as described in the Codification, would not be material to the financial statements taken as a whole. Accordingly, no liability has been provided for unrecognized tax benefits, nor has any interest or penalty been accrued.

The Organization's information and tax returns for the years ended June 30, 2021 through 2023 are subject to examination by the Internal Revenue Service and state authorities, generally for three years after they were filed.

16. Recent Financial Accounting Pronouncements - During the year ended June 30, 2023, the Organization adopted ASU 2016-02, Leases (Topic 842) which requires lessees to recognize on the statement of financial position the assets and liabilities for the rights and obligations created by leases with lease terms of more than twelve months. The Organization reflected the impact of initially adopting ASC 842 as of the beginning of the year of adoption; therefore, prior period amounts have not been adjusted and continue to be reported in accordance with the previous accounting guidance in ASC 840. The adoption of ASC 842 had a material impact on the statement of financial position but did not have a significant impact on the statement of activities and statement of cash flows. There were no changes in net assets as a result of the adoption. The most significant impact was the recognition of right-of-use assets under operating leases and operating lease liabilities for operating leases.

    The Organization elected the available practical expedients to account for its existing leases under the new guidance, without reassessing (a) whether any expired or existing contracts contain a lease, (b) whether classification of capital or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs, if any, before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

17. Comparative Financial Information - Certain accounts and activities in the prior year information have been reclassified to conform to the presentation in the current year financial statements.

Events Occurring After the Reporting Date - The Organization has evaluated events and transactions that occurred between June 30, 2023 and April 3, 2024, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE C - PROPERTY AND EQUIPMENT

Major classifications of property and equipment at June 30, 2023 and 2022, were as follows:

The loan was forgiven in full in November 2021 and is included in other income on the Statement of Activities for the year ended June 30, 2022.

Contingent Note Payable to Escambia County

Escambia County advanced Neighborhood Stabilization Program (NSP) funds to the Organization in accordance with a Development Agreement between the County and the Organization. The NSP funds were provided as long-term financing for the acquisition and management of Heritage Oaks Mobile Home Park, including the preliminary expenditures. This included outlays related to the negotiations in connection with the acquisition of the foreclosed property, as well as infrastructure improvements, and securing and transporting manufactured housing units to the Park.

NOTE E - HERITAGE OAKS MOBILE HOME PARK (Continued)

The County awarded NSP funds to the Organization in the amount of $1,400,000. The award was recognized by a note which was formally executed on September 16, 2010, for this amount, and was secured by Heritage Oaks Mobile Park. In the event of default of any terms or obligations pursuant to the mortgage, including the sale, conveyance, transfer, or assignment of any interest in the property referred to in the mortgage or the failure of the Organization to comply with the rental rates, occupancy restrictions and conditions specified in the mortgage, the total principal balance will be due and payable.

Each year the Organization was not in default of any terms or obligations of the mortgage within fifteen years, the principal balance was reduced by 6.666% of the original amount per year on the anniversary date of the note. On the fifteenth anniversary of the note, the balance due shall be reduced to zero. The note is noninterest bearing, except in the event of default as stipulated within the note.

Debt forgiveness on the contingent note payable to Escambia County totaled $93,333 during the year ended June 30, 2022. The balance due on the contingent note payable was repaid, in full, in April 2022 with the sale of Heritage Oaks Mobile Home Park.

Due to Escambia County
During March 2011, the Organization entered into an agreement with Escambia County to receive funding in the amount of $300,000 for ongoing renovations and infrastructure improvements to Heritage Oaks Mobile Home Park. The loan was refinanced in May 2013.

The loan was set to mature in May 2026, with interest at a rate of 3%, and was secured by Heritage Oaks Mobile Home Park real estate, buildings, improvements, and fixtures therein. Interest only payments in the amount of $750 were due each month beginning June 1, 2011, and a balloon principal payment at maturity in the amount of $300,000. The balance due to Escambia County at June 30, 2021 was $300,000. The loan was paid, in full, in April 2022 when the mobile home park was sold. Interest expenses totaled $9,000 for the year ended June 30, 2022.

NOTE F - GRANTS

During the year ended June 30, 2023, the Organization was awarded a grant from United Way of West Florida, Inc. in the amount of $45,830, a grant from AmeriCorps VISTA in the amount of $53,500, and grants from Florida-Bahamas Synod, ELCA to support unmet needs of eligible recipients for disaster assistance. During the year ended June 30, 2023, 84 percent of the Organization's grant revenues were from three providers. The unearned funds remaining in deferred grant revenues were repaid during 2023 and 2024.

NOTE F - GRANTS (Continued)

During the year ended June 30, 2022, the Organization was awarded a grant from United Way of West Florida, Inc. in the amount of $47,774, a grant from Escambia County in the amount of $95,000, and grants from Florida-Bahamas Synod, ELCA to support unmet needs of eligible recipients for disaster assistance.

NOTE G - DONATED SERVICES AND OTHER IN-KIND CONTRIBUTIONS

The value of in-kind contributions and services as revenue in the consolidated financial statements and the corresponding program expenses for the years ended June 30, 2023 and 2022 are as follows:

	Preparedness & Mitigation	Response	Recovery	Faith - Based	General & Administrative	Fundraising	Total
Personnel	$ 7,622	$ 107,352	$ 39,860	$ 3,970	$ -	$ -	$158,804
Direct assistance	-	7,545	-	-	-	-	7,545
2023 Total	$ 7,622	$ 114,897	$ 39,860	$ 3,970	$ -	$ -	$166,349

	Heritage Oaks	Preparedness & Mitigation	Response	Recovery	Faith - Based	General & Administrative	Fundraising	Total
Personnel	$ 9,424	$ 6,472	$ 98,928	$ 36,751	$ 3,913	$ -	$ -	$155,488
Direct assistance	2,238	-	-	-	-	-	-	2,238
2022 Total	$ 11,662	$ 6,472	$ 98,928	$ 36,751	$ 3,913	$ -	$ -	$157,726

Additionally, a substantial number of volunteers donated significant amounts of time to the Organization in various capacities; however, these donated services are not reflected in the financial statements, since these services do not meet the criteria for recognition as contributed services.

NOTE H - FINANCIAL ASSETS AVAILABLE FOR GENERAL EXPENDITURES

The following reflects the Organization's financial assets as of June 30, 2023, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of June 30, 2023.

	2023
Financial assets, at year-end	$ 1,674,277
Net assets with donor restrictions	-
Financial assets available to meet cash needs for general expenditures within one year	$ 1,674,277

The Organization at times receives restricted contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

NOTE I - SUPPLEMENTAL DISCLOSURE OF CASH FLOW INFORMATION

Cash payments for interest for the years ended June 30, 2022 was $9,000.

Debt forgiveness on the contingent note payable to Escambia County totaled $93,333 during the year ended June 30, 2022.

NOTE J - LEASES

The Organization recognizes right-to-use lease assets and lease liabilities for leases with terms greater than 12 months or for leases that contain a purchase option that is reasonably certain to be exercised. The Organization used one or more practical expedients, including short-term leases with terms twelve months or less to remain off the Organization's Statement of Financial Position. Leases are classified as either finance or operating leases. This classification dictates whether lease expense is recognized based on an effective interest method or on a straight-line basis over the term of the lease.

NOTE J - LEASES (Continued)

In 2011, the Organization entered into a lease for a facility in Pensacola under a month-to-month operating lease requiring annual rental payments of $15,840, half of which is an in-kind donation of rent to the Organization. Rent expense for the year ended June 30, 2023 and 2022 was $14,755 and $ $12,387 , respectively.

The Organization also entered into the storage lease agreements used in operations on a month-to-month or as needed basis. Total storage rent expense for the year ended June 30, 2023 was $3,715.

In June 2023, the Organization entered into an office equipment lease under a three-year operating agreement requiring annual rental payments of $1,619 through June 2026.

The following summarizes the line items in the statements of financial position which include amounts for operating leases as of June 30, 2023:

	2023

Operating lease right-to-use assets	$ 4,343
Operating lease current liabilities	$ 1,342
Operating lease long-term liabilities	3,001
Total operating leases liabilities	$ 4,343

Right to use assets obtained in exchange for new operating lease liabilities during the year ended June 30, 2023 totaled $4,343.

The following table displays the weighted average term and discount rates, and related information as of June 30, 2023:

Weighted-average remaining lease term	36
Weighted-average discount rate	7.40%
Total operating right-to-use lease asset	$ 4,343

NOTE J - LEASES (Continued)

At June 30, 2023, the Organization was obligated for minimum rental payments under operating leases having remaining terms in excess of one year for each of the next five years and in the aggregate as follows:

Year Ending June 30,	Operating Lease
2024	$ 1,619
2025	1,619
2026	1,619
2027	-
2028	-
Thereafter	-
Total undiscounted cash flows	4,857
Less: present value discount	(514)
Total lease liabilities	$ 4,343

NOTE K - CONCENTRATION OF CREDIT RISK

Financial instruments, which potentially subject the Organization to concentrations of credit risk, include cash in banks and certificates of deposit in excess of federally insured limits. The Organization manages this risk by maintaining its cash in various high-quality financial institutions. The funds in these accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. The uninsured cash balance was $1,257,174 at June 30, 2023.

WHEREAS, the parties have agreed to enter into this Amended and Restated MOU in support of Escambia County's efforts to coordinate and implement emergency preparedness, response, recovery, and mitigation activities.

NOW, THEREFORE, in consideration of the mutual promises, covenants, and conditions therein, the parties agree as follows:

ARTICLE I. PURPOSE.

1.1 The recitals contained in the preamble of this agreement are declared to be true and correct and are hereby incorporated in this agreement.

1.2 The purpose of this Amended and Restated MOU is to set forth terms by which BRACE will support the Escambia County Emergency Operations Center (EOC) emergency preparedness, response, recovery, and mitigation activities. This Amended and Restated MOU shall supersede in its entirety the Memorandum of Understanding, dated February 18, 2016, between Community Organizations Active in Disaster, Inc. D/B/A Be Ready Alliance Coordinating for Emergencies and Escambia County, Florida.

ARTICLE II. RESPONSIBILITIES OF THE PARTIES.

2.1 **BRACE** agrees to:

A. Provide leadership and coordination services as the co-lead for Emergency Support Function (ESF) 15-Volunteers and Donations operations, including, but not limited to, the following:

1. Co-lead and coordinate planning activities that develop plans and procedures in support of the ESF 15 mission as identified within the County CEMP as appropriate.

2. Participate in Emergency Management training and coordinate training activities needed for ESF 15 lead and support organization staff to maintain knowledge, skills, and abilities to maximize efficiencies in working within an EOC Incident Command System (ICS) operation and to support mission operations identified for ESF 15 as appropriate.

3. Participate in Emergency Management exercises and coordinate the engagement of lead and support organization's staff that test and enhance knowledge, skills, and abilities to maximize efficiencies in working within an EOC/ICS operation and to support mission operations identified for ESF 15 as appropriate.

4. Co-lead ESF 15 as may be necessary for the implementation of the entire ESF 15 mission operations.

5. Provide and coordinate ESF 15 mission expertise, guidance, suggestions, recommendations, data, information, and potential solutions as it may relate to issues, problems, and challenges that exist or may exist throughout the entire disaster response and recovery process with other EOC liaisons, functional units, and EOC management staff related to and through the EOC organization liaisons and EOC management structure to develop, implement, guide, and direct EOC operations in the most efficient and effective manner for the delivery of response and recovery service(s) to the community.

6. Identify appropriate staff and staffing levels to lead and coordinate the ESF 15 desk and responsibilities within the EOC as appropriate when EOC operations are mobilized and liaison support is requested. Encourage and solicit staffing support from ESF 15 and other community organizations as needed and appropriate.

7. Coordinate with the EOC Human Services Branch Director to maintain procedures and access to the Government Point of Distribution (GPOD) for volunteer organizations and service providers to be able to draw commodities and other emergency resources from the GPOD within negotiated guidelines as identified by the EOC Human Services Branch Director.

8. Assist in educating, coordinating, and developing, in support of and in coordination with, Volunteer Florida and Florida Voluntary Organizations Active in

Disaster (FLVOAD) member organizations, forms, processes, and procedures for affiliated and unaffiliated volunteers and volunteer organizations to document in-kind services with the goal of being able to apply those in-kind services to the non-federal share of local government costs related to eligible response and recovery expenses in a federally declared disaster as appropriate.

9. Verify, validate, and clarify any planning, training, exercise, and/or operational financial responsibility expectations for any expenses that potentially could be incurred by BRACE and/or any other support organizations BRACE may be coordinating or soliciting in support of EOC or Emergency Management activities that may be requested of BRACE, ESF 15, or other EOC liaisons and support organizations.

10. Seek pre-approval for any expenses that will not be expected to be absorbed by BRACE, and during EOC mobilization, follow the pre-approval/pre-authorization process identified in **Appendix A**, attached hereto and incorporated herein. When the EOC is not mobilized, BRACE should seek pre-approval/pre-authorization from Emergency Management. Any expenses incurred by BRACE or other EOC or ESF support agencies that are not pre-approved/pre-authorized will be at risk for not being reimbursed by the County. All approvals and authorizations must be in writing. Nothing in this agreement will limit or exclude BRACE from directly pursuing reimbursement for disaster response and recovery expenses from potential federal, state, or "responsible party" programs as those programs may identify eligibility by federal or state law, or by other programmatic rules and guidelines as those programs may define.

B. Coordinate, manage, and oversee ESF 15 Volunteer operations as a co-lead organization more specifically as follows:

1. Coordinate affiliated volunteers and volunteer organizations as they may present themselves to the community to leverage the limited resources and services that will maximize the delivery of goods and services to people in need and minimize the gaps within the community.

2. Provide timely expertise, guidance, suggestions, recommendations, data, and information to EOC management as to the potential need for a Volunteer Team Assignment Center (VTAC) operation within the community, and as may be requested, oversee and coordinate any mutual aid resource request for such operations.

3. Assist Hillcrest Baptist Church with any VTAC operation as an EOC/ESF 15 liaison between the donated goods warehouse manager(s) and the EOC operations as it may relate to mobilization and demobilization of the operation, acquiring and compiling data and information, relaying status reports, and identifying issues or problems that may need to be addressed by EOC management.

4. Document activities, data, and information on the VTAC operation as appropriate.

5. Oversee the VTAC or the operational equivalent for affiliated volunteers serving with National Voluntary Organizations Active in Disaster (NVOAD) and FVOAD member organizations, as well as Florida ESF 15 lead and support organizations and/or BRACE partner organizations. This operation may co-locate within the VTAC should that operation be mobilized and as appropriate.

C. Coordinate, manage, and oversee ESF 15 Donation operations as a co-lead organization more specifically as follows:

1. Coordinate donations of goods and equipment that may be offered and delivered to the community with local non-profit organizations that have the capacity to accept those donations and willingness to utilize those donations in support of disaster response and recovery or redistribute those resources to people in need within the community as appropriate.

2. Provide timely expertise, guidance, suggestions, recommendations, data, and information to EOC management as to the potential need for a donated goods warehouse operation within the community, and as may be requested, oversee and coordinate any mutual aid resource request for such operations.

3. Coordinate and oversee any donated goods warehouse operation as an EOC/ESF 15 liaison between the donated goods warehouse manager(s) and the EOC operations as it may relate to mobilization and demobilization of the operation, acquiring and compiling data and information, relaying status reports, and identifying issues or problems that may need to be addressed by EOC management.

4. Receive monetary donations provided in support of ESF 15 and Escambia County Long-Term Recovery Group (LTRG) disaster response and recovery activities in Escambia County and ensure the responsible allocation and disbursement of said funds in accordance with applicable guidelines, rules, and regulations. The County will not assume any responsibility for the receipt, maintenance, or disbursement of funds donated to and received by or on behalf of BRACE.

Any software tools identified will assist in minimizing duplication of effort and services while streamlining access to resources to address unmet disaster caused needs.

2. Case work/case management solutions and/or options.

5. Coordinate appropriate resources to meet the disaster caused needs of the community.
6. Identify overlapping resources and services between ESF 6 and 15 to minimize gaps in essential services.

F. Provide timely expertise, guidance, suggestions, recommendations, data, and information to ESF 18 leadership in support of the ESF 18-Business and Industry mission as may be identified in the County's Comprehensive Emergency Management Plan (CEMP) and support any public message, outreach, and activity in support of ESF 18 through BRACE's existing private sector non-profit and for-profit network as resources may be available and as appropriate.

G. Implement BRACE's Continuity of Operations Plan (COOP), for which BRACE has identified Room 511 of the County Public Safety facility as the primary BRACE operational relocation site. BRACE shall be responsible for all operational supplies and equipment to support its COOP implementation in Room 511, to include phones. BRACE shall be responsible for any damages to the Escambia County Public Safety facility as a result of COOP operations within the facility. Room 511 has also been identified for use by the United Way for their 2-1-1 program operators during EOC activations and both 2-1-1 and BRACE may be required to share the space in Room 511 as appropriate.

2.2 **Escambia County** agrees to:

A. As it relates to ESF 15-Volunteers and Donations operations, the County will:

1. Provide support to ESF 15 and BRACE through the EOC operations in accomplishing any identified missions as appropriate.

2. Provide a seat/workspace within the EOC for BRACE liaison staff for the implementation of ESF 15 responsibilities.

3. Provide a process to validate and verify any expectations for County or other reimbursement or payment for any operational expenses that may be incurred by BRACE or ESF 15 support organizations as a result of fulfilling ESF 15 responsibilities prior to any expenses being incurred. This process is identified in **Appendix A** when the EOC is mobilized, and coordination with the Emergency Management Division would be required when the EOC is not mobilized.

4. Through the EOC Human Services Branch Director, provide BRACE, its partner organizations, and other authorized organizations, volunteers, and service

providers access to the GPOD, when mobilized, for access to food, water, and other potential resources to support homebound individuals, and those with functional and access challenges, with basic needs that can be met from the limited resources being provided through the GPODs.

When the EOC is not mobilized, BRACE should coordinate pre-approval/pre-authorization with the Emergency Management Division.

C. As it relates to BRACE's COOP, the County will:

1. Provide approximately 400 square feet of office space in Room 511 of the Escambia County Public Safety facility located at 6575 North "W" Street, Pensacola, Florida, as the primary operations center during EOC activations and as business continuity location during non-activated EOC incidents as appropriate and available.

2. Provide one active phone line.

3. Provide wireless computer internet access or four active, hard-wired computer ports (in floor). If so desired, the computer ports may be converted to phone lines at BRACE's sole expense and any activation and maintenance of those phone lines will be at BRACE's sole expense. Any work implemented by BRACE or their contractors on the facility or its infrastructure must be authorized and coordinated with the Emergency Management Division Manager during normal business hours. Expansion of computer ports through a computer "hub" or similar device must be authorized by the Escambia County Information Technology Department in coordination with the Emergency Management Division Manager.

4. Make available up to two tables and six chairs.

5. Make available up to 14 electrical outlets in the room. BRACE will be responsible for providing any "power strips" required for operations.

6. Make available at least one television service jack.

7. Sleeping space and feeding services may be available dependent upon the activation of the EOC and the services the EOC is providing. The level of service provided will be of the same level and opportunity being provided to the rest of the EOC staff. If services are not being provided to the EOC, no services will be provided to BRACE.

8. Room 511, as identified to support BRACE's COOP operations, has also been designated as an alternate primary location for the United Way's (UW) *2-1-1* Program. Three phone lines have been designated for the UW 2-1-1 Program, in addition to the infrastructure being offered to BRACE as described above. Office space must be shared by UW and BRACE program staff.

D. As it relates to In-kind Services, the County will coordinate with BRACE to identify any requirements, forms, and formats that can be utilized to document in-kind disaster services, as they may be eligible, and from which BRACE will identify and assist willing non-profits, in gathering appropriate documentation for eligible in-kind disaster services that the County may be able to apply to the local non-federal share of disaster expenses in federally declared disasters.

25-Word Description of Program: Community Health Northwest Florida provides outpatient primary and preventive health care services to uninsured, under insured and medically needy adults and children of Escambia County.

How many years has your organization been providing services in the County? 32

How many years has your organization received funding from the County? 32

- **Explain how receiving funds from the County would have a significant impact on your organization:** Escambia County funding is utilized to offset healthcare for uninsured Escambia County residents. The health center uses required IGT match to draw down Low Income Pool (LIP) federal program dollars to bring additional funds to our County to support healthcare services and initiatives for the uninsured.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: $447,664

- **Briefly discuss how last year's funds were used?**

  During Escambia County FY 23/24, Community Health Northwest Florida received $447,664 in Escambia County funding. The health center used $447,664 in Escambia County funds as required IGT match to draw down Low Income Pool (LIP) federal program dollars. Throughout FY23/24, the health center continues to fulfil its role as the major safety-net outpatient primary care provider in our area. During FY23/24 Community Health cared for a total of 53,824 unduplicated patients and 158,046 total patient visits (all payers and all counties). Escambia County residents with no insurance accounted for 27,263 outpatient medical, dental, and behavioral health visits during County FY 2023-2024 at $268.88 cost per visit for these patients for a total value of care of $7,330,475. The health center again this year utilized Escambia County funding to offset the cost of primary care visits for uninsured residents. During County FY 2023-2024, Community Health saw 2,121 uninsured Escambia County dental patients and 8,416 uninsured Escambia County medical and behavioral health patients. In support of care for the uninsured, Escambia BOCC funding was also allocated to offset the cost of laboratory tests and sight-saving retinal vision scans for uninsured Escambia County residents. During FY23/24 Escambia County funding provided 6,766 lab tests offsetting a total lab cost of $1,976,368. These laboratory tests help inform care decisions made by our providers and alert providers to significant chronic health conditions that require continued treatment and management, such as diabetes and hypertension. Escambia County funding also provided 547 retinal scans for Escambia County residents. This funding offset the cost of these retinal scans at a total cost of $201,871. It is notable that the rate of positive pathology for sight-ending diseases is over 20% higher than the national average for retinal scans, which points to the number of CHNWF patients with serious complications from chronic disease. Through these retinal screenings, the sight of hundreds of Escambia County residents has been saved, as early intervention is vital in diagnosis and treatment of this eye disease. Because many insurance companies do not cover this special screening, the health center has absorbed the cost of the reading of the tests by Ophthalmologists. The Health Center also provided 332 Mammograms and 902 x-rays to uninsured Escambia county residents in FY 23/24 at a cost of approximately $135,407.

  Additionally, Low Income Pool funds supported our High Risk ED Case Management program which focuses on high utilizers of hospital Emergency Departments. Escambia County funding has help to offset the salary of our High Risk ED RN Navigator. This special collaborative program, now going into its' fourth year, provides intensive case management services to an identified cohort of high utilizers of ED services. These high utilizers are seen at area hospital and also use County EMS resources to get to the Emergency Room. Our High Risk RN Case Manager is actively managing a several high risk patient cohorts. We continue to see positive results from case management, redirecting patients from utilizing costly ED resources and instead having them establish a primary care home at Community Health Northwest Florida and coaching them in management of

their chronic diseases and social determinates of health. We are in the process of analyzing current ED data to identify future cohorts

- **Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County?**

  The average cost of the health center providing an uninsured/charity care visit is $268.88 for a total value of care of $7,330,475 directly associated with these 27,263 Escambia resident charity care/uninsured visits during FY23/24.

  During FY 23/24, Escambia County funding was used to offset Lab fees for uninsured Escambia County residents. 6,766 laboratory tests were performed at a total value of $1,976,368

  LIP funding drawn down as a result of the County match was used to fund the salary for the RN High Risk Emergency Room Navigator/Case Manager for our High Risk ED Case Management Program. No salaries are supported directly by Escambia County funding and this is the only salary supported by LIP funding drawn down by IGT match. The position is part of a High Risk Emergency Department (ED) Task force of area hospital representatives, County EMS leadership and selected social service agencies. The ED Navigator (housed at CHNWF) is singularly focused on decreasing the number of non-emergent visits to hospital EDs by patient cohorts who are identified high risk/high utilizers. The high risk cohorts continue to expand. These high utilizers of local ERs are also frequently transported by Escambia County EMS.

CURRENT YEAR REQUEST

- **Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County?**

  County funding of $535,164 for this upcoming (FY24/25) budget cycle is essential for the health center to leverage required IGT match to draw down additional funds to support care for the uninsured in our community. These additional funds helps the health center to continue to fulfill its role as the largest safety net provider of outpatient healthcare services in the County. Funding from Escambia County BOCC is used to offset the cost of specific critical services, such as vital retinal/vision screenings for diabetic and chronic disease patients and laboratory tests for uninsured Escambia County residents.

  IGT match will be utilized during FY24/25 to offset primary care, behavioral health, and chiropractic visits for uninsured Escambia County residents in the same way it has in the past. In the 23/24 Funding period, the amount received from AHCA for the LIP was approximately $448,954, or 21%, more than the Escambia County Funding. The amount of return is estimated due to the AHCA formula upon receiving funding from all sources for all health centers in the state of Florida. At this time, we expect the amount of LIP allocation to increase even more for the 24/25 funding cycle, but the formula has not been released by AHCA at this time.

  Additionally, we added a second X-ray machine in March 2023 at our 1400 N. Palafox St. walk-in clinic as well as a new 3D mammography machine in April 2022 at our main site at Jackson Street. With these

new machines we will be able to reach many more of the uninsured and underinsured by offering these very important services at these sites.

SIMILAR/PARTNER ORGANIZATIONS

- **List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area:**

  Community Health Northwest Florida is the only Federally Qualified Health Center and the largest provider of outpatient primary care in our area. We are the major provider of healthcare to the uninsured/charity care population. Community Health has worked together with smaller faith-based healthcare providers (St. Joseph's Clinic, Health and Hope Clinic) for many years to serve this vulnerable and medically needy population. We share a number of patients with these faith based providers, as many charity care patients may access care at faith-based clinics and also at Community Health sites. Access to primary care by Community Health is always available to uninsured faith-based clinic patients from St. Joes and Health and Hope, and we tend to see a large number of faith based clinic patients at our walk-in location during the weekends, since we are open 80 hours per week and the faith based clinics may only be open a few hours during week days. We have also worked in partnership with various social service agencies, organizations and faith based partners to serve the homeless. This was most impactful as the homeless population was served and worked to be relocated at the encampment under the I-110 interstate. As an active member of the Homeless Task Force, we are actively working with agencies to serve and provide healthcare services to this vulnerable population.

- **Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program.**

  Escambia Community Clinics, Inc. d/b/a Community Health Northwest Florida is the area's only Federally Qualified Health Center (FQHC) and the largest safety net provider of outpatient primary care in the area. The community health center has a thirty year history of providing comprehensive primary and preventive outpatient care to the medically needy, uninsured, underinsured, and working poor citizens of Northwest Florida (Escambia and Santa Rosa Counties and surrounding areas). With eighteen locations (sixteen of those in Escambia County) and three mobile dental and medical units for outreach, Community Health Northwest Florida provides a full range of primary care services including adult primary care, urgent/walk in care, pediatric care, women's health services, behavioral health and wellness services, oral health/dental services for adults and children, laboratory, mammography, x-ray, pharmacy, healthcare for the homeless, case management, chronic disease management, health education, and other supportive services.

  Founded in 1992, the organization received designation as a Federally Qualified Health Center by the Department of Health and Human Services, Health Resources and Services Administration in 2007. We have a thirty year history of service to the residents of our service area. Committed to assuring access to affordable, quality healthcare for the underserved, underinsured and uninsured population, the health

center strives to treat each person with respect, dignity, and compassion regardless of age, gender, race, religion, circumstances or ability to pay. The health center is recognized as a Patient Centered Medical Home by the National Committee for Quality Assurance (NCQA), and is also a Community Centered Health Home (CCHH) model, working together with a network of community-minded organizations to create mutually-beneficial relationships that impacts the lives of our citizens for the better.

FUNDING

- **Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category.** ***NOTE: Only salaries directly related to the approved program are eligible for funding.***

  Percentage for salaries/administrative costs: N/A
  Percentage for direct programming costs: 100%

- **If Escambia County funding can only fund a portion of your request, how will you offset the difference?**

  If Escambia County funding were discontinued, the health center would be unable to send up matching funds to draw down Low Income Pool funding**.** If the county can only fund a portion of the request, IGT match may not be possible, thus our County may lose out on additional federal funding designed to support the cost of care for our uninsured residents.

- **If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio:**

  In the 23/24 funding period, the amount received from AHCA for the LIP (after the Escambia County $447,664 funding was applied) was approximately $448,954. This was 21%, more than the Escambia County Funding. The amount of return is estimated due to the AHCA formula upon receiving funding from all sources for all health centers in the state of Florida. At this time, we expect the amount of LIP allocation to increase even more for the 24/25 funding cycle, but the formula has not been released by AHCA at this time.

  In addition to direct primary care service delivery, Community Health Northwest Florida has been able to leverage Escambia County funding as IGT to draw down Federal Low Income Pool (LIP) funding to offset the cost of primary care services for the uninsured citizens of our community. The Low Income Pool (LIP) is "established to ensure continued government support for the provision of health care services to Medicaid, underinsured and uninsured populations." LIP is a component of the State's Medicaid 1115 Demonstration Waiver, approved through the Center for Medicare and Medicaid Services. The heart of this program's intent is a public-private partnership that secures local investments in providers caring for their communities to enhance the return on the investment in health care for those most in need through matching federal funds. These local investments are called intergovernmental transfers (IGT), as they are arrangements on behalf of local providers that are made between local governments and the Agency for Health Care Administration (AHCA, Florida Medicaid Agency, the Agency). LIP funds may be used for health care expenditures that would be within the definition of medical assistance in Section 1905(a) of the Act. FQHCs across Florida utilize these funds to cover the costs of providing uncompensated care to the identified populations – uninsured and underinsured patients. CMS approved the continuation of LIP until 2030.

- **Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for.**

  There is no duplication in funding to Community Health Northwest Florida. In 1991, Escambia County government, Sacred Heart Hospital, and Baptist Hospital came together to form Escambia Community Clinics, Inc. (ECC). As a result of this forward-thinking partnership, for the past thirty years, Escambia Community Clinics (now Community Health Northwest Florida) has served as a primary care medical home for the most vulnerable in our community; the medically needy, uninsured, underinsured, and working poor citizens of Escambia County, regardless of their ability to pay. This partnership has resulted in a savings to Escambia County of millions of dollars each year.

  -Baptist Hospital: $550,000 in Community Benefits funding to offset charity care/ER diversion & navigation of patients from hospital ER to establish outpatient primary care medical home.
  -Sacred Heart Hospital: $550,000 in Community Benefits funding to offset charity care/ER diversion & navigation of patients from hospital ER to establish outpatient primary care medical home

3. **Please explain any Net Income (Revenue less Expense) represented in the Expense Table above on the bottom row. What is the planned use for these left over/residual funds?**

   Net income is reinvested in the community through providing care to uninsured and underinsured patients and the acquisition of additional medical equipment i.e., X-rays, ultrasounds, etc. to utilize in patient care.

4. **Please list the salary of the top 5 employees, names and positions of your organization.**

Name	Position	Salary

Our sliding fee program charges between $20 and $40 per visit, with a majority of patients paying $20 per visit.

7. **Does your organization require background checks from volunteers and staff?**

   Yes; all employees must pass a Level II background check.

ECONOMIC DEVELOPMENT AGENCIES

If you are an economic development agency, please complete the below supplemental

questions. If you are not an economic development agency, please mark N/A: N/A

1. **What is your agency's Strategic Plan?** N/A

ADDITIONAL QUESTIONS (Economic Development)

1. **What was done by your agency to address the "Pockets of Poverty"?**

   Our main Jackson Street administration/service delivery site is located in Brownsville, and Community Health's top patient zip code is 32505, where 16% of our patients resided in 2023. This zip code has the highest crime rate, least economically developed neighborhoods, and the highest risk for social concerns in the area. Our work as a community health center focuses on both primary health care and Social Determinates of Health (SDOH), such as poverty, homelessness and food insecurity, which are key drivers of our patients' negative health status. We have gained national recognition for initiatives as a Community Centered Health Home (CCHH) model, reaching beyond our health center walls to impact communities in need in a number of different advocacy efforts. Our four year Oakwood Terrace program to provide food and education for Oakwood Terrace residents has had far reaching positive impacts. As the major provider of primary care to the uninsured and underinsured residents of Escambia County, we continue to work to break down any barriers to care and create critical access to primary care, especially for those who reside in pockets of poverty.

2. **Did your agency receive any grants? List the amount and a detailed use of the funds.**

   We receive Community Benefits funding from both Baptist and Ascension Sacred Heart Hospitals ($550,000 per year) to offset cost to provide primary care to uninsured patients. During 2023 we also received $35,000 in funding from Delta Dental Community Foundation to offset co-pays for uninsured dental patients. As a Federally Qualified Health Center, we receive funds from the Health Resources and Services Administration (HRSA) Bureau of Primary Health Care, including specially targeted COVID and recovery funding.

3. **Was there any increase in membership for the local chambers?** N/A
4. **What are your agency's statistics on business creation and minority businesses by zip code?**

   Using IMPLAN modeling software from the Florida Association of Community Health Centers (FACHC) Community Health Northwest Florida accounted for 568 jobs in 2023 throughout the service area, providing for jobs both at Center sites and throughout the neighborhoods and communities in which we are located. In addition to the 351 CHC positions (direct jobs), 217 additional indirect/induced jobs are sustained as a result of activity generated by the Center and staff. FACHC has estimated Community Health's economic impact at $80,000,000 in 2023. There is a return on investment of 172% for each $1.00 invested in the Community Health Center.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(iii).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

Donors may deduct contributions to you as provided in section 170 of the

Letter 947(DO/CG)

Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than $25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally $25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of $10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed $5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should maintain records to show that funds are expended only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), there should be evidence that the funds will remain

dedicated to the required purposes and that they will be used for those purposes by the recipient.

If distributions are made to individuals, case histories regarding the recipients should be kept showing names, addresses, purposes of awards, manner of selection, relationship (if any) to members, officers, trustees or donors of funds to you, so that any and all distributions made to individuals can be substantiated upon request by the Internal Revenue Service. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Paul Williams
District Director

ESCAMBIA COMMUNITY CLINICS INC

If your organization conducts fund-raising events such as benefit dinners, auctions, membership drives, etc., where something of value is received in return for contributions, you can help your donors avoid difficulties with their income tax returns by assisting them in determining the proper tax treatment of their contributions. To do this you should, in advance of the event, determine the fair market value of the benefit received and state it in your fund-raising materials such as solicitations, tickets, and receipts in such a way that your donors can determine how much is deductible and how much is not. To assist you in this, the Service has issued Publication 1391, Deductibility of Payments Made to Charities Conducting Fund-Raising Events. You may obtain copies of Publication 1391 from your local IRS Office. Guidelines for deductible amounts are also set forth in Revenue Ruling 67-246, 1967-2 C.B. 104 and Revenue Procedure 90-12, 1990-1 C.B. 471 and Revenue Procedure 92-49, 1992-26 I.R.B. 18.

The value of time or personal services contributed to your organization by volunteers is not deductible by those volunteers as a charitable contribution for Federal income tax purposes. You should advise your volunteers to this effect.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Escambia Community Clinics, Inc.
d/b/a Community Health Northwest Florida

Opinion

We have audited the accompanying consolidated financial statements of Escambia Community Clinics, Inc.,(d/b/a Community Health Northwest Florida) (a nonprofit organization) and subsidiaries, which comprise the consolidated statements of financial position as of December 31, 2022 and 2021, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Escambia Community Clinics, Inc. and subsidiaries as of December 31, 2022 and 2021, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Escambia Community Clinics, Inc. and subsidiaries and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Escambia Community Clinics, Inc. and subsidiaries' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Escambia Community Clinics, Inc. and subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Escambia Community Clinics, Inc. and subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position and activities and the schedules of grants, contracts and reimbursements revenue, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. The consolidating information is presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, results of operations, and cash flows of the individual companies, and it is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated July 18 2023, on our consideration of Escambia Community Clinics, Inc. and subsidiaries' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Escambia Community Clinics, Inc. and subsidiaries' internal control over financial reporting and compliance.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND DESCRIPTION OF ORGANIZATION

Description of Organization

Escambia Community Clinics, Inc. (ECC) (d/b/a Community Health Northwest Florida) is a not-for-profit health care corporation incorporated under the laws of the state of Florida in January 1992. ECC is a Federally Qualified Health Center (FQHC) that receives federal grant funds pursuant to Section 330 of the Public Health Service Act, 42 U.S.C. 254b, a program, which is administrated by the Bureau of Primary Health Care with the United States Department of Health and Human Services (DHHS). The mission of ECC is to provide quality outpatient primary and acute health care services to citizens of Escambia County and surrounding areas, with a special focus to provide access to care for the underinsured, uninsured, working poor and the medically needy, regardless of their ability to pay for services.

Principles of Consolidation and Basis of Accounting

In accordance with generally accepted accounting principles (GAAP), the accompanying consolidated financial statements include the financial activities of ECC and two subsidiaries. Escambia Community Holdings (ECH) is a wholly owned subsidiary of ECC. Community Clinics Services (CCS) is wholly owned by ECC and ECH. All significant intercompany transactions have been eliminated in the accompanying consolidated financial statements. The consolidated financial statements of ECC are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Escambia Community Holdings, Inc.

ECH, a subsidiary, was incorporated and formed in 2008 to support the establishment and the continuation of health care facilities to serve the medically underserved population. This entity had two members, Sacred Heart Health System, Inc. (SHH) and Baptist Hospital, Inc. (BH), related parties (see Note 12). ECH held cash and owned land and a building. The building was previously rented to and occupied by ECC. In 2014, the building was severely flooded and unable to be occupied. In March 2016, SHH and BH transferred their interest in ECH to ECC. The ECH Board of Directors consists of one representative from the ECC Board, along with two independent board members. The ECH acquisition was critical to the New Market Tax Credit transaction that occurred in 2016 as described in Note 6.

Community Clinics Services, Inc.

In 2016, ECC formed CCS to meet certain census tracking requirements related to the new facility under construction. ECC and ECH are the two members of CCS. The CCS Board of Directors is substantively the same as the ECC Board of Directors. CCS is a Qualified Active Low-Income Business (QALICB), receiving proceeds from the New Market Tax Credit transaction to fund the new facility construction project as described in Note 6.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND DESCRIPTION OF ORGANIZATION – CONTINUED

Financial Statement Presentation
ECC is required to report information regarding its financial position and activities according to two classes of net assets: with donor restrictions or without donor restrictions. Net assets are classified based on donor restrictions, if any, that may or may not be met by actions of management or by the passage of time. Currently, there are no net assets with donor restrictions.

Net Patient Service Revenue and Accounts Receivable
Patient care service revenue is reported at the amount that reflects the consideration to which ECC expects to be entitled in exchange for providing patient care. Patient receivables represent amounts due from patients and third-party payors (including health insurers and government payors).

ECC has agreements with third-party payors to charge rates at amounts different from its published rates. A summary of the payment arrangements with major third-party payors is as follows:

Medicaid – ECC, as an FQHC, receives reimbursement from Medicaid based upon its costs of providing services to Medicaid eligible patients. ECC is reimbursed for cost reimbursable items at a contracted rate with settlement determined on a quarterly basis after submission of wrap-around cost reports by ECC and audits thereof by the Medicaid fiscal intermediary. Additionally, ECC is paid a capitation payment from a managed care organization for a large portion of its Medicaid patients as a result of the state of Florida's reorganization of Medicaid.

Medicare – ECC is eligible for cost reimbursements from Medicare based upon its costs of providing services. Services rendered to Medicare patients are paid at a tentative rate with final settlement determined after submission of annual cost reports by ECC and audits thereof by the Medicare fiscal intermediary.

ECC reports patient accounts receivable for services rendered at net realizable amounts from third-party payors, patients and others. Net patient services revenue is recognized in the period services are provided at the estimated net realizable amount from Medicare, Medicaid, commercial insurers, other third-party payors and patients. Established rates are maintained for patient services provided; however, actual collectible revenue is normally realized at a discount to these rates. Contractual adjustments represent the difference between the amounts billed for these services and the amounts that are reimbursable by third-party payors.

Generally, patients who are covered by third-party payors are responsible for related deductibles and coinsurance, which vary in amount. ECC estimates the transaction price for patients with deductibles and coinsurance and for those who self-pay based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments, discounts and implicit price concessions based on historical collection experience. Subsequent changes to the estimate of the transaction price are generally recorded as adjustments to patient service revenue in the period of the change.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND DESCRIPTION OF ORGANIZATION – CONTINUED

Net Patient Service Revenue and Accounts Receivable – Continued
Subsequent changes that are determined to be the result of an adverse change in the patient's ability to pay are recorded as bad debt expense. There are various factors that can impact the collection trends, such as a change in the general economy, which in turn have an impact on unemployment rates and the number of uninsured and underinsured patients, the increased burden of copayments to be made by patients with insurance and business practices related to collection efforts. These factors continuously change and can have an impact on collection trends and the revenue estimation process. As a practical expedient, ECC applies a portfolio approach for the patient service revenue stream to group contracts with similar characteristics and analyze historical cash collections trends. The contracts within the portfolio share the characteristics conducive to ensuring that the results do not materially differ if it were to be applied to individual patient contracts related to each patient encounter.

For receivables associated with services provided to patients who have third-party coverage, which includes patients with deductible and copayment balances due from which third-party coverage exists for part of the bill, ECC analyzes contractually due amounts and provides an allowance for implicit price concessions and a provision for implicit price concessions, if necessary. For receivables associated with self-pay patients, ECC records a significant provision for implicit price concessions in the period of service on the basis of its past experience, which indicates that many patients are unable to pay the portion of their bill for which they are financially responsible. The difference between the billed rates and the amounts actually collected after all reasonable collection efforts have been exhausted is charged off against the allowance for implicit price concessions. ECC does not maintain a material allowance for implicit price concessions from third-party payors, nor did it have significant write-offs from third-party payors.

Charity Care
Quality medical care is provided to all persons requiring treatment regardless of their ability to pay. A patient is classified as a charity patient by reference to certain established policies of ECC. In assessing a patient's inability to pay, ECC utilizes the most recently published federal poverty income guidelines. In addition, charity services include charges for services provided to Medicaid patients less payments actually received. These charges are included in net patient service revenue. The cost of charity care provided by ECC for the years ended December 31, 2022 and 2021, was $8,196,772 and $10,177,908, respectively.

Grant and Contract Revenue
Revenue from government grants and contracts designated for specific activities is recognized in the period when expenditures have been incurred in compliance with the grantor’s restrictions. Grants and contracts awarded for the acquisition of long-lived assets are reported as changes to net assets, in the absence of donor stipulations to the contrary, during the year in which the assets are acquired. Cash received in advance of revenue recognized is recorded as deferred revenue. Grant and contract receivables are reported at their outstanding unpaid balances.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND DESCRIPTION OF ORGANIZATION – CONTINUED

Capitation Revenue
ECC has agreements with managed care organizations and the Department of Public Health to provide medical services to subscribing participants. Under these agreements, ECC receives monthly capitation payments based on the number of each plan's participants assigned to ECC, regardless of services actually performed by ECC.

Section 340B Program of the Public Health Service Act
ECC offers reduced price medications to low-income, uninsured patients through arrangements with contracted pharmacies. Revenue is earned as prescriptions are filled and provided to patients.

Long-lived Assets
Long-lived assets that are subject to depreciation and amortization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. No impairment losses were recorded for the years ended December 31, 2022 and 2021.

Property and Equipment
Property and equipment is stated at cost. ECC capitalizes all property and equipment purchases in excess of $5,000. Donated property and equipment are recorded at estimated fair market value at the date of the donation. Depreciation is calculated using the straight-line method over the following estimated useful lives:

Buildings	39 years
Improvements	15 years
Machinery and equipment	3-7 years
Vehicles	5-6 years
Software	3 years

Property and equipment acquired with Section 330 grant funds are considered to be owned by ECC. However, the funding source has a reversionary interest in the property, as well as the right to determine the use of any proceeds from the sale of assets purchased with their funds.

Goodwill
Goodwill consists of the excess of cost over the fair value of net assets acquired. Goodwill is amortized over a ten-year period from the asset purchase date.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND DESCRIPTION OF ORGANIZATION – CONTINUED

Compensated Absences
ECC provides paid time off (PTO) benefits, which include vacation, holiday and sick time, for its full-time employees and some part-time employees who meet hourly work requirements. Employees are granted PTO benefits in varying amounts to specified maximums depending on tenure with ECC. Generally, after one year of service, employees are entitled to all accrued PTO upon termination or retirement up to 80 hours. A maximum accrual of PTO is limited to two times the annual accrual (or two years).

Donated Services
Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation, are recorded at fair value in the period received. Donated services totaled $43,523 and $23,731 for the years ended December 31, 2022 and 2021, respectively.

Income Taxes
ECC has been granted an exemption from income taxes under Internal Revenue Code, Section 501(c)(3) as a not-for-profit corporation. ECC is not aware of any uncertain tax positions that would require disclosure or accrual in accordance with GAAP.

Functional Allocation of Expenses
The costs of providing the various programs and supporting activities have been summarized on a functional basis in the statements of activities. Accordingly, costs have been allocated among the program and supporting services benefited. The expenses that are allocated are compensation and benefits, which are allocated on the basis of estimates of time and effort; occupancy costs and depreciation, which are allocated on a square footage basis; and supplies, which are allocated based on average employee headcount.

Use of Estimates
The preparation of consolidated financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as of the date of the consolidated financial statements, and the reported amounts of revenues, expenses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Right-Of-Use Lease Assets and Lease Liabilities
Effective January 1, 2022, ECC adopted ASC 842. The most significant impact was the recognition of right-of-use (ROU) assets and lease liabilities for operating leases. As a result of adopting the new standard, ECC recorded ROU assets and lease liabilities in the amount of approximately $7,300,000 on January 1, 2022. ECC, in most cases, does not record leases with an initial term of 12 months or less, instead recognizes lease expense for these leases on a straight-line basis over the lease term. For leases that commenced before January 1, 2021, ECC has applied the modified retrospective transition method which resulted in comparative information not being restated. A

number of optional practical expedients were available in transition. ECC elected the 'package of practical expedients', which permits ECC to not reassess the prior conclusions reached about lease identification, lease classification and initial direct costs.

Right-of-use assets and liabilities are initially measured at the present value of lease payments over the lease term, discounted using the interest rate implicit in the lease at the commencement date. Right-of-use assets are adjusted for any lease payments made prior to lease commencement, lease incentives, and accrued rent. If the rate implicit in the lease cannot be readily determined, the ECC used the risk-free interest rate. ECC's leases may include options to extend or terminate the lease. When it is reasonably certain that ECC will exercise such option, the lease term includes those periods. Lease expense for operating leases is recognized on a straight-line basis over the lease term. Some of the lease agreements include variable rental payments that periodically adjust to rates and charges stated in the agreements.

Reclassifications
Certain minor reclassifications have been made to the 2021 amounts to conform with the 2022 classifications.

Subsequent Events
Management has evaluated subsequent events for recognition or disclosure through July 18, 2023, the date the consolidated financial statements were available to be issued.

The purchase price was approximately $850,000 and was allocated to the tangible and intangible assets acquired. ECC recorded goodwill of $788,618 as of December 31, 2019, that is being amortized over ten years.

5. LONG-TERM DEBT

ECC has the following long-term debt:

	2022	2021
Loan from a financing institution used to fund a leveraged loan to Stonehenge Florida NMTC Investment Fund V, LLC (see Note 6). The loan requires monthly payments of $17,500, beginning on October 1, 2017. The loan has a variable interest rate of 3.25%, plus one month ICE LIBOR. 6. NEW MARKET TAX CREDIT TRANSACTION

During 2016, ECC restructured operations and entered into transactions in order to make additional funds available through the New Markets Tax Credit (NMTC) Program. The additional funds were used to partially finance the construction of a new clinic, which was completed in January 2018.

6. NEW MARKET TAX CREDIT TRANSACTION – CONTINUED

As a part of the restructuring, a new 501(c)(3) entity named CCS was created and used to construct the new facility and lease the facility to ECC upon completion. The NMTC Program permits taxpayers to claim a credit against federal, and sometimes state, income taxes for Qualified Equity Investments (QEIs) in designated Community Development Entities (CDEs). These CDEs must use substantially all (85%) of the proceeds to make Qualified Low-Income Community Investments (QLICIs). The investor is provided with a tax credit, which is claimed over a seven-year period. The federal credit is equal to 5% of the QEI over the first three years and 6% annually for the final four years, resulting in a total credit amount of 39%.

On March 31, 2016, ECH borrowed $4.2 million from a local bank, which along with other ECH funds, was used to make a leveraged loan of $4,316,554 to the Stonehenge Florida NMTC Investment Fund V, LLC (the State Investment Fund). The State Investment Fund also received equity totaling $2,100,540 from a tax credit investor and then made a QEI of $6,417,094 in Stonehenge Community Development 102, LLC, (the State CDE), of which the State Investment Fund owns 99.99%. The remaining .01% is owned by Stonehenge Community Development, LLC.

The State CDE made Loan D, totaling $3,417,094 to CCS, the QALICB. The remaining $3 million was used by the State CDE to make a $3 million leveraged loan to Twain Investment Fund, LLC (the Federal Investment Fund). The Federal Investment Fund also received equity totaling $270,427 from a tax credit investor and then made a QEI in Stonehenge Community Development 110, LLC, (the Federal CDE), of which the Federal Investment Fund owns 99.99%. The remaining .01% is owned by Stonehenge Community Development, LLC. The Federal CDE made three loans, loans A, B and C, totaling $3 million to CCS, (the QALICB).

The debt related to the new market tax credit transaction totaled $6,417,094 at December 31, 2022 and 2021.

ECH's leveraged loan receivable from the state investment fund earns interest at 1.40% per annum quarterly, with quarterly principal payments commencing January 20, 2024. Final maturity is October 2043. The loan receivable totals $4,316,554 as of December 31, 2022 and 2021.

CCS's notes payable A, B and C require interest to be paid quarterly to Stonehenge Community Development 110, LLC (Lender) at 2.614% per annum, with quarterly principal payments commencing January 5, 2024. Final maturity is October 2050. Prepayments of principal are not allowed during the seven-year tax compliance period.

CCS's note payable D requires interest to be paid quarterly to Stonehenge Community Development 102, LLC (Lender) at 1.605% per annum, with quarterly principal payments commencing January 5, 2024. Final maturity is October 2050. Prepayments of principal are not allowed during the seven-year tax compliance period.

CCS pledged substantially all of its assets as collateral for Notes A, B and C. The Lender has a lien and security interest in the collateral.

6. NEW MARKET TAX CREDIT TRANSACTION – CONTINUED

In connection with making the loan, ECC entered into "put and call" agreements with the owners of the Federal and State Investment Funds. The agreement allows the owners to "put" their combined 100% interest in the Funds to ECC at the end of the seven-year tax credit investment period. If the owners exercise these puts, ECC will pay a purchase price of $1,000, plus any transfer or closing costs, to each owner. In the event the puts are not exercised, ECC can exercise "call" options to purchase the ownership interests in the Funds at amounts equal to the fair value of those ownership interests, as determined by an independent appraiser. No amounts have been recorded in these consolidated financial statements related to these put and call options.

7. INTEREST RATE SWAP

ECC entered into an interest rate swap agreement on March 31, 2016, with a notional amount of $4,200,000 and maturing in September 2023. ECC entered into an additional interest rate swap agreement on April 9, 2018, with a notional amount of $1,500,000 and maturing in May 2025.

ECC has an asset (liability) recorded for the net amount of the fair value of its interest rate swap on its consolidated statements of financial position, in the amount of approximately $79,400 and ($52,600), as of December 31, 2022 and 2021, respectively. The fair value has been categorized based on pricing inputs, which are observable from actively quoted midmarket values. All interest rate swap agreements are considered Level 2 assets (liabilities) because a quoted price can be obtained from a number of dealer counterparties and other market sources based on observable interest rates and yield curves for the full term of the asset or liability.

8. LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

ECC has a policy to manage its liquidity and reserves following three guiding principles: operating within a prudent range of financial stability, maintaining adequate liquidity to fund near-term operations, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

	2022	2021
Cash	$ 9,274,110	$ 7,683,852
Patient services receivable, net	2,547,785	5,414,048
Other receivables	2,357,485	1,730,563
Financial assets available to meet cash needs for expenditures within one year	$ 14,179,380	$ 14,828,463

9. RELATED PARTY TRANSACTIONS

ECC is a recipient of community benefit grant awards through agreements with Sacred Heart Health System, Inc. (SHH) and Baptist Hospital, Inc. (BH). The grant proceeds are to be used specifically to support the otherwise uncompensated costs (including general and administrative costs properly allocable under GAAP), which ECC reasonably projects it will incur in providing comprehensive, community-based, preventive and primary health and dental care, behavioral health services, related enabling services, outreach, health education and promotion, risk management and other appropriate services and programs that promote access to and availability of continuous care for the residents of the Escambia and Santa Rosa County service area. The Chairman and Vice Chairman positions of ECC's Board of Directors are held by executives from BH and SHH. The total amount of awards ECC received under these Community Benefit Grant Agreements for each of the years ended December 31, 2022 and 2021, was approximately $1,100,000.

10. PENSION PLAN

ECC provides a 403(b)-retirement plan for its employees. ECC contributes 3.5% of eligible compensation to eligible participants. ECC also makes discretionary contributions up to 3% of the participant's elective deferral. Contributions were $932,910 and $900,938 for the years ended December 31, 2022 and 2021, respectively.

11. SELF-INSURANCE

ECC has in place a large deductible policy for health insurance for its employees and supplements the policy with reinsurance.

ECC is responsible for paying eligible claims up to the maximum deductible of $50,000 per employee, as well as the premium for the reinsurance. The maximum amount of losses for which ECC could be held responsible in any given policy period is $1,000,000. The insurance company administers the claims and payments as a third-party service provider.

ECC established reserves for open and expected claims of approximately $102,000 and $169,000 as of December 31, 2022 and 2021, respectively, which are included in accrued expenses in the accompanying consolidated financial statements. Further adjustments to the amounts recorded from estimates and final settlements will be recorded in the consolidated statements of activities when adjustments become known.

12. OPERATING LEASE LIABILITIES

ECC leases equipment, office and clinical space from various companies with lease terms that expire between 2023 through 2030. At December 31, 2022, the weighted average discount rate and the weighted average remaining term (in years) were 1.68% and 5.13, respectively. Total operating lease costs was $1,352,475 and short term lease expense was $190,281 for the year ended December 31, 2022. As previously disclosed under ASC 840, the rental expense for the year ended December 31, 2021, was $801,445. The future minimum lease payment for each of the succeeding five years and thereafter, remaining under the noncancelable operating lease, consisted of the following:

Year Ending December 31,	Amount
2023	$ 1,393,484
2024	1,408,995
2025	1,317,374
2026	950,352
2027	403,778
Thereafter	934,098
Total minimum lease payments	6,408,081
Less imputed interest	(277,985)
Present value of operating lease liabilities	6,130,096
Less current portion of operating lease liabilities	1,302,269
Remaining balance of operating lease liabilities	$ 4,827,827

Total cash paid for operating lease liabilities for the year ended December 31, 2022, was $1,289,192. Total ROU assets obtained in exchange for lease obligations for the year ended December 31, 2022, was $7,320,399.

13. CONCENTRATIONS AND CREDIT RISK

Concentrations

ECC's primary operations and service area include most communities of Escambia County, Florida. ECC grants credit without collateral to its patients, who are uninsured, insured under third-party payor arrangements, primarily with Medicare, Medicaid and various commercial insurance companies.

13. CONCENTRATIONS AND CREDIT RISK – CONTINUED

Concentrations – Continued
The significant concentrations of patient services receivable at December 31, 2022 and 2021, were approximately:

	2022	2021
Medicare	8%	7%
Medicaid	79%	78%
Other	12%	13%
Self-pay	2%	2%
	100%	100%

Approximately 20% of ECC's total revenues in 2022 and 2021, respectively, were provided by grants through DHHS. ECC is economically dependent on this funding source.

Deposits
ECC occasionally maintains cash balances in excess of the insured limits provided by the Federal Deposit Insurance Corporation (FDIC). As of December 31, 2022 and 2021, deposits at financial institutions exceeded FDIC insured limits by approximately $9 million and $7 million, respectively.

14. MEDICAL MALPRACTICE CLAIMS COVERAGE

The Federally Supported Health Centers Assistance Act of 1992 and 1995 granted medical malpractice liability protection through the Federal Tort Claims Act to FQHCs. Under this legislation, ECC, employees and eligible contractors are considered federal employees immune from suit with the federal government acting as their primary insurer.

15. CONTINGENCIES

The healthcare industry is subject to numerous laws and regulations of federal, state and local governments. Compliance with these laws and regulations is subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. Government activity continues to increase with respect to investigations and allegations concerning possible violations by healthcare providers of fraud and abuse statutes and regulations, which could result in the imposition of significant fines and penalties, as well as significant repayments for patient service previously billed. Management is not aware of any material incidents of noncompliance; however, the possible future financial effects, if any, are not presently determinable.

During the normal course of business, ECC may become involved in various legal issues. In the opinion of management, any such matters will not have a material effect upon the financial position of ECC, and significant losses, if any, would be adequately covered by insurance.

(ECC), it is not intended to and does not present the financial position, changes in net assets or cash flows of ECC.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying Schedule of Expenditures of Federal Awards (SEFA) includes the federal grant activity of ECC under programs of the federal government for the year ended December 31, 2022. Expenditures reported on the schedule are reported on the accrual basis of accounting. ECC did not elect to utilize the ten percent de minimis indirect cost rate allowed under the Uniform Guidance.

3. PROGRAM CLUSTERS

The U.S. Office of Management and Budget Compliance Supplement defines a cluster of programs as a grouping of closely related programs that share common compliance requirements. There was one program that met this criterion for the current fiscal year, Assistance Listing Number 93.224/ 93.527 – Health Center Program Cluster.

4. CONTINGENCY

The grant revenue accounts are subject to audit and adjustment. If any expenditures or expenses are disallowed by the grantor agencies as a result of such audit, any claim for reimbursement to the grant agencies would become a liability of the center. In the opinion of management, all grant expenditures are in compliance with the terms of the grant agreements and applicable federal laws and regulations.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Escambia Community Clinics, Inc.
d/b/a Community Health Northwest Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Escambia Community Clinics, Inc. (a nonprofit organization, ECC) (d/b/a Community Health Northwest Florida), which comprise the consolidated statement of financial position as of December 31, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated July 18, 2023.

Report on Internal Control Over Financial Reporting
In planning and performing our audit of the consolidated financial statements, we considered ECC's internal control over financial reporting (internal control) as a basis for determining the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of ECC's internal control. Accordingly, we do not express an opinion on the effectiveness of ECC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of ECC's consolidated financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses, however, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether ECC's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of ECC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ECC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Escambia Community Clinics, Inc.
d/b/a Community Health Northwest Florida

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Escambia Community Clinics, Inc. and subsidiaries' compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Escambia Community Clinics, Inc. and subsidiaries' major federal program for the year ended December 31, 2022. Escambia Community Clinics, Inc. and subsidiaries' major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Escambia Community Clinics, Inc. and subsidiaries complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Escambia Community Clinics, Inc. and subsidiaries and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Escambia Community Clinics, Inc. and subsidiaries' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Escambia Community Clinics, Inc. and subsidiaries' federal programs.

Auditors' Responsibilities for the Audit of Compliance
Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Escambia Community Clinics, Inc. and subsidiaries' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Escambia Community Clinics, Inc. and subsidiaries' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Escambia Community Clinics, Inc. and subsidiaries' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Escambia Community Clinics, Inc. and subsidiaries' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Escambia Community Clinics, Inc. and subsidiaries' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance
A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program, will not be prevented or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or a combination of deficiencies in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Escambia Community Clinics, Inc.
d/b/a Community Health Northwest Florida

Opinion

We have audited the accompanying consolidated financial statements of Escambia Community Clinics, Inc.,(d/b/a Community Health Northwest Florida) (a nonprofit organization) and subsidiaries, which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Escambia Community Clinics, Inc. and subsidiaries as of December 31, 2021 and 2020, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Escambia Community Clinics, Inc. and subsidiaries and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Escambia Community Clinics, Inc. and subsidiaries' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Escambia Community Clinics, Inc. and subsidiaries' internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Escambia Community Clinics, Inc. and subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position and activities and the schedules of grants, contracts and reimbursements revenue, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. The consolidating information is presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, results of operations, and cash flows of the individual companies, and it is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 19 2022, on our consideration of Escambia Community Clinics, Inc. and subsidiaries' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Escambia Community Clinics, Inc. and subsidiaries' internal control over financial reporting and compliance.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND DESCRIPTION OF ORGANIZATION

Description of Organization

Escambia Community Clinics, Inc. (ECC) (d/b/a Community Health Northwest Florida) is a not-for-profit health care corporation incorporated under the laws of the state of Florida in January 1992. ECC is a Federally Qualified Health Center (FQHC) that receives federal grant funds pursuant to Section 330 of the Public Health Service Act, 42 U.S.C. 254b, a program, which is administrated by the Bureau of Primary Health Care with the United States Department of Health and Human Services (DHHS). The mission of ECC is to provide quality outpatient primary and acute health care services to citizens of Escambia County and surrounding areas, with a special focus to provide access to care for the under-insured, uninsured, working poor and the medically needy, regardless of their ability to pay for services.

Principles of Consolidation and Basis of Accounting

In accordance with generally accepted accounting principles (GAAP), the accompanying consolidated financial statements include the financial activities of ECC and two subsidiaries. Escambia Community Holdings (ECH) is a wholly owned subsidiary of ECC. Community Clinics Services (CCS) is wholly owned by ECC and ECH. All significant intercompany transactions have been eliminated in the accompanying consolidated financial statements. The consolidated financial statements of ECC are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Escambia Community Holdings, Inc.

ECH, a subsidiary, was incorporated and formed in 2008 to support the establishment and the continuation of health care facilities to serve the medically underserved population. This entity had two members, Sacred Heart Health System, Inc. (SHH) and Baptist Hospital, Inc. (BH), related parties (see Note 12). ECH held cash and owned land and a building. The building was previously rented to and occupied by ECC. In 2014, the building was severely flooded and unable to be occupied. In March 2016, SHH and BH transferred their interest in ECH to ECC. The ECH Board of Directors consists of one representative from the ECC Board, along with two independent board members. The ECH acquisition was critical to the New Market Tax Credit transaction that occurred in 2016 as described in Note 6.

Community Clinics Services, Inc.

In 2016, ECC formed CCS to meet certain census tracking requirements related to the new facility under construction. ECC and ECH are the two members of CCS. The CCS Board of Directors is substantively the same as the ECC Board of Directors. CCS is a Qualified Active Low-Income Business (QALICB), receiving proceeds from the New Market Tax Credit transaction to fund the new facility construction project as described in Note 6.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND DESCRIPTION OF ORGANIZATION – CONTINUED**

Financial Statement Presentation
ECC is required to report information regarding its financial position and activities according to two classes of net assets: with donor restrictions or without donor restrictions. Net assets are classified based on donor restrictions, if any, that may or may not be met by actions of management or by the passage of time. Currently, there are no net assets with donor restrictions.

Net Patient Service Revenue and Accounts Receivable
Patient care service revenue is reported at the amount that reflects the consideration to which ECC expects to be entitled in exchange for providing patient care. Patient receivables represent amounts due from patients and third-party payors (including health insurers and government payors).

ECC has agreements with third-party payors to charge rates at amounts different from its published rates. A summary of the payment arrangements with major third-party payors is as follows:

Medicaid – ECC, as an FQHC, receives reimbursement from Medicaid based upon its costs of providing services to Medicaid eligible patients. ECC is reimbursed for cost reimbursable items at a contracted rate with settlement determined on a quarterly basis after submission of wrap-around cost reports by ECC and audits thereof by the Medicaid fiscal intermediary. Additionally, ECC is paid a capitation payment from a managed care organization for a large portion of its Medicaid patients as a result of the state of Florida's reorganization of Medicaid.

Medicare – ECC is eligible for cost reimbursements from Medicare based upon its costs of providing services. Services rendered to Medicare patients are paid at a tentative rate with final settlement determined after submission of annual cost reports by ECC and audits thereof by the Medicare fiscal intermediary.

ECC reports patient accounts receivable for services rendered at net realizable amounts from third-party payors, patients and others. Net patient services revenue is recognized in the period services are provided at the estimated net realizable amount from Medicare, Medicaid, commercial insurers, other third-party payors and patients. Established rates are maintained for patient services provided; however, actual collectible revenue is normally realized at a discount to these rates. Contractual adjustments represent the difference between the amounts billed for these services and the amounts that are reimbursable by third-party payors.

Generally, patients who are covered by third-party payors are responsible for related deductibles and coinsurance, which vary in amount. ECC estimates the transaction price for patients with deductibles and coinsurance and for those who self-pay based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments, discounts and implicit price concessions based on historical collection experience. Subsequent changes to the estimate of the transaction price are generally recorded as adjustments to patient service revenue in the period of the change.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND DESCRIPTION OF ORGANIZATION – CONTINUED**

Net Patient Service Revenue and Accounts Receivable – Continued
Subsequent changes that are determined to be the result of an adverse change in the patient's ability to pay are recorded as bad debt expense. There are various factors that can impact the collection trends, such as a change in the general economy, which in turn have an impact on unemployment rates and the number of uninsured and underinsured patients, the increased burden of copayments to be made by patients with insurance and business practices related to collection efforts. These factors continuously change and can have an impact on collection trends and the revenue estimation process. As a practical expedient, the Company adopted a portfolio approach for the patient service revenue stream to group contracts with similar characteristics and analyze historical cash collections trends. The contracts within the portfolio share the characteristics conducive to ensuring that the results do not materially differ under the new standard if it were to be applied to individual patient contracts related to each patient encounter.

For receivables associated with services provided to patients who have third-party coverage, which includes patients with deductible and copayment balances due from which third-party coverage exists for part of the bill, ECC analyzes contractually due amounts and provides an allowance for implicit price concessions and a provision for implicit price concessions, if necessary. For receivables associated with self-pay patients, ECC records a significant provision for implicit price concessions in the period of service on the basis of its past experience, which indicates that many patients are unable to pay the portion of their bill for which they are financially responsible. The difference between the billed rates and the amounts actually collected after all reasonable collection efforts have been exhausted is charged off against the allowance for implicit price concessions. ECC does not maintain a material allowance for implicit price concessions from third-party payors, nor did it have significant write-offs from third-party payors.

Charity Care
Quality medical care is provided to all persons requiring treatment regardless of their ability to pay. A patient is classified as a charity patient by reference to certain established policies of ECC. In assessing a patient's inability to pay, ECC utilizes the most recently published Federal poverty income guidelines. In addition, charity services include charges for services provided to Medicaid patients less payments actually received. These charges are included in net patient service revenue. The cost of charity care provided by ECC for the years ended December 31, 2021 and 2020, was $10,177,908 and $8,907,432, respectively.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND DESCRIPTION OF ORGANIZATION – CONTINUED**

Grant and Contract Revenue
Revenue from government grants and contracts designated for specific activities is recognized in the period when expenditures have been incurred in compliance with the grantor's restrictions. Grants and contracts awarded for the acquisition of long-lived assets are reported as changes to net assets, in the absence of donor stipulations to the contrary, during the year in which the assets are acquired. Cash received in advance of revenue recognized is recorded as deferred revenue. Grant and contract receivables are reported at their outstanding unpaid balances.

Capitation Revenue
ECC has agreements with managed care organizations and the Department of Public Health to provide medical services to subscribing participants. Under these agreements, ECC receives monthly capitation payments based on the number of each plan's participants assigned to ECC, regardless of services actually performed by ECC.

Section 340B Program of the Public Health Service Act
ECC offers reduced price medications to low-income, uninsured patients through arrangements with contracted pharmacies. Revenue is earned as prescriptions are filled and provided to patients.

Long-Lived assets
Long-lived assets that are subject to depreciation and amortization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. No impairment losses were recorded for the years ended December 31, 2021 and 2020.

Property and Equipment
Property and equipment is stated at cost. ECC capitalizes all property and equipment purchases in excess of $1,000. Donated property and equipment are recorded at estimated fair market value at the date of the donation. Depreciation is calculated using the straight-line method over the following estimated useful lives:

Buildings	39 years
Improvements	15 years
Machinery and equipment	3-7 years
Vehicles	5-6 years
Software	3 years

Property and equipment acquired with Section 330 grant funds are considered to be owned by ECC. However, the funding source has a reversionary interest in the property, as well as the right to determine the use of any proceeds from the sale of assets purchased with their funds.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND DESCRIPTION OF ORGANIZATION – CONTINUED**

Goodwill
Goodwill consists of the excess of cost over the fair value of net assets acquired. Goodwill is amortized over a ten-year period from the asset purchase date.

Compensated Absences
ECC provides paid time off (PTO) benefits, which include vacation, holiday and sick time, for its full-time employees and some part-time employees who meet hourly work requirements. Employees are granted PTO benefits in varying amounts to specified maximums depending on tenure with ECC. Generally, after one year of service, employees are entitled to all accrued PTO upon termination or retirement up to 80 hours. A maximum accrual of PTO is limited to two times the annual accrual (or two years).

Donated Services
Contributions of donated services that create or enhance non-financial assets or that require specialized skills, which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation, are recorded at fair value in the period received. Donated services totaled $23,731 and $15,172 for the years ended December 31, 2021 and 2020, respectively.

Income Taxes
ECC has been granted an exemption from income taxes under Internal Revenue Code, Section 501(c)(3) as a not-for-profit corporation. ECC is not aware of any uncertain tax positions that would require disclosure or accrual in accordance with generally accepted accounting principles.

Functional Allocation of Expenses
The costs of providing the various programs and supporting activities have been summarized on a functional basis in the statement of activities. Accordingly, costs have been allocated among the program and supporting services benefited. The expenses that are allocated are compensation and benefits, which are allocated on the basis of estimates of time and effort; occupancy costs and depreciation, which are allocated on a square footage basis; and supplies, which are allocated based on average employee headcount.

Use of Estimates
The preparation of consolidated financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as of the date of the consolidated financial statements, and the reported amounts of revenues, expenses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND DESCRIPTION OF ORGANIZATION – CONTINUED**

Management has evaluated subsequent events for recognition or disclosure through July 19, 2022, the date the consolidated financial statements were available to be issued.

In April 2019, ECC acquired the assets of two pharmacies, which have historically served the under-insured, uninsured and working poor citizens of Escambia County. The purchase price was approximately $850,000 and was allocated to the tangible and intangible assets acquired. ECC recorded goodwill of $788,618 as of December 31, 2019, that is being amortized over 10 years.

In August 2021, ECC acquired the assets of a pharmacy. The purchase price was approximately $270,000 and was allocated to the tangible and intangible assets acquired. ECC recorded goodwill of $264,031 as of December 31, 2021, that is being amortized over 10 years.

Amortization expense was $87,663 and $78,592 as of December 31, 2021 and 2020, respectively.

5. LONG-TERM DEBT

6. NEW MARKET TAX CREDIT TRANSACTION

During 2016, ECC restructured operations and entered into transactions in order to make additional funds available through the New Markets Tax Credit (NMTC) Program. The additional funds were used to partially finance the construction of a new clinic, which was completed in January 2018.

As a part of the restructuring, a new 501(c)(3) entity named CCS was created and used to construct the new facility and lease the facility to ECC upon completion. The NMTC Program permits taxpayers to claim a credit against federal, and sometimes state, income taxes for Qualified Equity Investments (QEIs) in designated Community Development Entities (CDEs). These CDEs must use substantially all (85%) of the proceeds to make Qualified Low-Income Community Investments (QLICIs). The investor is provided with a tax credit, which is claimed over a seven-year period. The federal credit is equal to 5% of the QEI over the first three years and 6% annually for the final four years, resulting in a total credit amount of 39%.

On March 31, 2016, ECH borrowed $4.2 million from a local bank, which along with other ECH funds, was used to make a leveraged loan of $4,316,554 to the Stonehenge Florida NMTC Investment Fund V, LLC (the State Investment Fund). The State Investment Fund also received equity totaling $2,100,540 from a tax credit investor and then made a QEI of $6,417,094 in Stonehenge Community Development 102, LLC, (the State CDE), of which the State Investment Fund owns 99.99%. The remaining .01% is owned by Stonehenge Community Development, LLC.

The State CDE made Loan D, totaling $3,417,094 to CCS, the Qualified Active Low-Income Community Business (the QALICB). The remaining $3 million was used by the State CDE to make a $3 million leveraged loan to Twain Investment Fund, LLC (the Federal Investment Fund). The Federal Investment Fund also received equity totaling $270,427 from a tax credit investor and then made a QEI in Stonehenge Community Development 110, LLC, (the Federal CDE), of which the Federal Investment Fund owns 99.99%. The remaining .01% is owned by Stonehenge Community Development, LLC. The Federal CDE made three loans, loans A, B and C, totaling $3 million to CCS, (the QALICB).

The debt related to the new market tax credit transaction totaled $6,417,094 at December 31, 2021 and 2020.

6. NEW MARKET TAX CREDIT TRANSACTION – CONTINUED

ECH's leveraged loan receivable from the state investment fund earns interest at 1.40% per annum quarterly, with quarterly principal payments commencing January 20, 2024. Final maturity is October 2043. The loan receivable totals $4,316,554 as of December 31, 2021 and 2020.

CCS's notes payable A, B and C require interest to be paid quarterly to Stonehenge Community Development 110, LLC (lender) at 2.614% per annum, with quarterly principal payments commencing January 5, 2024. Final maturity is October 2050. Prepayments of principal are not allowed during the seven-year tax compliance period.

CCS's note payable D requires interest to be paid quarterly to Stonehenge Community Development 102, LLC (lender) at 1.605% per annum, with quarterly principal payments commencing January 5, 2024. Final maturity is October 2050. Prepayments of principal are not allowed during the seven-year tax compliance period.

CCS pledged substantially all of its assets as collateral for Notes A, B and C. The Lender has a lien and security interest in the collateral.

In connection with making the loan, ECC entered into "put and call" agreements with the owners of the Federal and State Investment Funds. The agreement allows the owners to "put" their combined 100% interest in the Funds to ECC at the end of the seven-year tax credit investment period. If the owners exercise these puts, ECC will pay a purchase price of $1,000, plus any transfer or closing costs, to each owner. In the event the puts are not exercised, ECC can exercise "call" options to purchase the ownership interests in the Funds at amounts equal to the fair value of those ownership interests, as determined by an independent appraiser. No amounts have been recorded in these consolidated financial statements related to these put and call options.

7. INTEREST RATE SWAPS

ECC entered into an interest rate swap agreement on March 31, 2016, with a notional amount of $4,200,000 and maturing in September 2023. ECC entered into an additional interest rate swap agreement on April 9, 2018, with a notional amount of $1,500,000 and maturing in May 2025.

ECC has an asset (liability) recorded for the net amount of the fair value of its interest rate swaps on its consolidated balance sheets, in the amount of approximately ($52,600) and ($205,000), as of December 31, 2021 and 2020, respectively. The fair value has been categorized based on pricing inputs, which are observable from actively quoted midmarket values. All interest rate swap agreements are considered Level 2 assets (liabilities) because a quoted price can be obtained from a number of dealer counterparties and other market sources based on observable interest rates and yield curves for the full term of the asset or liability.

8. LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

ECC has a policy to manage its liquidity and reserves following three guiding principles: operating within a prudent range of financial stability, maintaining adequate liquidity to fund near-term operations, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

	2021	2020
Cash	$ 7,683,852	$ 10,640,863
Patient services receivable, net	6,094,177	1,981,839
Other receivables	1,050,434	2,206,041
Financial assets available to meet cash needs for expenditures within one year	$ 14,828,463	$ 14,828,743

9. RELATED PARTY TRANSACTIONS

ECC is a recipient of community benefit grant awards through agreements with Sacred Heart Health System, Inc. (SHH) and Baptist Hospital, Inc. (BH). The grant proceeds are to be used specifically to support the otherwise uncompensated costs (including general and administrative costs properly allocable under GAAP), which ECC reasonably projects it will incur in providing comprehensive, community-based, preventive and primary health and dental care, behavioral health services, related enabling services, outreach, health education and promotion, risk management and other appropriate services and programs that promote access to and availability of continuous care for the residents of the Escambia and Santa Rosa County service area. The Chairman and Vice Chairman positions of ECC's Board of Directors are held by executives from BH and SHH.

The total amount of awards ECC received under these Community Benefit Grant Agreements for each of the years ended December 31, 2021 and 2020, was approximately $1,100,000.

10. PENSION PLAN

ECC provides a 403(b)-retirement plan for its employees. ECC contributes 3.5% of eligible compensation to eligible participants. ECC also makes discretionary contributions up to 3% of the participant's elective deferral. Contributions were $900,938 and $564,798 for the years ended December 31, 2021 and 2020, respectively.

11. SELF-INSURANCE

ECC has in place a large deductible policy for health insurance for its employees and supplements the policy with re-insurance.

ECC is responsible for paying eligible claims up to the maximum deductible of $50,000 per employee, as well as the premium for the re-insurance. The maximum amount of losses for which ECC could be held responsible in any given policy period is $1,000,000. The insurance company administers the claims and payments as a third-party service provider.

ECC established reserves for open and expected claims of approximately $169,000 and $115,000 as of December 31, 2021 and 2020, respectively, which are included in accrued expenses in the accompanying consolidated financial statements. Further adjustments to the amounts recorded from estimates and final settlements will be recorded in the income statement when adjustments become known.

12. LEASE COMMITMENTS

ECC leases equipment, office and clinical space under operating leases expiring at various dates through August 2026. Total lease expense for 2021 and 2020 was $1,054,912 and $750,981, respectively.

The following is a schedule of future minimum lease payments under operating leases as of December 31, 2021, that have initial or remaining lease terms in excess of one year:

2022	$ 733,132
2023	764,628
2024	764,628
2025	737,028
2026	629,310
	$ 3,628,726

13. CONCENTRATIONS AND CREDIT RISK

Concentrations
ECC's primary operations and service area include most communities of Escambia County, Florida. ECC grants credit without collateral to its patients, who are uninsured, insured under third-party payor arrangements, primarily with Medicare, Medicaid, and various commercial insurance companies.

The significant concentrations of patient services receivable at December 31, 2021 and 2020, were approximately:

	2021	2020
Medicare	7%	9%
Medicaid	78%	75%
Other	13%	11%
Self-pay	2%	5%
	100%	100%

Approximately 19% and 13% of ECC's total revenues in 2021 and 2020, respectively, were provided by grants through the U.S. Department of Health and Human Services. Approximately 3% of ECC's total revenues in both 2021 and 2020, were provided by community grants from Sacred Heart Health System, Inc. and Baptist Hospital, Inc. ECC is economically dependent on these funding sources.

Deposits
ECC occasionally maintains cash balances in excess of the insured limits provided by the Federal Deposit Insurance Corporation (FDIC). As of December 31, 2021 and 2020, deposits at financial institutions exceeded FDIC insured limits by approximately $7 million and $10 million, respectively.

14. MEDICAL MALPRACTICE CLAIMS COVERAGE

The Federally Supported Health Centers Assistance Act of 1992 and 1995 granted medical malpractice liability protection through the Federal Tort Claims Act (FTCA) to FQHCs. Under this legislation, ECC, employees and eligible contractors are considered Federal employees immune from suit with the Federal government acting as their primary insurer.

15. CONTINGENCIES

The healthcare industry is subject to numerous laws and regulations of federal, state and local governments. Compliance with these laws and regulations is subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. Government activity continues to increase with respect to investigations and allegations concerning possible violations by healthcare providers of fraud and abuse statutes and regulations, which could result in the imposition of significant fines and penalties, as well as significant repayments for patient service previously billed. Management is not aware of any material incidents of noncompliance; however, the possible future financial effects, if any, are not presently determinable.

During the normal course of business, ECC may become involved in various legal issues. In the opinion of management, any such matters will not have a material effect upon the financial position of ECC, and significant losses, if any, would be adequately covered by insurance.

16. PPP LOAN FORGIVENESS

In April 2020, ECC received loan proceeds totaling $4,324,100 from Hancock Whitney Bank pursuant to the Paycheck Protection Program (the PPP) under Division A, Title I of the CARES Act, which was enacted March 27, 2020. Borrowers under the PPP program are eligible to have their loans forgiven if the proceeds are used for covered expenses and certain other requirements related to wage rates and maintenance of full-time equivalents are met. The loan was officially forgiven in fiscal year 2021 but was recognized based on meeting the eligibility criteria in fiscal year 2020.

17. IMPACT OF RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In February 2016, the FASB issued Accounting Standards Update (ASU) No. 2016-02, Leases (Topic 842). Under ASU No. 2016-02, an entity will be required to recognize right-of-use assets and lease liabilities on its balance sheet and disclose key information about leasing arrangements. ASU No. 2016-02 offers specific accounting guidance for a lessee, a lessor and sale and leaseback transactions. Lessees and lessors are required to disclose qualitative and quantitative information about leasing arrangements to enable a user of the consolidated financial statements to assess the amount, timing and uncertainty of cash flows arising from leases. As amended, ASU No. 2016-02 is effective for annual reporting periods beginning after December 15, 2021, including interim periods within that reporting period, and requires a modified retrospective adoption, with early adoption permitted. ECC is currently in the process of evaluating the impact of adoption of this ASU on its consolidated financial statements.

ESCAMBIA COMMUNITY CLINICS, INC. d/b/a
COMMUNITY HEALTH NORTHWEST FLORIDA
NOTES TO THE SCHEDULE OF
EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED DECEMBER 31, 2021

1. BASIS OF PRESENTATION

The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Since the schedule presents only a select portion of the operations of Escambia Community Clinics, Inc. (ECC), it is not intended to and does not present the financial position, changes in net assets or cash flows of ECC.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying Schedule of Expenditures of Federal Awards (SEFA) includes the federal grant activity of ECC under programs of the federal government for the year ended December 31, 2021. Expenditures reported on the schedule are reported on the accrual basis of accounting. ECC did not elect to utilize the ten percent de minimis indirect cost rate allowed under the Uniform Guidance.

3. PROVIDER RELIEF FUNDING

The amounts presented on the SEFA for Assistance Listing 93.498, COVID-19 Provider Relief Fund (PRF), are based on the Period 1 PRF report submission to the PRF reporting portal. Amounts included in the Period 1 submission represent amounts received between April 10, 2020 and July 30, 2020.

4. PROGRAM CLUSTERS

The U.S. Office of Management and Budget Compliance Supplement defines a cluster of programs as a grouping of closely related programs that share common compliance requirements. There was one program that met this criterion for the current fiscal year, Assistance Listing Number 93.224/ 93.527 – Health Center Program Cluster.

5. CONTINGENCY

The grant revenue accounts are subject to audit and adjustment. If any expenditures or expenses are disallowed by the grantor agencies as a result of such audit, any claim for reimbursement to the grant agencies would become a liability of the Center. In the opinion of management, all grant expenditures are in compliance with the terms of the grant agreements and applicable federal laws and regulations.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Escambia Community Clinics, Inc.
d/b/a Community Health Northwest Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Escambia Community Clinics, Inc. (a nonprofit organization, ECC) (d/b/a Community Health Northwest Florida), which comprise the consolidated statement of financial position as of December 31, 2021, and the related consolidated statement of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated July 19, 2022.

Report on Internal Control Over Financial Reporting
In planning and performing our audit of the consolidated financial statements, we considered ECC's internal control over financial reporting (internal control) as a basis for determining the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of ECC's internal control. Accordingly, we do not express an opinion on the effectiveness of ECC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies; therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether ECC's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of ECC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ECC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Escambia Community Clinics, Inc.
d/b/a Community Health Northwest Florida

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Escambia Community Clinics, Inc. and subsidiaries' compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Escambia Community Clinics, Inc. and subsidiaries' major federal program for the year ended December 31, 2021. Escambia Community Clinics, Inc. and subsidiaries' major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Escambia Community Clinics, Inc. and subsidiaries complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Escambia Community Clinics, Inc. and subsidiaries and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Escambia Community Clinics, Inc. and subsidiaries' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Escambia Community Clinics, Inc. and subsidiaries' federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Escambia Community Clinics, Inc. and subsidiaries' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Escambia Community Clinics, Inc. and subsidiaries' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Escambia Community Clinics, Inc. and subsidiaries' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Escambia Community Clinics, Inc. and subsidiaries' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Escambia Community Clinics, Inc. and subsidiaries' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or a combination of deficiencies in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? The proposed $45,000 in requested funding for 2024/25 will be used as match for state/federal funds requiring a 9:1 local match. The continuation of financial support from Escambia County will enable COAWFLA to continue to provide direct support services to more than 2,000 older adults residing in Escambia County. Funds requested allow for the preservation of services to those who are high-risk assessed in danger of nursing home placement if stabilization services are not received.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: While not a government function/requirement, aging

support services impact Escambia County's budget by slowing matching costs required to support Medicaid nursing home placement. In Florida, it costs on average $97,820 per year per person for nursing home care. For those Medicaid eligible, Florida is required to provide matching funds. It costs on average $8,418 per year per person served under the Community Care for the Elderly program savings $89,402 per person not placed in institutional care.

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area: No other similar programs in the area.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. Since 1972, COAWFLA has assisted functionally impaired older adults to maintain independence. The agency's mission is "Dedicating each day to service, support and advocate for aging adults in Escambia and Santa Rosa Counties." No other non-profit in the community provides adults with services that promote independent living and reduce Medicaid supplemented nursing home care.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 7.30 %
- Percentage for direct programming costs: 92.70%

If Escambia County funding can only fund a portion of your request, how will you offset the difference? Partial local match may result in the reduction of state/federal funding. Each reduction severely limits the availability of services to older adults who are high-risk assessed as in danger of institutional placement. Reduction/elimination of funds may result in older adults with a documented need remaining on a wait list for services for a longer period or it may force those waiting into institutional care.

If the funding you are applying for can be used as a match for other funding, please provide the

details below and include the amount and match ratio: Older American's Act (federal funding): 9:1 match for $1,588,882. Community Care for Elderly (state funding): 9:1 match for $1,363,468. Americorps Seniors 9:1 match for $591,944 (federal) **Total minimum match needed: $319,018**

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. $30,000 for the Foster Grandparent Program was requested for 2024/25 from United Way of Escambia County.

BUDGET QUESTIONS

1. Does your agency run on Calendar Year, State Fiscal Year, or Fiscal Year? Calendar

   Please explain any discrepancies in the Expense Table and your agency's Financial Statements

   American Rescue Plan federal funds were carried forward and added to the 2024 budget after the original budget was drafted in November 2023.

   The FY 2023 columns on both the Income and Expense tables are estimated in advance of Audited Financial Statements or the IRS 990 as this application is prior to the commencement of the audit. Auditors from HHM CPAs will begin the A-133 audit process in April 2024 therefore presented financials are subject to change. The final presentation of the 2023 audit is scheduled to go before the Council on Aging of Board of Directors on June 12, 2024.

2. Please explain any Net Income (Revenue less Expense) represented in the Expense Table above on the bottom row. What is the planned use for these left over/residual funds? The 2023 year is based on actual financial results. The net loss is due to the timing of grants cycles at the close of the books on 12/31/23. The agency has several major state/federal grants that run on a 7/1 to 6/30 fiscal year. The carry-forward funds were added to the new contracts for 2024/25 and contract expiration dates extended as needed.

3. Please list the salary of the top 5 employees, names and positions of your organization. If there are multiple agencies funded by or through your agency allocation, please add those employees to this list by agency.

Name	Position	Salary
Joshua D. Newby	President/CEO	$124,000
Laura M. Garrett	Executive VP (CFO/COO)	$118,000
Rose Sakalarios	VP Human Resources	$82,482
Jessica Ayers	Retreat Director	$63,860
Cheryl Lilly	Social Services Director	$62,000

4. Please provide the total amount of cash and investments on hand. Based on Balance Sheet from 12/31/23 - Cash Investments: $8,105.73 and Investments: $470,255.74

5. Does your organization charge fees for services? If so, provide a list of fees charged.
Older American's Act clients can make a voluntary donation to support the service/programs received. Senior Dining Sites have a recommended $2 voluntary contribution. Community Care for the Elderly and Alzheimer 's Disease Initiative clients are assessed a copayment (less than 3% for most) based on income. Copayment can be waived based on the individual's need, personal situation, and inability to pay. Private pay participant's pay a flat fee for home delivered meals ($7.50 per meal) and adult day care ($90 per day). These consumers account for approximately 2% of the total participants served.

6. Does your organization require background checks from volunteers and staff? Yes

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Council on Aging of West Florida, Inc.
Pensacola, Florida

Opinion

We have audited the accompanying financial statements of the Council on Aging of West Florida, Inc., (the "Council") (a nonprofit organization), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Council as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Council and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Council's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue and auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Council's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Board of Directors
Council on Aging of West Florida, Inc.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and Chapter 10.650, Rules of the Auditor General, are presented for purposes of additional analysis and also are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 1, 2023, on our consideration of the Council's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the Council's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose:

The Council on Aging of West Florida, Inc., (the "Council") was incorporated as a Florida not-for-profit corporation in 1972. The Corporation has no paid-in capital or shareholders and the affairs are conducted by the Board of Directors as elected by the general membership of the corporation.

The Council's primary purpose is to assist, encourage and promote the well-being of aging individuals in Escambia County and Santa Rosa County. The Council is funded by grants and contracts with the Northwest Florida Area Agency on Aging, Inc., the State of Florida, Department of Elder Affairs ("DOEA"), Department of Children and Families, the Corporation for National Community Service, the United Way of West Florida. The Council also receives local financial support from Escambia County, church groups, civic clubs, program participants, foundations and individuals.

Basis of Presentation:

The accompanying financial statements of the Council, which are presented on the accrual basis of accounting, have been prepared to focus on the Council as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions.

Federal, state and local amounts received by the Council in advance of the incurrence of allowable costs or performance of services are recorded as refundable advances until such allowable costs are incurred or services are rendered.

Contributions are recognized when a donor makes an unconditional promise to give to the Council. Contributions that are restricted by a donor are reported as increases in net assets with donor restrictions. When a time restriction expires or a purpose restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Net assets without donor restrictions represent resources generated from operations, donations without donor restrictions, and lapse of time or purpose restrictions and are not subject to donor-imposed stipulations.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents:

Cash and cash equivalents include all highly-liquid investments purchased with an original maturity of ninety days or less.

Investments:

Authorized investments consist of mutual funds carried at fair value based on quoted market prices. Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities and changes in net assets.

Grants, Contracts and Local Support Receivable:

Grants, contracts and local support receivable are stated at the amount management expects to collect from outstanding balances, net of allowance for doubtful accounts when applicable.

Property and Equipment:

Property and equipment are recorded at cost. Donated property and equipment are recorded at their estimated market value on the date of contribution. Expenditures which equal or exceed $1,000 that materially increase values, change capacities, or extend useful lives are capitalized. Repairs and maintenance costs are charged to operations when incurred.

Depreciation is computed using the straight-line method. Estimated useful lives of property and equipment range as follows:

Buildings and improvements	10 - 30 years
Furniture, fixtures and equipment	5 - 10 years
Vehicles	5 years

Debt Issuance Costs:

Debt issuance costs are presented as a reduction of the carrying amount of debt and are amortized over the term of the debt using the straight-line method. Amortization of debt issuance costs are reported as interest expense in the statements of activities and changes in net assets.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Public Support:

Public support revenue from local governments and government grants is recorded based upon the terms of the grantor allotment which generally provides that revenue is earned when the allowable costs of the specific grant provisions have been incurred or the performance of the services has been rendered. Such revenue is subject to audit by the grantor, and if the examination results in a deficiency of allowable expenses, the Council will be required to refund any deficiencies.

Income Taxes:

The Council is exempt from federal income taxes under Internal Revenue Service Code Section 501(c)(3). As a result, there is no provision for taxes in the accompanying financial statements.

Advertising Costs:

Advertising costs are expensed when incurred.

Contributions of Nonfinancial Assets:

The Council records various types of contributed nonfinancial assets. Contributed professional services are recognized if the services received create or enhance long-lived assets or require specialized skills and are provided by individuals possessing those skills, and would typically need to be purchased if the services were not provided by donation. Contributions of tangible assets are recognized at fair market value when received. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor and are treated as in-kind support for purposes of meeting state matching requirements. The amounts reported in the accompanying financial statements as contributed nonfinancial assets are offset by like amounts included in expenses.

General and Administration Expense Allocation:

Management and general expenses are allocated to various programs based on each program's percentage of direct salaries and wages to total direct salaries and wages.

Facilities Repair and Maintenance Expense Allocation:

Facilities repair and maintenance expenses are allocated to various programs based on each program's percentage of square footage occupied to total square footage of the facility.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent Accounting Pronouncements:

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2016-02, *Leases (Topic 842)*. The guidance in this topic supersedes the requirements in Accounting Standards Codification Topic 840, *Leases*. With the exception of short-term leases, the updated guidance requires lessees to recognize a lease liability representing the lessee's obligation to make lease payments arising from a lease, measured on a discounted basis, and a right-of-use asset representing the lessee's right to use, or control the use of, a specified asset for the lease term upon adoption. Lessor accounting was largely unchanged under the new guidance, except for clarification of the definition of initial direct costs which provided additional guidance on the timing of recognition of those costs. Subsequent to the issuance of this update, the FASB issued three additional ASUs that provide codification improvements and certain transition elections. The Council adopted the standard effective January 1, 2022; however, the Council has no leases that fall under this guidance and thus no new lease disclosures were required.

Reclassifications:

Certain accounts in the 2021 financial statements have been reclassified for comparative purposes to conform with the presentation in the 2022 financial statements.

Subsequent Events:

Management has evaluated subsequent events through June 1, 2023, which is the date the financial statements were available to be issued.

NOTE 2 - INVESTMENTS

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Three levels of inputs may be used to measure fair value:

Level 1: Observable inputs such as quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following table presents the assets carried at fair value as of December 31, 2022 and 2021:

	Level 1	Level 2	Level 3	Total
December 31, 2022				
Mutual funds	$ 621,710	$ -	$ -	$ 621,710
December 31, 2021				
Mutual funds	$ 853,596	$ -	$ -	$ 853,596

Following is a description of the valuation methodologies used for financial instruments measured at fair value:

Mutual funds - Assets are classified as Level 1 as they are traded in an active market for which closing prices are readily available.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Council believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

OTHER REPORTS AND SCHEDULES

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Council on Aging of West Florida, Inc.
Pensacola, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Council on Aging of West Florida, Inc. (the "Council") (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 1, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Council's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. Accordingly, we do not express an opinion on the effectiveness the Council's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Council's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during the audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
Council on Aging of West Florida, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Council's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

Board of Directors
Council on Aging of West Florida, Inc.
Pensacola, Florida

Report on Compliance for Each Major Federal Program and State Project

We have audited the Council on Aging of West Florida, Inc.'s (the "Council") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the *Executive Office of the Governor's State Project Compliance Supplement* that could have a direct and material effect on each of the Council's major federal programs and state projects for the year ended December 31, 2022. The Council's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal and state statutes, regulations and the terms and conditions of its federal awards and state financial assistance applicable its federal program and state projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Council's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"); and Chapter 10.650, Rules of the Auditor General. Those standards, the Uniform Guidance and Chapter 10.650, Rules of the Auditor General require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about the Council's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the Council's compliance.

Board of Directors
Council on Aging of West Florida, Inc.

Opinion on Each Major Federal Program and State Project

In our opinion, the Council complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended December 31, 2022.

Report on Internal Control Over Compliance

Management of the Council is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Council's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Council's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Council on Aging of West Florida, Inc.
Pensacola, Florida

Opinion

We have audited the accompanying financial statements of the Council on Aging of West Florida, Inc., (the "Council") (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Council as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Council and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is requited to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Council's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue and auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Council's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Board of Directors
Council on Aging of West Florida, Inc.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and Chapter 10.650, Rules of the Auditor General, are presented for purposes of additional analysis and also are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 25, 2022, on our consideration of the Council's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the Council's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose:

The Council on Aging of West Florida, Inc., (the "Council") was incorporated as a Florida not-for-profit corporation in 1972. The Corporation has no paid-in capital or shareholders and the affairs are conducted by the Board of Directors as elected by the general membership of the corporation.

The Council's primary purpose is to assist, encourage and promote the well-being of aging individuals in Escambia County and Santa Rosa County. The Council is funded by grants and contracts with the Northwest Florida Area Agency on Aging, Inc., the State of Florida, Department of Elder Affairs ("DOEA"), Department of Children and Families, the Corporation for National Community Service, the United Way of Escambia County, and Santa Rosa County. The Council also receives local financial support from Escambia County, church groups, civic clubs, program participants, foundations and individuals.

Basis of Presentation:

The accompanying financial statements of the Council, which are presented on the accrual basis of accounting, have been prepared to focus on the Council as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions.

Federal, state and local amounts received by the Council in advance of the incurrence of allowable costs or performance of services are recorded as refundable advances until such allowable costs are incurred or services are rendered.

Contributions are recognized when a donor makes an unconditional promise to give to the Council. Contributions that are restricted by a donor are reported as increases in net assets with donor restrictions. When a time restriction expires or a purpose restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Net assets without donor restrictions represent resources generated from operations, donations without donor restrictions, and lapse of time or purpose restrictions and are not subject to donor-imposed stipulations.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents:

Cash and cash equivalents include all highly-liquid investments purchased with an original maturity of ninety days or less.

Investments:

Authorized investments consist of mutual funds carried at fair value based on quoted market prices and certificates of deposit carried at cost. Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities and changes in net assets.

Grants, Contracts and Local Support Receivable:

Grants, contracts and local support receivable are stated at the amount management expects to collect from outstanding balances. As of December 31, 2021, management has determined, based on historical experience, that all amounts are fully collectible and no allowance for doubtful accounts is necessary.

Property and Equipment:

Property and equipment are recorded at cost. Donated property and equipment are recorded at their estimated market value on the date of contribution. Expenditures which equal or exceed $1,000 that materially increase values, change capacities, or extend useful lives are capitalized. Repairs and maintenance costs are charged to operations when incurred.

Depreciation is computed using the straight-line method. Estimated useful lives of property and equipment range as follows:

Buildings and improvements	10 - 30 years
Furniture, fixtures and equipment	5 - 10 years
Vehicles	5 years

Debt Issuance Costs:

Debt issuance costs are presented as a reduction of the carrying amount of debt and are amortized over the term of the debt using the straight-line method. Amortization of debt issuance costs are reported as interest expense in the statements of activities and changes in net assets.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Public Support:

Public support revenue from local governments and government grants is recorded based upon the terms of the grantor allotment which generally provides that revenue is earned when the allowable costs of the specific grant provisions have been incurred or the performance of the services has been rendered. Such revenue is subject to audit by the grantor, and if the examination results in a deficiency of allowable expenses, the Council will be required to refund any deficiencies.

Income Taxes:

The Council is exempt from federal income taxes under Internal Revenue Service Code Section 501(c)(3). As a result, there is no provision for taxes in the accompanying financial statements.

Advertising Costs:

Advertising costs are expensed when incurred.

In-Kind Support:

The Council records various types of in-kind support. Contributed professional services are recognized if the services received create or enhance long-lived assets or require specialized skills and are provided by individuals possessing those skills, and would typically need to be purchased if the services were not provided by donation. Contributions of tangible assets are recognized at fair market value when received. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor and are treated as in-kind support for purposes of meeting state matching requirements. The amounts reported in the accompanying financial statements as in-kind support are offset by like amounts included in expenses.

General and Administration Expense Allocation:

Management and general expenses are allocated to various programs based on each program's percentage of direct salaries and wages to total direct salaries and wages.

Facilities Repair and Maintenance Expense Allocation:

Facilities repair and maintenance expenses are allocated to various programs based on each program's percentage of square footage occupied to total square footage of the facility.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent Accounting Pronouncements:

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2016-02, Leases (Topic 842) ("ASU 2016-02"). The guidance in this topic supersedes the requirements in Accounting Standards Codification Topic 840, Leases. The update will require business entities to recognize lease assets and liabilities on the balance sheet and to disclose key information about leasing arrangements. A lessee would recognize a liability to make lease payments and a right-of-use asset representing its right to use the leased asset for the lease term. ASU 2016-02 is effective for fiscal years beginning after December 15, 2021. Management does not expect adoption of ASU 2016-02 to have a significant impact on the Company's financial statements.

Subsequent Events:

Management has evaluated subsequent events through May 25, 2022, which is the date the financial statements were available to be issued.

NOTE 2 - INVESTMENTS

Investments held at December 31, 2021 and 2020 are listed below:

NOTE 2 - INVESTMENTS (Continued)

Investment return for the years ended December 31, 2021 and 2020 are summarized as follows:

	2021	2020
Interest and dividends	$ 96,308	$ 41,703
Realized gain	33,211	24,826
Unrealized gain	10,716	52,238
Net investment return	$ 140,235	$ 118,767

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Three levels of inputs may be used to measure fair value:

Level 1: Observable inputs such as quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following table presents the assets carried at fair value as of December 31, 2021 and 2020:

	Level 1	Level 2	Level 3	Total
December 31, 2021				
Mutual funds	$ 853,596	$ -	$ -	$ 853,596
December 31, 2020				
Mutual funds	$ 759,408	$ -	$ -	$ 759,408

Following is a description of the valuation methodologies used for financial instruments measured at fair value:

Mutual funds - Assets are classified as Level 1 as they are traded in an active market for which closing prices are readily available.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Council believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Borrowings under the line of credit total $55,528 as of December 31, 2021. There were no outstanding borrowings under the line of credit as of December 31, 2020.

NOTE 8 - SIMPLIFIED EMPLOYEE PENSION PLAN

The Council has established a Simplified Employee Pension Plan ("SEP") covering all employees who have been employed for a specific length of continuous service. The Council contributed 8% of the employee's salary to the SEP in 2020. Beginning in 2021, the Council contributes 6% of the employee's salary to the SEP. The Council's contributions to the SEP for the years ended December 31, 2021 and 2020 were $81,433 and $101,404, respectively.

NOTE 9 - COMMITMENTS AND CONTINGENCIES

Operating Leases:

The Council leases office equipment under an operating lease expiring in December 2024. Future minimum lease payments under the operating lease at December 31, 2021 total $5,984 each year.

Rental expense for the years ended December 31, 2021 and 2020 was $5,408 and $6,243, respectively.

Dependency on Government Support:

The Council's services are funded primarily with grants from the United States Department of Health and Human Services and the State of Florida passed through the DOEA and the Northwest Florida Area Agency on Aging. A reduction in the level of future support from these agencies could have a substantial effect on the Council's programs and activities. As of December 31, 2021, management is unaware of any such reduction in future support.

Depository Risk:

The Council maintains cash balances with a financial institution and a brokerage firm. Demand deposit accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to certain limits. At December 31, 2021, the Council had no balances held by the financial institution and brokerage firm in excess of insured limits.

COVID-19:

During the year ended December 31, 2020, Coronavirus Disease 2019 ("COVID-19") became a pandemic. The full impact of the COVID-19 outbreak continues to evolve as of the date of the report. As such, it is very uncertain as to the full magnitude that the pandemic will have on the Council. Management is actively monitoring its financial condition, liquidity, operations, and workforce. Given the evolution of the COVID-19 outbreak, the Council is not able to estimate the effects of the outbreak on its results of operations, financial condition, or liquidity.

NOTE 11 - PAYCHECK PROTECTION PROGRAM LOAN

On June 10, 2020, the Council received loan proceeds in the amount of $238,538 under the Paycheck Protection Program ("PPP"), established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The PPP loan's principal and accrued interest are forgivable to the extent that the proceeds are used for eligible purposes, subject to certain limitations, and that the Council maintains payroll levels over a twenty-four-week period following the loan date. The loan forgiveness amount may be reduced if the Council terminates employees or reduces salaries during the twenty-four-week period.

The Council incurred eligible forgivable expenses totaling $238,538 through December 31, 2020. The Council received its forgiveness notice in February 2021 and recognized $238,538 as grant revenue for the year ended December 31, 2020.

NOTE 12 - LIQUIDITY

The Council's financial assets available within one year of the statement of financial position date for general expenditure are as follows:

Grants, contracts and local support receivable	785,118
Investments appropriate for current use	853,596
	$ 1,810,001

As part of the Council's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. To help manage unanticipated liquidity needs, the Council has a line of credit with varying credit limits which it could draw upon. Available credit under the line of credit totaled $532,160 at December 31, 2021.

OTHER REPORTS AND SCHEDULES

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Council on Aging of West Florida, Inc.
Pensacola, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Council on Aging of West Florida, Inc. (the "Council") (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities and changes in net assets and functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 25, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Council's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. Accordingly, we do not express an opinion on the effectiveness the Council's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Council's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during the audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
Council on Aging of West Florida, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Council's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

Board of Directors
Council on Aging of West Florida, Inc.
Pensacola, Florida

Report on Compliance for Each Major Federal Program and State Project

We have audited the Council on Aging of West Florida, Inc.'s (the "Council") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the *Executive Office of the Governor's State Project Compliance Supplement* that could have a direct and material effect on each of the Council's major federal programs and state projects for the year ended December 31, 2021. The Council's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and state projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Council's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"); and Chapter 10.650, Rules of the Auditor General. Those standards, the Uniform Guidance and Chapter 10.650, Rules of the Auditor General require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about the Council's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the Council's compliance.

Board of Directors
Council on Aging of West Florida, Inc.

Opinion on Each Major Federal Program and State Project

In our opinion, the Council complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended December 31, 2021.

Report on Internal Control Over Compliance

Management of the Council is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Council's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Council's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

Report on the Financial Statements

We have audited the accompanying financial statements of the Council on Aging of West Florida, Inc., (the "Council") (a nonprofit organization), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Council on Aging of West Florida, Inc.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Council as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The combining schedule of functional expenses is presented for purposes of additional analysis, and is not a required part of the financial statements. The accompanying schedules of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations ("CFR") Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and as required by Chapter 10.650, Rules of the Auditor General, are presented for purposes of additional analysis and also are not required parts of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 1, 2021, on our consideration of the Council's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose:

The Council on Aging of West Florida, Inc., (the "Council") was incorporated as a Florida not-for-profit corporation in 1972. The Corporation has no paid-in capital or shareholders and the affairs are conducted by the Board of Directors as elected by the general membership of the corporation.

The Council's primary purpose is to assist, encourage and promote the well-being of aging individuals in Escambia County and Santa Rosa County. The Council is funded by grants and contracts with the Northwest Florida Area Agency on Aging, Inc., the State of Florida, Department of Elder Affairs ("DOEA"), Department of Children and Families, the Corporation for National Community Service, the United Way of Escambia County, and Santa Rosa County. The Council also receives local financial support from Escambia County, church groups, civic clubs, program participants, foundations and individuals.

Basis of Presentation:

The accompanying financial statements of the Council, which are presented on the accrual basis of accounting, have been prepared to focus on the Council as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions.

Federal, state and local amounts received by the Council in advance of the incurrence of allowable costs or performance of services are recorded as refundable advances until such allowable costs are incurred or services are rendered.

Contributions are recognized when a donor makes an unconditional promise to give to the Council. Contributions that are restricted by a donor are reported as increases in net assets with donor restrictions. When a time restriction expires or a purpose restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Net assets without donor restrictions represent resources generated from operations, donations without donor restrictions, and lapse of time or purpose restrictions and are not subject to donor-imposed stipulations.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents:

Cash and cash equivalents include all highly-liquid investments purchased with an original maturity of ninety days or less.

Investments:

Authorized investments consist of mutual funds carried at fair value based on quoted market prices and certificates of deposit carried at cost. Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities and changes in net assets.

Grants, Contracts and Local Support Receivable:

Grants, contracts and local support receivable are stated at the amount management expects to collect from outstanding balances. As of December 31, 2020, management has determined, based on historical experience, that all amounts are fully collectible and no allowance for doubtful accounts is necessary.

Property and Equipment:

Property and equipment are recorded at cost. Donated property and equipment are recorded at their estimated market value on the date of contribution. Expenditures which equal or exceed $1,000 that materially increase values, change capacities, or extend useful lives are capitalized. Repairs and maintenance costs are charged to operations when incurred.

Depreciation is computed using the straight-line method. Estimated useful lives of property and equipment range as follows:

Buildings and improvements	10 - 30 years
Furniture, fixtures and equipment	5 - 10 years
Vehicles	5 years

Debt Issuance Costs:

Debt issuance costs are presented as a reduction of the carrying amount of debt and are amortized over the term of the debt using the straight-line method. Amortization of debt issuance costs are reported as interest expense in the statements of activities and changes in net assets.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Public Support:

Public support revenue from local governments and government grants is recorded based upon the terms of the grantor allotment which generally provides that revenue is earned when the allowable costs of the specific grant provisions have been incurred or the performance of the services has been rendered. Such revenue is subject to audit by the grantor, and if the examination results in a deficiency of allowable expenses, the Council will be required to refund any deficiencies.

Income Taxes:

The Council is exempt from federal income taxes under Internal Revenue Service Code Section 501(c)(3). As a result, there is no provision for taxes in the accompanying financial statements.

Advertising Costs:

Advertising costs are expensed when incurred.

In-Kind Support:

The Council records various types of in-kind support. Contributed professional services are recognized if the services received create or enhance long-lived assets or require specialized skills and are provided by individuals possessing those skills, and would typically need to be purchased if the services were not provided by donation. Contributions of tangible assets are recognized at fair market value when received. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor and are treated as in-kind support for purposes of meeting state matching requirements. The amounts reported in the accompanying financial statements as in-kind support are offset by like amounts included in expenses.

General and Administration Expense Allocation:

Management and general expenses are allocated to various programs based on each program's percentage of direct salaries and wages to total direct salaries and wages.

Facilities Repair and Maintenance Expense Allocation:

Facilities repair and maintenance expenses are allocated to various programs based on each program's percentage of square footage occupied to total square footage of the facility.

Subsequent Events:

Management has evaluated subsequent events through June 1, 2021, which is the date the financial statements were available to be issued.

NOTE 2 - INVESTMENTS

Investments held at December 31, 2020 and 2019 are listed below:

	Amortized Cost	Gross Unrealized Gains	Gross Unrealized Losses	Carrying Value

At December 31, 2020, no mutual funds were in an unrealized loss position for more than twelve months. Mutual funds with a carrying value of $236,062 had been in an unrealized loss position for more than twelve months at December 31, 2019.

Investment return for the years ended December 31, 2020 and 2019 are summarized as follows:

	2020	2019
Interest and dividends	$ 41,703	$ 42,131

Unrealized gain	52,238	97,001
Net investment return	$ 118,767	$ 135,958

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Three levels of inputs may be used to measure fair value:

Level 1: Observable inputs such as quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following table presents the assets carried at fair value as of December 31, 2020 and 2019:

	Level 1	Level 2	Level 3	Total
December 31, 2020				
Mutual funds	$ 759,408	$ -	$ -	$ 759,408
December 31, 2019				
Mutual funds	$ 670,225	$ -	$ -	$ 670,225

Following is a description of the valuation methodologies used for financial instruments measured at fair value:

Mutual funds - Assets are classified as Level 1 as they are traded in an active market for which closing prices are readily available.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Council believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - GRANTS, CONTRACTS AND LOCAL SUPPORT RECEIVABLE

NOTE 6 - LINE OF CREDIT

The Council has a line of credit with varying credit limits available with a financial institution which has no stated expiration date, carries an agreed interest rate of 1% over the financial institution's prime rate, and is secured by deposits held at the financial institution. There were no outstanding borrowings under the line of credit as of December 31, 2020 and 2019.

NOTE 7 - LONG-TERM DEBT

Long-term debt consists of the following:

	2020	2019
Note payable to bank, due in monthly installments, including interest at 4.25%, through August 2026, secured by property and building	$ 425,188	$ 444,511

Thereafter	312,047
	$ 425,188

NOTE 8 - AMOUNT DUE TO GRANTOR AGENCY

A program review by the Corporation for National and Community Services ("CNCS") found disallowed costs totaling $60,000 for the Foster Grandparent program. The Council entered into a promissory note with CNCS and agreed to repay the amount in twelve quarterly installments of $5,000 starting in July 2018 and ending in April 2021.

NOTE 9 - SIMPLIFIED EMPLOYEE PENSION PLAN

The Council has established a Simplified Employee Pension Plan ("SEP") covering all employees who have been employed for a specific length of continuous service. The Council contributes 8% of the employee's salary to the SEP. The Council's contributions to the SEP for the years ended December 31, 2020 and 2019 were $101,404 and $107,164, respectively.

NOTE 10 - COMMITMENTS AND CONTINGENCIES

Operating Leases:

The Council leases office equipment under an operating lease expiring in December 2024. Future minimum lease payments under the operating lease at December 31, 2020 total $5,984 each year.

Rental expense for the years ended December 31, 2020 and 2019 was $6,243 and $9,340, respectively.

Dependency on Government Support:

The Council's services are funded primarily with grants from the United States Department of Health and Human Services and the State of Florida passed through the DOEA and the Northwest Florida Area Agency on Aging. A reduction in the level of future support from these agencies could have a substantial effect on the Council's programs and activities. As of December 31, 2020, management is unaware of any such reduction in future support.

Depository Risk:

The Council maintains cash balances with a financial institution and a brokerage firm. Demand deposit accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to certain limits. At December 31, 2020, the Council had $75,787 held by the financial institution and brokerage firm in excess of insured limits.

COVID-19:

During the year ended December 31, 2020, Coronavirus Disease 2019 ("COVID-19") became a pandemic. The full impact of the COVID-19 outbreak continues to evolve as of the date of the report. As such, it is very uncertain as to the full magnitude that the pandemic will have on the Council. Management is actively monitoring its financial condition, liquidity, operations, and workforce. Given the evolution of the COVID-19 outbreak, the Council is not able to estimate the effects of the outbreak on its results of operations, financial condition, or liquidity.

NOTE 11 - PAYCHECK PROTECTION PROGRAM LOAN

On June 10, 2020, the Council received loan proceeds in the amount of $238,538 under the Paycheck Protection Program ("PPP"), established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The PPP loan's principal and accrued interest are forgivable to the extent that the proceeds are used for eligible purposes, subject to certain limitations, and that the Council maintains payroll levels over a twenty-four-week period following the loan date. The loan forgiveness amount may be reduced if the Council terminates employees or reduces salaries during the twenty-four-week period.

The Council has incurred eligible forgivable expenses totaling $238,538 through December 31, 2020. The Council received its forgiveness notice in February 2021, and as a result recognized $238,538 as grant revenue for the year ended December 31, 2020.

NOTE 12 - LIQUIDITY

The Council's financial assets available within one year of the statement of financial position date for general expenditure are as follows:

Cash and cash equivalents	$ 421,850
Grants, contracts and local support receivable	665,379
Investments appropriate for current use	811,408
	$ 1,898,637

As part of the Council's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. To help manage unanticipated liquidity needs, the Council has a line of credit with varying credit limits which it could draw upon. Available credit under the line of credit totaled $689,259 at December 31, 2020.

OTHER REPORTS AND SCHEDULES

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Council on Aging of West Florida, Inc.
Pensacola, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Council on Aging of West Florida, Inc. (the "Council") (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities and changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 1, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Council's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. Accordingly, we do not express an opinion on the effectiveness the Council's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Council's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during the audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
Council on Aging of West Florida, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Council's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

Board of Directors
Council on Aging of West Florida, Inc.
Pensacola, Florida

Report on Compliance for Each Major Federal Program and State Project

We have audited the Council on Aging of West Florida, Inc.'s (the "Council") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the *Executive Office of the Governor's State Project Compliance Supplement* that could have a direct and material effect on each of the Council's major federal programs and state projects for the year ended December 31, 2020. The Council's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and state projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Council's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"); and Chapter 10.650, Rules of the Auditor General. Those standards, the Uniform Guidance and Chapter 10.650, Rules of the Auditor General require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about the Council's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the Council's compliance.

Board of Directors
Council on Aging of West Florida, Inc.

Opinion on Each Major Federal Program and State Project

In our opinion, the Council complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended December 31, 2020.

Report on Internal Control Over Compliance

Management of the Council is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Council's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Council's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

Amount Received Last Year, if applicable: _$5,000.00_____

Briefly discuss how last year's funds were used? **The funds were used to support the Ecomfort Soup Kitchen program and resource center by acquiring food trucks, purchasing food from Feeding the Gulf Coast, and assisting individuals in obtaining birth certificates and Florida identifications.**

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County?

Our program has provided essential services such as daily meals, food distribution, and assistance with vital documents. These efforts significantly impacted the citizens of Escambia County particularly those facing economic challenges.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County?

The funding we are requesting will cover food purchases, operating supplies, and expenses for obtaining Florida identification and birth certificates for eligible individuals. Our program conducts drive-through and walk up food distribution twice weekly and serves hot meals daily. Additionally, our resource center facilitates the acquisition of vital records for eligible individuals and provides assistance with referrals to other organizations. Located in the heart of the West Pensacola community, specifically in zip code 32505, our program serves as a crucial asset to the county. It addresses the core need of the Englewood community, which often grapples with poverty, homelessness, substance abuse, crime, and unemployment. As a safe haven for senior citizens, youth, and the needy, our program plays a pivotal role in supporting and uplifting the marginalized populations within the county, ultimately contributing the overall well-being of Escambia County residents.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: _N/A_____

25-Word Description of Program:

In collaboration with the Gulf Coast Veteran Health Care System, elected federal, state, and local government officials, family members, community service organizations, and the veterans themselves, our goal is to assist all veterans with emphasis on disabled veterans that can't help themselves. We facilitate programs to help homelessness or unhoused among veterans; our goal is to see that every veteran receives the mental and physical care they deserve; implement programs to help veterans reintegrate back into the community; develop programs for women veterans with services directed towards meeting their needs; establish intervention programs that prevent incarceration of veterans. Veteran's Benefits Program, a Veteran Resources Program, a Veterans Court Program, an Opioid Prevention Program, a Veteran Stand Down Program, a Service Community Relations Program, and a Female Veterans Outreach Program.

How many years has your organization been providing services in the County?

16 Years

How many years has your organization received funding from the County?

6 Years

Explain how receiving funds from the County would have a significant impact on your organization:

Funds will be used to support programs such as Veteran Homeless Stand-down, Veterans Opioid Prevention Program, Women Veterans Program, Disabled Veteran Program, Veteran Memorial Service, Veteran Stand Down and the Veterans Day Parade, etc. Funds will support programs cost and expenses occurred during the operation and supplies needed for operation. The impact of receiving funding from the County has helped to sustain the continuing rise of cost of services as well as operational cost to maintain productivity in services. Since the GCVAC is an all-unpaid volunteer organization and depends on funds from donations the funding will be used exclusively to pay the cost and expense of implementing all GCVAC programs and activities that directly help veterans.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: **$11,875.00**.

Briefly discuss how last year's funds were used?

The funding was used to provide services at NAS Pensacola Barrancas National Cemetery on Memorial Day to pay respect to Veterans and their families of those who have given the ultimate sacrifice for this County. We held a Homeless Veterans Stand Down at Brownsville Community Center to provide services to Veterans with the support from the Community Business and Partners in conjunction of services from the Veterans Administration JACC with all their departments to include suicide prevention, Funds were also used to pay the expenses of the annual Veterans Day Parade held downtown on Veterans Day with all Veterans organization participating as well as other organizations and Community business and partners. Funds were used to help supplement materials and supplies for other Veteran programs initiatives. More importantly, we provided day-to-day service to Veterans with assistance on service-connected claims to the VA; we assisted in registering veterans in e-benefits, as well as helped veteran fight claims that were denied with supported documents. We assisted with health issues at the VA. Our goal is to see that every veteran receives the mental and physical care they deserve. We have trained and certified Veteran Service Officers to assist with Veteran’s needs.

Briefly discuss the County’s Return on Investment relative to last year’s funding? In other words, what impact did your program have on the citizens of Escambia County?

We have provided services in helping over 300 Unhoused Veterans with clothing and food. Assisted over 400 Veteran filing of claim for disability and follow up with CFR compliances. Helped active-duty families with assistance for support in the community during their assignment of duty station at NAS, Corry, Whiting Field, and Eglin Air Force Base. We used our Veteran’s Benefits programs to help veteran file claims for benefits and healthcare. We used our Veterans Court program to assist with legal issues. We used our Opioid Prevention program to counsel and assist veterans with issues. We conduct a monthly roundtable to assist female veterans with their unique concerns.

- Provided approximately 100 Veterans and their families with support services with benefits and assistance with VA health care needs.
- We used our four (4) trained Veteran Services Officers (VSO) to advise and assist Veteran’s needs.
- Created the followings: Veteran's Benefits Program, Veteran Resources Program, Veteran's Court Program, Opioid Prevention Program, and a Female Veterans Outreach Program

- Made Veteran and families aware of available Covid Testing and Vaccination
- We have helped relieve the County Veteran office backlog by counseling and advising to Veterans.

Return-on-investment is that we provide services on a day-to-day basis to assist veterans and their families for referrals of food, shelter referrals, educational needs, medical assistance, etc.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County?

Since the GCVAC is an all-unpaid volunteer organization and depends on funds from donations the funding will be used to pay the cost and expense of implementing all GCVAC programs that directly help veterans. Funds will be used to support programs such as Veteran Homeless Stand-down, Veterans Opioid Prevention Program, Women Veterans Program, Disabled Veteran Program, etc. Support of programs cost, and expenses occurred during the facilitating of cost of operation and supplies needed to for operation for veterans' programs, events and services. Not do GCVAC have programs and services for helping veterans but also conduct events in the community such as an annual Memorial Service at Barrancas National Cemetery, Veteran's Standdown, and the Veteran Day Parade.

We are respectfully requesting an increase in funds this year because of the soaring cost over the years. Since our initial request from the County in 2017, costs have risen about 50% to put on these annual events. Please seriously consider our requested increase.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: N/A

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area:

We have partnered with:

- Pensacola State College,
- HER Foundation,
- Veteran Memorial Park,
- NAS Barrancas National Cemetery

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program

We have been serving this community for the past (17) years and are well respected by other veterans' organizations and are one of the leading organizations to assist Veterans needs on a continuous basis.

We can partner with Escambia County Veterans Services and assist the County to serve more than 42,000 veterans and their families' county wide to help veterans obtain benefits, help with Veteran legal matters, and help with Veteran opioid prevention program, etc. The GCVAC has trained and certified Veteran Service Officers that can assist the County VSO with the overall County's Veterans program.

What we do different than other veteran's programs are that we are 100% volunteer staffed, and receive support from the VA, DOD, all other veteran organizations, and community partners to help successfully expedite our programs. And most of our volunteers are veterans themselves.

What makes our program more successful than other peer agencies is that our focus is not on membership, but to assist the needs of all veterans that are members of other agencies, nonmember of GCVAC, and we do not charge membership fees to be serviced by our organization.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

Percentage for salaries/administrative costs:1**0**% (administrative cost no salaries)
Percentage for direct programming costs: **90**% (program costs, materials, supplies, and fees)

If Escambia County funding can only fund a portion of your request, how will you offset the difference?

We receive support and sponsorship donations directly from the public each year to assist along with the funding from the county to be used in our general funds. We request and receive donations from our corporate partners, local businesses, individuals, and volunteers who give out of pocket donations and community support.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio:

N/A

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. We do not receive duplication of funds from other Local non-profit organizations.

To my knowledge, there is no duplication of funding. There are no non-profit donations. Since we are an all-donation funded organization, we solicit donations from the private sector and the community.

GENERAL INFORMATION

Agency Name: Health and Hope Clinic, Inc.

Agency Address: 1718 E. Olive Rd., Pensacola, FL 32514

Program Name for which funding is being requested: Access to Care

Amount Requested: $30,000.00

Program Contact: Sally Bergosh

Contact Email: Sbergosh@healthandhopeclinic.org Contact Phone: (850) 748-4456

25-Word Description of Program: The Health and Hope Clinic provides free comprehensive and preventative healthcare, dental, pharmacy, and mental health with wrap-around services to the uninsured and underserved for our local community.

How many years has your organization been providing services in the County? 20 years

How many years has your organization received funding from the County? 4 years

Explain how receiving funds from the County would have a significant impact on your organization: County funding is essential for Health and Hope Clinic to continue to grow and increase access to care for the uninsured and underserved in our community. The county funding will help the clinic serve the estimated 30,000 uninsured in Escambia County. Funding will help off-set the cost of specific critical services, such as screenings for diabetic and chronic patients and overall care for the underserved. This additional funding will help provide additional wrap-around services and supplies for patients. The clinic continues to experience tremendous growth and increases in new patients with many being unemployed and uninsured. The clinic

grew from serving 777 unique patients in 2019 to 1048 patients in 2020, 1200 patients in 2021, &1400 unique patients in 2022 and provided 10,200 patient visits. From January 1, 2023-December 31, 2023 the clinic served 1,554 unique patients and provided 12,510 patient visits. This was a 22.64% growth in annual visits. Receiving funds from the BOCC will have a significant impact on the clinic's ability to continue keeping up with the demands for services and increase access to care while maintaining care for the medically needy and working poor without the worry of service reductions. This will in turn save Escambia County taxpayers money by reducing the number of uninsured and underserved citizens that will go to the emergency room as their last resort means of care, which will in turn result in such visits being charged to Medicaid which increases local tax pay expenses. The Health and Hope Clinic NEVER bills Medicaid for services. The Health and Hope Clinic provides care free of charge.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: $28,500

Briefly discuss how last year's funds were used? The general funds were used for the following: pharmaceuticals, medical supplies, dental supplies, dental equipment repairs, flu shots for the community, and a new phone system.100% of the BOCC funds were used for direct program costs and were reviewed and submitted to the BOCC accounting department for reimbursement.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County?

The impact of this county funding was the amount of people that were provided free medical, dental, mental health, and pharmaceutical services. The clinic provided over $6 million dollars' worth of free services in 2023. The clinic's WHOLE patient care (total care) and proactive approach by utilizing more health education and wrap-around services has been well-received by patients and our surrounding medical partners. Services provided from your funding include mental health, optometry, dermatology, tobacco cessation classes, women's health services, urology, cardiology, etc. The clinic was able to increase hours of service and operations while

continually recruiting additional specialty services. The Health and Hope Clinic in 2023 was able to keep its 1,554 unique patients out of the local ER's, saving the taxpayers hundreds of thousands of dollars in Medicaid reimbursable/chargeable services which they could have incurred had these same patients utilized the other healthcare facilities in the county. Every dollar funded to the H&H Clinic is equal to ten dollars in services, which is an amazing return on investment.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County? Health and Hope Clinic is a volunteer-run clinic with only (5) full-time, 40 hours a week employees and (2) part-time employees. In 2020 the clinic had 236 volunteers who gave over 17,000 volunteer hours. In 2021, the clinic had 253 volunteers and gave over 46,792 volunteer hours and secured free medications equaling $3,232,001. In 2022, the clinic had 307 volunteers which gave 31,736 hours of services which equates to $1,202,737 (If we were paying salaries). In 2023, the clinic had 338 volunteers of which 185 were active licensed volunteers that gave 11,155 hours which equates to $1,352,500 if we were paying salaries and 153 non-licensed general volunteers provided 18,252 volunteer hours that equaled $580,414, if we were paying salaries. This is a lot of return on your investment (ROI). The Health and Hope Clinic provided over $6 million dollars' in free care for the community!

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: We provide care to individuals and non-profits in our local county that do not have insurance and who otherwise burden local emergency rooms and increase Escambia County's Medicaid reimbursement amount.

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how

have you partnered with those organizations in the area: St. Joseph's Clinic is the only other free clinic in Escambia County that offers free medical care without taking any kind of health insurance reimbursements, including Medicaid. During the pandemic, they lost most of their senior volunteers and had to close their doors for almost a year. H&H Clinic was able to see their patients and provide services. They are now back open and provide acute care a few days a week with very limited hours, and we continue to help each other meet the demands for services in our community.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program. H&H Clinic is the ONLY free and primary care clinic in the area that absorbs 100% of all accrued patient care costs and that does not charge any fees on a sliding scale or take insurance reimbursements from patient services provided which ultimately saves the county taxpayers money. The clinic provides services including comprehensive healthcare and dental along with a multitude of specialty services like optometry, mental health, women's health, dermatology, chiropractic care, full pharmacy, chronic disease management, diagnostics, labs, and health education. Additionally, the clinic has partnerships throughout the county and provides medical and dental services for other non-profits like Teen Challenge, The Charis House, A Future and a Hope (AFAH). Ministry Village Olive (MVO) assists patients with food security, public showers, utility assistance, and hygiene emergency packs. H&H is the only free clinic to offer FREE Narcan to over 30 different organizations, while also supplying to thousands of individuals. The clinic also offers opioid addiction education, and referrals for recovery services through its Impact 100 funded grant "How to Save a Life" program. Additionally, the clinic offers vaccinations and immunizations for anyone in the community and is engaged in community events through partnerships with AMGEN and Baptist Faith Network.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 0%
- Percentage for direct programming costs: 100%

If Escambia County funding can only fund a portion of your request, how will you offset the difference? The clinic's desire to increase access to care for the uninsured and underserved will be met by providing access to medical and dental care to more patients. The clinic is increasing volunteer recruitment and increasing volunteer hours to sustain the newly increased number of patients being served, but the amount of funding we receive directly affects the number of patients we can help.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio: N/A

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for. The United Way West Florida awarded the H&H Clinic in 2023-2024 $40,000.00 appropriated for the salary and wages to fund an APRN position for oversight and quality control of the increased demand for services in our surrounding area. The Health and Hope Clinic also received $108,000 in October 2023 from Impact100 to help with building costs of a new mental health/health and wellness wing to accommodate the growing number of mental health needs in our surrounding areas. There is zero duplication of funding from the above local funding requests and the request from BOCC.

Dear Taxpayer:

We issued you a determination letter in July 2009, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(03).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PF by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(j) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

For tax forms, instructions, and publications, visit www.irs.gov or call 1-800-TAX-FORM (1-800-829-3676).

If you have questions, call 1-877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific Time).

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Health and Hope Clinic, Inc.

Opinion

We have audited the accompanying financial statements of Health and Hope Clinic, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Health and Hope Clinic, Inc. as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Health and Hope Clinic, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Health and Hope Clinic, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are

considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Health and Hope Clinic, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Health and Hope Clinic, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization and Purpose

Health and Hope Clinic, Inc. (the Organization) is a Florida "not-for-profit" corporation dedicated to serve the uninsured and economically disadvantaged residents of Escambia County, Florida with free primary and specialty healthcare. The Organization operated prior to its incorporation in 2009 as a program of Pensacola Bay Baptist Association. The Organization operates under the Florida Volunteer Health Services Program which provides sovereign immunity protection to all licensed providers that volunteer at HHC. All patients treated by the Organization must be uninsured, at or below 200% of the Federal poverty line, and not have or be eligible for Medicare, Medicaid, or VA health benefits. Patients of HHC are not charged a fee for services. The Organization is headquartered in Pensacola, Florida. The Organization's day-to-day operations are under the supervision and direction of the Organization's Board of Directors.

B. Basis of Accounting

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) Topic 958, *Not-for-Profit Entities*. Under ASC 958, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. A description of the net asset categories are as follows:

Net assets without donor restrictions – The part of net assets of a not-for-profit that is not subject to donor-imposed restrictions. Net assets without donor restrictions may be designated for specific purposes by action of the Board of Directors. Board-designated net assets may be earmarked for future programs, investments, contingencies, purchases or construction of fixed assets, or other uses. Some governing boards may delegate decisions to internal management. Such designations are considered to be included in board-designated net assets.

Net assets with donor restrictions – The part of net assets of a not-for-profit that is subject to donor-imposed restrictions. Some donors impose restrictions that are temporary in nature or purpose restricted. Other donors impose restrictions that are perpetual in nature that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization. Purpose restricted net assets are deemed to be restricted for the donor-specified purpose by explicit donor stipulation. Once appropriated, purpose restricted assets are released to net assets without donor restrictions.

C. Cash and Cash Equivalents

The Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. Cash and cash equivalents for the purpose of the statement of cash flows include cash held within its separate PayPal account.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Inventory

Inventory consists primarily of pharmaceuticals for distribution to qualified recipients based upon need. Pharmaceutical inventories on hand are valued using an estimated average generic dollar value per prescription. Management sets an obsolescence/expired goods reserve equal to 3.3% of total inventory value plus the valuation of donated pharmaceuticals that are expected to expire within the next accounting period.

E. Property and Equipment

Acquisitions of property and equipment greater than $2,500 with a useful life of one year or more are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets ranging from 5 to 10 years. When any asset is sold, retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the appropriate accounts and any gain or loss is recognized. Gifts of property are presented as unrestricted unless explicit donor stipulations specify how the donated asset must be used.

F. Contributions

Contributions are recognized in the period received or pledged unconditionally. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. All contributions are considered available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or are restricted by the donor for specific purposes are reported as net assets with donor restrictions. Amounts required to be maintained in perpetuity by the donor are reported as net assets that are perpetual in nature. A donor restriction expires when a time restriction ends or when the purpose for which it was intended is satisfied. When a restriction expires, nets assets with donor restrictions are released from restrictions.

G. Donated Assets and Services

Donated facilities, medical supplies, pharmaceuticals, and professional services are recorded in the financial statements at their estimated fair value on the date of gift according to provisions codified in ASC 820, *Fair Value Measurement*. Contributed professional services are recognized if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. A number of volunteers donate a significant amount of their time to the Organization. The Organization's volunteer medical professionals operate under the immunity protection provided by the "Access to Health Care Act" Section 766.1115 Florida Statutes which created the Volunteer Health Services Program. Some donated services do not create or enhance nonfinancial assets and are not considered specialized skills that would have to otherwise be purchased. Therefore, some of the donated services have not been reflected in the financial statements. The amounts reflected in the accompanying financial statements as "in-kind contributions" are offset by amounts included in expenses, other than the change in inventory during the year and those assets that have been capitalized in the property and equipment accounts. See additional information at **Note 3**.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

H. Income Taxes

The Organization is organized under the laws of the State of Florida as a nonprofit corporation. The Organization is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and has been designated as an organization, which is not a private Organization. The Organization is required to file Form 990 to the Internal Revenue Service.

I. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

J. Subsequent Events

The Organization has evaluated subsequent events for potential recognition and/or disclosure in the financial statements through August 4, 2023, the date the financial statements were available to be issued.

K. Functional Expense Allocation

The costs of providing the various programs and other activities have been detailed in the Statement of Functional Expenses and summarized on a functional basis in the Statement of Activities. Expenses directly related to a program or supporting services are charged to that program or supporting service. Labor costs are allocated between program services and supporting services based on established percentages of actual labor hours worked.

L. Recent Accounting Pronouncements

Contributed Nonfinancial Assets: In September 2020, the FASB issued ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958)*. The main principle of this revised accounting guidance requires contributed nonfinancial assets be presented as a separate line item in the statement of activities, apart from contributions of cash and other financial assets. Enhancements to presentation and disclosure are required to increase the transparency of contributed nonfinancial assets. The amendments in ASU 2020-07 are effective for the Organization for annual reporting periods beginning after June 15, 2021. The Organization adopted the standard on January 1, 2022. See **Note 3**.

NOTE 3 – IN-KIND CONTRIBUTIONS

The Organization recognized contributed nonfinancial assets within revenue. These contributed nonfinancial assets did not have donor-imposed restrictions.

In-kind contributions were recognized in the accompanying Statement of Activities for the year ended December 31, 2022 as follows:

	Revenue Recognized	Utilization	Valuation
In-kind pharmaceuticals	$ 1,969,061	Program	Estimated fair value based on average generic price per prescription

In-kind equipment	8,500	Program	Estimated fair value based on market value of equipment when received
Total	$ 3,454,942		

Pharmaceuticals and medical supplies are donated from drug manufacturers, medical facilities, doctors, and health care providers.

A wide range of services including medical, pharmaceutical, dental, and administrative were provided by approximately 311 volunteers.

The Organization operates in a building owned by Ministry Village at Olive, Inc., and the value for this space is based on comparable rents being charged for similar space in the area.

GENERAL INFORMATION

Agency Name: Lakeview Center, inc.

Agency Address: 1221 W. Lakeview Ave., Pensacola, FL, 32506

Program Name for which funding is being requested: Central Receiving Facility (CRF)

Amount Requested: $347,824

Program Contact: Shawn Salamida, President, Lakeview Center, Inc.

Contact Email: shawn.salamida@lakeview-center.org Contact Phone: (850) 418-3463

25-Word Description of Program:

The CRF serves as a single-entry point for adults in crisis under the Baker Act. The CRF provides assessment and triage to make the necessary referral to the appropriate level of inpatient or community-based care.

How many years has your organization been providing services in the County? 70 years

How many years has your organization received funding from the County? FY2024 was the first year; prior to that not since 2015.

Explain how receiving funds from the County would have a significant impact on your organization:

The CRF is a critical need in our community, as more of our county's residents seek mental health treatment. Lakeview advocated and received a recurring State appropriation July 2023 to open the CRF; that funding requires a 25% match. This support from the County would contribute to the match requirement and allow the State funds to be fully utilized.

PRIOR YEAR FUNDING

(if none received, mark N/A and skip to next section)

Amount Received Last Year, if applicable: $347,824; payment was made from the County to the Agency for Healthcare Administration.

Briefly discuss how last year's funds were used? The funds provided the match required for the State appropriation.

Briefly discuss the County's Return on Investment relative to last year's funding? In other words, what impact did your program have on the citizens of Escambia County? The CRF opened April 22, 2024, and in the first three weeks of operation had screened almost 200 individuals. Seventy-five percent (75%) of those individuals required an inpatient admission, while 25% were diverted to outpatient care services. These individuals would have otherwise been seen in an emergency room setting, which is not the best use of that healthcare setting nor is it the best care for an individual experiencing a mental health crisis. The average time of drop off for our law enforcement was approx. 7 min, allowing our officers to return to duty much more quickly than prior to the centralized receiving process was implemented. While this is still a very new service, Lakeview Center will continue to monitor and track data demonstrating the positive impact for the citizens of Escambia County.

CURRENT YEAR REQUEST

Briefly discuss how the funding you are currently requesting will be used. What does your program do and why is it an asset to the County?

The funding will be used to support the Central Receiving Facility (CRF) in initial screenings, assessments, evaluations, and triage, treatment, or stabilization of adult persons arriving at the facility under the Baker Act. Adults will be arriving at the CRF primarily via transport by law enforcement officers. The CRF will be operated by Lakeview Center and will be staffed by behavioral health professionals including nurses, counselors, technicians, and peer support specialists. Licensed clinicians will perform Baker Act screenings of all arrivals. If a psychiatric admission is required, Lakeview Center staff will transport patients to Baptist Health Care or HCA Florida West, based upon a rotation system that considers patient preference and capacity. In the instance that indigent adults require admission, they will be transferred to a Crisis Stabilization Unit operated by Lakeview Center Inc.

Is your program a governmental function or requirement? If a governmental request, please site regulatory/statutory requirement. Please explain: N/A

SIMILAR/PARTNER ORGANIZATIONS

List any other public or private organizations/agencies that provide similar services and how have you partnered with those organizations in the area:

Baptist Healthcare and HCA Florida West are the 2 other designated receiving facilities serving Escambia County. In recent years, Baker Acts were brought by law enforcement to the emergency departments at these hospitals. Law enforcement officers often waited with Baker Act patients that were awaiting to be seen. Both hospitals, as well as other key stakeholders, have been active participants in the implementation of the CRF model. Now fully operational as of April 22nd of 2024, Lakeview Center serves as the central receiving facility for adult Baker Acts. The design of the CRF allows for law enforcement drop with a 10-15 minute drop off time, with a specialized environment to care for adults in a behavioral health crisis. Baptist Hospital and HCA Florida West continue to provide the inpatient hospitalization when that is the appropriate level of care. Lakeview Center will divert to community-based services when that is appropriate.

Explain how you are the best partnering agency for your program. Please differentiate your program from a similar program.

While there are systems place in our community currently for Baker Act, there is no similar program to the proposed CRF.

FUNDING

Will these funds be used for salaries/administrative costs or direct programming costs? Please provide a breakdown by percentage within each category. *NOTE: Only salaries directly related to the approved program are eligible for funding.*

- Percentage for salaries/administrative costs: 15.5%(a)

- Percentage for direct programming costs: 84.5%

(a) NOTE: This is Lakeview Center's federally approved indirect rate and includes administrative salaries as well as all related operating expenses.

If Escambia County funding can only fund a portion of your request, how will you offset the difference?

The program will be funded through state appropriations as well as the DCF-required 25% matching funds from appropriate sources.

If the funding you are applying for can be used as a match for other funding, please provide the details below and include the amount and match ratio:

This request to the County would satisfy the match requirement of the State appropriation. The statutory requirement is a local match requirement of 25%.

Is there a duplication of funding? Does your organization request funding from other local non-profit agencies? If so, list each agency you request funds from and the amount. Explain what those requested funds would be used for.

There is no duplication of funding for this service. Lakeview does support services using complementary, but not overlapping, funding streams. Federal, state, and local funds will support this program. There is potential for private insurance to also support but that is unknown in the first year of operation.

GOALS AND METRICS

Provide "Specific and Measurable" metrics in the following three sections:

1. Please complete the Agency Metrics Scorecard below by listing up to three primary goals that this program is targeting. For example, "reduce homelessness in Escambia County by "X"%." Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
