How to find your bus stop:

- Each route has a map and corresponding schedule.
- The route schedule has major time points listed across the top.
- Above each major time point is a number, which corresponds with a number on the route map to show the time point location.
- There are more stops than those listed on the schedule and map.
- By finding the nearest stop listed on the schedule, the arrival of the bus can be estimated.

Note: Weekday bus routes and schedules may differ from weekend and holiday routes and schedules.
